The Board of Directors of the Company currently has seven members. Each nominee has consented to being named in this Proxy Statement and to serve if elected. If any nominee becomes unavailable for any reason, the shares represented by the proxies will be voted for such other person, if any, as may be designated by the Board of Directors. BOARD AND COMMITTEE MATTERS

The business of the Company is managed under the direction of its Board of Directors. The Board of Directors met four times during 2003, and each director participated in at least 75% of all Board and applicable committee

Edgar Filing: AAON INC - Form DEF 14A

meetings held last year. Actions taken by the Board of Directors outside of Board meetings were consented to in writing by a memorandum of action in lieu of a meeting, to which all incumbent directors subscribed. Directors meet their responsibilities not only by attending Board and committee meetings but also through communication with members of management on matters affecting the Company.

Directors of the Company are paid a fee of \$2,500 per Board meeting attended and they are reimbursed for out-of-pocket expenses incurred in attending such meetings. Currently, directors are not paid additionally for service on committees. The Company has granted persons who are newly elected directors of the Company an option to purchase 61,875 shares (adjusted for stock splits) of the Company's Common Stock, which options fully vest on the first anniversary of the date of grant. Messrs. Asbjornson, Bowen, Johnson and Pantaleoni were also granted 61,875 share options in 1997, five years after their original grants.

Shareholders may communicate with the Board of Directors, including the non-management directors, by sending a letter to the Board of Directors of AAON, Inc., c/o Corporate Secretary, 2425 South Yukon, Tulsa, Oklahoma 74107. The Corporate Secretary has the authority to disregard any inappropriate communications. If deemed an appropriate communication, the Corporate Secretary will submit your correspondence to the Board or to any specific director to whom the correspondence is directed.

The Company strongly encourages its directors to attend AAON's annual meetings of stockholders and six Board members attended the 2003 annual meeting.

(6)

The Board has an Audit Committee and a Compensation Committee, both comprised of Messrs. Naugle, Pantaleoni, Ryan and Stephenson, each of whom is "independent" as defined in Rule 4200(a)(15) of the National Association of Securities Dealers listing standards. Mr. Naugle is Chairman of the Audit Committee and Mr. Ryan is Chairman of the Compensation Committee. Each of these committees met four times during 2003.

The primary responsibility of the Audit Committee is to oversee the Company's financial reporting process on behalf of the Board and report the results of its activities to the Board. The Audit Committee is governed by a written charter, a copy of which was annexed as Appendix A to the Company's proxy statement last year. Its "Audit Committee Report" for year 2003 is set forth below.

The Audit Committee has not designated any of its members as a "financial expert" as defined by the SEC rules adopted pursuant to the Sarbanes-Oxley Act of 2002. However, it is believed that, because one of its members is currently the CEO of a public company and two other members are former CEO's of private companies, the Audit Committee possesses the attributes needed to function properly.

During 2003 the Compensation Committee, with the assistance of a consulting firm, made recommendations regarding the compensation for all management personnel. Some of the recommendations were implemented in September and October 2003 and others are expected to be acted upon in 2004. This committee will review and make recommendations, periodically, as to salary adjustments, bonuses and/or other forms of compensation for management in the future. The Compensation Committee also made recommendations for changes as to the compensation payable to Directors for their services as such and for service on committees, which recommendations are expected to be acted upon during 2004.

Edgar Filing: AAON INC - Form DEF 14A

The Company does not have a nominating committee or charter for such a committee. Instead, the entire Board of Directors fulfills the role of a nominating committee. Since its inception (in 1988), the Company has had only nine directors, seven of whom continue to serve at this time. On the only occasions when vacancies occurred, two following resignations and two resulting from an increase of the size of the Board from five to seven members, the new directors were unanimously approved by the then existing directors. The Board has not felt it necessary to have a standing nominating committee to deal with its infrequent changes in membership. If and when future vacancies occur, the Board would consider director nominees recommended by shareholders, as well as by any remaining directors. The Board does not have a formal policy regarding the consideration of, procedures to be followed by, minimum qualifications of or process for identifying or evaluating nominees recommended by security holders. All director nominees will be approved by a majority of the whole Board and by a majority of its independent directors.

Stock Options. The following table sets forth information concerning

stock options granted during 2003 by the Company to the named executive officers. No stock options were "repriced" during the past year.

	Options/SAR's Granted in Last Fiscal Year			
Securities Underlying Options/SARs Granted	% of Total Options/SARs Granted to Employees in Fiscal Year	Exercise or Base Price per Share	Expirati Date	
David K. Knebel	15,000	26.7%	\$14.52	(1)
Kathy I. Sheffield	10,000	17.8%	\$14.52	(1)

(1) Exercisable at the rate of 20%, cumulative, per year after February 21, 2004 (and until February 21, 2013).

(2) This amount was calculated using the Black-Scholes option pricing model, a complex mathematical formula that uses a number of factors to estimate the present value of stock options. The assumptions used in the valuation of the options were: stock price volatility - 37.80%, expected life - 8 years, risk free interest rate - 3.73% and dividend yield - 0%. The Black-Scholes model generates an estimate of the value of the right to purchase a share of stock at a fixed price over a fixed period. The actual value, if any, an executive realizes will depend on whether the stock price at exercise is greater than the grant price, as well as the executive's continued employment through the vesting period and the option term.

The following table provides information on the number of shares received upon exercise of options by the Company's named executive officers and the aggregate dollar value realized upon such exercise during the last year, and the value of each of the named executive officer's unexercised in-the-money options to acquire common stock at December 31, 2003.

Compensation Committee Report

General. The primary responsibility of the Compensation Committee is to make recommendations to the Board of Directors regarding remuneration of the Company's management personnel and to evaluate the design and competitiveness of the Company's compensation plans. The Committee consists of four independent directors.

Compensation Philosophy. The primary objective of the Company's compensation program is to enhance the profitability of the Company, and thus shareholder value, and to attract, motivate, reward and retain employees, including executive personnel, who contribute to the long-term success of the Company.

Executive Compensation Program. In furtherance of the above goals, the Company's compensation program for its executive personnel consists of appropriate salaries, discretionary annual bonuses, Company contributions to AAON's 401(k) plan, "profit sharing" payments (made to all employees) and discretionary stock option grants.

The Compensation Committee reviews executive compensation levels with respect to corporate and individual performance, as well as competitive pay practices. The Committee has retained the services of a third party compensation consulting firm. It is the objective of the Committee to base salary and bonus determinations on each executive's contribution to the overall profitability of the Company.

The Committee will review periodically the base salaries of AAON's executive management personnel and recommend any adjustments it may deem appropriate, for approval by the Board of Directors. In its review, the Committee will take into account individual factors such as: experience; performance, both during the preceding 12 months and future potential; retention considerations; and other issues particular to the executive and the Company. Additionally, the Committee considers the growth and performance of the Company as it assesses the market for executive salaries.

2003 CEO Compensation. The compensation package for the Company's CEO, Norman H. Asbjornson, is consistent in all material respects with the program for the other executives. His current annual base salary of \$250,000 was established effective October 1, 2003, which constituted a \$100,000 increase. Mr. Asbjornson's salary had been \$150,000 since 2000 and \$132,000 for 11 years prior thereto. He has also been paid performance bonuses of \$50,000 each in 2000 - 2003. The Compensation Committee found that Mr. Asbjornson had been underpaid for many years, based on comparative compensation information provided by the Company's consultant, particularly in light of financial results achieved over the years.

In addition to being the Company's largest shareholder, Mr. Asbjornson holds stock options for an aggregate of 298,125 shares exercisable currently and through October 2009 at prices ranging from \$2.33 to \$5.78.

In evaluating the compensation package of the Company's CEO, the Committee considered such factors as AAON's strategic and financial performance, his compensation in relation to that of CEO's of other comparable companies, his personal contribution to AAON's success and the Company's overall executive compensation philosophy. The Company views Mr. Asbjornson as the driving force behind the Company's historic and current performance and sees him as the principal visionary for future growth of the Company.

INDEPENDENT PUBLIC ACCOUNTANTS

At a meeting held on June 20, 2002, the Audit Committee of the Board of Directors of the Company approved the engagement of Ernst & Young LLP ("E&Y") as its independent auditors for the fiscal year ending December 31, 2002, to replace the firm of Arthur Andersen LLP ("AA") which was dismissed as auditors of the Company effective June 20, 2002. E&Y has served as the Company's auditors since that date. AA's reports on the Company's financial statements for fiscal years 2000 and 2001 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. In connection with the audits of the Company's financial statements for the fiscal years ended December 31, 2000 and 2001, and during the subsequent period ended June 20, 2002, there were no disagreements with AA on any matter of accounting principles or practices, financial statements disclosure or auditing scope and procedures which, if not resolved to the satisfaction of AA, would have caused AA to make reference to the matter in its report. The Company requested AA to furnish a letter addressed to the Commission stating whether it agreed with the above statements. A copy of AA's letter, dated June 25, 2002, stating that it had no disagreements with such statements was filed as Exhibit 1 to the Company's Form 8-K of the same date.

Representatives of E&Y are expected to be present at the Annual Meeting with the opportunity to make a statement if they so desire and to be available to respond to appropriate questions.

Fees and Independence

The Company's Audit Committee has adopted a policy that requires advance approval of all audit, audit-related, tax services and other services performed by the independent auditor; however, as shown below, since being hired in June 2002, E&Y has performed only audit services for the Company and its fees were set by engagement letters in 2002 and 2003.

Audit Fees. E&Y billed the Company an aggregate of \$93,600 and \$86,600 for professional services rendered for the audit of the Company's financial statements for the years ended December 31, 2003 and 2002, respectively, and its reviews of the Company's financial statements included in its Form 10-Q's for the first three quarters of 2003 and the second and third quarters of 2002.

All Other Fees. No other fees were billed by E&Y to the Company during 2003 or 2002.

The Audit Committee of the Board of Directors has determined that the provision of services by E&Y described above is compatible with maintaining E&Y's independence as the Company's principal accountant.
