SECURITIES AND EXCHANGE COMMISSION

PROXY STATEMENT PURSUANT TO SECTION 14(a)
OF THE SECURITIES EXCHANGE ACT OF 1934
AND RULE 14A PROMULGATED THERETO

SUN RIVER MINING, INC.

SPECIAL MEETING OF SHAREHOLDERS
MAY _____, 2003

This Proxy Statement is being furnished to Shareholders of Sun River Mining, Inc. ("SRM") in connection with the Special Meeting of Shareholders (the "Meeting") to be held on _____, 2003 and at any adjournments thereof (the "Meeting"). The Meeting will be held at the Company Office, 7609 Ralston Road, Arvada, CO 80002, at 10:00 A.M.

This Proxy Statement is first being mailed or given to Shareholders on or about _____, 2003.

We are a Colorado corporation. We are a full-reporting 1934 Act company, with our common stock quoted on the Over the Counter Bulletin Board (OTCBB). Information about us can be found in our September 30, 2002 Annual Report filed on Form 10-KSB. Additional information about us can be found in our public filings that can be accessed electronically by means of the SEC's home page on the Internet at <http://www.sec.gov>, or at other Internet sites such as <http://www.freedgar.com>, as well as by such other means from the offices of the SEC.

WE ARE NOT ASKING YOU FOR A PROXY

Edgar Filing: SUN RIVER MINING INC - Form PRE 14A

YOU ARE NOT REQUESTED TO SEND US A PROXY

We are not soliciting proxies because a the holders of more than 38% percent of the shares entitled to vote have indicated that they intend to vote in favor of these proposals. In light of the size of the holdings of these shareholders, the current Board and management of the Company deems the likelihood of a favorable vote on the proposals sufficient. Even if proxies were solicited, the failure of the Proposals is deemed sufficiently remote that management is not soliciting proxies. You may, however, mark and send the proxy attached hereto to record your vote.

COSTS OF PROXY STATEMENT

We will pay the cost of preparing and sending out this proxy statement. It will be sent to most shareholders via regular mail. A few will receive it by personal delivery or facsimile.

VOTING

SHAREHOLDERS ENTITLED TO VOTE

Holders of record of common stock, at the close of business on the date of mailing this proxy statement will be entitled to vote at the Special Meeting. As of this date, _____, 2003, 15,352,970 shares of common stock were issued and outstanding. Each shareholder is entitled to one vote for each share of common stock held by such shareholder. We have only the single class of stock, namely our common stock.

3

QUORUM AND VOTE NECESSARY FOR APPROVALS.

One third of all shares entitled to vote constitutes a quorum to take the actions proposed. A majority of shares present and voting is sufficient to approve the proposal for a reverse split if the quorum is present. The holders of 38% percent of the shares entitled to vote have indicated that they intend to vote their 5,942,500 shares in favor of these proposals in person or by proxy.

PROXIES

In voting their Common Stock, stockholders may vote in favor of or against the proposal to approve the proposals on the agenda or may abstain from voting. Stockholders should specify their choice on the accompanying proxy card. All properly executed proxy cards delivered pursuant to this solicitation and not revoked will be voted at the Meeting in accordance with the directions given. If no specific instruction are given with regard to the matter to be voted upon, then the shares represented by a signed proxy card will be voted "FOR" the approval of the Amendment and in the discretion of such proxies to any other procedural matters which may properly come before the Meeting or any adjournments thereof. All proxies delivered pursuant to this solicitation are revocable at any time before they are voted at the option of the persons executing them by (i) giving written notice to the Secretary of the Company, (ii) by delivering a later dated proxy card, or (iii) by voting in person at the Meeting. All written notices of revocation and other communications with respect to revocations of proxies should be addressed to Steve Weathers, Secretary, Sun River Mining, Inc., 7609 Ralston Road, Arvada, CO 80002.

IF THEY WISH TO VOTE, HOLDERS OF COMMON STOCK ARE REQUIRED TO COMPLETE, DATE, AND SIGN THE ACCOMPANYING PROXY CARD AND RETURN IT PROMPTLY TO THE COMPANY IN THE ACCOMPANYING ENVELOPE.

Edgar Filing: SUN RIVER MINING INC - Form PRE 14A

The person named as proxy is Steve Weathers, a director of the Company.

In addition to the solicitation of proxies by mail, the Company, through its directors, officers, and employees, may solicit proxies from stockholders personally or by telephone or other forms of communication. The Company will not reimburse anyone for reasonable out-of-pocket costs and expenses incurred in the solicitation of proxies. The Company also will request brokerage houses, nominees, fiduciaries, and other custodians to forward soliciting materials to beneficial owners, and the Company will reimburse such persons for their reasonable expenses incurred in doing so. All expenses incurred in connection with the solicitation of proxies will be borne by the Company.

INTEREST OF PERSONS IN MATTERS TO BE ACTED UPON

No officer or director or principal shareholder has a substantial or material interest in the favorable action on these proposals.

4

PROPOSED AMENDMENTS TO ARTICLES OF INCORPORATION AND CHANGES IN CORPORATE CAPITALIZATION

Proposal 1: To Authorize a change of the corporate name, to a new name in the discretion of the Board of Directors.

Proposal 1:

We are asking shareholders to authorize a change in the name of this corporation to a new name in the discretion of the Board of Directors. This requires an amendment to our Articles of Incorporation.

We believe that the name change in our Articles of Incorporation are in the best interest of our corporation, to create a name which is not related to a defunct business attempt.

Proposal 2:

PROPOSED REVERSE SPLIT OF COMMON STOCK ISSUED AND OUTSTANDING

Proposal 2: To Authorize a reverse split of the common stock on a one for 20 basis, by which each twenty shares shall become one share; provided that no shareholder shall be reversed to below 100 shares, and no shareholder owning less than 100 shares shall be reversed. Fractional shares will be rounded up to the next whole share.

We are asking shareholders to approval a pro-rata reverse split of our common stock, by which each one hundred shares would become one share. The proposal contains a savings provision for small shareholders. We do not wish to eliminate any shareholder owning less than 100 shares, if any there be; nor to cause any shareholder owning more than 100 shares to be reduced to less than 100 shares. We feel this minor adjustment in favor of small shareholders is decent,

Edgar Filing: SUN RIVER MINING INC - Form PRE 14A

fair and just. We also wish to eliminate the need for fractional shares, so that fractional shares resulting will be rounded up to constitute a whole share. The effective date of the reverse split will be three days following the date of the meeting.

We believe that reverse split will be advantageous to us and to all shareholders, because it may provide the opportunity for higher share prices based upon fewer shares. It is also a factor that most brokerage houses do not permit or favor lower-priced stocks to be used as collateral for margin accounts. Certain policies and practices of the securities industry may tend to discourage individual brokers within those firms from dealing in lower-priced stocks. Some of those policies and practices involve time-consuming procedures that make the handling of lower priced stocks economically unattractive. The brokerage commissions on the purchase or sale of lower priced stocks may also represent a higher percentage of the price than the brokerage commission on higher priced stocks.

5

As a general rule, potential investors who might consider making investments in our company will refuse to do so when the company has a large number of shares issued and outstanding with no equity. In other words, the "dilution" which new investors would suffer would discourage them from investing, as general rule of experience. A reduction in the total outstanding shares may, without any assurance, make our capitalization structure more attractive.

While our acceptability for ultimate listing on one of the NASDAQ markets is presently remote, we believe that it is in the interests of our company to adjust our capital structure in the direction of conformity with the NASDAQ structural requirements. At the current date, even with the proposed changes we would not meet NASDAQ criteria. NASDAQ requirements change constantly. There is no assurance that the proposed changes will meet NASDAQ requirements when, and if, we are otherwise qualified. There is no assurance that we will qualify for NASDAQ.

There is no assurance that any effect of the price of our stock will result, or that the market price for our common stock, immediately or shortly after the proposed changes, if approved, will rise, or that any rise which may occur will be sustained. Market conditions obey their own changes in investor attitudes and external conditions. We are proposing the steps we deem best calculation to meet the market attractively. We cannot control the markets reaction.

Dissenting shareholders have no appraisal rights under Colorado law or pursuant to our constituent documents of incorporation or bylaws, in connection with the proposed reverse split.

SPECIAL MEETING OF SHAREHOLDERS

At the date of this proxy statement, no other matter will be presented for action at the special meeting. Only those matters proposed as discussed will be voted on at the meeting. Shareholders may propose matters to be presented at shareholder meetings and also nominate directors. Shareholder proposals must conform to the standards set out by the Securities Exchange Commission and must be received at our principal offices on or before, November 30, 2003, in order to be included in the proxy materials, if any, or presentation at our next annual meeting of shareholders, anticipated in early March, 2004.
