**Recent Events at Royal Group**

On September 15, 2006, Royal Group announced that it is continuing with its business portfolio restructuring, as described below:

Royal Group will wind up and sell the assets of Royal Dynamics, an injection moulding business. In addition, Royal Group is in the process of identifying other non-core operations and assets, including excess real estate that is being vacated as a result of Royal Group's manufacturing operation consolidation program. During the remainder of the 2006 fiscal year, Royal Group is expected to incur charges related to these decisions, which are anticipated to be in the range of \$65 million to \$75 million. This range is inclusive of gains anticipated on certain assets sales which will be recorded when these assets sales are finalized. The anticipated cash proceeds and charges and write-downs are based on current expressions of interest in and/or independent valuations, and/or management assessments of business units and assets to be disposed of.
