QUESTIONS AND ANSWERS ABOUT THE SPECIAL MEETING

What is the purpose of the Special Meeting?

At the Special Meeting, stockholders will act upon the following matter:

**PROPOSAL TO APPROVE AND ADOPT AMENDMENT TO RESTATED ARTICLES OF INCORPORATION.**

To approve and adopt an amendment to our Restated Articles of Incorporation to increase the number of shares of common stock, par value \$.001 per share, that we are authorized to issue from 100,000,000 to 150,000,000 shares.

In addition, stockholders also will transact any other business that properly comes before the Special Meeting, and there will be an opportunity for discussions concerning Provectus Pharmaceuticals, Inc. and its activities.

Who is entitled to vote?

Only stockholders of record at the close of business on November 13, 2009, the record date for the Special Meeting, are entitled to receive notice of the Special Meeting and to vote the shares of our common stock that they held on that date at the Special Meeting. Each outstanding share of our common stock entitles its holder to cast one vote on each matter to be voted on at the Special Meeting.

Am I entitled to vote if my shares are held in “street name”?

If you are the beneficial owner of shares held in “street name” by a brokerage firm, bank, or other nominee, such entity, as the record holder of the shares, is required to vote the shares in accordance with your instructions. If you do not give instructions to your nominee, it will nevertheless be entitled to vote your shares on “discretionary” items but will not be permitted to do so on “non-discretionary” items. The proposal to approve and adopt an amendment to our Restated Articles of Incorporation is a discretionary item on which your nominee will be entitled to vote your shares even in the absence of instructions from you.

What constitutes a quorum?

The presence at the Special Meeting, in person or by proxy, of the holders of a majority of the shares of our common stock outstanding on the record date will constitute a quorum. As of the record date, there were 66,082,725 outstanding shares of our common stock. Shares held by stockholders present at the Special Meeting who elect to abstain from voting nonetheless will be included in the calculation of the number of shares considered present at the Special Meeting.

What happens if a quorum is not present at the meeting?

If a quorum is not present at the scheduled time of the meeting, the holders of a majority of the shares present in person or represented by proxy at the meeting may adjourn the meeting to another place, date, or time until a quorum is present. The place, date, and time of the adjourned meeting will be announced when the adjournment is taken, and no other notice will be given unless the adjournment is for more than thirty days, or if after the adjournment a new record date is fixed for the adjourned meeting.

How do I vote?

If you complete and properly sign the accompanying proxy card and return it to us, the proxy holders named on the proxy card will vote your shares as you direct. If you are a registered stockholder and attend the Special Meeting, you may deliver your completed proxy card or vote in person at the Special Meeting. If you hold your shares in a brokerage account or in “street name” and you wish to vote at the Special Meeting, you will need to obtain a proxy from

the broker or other nominee who holds your shares.

2

---

Can I change my vote after I return my proxy card?

Yes. Even after you have submitted your proxy card, you may change your vote at any time before the proxy is exercised by filing with the Secretary either a notice of revocation or a duly executed proxy card bearing a later date. If you are a “street name” stockholder, you must contact your broker or other nominee and follow its instructions if you wish to change your vote. The powers of the proxy holders will be suspended if you attend the Special Meeting in person and so request, although your attendance at the Special Meeting will not by itself revoke a previously granted proxy.

What are the Board’s recommendations?

Our Board of Directors recommends that you vote “FOR” the proposal to approve and adopt an amendment to our Restated Articles of Incorporation to increase the number of shares of common stock, par value \$.001 per share, that we are authorized to issue from 100,000,000 to 150,000,000 shares.

What happens if I do not specify how my shares are to be voted?

If you submit a proxy but do not indicate any voting instructions, your shares will be voted “FOR” the proposal.

Will any other business be conducted at the Special Meeting?

As of the date hereof, our Board of Directors knows of no business that will be presented at the meeting other than the proposal described in this Proxy Statement. If any other business is properly brought before the Special Meeting, the proxy holders will vote your shares in accordance with their best judgment.

What vote is required to approve each item?

The approval of the proposal to amend to our Restated Articles of Incorporation requires the affirmative vote of stockholders who hold a majority of shares of our common stock entitled to vote.

How will Abstentions and Broker Non-Votes be Treated?

Abstentions will have the same effect as a negative vote for both proposals. Broker non-votes occur when a brokerage firm, bank, or other nominee does not vote shares that it holds in “street name” on behalf of the beneficial owner because the beneficial owner has not provided voting instructions to the nominee with respect to a non-discretionary item. The proposal to approve and adopt an amendment to our Restated Articles of Incorporation is a discretionary item on which your nominee will be entitled to vote your shares even in the absence of instructions from you.

PROPOSAL TO APPROVE AND ADOPT

AMENDMENT TO RESTATED ARTICLES OF INCORPORATION

Description of the Amendment

Our Board of Directors has unanimously adopted a resolution to amend our Restated Articles of Incorporation to increase the number of shares of common stock, par value \$.001 per share, that we are authorized to issue from 100,000,000 to 150,000,000 shares and has directed that the proposed amendment be submitted to our stockholders for their approval and adoption. The amendment will not change the number of shares of preferred stock that are authorized, and the total authorized shares will be increased from 125,000,000 to 175,000,000. The amendment will replace Section 5 of our current Restated Articles of Incorporation with the following language:

The total number of shares which the Corporation shall have authority to issue is One Hundred Seventy-Five Million (175,000,000) shares of stock, of which One Hundred Fifty Million (150,000,000) shares shall be designated as common shares, par value \$.001 per share (“Common Shares”), and Twenty-Five Million (25,000,000) shares shall be designated as preferred shares, par value \$.001 per share (“Preferred Shares”).

Our Board of Directors unanimously recommends that stockholders vote “FOR” the proposal to approve and adopt an amendment to our Restated Articles of Incorporation.

Background

We may issue our shares of capital stock to the extent such shares have been authorized under our Restated Articles of Incorporation. Our Restated Articles of Incorporation currently authorize us to issue up to 100,000,000 shares of common stock, par value \$.001 per share, and 25,000,000 shares of preferred stock, par value \$.001 per share. As of November 13, 2009, 66,082,725 shares of our common stock were issued and outstanding. In addition:

- as of September 30, 2009, 21,114,703 shares of our common stock were reserved for issuance pursuant to warrants to purchase our common stock; and
- as of September 30, 2009, 8,722,177 shares of our common stock were reserved for issuance pursuant to options to purchase our common stock.

No shares of our common stock are held as treasury stock, and no shares of preferred stock have been issued.

Reasons for the Proposed Amendment

The total of shares of our common stock (i) issued and outstanding, (ii) reserved for issuance pursuant to warrants to purchase our common stock and (iii) reserved for issuance pursuant to options to purchase our common stock granted under our 2002 Stock Plan, as amended, is 95,919,605. As a result, we have only 4,080,395 unreserved shares of our common stock available for issuance.

Our Board of Directors believes that this amount is insufficient for our future financing needs because it is likely that the sale of shares of our common stock will be the principal means by which we will raise additional capital until such time as we are able to generate earnings sufficient to finance our operations. Shares of our common stock may be used for various purposes without further stockholder approval. These purposes may include: raising capital, providing

equity incentives to employees, directors and consultants, establishing strategic relationships with other companies, the acquisition of any business, assets or technology, and other purposes. Although our Board of Directors has no current plan, arrangement or commitment to issues additional shares of our common stock, our Board of Directors believes that it is in the best interest of us and our stockholders to have a sufficient number of authorized but unissued shares of our common stock available for issuance in the future for such purposes.

4

---

#### Possible Anti-Takeover Effects of the Amendment

The proposed amendment to our Restated Articles of Incorporation is not being recommended in response to any specific effort of which our Board of Directors is aware to obtain control of the Company, and our Board of Directors does not intend or view the proposed increase in authorized common stock as an anti-takeover measure. However, the ability of our Board of Directors to authorize the issuance of the additional shares of our common stock that would be available if the proposed amendment is approved and adopted could have the effect of discouraging or preventing a hostile takeover.

#### No Preemptive Rights

Under Chapter 78 of the Nevada Revised Statutes and our Restated Articles of Incorporation, the holders of our common stock do not have preemptive rights to acquire unissued shares of our common stock.

#### Vote Required

The approval and adoption of the amendment to our Restated Articles of Incorporation requires the affirmative vote of stockholders who hold a majority of shares of our common stock entitled to vote thereon. If the amendment is approved and adopted, it will become effective upon filing a Certificate of Amendment with the Nevada Secretary of State. After filing the Certificate of Amendment, the additional shares of our common stock may be issued from time to time by action of our Board of Directors on such terms and for such purposes as our Board of Directors may consider appropriate. In the event that the proposed amendment is not approved and adopted by our stockholders at the Special Meeting, the current Restated Articles of Incorporation will remain in effect.
