 - Proposal 5 – To approve an amendment to the 2017 Stock Incentive Plan to increase the number of shares of common stock subject to the plan by 120,000 shares;
- and
- To act upon such other matters as may properly come before our annual meeting.

Our Board of Directors has set the close of business on April 12, 2019 as the record date for the determination of shareholders entitled to receive notice of and to vote at our 2019 Annual Shareholders' Meeting or any adjournment(s) thereof.

By order of our Board of Directors,
J. Stanley Fredrick
Chairman of the Board of Directors

Flower Mound, Texas
April 19, 2019

IMPORTANT

Whether or not you expect to attend the 2019 Annual Shareholders' Meeting, we strongly urge you to cast your vote by telephone or through the Internet by following the instructions included on the Notice of Internet Availability of Proxy Materials that you received, or if you received a paper copy of the proxy card, to mark, date, sign and return the proxy card in the envelope provided, prior to the meeting on June 11, 2019, to help ensure the presence of a quorum for the meeting and to save the expense and extra work of additional solicitation. Voting by proxy by any method prior to the meeting will not prevent you from attending the 2019 Annual Shareholders' Meeting or revoking your prior vote and voting at the 2019 Annual Shareholders' Meeting.

In accordance with rules promulgated by the SEC, we are providing access to our proxy materials, including this proxy statement and our annual report on Form 10-K, for the year ended December 31, 2018, over the Internet. As a result, we are mailing to many of our shareholders a Notice of Internet Availability of Proxy Materials instead of a paper copy of our proxy materials. The notice contains instructions on how to access those proxy materials over the Internet, as well as instructions on how to request a paper copy of our proxy materials. All shareholders who do not receive a notice will receive a paper copy of our proxy materials by mail. We believe that this process reduces the environmental impact and lowers the costs of printing and distributing our proxy materials.

PROXY STATEMENT FOR OUR 2019 ANNUAL SHAREHOLDERS' MEETING
TO BE HELD ON JUNE 11, 2019

GENERAL INFORMATION ABOUT OUR 2019 ANNUAL SHAREHOLDERS' MEETING

General Information

Our Board of Directors (the "Board") is soliciting the enclosed proxy for use at our 2019 Annual Shareholders' Meeting to be held on June 11, 2019 at 9:00 a.m., Central Daylight Time, at the corporate offices of Mannatech, Incorporated located at 1410 Lakeside Parkway, Suite 200, Flower Mound, Texas 75028. The Notice of Internet Availability of Proxy Materials is being mailed or delivered on or about April 19, 2019, to shareholders of record owning our common stock on the close of business on April 12, 2019. Paper copies of our proxy materials are being mailed or delivered on or about April 19, 2019, to shareholders of record who have previously requested to receive paper copies of proxy materials. The list of frequently asked questions is attached to this proxy statement as Appendix A. Unless otherwise stated, all references in this proxy statement to "Mannatech," the "Company," "us," "our," or "we" are to Mannatech Incorporated, a Texas corporation.

Shareholders Entitled to Vote

Shareholders who owned our common stock as of the close of business on April 12, 2019, the record date, are called "shareholders of record" and are entitled to vote at the 2019 Annual Shareholders' Meeting. As of April 12, 2019, we had 2,395,655 outstanding shares of our common stock, \$0.0001 par value per share, which is our only class of outstanding voting securities. As of April 12, 2019, we had 1,275 shareholders of record. Each share of our common stock entitles a shareholder to one vote. A complete list of direct shareholders entitled to vote at the 2019 Annual Shareholders' Meeting will be available for examination by shareholders for purposes pertaining to the 2019 Annual Shareholders' Meeting at our corporate office in Flower Mound, Texas during normal business hours from May 31, 2019 until June 10, 2019. The shareholder list will also be available for review prior to and during the 2019 Annual Shareholders' Meeting to be held on June 11, 2019. A shareholder who wants to examine the list prior to our Annual Shareholders' Meeting should arrange an appointment by contacting our Investor Relations department at (972) 471-6512.

Voting in Person

If you are a shareholder of record and plan to attend the 2019 Annual Shareholders' Meeting, you may deliver your completed and signed proxy card in person. If a broker or bank holds your Mannatech shares in street name, and you wish to vote in person at the 2019 Annual Shareholders' Meeting, you will need to obtain a legal proxy form from your broker or bank that holds your shares of record and you must bring that document to the 2019 Annual Shareholders' Meeting.

Voting by Proxy

The proxy process is the means by which shareholders can exercise their rights to vote for the election of directors and other strategic corporate proposals. The notice of meeting and this proxy statement provide notice of a scheduled shareholder meeting, describe the proposals to be voted on by shareholders at the meeting and include other information required to be disclosed to shareholders. Shareholders may vote by telephone, through the Internet, or by

returning a proxy card, without having to attend the shareholder meeting in person.

By executing a proxy, you authorize Gerald Gilbert to act as your proxy to vote your shares in the manner that you specify. The proxy voting mechanism is vitally important to us. In order for us to obtain the necessary shareholder approval of proposals, a “quorum” of shareholders (a majority of the issued and outstanding shares of common stock as of the record date entitled to vote) must be represented at the meeting in person or by proxy. Since few shareholders can spend the time or money to attend shareholder meetings in person, voting by proxy is necessary to obtain a quorum and complete the shareholder vote. It is important that you attend the meeting in person or grant a proxy to vote your shares to assure a quorum

is present so corporate business may be transacted. If a quorum is not present, we must postpone the meeting and solicit additional proxies; this is an expensive and time-consuming process that is not in the best interest of the Company or our shareholders.

Properly executed votes by proxy received prior to or at the 2019 Annual Shareholders' Meeting on June 11, 2019, or at any adjournment(s) or postponement(s) thereof, will be counted by Broadridge Financial Solutions, Inc., our Inspector of Elections. If a shareholder specifies how such shareholder's proxy-vote is to be cast on any business to come before the meeting, such proxy-vote will be voted in accordance with such specifications. If no specification is made on a properly executed proxy card, the shareholder's vote by proxy will be voted "FOR" Proposals 1, 2, 3 and 5, and "ONE YEAR" for Proposal 4, consistent with the recommendations made by the Board and as the proxy holder may determine in his discretion with respect to any other matters properly presented for a vote at the 2019 Annual Shareholders' Meeting. Other than the proposals described in this proxy statement, we are not aware of any other matters to be presented at the 2019 Annual Shareholders' Meeting.

Revoking or Changing a Proxy

A shareholder may revoke a vote by proxy at any time prior to the 2019 Annual Shareholders' Meeting. If you are a shareholder of record with direct ownership over your Mannatech common stock, your proxy can be revoked by (i) timely delivery of a written revocation delivered to Erin K. Barta, General Counsel and Corporate Secretary, Mannatech, Incorporated, 1410 Lakeside Parkway, Suite 200, Flower Mound Texas 75028; (ii) submission of another valid proxy bearing a later date; or (iii) attendance at the 2019 Annual Shareholders' Meeting in person and notice to the Inspector of Elections that you intend to vote your shares in person. If your Mannatech shares are held in street name by a broker or bank ("broker"), you must contact your broker in order to revoke your proxy, but generally, you may change your vote by submitting new voting instructions to your broker, trustee or nominee, or, if you have obtained a legal proxy from your broker or nominee giving you the right to vote your shares, by attending the 2019 Annual Shareholders' Meeting and voting in person.

Effects of Not Voting

The effect of not voting depends on how you own your shares. If you own shares directly, as a holder of record, rather than indirectly through a broker of record, your unvoted shares will not be represented at our meeting and will not count toward the quorum requirement. Assuming a quorum is obtained, your unvoted shares will not affect whether a proposal is approved or rejected. If you own shares through a broker and do not vote, your broker may represent your shares at the meeting for purposes of obtaining a quorum. As described below, if you own your shares through a broker and you do not vote, your broker may or may not vote your shares, depending upon the proposal.

If you own your shares through a broker and you do not vote, your broker may vote your shares at its discretion on "routine matters." However, with respect to other proposals, a broker may not vote a non-voting shareholder's shares. With respect to proposals on which a broker may not vote a non-voting shareholder's shares, the aggregate number of non-voted shares is reported as "broker non-votes" (shares held by brokers or nominees for which they have no discretionary power to vote on a particular matter and have received no instructions from the beneficial owners or persons entitled to vote) and counted only for purposes of determining a quorum.

If you do not vote your shares on Proposal 1 (Election of Directors), Proposal 3 ("Say-on-Pay" Advisory Vote), Proposal 4 ("Say-on-Frequency"), and Proposal 5 (Amendment to 2017 Stock Incentive Plan), your brokerage firm cannot vote them for you and they will remain unvoted. Therefore, it is very important that you vote your shares for all proposals. Proposal 2 (Ratification of Auditors) set forth in this proxy statement is a routine matter on which brokers will be permitted to vote your shares at the broker's discretion if you do not provide your broker with instructions on how to vote on this matter.

Direct Ownership

For the purpose of determining how to vote your shares at the 2019 Annual Shareholders' Meeting, registered holders of record are deemed to have "direct ownership" over their Mannatech shares if they hold their shares directly in their name. This is typically evidenced by the receipt of our mailings directly from us or from our transfer agent, Computershare.

Beneficial Ownership

For the purposes of determining how to vote your shares at the 2019 Annual Shareholders' Meeting, you are deemed to have "beneficial ownership" over your Mannatech shares if you: (i) previously deposited your stock certificates with a broker; (ii) purchased your shares directly through a broker; or (iii) sent your stock certificates to a broker to be deposited into your brokerage account. Beneficial ownership is typically evidenced by a shareholder's receipt of our mailings either from a broker or through a solicitor, which is usually Broadridge Financial Solutions, Inc.

As a beneficial owner, a shareholder still holds Mannatech shares, but neither we nor our transfer agent has access to any list of individual shareholders' names from the various brokers of record. The only information our transfer agent has concerning shareholders who own stock through a broker is the broker's name, the aggregate total number of shares held by each broker on behalf of their clients, and the aggregate number of votes cast for any of our proposals.

WE CAUTION OUR SHAREHOLDERS THAT each brokerage firm has a unique set of voting instructions. As a result, a shareholder should always read all the information provided in each of the proxy information packets received and follow the specific voting instructions enclosed in each packet with respect to applicable telephone numbers, Internet addresses, mailing addresses, and attending or voting at the 2019 Annual Shareholders' Meeting.

If a shareholder receives more than one proxy information packet, such shareholder's shares are registered in more than one account. Again, remember that each proxy information packet may have different voting instructions, account or control numbers, mailing addresses, Internet addresses, and telephone numbers. As a result, each shareholder should be cautioned to use only the set of voting instructions, account and control numbers, addresses, and telephone numbers provided in such shareholder's proxy information packet to ensure such shareholder's vote for all of its owned shares is properly included in the tabulation of votes for our meeting.

Beneficial shareholders are also instructed to read their proxy-voting card instructions given to them by their brokers or their brokers' solicitors prior to the meeting in order to obtain instructions on how to vote at the meeting. If a beneficial shareholder does not follow the brokers' specific instructions, our Inspector of Elections is not allowed to count such beneficial shareholder's vote by ballot at the 2019 Annual Shareholders' Meeting.

Solicitation of Proxy-Votes

We may solicit proxy-votes through the mail, in person, and by telecommunications. We will bear all expenses in preparing, printing, and mailing the proxy materials to our shareholders.

Tabulating the Votes

A representative from Broadridge Financial Solutions, Inc., which will act as our Inspector of Elections, is responsible for tabulating the votes for the 2019 Annual Shareholders' Meeting. The presence, in person or by proxy, of the holders of at least a majority of the shares of our common stock outstanding as of April 12, 2019, our record date, is necessary to establish a quorum for the 2019 Annual Shareholders' Meeting. Abstentions and "broker non-votes," if any, will be counted as shares present and entitled to vote for purposes of determining a quorum for the 2019 Annual Shareholders' Meeting. A "broker non-vote" occurs when brokers holding shares in "street name" have not received voting instructions from the beneficial owner and either chooses not to vote those shares on a routine matter at the 2019 Annual Shareholders' Meeting or is not permitted to vote those shares on a non-routine matter. If a proxy-voting card is signed by the shareholder but submitted without specific voting instructions, the shareholder's vote will automatically be counted as a vote "FOR ALL" on Proposal 1 (Election of Directors), "FOR" on Proposal 2 (Ratification of Auditors), "FOR" on Proposal 3 ("Say-on-Pay" Advisory Vote), "FOR" on Proposal 5 (Amendment to 2017 Stock Incentive Plan), and "ONE YEAR" on Proposal 4 ("Say-on-Frequency"). If your shares are held in "street name" and you do not provide specific voting instructions to your broker, then your shares will not be included in the vote for Proposal 1 (Election of Directors), Proposal 3 ("Say-on-Pay" Advisory Vote), Proposal 4 ("Say-on-Frequency"), or Proposal 5 (Amendment to 2017 Stock Incentive Plan), but will be voted at the discretion of your broker with respect to Proposal 2 (Ratification of Auditors).

For Proposal 1 (Election of Directors) — Assuming a quorum is obtained, our Class II directors will be elected by a plurality of the shares represented, in person or by proxy, at the 2019 Annual Shareholders' Meeting and entitled to vote. This means that the three nominees receiving the highest number of affirmative votes at the meeting will be elected as our three Class II directors. Votes marked "FOR ALL" will be counted in favor of all three nominees. Votes marked "WITHHOLD ALL" will be counted against all three nominees. To specify differently, a shareholder must check the "FOR ALL EXCEPT" box and then write the names of the nominees for whom the shareholder wishes to vote against. Votes marked "WITHHOLD ALL" have no effect on the vote since a plurality of the votes is required for the election of each nominee. Shareholders may not abstain from voting with respect to the election of directors.

A shareholder cannot write-in the names of additional nominees when voting by proxy. However, at the meeting, shareholders of record will be allowed to write-in additional names of nominee(s) on the ballot. To write-in a nominee on the ballot, the shareholder will need to check the "FOR ALL EXCEPT" box and identify each of the nominees for which the shareholder does not wish to vote in the space provided. The shareholder will then be allowed to write-in only as many nominees as the shareholder has withheld votes from. For example, if there are a total of three nominees listed on the ballot and the shareholder wishes to withhold its vote for one of the three nominees, the shareholder should list the name of the one nominee for whom the vote is withheld and write-in one additional name for nominee to the Board.

(THE BOARD RECOMMENDS A VOTE "FOR ALL" PROPOSAL 1.)

For Proposal 2 (Ratification of Auditors) — If a quorum is obtained, and a majority of the shares represented, in person or by proxy, at the 2019 Annual Shareholders' Meeting and entitled to vote, are in favor of Proposal 2, the ratification of the appointment of our independent registered public accounting firm for the year ended December 31, 2019, will be approved. Votes marked "FOR" Proposal 2 will be counted in favor of the ratification of the appointment of our independent registered public accounting firm for the year ending December 31, 2019. An abstention from voting on Proposal 2 will not be voted on that item, although it will be counted for purposes of determining the number of shares represented and entitled to vote. Accordingly, an "ABSTENTION" will have the same effect as a vote "AGAINST" Proposal 2.

(THE BOARD RECOMMENDS A VOTE “FOR” PROPOSAL 2.)

For Proposal 3 (“Say-on-Pay” Advisory Vote) — If a quorum is obtained, and a majority of shares represented, in person or by proxy, at the 2019 Annual Shareholders’ Meeting and entitled to vote, are in favor of Proposal 3, the current executive compensation program will be approved by shareholders on an advisory basis. Votes marked “FOR” Proposal 3 will be counted in favor of the current executive compensation program. An abstention from voting on Proposal 3 will not be voted on that item, although it will be counted for purposes of determining the number of shares represented and entitled to vote. Accordingly, an “ABSTENTION” will have the same effect as a vote “AGAINST” Proposal 3. “Broker non-votes”

are not considered shares entitled to vote for purposes of Proposal 3 and thus will have no effect on the outcome of the approval, on an advisory basis, of our executive compensation program.

(THE BOARD RECOMMENDS A VOTE “FOR” PROPOSAL 3.)

For Proposal 4 (“Say-on-Frequency” Advisory Vote) - If a quorum is obtained, the selection of the frequency of a shareholder advisory vote on executive compensation will be chosen by a plurality of the shares represented, in person or by proxy, at the 2019 Annual Shareholders’ Meeting and entitled to vote. This means the frequency receiving the highest number of affirmative votes at the meeting will be the frequency of future “Say-on-Pay” shareholder advisory votes that has been selected by our shareholders. For purposes of the vote on Proposal 4, “ABSTENTION” and “broker non-votes” will have no effect on the outcome of the selection, on an advisory basis, of the frequency for an advisory vote on executive compensation.

(THE BOARD RECOMMENDS SHAREHOLDERS VOTE FOR CONDUCTING FUTURE VOTES ON EXECUTIVE COMPENSATION EVERY “ONE YEAR”).

For Proposal 5 (Amendment to 2017 Stock Incentive Plan) - If a quorum is obtained, and a majority of shares represented, in person or by proxy, at the 2019 Annual Shareholders’ Meeting and entitled to vote, are in favor of Proposal 5, the amendment to the 2017 Stock Incentive Plan, our 2017 Stock Incentive Plan will be amended to increase the number of shares of common stock subject to the plan by 120,000 shares. Votes marked “FOR” Proposal 5 will be counted in favor of the amendment of the 2017 Stock Incentive Plan. An abstention from voting on Proposal 5 will not be voted on that proposal, although it will be counted for purposes of determining the number of shares represented and entitled to vote. Accordingly, an “ABSTENTION” will have the same effect as a vote “AGAINST” Proposal 5. “Broker non-votes” are not considered shares entitled to vote for purposes of Proposal 5 and thus will have no effect on the outcome of the approval of the amendment to the 2017 Stock Incentive Plan.

(THE BOARD RECOMMENDS A VOTE “FOR” PROPOSAL 5.)

Admission and Voting at Our 2019 Annual Shareholders’ Meeting

Voting at the 2019 Annual Shareholders’ Meeting is limited to shareholders of record having evidence of ownership as of the record date, April 12, 2019. If your shares are NOT held in your name, we may require you to show evidence of your ownership at our meeting. Evidence typically includes your proxy-voting card or your brokerage statement showing proof of stock ownership as of the close of business on April 12, 2019, such as your May 2019 brokerage statement or a printout of shares held at the close of April 12, 2019. At our 2019 Annual Shareholders’ Meeting, shareholders of record will receive a ballot upon verification of stock ownership.

We will not allow any cameras or recording equipment in the meeting room. As a courtesy and as time permits, we will provide a brief question and answer period for our shareholders of record.

Shareholders of record will be given ballots upon verification of stock ownership. REMEMBER that beneficial shareholders must obtain a power of attorney form or legal proxy from their brokers prior to the meeting in order for their votes by ballot to be counted since their brokers may have already reported their shares as “broker non-votes”. Prior to our June 11, 2019 meeting, beneficial shareholders are strongly urged to read their proxy-voting card instructions on how to vote at our 2019 Annual Shareholders’ Meeting. They should also contact their brokers by the Monday prior to our 2019 Annual Shareholders’ Meeting to ensure they obtain the proper paperwork in order to vote at our meeting. If a beneficial shareholder does not follow its broker’s instructions, our Inspector of Elections will not count such shareholder’s vote by ballot at the 2019 Annual Shareholders’ Meeting. The instructions are usually located on the back of each proxy-voting card.

Shareholder Procedures for Nominating Board Members or Introducing Proposals

In addition, our Bylaws were filed as Exhibit 3.1 to our Form 8-K filed with the SEC on August 27, 2014.

PROPOSAL 1 — ELECTION OF DIRECTORS

Our Bylaws provide for a classified Board, divided into three staggered classes – I, II, and III. The terms of office for each of these classes are scheduled to expire on the date of our annual shareholders' meeting in 2019, 2020, and 2021, respectively. Class II is comprised of three directors with all three Class II board seats being up for election at the 2019 Annual Shareholders' Meeting.

Nominees. The Board has nominated Messrs. J. Stanley Fredrick, Eric W. Schrier, and Tyler Rameson as nominees for election as our Class II directors. He currently is Chairman of the Board of Trusted Media Brands Inc. (since April 2014). Previously he served as Chairman of Willow House, a décor and jewelry direct sales company (from July 2009 to December 2013); and Chairman of Edible Communities Inc., a multi-platform media company in the farm-to-table food space (from March 2013 to September 2018). He also was on the Board of The Enthusiast Network (from January 2011 to September 2018); MeQuilibrium (from October 2011 to August 2018); the American Chemical Society (from June 2012 to May 2016); Demdex Corp (from July 2009 to January 2011); and Bonnier USA (from September 2007 to July 2009). PROPOSAL 2 — RATIFICATION OF THE APPOINTMENT OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Neither our Articles of Incorporation, Bylaws, nor any other applicable legal requirements require shareholder ratification of the selection of our independent registered public accounting firm. However, the Board, as a matter of good corporate governance, has always sought shareholder ratification of the appointment of our independent registered public accounting firm. The Board is seeking shareholder ratification of the appointment of BDO USA, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2019. In the event our shareholders do not ratify our appointment of BDO USA, LLP, the Audit Committee and the Board will reconsider the appointment.

Our Audit Committee appoints our independent registered public accounting firm on an annual basis. The decision is based on a number of factors including the scope of the audit, the independence of the auditors, the estimated audit fees, and any non-auditing services that are performed by the independent registered public accounting firm.

Representatives from BDO USA, LLP will attend the 2019 Annual Shareholders' Meeting and will have the opportunity to make a statement, if they so desire. They will also be available to respond to any appropriate questions from our shareholders.

Pre-Approval Policies and Procedures

Our Audit Committee must preapprove all services provided by our independent registered public accounting firm. The non-audit services, specified in Section 10A(g) of the Exchange Act may not be provided by our independent registered public accounting firm.

Each year, the approval of the estimated annual audit, audit-related services, and routine tax services takes place at an Audit Committee meeting. In addition, during the course of the year, requests for unforeseen or additional allowable services to be provided by our independent registered public accounting firm must be preapproved by our Audit Committee, except for those qualifying for the "de minimis exception." The de minimis exception provides that the pre-approval requirements for certain non-audit services may be waived if:

- the aggregate amount of such non-audit services provided constitutes not more than 5% of the total fees paid to our independent registered public accounting firm in the calendar year that such non-audit services are provided;
- such services were recognized as non-audit services at the time they were provided; and
- such services are promptly brought to the attention of our Audit Committee.

Our Audit Committee may delegate to its Chairman the authority to grant pre-approvals. In such event, the decisions of the Chairman of the Audit Committee regarding pre-approvals will then be presented to our full Audit Committee at the next scheduled meeting.

Our independent registered public accounting firm provides a revised estimate for the year, by project, for all planned and approved services to our Chief Financial Officer prior to each Audit Committee annual planning meeting. The revised estimate is then reviewed at our Audit Committee annual planning meeting.

Fees Paid to Our Independent Registered Public Accounting Firm

For the years ended December 31, 2018 and 2017, we were billed the following fees by our current independent registered public accounting firm, BDO USA, LLP as follows:

Type of Service	2018 (in thousands)	2017
Audit Fees, including the audit of our consolidated financial statements and annual report on Form 10-K, review of our quarterly financial statements and quarterly reports filed on Form 10-Q, and international statutory audits	\$683	\$781
Audit-Related Fees, including fees related to the annual audit of employee 401(k) benefit plan	17	15
Tax Fees, including fees for tax services, tax advice, transfer pricing, state, and international tax consultation	15	12
All Other Fees, related to all other services including expatriation issues and miscellaneous consulting and advisory services	—	—
Total Fees	\$715	\$808

The “de minimis exception” described above was not used for any fees paid to BDO USA, LLP in 2018 and 2017. All fees were pre-approved by our Audit Committee. As of March 4, 2019, we were advised by BDO USA, LLP that neither the firm, nor any member of its firm, had any direct or indirect financial interest in any capacity in our Company. The members of our Audit Committee believe the payment of all fees set forth above did not prohibit BDO USA, LLP from maintaining its independence.

(THE BOARD RECOMMENDS A VOTE “FOR” THE RATIFICATION OF THE APPOINTMENT OF OUR INDEPENDENT REGISTERED ACCOUNTING FIRM.)

PROPOSAL 3 — ADVISORY VOTE ON EXECUTIVE COMPENSATION (“SAY-ON-PAY”)

In accordance with Section 14A(a)(1) of the Exchange Act implementing Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, we are submitting to our shareholders the opportunity to vote on a non-binding advisory resolution to approve the compensation program for our Named Executive Officers, which is described in the section titled “Executive Compensation” in this Proxy Statement. Accordingly, the following resolution is submitted for a shareholder advisory vote at the 2019 Annual Shareholders’ Meeting:

“RESOLVED, that the shareholders of Mannatech, Incorporated approve, on an advisory basis, the overall compensation of the Company’s Named Executive Officers, as disclosed pursuant to Item 402 of Regulation S-K of the regulations promulgated by the SEC, including the section entitled “Executive Compensation,” and the accompanying compensation tables and the corresponding narrative discussion and footnotes set forth in the Proxy Statement for the 2019 Annual Shareholders’ Meeting.”

As described in the section titled “Executive Compensation” our executive compensation program is designed to provide a competitive level of compensation necessary to attract, motivate, and retain talented and experienced executives and to motivate them to achieve short-term and long-term objectives that enhance shareholder value.

This vote is merely advisory and will not be binding upon the Company and the Board. However, the Compensation and Stock Option Plan Committee, which is responsible for designing and administering the Company’s executive compensation program, values constructive dialogue on executive compensation and other important governance topics with the Company’s shareholders and encourages all shareholders to vote their shares on this matter.

(OUR BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” APPROVAL OF THE ADVISORY RESOLUTION TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS “SAY-ON-PAY”.)

PROPOSAL 4 - ADVISORY VOTE ON THE FREQUENCY OF ADVISORY VOTES ON EXECUTIVE COMPENSATION (“SAY-ON-FREQUENCY”)

In accordance with Section 14A(a)(1) of the Exchange Act implementing Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, we are providing our shareholders the opportunity to cast a non-binding advisory vote on whether future non-binding advisory votes on the compensation of the Company’s Named Executive Officers should occur every one, two, or three years. The Board recommends that shareholders vote to hold an advisory vote on executive compensation every ONE year, or an annual vote.

You may cast your vote by choosing one year, two years, or three years when you vote for the resolution set forth below.

“RESOLVED, that the highest number of votes cast by the shareholders of Mannatech, Incorporated for the following options will determine the preferred frequency with which Mannatech, Incorporated is to hold a stockholder vote to approve, on a non-binding basis, the executive compensation of its Named Executive Officers included in the Proxy Statement: (a) every year, or (b) every two years, or (c) every three years.”

After careful consideration, the Board believes that an annual, non-binding advisory vote complements our goal to create a compensation program that enhances long-term shareholder value. As described in the section titled “Executive Compensation,” our executive compensation program is designed to motivate executives to achieve short-term and long-term corporate goals that enhance shareholder value. An annual vote will provide shareholders the ability to compare the Company’s compensation program to the long-term performance of the Company. One year is sufficient time for the Compensation Committee to fully analyze the Company’s compensation program (as compared to the Company’s performance over the same period) and to implement necessary changes.

This advisory vote on the frequency of future advisory votes on executive compensation is non-binding on the Company and the Board. Notwithstanding the Board’s recommendation and the outcome of the shareholder advisory vote, the Board may in the future decide to conduct advisory votes on a more or less frequent basis and may vary its practice based on factors such as discussion with shareholders and the adoption of material changes to compensation programs.

(OUR BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE FOR CONDUCTING FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION EVERY “ONE YEAR”)

PROPOSAL 5 — APPROVAL OF AMENDMENT TO THE 2017 STOCK INCENTIVE PLAN

The Mannatech, Incorporated 2017 Stock Incentive Plan (the “Plan”) was originally adopted by our Board on April 17, 2017, and approved by our shareholders on June 8, 2017. The Board has adopted, subject to the approval of our shareholders, an amendment to the Plan to increase the number of shares of common stock reserved for issuance under the Plan by 120,000 shares (hereinafter called the “Amendment”). We are asking our shareholders to approve the Amendment at the 2019 Annual Shareholders Meeting.

The Plan provides a means by which we may promote the success and enhance the value of the Company by linking the personal interests of employees, directors and consultants of us and our affiliates to those of our shareholders and by providing such individuals with an incentive for outstanding performance. The Plan is designed to provide flexibility in our ability to motivate, attract and retain the services of the types of employees, directors and consultants who will contribute to our long term success.

The Plan is our only active plan for providing equity-based compensation to eligible employees, directors and consultants, and the limited number of shares remaining available under the Plan restricts the Company’s ability to grant equity awards. As of June 8, 2017, 250,000 shares of our common stock were authorized for issuance under the Plan, 210,998 of which have been issued or are subject to outstanding awards as of April 12, 2019, leaving 39,002 shares currently available for future awards under the Plan. With the approval of the Amendment, we will be able to continue to use a variety of equity-based compensation alternatives in structuring compensation arrangements for our personnel. While the Board is aware of the potential dilutive effect of compensatory stock awards, it also recognizes the significant motivational and performance benefits that are achieved from making such awards.

For a discussion of the philosophy behind the various equity and cash incentive awards under the Plan, please see the discussion in the Compensation Discussion & Analysis section in this proxy statement.

Equity Compensation Plan Information

The following table summarizes information regarding our equity compensation plans as of December 31, 2018. These plans use shares of our common stock. We do not have any equity compensation plans not approved by security holders.

Equity compensation plans not approved by security holders	—	—	—
Total	420,818		39,002

Summary of the 2017 Stock Incentive Plan

The following is a brief description of the material features of the Plan, as amended by the Amendment. Copies of the Plan and the Amendment are attached as Appendix B and Appendix C to this proxy statement, respectively, and the

following description is qualified in its entirety by reference to the Plan as amended.

Administration. The Plan is administered by our Compensation and Stock Option Plan Committee (the “Compensation and Stock Option Plan Committee” or the “Committee”), which has full and final authority to select persons to receive awards, establish the terms of awards, and administer and interpret the Plan in its sole discretion unless authority is specifically reserved to the Board under the Plan, our certificate of incorporation or bylaws, or applicable law. The Committee may delegate certain responsibilities to our officers as set forth in the Plan.

Eligibility. Officers, employees, directors and consultants who perform services for us or our affiliates are eligible to participate in the Plan, but only employees of us and our corporate subsidiaries are eligible to receive incentive stock options.

Effective Date and Termination. The Plan became effective April 17, 2017, and will terminate on April 16, 2027, unless otherwise terminated earlier by the Board. The Amendment was effective March 20, 2019, the date of its adoption by the Board, subject to shareholder approval. No awards may be granted under the Plan after its termination date, but awards granted prior thereto will continue to be effective in accordance with their respective terms and conditions

Share Reserve. Subject to adjustments for certain changes in corporate capitalization, the maximum aggregate number of shares of our common stock that may be issued under the Plan is 370,000, all of which may be used for incentive stock options. This amount consists of 250,000 previously authorized shares and 120,000 newly available shares. Unissued shares of common stock allocable to a forfeited, expired, canceled, or otherwise terminated portion of an option or stock appreciation right will revert to the Plan and again be available for awards. However, any shares withheld for payment of the exercise price or withholding of taxes will not be available again for grant under the Plan.

Maximum Employee Awards. Subject to adjustment for certain changes in corporate capitalization, no employee may be granted options, stock appreciation rights or performance awards during any fiscal year covering in the aggregate more than 50,000 shares of common stock.

Maximum Non-Employee Director Compensation. The maximum aggregate dollar value of awards and cash compensation that may be granted under the Plan or otherwise during any calendar year to any non-employee director is \$500,000, rounded up to the nearest full share of common stock and subject to adjustment for certain changes in corporate capitalization.

Awards under the 2017 Stock Incentive Plan

Options. The Committee may grant either incentive stock options intended to comply with Section 422 of the Code or “nonqualified” options that are not intended to qualify as incentive stock options. Incentive stock options may be granted only to employees of the Company and its corporate subsidiaries. The exercise price per share for options may vary, but will be no less than the market value of a share of common stock on the date of grant. Options under the Plan generally have a term of 10 years. However, if an incentive stock option is granted to an employee who owns (or is deemed to own) more than 10% of the combined voting power of all classes of our stock (or of stock of any parent or subsidiary), the term may not exceed five years and the exercise price must be at least 110% of our common stock’s market value on the grant date. The Committee determines the methods and form of payment for the exercise price per share on exercise of an option. Vested options generally remain exercisable for three months after a participant’s termination of employment or service other than for cause, as defined in the Plan, or for one year after a participant’s death or disability. Both vested and unvested options held by a participant who is terminated by us due to cause will immediately be forfeited and no longer exercisable.

Restricted Stock Awards. A restricted stock award is a grant of shares of common stock subject to a risk of forfeiture, restrictions on transferability, and any other restrictions imposed by the Committee in its discretion. Restrictions may lapse at such times and under such circumstances as determined by the Committee. A participant granted restricted stock will have the shareholder rights set forth in the award agreement, including the right to vote the shares of restricted stock. However, any dividends paid with respect to shares of restricted stock will be held by us and subject to the same terms and restrictions as the restricted stock. Unless otherwise waived by the Committee, restricted stock that is subject to forfeiture restrictions will be forfeited, along with any dividends held in escrow, upon termination of employment or service and the shares will again be available for grant under the Plan.

Restricted Stock Units. A restricted stock unit (an “RSU”), is a right to receive one share of common stock, or its cash value, at the end of a specified period. The Committee may subject RSUs to a risk of forfeiture and other restrictions to be specified in the award agreement, which restrictions may lapse at such times determined by the Committee. RSUs may be satisfied by delivery of common stock, cash equal to the fair market value of the specified number of shares of common stock covered by the RSUs, or any combination thereof determined

by the Committee at the grant date or thereafter. Except as otherwise provided by the Committee in the award agreement, RSUs subject to forfeiture restrictions will be forfeited upon termination of a participant's employment or service before the end of the specified period. Until all restrictions on an RSU award have lapsed, the participant will have none of the rights of a shareholder. However, at the Committee's discretion, an RSU award may include dividend equivalents under which the participant will be credited with the amount of any cash dividends paid on our common stock during the restriction period. Any dividend equivalents will be subject to the same restrictions as the RSUs. Unless otherwise waived by the Committee, unvested RSUs will be forfeited upon termination of employment or service, along with any dividend equivalents, and the underlying shares will again be available for grant under the Plan.

Performance Awards. The Committee may grant performance awards that vest only on the attainment of specified performance goals. Performance awards may be granted in the form of performance stock or performance stock units, in each case subject to performance goals and a performance period established by the Committee in its sole discretion. Performance goals generally are based on a pre-established objective formula or standard that specifies the manner of determining the number of shares of common stock or the amount of cash that will be issued or vest if the performance goal is attained. The Plan permits the Committee to base performance goals on such business criteria and other performance measures as it deems appropriate, including business criteria listed in the Plan.

Stock Appreciation Rights. A stock appreciation right (an "SAR"), is the right to receive an amount equal to the excess of the fair market value of our common stock on the exercise date over the strike price of the award as determined by the Committee, for the number of shares for which the SAR is exercised. The strike price for a SAR award generally will be the fair market value of a share of stock on the date of grant. The Committee determines the vesting schedule and term, which will not exceed 10 years, for each SAR, and whether the SAR will be settled by delivery of common stock or cash.

Other Provisions of the 2017 Stock Incentive Plan

Change in Control, Merger, Consolidation or Similar Transaction. If there is a change in control of the Company, as defined in the Plan, or other similar corporate transaction or series of transactions, the Committee has discretion to provide for any of the following:

- the continuation of outstanding awards, if the Company is the surviving entity;
- the assumption of the Plan and outstanding awards by the surviving entity or its parent;
- the substitution by the surviving entity or its parent of awards with substantially the same terms for outstanding awards, including an award to acquire the same consideration paid to the shareholders in the transaction (subject to the equitable adjustment as appropriate);
- the cancellation of outstanding awards in exchange for a payment equal to the excess, if any, of the sale or transaction price per share of common stock and the exercise price of the award, to the extent vested; or
- the cancellation of outstanding awards without payment of any consideration. If vested options or SARs are canceled without consideration, participants will be given a limited period to exercise such awards before their cancellation.

Capitalization Adjustments. If the Committee determines that a change in our corporate capitalization, such as a stock split, stock dividend or other recapitalization, will result in dilution or enlargement of participant rights under the Plan, the Committee will adjust, as appropriate, the number or class of securities reserved for awards under the Plan, including incentive stock options; the number and class of securities covered by each outstanding award; the maximum number of shares of stock that may be granted to any employee in one year; and the exercise price or strike price for any option or SAR.

Tax Withholding. We may deduct or withhold, or require a participant to remit, an amount sufficient to satisfy any taxes required by law or regulation to be withheld with respect to any award under the Plan. This includes the authority to withhold or receive common stock or other property and to make cash payments or require a participants to make cash payments in satisfaction of participant tax obligations.

Amendments and Termination. The Board may amend or terminate the Plan at any time, subject to the approval of our shareholders, if required by any law or securities exchange listing requirements.

The Committee may amend awards granted under the Plan, but may not “reprice” any option or SAR, such as by reducing the exercise price, without the approval of our shareholders. In addition, no amendment of the Plan or any award may impair the rights or increase the obligations of any participant under any previously granted award without the participant’s consent.

Limited Acceleration of Vesting. The Committee may accelerate the exercisability or vesting of an award granted under the Plan only on a participant’s death or disability or in the event of a change in control under which the award will not be continued, assumed or substituted by the surviving entity or its parent.

Clawback or Recoupment. Awards granted under the Plan are subject to any clawback policy adopted by the Company or imposed by any law or securities exchange listing requirement.

Award Transferability. Participants are not permitted to transfer any award granted under the Plan other than by will or by the laws of descent and distribution, and any option will be exercisable during the participant’s lifetime only by the participant or his or her guardian or legal representative. However, the Committee may permit awards other than incentive stock options to be transferred to the participant’s immediate family members, to a trust solely for the benefit of such immediate family members or to a partnership in which such family members or trusts are the only partners.

U.S. Federal Income Tax Consequences of Awards under the 2017 Stock Incentive Plan

The following is a brief summary of certain federal income tax consequences relating to awards granted under the Plan. This summary does not purport to address all aspects of federal income taxation and does not describe state, local, or foreign tax consequences. This discussion is based upon provisions of the Code and the treasury regulations issued thereunder, and judicial and administrative interpretations under the Code and regulations, all as in effect as of the date hereof, and all of which are subject to change (possibly on a retroactive basis) or different interpretation.

Options. Options may be intended to qualify as incentive stock options under Code section 422 or may be nonqualified stock options governed by Code section 83. A participant generally will not recognize any taxable income, and we will not be entitled to a tax deduction, on the grant of an option. On exercise of a nonqualified stock option a participant generally will recognize ordinary taxable income equal to the excess of the fair market value of the acquired common stock on the exercise date over the exercise price paid for those shares. Subject to satisfying applicable reporting requirements and certain deduction limitations under section 162(m) or 280G of the Code for certain individuals (discussed below), we should be entitled to a corresponding federal income tax deduction. A participant generally will not recognize taxable income on exercise of an incentive stock option and we will not be entitled to a deduction. However, the excess of the fair market value of the acquired common stock on the exercise date over the exercise price for those shares could result in alternative minimum tax liability for the participant. A participant’s disposition of shares acquired on exercise of any option will ordinarily result in capital gain or loss. However, a disposition of shares acquired on exercise of an incentive stock option less than two years after the grant date or one year after the exercise date (referred to as a “disqualifying disposition”) generally will result in ordinary taxable income equal to the excess of the fair market value of the acquired common stock on the exercise date and the exercise price for those shares, with any excess of the amount received by the participant over the fair market value of the stock on the exercise date being treated as capital gain. We may be entitled to a deduction corresponding to the participant’s ordinary taxable income in the case of such a disqualifying disposition.

Restricted Stock Awards. A participant who receives a restricted stock or performance stock award generally will recognize ordinary income when the shares are no longer subject to forfeiture or restrictions, equal to the excess, if any, of the fair market value of the shares of restricted stock over the amount paid, if any, by the participant for such shares. However, a participant who receives a restricted stock award may make an election under section 83(b) of the

Code at the time of transfer of the shares of restricted stock to recognize ordinary income on the transfer date equal to the excess of the fair market value of such shares (determined without regard to the restrictions on such shares) over the purchase price, if any, of such shares. If a participant does not make an election under section 83(b) of the Code, then the participant will recognize as ordinary income any dividends received with respect to shares of restricted stock. Subject to satisfying applicable income reporting requirements and any applicable deduction limitation under the Code, we should be entitled to an income tax deduction in the same amount and at the same time as the participant recognizes ordinary income. When the participant sells such shares, any gain or loss realized by the participant will be treated as either short-term or long-term capital gain (or loss)

depending on the holding period. For purposes of determining any gain or loss realized, the participant's tax basis will be the amount previously taxable as ordinary income plus the purchase price paid by the participant, if any, for such shares.

Stock Appreciation Rights. A participant generally will not recognize income on the grant or vesting of a SAR. When the participant exercises the SAR, he or she will have ordinary taxable income equal to the fair market value of the stock or cash received. Subject to satisfying applicable income reporting requirements and any deduction limitations under the Code, we should be entitled to an income tax deduction in the same amount and at the same time as the participant recognizes ordinary income.

Restricted Stock Units. In the case of an award of RSUs or performance stock units, the participant generally will recognize ordinary income in an amount equal to any cash received and the fair market value of any shares received on the date of payment or delivery. Subject to satisfying applicable income reporting requirements and any deduction limitations under the Code, we should be entitled to a federal income tax deduction in the same amount and at the same time as the ordinary income which the participant has recognized.

Million Dollar Deduction Limit and Other Tax Matters.

Section 162(m) of the Code generally prohibits us from deducting compensation of more than \$1 million per person to our CEO and other "covered employees" as defined in section 162(m). Prior to 2018, an exception to this deduction limit was available for certain compensation, including qualified "performance based compensation," which required compliance with requirements under Code section 162(m) and the regulations issued thereunder. As a result of tax legislation that went into effect at the end of 2017, this exception is no longer available for tax years beginning after December 31, 2017, unless such compensation qualifies for transition relief for written binding contracts in effect as of November 2, 2017. Although the Plan was designed to satisfy the requirements for qualified performance based compensation, no performance awards were granted under the Plan before November 2, 2017, so as to qualify for transition relief. Accordingly, compensation paid to "covered employees" pursuant to awards granted under the Plan is not expected to be deductible by the Company to the extent such compensation exceeds the Code section 162(m) deduction limitation.

If an individual's rights under the Plan are accelerated as a result of a change in control and the individual is a "disqualified individual" under Code section 280G, the value of such accelerated rights received by such individual may be included in determining whether or not such individual has received an "excess parachute payment" under Code section 280G, which could result in both the imposition of a 20% federal excise tax (in addition to federal income tax) payable by the individual on the value of such accelerated rights, and the loss by the Company of a compensation deduction.

New Plan Benefits

Because all grants and awards under the Plan are entirely within the discretion of the Committee, the total benefits allocable under the Plan in the future are not determinable. Therefore, we have omitted the tabular disclosure of the benefits or amounts allocated under the Plan. No grants or awards have been made under the Plan beyond the current share reserve, and no grants or awards will be made under the Plan beyond the Plan's existing share reserve unless and until the Amendment is approved by the shareholders.

Board Recommendation

The Board believes that approval of the Amendment is in the best interests of the Company and our shareholders. For the reasons stated above, the shareholders are being asked to approve this proposal.

(THE BOARD RECOMMENDS A VOTE “FOR” PROPOSAL 5.)

Consideration of Director Nominees

Under our Bylaws, the Nominating/Governance and Compliance Committee of our Board of Directors recommends to the Board all candidates for election by our shareholders at each annual meeting of shareholders. Although the Board has not formally established criteria for Board membership, the Board does consider several factors before

recommending a candidate for Board membership. These factors include the following:

- the experience level, mix of skills and other business qualities a potential nominee may possess;
- the general experience and skill levels of current Board members;
- the potential nominee's experience with accounting rules and practices;
- the verification of background, work, and education of a potential nominee; and

other factors as the Nominating/Governance and Compliance Committee may deem in the best interests of our shareholders.

In addition, the Nominating/Governance and Compliance Committee will recommend director candidates in order to ensure that:

- a majority of the Board of Directors are “independent” as defined by Nasdaq and SEC rules;
- each of the Audit, Compensation and Stock Option Plan, and Nominating/Governance and Compliance Committees are comprised entirely of independent directors; and
- at least one member of the Audit Committee has the experience, education and qualifications necessary to qualify as an “audit committee financial expert” as defined by the SEC.

The Nominating/Governance and Compliance Committee may solicit recommendations for director nominees from any or all of the following sources: non-management directors, executive officers, third-party search firms or any other source it deems appropriate. The Nominating/Governance and Compliance Committee will review and evaluate the qualifications of any proposed director candidate that it is considering or that has been properly recommended to it by a shareholder and conduct inquiries it deems appropriate into the background of these proposed director candidates. When nominating a director for re-election, the Nominating/Governance and Compliance Committee will also consider the director’s past performance on the Board. The Nominating/Governance and Compliance Committee will evaluate all proposed director candidates based on the same criteria, with no regard to the source of the initial recommendation of the proposed director candidate.

The Nominating/Governance and Compliance Committee does not have a formal policy with respect to diversity; however, the Board and the Nominating/Governance and Compliance Committee believe it is important that Board members represent diverse viewpoints. In considering candidates, the Nominating/Governance and Compliance Committee considers the entirety of each candidate’s credentials, including such candidate’s diverse skills, experience and qualifications.

If a shareholder would like our Nominating/Governance and Compliance Committee to consider specific candidates for nomination to the Board, a shareholder should deliver written notice to our Corporate Secretary at our corporate office, located at 1410 Lakeside Parkway, Suite 200, Flower Mound, Texas 75028, or by fax at (972) 471-1571. As required by our Bylaws, written notice of such proposed candidates for director should be delivered no later than December 31, 2019 to allow the Board time to consider such persons for nomination at our 2020 Annual Shareholders’ Meeting. The written notice should include the candidates’ full name, age, biographical background, and qualifications. If a shareholder intends to present a director nomination at the 2019 Annual Shareholders’ Meeting, the shareholder should follow the procedures described on page 7 of this proxy statement.

Board Leadership Structure and Role in Risk Oversight

Meetings of the Board are presided over by the Chairman of the Board, currently Mr. J. Stanley Fredrick. Our Bylaws do not require that the Chairman be independent. However, the Board believes in the separation of the Chairman and CEO roles. Most important among the considerations to keep these roles separate was that the separation of the Chairman and CEO positions allows our CEO to focus on operational issues and the Chairman to focus on governance and other related issues.

In addition, we believe that the effectiveness of the Board is enhanced by having separate Chairman and CEO positions.

It is management's responsibility to manage risk and bring to the Board's attention any material risks facing the Company. The Board, as a whole and through its committees, regularly reviews various areas of significant risk, and advises and directs management on the scope and implementation of policies, strategic initiatives and other actions designed to mitigate various types of risks. Specific examples of risks primarily overseen by the full Board include competition risks, industry risks, economic risks, liquidity risks, business operations risks, cybersecurity and data privacy risks, regulatory risks, and risks posed by significant litigation matters. Our Audit Committee regularly discusses with management and the independent auditors significant financial risk exposures and the processes management has implemented to monitor, control and report such exposures. Specific examples of risks primarily overseen by the Audit Committee include risks related to the

preparation of the Company's financial statements, disclosure controls and procedures, internal controls and procedures required by the Sarbanes-Oxley Act of 2002, accounting, financial and auditing risks, matters reported to the Audit Committee through the internal audit department and through anonymous reporting procedures.

Our Compensation and Stock Option Plan Committee then reviews such recommendations and after due deliberation and consideration approves any such changes it deems appropriate and recommends them to the Board. The Board then reviews such recommendations and after due deliberation and consideration approves any such changes it deems appropriate. Non-employee director fees during 2018 were as follows:

Equity Compensation Plan Information

We use stock option plans to encourage investment by our officers, employees, and non-employee directors in shares of our common stock so they will have an increased vested interest in and greater concern for Mannatech's welfare.

The Board and a majority of our shareholders approved the Plan at the 2017 Annual Shareholders' Meeting in June 2017. The Plan replaced the Mannatech, Incorporated 2008 Stock Incentive Plan (the "Prior Plan") and enables us to attract and retain employees, consultants and directors who will contribute to our long-term success and aligns the interests of those individuals with the interests of our shareholders. Awards of stock options, including incentive and non-statutory stock options, stock appreciation rights, restricted stock and restricted stock units may be issued under the Plan. The Compensation and Stock Option Plan Committee administers the Plan. The Plan is our only equity compensation plan in effect as of December 31, 2018, although outstanding awards granted under the Prior Plan are governed by the terms of the Prior Plan.

There are 250,000 shares of our common stock currently reserved for issuance under the Plan, which includes certain shares available for issuance under our predecessor stock plan. In the event of certain changes to our common stock, including due to a merger, consolidation, reorganization, reincorporation, stock dividend, non-cash dividend, stock split, liquidation, combination, stock exchange, or change in corporate structure, we may adjust the number of shares subject to the Plan and to any outstanding awards.

Generally, the exercise price with respect to stock options or stock appreciation rights granted pursuant to the Plan cannot be less than 100% of the fair market value per share of our common stock on the date of grant. Unless the Compensation and Stock Option Plan Committee specifies otherwise, in general, stock options and stock appreciation rights vest annually over a two- or three- year period and have a ten-year term.

Participants in the Plan may pay the exercise price for stock options in cash, shares of common stock, via a broker-assisted cashless exercise method or in any other form of legal consideration that the Compensation and Stock Option Plan Committee approves. Stock appreciation rights may be settled in shares of our common stock or in cash, as determined by the Compensation and Stock Option Plan Committee.

The Plan also permits awards of restricted shares of our common stock, or restricted stock, and restricted units. The Compensation and Stock Option Plan Committee determines the vesting schedule for such awards.

If we undergo a change in control or certain other significant corporate transactions, the Plan provides that we may provide for the assumption, continuation, substitution for, or cancellation (with or without payment for consideration) of any outstanding awards. For purposes of the Plan, a “change in control” generally means (a) the sale of at least 40% of the properties or assets of the Company based on gross fair market value, (b) a change in the Board resulting in the current directors (along with any directors nominated for election or appointed by at least 2/3 vote of the directors) ceasing to comprise at least a majority of the Board, (c) shareholder approval of the liquidation or dissolution of the Company, or (d) the acquisition of beneficial ownership of more than 50% of the voting power of the Company.

In the event that any award under the Plan is determined to be nonqualified deferred compensation subject to Section 409A of the Code, the award will have to comply with certain technical tax limitations with respect to when awards may be exercised or paid for.

The Plan will terminate automatically on April 16, 2027, unless the Board terminates it sooner. At its March 2019 meeting, the Board approved the Amendment to the Plan to increase the number of shares of common stock subject to the Plan by 120,000 shares.

The following table provides information, as of April 19, 2019, about our common stock that may be issued upon the exercise of stock options under the Plan and the prior Plan.

Non-Equity Incentive Plan

We award annual cash bonuses under our Management Non-Equity Incentive Bonus Plan for achievement of specified performance objectives within a specific performance period, which is typically one year or less. We make awards from an established incentive pool. The Compensation and Stock Option Plan Committee determines the total size of our incentive pool by taking into account our financial performance. We believe this pool-based bonus system helps foster teamwork and ensures that all executives work collectively to improve our performance.

The following table represents the 2018 Operating Profit targets and bonus opportunities:

2018 Operating Profit Targets – Annual Bonus

	1st Target	2nd Target	3rd Target	4th Target
Operating Profit Target ⁽¹⁾	\$6.0 million	\$8.0 million	\$10.0 million	\$12.0 million

Executive Bonus Opportunity ⁽³⁾	12.50%	25%	—%	—%

⁽¹⁾ After accrual of Annual Bonus Opportunity

⁽²⁾ Messrs. Bala, Bikman, L. Fredrick, Johnson, and Simons are eligible for the Senior Executive tier of the 2018 Mannatech Management Bonus Plan.

⁽³⁾ This bonus tier is reserved for other members of senior management as designated by the Compensation and Stock Option Plan Committee.

For the year ending December 31, 2018, the Company had \$0.1 million in operating loss, and the 1st Operating Profit target was not achieved.

For the year ending December 31, 2019, members of the senior executive team and executive team are eligible to earn a bonus based on the Company achieving certain operating profit targets for 2019. Bonuses are earned and payable after the Audit Committee has accepted the financial statements for full-year 2019.

401(k) Plan

On May 9, 1997, we adopted a 401(k) Pre-tax Savings Plan (the “401(k) Plan”). All full time employees, including our Named Executive Officers, who have completed three months of service and are at least 21 years of age are eligible to participate in our 401(k) Plan. During 2017, employees were allowed to contribute to our 401(k) Plan up to the maximum annual limit of their current annual compensation, as statutorily prescribed. The 401(k) plan permits matching employer contributions in the amount of \$0.50 for each \$1.00 contributed by a participating employee up to a maximum of 6% of the participant’s annual salary. The 401(k) Plan also allows us to make discretionary profit-sharing contributions each year based upon our profit. Employee contributions and our matching contributions are paid to a corporate trustee and are invested as directed by the participant. Our contributions to our 401(k) Plan vest over five years or earlier if the participant retires at age 65, becomes disabled, or dies. Distributions to participants may be made in the case of financial hardship, and distributions may be made in a lump sum. Our 401(k) Plan is intended to qualify under Section 401(a) of the Code, so that contributions made by employees or by us to our 401(k) Plan, and income earned on these contributions, are not taxable to our employees until withdrawn from the 401(k) Plan.

Our Named Executive Officers do not participate in any retirement plans, pension plans (other than the 401(k) Plan) or non-qualified deferred compensation plans.

Option Exercises and Stock Vested

No stock options were exercised for any Named Executive Officers during 2018. During 2018, 2,500 shares of restricted stock awarded to Mr. Bala on August 26, 2015 vested.

Potential Payments Upon Termination or Change in Control

Mr. Bala and Mr. Park are the only Named Executive Officers who have employment agreements with the Company. Each employment agreement provides for certain payments and benefits in the event of early termination. However, none of these employment agreements requires payment upon a change in control of the Company. The Plan does, however, provide for accelerated vesting of options in the event of a change in control or other event for which the Board determines such accelerated vesting would be equitable under the circumstances. In addition, the Plan provides that

upon termination of employment for cause, all outstanding options, whether vested or unvested, will immediately be forfeited. If employment is terminated for any other reason, the executive officer may, for a limited time period, exercise those options that were exercisable immediately prior to his or her termination of employment. For purposes of the Plan, the term “cause” will be the same as defined in an executive’s employment agreement and absent such agreement, the term “cause” means (i) the commission of a felony or crime involving moral turpitude or other act of willful malfeasance or material fiduciary breach, (ii) conduct tending to bring the Company into substantial public disgrace, or disrepute, (iii) gross negligence or willful misconduct with respect to the Company or (iv) a material violation of state or federal securities laws. Under the Plan, a “change of control” means (a) the sale of at least 40% of the properties or assets of the Company based on gross fair market value, (b) a change in the Board resulting in the current directors (along with any directors nominated for election or appointed by at least 2/3 vote of the directors) ceasing to comprise at least a majority of the Board, (c) shareholder approval of the liquidation or dissolution of the Company, or (d) the acquisition of beneficial ownership of more than 50% of the voting power of the Company. The following discussion summarizes our payment obligations to our Named Executive Officers upon termination or change in control (as defined under “Equity Compensation Plan Information” above) assuming such termination or change in control occurred on December 31, 2018:

Alfredo (Al) Bala – CEO and President:

Under the terms of his employment agreement, if Mr. Bala resigns for good reason or we terminate Mr. Bala without cause or due to disability, he will continue to receive his base salary through the end of the agreement term or for a period of twelve months from his last day of employment, whichever is longer. Notwithstanding the statement above, if Mr. Bala’s employment is terminated for cause, if he resigns without good reason, or is terminated due to his death, he is entitled to (i) any remaining base salary earned and not yet paid through the termination date; (ii) any annual bonus, or portion thereof, that is earned through the termination date; (iii) all reimbursable expenses due but not yet paid through the termination date; and (iv) all earned or vested benefits (or an amount equivalent to the value of such benefits) payable under our benefit plans or arrangements through the termination date. Under the agreement, a termination for “cause” means (A) we have determined that Mr. Bala has neglected, failed, or refused to render the services or to perform any other of his duties or obligations under the agreement, (B) Mr. Bala’s violation of any provision or obligation under the agreement, (C) Mr. Bala’s indictment for, or plea of no contest with respect to, any crime that adversely affects the utility of his services to us, or (D) any other act or omission of Mr. Bala involving fraud, theft, dishonesty, disloyalty, or illegality that harms or embarrasses us. The agreement defines a resignation for “good reason” as (W) any denial of compensation due and owing to Mr. Bala under the agreement, (X) any requirement that Mr. Bala be based anywhere other than Dallas County, Texas, except for travel incident to our business, (Y) our demotion of Mr. Bala in title or pay, or our removal of a material portion of Mr. Bala’s significant duties or responsibilities without Mr. Bala’s consent, or (Z) our material breach of the agreement. For purposes of the agreement, the term “disability” means Mr. Bala becomes incapacitated by accident, sickness, or other circumstances that, in the reasonable judgment of the Board renders or is expected to render Mr. Bala mentally or physically incapable of performing the essential duties and services required of him under the agreement, with or without reasonable accommodation, for a period of at least 90 consecutive calendar days. As of December 31, 2018, Mr. Bala’s annual base salary was \$440,000. Mr. Bala’s employment agreement will renew automatically for a one-year period on September 30 of each year unless terminated pursuant to its terms.

The following table shows the potential payments upon termination of Mr. Bala’s employment under the circumstances described above or the occurrence of a change in control assuming such termination or change in control occurred on December 31, 2018.

Yong Jae (Patrick) Park – Regional President, Asia:

Mr. Park resigned on November 19, 2018. Under the terms of his employment agreement with Mannatech Korea, Ltd., a subsidiary of the Company, Mr. Park was entitled to receive an end of service payment, regardless of the reason for termination of employment, which accrued at the rate of forty-five days base salary for each consecutive year of service. The end of service payment was 456,986,301 (\$406,718). As consideration for cooperation during the transition of the business and other valuable consideration, the Company paid Mr. Park one month of base salary equal to 33,333,333 (\$29,667) and a separation payment of 173,455,772 (\$154,376).

Named Executive Officers Stock Ownership Guidelines

We do not have stock ownership guidelines for our Named Executive Officers.

\$1 Million Pay Deductibility Cap

Under Section 162(m) of the Code, public companies are precluded from receiving a tax deduction on compensation paid to "covered employees" in excess of \$1 million in any fiscal year. For this purpose, prior to January 1, 2018, "covered employees" generally were the chief executive officer and the three most highly compensated officers of the company (other than the chief executive officer and the chief financial officer). Prior to January 1, 2018, certain types of compensation, including compensation based on performance criteria approved in advance by shareholders, were excluded from this deduction limit. However, this exemption from Section 162(m)'s deduction limit for "performance-based compensation" has been repealed effective for tax years beginning after December 31, 2017, unless such compensation qualifies for transition relief applicable to certain written binding contracts in place as of November 2, 2017. In addition, the scope of "covered employees" has been expanded to include the chief financial officer and certain former officers who were covered employees. Currently, our executive officers' cash compensation levels have not exceeded the \$1 million limit, and our stock option grants have historically been designed to qualify as performance-based compensation under Section 162(m). The Company intends to comply with the transition rule for written binding contracts in place as of November 2, 2017, as long as the Compensation and Stock Option Plan Committee determines that to be in the Company's best interest.

Although the Board does not have a formal policy with respect to related party transactions, in approving or rejecting such proposed transactions, our Audit Committee considers the nature of the related party transaction, the amount and material terms of the transaction, whether the transaction is on terms no less favorable to Mannatech than terms generally available in a similar transaction with an unaffiliated third party, whether the transaction would impair the judgment of a director or executive officer to act in the best interest of Mannatech, and other facts and circumstances available and deemed relevant to our Audit Committee.

MANNATECH, INCORPORATED FREQUENTLY ASKED QUESTIONS

Our Board of Directors (the “Board”) urges all shareholders to read all of the information included in the proxy materials provided to them. As a courtesy, the Board is providing each shareholder with the following list of frequently asked questions in hopes of eliminating some of the more commonly asked questions and keeping our shareholders informed of the various policies and procedures that must be followed for the 2019 Annual Shareholders’ Meeting.

1. Why did I receive a Notice of Internet Availability of Proxy Materials this year instead of a paper copy of the proxy materials?

Pursuant to rules promulgated by the SEC, we are providing access to our proxy materials over the Internet. As a result, we are mailing to many of our shareholders a Notice of Internet Availability of Proxy Materials instead of a paper copy of our proxy materials. The notice contains instructions on how to access our proxy materials over the Internet, as well as instructions on how to request a paper copy of our proxy materials by mail.

2. Why didn’t I receive a Notice of Internet Availability of Proxy Materials?

We are providing some of our shareholders, including those who have previously requested to receive paper copies of the proxy materials, with paper copies of the proxy materials instead of the Notice of Internet Availability of Proxy Materials. In addition, we are providing the Notice of Internet Availability of Proxy Materials by e-mail to those shareholders who have previously elected delivery of the proxy materials electronically. Those shareholders should have received an e-mail containing a link to the website where materials are available.

If you received a paper copy of the proxy materials, you may elect to receive future proxy materials electronically by following the instructions on your proxy card or voting instruction form. Choosing to receive your future proxy materials by e-mail will help us conserve natural resources and reduce the costs of printing and distributing our proxy materials.

3. How can I access the proxy materials over the Internet?

Your Notice of Internet Availability of Proxy Materials or proxy card will contain instructions on how to view our proxy materials for the 2019 Annual Shareholders’ Meeting on the Internet. Our proxy materials are also available on our company website at ir.mannatech.com.

4. What is the difference between a proxy-voting card and a ballot?

A proxy-voting card is mailed to a shareholder. The proxy-voting card gives specific instructions on how to cast a vote prior to our 2019 Annual Shareholders’ Meeting by mail, telephone, or the Internet. The instructions on the proxy-voting card are different depending on whether the shareholder owns shares directly or through a broker. Shareholders should read and follow all of the instructions in their packets to ensure their votes are counted. Ballots will be handed out at the 2019 Annual Shareholders’ Meeting to shareholders of record who own shares on the close of business on April 12, 2019 and to beneficial owners who own shares on the close of business on April 12, 2019 that have obtained a legal proxy from their broker of record.

5. What shares owned by a shareholder can be voted either by proxy or at the 2019 Annual Shareholders’ Meeting?

All shares owned directly by a shareholder of record or indirectly as a beneficial owner as of the record date, April 12, 2019, may be voted by the shareholder prior to the meeting by telephone or through the Internet, or by returning a proxy card, without having to attend the shareholder meeting in person. At the 2019 Annual Shareholders’ Meeting, shares may be voted using a ballot by (i) shareholders of record who are verified with a valid form of identification and (ii) beneficial owners who are verified with a power of attorney from the broker of record giving them authority to vote at the meeting. If a shareholder does not have this information from his or her broker, our Inspector of Elections will not be able to count such shareholder’s vote because the broker may have already cast a vote on such shareholder’s behalf. We strongly recommend that a shareholder read the instructions on the Notice of Internet Availability of Proxy Materials or on the proxy-voting card received by the shareholder or provided by the shareholder’s broker prior to the 2019 Annual Shareholders’ Meeting to understand how to cast a vote at the meeting. A shareholder’s broker can usually mail or fax a shareholder any necessary paperwork prior to the meeting.

A-1

6. What is the difference between direct ownership and beneficial ownership?

A shareholder has **DIRECT OWNERSHIP** over its shares if such shareholder is a holder of record of our common stock, meaning the shareholder either holds stock certificates in the shareholder's own name or holds book-entry shares registered in the shareholder's own name. This is evidenced by the shareholder's receipt of all mailings directly from either our transfer agent, Computershare, or us. A shareholder has **BENEFICIAL OWNERSHIP** over its shares if such shareholder has delivered its stock certificates to a broker or purchased shares through a broker and receives all of our mailings either from a broker or through a solicitor, which is usually Broadridge Financial Solutions, Inc. As a beneficial owner, the shareholder still owns the shares, but our transfer agent does not have individual shareholders' names from the brokers. The only information our transfer agent has is the aggregate total number of shares each broker of record holds on behalf of its clients.

7. How is voting different for direct holders versus beneficial owners?

Our transfer agent has the names of the shareholders who directly hold shares of our common stock, but it does not have any detailed information (such as the individual names or number of shares held) concerning shareholders who own shares through brokers. Only the individual brokers have the detailed information about each shareholder's beneficial ownership. Each brokerage group is responsible for reporting its clients' votes to our transfer agent and for providing all mailings to our shareholders who own stock through their brokerage firm. Each brokerage group also has its own set of instructions on how to cast a vote with such brokerage firm.

8. What does it mean if I received more than one set of materials?

This means your shares are registered with different names. For example, you may own some shares directly as a "holder of record" and other shares through a broker in "street name," or you may own shares through more than one broker. In these situations, you may receive multiple sets of proxy materials. It is necessary for you either to attend in person (please note, however, that if a broker or other nominee holds your shares of record and you wish to vote at the meeting, you must obtain from that registered holder a proxy card issued in your name), follow the instructions to vote your shares by telephone or through the Internet provided in the Notice of Internet Availability of Proxy Materials or return a signed, dated and marked proxy card if you received a paper copy of the proxy card. If you vote by mail, make sure you return each proxy card in the return envelope that accompanied that proxy card.

9. Can I change my proxy vote?

Both direct shareholders and beneficial shareholders can revoke a proxy-vote prior to commencement of the 2019 Annual Shareholders' Meeting. Attendance at the 2019 Annual Shareholders' Meeting will not in itself constitute a revocation of a shareholder's proxy-vote. Generally, shareholders may revoke their proxy-vote by submitting a new proxy-vote with a later date or by voting in person at our 2019 Annual Shareholders' Meeting. Shareholders should call the telephone number listed within the shareholder information packets to obtain specific instructions on how to revoke their proxy-vote. Specific instructions on how to revoke a proxy-vote may be different depending on whether a shareholder is a direct shareholder of record or a beneficial shareholder.

Each set of instructions should include the shareholder's account number and the solicitor's telephone number and email address. Our Inspector of Elections will only count the verified proxy-votes received from each shareholder and brokerage firm with the latest date. Each share of our common stock represents one vote. Shareholders should call the telephone number provided to them in their shareholder information packets if they are unsure or have any questions. Telephone numbers may be different depending on whether a shareholder is a direct shareholder of record or a beneficial shareholder. The telephone numbers may also be different if a shareholder holds shares at different brokerage firms.

10. How can I attend the 2019 Annual Shareholders' Meeting?

The 2019 Annual Shareholders' Meeting will be held on June 11, 2019, at 9:00 a.m., Central Daylight Time, at the corporate offices of Mannatech, Incorporated, located at 1410 Lakeside Parkway, Suite 200, Flower Mound, TX 75028. Shareholders will be admitted upon check-in. No cameras or recording equipment will be permitted in the meeting room.

11. Where can I find the voting results of the 2019 Annual Shareholders' Meeting?

We will announce preliminary voting results of the 2019 Annual Shareholders' Meeting in a press release issued on or about June 11, 2019 and will publish final voting results on Form 8-K, which is expected to be filed with the

Securities and Exchange Commission on or before June 17, 2019.

A-2

12. Can I have someone else cast a vote for me at the 2019 Annual Shareholders' Meeting?

In order to have someone else cast your vote at the meeting, you must provide the person with whom you would like to cast your vote a power of attorney form. This person is called a shareholder designee ("designee"). A valid power of attorney form must be notarized and contain the following:

- the date;
- the full name of the designee;
- the number of shares you hold and to be voted by the designee;
- the nature and extent of the authority granted to the designee;
- the expiration date that terminates the designee's rights to cast your vote on your behalf; and
- your signature.

The original power of attorney form must be attached to the ballot that is turned in at the meeting by the designee. If you are a beneficial owner, you must also provide the proper documentation from your broker of record to the designee, which would allow you to vote and attend the meeting. The designee should then attach all of the original form(s) to the ballot to be turned in at the 2019 Annual Shareholders' Meeting.

The designee must complete a separate ballot and attach the original power of attorney form and/or the proper documentation from the broker (only if the shares are held through a broker) and must sign each ballot as your designee.

13. How can I vote against some or all of the nominees for the Board?

To vote against some or all of our Board nominees, you should check the "WITHHOLD ALL" or the "FOR ALL EXCEPT" boxes next to the name of each of the applicable nominees on the proxy-voting card or ballot.

14. How can I write-in a nominee for the Board?

You CANNOT write-in additional Board nominees on your proxy-voting card when voting by mail, telephone, or the Internet. You may ONLY write-in the names of additional nominees for whom you wish to vote in person on the ballot at the 2019 Annual Shareholders' Meeting.

To write-in a nominee on the ballot at the 2019 Annual Shareholders' Meeting, you should check the "WITHHOLD ALL" or "FOR ALL EXCEPT" box and identify the nominees for which you desire to vote against. You should then write-in your nominee(s) in the blank provided. You may only write-in as many nominees as you voted against. For example, if there were a total of two nominees listed on the ballot and you withheld a vote for one of the two nominees, one additional nominee may be written in.

15. How can I recommend that a person be listed on the ballot as a nominee for the Board?

Shareholder recommendations for nominee(s) for the Board should have been submitted to our General Counsel by December 21, 2018, in order for the Board to have considered such persons for nomination at the 2019 Annual Shareholders' Meeting. Nominee recommendations should include a candidate's name, age, biographical information, and qualifications. Upon receipt, our General Counsel forwards the list of nominees to our Nominating/Governance and Compliance Committee. Our Nominating/Governance and Compliance Committee reviews all of the nominees and recommends a list of nominees to the Board. The Board then votes on the nominees. Only the nominees approved by the Board will be listed on our ballot, proxy-voting card, and in our proxy statement on Schedule 14A. To submit recommendations for a nominee to the Board at the 2020 Annual Shareholder Meeting, a shareholder should submit in writing the nominee's information to our General Counsel by December 21, 2019. The nomination should be either faxed to (972) 471-1571 or mailed to our General Counsel at Mannatech, Incorporated, 1410 Lakeside Parkway, Suite 200, Flower Mound, Texas 75028.

16. How are the votes counted?

Our Inspector of Elections will be responsible for tabulating all of the votes for the 2019 Annual Shareholders' Meeting. The presence, in person or by proxy-vote, of the holders of at least a majority of shares of our common stock outstanding, as of the record date, is necessary to have a quorum for the 2019 Annual Shareholders' Meeting. "ABSTAIN" votes and "broker non-votes" will be counted as present for purposes of determining a quorum. A "broker

non-vote” occurs when brokers holding shares in “street name” have not received voting instructions from the beneficial owner and either chooses not to vote those shares on a routine matter at the 2019 Annual Shareholders’ Meeting or is not permitted to vote those shares on a non-routine matter.

A-3

In tabulating the votes, if a proxy-vote or ballot is signed by the shareholder but submitted without providing specific voting instructions, the shareholder's vote will be counted as a vote "FOR" Proposals 1, 2, 3 and 5, and "ONE YEAR" on Proposal 4. If your shares are held in "street name" and you do not provide specific voting instructions to your broker, then your shares will not be included in the vote for Proposal 1 (Election of Directors), Proposal 3 ("Say-on-Pay" Advisory Vote), Proposal 4 ("Say-on-Frequency"), or Proposal 5 (Amendment to 2017 Stock Incentive Plan), but will be voted at the discretion of your broker with respect to Proposal 2 (Ratification of Auditors).

For Proposal 1 (Election of Directors) — If a quorum is obtained, our Class II directors will be elected by a plurality of the shares represented, in person or by proxy, at the 2019 Annual Shareholders' Meeting and entitled to vote. This means that the three nominees receiving the highest number of affirmative votes at the meeting will be elected as our three Class II directors. Votes marked "FOR ALL" will be counted in favor of all nominees. Votes marked "WITHHOLD ALL" will be counted against all nominees. To specify differently, a shareholder must check the "FOR ALL EXCEPT" box and then write the names of the nominees for whom the shareholder wishes to vote against. Votes marked "WITHHOLD ALL" have no effect on the vote since a plurality of the votes is required for the election of each nominee. Shareholders may not abstain from voting with respect to the election of directors.

A shareholder cannot write-in the names of additional nominees when voting by proxy. However, at the meeting, shareholders of record will be allowed to write-in additional names of nominee(s) on the ballot. To write-in a nominee on the ballot, the shareholder will need to check the "WITHHOLD ALL" or "FOR ALL EXCEPT" box and identify each of the nominees for which the shareholder does not wish to vote in the space provided. The shareholder will then be allowed to write-in only as many nominees as the shareholder has withheld votes from. For example, if there are a total of three nominees listed on the ballot and the shareholder wishes to withhold its vote for one of the three nominees, the shareholder should list the name of the one nominee for whom the vote is withheld and write-in up to one additional name for nominee to the Board.

For Proposal 2 (Ratification of Auditors) — If a quorum is obtained, and a majority of the shares represented, in person or by proxy, at the 2019 Annual Shareholders' Meeting and entitled to vote, are in favor of Proposal 2, the ratification of the appointment of our independent registered public accounting firm for the year ended December 31, 2019, will be approved. Votes marked "FOR" Proposal 2 will be counted in favor of the ratification of the appointment of our independent registered public accounting firm for the year ended December 31, 2019. An abstention from voting on Proposal 2 will not be voted on that item, although it will be counted for purposes of determining the number of shares represented and entitled to vote. Accordingly, an "ABSTENTION" will have the same effect as a vote "AGAINST" Proposal 2.

For Proposal 3 ("Say-on-Pay" Advisory Vote) — If a quorum is obtained, and a majority of shares represented, in person or by proxy, at the 2019 Annual Shareholders' Meeting and entitled to vote, are in favor of Proposal 3 the current executive compensation program will be approved by shareholders on an advisory basis. Votes marked "FOR" Proposal 3 will be counted in favor of the current executive compensation program. An abstention from voting on Proposal 3 will not be voted on that item, although it will be counted for purposes of determining the number of shares represented and entitled to vote. Accordingly, an "ABSTENTION" will have the same effect as a vote "AGAINST" Proposal 3. "Broker non-votes" are not considered shares entitled to vote for purposes of Proposal 3 and thus will have no effect on the outcome of the approval, on an advisory basis, of our executive compensation program.

For Proposal 4 ("Say-on-Frequency" Advisory Vote) - If a quorum is obtained, the selection of the frequency of a shareholder advisory vote on executive compensation will be chosen by a plurality of the shares represented, in person or by proxy, at the 2019 Annual Shareholders' Meeting and entitled to vote. This means the frequency receiving the highest number of affirmative votes at the meeting will be the frequency of future "Say-on-Pay" shareholder advisory votes that has been selected by our shareholders. For purposes of the vote on Proposal 4, "ABSTENTION" and "broker non-votes" will have no effect on the outcome of the selection, on an advisory basis, of the frequency for an advisory vote on executive compensation.

For Proposal 5 (Amendment to 2017 Incentive Plan) - If a quorum is obtained, and a majority of shares represented, in person or by proxy, at the 2019 Annual Shareholders' Meeting and entitled to vote, are in favor of Proposal 5, amend the 2017 Stock Incentive Plan, the amendment will be approved. Votes marked "FOR" Proposal 5 (Amendment to 2017 Stock Incentive Plan) will be counted in favor of the Amendment of the 2017 Stock Incentive Plan. An abstention from voting on Proposal 5 will not be voted on that proposal, although it will be counted for purposes of determining the number of shares represented and entitled to vote. Accordingly, an "ABSTENTION" will have the same effect as a vote "AGAINST"

A-4

Proposal 5. “Broker non-votes” are not considered shares entitled to vote for purposes of Proposal 5 and thus will have no effect on the outcome of the approval of the amendment to the 2017 Stock Incentive Plan.

17. What should I do if I never received my proxy materials or if the proxy materials have been lost?
You should contact your broker’s customer service department. The broker should verify that you were a shareholder on the close of business on April 12, 2019 and give you specific instructions on how to obtain new proxy materials and cast a vote. Anyone can view our 2019 proxy statement for the 2019 annual meeting by logging onto our corporate website, ir.mannatech.com

The Plan is further intended to provide flexibility to the Company in its ability to motivate, attract and retain the services of the types of Employees, Directors and Consultants who will contribute to the Company's long range success. The Plan is intended to be an "employee benefit plan" as such term is defined under Rule 405 of the Securities Act.

The Administrator, in its absolute discretion, will determine the effect of all matters and questions relating to whether a Participant has been discharged for Cause.

(g) "Change in Control" means, unless an applicable Award Agreement or Service Agreement states otherwise or contains a different definition, the first to occur of the following events:

(i) The direct or indirect sale, transfer, conveyance or other disposition (other than by way of merger or consolidation) to any Person, in one or a series of related transactions occurring within a 12-month period, of assets of the Company having a total gross fair market value of 40% or more of the total gross fair market value of all of the Company's assets immediately before such transaction or series of transactions;

A Participant’s Continuous Service will not be deemed interrupted or terminated merely because of a change in the capacity in which the Participant renders service, such as a change in status from Employee to Consultant or Director, or a change in the entity for which the Participant renders service, such as from the Company to an Affiliate, so long as there is no interruption or termination of the Participant’s service. Notwithstanding the foregoing, for purposes of determining the term of an Incentive Stock Option under Section 10(b)(iii), "Disability" means permanent and total disability as defined in Code Section 22(e)(3). The Administrator will determine whether an individual is Disabled under procedures established by the Administrator. Other than for determinations of Disability for purposes of the term of an Incentive Stock Option under Section 10(b)(iii), the Administrator may rely on any determination that a Participant is disabled for purposes of benefits under any long-term disability plan maintained by the Company or any Affiliate in which a Participant participates.

(v) "Employee" means a common law or statutory employee of the Company or an Affiliate. Mere service as a Director or payment of a Director's fee by the Company or an Affiliate is not sufficient by itself to constitute being an Employee.

(z) "Fair Market Value" means, as of the date of any valuation event, the value per Share determined using a presumptively reasonable valuation method under Treasury Regulation section 1.409A-1(b)(5)(iv), as follows:

(i) On any date on which the Common Stock is readily tradable on an Established Securities Market, if the Common Stock is admitted to trading on an exchange or market for which closing prices are reported on any date, Fair Market

Value may be determined based on (1) the last sale before or the first sale after the Date of Grant of an Award or any other valuation event; (2) the closing price on the last trading day before the Date of Grant of an Award or any other valuation event; (3) the closing price on the Date of Grant or any other valuation event; or (4) an average selling price during a specified period that is within 30 days before or 30 days after the Date of Grant of an Award, on condition that the commitment to grant an Award based on an average selling price during a specified period must be irrevocable before the beginning of the specified period, and the valuation method must be used consistently for grants of Awards under the Plan and substantially similar programs.

B-4

(ii) If the Common Stock is readily tradable on an Established Securities Market but closing prices are not reported, Fair Market Value may be determined based on (1) the average of the highest bid and lowest asked prices of the Common Stock reported on the last trading day before the Date of Grant of an Award or any other valuation event or on the Date of Grant of an Award or any other valuation event; or (2) an average of the highest bid and lowest asked prices during a specified period that is within 30 days before or 30 days after the Date of Grant of an Award, on condition that the commitment to grant an Award based on an average selling price during a specified period must be irrevocable before the beginning of the specified period, and the valuation method must be used consistently for grants of Awards under the same and substantially similar programs.

(iii) At any time the Common Stock is not readily tradable on an Established Securities Market, the Administrator will determine the Fair Market Value through the reasonable application of a reasonable valuation method based on the facts and circumstances as of the valuation date, including, at the election of the Administrator, by an independent appraisal that meets the requirements of Code Section 401(a)(28)(C) and the regulations issued thereunder as of a date that is no more than 12 months before the relevant transaction to which the valuation is applied (for example, an Option's Date of Grant), and that determination will be conclusive and binding on all Persons.

(ab) "Nonqualified Stock Option" means an Option not intended to qualify as an Incentive Stock Option.

(ae) "Participant" means an individual to whom an Award is granted under the Plan or, if applicable, such other Person who holds an outstanding Award.

(af) "Performance Award" means an Award granted under Section 8.

(ag) "Performance Stock" means Restricted Stock granted under a Performance Award.

(ah) "Performance Stock Unit" means a Restricted Stock Unit granted under a Performance Award.

(ai) "Permitted Transferee" means a Participant's child, stepchild, grandchild, parent, stepparent, grandparent, spouse, former spouse, sibling, niece, nephew, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law or sister-in-law (including adoptive relationships), any individual sharing the Participant's household (other than a tenant or employee), a trust in which these individuals (or the Participant) have more than 50% of the beneficial interest, a foundation in which these individuals (or the Participant) control the management of assets, any other entity in which these individuals (or the Participant) own more than 50% of the voting interests, or such other transferee as may be permitted by the Administrator in its sole discretion.

(aj) "Person" means an individual, partnership, limited liability company, corporation, association, joint stock company, trust, joint venture, labor organization, unincorporated organization, governmental entity or political subdivision thereof or any other entity, and includes a syndicate or group as those terms are used in Section 13(d)(3) or 14(d)(2) of the Exchange Act.

(ak) "Plan" means this Mannatech, Incorporated 2017 Stock Incentive Plan, as amended from time to time.

(al)“Restricted Award” means an Award of Restricted Stock or Restricted Stock Units granted under Section 7.

B-5

(an)“Restricted Stock” means Shares granted under an Award that are subject to certain restrictions and risk of forfeiture.

(ao)“Restricted Stock Unit” means a hypothetical unit granted under an Award evidencing the right to receive one Share or an equivalent value in cash equal to the Fair Market Value (as determined by the Administrator) in the future, which right is subject to certain restrictions and risk of forfeiture.

(au)“Surviving Entity” means the Company, if immediately following any merger, consolidation or similar transaction, the holders of outstanding voting securities of the Company immediately before the merger or consolidation own equity securities possessing more than 50% of the voting power of the entity existing following the merger, consolidation or similar transaction. In all other cases, the other entity to the transaction and not the Company will be the Surviving Entity. In making the determination of ownership by the shareholders of an entity immediately after the merger, consolidation or similar transaction, equity securities that the shareholders owned immediately before the merger, consolidation or similar transaction as shareholders of another party to the transaction will be disregarded. Further, outstanding voting securities of an entity will be calculated by assuming the conversion of all equity securities convertible (immediately or at some future time whether or not contingent on the satisfaction of performance goals) into securities entitled to vote.

3.Administration

(a)Administration by Board. The Board will administer the Plan unless and until the Board delegates administration to a Committee, as provided in Section 3(e).

(b)Authority of Administrator. The Administrator will have the power and authority to select Participants and grant Awards under the terms of the Plan.

(c)Specific Authority. In particular, the Administrator will have the authority to (i) construe and interpret the Plan and apply its provisions; (ii) promulgate, amend, and rescind rules and regulations relating to the administration of the Plan; (iii) authorize any Person to execute, on behalf of the Company, any instrument required to carry out the purposes of the Plan; (iv) delegate its authority to one or more Officers of the Company with respect to Awards that do not involve any individual who is subject to Section 16 of the Exchange Act or who is a Covered Employee or is reasonably anticipated to become a Covered Employee during the term of an Award, which delegation will be by a resolution that specifies the total number of Shares that may be subject to Awards by the Officer and the Officer may not make an Award to himself or herself; (v) determine when Awards are to be granted under the Plan; (vi) select,

subject to the limitations set forth in the Plan, those Participants to whom Awards will be granted; (vii) determine the number of Shares to be made subject to each Award; (viii) determine whether each Option is to be an Incentive Stock Option or a Nonqualified Stock Option; (ix) prescribe the terms and conditions of each Award, including, without limitation, the Strike Price or Exercise Price and medium of payment, vesting provisions, and to specify the provisions of the Award Agreement relating to the grant or sale; (x) subject to the restrictions applicable under Sections 8(c) and 15, amend any outstanding Awards, including for the purpose of modifying the purchase price, Exercise Price or Strike Price or the term of any outstanding Award; (xi) determine the duration and purpose of leaves of absences that may be granted to a Participant without constituting termination of their Continuous Service for purposes of the Plan, which periods will be no shorter than the periods generally applicable to Employees under the

B-6

Company's employment policies or as required under applicable law; (xii) make decisions with respect to outstanding Awards that may become necessary on a Change in Control or an event that triggers capital adjustments; and (xiii) exercise discretion to make any and all other determinations that it may determine to be necessary or advisable for administration of the Plan.

(d)Decisions Final. All decisions made by the Administrator under the provisions of the Plan will be final and binding on the Company and the Participants, unless a decision is determined by a court having jurisdiction to be arbitrary and capricious.

(e)Committee.

(i)In General. The Board may delegate administration of the Plan to a Committee or Committees of one or more members of the Board, and the term "Committee" applies to any Person or Persons to whom that authority has been delegated. If administration is delegated to a Committee, the Committee will have, in connection with the administration of the Plan, the powers theretofore possessed by the Board, including the power to delegate to a subcommittee any of the administrative powers the Committee is authorized to exercise (and references in the Plan to the Administrator will thereafter be to the Committee or subcommittee), subject, however, to such resolutions, consistent with the provisions of the Plan, as the Board may adopt. The Board may abolish the Committee at any time and re-vest in the Board the administration of the Plan. The members of the Committee will be appointed by and serve at the pleasure of the Board. The Board may increase or decrease the size of the Committee, add additional members to, remove members (with or without Cause) from, appoint new members in substitution therefor, and fill vacancies, however caused, in the Committee. The Committee will act by a vote of the majority of its members or, in the case of a Committee comprised of only two members, the unanimous consent of its members, whether present or not, or by the written consent of the majority of its members and will keep minutes of all of its meetings. Subject to the limitations prescribed by the Plan and the Board, the Committee may establish and follow such rules and regulations for the conduct of its business as it may determine to be advisable.

(ii)Committee Composition when Registration is Required. Whenever any class of the Company's common equity securities is required to be registered under Section 12 of the Exchange Act, in the discretion of the Board, a Committee may consist solely of two or more Eligible Directors. The Board has sole discretion to determine whether it intends to comply with the exemption requirements of either Rule 16b-3 under the Exchange Act or Code Section 162(m). However, if the Board intends to satisfy such exemption requirements, with respect to Awards to any Participant who is a Covered Employee or is reasonably anticipated to become a Covered Employee during the term of the Award, or to any Officer or Director, the Committee will at all times consist solely of two or more Eligible Directors. Within the scope of that authority, the Board or the Committee may (1) delegate to a committee of one or more members of the Board who are not "outside directors" within the meaning of Code Section 162(m) the authority to grant Awards to eligible individuals who are not Covered Employees and not expected to be Covered Employees at the time of recognition of income resulting from the Award or with respect to whom the Company does not wish to comply with Code Section 162(m), or (2) delegate to a committee of one or more members of the Board who are not "non-employee directors" within the meaning of Rule 16b-3 under the Exchange Act the authority to grant Awards to eligible individuals who are not Officers, Directors, "beneficial owners" (as defined in Rule 16a-1(a)(1) under the Exchange Act) of more than 10% of any class of equity securities of the Company registered under Section 12 of the Exchange Act or otherwise subject to Section 16 of the Exchange Act. Nothing in this Section 3(e) is intended to create an inference that an Award granted other than by a committee of the Board consisting at all times solely of two or more Eligible Directors is not validly granted under the Plan.

(f)Indemnification. In addition to such other rights of indemnification as they may have as Directors or members of the Committee, and to the extent allowed by applicable law, the Company will indemnify the Administrator against the reasonable expenses, including attorney's fees, actually incurred in connection with any action, suit or proceeding

or in connection with any appeal thereof, to which the Administrator may be party by reason of any action taken or failure to act under or in connection with the Plan or any Award granted under the Plan, and against all amounts paid by the Administrator in settlement thereof (subject, however, to the Company's approval of the settlement, which approval the Company will not unreasonably withhold) or paid by the Administrator in satisfaction of a judgment in any such action, suit or proceeding, except in relation to matters as to which it is adjudged in the action, suit or proceeding that the Administrator did not act in good faith and in a manner that the Person reasonably believed to be in the best interests of the Company, and in the case of a criminal proceeding, had no reason to believe that the conduct complained of was lawful. Notwithstanding the foregoing, it is a condition precedent to the Company's obligations in this Section 3(f) that within 60 days after institution of any such action, suit or proceeding, the Administrator or Committee member offer the Company in writing the opportunity at its own expense to handle and defend the action, suit or proceeding.

B-7

4. Shares Subject to the Plan

(a) Share Reserve. Subject to adjustment under Section 13(a), the maximum aggregate number of Shares that may be issued on exercise of all Awards under the Plan is 250,000 Shares, all of which may be used for any Awards. This limitation consists of the sum of (i) 68,326 Shares available for issuance under the Mannatech, Incorporated 2008 Stock Incentive Plan as of the date of the shareholders' approval of the Plan, and (ii) an additional 181,674 Shares to be approved by the Company's shareholders. No awards may be granted under the 2008 Stock Incentive Plan on or after the date of the shareholders' approval of the Plan.

(b) Return of Shares to the Share Reserve. If any Option or SAR for any reason is forfeited, cancelled, expires or otherwise terminates, in whole or in part, the unexercised Shares left under the Option or SAR will revert to and again become available for issuance under the Plan. Notwithstanding anything in the Plan to the contrary, Shares used to pay the required Exercise Price or tax obligations or Shares not issued in connection with settlement of an Option or SAR or that are used or withheld to satisfy tax obligations of the Participant, will not be available again for other Awards under the Plan. Awards or portions thereof that are settled in cash and not in Shares will be counted against the foregoing maximum Share limitations. Notwithstanding anything in this Section 4 to the contrary and subject to adjustment under Section 13(a), the maximum number of Shares that may be issued on the exercise of Incentive Stock Options will equal the aggregate number of Shares stated in Section 4(a) plus, to the extent permitted under Section 422 of the Code and the Treasury regulations thereunder, any Shares that become available for issuance under the Plan under this Section 4(b).

(c) Source of Shares. Shares issued under an Award may consist of authorized and unissued Shares, Shares held by the Company as treasury shares or Shares purchased on the open market, and may be subject to restrictions deemed appropriate by the Administrator.

5. Eligibility

(a) For Awards other than Options and SARs. Restricted Awards and Performance Awards may be granted to any Employee, Director or Consultant of the Company or any Affiliate.

(b) For Nonqualified Stock Options and SARs. Nonqualified Stock Options and SARs may be granted to any Employee, Director or Consultant of the Company or of a direct or indirect majority-owned subsidiary of the Company with respect to which the Company, on the Date of Grant, is an "eligible issuer" under Treasury Regulation section 1.409A-1(b)(5)(iii)(E)(1).

(c) For Incentive Stock Options. Incentive Stock Options may be granted only to an Employee of the Company or a corporation that, on the Date of Grant, is a "parent corporation" or "subsidiary corporation" of the Company, as those terms are defined in Code Sections 424(e) and 424(f), respectively.

(d) Code Section 162(m) Limitation. Subject to capitalization adjustment under Section 13(a), no individual Employee may be granted Options, SARs or Performance Awards covering, individually or in combination, more than 50,000 Shares in the aggregate during any fiscal year.

(e) Director Awards.

(i) If the Board or the compensation committee of the Board separately has adopted or in the future adopts a compensation policy covering some or all non-employee Directors that provides for a predetermined formula grant that specifies the type of Award, the timing of the Date of Grant and the number of Shares to be awarded under the

terms of the Plan, that formula grant will be incorporated herein by reference and will be administered as if provided under the terms of the Plan without any requirement that the Administrator separately take action to determine the terms of those Awards.

(ii) Subject to capitalization adjustment under Section 13(a), the aggregate dollar value of Awards (calculated as the Date of Grant fair value of such Awards for financial reporting purposes) and cash compensation granted under this Plan or otherwise during any calendar year to any non-employee Director will not exceed \$500,000, rounded up to the nearest full Share.

B-8

6. Stock Options. Each Option will be in such form and will contain such terms and conditions as the Administrator deems appropriate. All Options will be separately designated Incentive Stock Options or Nonqualified Stock Options at the time of grant, and, if certificates are issued, a separate certificate or certificates will be issued for Shares purchased on exercise of each type of Option. Notwithstanding the foregoing, the Company will have no liability to any Participant or any other Person if an Option designated as an Incentive Stock Option fails to qualify as an Incentive Stock Option at any time. The provisions of separate Options need not be identical, but each Option will include (through incorporation of provisions hereof by reference in the Option or otherwise) the substance of each of the following provisions:

(a) Term and Expiration. The term during which an Option is exercisable will be that period determined by the Administrator as set forth in the applicable Option Agreement, provided that no Option may be exercisable later than 10 years after the Date of Grant.

(b) Exercise Price. The Exercise Price for each Option will be equal to or greater than the Fair Market Value on the Date of Grant; provided that an Option granted under an assumption or substitution for another stock option in a manner satisfying the provisions of Section 424(a) of the Code, as if the Option was a statutory stock option, may be granted with an Exercise Price lower than the Fair Market Value on the Date of Grant. No dividends or dividend equivalents will be paid on any outstanding Option.

(c) Term and Exercise Price of Incentive Stock Options Granted to Ten Percent Shareholders. Notwithstanding the foregoing, no Incentive Stock Option granted to an Employee who owns (or is deemed to own under Section 424(d) of the Code) more than 10% of the total combined voting power of all classes of stock of the Company or of any “parent corporation” or “subsidiary corporation” of the Company, as those terms are defined in Code Sections 424(e) and 424(f), respectively, may be exercisable later than five years after the Date of Grant or have an exercise price that is less than 110% of the Fair Market Value on the Date of Grant.

(d) Repricing Prohibited. Except as otherwise provided in Section 13, without the prior approval of the Company’s shareholders: (i) the Exercise Price of an Option may not be directly or indirectly reduced; (ii) an Option may not be cancelled in exchange for cash, an Option or SAR with an Exercise Price or Strike Price that is less than the Exercise Price of the original Option, any other Award or otherwise; and (iii) the Company may not purchase an Option for value from a Participant if the current Fair Market Value of the Shares underlying the Option is lower than the Option’s Exercise Price.

(e) Consideration. The Exercise Price for Shares purchased under an Option will be paid in cash or by certified or bank check at the time the Option is exercised, or, to the extent permitted by applicable laws and regulations, in the Administrator’s sole discretion and on such terms as the Administrator approves: (i) by delivery (by actual delivery or by attestation) to the Company of previously-acquired Shares, duly endorsed for transfer to the Company, with a Fair Market Value on the date of delivery equal to the aggregate Exercise Price due for the number of Shares being purchased; (ii) if the Common Stock is readily tradable on an Established Securities Market, by a copy of instructions directing a broker to sell Shares for which the Option is exercised and to remit to the Company the aggregate Exercise Price due for the number of Shares being purchased; (iii) by directing the Company to withhold from transfer the number of Shares that otherwise would have been delivered by the Company on exercise of the Option having a Fair Market Value equal to all or part of the aggregate Exercise Price due on exercise (provided that to the extent such direction would result in the Company withholding fractional Shares, the number of Shares to be withheld will be rounded down to the nearest whole and the Participant must pay the remainder of the Exercise Price in cash or by certified or bank check), in which case the Option will be surrendered and cancelled with respect to the Shares retained as well as the Shares delivered; or (iv) in any other form of legal consideration that may be acceptable to the Administrator, including without limitation with a full-recourse promissory note, subject to any requirements of applicable law that the par value of Shares, if newly issued, be paid in cash or cash equivalents.

The interest rate payable under the terms of a promissory note will not be less than the minimum rate (if any) required to avoid the imputation of additional interest under the Code. Subject to the foregoing, the Administrator (in its sole discretion) will specify the term, interest rate, amortization requirements (if any) and other provisions of the note. Unless the Administrator determines otherwise, the holder will be required to pledge to the Company Shares having an aggregate Fair Market Value equal to or greater than the principal amount of the loan as security for payment of the unpaid balance of the loan, which pledge must be evidenced by a pledge agreement, the terms of which the Administrator will determine, in its discretion; except that each loan must comply with all applicable laws, regulations and rules of the Board of Governors of the Federal Reserve System and any other governmental agency having jurisdiction. Unless the Administrator determines otherwise, the purchase price of Shares acquired under an Option that is paid by delivery (or attestation) to the Company of other Shares

B-9

acquired, directly or indirectly, from the Company, will be paid only by Shares that satisfy any requirements necessary to avoid liability award accounting treatment.

Notwithstanding the foregoing, at any time that the Company is an “issuer” as defined in Section 2 of the Sarbanes-Oxley Act of 2002, no Director or executive officer (or equivalent thereof) of the Company or its Affiliates will be permitted to pay any part of the Exercise Price with a promissory note or in any other form that could be deemed a prohibited personal loan under Section 13(k) of the Exchange Act. Unless otherwise provided in the terms of an Award Agreement, payment of the Exercise Price by a Participant who is an Officer, a Director or otherwise subject to Section 16 of the Exchange Act, by delivery or attestation to the Company of other Shares acquired, directly or indirectly, from the Company is subject to pre-approval by the Administrator, in its sole discretion. The Administrator will document any such pre-approval in a manner that complies with the specificity requirements of Rule 16b-3 under the Exchange Act.

(f)Vesting. The Option may, but need not, vest and thereby become exercisable in periodic installments that may, but need not, be equal. The Option may be subject to such other terms and conditions on the time or times when it may be exercised (which may be based on performance or other criteria) as the Administrator determines to be appropriate. The vesting provisions of individual Options may vary. The Administrator may, but will not be required to, provide that no Option may be exercised for a fraction of a Share. The Administrator may, but will not be required to, provide for an acceleration of vesting and exercisability in the terms of the Award Agreement for any Option on the occurrence of the death or Disability of a Participant or the occurrence of a Change in Control that does not provide for the continuation, assumption or substitution of the Option by the Surviving Entity.

(g)Incentive Stock Option \$100,000 Limitation. To the extent that the aggregate Fair Market Value of Shares on the Date of Grant with respect to which Incentive Stock Options are exercisable for the first time by any Participant during any calendar year (under all plans of the Company and any “parent corporation” or “subsidiary corporation” of the Company, as those terms are defined in Code Sections 424(e) and 424(f), respectively) exceeds \$100,000, the Options or portions thereof which exceed that limit (according to the order in which they were granted) will be treated as Nonqualified Stock Options.

(h)Early Exercise. The Option may, but need not, include a provision whereby the Participant may elect at any time before the Participant’s Continuous Service terminates to exercise the Option as to any part or all of the Shares subject to the Option before the full vesting of the Option. In that case, the Shares acquired on exercise will be subject to the vesting schedule that otherwise would apply to determine the exercisability of the Option. Any unvested Shares so purchased may be subject to any other restriction the Administrator determines to be appropriate.

(i)Employee Transfer, Approved Leave of Absence. For purposes of Incentive Stock Options, no termination of employment by an Employee will be deemed to result from either (i) a transfer to the employment of the Company from a “parent corporation” or “subsidiary corporation” of the Company, as those terms are defined in Code Sections 424(e) and 424(f), respectively, from the Company to a parent corporation or subsidiary corporation or from one parent corporation or subsidiary corporation to another; or (ii) an approved leave of absence for military service or sickness or for any other purpose approved by the Company, if the period of leave does not exceed three months or, if longer, the Employee’s right to re-employment is guaranteed either by a statute or by contract.

(j)Disqualifying Dispositions. Each Participant awarded an Incentive Stock Option will be required to immediately notify the Company in writing as to the occurrence of a disqualifying disposition of any Shares acquired by exercise of the Incentive Stock Option, and the price realized on the disqualifying disposition of those Shares. A “disqualifying disposition” is any disposition (including, without limitation, any sale or transfer) before the later of (i) two years after the Date of Grant of the Incentive Stock Option or (ii) one year after the issuance of the Shares acquired by exercise of the Incentive Stock Option. The Company may, if determined by the Administrator and in accordance with procedures

established by the Administrator, retain possession of any Shares acquired by exercise of an Incentive Stock Option as agent for the applicable Participant until the end of the period described in the preceding sentence.

7.Restricted Awards. A Restricted Award is an Award of Restricted Stock or Restricted Stock Units, which provides that, except as otherwise provided in Section 16(d)(i) with respect to Permitted Transferees, the Restricted Award may not be sold, assigned, transferred or otherwise disposed of, pledged or otherwise encumbered for the period (the “Restricted Period”) determined by the Administrator. Each Restricted Award will be in such form and will contain such terms, conditions, and Restricted Periods as the Administrator determines to be appropriate, including the treatment of dividends or dividend equivalents, as the case may be. The Administrator in its discretion may provide for the acceleration of the end of the Restricted

B-10

Period in the terms of any Restricted Award upon the death or Disability of a Participant or in the event of a Change in Control that does not provide for the continuation, assumption or substitution of the Award by the Surviving Entity. The terms and conditions of the Restricted Award may change from time to time, and the terms and conditions of separate Restricted Awards need not be identical, but each Restricted Award must include (through incorporation of provisions hereof by reference in the Award Agreement or otherwise) the substance of each of the following provisions:

(a)Payment for Restricted Awards. The purchase price of Shares acquired under a Restricted Award, if any, will be determined by the Administrator, and may be stated as cash, property or services rendered or to be rendered to the Company for its benefit or an Affiliate or for its benefit. Shares acquired in connection with a Restricted Award may be issued for such consideration, having a value not less than the par value thereof, as may be determined by the Administrator. Required consideration for Shares acquired in connection with a Restricted Award may be paid: (i) in cash at the time of purchase; or (ii) in any other form of legal consideration that may be acceptable to the Administrator in its discretion including, without limitation, a recourse promissory note, property or services that the Administrator determines have a value at least equal to the purchase price of the Restricted Award. Notwithstanding the foregoing, at any time that the Company is an “issuer” as defined in Section 2 of the Sarbanes-Oxley Act of 2002, no Director or executive officer (or equivalent thereof) of the Company or an Affiliate will be permitted to pay any portion of the purchase price for Shares acquired under a Restricted Award with a promissory note or in any other form that could be deemed prohibited personal loan under Section 13(k) of the Exchange Act.

(b)Vesting. The Restricted Award, and any Shares acquired thereunder, will be subject to a Restricted Period that specifies a right of repurchase in favor of the Company, or forfeiture where the consideration was in the form of services, in accordance with a vesting schedule to be determined by the Administrator.

(c)Lapse of Restrictions. Subject to the Participant’s Continuous Service, on the expiration or termination of the Restricted Period and the satisfaction of any other conditions prescribed by the Administrator (including, without limitation, the Participant’s satisfaction of applicable tax withholding obligations attributable to the Award), the restrictions applicable to the Restricted Award will lapse and the number of Shares with respect to which the restrictions have lapsed will be issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), free of any restrictions except those that may be imposed by law, the terms of the Plan or the terms of a Restricted Award, to the Participant or the Participant’s beneficiary or estate, as the case may be, unless the Restricted Award is subject to a deferral condition that complies with Section 409A of the Code and the regulations thereunder as may be allowed or required by the Administrator in its sole discretion. The Company will not be required to deliver any fractional Share but will pay, in lieu thereof, the Fair Market Value of the fractional Share in cash to the Participant or the Participant’s beneficiary or estate, as the case may be. With respect only to Restricted Stock Units, unless otherwise subject to a deferral condition that complies with Section 409A of the Code, the Shares (or cash, as applicable) will be issued and the Participant will be entitled to the beneficial ownership rights of the Shares not later than (i) the date that is 2½ months after the end of the Participant’s taxable year (or the end of the Company’s taxable year, if later) for which the Restricted Period ends and the Restricted Stock Unit is no longer subject to a substantial risk of forfeiture, or (ii) such earlier date as may be necessary to avoid application of Section 409A of the Code to the Award.

(d)Shareholder Rights. Unless otherwise provided by the Administrator in an Award Agreement, the holder of Shares of Restricted Stock will be entitled to vote such Shares. Dividends, if any, paid on Shares of Restricted Stock will be held in escrow, without interest, until such time as the restrictions lapse on the related Shares of Restricted Stock. Dividends for Shares of Restricted Stock that are forfeited will also be forfeited to the Company.

(e)Dividends on Restricted Stock Units. In the case of Restricted Stock Units, the Participant will not be entitled to receive dividends or dividend equivalents unless the Award Agreement specifically provides for such dividends or dividend equivalents.

(f)Delivery of Restricted Stock. Shares of Restricted Stock will be delivered to the Participant at the Date of Grant either by book-entry registration or by delivering to the Participant, or a custodian or escrow agent (including, without limitation, the Company or one or more of its Employees) designated by the Administrator, a stock certificate or certificates registered in the name of the Participant. If physical certificates representing Shares of the Restricted Stock are registered in the name of the Participant, such certificates must bear an appropriate legend referring to the terms, conditions and restrictions applicable to such Shares.

B-11

8. Performance Awards. A Performance Award is an Award that will vest only on the attainment of specified performance goals, and may consist of Performance Stock or Performance Stock Units. The Administrator may make Performance Awards independent of or in connection with the granting of any other Award under the Plan. A Performance Award may be granted under the Plan to any Participant, including a Participant who qualifies for awards under other performance plans of the Company. The Administrator in its sole discretion will determine whether and to whom Performance Awards will be made, the performance goals applicable under each Performance Award, the period or periods during which performance is to be measured, and all other limitations and conditions applicable to Performance Awards. The Administrator, in its discretion, may rely on the performance goals and other standards applicable to other performance plans of the Company in setting the standards for Performance Awards under the Plan.

(a) Performance Goals.

(i) A performance goal will be based on a pre-established objective formula or standard that specifies the manner of determining the number of Shares under the Performance Award that will be granted or will vest if the performance goal is attained. The Administrator will determine the performance goal before the time that 25% of the service period has elapsed, but not later than 90 days after the commencement of the service period to which the performance goal relates.

(ii) Performance goals may be based on one or more of the following business criteria, which may be applied to a Participant, a business unit or the Company and its Affiliates:

- (1) [revenue (net or gross);
- (2) revenue growth;
- (3) sales (net or gross), including growth in sales measured by product line, territory, facility, customer or customers or other category;
- (4) earnings (net or gross), including earnings before all or any of interest expense, taxes, depreciation and amortization ("EBIT," "EBITA," or "EBITDA"), earnings per share or earnings from continuous operations;
- (5) profits, including profits before or after taxes or other expenses or adjustments, maintenance or improvement of profit margins, or profitability of an identifiable business unit, product line or facility;
- (6) operating income, including operating income per share, pre-tax or after-tax income, net cash provided by operating activities, funds from operations or funds from operations per share;
- (7) operating expenses;
- (8) cash flow, including cash available for distribution, cash available for distribution per share, improvement in cash-flow (before or after tax) or free cash flow;
- (9) working capital and components thereof, including improvement in capital structure;
- (10) credit rating, independent industry rating or assessments;
- (11) stock price or share price performance, return on shareholders' equity or average shareholders' equity or total shareholders' return;
- (12) return on assets, return on capital, return on invested capital, changes in net assets, enterprise value or economic value added, net worth, or return on investment before or after the cost of capital;
- (13) costs, improvement in the attainment of expense levels, expense management, capital expenditures, and levels of expense, cost or liability by category, operating unit, facility or any other delineation;
- (14) implementation or completion of critical projects; or
- (15) strategic plan development and implementation, closing of corporate transactions.] TBD. Mannatech to confirm, revise or add business criteria as needed or desired.

(iii) A performance goal may be measured over a performance period on a periodic, annual, cumulative or average basis and may be established on a corporate-wide basis or with respect to one or more operating units, divisions, subsidiaries, acquired businesses, minority investments, facilities, partnerships or joint ventures. More than one

performance goal may be incorporated in a performance objective, in which case achievement with respect to each performance goal may be assessed individually or in combination with each other. The Administrator may, in connection with the establishment of performance goals for a performance period, establish a matrix setting forth the relationship between performance on two or more performance goals and the amount of the Performance Award payable for that performance period. The level or levels of performance specified with respect to a performance goal may be established in absolute terms, as objectives relative to performance in prior periods, as an objective compared to the performance of one or more comparable companies or an index covering multiple companies on a per Share basis, against the performance of the Company as a whole or against particular entities, segments, operating units or products of the Company, on a pre-tax or after-tax basis, in tandem with any other

B-12

performance goal, or otherwise as the Administrator may determine. The Administrator may, in connection with the establishment of performance goals for a performance period, specify one or more adjustments to any of the business criteria specified in Section 8(a)(ii).

(iv) Performance goals will be objective and will otherwise meet the requirements of Section 162(m) of the Code. Performance goals may differ for Performance Awards granted to any one Participant or to different Participants. A Performance Award to a Participant who is a Covered Employee or is reasonably anticipated to become a Covered Employee during the term of the Performance Award will (unless the Administrator determines otherwise) provide that if the Participant's Continuous Service ceases before the end of the performance period for any reason, the Performance Award will be payable only if the applicable performance objectives are achieved and to the extent, if any, determined by the Administrator. These objective performance goals are not required to be based on increases in a specific business criterion, but may be based on maintaining the status quo or limiting economic losses. With respect to any Participant who is not a Covered Employee or expected to become a Covered Employee during the term of the Performance Award, the Administrator may establish additional objective or subjective performance goals.

(v) The Administrator may provide in any Performance Award that any evaluation of performance may include or exclude the effect, if any, on reported financial results of any of the following events that occurs during a performance period: (1) asset write-downs, (2) litigation or claim judgments or settlements, (3) changes in tax laws, accounting principles or other laws or provisions, (4) reorganization or restructuring programs, including share repurchasing programs, (5) acquisitions or divestitures, (6) foreign currency exchange translations gains and losses, (7) revenue or earnings attributable to minority ownership in another entity or (8) gains and losses that are treated as extraordinary items under Accounting Standards Codification Topic 225. To the extent such inclusions or exclusions affect a Performance Award to a Participant who is a Covered Employee or is reasonably anticipated to become a Covered Employee during the term of the Performance Award, they will be prescribed in a form that meets the requirements of Code Section 162(m) for deductibility.

(b) Satisfaction of Performance Goals. A Participant will be entitled to receive Shares (as evidenced either by a stock certificate or by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company) or cash under a Performance Award only on satisfaction of all conditions specified in the written instrument evidencing the Performance Award (or in a performance plan adopted by the Administrator), including, without limitation, the Participant's satisfaction of applicable tax withholding obligations attributable to the Performance Award. With respect only to a Performance Stock Unit Award, a stock certificate or cash, as applicable, will be issued and delivered, and the Participant will be entitled to the beneficial ownership rights of the Shares (if any), not later than (i) the date that is 2½ months after the end of the Participant's taxable year (or the end of the Company's taxable year, if later) for which the Administrator certifies that the Performance Stock Unit Award conditions have been satisfied and the Performance Stock Unit Award is no longer subject to a substantial risk of forfeiture, and (ii) such earlier date as may be necessary to avoid application of Section 409A of the Code to the Performance Stock Unit Award.

(c) Acceleration, Waiver, Etc. With respect solely to a Participant who is not (and is not expected to become during the term of the Performance Award) a Covered Employee, at any time before the Participant's termination of Continuous Service, the Administrator may in its sole discretion, and subject to Section 15, amend or modify any or all of the goals, restrictions or conditions imposed under a Performance Award. For any Participant who is, or is expected to become during the term of a Performance Award, a Covered Employee, no amendment or waiver of the performance goal will be permitted and no cash payment to be made in respect of a Performance Award may be accelerated unless the performance goal has been attained and the amount of the payment is discounted to reasonably reflect the time value of money. Notwithstanding the foregoing, the Administrator in its discretion may provide for an acceleration of vesting in the terms of any Performance Award upon the death or Disability of a Participant or in the event of a Change in Control that does not provide for the continuation, assumption or substitution of the Award by the

Surviving Entity.

(d)Certification. Following the completion of each performance period, the Administrator will certify in writing, in accordance with the requirements of Section 162(m) of the Code, whether the performance objectives and other material terms of a Performance Award have been achieved or met. Unless the Administrator determines otherwise, Performance Awards will not be settled until the Administrator has made the certification specified under this Section 8(d).]

B-13

9. Stock Appreciation Rights.

(a) Grant Requirements. A SAR may be granted only if it does not provide for the deferral of compensation within the meaning of Section 409A of the Code. A SAR does not provide for a deferral of compensation if: (i) the Strike Price may never be less than the Fair Market Value on the Date of Grant, (ii) the compensation payable under the SAR can never be greater than the difference between the Fair Market Value on the date of exercise and the Strike Price, (iii) the number of Shares subject to the SAR is fixed on the Date of Grant, and (iv) the SAR does not include any feature for the deferral of compensation other than the deferral of recognition of income until the exercise of the right. No dividends or dividend equivalents may be paid on any outstanding SAR.

(b) Strike Price. The Administrator will determine the Strike Price of a SAR, which in the case of a SAR granted independent of any Option, will not be less than the Fair Market Value on the Date of Grant. The Strike Price of a SAR granted in tandem with an Option will be the Exercise Price of the related Option. A SAR granted in tandem with an Option will be exercisable only to the same extent as the related Option, provided that by its terms, such SAR will be exercisable only when the Fair Market Value exceeds the Strike Price of the SAR.

(c) Repricing Prohibited. Except as otherwise provided in Section 13, without the prior approval of the Company's shareholders: (i) the Strike Price of a SAR may not be directly or indirectly reduced; (ii) a SAR may not be cancelled in exchange for cash, an Option or SAR with an Exercise Price or Strike Price that is less than the Strike Price of the original SAR, any other Award or otherwise; and (iii) the Company may not purchase a SAR for value from a Participant if the current Fair Market Value is less than the SAR's Strike Price.

(d) Vesting. The SAR will be subject to a Restricted Period that specifies a forfeiture in accordance with a vesting schedule to be determined by the Administrator. The Administrator in its discretion may provide for an acceleration of vesting in the terms of any SAR upon the death or Disability of a Participant or in the event of a Change in Control that does not provide for the continuation, assumption or substitution of the Award by the Surviving Entity. The Administrator may not grant a SAR that is, in whole or in part, vested on the Date of Grant and not subject to a Restricted Period.

(e) Exercise and Settlement. On delivery to the Administrator of a written request to exercise a SAR, the holder will be entitled to receive from the Company, an amount equal to the product of (i) the excess of the Fair Market Value on the date of exercise over the Strike Price specified in the Award Agreement, multiplied by (ii) the number of Shares for which the SAR is being exercised. Settlement with respect to the exercise of a SAR will be on the date of exercise and may be made in the form of Shares valued at Fair Market Value on the date of exercise (with or without restrictions as to substantial risk of forfeiture and transferability, as determined by the Administrator in its sole discretion), cash or a combination of Shares and cash, as determined by the Administrator in its sole discretion.

(f) Reduction in the Underlying Option Shares. On the exercise of a SAR granted in tandem with an Option, the number of Shares for which the related Option is exercisable will be reduced by the number of Shares for which the SAR has been exercised. The number of Shares for which a tandem SAR is exercisable will be reduced on any exercise of any related Option by the number of Shares for which the Option has been exercised.

(g) Written Request. Unless otherwise determined by the Administrator in its sole discretion, SARs will be settled in Shares. If permitted in the Award Agreement, a Participant may request that any exercise of a SAR be settled for cash, but a Participant will not have any right to demand a cash settlement. A request for a cash settlement may be made only by a written request filed with the Corporate Secretary of the Company during the period beginning on the third business day following the date of release for publication by the Company of quarterly or annual summary statements of earnings and ending on the twelfth business day following that date. Within 30 days of the receipt by the Company of a written request to receive cash in full or partial settlement of a SAR or to exercise the SAR for cash, the

Administrator will, in its sole discretion, either consent to or disapprove, in whole or in part, the written request. A written request to receive cash in full or partial settlement of a SAR or to exercise a SAR for cash may provide that, if the Administrator disapproves the written request, the written request will be treated as an exercise of the SAR for Shares.

(h)Disapproval by Administrator. If the Administrator disapproves in whole or in part any request by a Participant to receive cash in full or partial settlement of a SAR or to exercise such Award for cash, the disapproval will not affect the Participant's right to exercise the SAR at a later date, to the extent that it would be otherwise exercisable, or to

B-14

request a cash form of payment at a later date, in each case subject to the approval of the Administrator. Additionally, the disapproval will not affect the Participant's right to exercise any related Option.

10. Treatment of Awards on Termination of Continuous Service.

(a) Unvested Awards Generally. Unless otherwise provided in an Award Agreement or Service Agreement, if a Participant's Continuous Service terminates for any reason, the Participant will forfeit the unvested portion of any Award acquired in consideration of services, all unvested Shares held by the Participant as of the date of termination under the terms of any Award will be forfeited or, if applicable, may be repurchased by the Company at the lesser of the purchase price paid by the Participant or the current Fair Market Value, and the Participant will have no rights with respect to any Award or Shares so forfeited or repurchased.

(b) Options and SARs.

(i) Other than for Cause, death or Disability. Unless otherwise provided in an Award Agreement or Service Agreement, if a Participant's Continuous Service is terminated for any reason other than due to the Participant's death or Disability or by the Company for Cause, the Participant may exercise his or her Option or SAR (to the extent vested and exercisable as of the date of termination) during the period ending on the earlier of (1) the date that is three months after the termination of the Participant's Continuous Service or (2) the expiration of the original term of the Award as set forth in the Award Agreement. Any unexercised Option or SAR held by the Participant will automatically terminate at the close of business on the last day of such period and will thereafter not be exercisable.

(ii) For Cause. If the Participant's Continuous Service is terminated by the Company or an Affiliate for Cause, all outstanding Options and SARs (whether or not vested) will be forfeited and expire as of the beginning of business on the date of termination.

(iii) Participant Death or Disability. Unless otherwise provided in an Award Agreement or Service Agreement, if a Participant's Continuous Service is terminated as a result of the Participant's death or Disability, the Participant's Option or SAR may be exercised (to the extent the Option or SAR was vested and exercisable as of the date of termination) by the Participant or the Participant's estate, designated beneficiary or such other Person who acquired the right to exercise the Option or SAR by bequest or inheritance, but only during the period ending on the earlier of the date that is 12 months following the date of termination or the expiration of the original term of the Option or SAR as set forth in the Award Agreement. Any unexercised Option or SAR held by the Participant or such other Person will terminate at the end of such period.

(iv) Extension of Option or SAR Termination Date. An Award Agreement may provide that if the exercise of an Option or SAR following the termination of the Participant's Continuous Service for any reason (other than on the Participant's death or Disability or termination by the Company for Cause) would violate any applicable federal, state or local law, the Option or SAR will terminate only on the earlier of the expiration of the original term of the Award or the date that is 30 days after the exercise of the Option or SAR would no longer violate any applicable federal, state or local law.

11. Covenants of the Company.

(a) Availability of Shares. During the terms of the Awards, the Company will keep available at all times the number of Shares required to satisfy the Awards.

(b) Securities Law Compliance. Each Award Agreement will provide that no Shares may be purchased or sold thereunder unless and until any then applicable requirements of state, federal or applicable foreign laws and regulatory

agencies have been fully complied with to the satisfaction of the Company and its counsel. The Company will use reasonable efforts to seek to obtain from each regulatory commission or agency having jurisdiction over the Plan such authority as may be required to grant Awards and to issue and sell Shares on exercise of Awards; however, this undertaking will not require the Company to register under the Securities Act the Plan, any Award or any Shares issued or issuable under any Award. If, after reasonable efforts, the Company is unable to obtain from any such regulatory commission or agency the authority that counsel for the Company determines to be necessary for the lawful issuance and sale of Shares under the Plan, the Company will be relieved from any liability for failure to issue and sell Shares on exercise of any Awards unless and until that authority is obtained.

B-15

12. Company Use of Proceeds from Shares.

Proceeds from the sale of Shares under the Plan will be general funds of the Company.

13. Adjustments for Changes in Stock.

(a) Capitalization Adjustments. If any change is made in the Common Stock without the receipt of consideration by the Company (through merger, consolidation, reorganization, recapitalization, reincorporation, stock dividend, dividend in property other than cash, stock split, liquidating dividend, combination of Shares, exchange of Shares, change in corporate structure or other transaction not involving the receipt of consideration by the Company), then (i) the aggregate number of Shares or class of securities that may be purchased under Awards granted hereunder, (ii) the aggregate number of Shares or class of securities that may be purchased under Incentive Stock Options granted hereunder, (iii) the number or class of securities covered by outstanding Awards, (iv) the maximum number of Shares with respect to which Options, SARs and Performance Awards may be granted to any single Employee during any calendar year, and (v) the Exercise Price of any Option and the Strike Price of any SAR in effect before the change will be proportionately adjusted by the Administrator to reflect any increase or decrease in the number of issued Shares or change in the Fair Market Value resulting from the transaction; provided, that any fractional Shares resulting from the adjustment will be eliminated by a cash payment. The Administrator will make these adjustments in a manner that will provide an appropriate adjustment that neither increases nor decreases the value of the Award as in effect immediately before the corporate change, and its determination will be final, binding and conclusive. The conversion of any securities of the Company that are by their terms convertible will not be treated as a transaction “without receipt of consideration” by the Company.

(b) Dissolution or Liquidation. In the event of a dissolution or liquidation of the Company, then, subject to Section 13(c), all outstanding Awards will terminate immediately before the dissolution or liquidation.

(c) Change in Control - Asset Sale, Merger, Consolidation or Reverse Merger. Unless otherwise provided in an Award Agreement or Service Agreement and to the extent permitted by applicable law, in the event of a Change in Control, a dissolution or liquidation of the Company, an exchange of securities or any corporate separation or division, including, but not limited to, a split-up, a split-off or a spin-off or a sale, in one or a series of related transactions, of all or substantially all of the assets of the Company, a merger or consolidation in which the Company is not the Surviving Entity, or a reverse merger in which the Company is the Surviving Entity but the Shares outstanding immediately preceding the merger are converted by virtue of the merger into other property, whether in the form of securities, cash or otherwise, then the Company, to the extent permitted by applicable law, but otherwise in the sole discretion of the Administrator, may provide for: (i) the continuation of outstanding Awards by the Company (if the Company is the Surviving Entity); (ii) the assumption of the Plan and the outstanding Awards by the Surviving Entity or its parent; (iii) the substitution by the Surviving Entity or its parent of awards with substantially the same terms (including an award to acquire the same consideration paid to the shareholders in the transaction described in this Section 13(c)) for the outstanding Awards and, if appropriate, subject to the equitable adjustment provisions of Section 13(a); (iv) the cancellation of the outstanding Awards in consideration for a payment (in the form of securities, cash or such other consideration and under the same terms and conditions as is paid to the shareholders in the transaction) equal in value to the Change in Control Value of vested Awards, or in the case of an outstanding Option or SAR, the difference between the Change in Control Value and the Exercise Price or Strike Price for all Shares subject to exercise (i.e., to the extent vested) under the Option or SAR (subject in each case to withholding as required by applicable law); or (v) the cancellation of the outstanding Awards without payment of any consideration. If the Awards would be canceled without consideration for vested Options or SARs, the Participant will have the right, exercisable during the 10-day period ending on the later of the fifth day before the merger or consolidation or 10 days after the Administrator provides the Participant a notice of cancellation, to exercise the Option or SAR in whole or in part without regard to any installment exercise provisions in the applicable Award Agreement.

14.Shareholder Approval.

The Plan will become effective only if, within 12 months from the date the Plan is adopted by the Board, the Plan is approved by the affirmative vote of the Company's shareholders in accordance with the applicable provisions of the Certificate of Incorporation and Bylaws of the Company and applicable state law. The Board may, in its sole discretion, submit any other amendment to the Plan for shareholder approval, including, but not limited to, amendments to the Plan intended to satisfy the requirements of Section 162(m) of the Code and the regulations thereunder regarding the exclusion

B-16

of performance-based compensation from the limit on corporate deductibility of compensation paid to certain executive officers.

15. Amendment of the Plan and Awards.

(a) Plan Amendment. The Board at any time may amend or terminate the Plan. However, except as provided in Section 13(a) relating to adjustments on changes in the Common Stock, no amendment will be effective unless approved by the shareholders of the Company to the extent shareholder approval is necessary to satisfy any applicable law or any securities exchange listing requirements. At the time of any amendment, the Board will determine, on advice from counsel, whether the amendment will be contingent on shareholder approval.

(b) Contemplated Amendments. It is expressly contemplated that the Board may amend the Plan in any respect the Board determines necessary or advisable to provide eligible Employees with the maximum benefits provided or to be provided under the provisions of the Code and the regulations issued thereunder relating to Incentive Stock Options or to the nonqualified deferred compensation provisions of Section 409A of the Code and to bring the Plan and Awards granted hereunder into compliance therewith. Notwithstanding the foregoing, neither the Board nor the Company nor any Affiliate will have any liability to any Participant or any other Person as to (i) any tax consequences expected, but not realized, by a Participant or any other Person due to the receipt, exercise or settlement of any Award granted hereunder; or (ii) the failure of any Award to comply with Section 409A of the Code.

(c) Award Amendment. The Administrator at any time may amend the terms of any one or more Awards. Except as otherwise permitted under Section 13, unless shareholder approval is obtained: (i) no amendment or modification may reduce the Exercise Price of any Option or the Strike Price of any SAR; (ii) the Administrator may not cancel any outstanding Option or SAR and replace it with a new Option or SAR, another Award or cash, if doing so would be considered a “repricing” for purposes of the shareholder approval rules of the applicable securities exchange or inter-dealer quotation system on which the Common Stock is listed or quoted; and (iii) the Administrator may not take any other action that is considered a repricing for purposes of the shareholder approval rules of the applicable securities exchange or inter-dealer quotation system on which the Common Stock is listed or quoted.

(d) No Impairment of Rights. No amendment of the Plan or an Award may impair rights or increase a Participant’s obligations under any Award granted before the amendment unless (i) the Company requests the consent of the Participant and (ii) the Participant consents in writing. For the avoidance of doubt, a cancellation of an Award where the Participant receives a payment equal in value to the Fair Market Value or the Change in Control Value of the vested Award or, in the case of a vested Option or SAR, the difference between the Fair Market Value or the Change in Control Value of the Shares subject to the Award and the Exercise Price or Strike Price, is not an impairment of the Participant’s rights or increase in the Participant’s obligations that requires consent of the Participant.

(e) Acceleration of Exercisability and Vesting. The Administrator will have the power to accelerate the time at which an Award may first be exercised or the time during which an Award or any part thereof will vest solely upon the death or Disability of the Participant or in the event of a Change in Control that does not provide for the continuation, assumption or substitution of the Award by the Surviving Entity, notwithstanding the provisions in the Award stating the time at which it may first be exercised or the time during which it will vest.

16. General Provisions.

(a) Shareholder Rights. Except as provided in Section 13(a) of the Plan or as otherwise provided in an Award Agreement, no Participant will be considered the holder of, or to have any of the rights of a holder with respect to, any Shares subject to an Award unless and until the Participant has satisfied all requirements for exercise, payment or delivery of the Award, as applicable, under its terms, and no adjustment will be made for dividends (ordinary or

extraordinary, whether in cash, securities or other property) or distributions of other rights for which the record date is before the date of issue of the Shares (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company).

(b)Participation not a Guarantee of Service Right. Nothing in the Plan or any instrument executed or Award granted pursuant thereto will confer on any Participant any right to continue to serve the Company or an Affiliate in the capacity in effect at the time the Award was granted or will affect the right of the Company or an Affiliate to terminate (i) the

B-17

employment of an Employee with or without notice and with or without Cause; (ii) the service of a Consultant under the terms of the Consultant's agreement with the Company or an Affiliate; or (iii) the service of a Director under the Bylaws of the Company or an Affiliate, and any applicable provisions of the corporate law of the state in which the Company or the Affiliate is incorporated, as the case may be.

(c)Effect of Plan. Neither the adoption of the Plan nor any action of the Board or the Administrator may be deemed to give any Employee, Director or Consultant any right to be granted an Award or any other rights, except as may be evidenced by an Award Agreement or a Service Agreement, or any amendment thereto, duly authorized by the Administrator and executed on behalf of the Company, and then only to the extent and on the terms and conditions expressly set forth in such Award Agreement or Service Agreement. The existence of the Plan and the Awards granted hereunder do not affect in any way the right of the Board or the shareholders of the Company to make or authorize any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, any merger or consolidation of the Company, any issue of bonds, debentures, or shares of preferred stock ahead of or affecting the Common Stock or the rights thereof, the dissolution or liquidation of the Company or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding.

(d)Limits on Transfer. Each Award will be exercisable during the Participant's lifetime only by the Participant, or, if permissible under applicable law, by the Participant's legal guardian or representative. No Award may be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by a Participant other than by will or by the laws of descent and distribution and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance will be void and unenforceable against the Company or any Affiliate; provided that the designation of a beneficiary will not constitute an assignment, alienation, pledge, attachment, sale, transfer or encumbrance.

(i)Notwithstanding the foregoing, the Administrator may, in its sole discretion, permit a Participant to transfer an Award (other than an Incentive Stock Option) by gift or domestic relations order, without consideration, to a Permitted Transferee, subject to such rules as the Administrator may adopt consistent with any applicable Award Agreement to preserve the purposes of the Plan, on condition that the Participant first gives the Administrator advance written notice describing the terms and conditions of the proposed transfer and the Administrator notifies the Participant in writing that the transfer would comply with the requirements of the Plan. If the Award Agreement does not provide for transferability, then the Award will be transferable and exercisable only as provided in the preceding Section 16(d).

(ii)The terms of an Award transferred in accordance with Section 16(d)(i) will apply to the Permitted Transferee, and any reference to a Participant in the Plan or in the Award Agreement will refer to the Permitted Transferee, except that (1) the Permitted Transferee will not be entitled to transfer the Award other than by will or the laws of descent and distribution, (2) the Permitted Transferee is not entitled to exercise a transferred Option unless there is in effect a registration statement on an appropriate form covering the Shares to be acquired by the exercise of the Option if the Administrator determines, consistent with the Award Agreement, that a registration statement is necessary or appropriate, (3) neither the Administrator nor the Company is required to provide any notice to a Permitted Transferee, whether or not notice is or would otherwise have been required to be given to the Participant, and (4) the consequences of the termination of the Participant's Continuous Service under the Plan and the Award Agreement will continue to be applied with respect to the Participant, including, without limitation, that an Option will be exercisable by the Permitted Transferee only to the extent, and for such period, specified in the Plan and the Award Agreement.

(e)Investment Assurances. The Company may require a Participant, as a condition of exercising or acquiring Shares under any Award, (i) to give written assurances satisfactory to the Company as to the Participant's knowledge and experience in financial and business matters or to employ a purchaser representative reasonably satisfactory to the Company who is knowledgeable and experienced in financial and business matters and that he or she is capable of evaluating, alone or together with the purchaser representative, the merits and risks of exercising the Award; and

(ii) to give written assurances satisfactory to the Company stating that the Participant is acquiring Shares subject to the Award for the Participant's own account and not with any present intention of selling or otherwise distributing the Shares. The foregoing requirements, and any assurances given under those requirements, will be inoperative if (x) the issuance of the Shares on the exercise or acquisition of Shares under the Award has been registered under a then currently effective registration statement under the Securities Act; or (y) as to any particular requirement, a determination is made by counsel for the Company that that requirement need not be met in the circumstances under the then applicable securities laws. The Company may, on advice of counsel to the Company, place legends on stock certificates, if any, issued under the Plan as that counsel considers necessary

B-18

or appropriate in order to comply with applicable securities laws, including, but not limited to, legends restricting the transfer of the Shares.

(f)Withholding Obligations. To the extent provided by the terms of an Award Agreement and subject to the discretion of the Administrator, the Participant may satisfy any federal, state or local tax withholding obligation relating to the exercise or acquisition of Shares under an Award by any one or combination of the following means (in addition to the Company's right to withhold from any compensation paid to the Participant by the Company): (i) cash payment; (ii) authorizing the Company to withhold a number of Shares from the Shares otherwise issuable to the Participant as a result of the exercise or acquisition of Shares under the Award, the Fair Market Value of which does not exceed either the maximum statutory tax rates in the Participant's applicable jurisdictions or the amount of tax required to be withheld by law, and in which case the Award will be surrendered and cancelled with respect to the number of Shares retained by the Company (provided that to the extent such direction would result in the Company withholding fractional Shares, the number of Shares to be withheld will be rounded down to the nearest whole and the Participant must pay the remainder of the Exercise Price in cash or by certified or bank check); (iii) delivering to the Company previously owned and unencumbered Shares; or (iv) by execution of a recourse promissory note by a Participant. Notwithstanding the foregoing, at any time that the Company is an "issuer" as defined in Section 2 of the Sarbanes-Oxley Act of 2002, no Director or executive officer (or equivalent thereof) of the Company or an Affiliate will be permitted to pay any portion of the tax withholding with respect to any Award with a promissory note or in any other form that could be deemed prohibited personal loan under Section 13(k) of the Exchange Act. Unless otherwise provided in the terms of an Award Agreement, payment of the tax withholding by a Participant who is an Officer, a Director or otherwise subject to Section 16 of the Exchange Act, by delivering previously owned and unencumbered Shares or in the form of Share withholding is subject to pre-approval by the Administrator, in its sole discretion. The Administrator will document any pre-approval in the case of a Participant who is an Officer or Director in a manner that complies with the specificity requirements of Rule 16b-3 under the Exchange Act, including the name of the Participant involved in the transaction, the nature of the transaction, the number of Shares to be acquired or disposed of by the Participant and the material terms of the Award involved in the transaction.

(g)Other Compensation Arrangements. Nothing contained in the Plan will prevent the Board from adopting other or additional compensation arrangements, subject to shareholder approval if shareholder approval is required; and those arrangements may be either generally applicable or applicable only in specific cases.

(h)Recapitalizations. Each Award Agreement will contain provisions required to reflect the provisions of Section 13(a).

(i)Delivery. Subject to Section 16(j), on exercise of a right granted under an Award under the Plan, the Company will issue Shares or pay any amounts due within a reasonable period thereafter. Subject to any statutory or regulatory obligations the Company may otherwise have, for purposes of the Plan, 30 days will be considered a reasonable period.

(j)Government and Other Regulations.

(i)The Company's obligation to settle Awards in Shares or other consideration is subject to all applicable laws, rules and regulations, and to such approvals by governmental agencies as may be required. Notwithstanding any terms or conditions of any Award to the contrary, the Company will be under no obligation to offer to sell or to sell, and is prohibited from offering to sell or selling, any Shares under an Award unless the Shares have been properly registered for sale under the Securities Act or unless the Company has received an opinion of counsel, satisfactory to the Company, that the Shares may be offered or sold without registration pursuant to an available exemption therefrom and the terms and conditions of that exemption and of all applicable state securities laws have been fully complied with. The Company will be under no obligation to register for sale under the Securities Act any of the Shares to be offered or sold under the Plan. The Administrator is authorized to provide that all certificates or book entries for

Shares or other securities of the Company or any Affiliate delivered under the Plan will be subject to such stop transfer orders and other restrictions as the Administrator may consider advisable under the Plan, the applicable Award Agreement, the federal securities laws, or the rules, regulations and other requirements of the Securities and Exchange Commission, any securities exchange or inter-dealer quotation system on which the Shares or other securities are then listed or quoted and any other applicable federal, state, local or non-U.S. laws. Notwithstanding any provision in the Plan to the contrary, the Administrator reserves the right to add any additional terms or provisions to any Award granted under the Plan that it in its sole discretion considers necessary or advisable in order that the Award complies with the legal requirements of any governmental entity to whose jurisdiction the Award is subject.

(ii) The Administrator may cancel an Award or any portion thereof if it determines, in its sole discretion, that legal or contractual restrictions, blockage or other market considerations would make the Company's acquisition of Shares from the public markets, the Company's issuance of Shares to the Participant, the Participant's acquisition of Shares from the Company or the Participant's sale of Shares to the public markets, illegal, impracticable or inadvisable. If the Administrator determines to cancel all or any portion of an Award in accordance with the foregoing, the Company will pay to the Participant an amount equal to the excess of (1) the aggregate Fair Market Value of the Shares subject to the Award or portion thereof canceled (determined as of the applicable exercise date, or the date that the Shares would have been vested or delivered, as applicable), over (2) the aggregate Exercise Price or Strike Price (in the case of an Option or SAR, respectively) or any amount payable as a condition of delivery of Shares (in the case of any other Award). The amount payable will be delivered to the Participant as soon as practicable following the cancellation of the Award or portion thereof.

(k) Clawback or Recoupment. Notwithstanding any provision in this Plan or any Award Agreement or Service Agreement to the contrary, Awards granted hereunder will be subject, to the extent applicable, (i) to any clawback policy adopted by the Company, and (ii) to the Dodd-Frank Wall Street Reform and Consumer Protection Act and the Sarbanes-Oxley Act of 2002, each as amended, and rules, regulations and binding, published guidance thereunder. If the Company would not be eligible for continued listing, if applicable, under Section 10D(a) of the Exchange Act unless it adopted policies consistent with Section 10D(b) of the Exchange Act, then, in accordance with those policies that are so required, any incentive-based compensation payable to a Participant under this Plan will be subject to clawback in the circumstances, to the extent, and in the manner, required by Section 10D(b)(2) of the Exchange Act, as interpreted by rules of the Securities Exchange Commission. By accepting an Award under this Plan, the Participant consents to any clawback described under this Section 16(k).

(l) Reliance on Reports. Each member of the Administrator and each member of the Board will be fully justified in acting or failing to act, as the case may be, and will not be liable for having so acted or failed to act in good faith, in reliance on any report made by the independent public accountant of the Company and its Affiliates or any other information furnished in connection with the Plan by any agent of the Company or the Administrator or the Board, other than himself.

(m) Foreign Participants. Without amending the Plan, the Administrator may grant Awards to eligible individuals who are foreign nationals on such terms and conditions different from those specified in the Plan as may, in the judgment of the Administrator, be necessary or desirable to foster and promote achievement of the purposes of the Plan and, in furtherance of such purposes, the Administrator may make such modifications, amendments, procedures, subplans and the like as may be necessary or advisable to comply with the provisions of laws and regulations in other countries or jurisdictions in which the Company or its Affiliates operate.

(n) Other Provisions. The Award Agreements authorized under the Plan may contain such other provisions not inconsistent with the Plan, including, without limitation, restrictions on the exercise of the Awards, as the Administrator may consider advisable.

(o) Cancellation and Rescission of Awards for Detrimental Activity.

(i) On exercise, payment or delivery under an Award, the Administrator will require a Participant to certify in a manner acceptable to the Company that the Participant has not engaged in any Detrimental Activity.

(ii) Unless the Award Agreement specifies otherwise, the Administrator will cancel, rescind, suspend, withhold or otherwise limit or restrict any unexpired, unpaid or deferred Awards at any time if the Participant engages in any Detrimental Activity.

(iii) If a Participant engages in Detrimental Activity after any exercise, payment or delivery under an Award, during any period for which any restrictive covenant prohibiting the activity is applicable to the Participant, that exercise, payment or delivery will be rescinded within one year thereafter. In the event of any such rescission, the Participant will be required to pay to the Company the amount of any gain realized or payment received as a result of the exercise, payment or delivery, in such manner and on such terms and conditions as may be required by the Company. The Company will be entitled to set-off against the amount of that gain any amount owed to the Participant by the Company.

(p) Unfunded Plan. The Plan is intended to constitute an “unfunded” plan for incentive compensation. With respect to any cash payments not yet made to a Participant pursuant to an Award, nothing contained in the Plan or any Award gives any such Participant any rights that are greater than those of a general creditor of the Company.

17. Market Standoff. Each Award Agreement will provide that, in connection with any underwritten public offering by the Company of its equity securities, the Participant agrees not to sell, make any short sale of, loan, hypothecate, pledge, grant any option for the repurchase of, transfer the economic consequences of ownership or otherwise dispose or transfer for value or otherwise agree to engage in any of the foregoing transactions with respect to any Shares without the prior written consent of the Company or its underwriters, for the period from and after the effective date of the registration statement as may be requested by the Company or the underwriters (the "Market Standoff"). In order to enforce the Market Standoff, the Company may impose stop-transfer instructions with respect to the Shares acquired under the Plan until the end of the applicable standoff period. If there is any change in the number of outstanding Shares by reason of a stock split, reverse stock split, stock dividend, recapitalization, combination, reclassification, dissolution or liquidation of the Company, any corporate separation or division (including, but not limited to, a split-up, a split-off or a spin-off), a merger or consolidation; a reverse merger or similar transaction, then any new, substituted or additional securities that are by reason of the transaction distributed with respect to any Shares subject to the Market Standoff or into which the Shares thereby become convertible, will immediately be subject to the Market Standoff.

18. Effective Date and Term of Plan.

(a) Effective Date. The Plan is effective as of the Effective Date, subject to the approval of the Plan by the shareholders of the Company, which approval must be within 12 months before or after the date the Plan is adopted by the Board.

(b) Plan Termination or Suspension. Unless otherwise terminated as provided herein, the Plan will continue in effect until, and automatically terminate on, the day before the 10th anniversary of the Effective Date or, if the shareholders approve an amendment to the Plan that increases the number of Shares available under the Plan, the day before the 10th anniversary of the date of such shareholder approval. No Award may be granted under the Plan after that date, but Awards theretofore granted may extend beyond that date and will continue to be governed by the terms and conditions of the Plan. The Board may suspend or terminate the Plan at any earlier date under Section 15. No Awards may be granted under the Plan while the Plan is suspended or after it is terminated.

19. Choice of Law. The laws of the State of Texas will govern all questions concerning the construction, validity and interpretation of the Plan, without regard to that state's conflict of law rules.

20. Limitation on Liability. The Company and any Affiliate that is in existence or that hereafter comes into existence will have no liability to any Participant or to any other Person as to (a) the non-issuance or sale of Shares due to the Company's inability to obtain from any regulatory body having jurisdiction the authority considered by the Company's counsel necessary for the lawful issuance and sale of any Shares hereunder; (b) any tax consequences expected, but not realized, by a Participant or any other Person due to the receipt, exercise or settlement of any Award granted hereunder; or (c) the failure of any Award that is determined to be "nonqualified deferred compensation" to comply with Section 409A of the Code and the regulations thereunder.

21. Execution. To record the adoption of the Plan by the Board, the Company has caused its authorized officer to execute the Plan as of the date specified below.
