**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On March 10, 2011, we appointed Avtar Dhillon as Chairman and to our board of directors. On the same date, Ronald Dela Cruz resigned as our President, Chief Executive Officer and Secretary of our company and David Marby resigned as the Treasurer of our company. As a result of the resignations, we appointed Punit Dhillon as our President and Chief Executive Officer, Veronica Vallejo as our Treasurer and Secretary and Michael Cross as our Chief Operating Officer.

*AvtarDhillon, M.D. - Chairman*

Avtar Dhillon, M.D. is a co-founder and Chairman of OncoSec Medical Incorporated. Dr. Dhillon is the former President and Chief Executive Officer of Inovio Pharmaceuticals, Inc. (formerly Inovio Biomedical Corporation). Since June 2009, he has been Chairman of the Board of Inovio and a part of the executive team in his role as Executive Chairman of Inovio. During his tenure at Inovio, Dr. Dhillon successfully led the turnaround of the company through a restructuring, acquisition of technology from several European and North American companies, and a merger with VGX Pharmaceuticals to develop a vertically integrated DNA vaccine development company with one of the strongest development pipelines in the industry. Dr. Dhillon led nine successful financings, raising over \$136 million for the company and concluded several licensing deals valued at over \$200 million that included global giants, Merck and Wyeth (now Pfizer).

Prior to joining Inovio, Dr. Dhillon was vice president of MDS Capital Corp. (now Lumira Capital Corp.), one of North America's leading healthcare venture capital organizations. In July 1989, Dr. Dhillon started a medical clinic and subsequently practiced family medicine for over 12 years. Dr. Dhillon has been instrumental in successfully turning around struggling companies and influential as an active member in the biotech community. Prior to 1998, Dr. Dhillon was a consultant to CardiomePharma Corp., a biotechnology company listed on the Toronto Stock Exchange (the TSX) and NASDAQ, and in this capacity lead a successful turnaround based on three pivotal financings, establishing a clinical development strategy, and procuring a new management team. Prior to 2001, Dr. Dhillon acted as consultant to Forbes Meditech and in this capacity helped raised \$28 million and increased investor awareness of the company.

In his role as a founder and board member of companies, Dr. Dhillon has been involved in several early stage healthcare focused companies listed on the TSX and TSX Venture Exchange (TSX-V) which have successfully matured through advances in their development pipeline and subsequent merger and acquisition transactions. Most recently, he was a founding board member of Protox Therapeutics, Inc. and had maintained his board position until the execution of a financing of up to \$35 million with Warburg Pincus in November 2010.

In addition to his board member roles with OncoSec and Inovio, Dr. Dhillon currently sits on the Board of Directors of BC Advantage Funds, the largest Venture Capital Corporation in British Columbia.

Dr. Dhillon was also a member of the Securities Practice Advisory Committee to the British Columbia Securities Commission from July 1998 to September 2001.

Dr. Dhillon has a Bachelor of Science with honours in Human Physiology, and an M.D. from the University of British Columbia.

*Punit Dhillon - President and Chief Executive Officer*

Punit Dhillon, is a co-founder, President and Chief Executive Officer of OncoSec Medical Incorporated. Mr. Dhillon was formerly Vice President of Finance and Operations at Inovio Pharmaceuticals, Inc. (formerly Inovio Biomedical Corporation) until March 2011. In his corporate finance role, Mr. Dhillon was pivotal to the company raising over \$125 million through multiple financings and several licensing deals including early stage deals with Merck and Wyeth. Mr. Dhillon was responsible for implementation of Inovio's corporate strategy, including achievement of annual budgets and milestones. He was also instrumental to the successful in-licensing of key

intellectual property and a number of corporate transactions, including the acquisition and consolidation of Inovio AS, a Norwegian DNA delivery company, and led the recent merger with VGX Pharmaceuticals, which solidified Inovio's strong position in the DNA vaccine industry. Mr. Dhillon has played an effective role as head of operations: recently he successfully completed the integration of the VGX-Inovio merger including cost-cutting of over 30% through the synergy assessment of both companies, consolidation of four operating locations to two bi-coastal offices, corporate rebranding and management of existing shareholders from both companies.

Mr. Dhillon has been a consultant and board member for several TSX-V listed early stage life science companies which matured through advances in their development pipelines and subsequent merger and acquisition transactions. Most recently, Mr. Dhillon was involved in the completion of a trilateral merger between three Capital Pool Companies listed on the TSX-V, which completed a qualifying transaction in April 2010 with a company specializing in conservation and demand management accessories for the utilities industry.

Prior to joining Inovio, Mr. Dhillon worked for a corporate finance law firm as a law clerk. Previous to 2003, he worked with MDS Capital Corp. (now Lumira Capital Corp.) as an intern analyst. Mr. Dhillon is an active member in his community and co-founder of Inbalance Network Inc. an organization focused on promoting an active lifestyle and grass roots community involvement, including scholarships to support students pursuing post-secondary education. Mr. Dhillon has a Bachelor of Arts with honors in Political Science and a minor in Business Administration from Simon Fraser University.

### *Michael Cross, Ph.D. - Chief Operating Officer*

Michael Cross, PhD, MBA is a co-founder and Chief Operating Officer of OncoSec Medical Incorporated and has nearly two decades of life sciences venture capital and biotech industry experience.
