Item 1.01 Entry into a Material Definitive Agreement.

On June 7, 2012, Intellicell Biosciences, Inc. (the “Company”) finalized a committed equity facility (the “Equity Facility”) with TCA Global Credit Master Fund, LP, a Cayman Islands limited partnership (“TCA”), whereby the parties entered into (i) a committed equity facility agreement (the “Equity Agreement”) and (ii) a registration rights agreement (the “Registration Rights Agreement”).

Committed Equity Facility Agreement

On June 7, 2012, the Company entered into the Equity Agreement with TCA. Pursuant to the terms of the Equity Agreement, for a period of twenty-four months commencing on the effective date of the Registration Statement (as defined herein), TCA shall commit to purchase up to \$2,000,000 of the Company’s common stock, par value \$0.001 per share (the “Shares”), pursuant to Advances (as defined below), covering the Registrable Securities (as defined below). The purchase price of the Shares under the Equity Agreement is equal to ninety-five percent (95%) of the lowest daily volume weighted average price of the Company’s common stock during the five (5) consecutive trading days after the Company delivers to TCA an Advance notice in writing requiring TCA to advance funds (an “Advance”) to the Company, subject to the terms of the Equity Agreement.

The “Registrable Securities” include (i) the Shares; and (ii) any securities issued or issuable with respect to the Shares by way of exchange, stock dividend or stock split or in connection with a combination of shares, recapitalization, merger, consolidation or other reorganization or otherwise.

As further consideration for TCA entering into and structuring the Equity Facility, the Company shall pay to TCA a fee by issuing to TCA that number of shares of the Company’s common stock that equal a dollar amount of one hundred and ten thousand dollars (\$110,000) (the “Facility Fee Shares”). It is the intention of the Company and TCA that the value of the Facility Fee Shares shall equal \$110,000. In the event the value of the Facility Fee Shares issued to TCA does not equal \$110,000 after a ninth month evaluation date, the Equity Agreement provides for an adjustment provision allowing for necessary action to adjust the number of shares issued.

Registration Rights Agreement

On June 7, 2012 (the "Closing Date"), the Company entered into the Registration Rights Agreement with TCA. Pursuant to the terms of the Registration Rights Agreement, the Company will use its commercially reasonable best efforts to file a registration statement (the “Registration Statement”) with the U.S. Securities and Exchange Commission (the “SEC”) to cover the Registrable Securities no later than 45 days from the Closing Date (the "Filing Date"). The Company shall use its commercially reasonable efforts to cause the Registration Statement to be declared effective by the SEC no later than 90 days following the Closing Date. In the event that the Registration Statement is not declared effective within a 150 days of the Filing Date, the Company will be subject to certain penalties as further detailed in the Registration Rights Agreement.

The above descriptions of the Equity Agreement and Registration Rights Agreement do not purport to be complete and are qualified in their entirety by the full text of the document themselves.

Item 3.02 Unregistered Sales of Equity Securities

In addition, the Company is relying on an exemption from the registration requirements of the Securities Act of 1933, as amended, for the private placement of our securities under the Equity Agreement pursuant to Section 4(2) of the Act and/or Rule 506 of Regulation D promulgated thereunder. The transaction does not involve a public offering, TCA is an “accredited investor” and/or qualified institutional buyer and TCA has access to information about us and its

investment.
