EFFECT OF AMENDMENT

We are amending Form 8-K, Item 303(b), which was filed on July 7, 2008. Item 3.03(b) is restated in its entirety to conform to the Company's filing today of its definitive Schedule 14C, as amended, and actions taken by our majority shareholder and a majority of our board of directors on September 16, 2008.

SECTION 3 SECURITIES AND TRADING MARKETS

Item 3.03(b) Material Modification to Rights of Security Holders.

On September 16, 2008, Mr. Gunther Than, our majority shareholder and a director, revoked his consent to: (i) cancel and reissue to other directors a portion of his Series A preferred stock as payment for past capital contributions; (ii) make Series A preferred stock convertible into common stock; and (iii) change the ratio of voting rights of Series A preferred stock. Revocation was possible because the proposed actions were not yet effective. The consent revocation also had the effect of preventing other directors from voting unissued Series A preferred stock from having the option to convert additional capital contributions into Series A preferred stock. The foregoing actions were approved by a majority of the board of directors by written consent on September 16, 2008.

Accordingly, Mr. Than will retain all of his Series A preferred stock (as adjusted for a reverse split also authorized by Mr. Than), and the rights and preferences of the Series A preferred stock will remain unchanged. Therefore, Mr. Than's relative voting rights and voting control of the Company will remain unchanged.
