## Edgar Filing: PACWEST BANCORP - Form 8-A12B

### Item 1. Description of Registrant's Securities to be Registered.

On April 7, 2014, the Board of Directors (the Board) of PacWest Bancorp, a Delaware corporation (PacWest), adopted a Tax Asset Protection Plan (the Plan) with Wells Fargo Bank, National Association, as Rights Agent. CapitalSource Inc. (CapitalSource) merged with and into PacWest (the Merger), on April 7, 2014, prior to the adoption of the Plan. Subsequent to the Merger, PacWest and certain of its subsidiaries have approximately \$198 million in net operating loss carryforwards and certain other tax assets (collectively, the NOLs) for U.S. federal income tax purposes.

The Plan is designed to mitigate the potential for an ownership change within the meaning of Section 382 of the Internal Revenue Code of 1986, as amended (the Code), and thereby preserve PacWest's ability to utilize the NOLs to offset future taxable income. The Plan is similar to the Tax Benefit Preservation Plan adopted by CapitalSource on July 22, 2013 and is required by the Agreement and Plan of Merger, dated as of July 22, 2013, as amended, between PacWest and CapitalSource. If PacWest were to experience an ownership change within the meaning of Section 382 of the Code, its ability to utilize the NOLs to offset future taxable income could be significantly limited. In general, an ownership change would occur if PacWest's 5-percent shareholders, as defined under Section 382 of the Code, collectively increase their ownership of PacWest, in relation to their respective historical low points, by more than 50 percentage points over a rolling three-year period.

In connection with the adoption of the Plan, the Board declared a dividend of one preferred share purchase right (a Right) to purchase one ten-thousandth of a share of newly designated Series A Participating Preferred Stock (the Preferred Stock) for each share of PacWest common stock, par value \$0.01 per share (the Common Stock) outstanding at the close of business on April 17, 2014 (the Record Time), or issued thereafter and prior to the Separation Time (as defined in the Plan). In general, the Rights will work to impose a significant penalty upon any person or group which becomes the beneficial owner of 4.9% or more of the Common Stock or upon any 4.9% or greater holder which becomes the beneficial owner of additional shares of Common Stock, in each case, without the approval of the Board. There is no guarantee, however, that the Plan will prevent PacWest from experiencing an ownership change, and therefore having a limitation on its ability to utilize its NOLs.

The holders of Rights will, solely by reason of their ownership of Rights, have no rights as stockholders of PacWest, including, without limitation, the right to vote or to receive dividends.

As of April 7, 2014, after giving effect to the Merger, there were an estimated 103,254,421 shares of Common Stock issued (of which an estimated 102,041,212 shares were outstanding, an estimated 1,173,209 shares were held in treasury and 40,000 shares were subject to vesting restrictions pursuant to the PacWest Bancorp 2003 Stock Incentive Plan).

The Plan (which includes as Exhibit A the forms of Rights Certificate and Election to Exercise and as Exhibit B the form of Certificate of Designation and Terms of the Preferred Stock) is an exhibit hereto and is incorporated herein by reference. The description of the Rights is incorporated by reference herein to PacWest's Current Report on Form 8-K, dated April 8, 2014 and is qualified in its entirety by reference to the Plan and such exhibits thereto.
