ITEM 8.01. OTHER EVENTS

Huntsman Corporation and Huntsman International LLC (Huntsman International and, together with Huntmsan Corporation, the Companies) are filing this Current Report on Form 8-K to update Items 6,7 and 8 of the their Annual Report on Form 10-K for the year ended December 31, 2008, which was filed with the Securities and Exchange Commission on February 26, 2009 (the 2008 Form 10-K). These updates are being made to reflect a change in organizational structure and segment reporting effective for 2009, and to reflect the retrospective application upon adoption, effective January 1, 2009, of Statement of Financial Accounting Standards No. 160, *Noncontrolling Interests in Consolidated Financial Statements, an amendment of ARB No. 51* (SFAS 160). SFAS 160 is applicable on a prospective basis; however, the presentation and disclosure requirements must be applied retrospectively when prior periods are presented in future filings. The Companies are filing this Form 8-K to provide investors with recast financial information from prior periods in order to assist them in making comparisons of financial information for current and future periods with financial information for such prior periods, in light of the Companies realigned segment reporting and the retrospective presentation and disclosure requirements of SFAS 160.

During the first quarter of 2009, the Companies reorganized their operating segments to divide their former Materials and Effects segment into two segments the Advanced Materials segment and the Textile Effects segment. The segment information included in the consolidated financial statements in the 2008 Form 10-K has been recast to conform to the current segment reporting structure. The information is attached to this Current Report on Form 8-K as Exhibit 99.1.

SFAS No. 160 establishes accounting and reporting standards for noncontrolling interests (i.e., minority interests) in a subsidiary, including changes in a parent s ownership interest in a subsidiary, and requires, among other things, that noncontrolling interests in subsidiaries be classified as stockholders equity. The Companies consolidated financial statements included in the 2008 Form 10-K have been recast, to give effect to the retrospective presentation and disclosure requirements of SFAS 160. Such information is attached to this Current Report on Form 8-K as Exhibit 99.1.

This Current Report on Form 8-K does not reflect events or developments that occurred after February 26, 2009. More current information is contained in the Companies Quarterly Report on Form 10-Q for the period ended March 31, 2009 (the Form 10-Q) and other filings with the SEC. The information in this Current Report on Form 8-K should be read in conjunction with the 2008 Form 10-K, the Form 10-Q and other documents filed by the Companies with the SEC subsequent to February 26, 2009.
