ALTIGEN COMMUNICATIONS, INC.

PROXY STATEMENT

General

The enclosed proxy is solicited on behalf of the Board of Directors of AltiGen Communications, Inc. (AltiGen) for use at the Annual Meeting of Stockholders to be held on March 5, 2007 at 10:00 a.m., local time (the Annual Meeting), or at any and all adjournments or postponements thereof, for the purposes set forth in this proxy statement and in the accompanying Notice of Annual Meeting of Stockholders. The Annual Meeting will be held at our principal executive offices located at 4555 Cushing Parkway, Fremont, California 94538. Our telephone number is (510) 252-9712.

These proxy solicitation materials were mailed on or about February 2, 2007 to all stockholders of record entitled to vote at the Annual Meeting.

Record Date and Voting Securities

Only stockholders of record on the close of business on January 22, 2007 are entitled to notice of and to vote at the Annual Meeting. As of January 22, 2007, 15,149,669 shares of our Common Stock were issued and outstanding. No shares of our Preferred Stock were outstanding.

Revocability of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use:

- by delivering to our secretary a written notice of revocation;
- by delivering to our secretary a duly executed proxy bearing a later date; or
- by attending the Annual Meeting and voting in person.

Attendance at the Annual Meeting will not, in and of itself, revoke a proxy.

Voting and Discretionary Voting

Properly executed proxies received prior to the meeting, and not subsequently revoked in the manner described above, will be voted in accordance with the instructions on such proxies. Where no instructions are given, proxies will be voted FOR the director nominees, described herein, FOR the ratification of the auditors, and with respect to any other matter that may properly be brought before the Annual Meeting, in accordance with the judgment of the proxy holders.

You are entitled to one vote for each share of Common Stock held on all matters presented at the Annual Meeting. You do not have the right to cumulate votes in the election of directors. Voting instructions are included on the proxy or voting instruction card.

Solicitation

This solicitation of proxies is made by the Board of Directors of AltiGen, and all costs associated with soliciting proxies will be borne by AltiGen. In addition, we will reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners. Proxies may be solicited by certain of our directors, officers and regular employees, without additional compensation, personally or by telephone, facsimile or telegram.

Quorum; Abstentions; Broker Non-Votes

The required quorum for the transaction of business at the Annual Meeting is a majority of the shares of Common Stock issued and outstanding and entitled to vote at the meeting as of the record date. All shares represented at the meeting, whether in person or by proxy, will be counted for the purpose of establishing a quorum.

While there is no definitive statutory or case law authority in Delaware as to the proper treatment of abstentions (including withheld votes), we believe that abstentions should be counted for purposes of determining both (i) the presence or absence of a quorum for the transaction of business and (ii) the total number of shares present and entitled to vote with respect to a proposal (other than the election of directors). In the absence of controlling precedent to the contrary, we intend to treat abstentions in this manner, which we believe to be in accordance with Delaware law. Accordingly, abstentions will have the same effect as a vote against a proposal.

Under current Delaware case law, broker non-votes (i.e., the votes of shares held of record by brokers as to which the underlying beneficial owners have given no voting instructions) are counted for purposes of determining the presence or absence of a quorum for the transaction of business, but are not counted for purposes of determining the total number of shares present and entitled to vote with respect to a particular proposal on which the broker expressly has no instructions to vote. Accordingly, we intend to treat broker non-votes in this manner. Thus, a broker non-vote will make a quorum more readily obtainable, but will not otherwise affect the outcome of the voting on a proposal.

Stockholder Nominations and Proposals

Our bylaws provide that nominations for the election of directors and business proposed to be brought before any stockholder meeting may be made by the Board of Directors or proxy committee appointed by the Board of Directors or by any stockholder entitled to vote in the election of directors generally if such nomination or proposed business is properly brought before the meeting. Any stockholder may nominate one or more persons for election as directors at a meeting or propose business to be brought before a meeting, or both, only if such stockholder has given timely notice in proper written form of its intent to make such nomination or nominations or to propose such business. To be timely for an upcoming annual meeting, a stockholder's notice must be delivered to or mailed and received at our principal executive offices not less than one hundred twenty (120) calendar days prior to the date our proxy statement for the previous year's annual meeting was first mailed to stockholders, plus one year; *provided, however*, that in the event that no annual meeting was held in the previous year or the date of the annual meeting has been changed by more than thirty (30) days from the date contemplated at the time of the previous year's proxy statement, notice by the stockholder to be timely must be so received a reasonable time before the solicitation is made.

Deadlines for Submission of Stockholder Proposals or Nominations

Stockholders are entitled to present proposals for consideration at future stockholder meetings provided that they comply with the proxy rules promulgated by the Securities and Exchange Commission (SEC) and our bylaws.

Stockholders wishing to present a proposal or nomination at our 2008 Annual Stockholder Meeting must submit such proposal to us by September 3, 2007 in order to be considered timely and whether or not such proposal or nomination is intended to be included in our proxy for the 2008 Annual Stockholder Meeting.

PROPOSAL ONE**ELECTION OF DIRECTORS****Nominees**

Pursuant to our bylaws, our Board of Directors is divided into three classes. The directors are elected to serve staggered three-year terms, such that the term of one class of directors expires each year. We currently have five directors divided among the three classes as follows: Class I Eric Wanger and Tacheng Chester Wang; Class II Richard B. Black and Mike Mon Yen Tsai; and Class III Gilbert Hu. The current term of the Class II directors expires at the Annual Meeting. Two Class II directors are to be elected at the Annual Meeting for a three-year term ending at the Annual Meeting in 2010 or when their successors are duly elected and qualified.

Unless otherwise instructed, the proxy holders will vote the proxies received by them FOR the two (2) Class II nominees named below. In the event that such nominees are unable or decline to serve as a director at the time of the Annual Meeting, the proxies will be voted for a nominee who shall be designated by the remaining members of the Board of Directors. In the event that additional persons are nominated for election as directors, the proxy holders intend to vote all proxies received by them in such a manner as will assure the election of the nominees listed below and, in such event, the specific nominees to be voted for will be determined by the proxy holders. We are not aware of any nominees who are unable or unwilling to serve as a director.

Vote Required

The two Class II nominees receiving the highest number of affirmative votes of the shares entitled to be voted shall be elected to the Board of Directors.

Director Nomination

Criteria for Board Membership. In selecting candidates for appointment or re-election to the Board, the Nominating and Corporate Governance Committee considers the appropriate balance of experience, skills and characteristics required of the Board of Directors, and seeks to ensure that at least a majority of the directors are independent within the meaning of Rule 4200 of the Nasdaq Marketplace Rule (the Rules), that members of the Company's audit committee meet the financial literacy and sophistication requirements under the rules of the Rules and at least one of them qualifies as an audit committee financial expert under the rules of the SEC. Nominees for director are selected on the basis of their depth and breadth of experience, integrity, ability to make independent analytical inquiries, understanding of the Company's business environment, and willingness to devote adequate time to Board duties.

Stockholder Nominees. The Nominating and Corporate Governance Committee will consider written proposals for stockholders for nominees for director, provided such proposals meet the requirements described herein and in our Bylaws. Any such nominations should be submitted to the Nominating and Corporate Governance Committee c/o the Secretary of the Company and should include the following information: (a) all information relating to such nominee that is required to be disclosed pursuant to Regulation 14A under the Securities Exchange Act of 1934 (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected); (b) the names and addresses of the stockholders making the nomination and the number of shares of the Company's common stock which are owned beneficially and of record by such stockholders; and (c) appropriate biographical information and a statement as to the qualification of the nominee. All such items should be submitted in the time frame described in the Bylaws of the Company and under the caption, Deadlines for Submission of Stockholder Proposal or Nominations above.

Process for Identifying and Evaluating Nominees. The Nominating and Corporate Governance Committee (the Nominating Committee) believes the Company is well-served by its current directors. In the ordinary course, absent special circumstances or a material change in the criteria for Board membership, the Nominating Committee will renominate incumbent directors who continue to qualify for Board service and remain willing to serve as directors. If an incumbent director chooses not to stand for re-election, or if a vacancy on the Board occurs between annual stockholder meetings, the Nominating Committee will seek out potential candidates for Board appointment who meet the criteria for selection as a nominee. Director candidates will be selected based on input from members of the Board, senior management and, if the committee deems it appropriate, a third-party search firm. The Nominating Committee will evaluate each candidate's qualifications and check relevant references; in addition, such candidates will be interviewed by at least one member of the Nominating Committee. Candidates meriting serious consideration will meet with all members of the Board. Based on this input, the committee will evaluate which of the prospective candidates is qualified to serve as a director and whether the committee should recommend to the Board that this candidate be appointed to fill a current vacancy on the Board, or presented for the approval of the stockholders, as appropriate. We have not paid any fees to any third party to assist in identifying or evaluating director candidates. The Nominating Committee will use a similar process to evaluate nominees recommended by stockholders.

On August 30, 2006, one of AltiGen's stockholders notified each of Mr. McDermott, the Nominating and Corporate Governance Committee and the AltiGen Board of Directors of its intent to nominate two directors to fill purported vacancies on the AltiGen Board of Directors. The stockholder did not submit the written consent of such nominees to be named in the AltiGen Proxy as required by Item 407 of Regulation S-K promulgated pursuant to the Securities and Exchange Act of 1934, as amended (the Exchange Act). As a result, such nominees are not named herein. Moreover, the letter erroneously asserted that the AltiGen Board of Directors had vacancies to fill. The AltiGen Board of Directors is currently comprised of five directors with no vacancies.

Additionally, on August 31, 2006, the same stockholder submitted a shareholder proposal regarding the mandatory formation of a committee of the Board of Directors on which its nominees would be designated to serve. The AltiGen Board of Directors determined that the proposal submitted by the shareholder was not in the best interest of the Company's stockholders and not in the proper form to be included in a proxy pursuant to the Exchange Act. Thus, management excluded the proposal from this proxy statement.

In accordance with its responsibility under the Nominating and Corporate Governance Committee Charter, the Committee reviewed the information on the nominees submitted by the stockholder and, after engaging in a lengthy evaluation process, determined that Richard B. Black and Mike Mon Yen Tsai, the nominees that the Committee ultimately recommended for re-election, were superior candidates based on, among other things, their relevant industry experience. Accordingly, the Committee and the Board of Directors recommend that you vote in favor of Messrs. Black and Tsai.

Board Meetings and Committees

Our Board of Directors held a total of four meetings during the fiscal year ended September 30, 2006. The committees of the Board of Directors include an Audit Committee, a Compensation Committee and the Nominating Committee. During the last fiscal year, no director attended fewer than 75% of the sum of the total number of meetings of the Board of Directors and the total number of meetings of the committees upon which that director served, held subsequent to his or her becoming a director or his or her appointment to such committee. The independent directors of the Board of Directors periodically meet separately in executive sessions (i.e., without any members of management present) to discuss corporate business. During the last fiscal year, one such executive session was held. While members of our Board of Directors are not required to attend our annual meeting of stockholders, they are encouraged to attend. Last year, Gilbert Hu attended our annual meeting.

We have written charters for the Audit Committee, the Compensation Committee, and the Nominating Committee, copies of each are available on our website, free of charge, at www.altigen.com. You can also obtain copies of the charters, free of charge, by writing to us at AltiGen Communications, Inc., 4555 Cushing Parkway, Fremont, CA 94538.

The Audit Committee currently consists of Messrs. Black, Wang and Wanger. Each member of the Audit Committee is an independent director as defined in Rule 4200 of the National Association of Securities Dealers' listing standards. Furthermore, Richard Black serves as our audit committee financial expert. The Audit Committee held four meetings during the last fiscal year. The Audit Committee is responsible for retaining our independent auditors, pre-approving all audit and non-audit services provided by AltiGen's auditors, reviewing and discussing with management the results and scope of audit and other services provided by the independent auditors and reviewing the accounting principles and auditing practices and procedures to be used in our financial statements. The Board of Directors adopted an amended and restated charter for the Audit Committee in July 2004.

The Compensation Committee currently consists of Messrs. Wang and Wanger. Messrs. Wang and Wanger are considered independent directors as defined in Rule 4200 of the National Association of Securities Dealers' listing standards, as may be modified or supplemented to date. The Compensation Committee met four times in the last fiscal year. The Compensation Committee reviews and makes recommendations to the Board of Directors regarding the compensation of executive officers and other managerial employees. The Compensation Committee also reviews and approves option grants.

The Nominating Committee consists of Messrs. Black and Tsai. Messrs. Black and Tsai are considered independent directors as defined in Rule 4200 of the National Association of Securities Dealers' listing standards. The committee was formed in July 2004. The Nominating Committee met four times in fiscal 2006. The Company did not have a nominating committee prior to such time. The supervising Board and

committee's responsibilities include recommending to the Board of Directors nominees for possible election to the Board of Directors and overseeing the process of Board and committee self evaluations.

All appropriate communications will be compiled by our Secretary and submitted to the Board of Directors or an individual director, as appropriate, on a periodic basis.

The directors receive \$1,000 cash compensation for attending each meeting of the Board of Directors and an additional \$1,000 for each committee meeting, and are reimbursed for their reasonable and necessary expenses associated with attendance of such meetings.

PROPOSAL TWO

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has selected Moss Adams LLP, independent registered public accounting firm to audit our financial statements for the fiscal year ending September 30, 2007 and recommends that the stockholders ratify this selection. In the event of a negative vote on such ratification, the Audit Committee will reconsider its selection. Representatives of Moss Adams LLP are expected to be available at the Annual Meeting with the opportunity to make a statement if they desire to do so, and are expected to be available to respond to appropriate questions.

Vote Required

The affirmative vote of a majority of the total number of shares present and voting, assuming that a quorum has been established, will be required to ratify the appointment of Moss Adams LLP as the Company's independent public accountants for the fiscal year ending September 30, 2007.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR RATIFICATION OF THE APPOINTMENT OF MOSS ADAMS LLP AS THE COMPANY'S INDEPENDENT PUBLIC ACCOUNTANTS.

Audit Fees

Moss Adams LLP's fees for professional services rendered in connection with the audit of our annual financial statements and the review of our financial statements included in our third quarterly report on Form 10-Q were approximately \$160,000 for the fiscal year ended September 30, 2006. Moss Adams LLP did not render services in connection with the review of our financial statements for our first and second quarterly reports on Form 10-Q for the fiscal year ended September 30, 2006.

Deloitte & Touche LLP's fees for professional services rendered in connection with the review of our financial statements included in our first and second quarterly reports on Form 10-Q were approximately \$88,000 for fiscal year ended September 30, 2006. We did not engage Moss Adams LLP and Deloitte & Touche LLP to provide services related to the performance of the audit or review of AltiGen's consolidated financial statements during fiscal years ended September 30, 2006 and 2005.

Tax Fees

Deloitte & Touche LLP's fees for tax compliance, and tax planning totaled approximately \$30,000 in each of the fiscal years ended September 30, 2006 and 2005, respectively. All these fees were pre-approved by our Audit Committee.

All Other Fees

During fiscal year 2006, Deloitte & Touche LLP billed the company approximately \$20,000 for services rendered in connection with the SEC filing Form 8-K. Except as noted above, we did not engage Deloitte & Touche LLP to provide advice regarding any other matters during the fiscal year ended September 30, 2005.

Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors

The Audit Committee pre-approves all audit and permissible non-audit services provided by the independent auditors. These services may include audit services, audit-related services, tax services and other services. The Audit Committee has adopted a policy for the pre-approval of services provided by the independent auditors. Under the policy, pre-approval generally is provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is subject to a specific budget. In addition, the Audit Committee may also pre-approve particular services on a case-by-case basis. For each proposed service, the independent auditor is required to provide detailed back-up documentation at the time of approval. The Audit Committee may delegate pre-approval authority to one or more of its members. Such member must report any decisions to the Audit Committee at the next scheduled meeting.

**REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS
ON EXECUTIVE COMPENSATION**

Notwithstanding anything to the contrary set forth in any of AltiGen's previous filings under the Securities Act of 1933, as amended or the Securities and Exchange Act of 1934, as amended that might incorporate future filings, including this Proxy Statement, in whole or in part, the following Compensation Committee report on executive compensation shall not be incorporated by reference into any such filings, nor shall such report be incorporated by reference into any future filings.

Established in June 1999, the Compensation Committee is charged with the responsibility of reviewing all aspects of AltiGen's executive compensation programs and administering AltiGen's stock option plans. The Compensation Committee met four times in the fiscal year ended September 30, 2006.

The Compensation Committee consists of Eric Wanger and Tacheng Chester Wang. The Board has determined that each member of the Compensation Committee is an independent director as defined in Rule 4200 of the National Association of Securities Dealers listing standards, an outside director as such term is defined with respect to Section 162(m) of the Internal Revenue Code and a non-employee director under Section 16(b) of the Securities Exchange Act of 1934. None of the committee members has ever served as an officer of AltiGen.

Compensation Philosophy

AltiGen's executive compensation policies are designed to attract and retain qualified executives who will contribute to its long-term success, to reward executives for achieving AltiGen's financial goals, and to align executive compensation and stockholder interests through equity-based plans. The Compensation Committee believes that strong financial performance, on a sustained basis, is the most certain avenue through which AltiGen can positively affect long-term stockholder return. Furthermore, the Compensation Committee believes that, in order to attract and retain the most qualified executives in the industry, AltiGen's compensation policies must be competitive with other companies of comparable size and in similar industries and must reinforce strategic performance objectives through the use of incentive compensation programs. In order to provide incentives to executive officers, a portion of their annual compensation is paid as a bonus. The amount of the bonus for each person is determined on the basis of several indicators of corporate performance as outlined below.

Role of Compensation Committee

AltiGen's compensation programs, including compensation arrangements and equity plans, are administered by the Compensation Committee. We have engaged an independent executive compensation consulting firm to assist us in discharging our responsibilities. Specifically, the Compensation Committee does the following:

- Review and approve corporate goals and objectives relevant to the compensation of the Chief Executive Officer, evaluate the Chief Executive Officer's performance in light of those goals and objectives, and review and approve the level of compensation, including base salary, bonus, long-term incentive compensation, and any other benefits to be provided to the Chief Executive Officer based on this evaluation;
- Review, make recommendations to the Board regarding, and approve, as appropriate, compensation for executive officers other than the Chief Executive Officer, each of whom are listed on the Summary Compensation Table;

- Review, make recommendations to the Board regarding, and approve, as appropriate, general compensation goals and guidelines for AltiGen's employees; and
- Act as the administrator and administer, within the authority delegated by the Board, AltiGen's executive bonus plan and option plans.

Compensation Plans

The following are the key components of AltiGen's executive officer compensation:

Base Compensation. The Compensation Committee believes that executive salaries must be sufficiently competitive to attract and retain key executives. Base pay and annual increases are determined (A) primarily through an analysis of each individual's salary and total target compensation relative to salaries for similar positions within AltiGen and at peer companies, and (B) to a lesser extent, through a subjective analysis of each individual's contributions to AltiGen's success.

Bonus. AltiGen's executive bonus plan provides for incentive compensation to some but not all of its executive officers and other key employees and will be determined by a percentage of AltiGen's revenue or accounts receivable collected. Individual performance is measured based on goals related to each person's function within the organization. Bonuses generally are awarded to executives if AltiGen meets or exceeds prescribed revenue and account receivable objectives. If AltiGen fails to meet these objectives, awards may be significantly reduced or even eliminated if minimum thresholds are not achieved. Conversely, if AltiGen overachieves these objectives, awards may be significantly increased above target thresholds. In 2006, the Compensation Committee established a total 2006 target incentive bonus amount (Target Bonus) for three of AltiGen's executive officers (including the CEO). The Target Bonus ranged from 0.40% to 0.80% of each participating executive's base salary. The Compensation Committee used AltiGen's historical data to determine and award bonuses. Bonus pay ranges from monthly to quarterly. Bonus targets are established annually.

Long-Term Incentive Compensation. AltiGen's option plans provide for long-term incentive compensation for employees of AltiGen, including executive officers. These awards give employees an equity interest in AltiGen, thereby aligning the interests of executive officers and stockholders and providing incentives to maximize stockholder value. The options generally vest over multiple years and have a per share exercise price equal to the fair market value of AltiGen's stock on the grant date. The number of options the Compensation Committee grants to each officer and each option's vesting schedule are determined based on a variety of factors, including (1) the executive's position at AltiGen, (2) his or her individual performance, and (3) other factors, including independent equity compensation survey data.

Compensation of Chief Executive Officer

Base Salary: Mr. Hu's annual salary was \$150,000 for fiscal years 2006 and 2005. The Compensation Committee assessed Mr. Hu's performance and historical salary data to determine Mr. Hu's base salary. No options were granted to Mr. Hu in 2006.

Annual Incentive (Bonus): Mr. Hu's cash bonus for 2006 of \$104,266 was determined with reference to the performance of AltiGen and certain individual goals related to Mr. Hu's function.

Tax Deductibility of Executive Compensation

Under Section 162(m) of the Internal Revenue Code, AltiGen generally receives a federal income tax deduction for compensation paid to any of its named executive officers only if the compensation is less than \$1 million during any fiscal year or is performance-based under Section 162(m). AltiGen's executive bonus plan and stock option plans permit the Compensation Committee to pay compensation that is performance-based and thus fully tax-deductible by AltiGen. The Compensation Committee currently intends to continue seeking a tax deduction for all of AltiGen's executive compensation, to the extent we determine it is in the best interests of AltiGen. The Compensation Committee believes that the total compensation paid by AltiGen will not affect the tax deductions available to it with respect to the compensation of any of its executive officers.
