ITEM 5. OTHER EVENTS

On August 27, 2002, Kulicke and Soffa Industries, Inc. (the "Company") announced that it will close its substrate operations in Milpitas, California due to the extended downturn in the semiconductor industry. The pre-tax charge for the closure is estimated at approximately \$17.0 million and will be incurred in the fourth fiscal quarter ending September 30, 2002.

The decision to close the operation is the most recent step in the Company's actions to cut costs and reduce cash usage. It had previously announced other measures aimed at returning the Company to profitability, including a functional reorganization, reductions in force, and manufacturing moves to Singapore and China.
