(1) This registration statement is being filed to register the units (the Units) representing assignments of beneficial ownership of limited partnership interests in Alliance Capital Management Holding L.P. (Registrant), which will be offered under the Alliance Commission Substitution Plan, the Amended and Restated Alliance Partners Compensation Plan and/or the Alliance Capital Management L.P. Financial Advisor Wealth Accumulation Plan (collectively, the Plans), which cover employees of Alliance Capital Management L.P., a subsidiary of the Registrant. The Plan provides for the granting to selected participants of deferred compensation awards which may ultimately be payable to such participants in the form of Units.

(2) This is a dollar-for-dollar registration. The number of Units and proposed maximum offering price are not determinable at this point. The Registrant will offer up to \$100,000,000 worth of Units, but the actual number of Units and maximum offering price per Unit will be determined pursuant to formulas provided in the Plan based on future market prices for the Units. Since the market prices are subject to fluctuation, the number of Units and maximum offering price per Unit will not be determinable until a future date when the Units are allocated under the Plan. However, the maximum aggregate market price for all Units allocated to Plan participants under the Plan being registered hereunder prior to the filing of a new registration statement under the Plan (i.e., the maximum aggregate offering price) will be \$100,000,000. This registration statement shall also register an indeterminate number of additional Units which may be offered and issued to prevent dilution resulting from Unit splits, Unit dividends or similar transactions.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) to file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the 1933 Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) that, for the purpose of determining any liability under the 1933 Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the 1933 Act, each filing of the Registrant's Annual Report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's Annual Report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the 1933 Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
