ITEMS 1.01 and 8.01 Entry into a Material Definitive Agreement and Other Events

On February 8, 2007, Affiliated Managers Group, Inc. (the Company) entered into a Second Amended and Restated Credit Agreement with Bank of America, N.A., as administrative agent, and the several lenders from time to time parties thereto (the New Credit Facility). The New Credit Facility replaces the Company's previous \$550 million senior revolving credit facility and allows the Company to borrow up to \$650 million on a revolving credit basis at specified rates of interest that vary depending on the Company's credit rating. Subject to the agreement of lenders to provide incremental commitments, the Company has the option to increase the facility by up to an additional \$150 million.

All obligations under the New Credit Facility are secured by a pledge of the Company's direct and indirect equity interests in most domestic subsidiaries and a substantial portion of the Company's direct and indirect equity interests in certain foreign subsidiaries. The Company is not required to pledge the equity interests of any subsidiary designated by the Company as an unrestricted subsidiary or created or acquired after the closing date of the New Credit Facility if certain financial tests are satisfied. Borrowings are guaranteed by each of the Company's wholly-owned domestic subsidiaries unless it is not owned directly by the Company and is designated as unrestricted by the Company in accordance with the terms of the New Credit Facility.

The New Credit Facility contains financial covenants with respect to leverage and interest coverage, and also contains customary affirmative and negative covenants, including limitations on indebtedness, liens, cash dividends, asset dispositions, and fundamental corporate changes, and certain customary events of default. Upon the occurrence and continuation of an event of default, the lenders may terminate the revolving credit commitment and require immediate payment of the entire unpaid principal amount of the New Credit Facility, accrued interest and all other obligations.

The Company issued a press release on February 8, 2007 regarding the New Credit Facility, a copy of which is attached to this report as Exhibit 99.1.
