**PROXY STATEMENT FOR THE ANNUAL MEETING OF STOCKHOLDERS
To Be Held On June 6, 2003**

GENERAL

This proxy statement is furnished in connection with the solicitation of proxies to be voted at the Annual Meeting of Stockholders of SI International, Inc. to be held on Friday, June 6, 2003 at 3:00 p.m., local time, at the Hyatt Regency, Reston, Virginia 20190.

The purpose of the annual meeting and the matters to be acted upon are set forth in the accompanying Notice of Annual Meeting of Stockholders. This proxy statement and the enclosed proxy card are being mailed to stockholders on or about April 29, 2003. We are also mailing along with this proxy statement our Annual Report on Form 10-K/A for the fiscal year ended December 28, 2002 to stockholders. The enclosed proxy card is solicited by our Board of Directors and will be voted at the annual meeting and any adjournments thereof. Shares represented by a properly executed proxy card in the accompanying form will be voted at the annual meeting in accordance with any instructions specified by the stockholder. If no instructions are given, the stockholder's shares will be voted in accordance with the recommendations of the Board "FOR" each of the proposals presented in this proxy statement. Those recommendations are described later in this proxy statement.

SOLICITATION

SI International will bear the expenses in connection with the solicitation of proxies. Solicitation will be made by mail, but may also be made by telephone, personal interview, facsimile or personal calls by our officers, directors or employees who will not be specially compensated for such solicitation. We may request brokerage houses and other nominees or fiduciaries to forward copies of our proxy statement and Form 10-K/A to beneficial owners of common stock held in their names and we may reimburse them for reasonable out-of-pocket expenses incurred in doing so.

VOTING RIGHTS AND OUTSTANDING SHARES

The presence, in person or by proxy, of a majority of the outstanding shares of common stock entitled to vote will constitute a quorum for the transaction of business. Votes cast in person or by proxy, abstentions and broker non-votes (which we define below) will be tabulated by the inspectors of election and will be considered in the determination of whether a quorum is present at the annual meeting. The inspectors of election will treat shares represented by executed proxies that abstain as shares that are present and entitled to vote for purposes of determining the approval of such matter. If, with respect to any shares, a broker or other nominee submits a proxy card indicating that instructions have not been received from the beneficial owners or the persons entitled to vote and that such broker or other nominee does not have discretionary authority to vote such shares (a "broker non-vote") on one or more proposals, those shares will not be treated as present and entitled to vote for purposes of determining the approval of any such proposal. As of April 9, 2003 we had 8,447,162 shares of common stock issued and outstanding. Each share of common stock is entitled to one vote.

REVOCABILITY OF PROXIES

The proxy may be revoked at any time before it is exercised by delivering a written notice of revocation to our Corporate Secretary. All written notices of revocation or other communications with respect to revocation of proxies should be addressed to our Corporate Secretary at our principal executive offices as follows: SI International, Inc., 12012 Sunset Hills Road, 8th Floor, Reston, Virginia, 20190, Attention: Corporate Secretary. If you attend the annual meeting in person, you may revoke your proxy by either giving notice of revocation to the inspectors of election at the annual meeting or by voting at the annual meeting in person. The only items of business that the Board intends to present or knows will be presented at the annual meeting are the items discussed in this proxy statement. The proxy confers discretionary authority upon the persons named in it, or their substitutes, to vote on any other items of business that may properly come before the meeting. All holders of record of our common stock at the close of business on April 9, 2003 will be eligible to vote at the annual meeting.

HOUSEHOLDING OF PROXY MATERIALS

Some banks, brokers and other nominee record holders may be participating in the practice of "householding" proxy statements and annual reports. This means that only one copy of this proxy statement or our annual report may have been sent to multiple stockholders in your

Edgar Filing: SI INTERNATIONAL INC - Form DEF 14A

household. We will promptly deliver a separate copy of either document to you if you write the Corporate Secretary at the following address: SI International, Inc., 12012 Sunset Hills Road, Reston, Virginia 20190, Attention: Corporate Secretary. If you want to receive separate copies of our annual report and proxy statement in the future, or if you are receiving multiple copies and would like to receive only one copy for your household, you should contact your bank, broker or other nominee record holder, or you may contact us at the above address.

BENEFICIAL OWNERSHIP

The following table sets forth certain information regarding the beneficial ownership of the shares of our common stock as of April 9, 2003 by:

Each person we know to beneficially own more than 5% of our common stock,

Each director and nominee for director,

Each of our executive officers named in the Summary Compensation Table under "Executive Compensation," and

Except as noted, all information with respect to beneficial ownership has been furnished by the respective director, executive officer or beneficial owner of more than 5% of our common stock, or is based on filings with the Securities and Exchange Commission. Unless otherwise indicated below, the persons named below have sole voting and investment power with respect to the number of shares set forth opposite their names. Beneficial ownership of the common stock has been determined for this purpose in accordance with the Securities Exchange Act of 1934, as amended, which provides, among other things, that a person is deemed to be the beneficial owner of the common stock if that person, directly or indirectly, has or shares voting power or investment power with respect to such stock or has the right to acquire such ownership within sixty days. Accordingly, the amounts shown in the table do not purport to represent beneficial ownership for any purpose other than compliance with Securities and Exchange Commission reporting requirements. Further, beneficial ownership as determined in this manner does not necessarily bear on the economic incidence of ownership of the common stock. Unless otherwise indicated below, the address of those identified in the table is SI International, Inc., 12012 Sunset Hills Road, 8th Floor, Reston, Virginia 20190.

ELECTION OF DIRECTORS

(PROPOSAL 1)

The Company's Second Restated Certificate of Incorporation and Amended and Restated Bylaws provide that the Board of Directors is classified into three classes (designated as Class I directors, Class II directors and Class III directors), with members of each class holding office for staggered three-year terms. Vacancies on the Board of Directors resulting from death, resignation, disqualification, removal or other causes may be filled by either the affirmative vote of the holders a majority of the then-outstanding shares of SI International or by the affirmative vote of a majority of the remaining directors then in office, even if less than a quorum of the Board of Directors.

There are currently two Class I directors, whose terms expire at the Annual Meeting, two Class II directors, whose terms expire at the 2004 Annual Meeting of Stockholders, and two Class III directors, whose terms expire at the 2005 Annual Meeting of Stockholders (in all cases subject to the election and qualification of their successors and to their earlier death, resignation or removal).

Each of the nominees for election as Class I directors is currently on the Board of SI International and has indicated his willingness to serve, if elected, but if any should be unable or unwilling to serve, proxies may be voted for a substitute nominee designated by the Board of Directors. If elected at the Annual Meeting, each of the two nominees would serve until the 2006 Annual Meeting (subject to the election and qualification of his successor and to his earlier death, resignation or removal).

If a quorum is present and no stockholder has exercised cumulative voting rights, the directors will be elected by a plurality of the votes of the shares present in person or represented by proxy at the meeting and entitled to vote on the election of directors. Abstentions and broker non-votes have no effect on the vote. If a stockholder has exercised cumulative voting rights, the two candidates receiving the highest number of affirmative votes of the shares entitled to be voted for such directors will be elected directors of the Company. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the two nominees named below. In the event that any nominee should be unavailable for election as a result of an unexpected occurrence, such shares will be voted for the election of such substitute nominee as the Board of Directors may propose. It is not anticipated that any nominee will be unable or unwilling to serve as a director.

OUR BOARD UNANIMOUSLY RECOMMENDS THAT OUR STOCKHOLDERS VOTE "FOR" THE ELECTION OF THE NOMINEES TO SERVE AS DIRECTORS.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The following report of the Compensation Committee shall not be deemed to be "soliciting material" or to be "filed" with the Securities and Exchange Commission, nor shall it be incorporated by reference into any filing by SI International under the Securities Act or the Exchange Act.

Executive Compensation Philosophy

Edgar Filing: SI INTERNATIONAL INC - Form DEF 14A

The Compensation Committee of the Board is responsible for reviewing our executive compensation program and policies each year and determining the compensation of our executive officers.

Our compensation program and policies are designed to help us attract, motivate and retain individuals of outstanding ability in key positions in order to maximize return to stockholders. The primary objectives of our executive compensation program are to:

Provide total compensation opportunities that are competitive with opportunities provided to executives of comparable companies at comparable levels of performance;

Ensure that our executives' total compensation levels vary based on both our short-term financial performance and growth in stockholder value over time;

Focus and motivate executives on the achievement of defined objectives; and

Reward executives in accordance with their relative contributions to achieving strategic milestones and upholding key mission-related objectives.

In designing and administering its executive compensation program, we attempt to strike an appropriate balance among these objectives.

The Board will annually revisit the manner in which it implements our compensation policies in connection with executive staff. Our policies will continue to be designed to align the interests of our executives and senior staff with the long-term interests of the stockholders.

Our executive compensation programs consist of three principal elements: base salary, short-term incentive cash payments and long-term stock options, each of which is discussed below.

Base Compensation

Individual adjustments have been determined within the total executive compensation budget as approved by the Board and are based upon individual achievement and contribution. In addition, the Committee reviews third party studies providing benchmark data for executive compensation, which it uses in determining the appropriate total executive compensation. Salary decisions have been made as part of our structured annual review process and upon the recommendation to the Board by the Compensation Committee and the Chief Executive Officer.

Short-Term Incentive Compensation

Our compensation philosophy has emphasized incentive pay to leverage both individual and organizational performance. Our short-term incentive compensation program rewards executives for accomplishing primarily annual, organizational and individual business unit objectives. The program provides opportunities that correspond to each participant's level of responsibility and influence on strategic initiatives, organizational objectives, and individual business unit goals.

Long-Term Incentive Compensation

We designed the 2002 Stock Incentive Plan to reward employees for long-term growth consistent with Company performance and stockholder return. The ultimate value of the long-term incentive compensation awards is dependent on the actual performance of our stock price over time.

During fiscal 2002, approximately 1,080 employees of SI International received a total of 781,030 stock options at a weighted exercise price of \$13.80 per share. All such grants were subject to the terms of the 2002 Stock Incentive Plan or other stock option plans of the Company under which stock options are no longer being issued.

Edgar Filing: SI INTERNATIONAL INC - Form DEF 14A

Our Chief Executive Officer and our four other highest paid executive officers received stock options during fiscal year 2002 totaling 340,503 shares at prices ranging from \$9.27 to \$14.00 per share.

Compensation of Chief Executive Officer

Mr. Oleson was appointed Chairman and Chief Executive Officer of SI International in October 1998. In July 2002, SI International entered into an employment agreement with Mr. Oleson, which provides for consecutive one year terms of employment and which may be terminated by either party with 90 days prior written notice. According to the terms of the employment agreement, we will pay Mr. Oleson a base salary of \$300,000 per year and the Compensation Committee of the Board will annually review the base salary amount. Mr. Oleson is also eligible, based on achievement of certain performance objectives, to receive an annual bonus of up to 100% of his base salary amount and is entitled to severance pay equal to 12 months salary plus benefits.

Compensation Deductibility

Section 162(m) of the Internal Revenue Code of 1986, as amended, imposes a limit on tax deductions for annual compensation in excess of one million dollars paid by a corporation to its chief executive officer and the other four most highly compensated executive officers of the corporation. This provision excludes certain forms of "performance based compensation" from the compensation taken into account for purposes of the limit. The Board believes that it has structured its current compensation programs in a manner to allow us to fully deduct executive compensation under Section 162(m) of the Internal Revenue Code. The Board will continue to assess the impact of Section 162(m) of the Internal Revenue Code on its compensation practices and determine what further action, if any, is appropriate.

RATIFICATION OF APPOINTMENT OF INDEPENDENT ACCOUNTANTS

(PROPOSAL 2)

Independent Accountants For 2003

The Board of Directors, which includes all of the members of the Audit Committee, has selected the firm of Ernst & Young LLP as SI International's independent accountants for the current fiscal year. Ernst & Young LLP has served as SI International's independent accountants since May 30, 2002. Although stockholder approval of the Board of Directors' selection of Ernst & Young LLP is not required by law, the Board of Directors believes that it is advisable to give stockholders an opportunity to ratify this selection. If this proposal is not approved at the Annual Meeting, the Board of Directors may reconsider its selection of Ernst & Young LLP.

The Audit Committee's pre-approval process for non-audit and audit related services may be found in the charter of the Audit Committee which has been included in this proxy statement as Appendix A.

Representatives of Ernst & Young LLP are expected to be present at the Annual Meeting and will have the opportunity to make a statement if they desire to do so and will also be available to respond to appropriate questions from stockholders.

Change of Independent Public Accountants

Edgar Filing: SI INTERNATIONAL INC - Form DEF 14A

In May, 2002 we replaced our independent public accountants, Arthur Andersen LLP, and retained Ernst & Young LLP to act as our independent accountants. Arthur Andersen LLP had been our independent public accountant since 1998. In connection with Arthur Andersen LLP's audit of the consolidated financial statements for the fiscal years 1998, 1999, 2000 and 2001, and in connection with the subsequent period up to their dismissal, there were no disagreements with Arthur Andersen LLP on any matters of accounting principles or practices, financial statement disclosure or auditing scope or procedures, nor any reportable events. Arthur Andersen LLP's report on our consolidated financial statements for the fiscal years ended 1998, 1999, 2000 and 2001 contained no adverse opinion or disclaimer of opinion and was not modified or qualified as to uncertainty, audit scope or accounting principles. The decision to change auditors was unanimously approved by our board of directors, including all of the members of our audit committee. Prior to the dismissal of Arthur Andersen LLP, we had not consulted with Ernst & Young LLP on any accounting matters. SI International's consolidated financial statements for fiscal 2000, 2001 and 2002 have been audited by Ernst & Young LLP.

Audit Fees

Ernst & Young LLP billed an aggregate of \$200,000 for professional services rendered in connection with the audit of SI International's financial statements for the most recent fiscal year.

Audit Related and Tax Fees

Ernst & Young LLP billed SI International an aggregate of \$875,000 in fees for audit related and tax services rendered to SI International and its affiliates for the fiscal year ended December 28, 2002. Of this amount, \$775,000 is related to audits of prior fiscal years and other matters related to SI International's registration statements filed in connection with its initial public offering in November 2002. The remaining \$100,000 is related to tax matters and tax-related services provided to SI International. All of the audit related and tax services rendered to SI International during the most recent fiscal year were approved by the Audit Committee pursuant to its charter.

18

All Other Fees

Ernst & Young LLP provided no other services to SI International during the most recent fiscal year.

The audit committee of the Board of Directors believes that the provision of services by Ernst & Young LLP is compatible with maintaining such auditor's independence.

OUR BOARD UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" RATIFICATION OF THE APPOINTMENT OF INDEPENDENT ACCOUNTANTS.

DEADLINE FOR STOCKHOLDERS PROPOSALS

Pursuant to Securities Exchange Act Rule 14a-8(e), proposals of stockholders intended to be presented at the 2004 Annual Meeting of Stockholders must be received by us at our principal executive offices at 12012 Sunset Hills Roads, Reston, Virginia 20190, not later than March 16, 2004 for inclusion in the proxy statement for that meeting. Under our By-laws, proposals of stockholders intended to be presented at the 2004 Annual Meeting of Stockholders that do not comply with Rule 14a-8(e) must be received by our Corporate Secretary at our principal executive offices in Reston, Virginia not earlier than February 14, 2004 and not later than the later of (a) March 16, 2004 and (b) the 10th day following the day notice of the date of the annual meeting was mailed or public disclosure was made, whichever first occurs. A copy of the Company's Amended and Restated By-laws may be obtained from our Corporate Secretary. Management proxies will be authorized to exercise discretionary authority with respect to any stockholder proposal not included in our proxy materials unless (a) we receive notice of such proposal by the later of March 16, 2004 and the 10th day following the day notice of the annual meeting was mailed or public disclosure was made, whichever first occurs and (b) the conditions set forth in Rule 14a-4(c)(2)(i)-(iii) under the Exchange Act are met.

ADDITIONAL INFORMATION

Management knows of no matters that are to be presented for action at the Annual Meeting other than those set forth above. If any other matters properly come before the Annual Meeting, the persons named in the enclosed form of proxy will vote the shares represented by proxies in accordance with their best judgment on such matters.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors, officers and certain persons who own more than 10% of our common stock to file with the Securities and Exchange Commission reports concerning their beneficial ownership of our equity securities. These persons are required to furnish us with copies of all Section 16(a) forms that they file. To our knowledge, based solely on our review of the copies of such forms received by us from our directors, officers and greater than 10% beneficial owners, all of these reports were filed on a timely basis, except that certain Form 3's were filed one day late. We believe that all directors and officers of SI International subject to Section 16(a) reporting are current in their reporting obligations there under.
