ITEM 5: OTHER EVENTS

On February 28, 2002, a class action suit on behalf of the Company's public stockholders (the "Plaintiff") was filed in the Court of Chancery of the State of Delaware against the Company, all of the members of the Company's Board of directors and Scientific Games Corporation, to enjoin the previously disclosed proposed business combination transaction pursuant to which Scientific Games would acquire the outstanding shares of the Company's common stock which it does not already own. In its complaint, the Plaintiff alleges that the consideration offered to the Company's stockholders in the proposed acquisition is unfair and

inadequate because the Plaintiff believes that the intrinsic value of the Company's common stock is materially in excess of the amount offered giving consideration to the Company's growth and anticipated operating results, net asset value, and future profitability. The Plaintiff has requested the court to preliminarily and permanently enjoin us from proceeding with, consummating or closing the proposed transaction and in the event the proposed transaction is consummated, to rescind it and award rescissory damages. In addition, the Plaintiff has requested that the court award to the Plaintiff compensatory damages. The Company believes that the lawsuit lacks merit and it intends to contest it vigorously.
