Unless earlier forfeited under the terms of the RSU, 33 1/3% of the award vests and converts into common stock on each anniversary of the grant date, unless that date falls on a non-business date, in which case the next business date shall apply.

- Each performance-based Restricted Stock Unit (RSU) represents the right to receive, following vesting, up to 200% of one share of Intel common stock, together with dividend equivalent shares on the vested number of shares. The resulting number of shares of Intel common stock acquired upon vesting of the performance-based RSUs is contingent upon the achievement of pre-established performance metrics, as approved by the Company's Compensation Committee, over a three-year performance period beginning on January 23, 2014 and ending on January 23, 2017, unless that date falls on a date that the NASDAQ Stock Market is closed, in which case the next business date that the NASDAQ Stock Market is open shall apply.
- Unless earlier forfeited under the terms of the performance-based RSU, each performance-based RSU vests and converts into no more than 200% of one share of Intel common stock three years after the grant date (together with dividend equivalent shares thereon), unless that date falls on a non-business date, in which case the next business date shall apply.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
