**PROXY STATEMENT FOR THE
2003 ANNUAL MEETING OF SHAREHOLDERS
FEBRUARY 27, 2003**

This Proxy Statement and related materials are furnished in connection with the solicitation of proxies by the Board of Directors (the **Board**) of RemedyTemp, Inc., a California corporation (the **Company**), for use at the Company's 2003 Annual Meeting of Shareholders (the **Meeting**) to be held on February 27, 2003, at 12 noon Pacific Standard Time, and at any and all postponements and adjournments of the Meeting. The Meeting will be held at the Company's corporate headquarters located at 101 Enterprise, Aliso Viejo, California 92656. This Proxy Statement and the accompanying form of proxy will be first mailed to shareholders on or about January 22, 2003.

The cost of preparing, assembling and mailing the Notice of Annual Meeting of Shareholders, this Proxy Statement and form of proxy and the cost of soliciting proxies will be paid by the Company. Proxies may be solicited in person or by telephone, telegraph or cable, and by personnel of the Company who will not receive any additional compensation for such solicitation. The Company will pay brokers or other persons holding stock in their names or the names of their nominees for the reasonable expenses of forwarding soliciting material to their principals.

VOTING

The Board has fixed the close of business on January 6, 2003 as the record date for the determination of shareholders entitled to notice of and to vote at the Meeting. On that date, there were 8,228,195 shares of the Company's Class A Common Stock (**Common Stock**) outstanding. Each share of Common Stock is entitled to one vote on any matter that may be presented for consideration and action by the shareholders at the Meeting. Holders of the Company's Class B Common Stock are not entitled to any vote in the election of directors or on any other matters submitted to a shareholder vote except as to certain amendments to the Company's Amended and Restated Articles of Incorporation (the **Articles of Incorporation**), certain mergers and as otherwise required by law.

The holders of a majority of the shares of Common Stock outstanding on the record date and entitled to be voted at the Meeting, present in person or by proxy, will constitute a quorum for the transaction of business at the Meeting and at any adjournments and postponements thereof. Abstentions and broker non-votes are counted for the purpose of determining the presence or absence of a quorum for the transaction of business.

For the purposes of Proposal No. 1, Election of Directors, the nominees receiving the greatest number of votes at the Meeting will be elected. Because directors are elected by plurality, abstentions and broker non-votes will be entirely excluded from the vote and will have no legal effect on the election of directors. With respect to Proposal No. 2, approval of an amendment to the Non-Employee Director Plan, approval requires the affirmative vote of a majority of those shares present and voting, and thus, abstentions and broker non-votes will not be considered as having voted for purposes of determining the outcome of Proposal No. 2.

Each shareholder entitled to vote may vote by proxy by using the proxy card enclosed with this Proxy Statement. You can specify how you want your shares voted on each proposal by marking the appropriate boxes on the proxy card. The proposals are identified by number and identifying text on the proxy card. Each proxy submitted by a shareholder will, unless otherwise directed by the shareholder in the proxy, be voted according to the recommendation of the Board on that proposal, as set forth later in this Proxy Statement. If a shareholder has submitted a proxy appropriately directing how the shares represented thereby are to be voted, such shares will be voted according to the shareholder's direction.

Any shareholder has the power to revoke his or her proxy at any time before it is voted at the Meeting by submitting a written notice of revocation to the Secretary or Assistant Secretary of the Company or by filing a duly executed proxy bearing a later date. A proxy will not be voted if the shareholder that executed it is present at the Meeting and elects to vote the shares represented thereby in person.

The table below sets forth the following information as of January 6, 2003: (i) the number of shares of the Company's Class A Common Stock beneficially owned by those known by the Company to be beneficial owners of more than five percent (5%) of the outstanding shares of the Company's Class A Common Stock; and (ii) the number of shares of the Company's Class A and Class B Common Stock beneficially owned by each director and executive officer named in the Summary Compensation Table on page 10 of this Proxy Statement, and by all directors and executive officers of the Company as a group. PROPOSAL NO. 1

ELECTION OF DIRECTORS

Nominees for Election

In general, the Company's directors are elected at each annual meeting of shareholders. Currently, the number of directors of the Company is nine (9). Accordingly, at the Meeting, the Company's shareholders are being asked to elect nine (9) directors to serve until the next annual meeting of shareholders and until their successors are elected and qualified. Elimination of Cumulative Voting

The Company's Amended and Restated Bylaws (the "Bylaws") provide that when the Company becomes a listed corporation within the meaning of the California Corporations Code (i.e., has at least 800 holders of its equity securities as of the record date of the Company's most recent annual meeting of shareholders), cumulative voting rights will be eliminated. The Company had more than 800 shareholders on February 19, 1997. Consequently, cumulative voting rights were eliminated on February 19, 1997.

Board Committees and Meetings

During the Company's last fiscal year ended September 29, 2002 (Fiscal 2002), the Board had the following four ongoing committees: the Audit Committee; the Leadership Development and Compensation Committee; the Executive Committee; and the Corporate Governance and Nominating Committee.

Audit Committee. The Audit Committee of the Board currently consists of Messrs. Cvengros, Elliott and Zaepfel (Chair). The Audit Committee meets with the Company's independent accountants, makes recommendations to the Board concerning the acceptance of the reports of such accountants and the accounting policies and procedures of the Company, and reviews financial plans and operating results of the Company. The Board has adopted a written charter for the Audit Committee. The Audit Committee charter is included as Appendix A to this Proxy Statement. The members of the Audit Committee are independent directors as defined under the National Association of Securities Dealers' listing standards.

Compensation Committee. The Leadership Development and Compensation Committee (the Compensation Committee) of the Board currently consists of Dr. Doti, Ms. George (Chair) and Mr. Hagan. The Compensation Committee sets the performance goals, annual salary and incentive compensation of the Company's executive officers. Additionally, the Compensation Committee administers the Company's 1996 Amended and Restated Stock Incentive Plan and 1996 Employee Stock Purchase Plan.

Executive Committee. The Executive Committee of the Board currently consists of Messrs. Cvengros, Elliott and Hagan (Chair). The Executive Committee acts on behalf of the Board to mentor and review the performance of the Company's Chief Executive Officer. The Executive Committee also meets with the Company's Chief Executive Officer to provide certain strategic, shareholder and organizational planning recommendations.

Corporate Governance and Nominating Committee. The Corporate Governance and Nominating Committee of the Board (the Nominating Committee) currently consists of Mr. Cvengros, Dr. Doti and Mr. Elliott (Chair). The Nominating Committee identifies, interviews and recommends to the Board potential new Board members and makes recommendations to the Board regarding corporate governance issues. The Nominating Committee will consider nominees recommended by shareholders. A shareholder desiring to make such a recommendation should submit the name, address, telephone number, and qualifications of the proposed nominee in writing to the Company's Secretary and must comply with the procedures set forth in Section 2.01(c) of the Company's Bylaws. The Board then acts as a committee of the whole with respect to nominations for membership to the Board.

During Fiscal 2002, there were four (4) meetings of the Board, six (6) meetings of the Audit Committee, six (6) meetings of the Compensation Committee, one (1) meeting of the Nominating Committee, and six (6) meetings of the Executive Committee. While a director, all of the Board members attended or participated in more than 75% of the aggregate of (i) the total number of meetings of the meetings of the Board, and (ii) the total number of meetings held by all Committees of the Board on which each such director served.

Directors Compensation

Directors who are also employees or officers of the Company receive no extra compensation for their service on the Board. Pursuant to the Non-Employee Director Plan, effective March 16, 1998, non-employee directors receive an annual retainer in the form of shares of Common Stock valued at \$20,000 on the date of their election or re-election to the Board. Shares that are issued under the Non-Employee Director Plan are held in trust, on a deferred basis (subject to an exception for financial hardship) until a director is no longer a director of the Company. Such shares are issued in trust no later than ten (10) business days after the next annual meeting of shareholders following election or re-election, provided that the director has remained a director during such time. Participation in the Non-Employee Director Plan is mandatory. Additionally, the following cash fees are paid by the Company to each non-employee director per meeting attended: \$2,000 per Board meeting; \$1,500 per Executive Meeting, with the Chair receiving \$2,000; and \$750 for each meeting of all other committees of the Board, with the Chair receiving \$1,000. Non-employee directors also receive reimbursement for out-of-pocket expenses relating to Company business.

Pursuant to the Company's 1996 Amended and Restated Stock Incentive Plan (the Incentive Plan), each non-employee director of the Company automatically receives, upon becoming a director, a one-time grant of an option to purchase up to 5,000 shares of Common stock at an exercise price equal to the fair market value of the Common Stock on the date of the option's grant. These non-employee director options have a term of ten (10) years and become exercisable with respect to fifty percent (50%) of the underlying shares on the grant date and with respect to an additional fifty percent (50%) of the underlying shares on the date of the next annual meeting of shareholders of the Company following the grant date (or, if an annual meeting of shareholders occurs within six months after the grant date, then on the date of the second annual shareholders' meeting after the grant date), provided that the recipient has remained a director since the grant date. In addition to an initial grant, each non-employee director also will receive, upon each re-election to the Board, an automatic grant of an option to purchase up to 2,500 additional shares of Common Stock. These additional options will vest and become exercisable upon the earlier to occur of (i) the first anniversary of the grant date, or (ii) immediately prior to the annual meeting of shareholders of the Company next following the grant date, if the director has served as a director from the grant date to such earlier date. All non-employee director options will have a term of ten (10) years and an exercise price equal to the fair market value of a share of Common Stock on the date of grant. Vesting of non-employee director options accelerates if the recipient of the option ceases to be a director of the Company or its successor in connection with a change in control.

Grants of non-employee directors' options under the Incentive Plan count against its current limit of 1,800,000 shares of Common Stock. Shares underlying non-employee directors' options that expire or are terminated or canceled will

become available for further awards under the Incentive Plan. In the event that a recipient of non-employee directors' options ceases to be a director of the Company, all such options granted to the director will be exercisable, to the extent they were exercisable at the date directorship ceased, for a period of 365 days or, if earlier, the expiration of the option according to its terms. Vesting accelerates upon certain transactions including dissolution, merger and change in control. The Incentive Plan provides that the exercise price may be paid by Company loan or withholding of underlying stock, or deferred until completion of broker-assisted exercise and sale transactions.

Pursuant to the amended terms of the Incentive Plan, each non-employee director was awarded a non-employee directors' option to purchase 2,500 shares of Common Stock on February 28, 2002 upon the directors' re-election to the Board at the 2002 Annual Meeting.

Recommendation of the Board

The Board recommends that the shareholders vote FOR the nine (9) nominees listed above. Proxies received will be so voted unless shareholders specify otherwise in the proxy.

PROPOSAL NO. 2

Approval of Amendment to the Non-Employee Director Plan

The Company seeks shareholder approval of an amendment to the Non-Employee Director Plan to authorize issuance of an additional 50,000 shares of Common Stock under the Non-Employee Director Plan (the Amendment). The Non-Employee Director Plan was adopted by the Board in March 1998, and 25,000 shares of Common Stock were initially authorized to be issued under the plan. The Amendment would increase the maximum aggregate number of shares of Common Stock for issuance over the term of the Non-Employee Director Plan to 75,000 shares.

The Non-Employee Director Plan enables the Company to provide an annual retainer in the form of shares of Common Stock to the non-employee directors of the Company. The purposes of the Non-Employee Director Plan are to advance the interests of the Company and its shareholders by increasing ownership of Common Stock by the Company's non-employee directors, thereby aligning their interests more closely with the interests of the Company's other shareholders and to enhance the ability of the Company to attract and retain members of the Board of the highest caliber. The Board believes that the Amendment is necessary and appropriate, at this time, in order for the Company to have sufficient reserves of shares of Common Stock to continue its issuance of such shares as a retainer to its current and future non-employee directors under the Non-Employee Director Plan.

The following is a brief summary of the principal features of the Non-Employee Director Plan. The summary is qualified and subject to the full text of the Non-Employee Director Plan (as proposed to be amended) attached hereto as Appendix B.

Summary of Non-Employee Director Plan

The Non-Employee Director Plan is administered by the full Board. The Board may suspend or terminate the Non-Employee Director Plan or any portion thereof at any time, and may amend the plan from time-to-time in any respect the Board may deem to be in the best interests of the Company; provided, however, that no such amendment shall be effective without approval of the shareholders of the Company if shareholder approval of the amendment is then required pursuant to the applicable rules of any securities exchange, or, in the opinion of the Company's counsel, any other law or regulation binding on the Company. Directors of the Company who are not employees or officers of the Company or any subsidiary of the Company are required to participate in the Non-Employee Director Plan.

Pursuant to the Non-Employee Director Plan, non-employee directors receive an annual retainer in the form of shares of Common Stock valued at \$20,000 on the date of their election or re-election to the Board. The shares issued under the Non-Employee Director Plan are held in trust, on a deferred basis (subject to an exception for financial hardship) until a director is no longer a director of the Company. Such shares are issued no later than ten (10) business days after the next annual meeting of shareholders following election or re-election, provided that the director has remained a director during such time.

The number of shares of Common Stock issuable to a non-employee director, in the first year of service, is determined by dividing the amount of the retainer fee (pro-rated as applicable in the first year if less than a full year is served) by the fair market value of the Common Stock on the date that such person becomes a director. After the first year, the number of shares of Common Stock issuable to a non-employee director is determined by dividing the amount of the retainer fee by the fair market value of the Common Stock on the date such director is elected, re-elected or appointed.

For purposes of the Non-Employee Director Plan, the fair market value of the Common Stock as of any issuance or deferral date shall be the mean between the highest and lowest sales price of the Common Stock on the NASDAQ National Market System as of such date (or, if no such shares were traded on such date, as of the next preceding day on which there was such a trade, provided that the closing price on such preceding date is not less than 100% of the fair market value of the Stock, as determined in good faith by the Company, on the date of issuance).

The Non-Employee Director Plan, unless terminated sooner or extended by action of the Board, will terminate on December 31, 2008.

Interests of Certain Persons in Matter to be Acted Upon

Each of the six non-employee directors of the Company qualifies to participate in the Non-Employee Director Plan and thus will receive, as an annual retainer, shares of Common Stock under the Non-Employee Director Plan. If Proposal No. 2 is approved, additional shares of Common Stock will be available for future issuances to the Company's non-employee directors under the Non-Employee Director Plan. If Proposal No. 2 is not approved, each non-employee director will receive an annual retainer equal to \$20,000.

Recommendation of the Board

The Board recommends that shareholders vote FOR Proposal No. 2 to approve the Amendment to the Non-Employee Director Plan.

Name	Individual Grants				Potential Realizable Value at Assumed Annual Rates of Stock Price Appreciation for Option Term (\$)(4)	
	Number of Securities Underlying Options Granted (#)(1)	% of Total Options Granted to Employees in Fiscal Year	Exercise Of Base Price (\$/share) (2)	Expiration Date (3)	5%(\$)	10%(\$)

- (1) The options set forth in the above table were granted under the Incentive Plan. In accordance with the Retirement Agreement, the options granted to Mr. Purdy were immediately vested and exercisable for ten (10) years from the grant date of June 18, 2002. The Incentive Plan is administered by the Compensation Committee, which has broad discretion and authority to construe and interpret the Incentive Plan and to modify outstanding options.
- (2) The exercise price and tax withholding obligations related to the exercise may be paid by delivery of already owned shares or by offset of the underlying shares, subject to certain conditions. The Incentive Plan permits the Compensation Committee to amend outstanding options; provided, however, prior approval of the Company's shareholders is required to lower the exercise price of outstanding options.
- (3) The options were granted for a term of ten (10) years from the grant date.
- (4) The potential realizable values listed are based on an assumption that the market price of the Common Stock appreciates at the stated rate, compounded annually, from the date of grant to the expiration date. The five percent (5%) and ten percent (10%) assumed rates of appreciation are determined by the rules of the Commission and do not represent the Company's estimate of the future market value of the Common Stock. Actual gains, if any, are dependent on the future market price of the Common Stock.

Aggregated Option Exercises in Last Fiscal Year and Fiscal Year-End Option Values

The following table sets forth the number of shares acquired on exercise of stock options and the aggregate gains realized on exercise during the fiscal year ended September 29, 2002 by the Named Executive Officers. The table also sets forth the number of shares covered by exercisable and unexercisable options held by such executives on September 29, 2002 and the aggregate gains that would have been realized had these options been exercised on September 29, 2002, even though these options were not exercised, and the unexercisable options could not have been exercised, on that date.

Name	Shares Acquired on Exercise (#)	Value Realized (\$)	Number of Securities Underlying Unexercised Options at Fiscal Year End (#)		Value of Unexercised In-the-Money Options At Fiscal Year End \$(1)	
			Exercisable	Unexercisable	Exercisable	Unexercisable

Robert E. McDonough, Sr.			50,000	5,000		
Alan M. Purdy			61,100			
Gunnar B. Gooding

- (1) These amounts represent the difference between the exercise price of the in-the-money options and the market price of the Company's Common Stock on September 27, 2002 (the last trading day of Fiscal 2002). The closing price of the Company's Common Stock on that day on the Nasdaq National Market was \$12.50. Options are in-the-money if the market value of the shares covered thereby is greater than the option exercise price.

Employment Contracts

The Company has an Amended and Restated Employment Agreement with Greg Palmer that expires on October 1, 2006, pursuant to which the Company employs Mr. Palmer as its President and CEO. The agreement provides for a base salary of not less than \$480,000 per year and an annual performance bonus of up to 60% of Mr. Palmer's base salary based upon satisfaction of annual performance goals set by the Compensation Committee. Under the agreement, Mr. Palmer received from the Company a grant of 150,000 shares of restricted stock of the Company pursuant to the terms set by the Compensation Committee of the Board and the terms of the Company's Incentive Plan. In the event that there are certain changes in control of the Company and Mr. Palmer is terminated by the Company for any reason except for cause, he shall receive a severance payment equal to 2.9 times the sum of his annual base salary and maximum annual bonus potential then in effect (subject to certain tax limitations), and all options granted shall become fully vested and exercisable for the balance of their term.

The amount of Mr. McDonough's annual performance bonus shall be no less than \$160,000 and no more than 100% of Mr. McDonough's base salary until December 3, 2001. Notwithstanding the aforementioned, effective December 4, 2001, the agreement provides that Mr. McDonough shall receive total annual compensation of \$250,000 until December 3, 2002, \$200,000 until December 3, 2003 and \$150,000 until December 3,

2004. The Company has a Severance Agreement and General Release (the "Severance Agreement") with Paul W. Mikos, the Company's Chairman of the Board and former Chief Executive Officer and President. Pursuant to the Severance Agreement, the Company shall provide the following severance benefits to Mr. Mikos: (i) bi-weekly severance payments that total \$1,800,000 over a two-year period commencing July 17, 2001 (the "Severance Date"); (ii) payment of health benefits and life and disability insurance premiums in effect on the Severance Date, for a period of three (3) years and seventeen (17) days commencing on the Severance Date; (iii) ownership of a 2000 Mercedes and 1996 Range Rover and certain artwork; (iv) a lump sum of \$30,000 for perquisites; and (v) vesting of all granted options, which shall remain exercisable for the balance of their term. Under the terms of the Severance Agreement, Mr. Mikos releases the Company from any claims, known or unknown.

The Company has a Retirement Agreement and General Release with Alan M. Purdy, the Company's Senior Vice President, Chief Financial Officer and Assistant Secretary, providing that Mr. Purdy retires from his positions effective January 1, 2003. REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee consists of three (3) non-employee directors and is responsible for setting and administering the policies governing annual compensation and performance goals of the executive officers of the Company.

Compensation Policies and Philosophy

The Compensation Committee believes that the compensation for the executive officers of the Company should be designed to attract, motivate and retain talented executives responsible for the success of the Company. The Compensation Committee determines the executive officers' compensation levels after examining competitive market levels of similarly situated temporary staffing companies and based upon the achievement of pre-established objectives, individual contribution to the Company and the financial performance of the Company. The Compensation Committee strives to set a fair and competitive base salary for each of its executive officers coupled with an incentive cash bonus tied to annual performance-based individual and Company goals. Additionally, the Company strives to link its executive officers' compensation with the financial performance of the Company and align the financial interests of the executive officers with those of the Company's shareholders by providing equity-based long-term incentives in the form of restricted stock or stock option grants.

Compensation Components and Process

BASE SALARY. The base salary for each executive officer is determined at levels considered appropriate for comparable positions at other similarly situated temporary staffing companies.

PERFORMANCE BASED COMPENSATION. The Compensation Committee believes that a substantial portion of the annual compensation of each executive officer should be in the form of a cash bonus based on the satisfaction of certain pre-established goals, including the financial performance of the Company. The pre-established goals are a product of the Company's Management By Objective Program (MBO) in which the Compensation Committee establishes each executive officer's goals after receiving input from each executive officer.

RESTRICTED STOCK AND STOCK OPTIONS. The goal of the Company's restricted stock and stock option grants is to align the interests of executive officers with the interests of the Company's shareholders and to provide each executive officer with a significant incentive to manage the Company from the perspective of an owner with an equity stake in the business. In years past, the Compensation Committee primarily used stock options to achieve this goal. During Fiscal 2002, the Compensation Committee engaged an independent firm that specializes in compensation issues to consult on the most appropriate way for the Company to compensate its executive officers and align their interests with that of the Company's shareholders. Accordingly, based in part on recommendations from compensation specialists and its own evaluation of this issue, the Compensation Committee awarded restricted stock to executive officers of the Company during Fiscal 2002. The Compensation Committee determined the amount of restricted stock according to the executive's position within the Company, recent performance, potential for future responsibility and promotion, and comparable awards made to individuals in similar positions within the staffing industry. The Compensation Committee will continue to evaluate the merits of awarding restricted stock. In general, it is the practice of the Company to grant stock options or restricted stock to executive officers when they join the Company. The Compensation Committee believes that these initial grants give the recipients a meaningful stake in the Company's long-term performance, with any ultimate realization of significant value from those grants being commensurate with returns available on investments in the Company's Common Stock. In addition to initial grants, the Compensation Committee has adopted a policy of providing additional long-term incentives to the Company's executive officers primarily through periodic stock option grants or, as mentioned above, restricted stock. The Compensation Committee believes that these incentives are essential to the long-term success of the Company and serve as a retention and compensation tool that aligns the interests of the Company's officers with the interests of its shareholders. In general, the restricted stock vests approximately five years for the grant date, or earlier if certain pre-established performance goals have been met. Options are exercisable in the future at the fair market value at the time of grant, so that an executive officer granted an option is rewarded only by the appreciation in price of the Company's Common Stock. Such grants, if any, are generally determined by the Compensation Committee after the end of a fiscal year with the input and recommendation of the Company's CEO.

Executive Officer Compensation

In November 2002, the Compensation Committee granted bonuses to certain executive officers based upon the executives' achievement of pre-established individual MBOs and Company goals, which include the Company's earnings per share financial performance. To ensure that the Compensation Committee achieves its goal of setting competitive compensation levels, the Compensation Committee referenced an analysis by an independent compensation consulting firm which concluded that the Company's executive base salaries were competitive with other temporary staffing companies, and that executive bonuses were competitive on a percentage basis to the levels identified by surveys for other temporary staffing companies.

Regarding compensation to executive officers other than base salary and cash bonuses, the Compensation Committee also administers the Company's Incentive Plan, pursuant to which the Company may grant various stock-based awards intended to compensate Company executive officers and align the interests of recipients with the interests of the Company's shareholders. Through the year ended September 29, 2002, stock options, performance grants and restricted Common Stock have been granted under the Incentive Plan. In Fiscal 2002, the Compensation Committee awarded certain executive officers restricted stock as mentioned above.

CEO Compensation

The Compensation Committee set the performance goals, salary, bonus amount and restricted stock grant for Fiscal 2002 of the Company's Chief Executive Officer, Greg Palmer, with reference to market standards and satisfaction of certain pre-established MBOs. For Fiscal 2002, Mr. Palmer's annual base salary was \$478,203. Mr. Palmer's incentive compensation for Fiscal 2002 consisted of a cash bonus of \$288,000 and grants totaling 150,000 shares of restricted stock (collectively, the Incentive Compensation). The restrictions on the Common Stock grants lapse on December 18, 2006 or earlier, if certain pre-established performance goals are met. The Compensation Committee based the Incentive Compensation on Mr. Palmer's achievement of his MBOs. Specifically, the MBOs were based on quantitative and qualitative factors such as the Company's actual earnings per share financial performance, the opening of certain direct offices in the finance and accounting division, the Company's implementation of its TopGrading initiative to hire and

retain the best talent available. As a result of the Company achieving the aforementioned performance goals, the Compensation Committee set Mr. Palmer's Incentive Compensation as stated above.

1998 REMEDYTEMP, INC.

**DEFERRED COMPENSATION AND STOCK OWNERSHIP PLAN
FOR OUTSIDE DIRECTORS
(Effective As of March 16, 1998)**

Article 1. Establishment and Purpose.

1.1 Establishment. RemedyTemp, Inc., a California corporation (the **Company**), hereby establishes, effective as of March 16, 1998 (the **Effective Date**), a director pay and deferred compensation plan, which shall be known as the 1998 RemedyTemp, Inc. Deferred Compensation and Stock Ownership Plan for Outside Directors (the **Plan**), for present and future members of the board of directors of the Company (the **Board**) who are not employees or officers of the Company.

1.2 Purpose. The purposes of the Plan are (i) to provide members of the Board who are not employees or officers of the Company with the opportunity to receive all of their Retainer Fees (as defined below) in the form of the Company's Class A Common Stock, par value \$.01 per share (**Stock**) on a deferral basis, subject to the terms of the Plan and (ii) to advance the interests of the Company and its shareholders by increasing the Stock ownership of the Company's non-employee directors thereby aligning their interests more closely with the interests of the Company's other shareholders. By adopting the Plan, the Company desires to enhance its ability to attract and retain members of the Board (**Directors**) of outstanding competence.

Article 2. Administration.

2.1 Authority of the Board. The Plan shall be administered by the full Board, and to the extent permissible under Section 16 of the Securities Exchange Act of 1934, as amended, the Board may delegate ministerial duties to the Chief Human Resources Officer or any other executive or executives of the Company. The Board shall have the power to construe the Plan, to resolve all questions arising under the Plan, to adopt and amend such rules and regulations for the administration of the Plan as it may deem desirable, and otherwise to carry out the terms of the Plan. Neither the Board nor any officer or employee thereof shall be liable for any action or determination taken or made under the Plan in good faith. Notwithstanding the foregoing, the Board shall have no authority or discretion as to the persons who will receive Stock granted pursuant to the Plan, the number of shares of Stock to be issued under the Plan, the time at which such grants are made, the number of shares of Stock to be granted at any particular time, or any other matters that are specifically governed by the provisions of the Plan.

2.2 Decisions Binding. The determinations, interpretations, and other actions of the Board of or under the Plan or with respect to any Stock granted pursuant to the Plan shall be final and binding for all purposes and on all persons.

2.3 Arbitration. Any individual making a claim for benefits under this Plan may contest the Board's decision to deny such claim or appeal therefrom only by submitting the matter to binding arbitration before a single arbitrator. Any arbitration shall be held in Orange County, California, unless otherwise agreed to by the Board. The arbitration shall be conducted pursuant to the Commercial Arbitration Rules of the American Arbitration Association.

The arbitrator's authority shall be limited to the affirmation or reversal of the Board's denial of the claim or appeal, and the arbitrator shall have no power to alter, add to, or subtract from any provision of this Plan. Each party shall bear its own attorney's fees and costs of arbitration. Judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction thereof.

APPENDIX B

2.4 Indemnification. Each person who is or shall have been a member of the Board shall be indemnified and held harmless by the Company against and from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a defendant, or in which he or she may be a party by reason of any act or omission by such Board member in his or her capacity as an administrator of the Plan, and against and from any and all amounts paid by him or her in settlement thereof, with the Company's approval, or paid by him or her in satisfaction of any judgment in any such action, suit, or proceeding against him or her, provided he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights or indemnification to which such persons may be entitled under the Company's Articles of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

Article 3. Participation in the Plan.

Directors of the Company who are not employees or officers of the Company or any subsidiary of the Company (**Eligible Directors**) shall participate in the Plan. Each Eligible Director shall, if required by the Company, enter into an agreement with the Company in such form as the Company shall determine consistent with the provisions of the Plan for purposes of implementing the Plan or effecting its purposes. In the event of any inconsistency between the provisions of the Plan and any such agreement, the provisions of the Plan shall govern. In the event an Eligible Director no longer meets the requirements for participation in the Plan, such Eligible Director shall become an inactive Eligible Director, retaining all the rights described under the Plan in Stock, until such time that the Eligible Director again becomes an active Eligible Director.

Article 4. Stock Subject to the Plan.

4.1 Number of Shares. The shares that may be issued under the Plan shall be authorized and unissued shares of the Company's Stock. The maximum aggregate number of shares that may be issued under the Plan shall be seventy-five thousand (75,000), subject to adjustment upon changes in capitalization of the Company as provided in Article 4.2. The maximum aggregate number of shares issuable under the Plan may be increased from time to time by approval of the Board, and by the shareholders of the Company if shareholder approval is required pursuant to the applicable rules of any stock exchange, or, in the opinion of the Company's counsel, any other law or regulation binding upon the Company.

4.2 Adjustments. If the Company shall at any time increase or decrease the number of its issued and outstanding shares of Stock (whether by reason of reorganization, merger, consolidation, recapitalization, stock dividend, stock split, combination of shares, exchange of shares, change in corporate structure, or otherwise), then the number of shares of Stock still available for issue hereunder shall be increased or decreased appropriately and proportionately.

Article 5. Retainer Fees in the Form of Stock.

5.1 Payment in Stock. Subject to deferral pursuant to Article 6, all Eligible Directors shall receive Stock in lieu of his or her annual cash retainer fees (annual amount and pro-rata portions thereof for partial years of directorship are set by the Board) paid to such Directors for serving as a member of the Board (**Retainer Fees**) so long as this Plan is in effect, to the extent and subject to the terms and conditions set forth in this Article 5. All other fees received by Eligible Directors from the Company, including his or her fees normally paid to a Director on a per meeting basis for attending a meeting of the Board or a committee thereof (**Meeting Fees**) shall be paid in cash and are not subject to the terms of this Plan.

5.2 Stock Payment Procedures.

5.2.1 Timing. Stock issuable to the Eligible Directors shall be issued no later than ten (10) business days following the annual meeting of the shareholders of the Company (**Annual Meeting**) beginning with the first Annual Meeting following the Effective Date, provided that the director remained an Eligible Director. Thereafter, stock issuable to the Eligible Directors shall be issued no later than ten (10) business days following each subsequent Annual Meeting, provided that the director remained an Eligible Director (the **Issue Date**).

5.2.2 Amount. For the year in which the Plan is implemented (the **First Year**), the number of shares of Stock issuable to those persons that are Eligible Directors on the Effective Date shall be determined by dividing the Retainer Fee amount (pro-rated if applicable and less the portion of such Retainer Fee that has previously been paid in cash to such Eligible Directors as of the Effective Date) by the Fair Market Value (defined below) of the Stock on the Effective Date. For all persons becoming Eligible Directors after the Effective Date during the First Year, the number of

APPENDIX B

shares of Stock issuable to such persons shall be determined by dividing the amount of the Retainer Fee (pro-rated if applicable) by the Fair Market Value of the Stock on the date that such persons become an Eligible Director. After the First Year, the number of shares of Stock issuable to those persons that are Eligible Directors shall be determined by dividing the Retainer Fee amount by the Fair Market Value of the Stock on the date the Eligible Director is elected, re-elected or appointed.

5.2.3 Fractional Shares. No fractional shares shall be issued under the Plan. The portion of Retainer Fees that would be paid in Stock in any year but for the proscription on fractional shares shall be paid in cash to the Eligible Director (without interest) on the Issue Date.

5.2.4 Fair Market Value. For the purposes of the Plan, the **Fair Market Value** of the Stock as of any issuance or deferral date shall be the mean between the highest and lowest sales price of the Stock on the New York Stock Exchange (or another national stock exchange or the NASDAQ National Market System, if the Stock trades thereon but not on the NYSE) as of such date (or, if no such shares were traded on such date, as of the next preceding day on which there was such a trade, provided that the closing price on such preceding date is not less than 100% of the fair market value of the Stock, as determined in good faith by the Company, on the date of issuance). If at any time the Stock is no longer traded on a national stock exchange or the NASDAQ National Market System, the Fair Market Value of the Stock as of any issuance date shall be as determined by the Company in good faith in the exercise of its reasonable discretion.

5.3 Rights of the Eligible Director. Except for the terms and conditions set forth in this Plan and that certain Trust Agreement of even date herewith entered into by and among the Company and the Trustees with respect to the Plan, an Eligible Director paid Stock in lieu of all of the Retainer Fees in cash shall have all of the rights of a holder of the Stock, including the right to receive dividends paid on such Stock and the right to vote the Stock at meetings of shareholders of the Company. Upon delivery, such Stock will be nonforfeitable.

Article 6. Deferral.

6.1 Deferral of Retainer Fees. The receipt of all Stock in lieu of cash Retainer Fees payable during any year shall be automatically deferred. Such deferral shall automatically remain in effect for all periods the Eligible Director remains a Director.

6.2 Payment Form of Deferred Stock. Subject to Article 6.3, Eligible Directors shall be entitled to elect to receive distribution of all the deferred Stock at the end of the deferral period in a single lump distribution of Stock or by means of installments. All deferred Stock shall be paid in the same form. If no election is made, the Eligible Director will be paid in a single lump distribution of Stock as provided in Article 6.2.1. For all Eligible Directors as of the Effective Date, elections to receive the Stock in annual installments rather than in one lump distribution, shall be made by completing a Deferral Distribution Election Form within thirty (30) calendar days after the Effective Date. Otherwise, those persons becoming Eligible Directors after the Effective Date, shall complete a Deferral Distribution Election Form not later than thirty (30) calendar days upon becoming as Eligible Director under the Plan.

6.2.1 One Lump Distribution. Unless otherwise noted on a Deferral Distribution Election Form, all deferred shares of Stock shall be distributed in a single transaction made to the Eligible Director in January following the year in which he or she ceases to serve as a Director for any reason.

6.2.2 Installment Distributions. Eligible Directors may elect to receive the distribution of the deferred Stock in annual installments, with a minimum number of installments of two (2), and a maximum number of installments of ten (10) by completing a Deferral Distribution Election Form as provided in Article 6.2. The initial distribution shall be made in January following the year in which he or she ceases to serve as a Director for any reason. The remaining installment distributions shall be made in January of each year thereafter until the Eligible Director's entire deferred account has been distributed in full. The amount of each installment distribution shall be equal to the balance remaining in the Eligible Director's deferred account immediately prior to each such payment, multiplied by a fraction, the numerator of which is one (1), and the denominator of which is the number of installment payments remaining. Subject to the following rules, Eligible Directors shall be permitted to change the form of elected deferral distribution pursuant to this Article 6 from a single distribution to installment distributions (Permitted Change), but not from installment distribution to a single distribution. A Permitted Change shall be made by filing a revised election form on a Deferral Distribution Election Form as described in Article 6.2 herein, specifying the new form of distribution provided that:

- (1) An election to change the form of distribution must be made no later than December 31 at least one (1) full year prior to the distribution commencement date as described in Article 6.2 herein. If a new election is submitted after this date, the election shall be null and void, and the form of distribution shall be determined under the Eligible Director's original election; and
- (2) No further election to change a form of distribution shall be permitted with respect to Stock already subject to a revised election submitted pursuant to this Article 6.

APPENDIX B

Notwithstanding anything to the contrary herein, the Board may elect at any time, in its sole and absolute discretion, to make distribution of the deferred Stock to the Eligible Director in a single lump distribution, notwithstanding the Eligible Director's election to receive such Stock in the form of installments.

6.3 Financial Hardship. The Board shall have the authority to alter the timing or manner of payment of deferred amounts in the event that the Eligible Director establishes, to the satisfaction of the Board, severe financial hardship. In such event, the Board may, in its sole discretion:

- (a) Authorize the cessation of deferrals by such Eligible Director under the Plan; or
- (b) Provide that all, or a portion, of the shares of Stock deferred shall immediately be paid in a lump sum cash payment.

For purposes of this Article 6.3 severe financial hardship shall mean any financial hardship resulting from extraordinary and unforeseeable circumstances arising as a result of one or more recent events beyond the control of the Eligible Director. In any event, payment may not be made to the extent such emergency is or may be relieved: (i) through reimbursement or compensation by insurance or otherwise; (ii) by liquidation of the Eligible Director's assets, to the extent the liquidation of such assets would not itself cause severe financial hardship; or (iii) by cessation of deferrals under the Plan. Withdrawals of amounts because of a severe financial hardship may only be permitted to the extent reasonably necessary to satisfy the hardship, plus to pay taxes on the withdrawal. Examples of what are not considered to be severe financial hardships include the need to send an Eligible Director's child to college or the desire to purchase a home. The Eligible Director's account will be credited with earnings in accordance with the Plan up to the date of distribution. The severity of the financial hardship shall be judged by the Board. The Board's decision with respect to the severity of financial hardship and the manner in which, if at all, the Eligible Director's future deferral opportunities shall be ceased, and/or the manner in which, if at all, the payment of deferred amounts to the Eligible Director shall be altered or modified, shall be final, conclusive, and not subject to appeal.

6.4 Plan Shares. All shares of Stock issued or issuable under the Plan shall be deducted from the shares available under the Plan at the time first issued and deferred, provided that shares deferred and not ultimately issued and delivered to the Eligible Director shall be returned to the pool of available shares under the Plan.

Article 7. Deferred Compensation Accounts.

7.1 Eligible Directors' Accounts. The Company shall establish and maintain an individual bookkeeping account for the deferrals of each Eligible Director under Article 6 herein. Each account shall be credited as of the date the amount deferred otherwise would have become due and payable to the Eligible Director and as provided in Article 7.2. Each Eligible Director's account shall be one hundred percent (100%) vested at all times.

7.2 Dividends on Deferred Stock. Any dividends paid on the deferred Stock, if any, shall be paid to the Eligible Director in Stock (without interest) not later than ten (10) days after the date such dividend payment on the Stock was made.

7.3 Charges Against Accounts. There shall be charged against each Eligible Director's deferred account any distributions made to the Eligible Director or to his or her beneficiary.

7.4 Designation of Beneficiary. Each Eligible Director shall designate a beneficiary or beneficiaries who, upon the Eligible Director's death, will receive the deferred Stock that otherwise would have been paid to the Eligible Director under the Plan. All designations shall be signed by the Eligible Director, and shall be in such form as prescribed by the Board. Each designation shall be effective as of the date delivered to the Chief Human Resources Officer of the Company prior to the Eligible Director's death. In the event that all the beneficiaries named by an Eligible Director pursuant to this Article 7.4 predecease the Eligible Director, the deferred Stock that would have been paid to the Eligible Director or the Eligible Director's beneficiaries shall be paid to the Eligible Director's estate. In the event an Eligible Director does not designate a beneficiary, or for any reason such designation is ineffective, in whole or in part, the Stock that otherwise would have been paid to the Eligible Director or the Eligible Director's beneficiaries under the Plan shall be paid to the Eligible Director's estate.

Article 8. Rights of Participants.

8.1 Contractual Obligation. The Plan shall create a contractual obligation on the part of the Company to make payments from the Eligible Directors' accounts when due. Payment of account balances shall be made out of the general funds of the Company.

APPENDIX B

8.2 Unsecured Interest. No Eligible Director or party claiming an interest in deferred amounts of an Eligible Director shall have any interest whatsoever in any specific asset of the Company. To the extent that any party acquires a right to receive payments under the Plan, such right shall be equivalent to that of an unsecured general creditor of the Company. The Company shall have no duty to set aside or invest any amounts credited to Eligible Directors' account under the Plan. Nothing in this Plan shall create a trust of any kind or a fiduciary relationship between the Company and any Eligible Director. Nevertheless, the Company may establish one or more trusts, with such trustee as the Board may approve, for the purpose of providing for the payment of deferred amounts and earnings thereon. Such trust or trusts may be irrevocable, but the assets thereof shall be subject to the claims of the Company's general creditors in the event of the Company's bankruptcy or insolvency. To the extent any deferred amounts and earnings thereon under the Plan are actually paid from any such trust, the Company shall have no further obligation with respect thereto, but to the extent not so paid, such deferred amounts and earnings thereon shall remain the obligation of, and shall be paid by, the Company.

8.3 No Guarantee of Principal or Earnings. Nothing contained in the Plan shall constitute a guarantee by the Company or any other person or entity that the amounts deferred hereunder will increase or shall not decrease in value due to the investment of such amounts in Stock. The Stock may be a volatile investment and decreases in the value thereof may result in a loss of some or all of the principal amounts deferred hereunder. Thus, it is possible for the value of an Eligible Director's account to decrease as a result of its investment in Stock, if the value of the Stock decreases.

Article 9. Securities Laws.

9.1 Investment Representations. The Company may require any Eligible Director to whom an issuance of securities is made, or a deferred delivery obligation is undertaken, as a condition of receiving securities pursuant to such issuance or obligation, to give written assurances in substance and form satisfactory to the Company and its counsel to the effect that such person is acquiring the securities for his/her own account for investment and not with any present intention of selling or otherwise distributing the same in violation of applicable securities laws, and to such other effects as the Company deems necessary or appropriate to comply with Federal and applicable state securities laws.

9.2 Listing, Registration, and Qualification. Anything to the contrary herein notwithstanding, each issuance of securities shall be subject to the requirement that, if at any time the Company or its counsel shall determine that the listing, registration, or qualification of the securities subject to such issuance upon any securities exchange or under any state or federal law, or the consent or approval of any governmental or regulatory body, is necessary or advisable as a condition of, or in connection with, such issuance of securities, such issuance shall not occur in whole or in part unless such listing, registration, qualification, consent, or approval shall have been effected or obtained on conditions acceptable to the Company. Nothing herein shall be deemed to require the Company to apply for or to obtain such listing, registration, or qualification.

9.3 Restrictions on Transfer. The securities issued under the Plan shall be restricted by the Company as to transfer unless the grants are made under a registration statement that is effective under the Securities Act of 1933, as amended, or unless the Company receives an opinion of counsel satisfactory to the Company to the effect that registration under state or federal securities laws is not required with respect to such transfer.

Article 10. Withholding Taxes.

Whenever shares of Stock are to be issued under the Plan, the Company shall have the right prior to the delivery of any certificate or certificates for such shares to require the recipient to remit to the Company an amount sufficient to satisfy federal, state and local withholding tax requirements attributable to the issuance. In the absence of payment by a grantee to the Company of an amount sufficient to satisfy such withholding taxes, or an alternative arrangement with the grantee that is satisfactory to the Company, the Company may make such provisions as it deems appropriate for the withholding of any such taxes which the Company determines it is required to withhold.

Article 11. Amendment and Termination of the Plan.

The Board may suspend or terminate the Plan or any portion thereof at any time, and may amend the Plan from time-to-time in any respect the Board may deem to be in the best interests of the Company; provided, however, that no such amendment shall be effective without approval of the shareholders of the Company if shareholder approval of the amendment is then required pursuant to the applicable rules of any securities exchange, or, in the opinion of the Company's counsel, any other law or regulation binding on the Company.

APPENDIX B

Article 12. Effective Date and Duration of the Plan.

The Plan shall become effective at the time that it is approved by the Board. The Plan shall terminate at 11:59 p.m. on December 31, 2008, unless sooner terminated or extended by action of the Board. Elections may be made under the Plan prior to its effectiveness, but no issuances under the Plan shall be made before its effectiveness or after its termination.

Article 13. Miscellaneous.

13.1 Notice. Unless otherwise prescribed by the Board, any notice or filing required or permitted to be given to the Company under the Plan shall be sufficient if in writing and hand delivered, or sent by registered or certified mail to the Chief Human Resources Officer of the Company. Notice to the Chief Human Resources Officer of the Company, if mailed, shall be addressed to the principal executive offices of the Company. Notice mailed to an Eligible Director shall be at such address as is given in the records of the Company. Notices shall be deemed given as of the date of delivery or, if delivery is made by mail, as of the date shown on the postmark on the receipt for registration or certification.

13.2 No Shareholder Rights Conferred. Nothing contained in the Plan or any agreement hereunder will confer upon any director any rights of a shareholder of the Company unless and until shares of Stock are issued to such Eligible Director upon the payment of Stock.

13.3 No Right to Stock. Nothing in the Plan shall be construed to give any Director of the Company any right to a grant of Stock under the Plan unless all conditions described within the Plan are met as determined in the sole discretion of the Board.

13.4 Granted Shares Have Same Status as Issued Shares. Any shares of Stock of the Company issued as a stock dividend, or as a result of stock splits, combinations, exchanges of shares, reorganizations, mergers, consolidations or otherwise with respect to shares of Stock granted pursuant to the Plan shall have the same status and be subject to the same restrictions as the shares granted.

13.5 Successors. All obligations of the Company under the Plan shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.

13.6 Costs of the Plan. All costs of implementing and administering the Plan shall be borne by the Company.

13.7 Severability. In the event any provision of the Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

13.8 Applicable Law. The Plan and all rights and obligations under the Plan shall be construed in accordance with and governed by the laws of the State of California, excluding its conflicts of laws principles.

13.9 Nontransferability. Eligible Director's rights to deferred amounts, contributions, and earnings accrued thereon under the Plan may not be sold, transferred, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution, nor shall the company make any payment under the Plan to any assignee or creditor of an Eligible Director or other person based upon community or other marital rights except in accordance with the terms of the Plan.
