## PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation by the board of directors (the “Board of Directors”) of Bluefly, Inc., a Delaware corporation (the “Company”), of proxies to be used at the annual meeting of stockholders of the Company to be held at 9:00 a.m., local time, on May 28, 2009 at the Company’s offices at 42 West 39th Street, 9th Floor, New York, New York, and at any adjournment thereof. The purposes of the meeting are:

1. To elect ten directors of the Company from among the nominees named in this Proxy Statement to hold office until the next annual meeting of stockholders.
2. To transact such other business as may properly come before the meeting.

If proxy cards in the accompanying form are properly executed and returned, the shares of the Company’s Common Stock, \$.01 par value per share (the “Common Stock”) will be voted as instructed on the proxy card. If no instructions are given, such shares will be voted (i) for the election as directors of the nominees of the Board of Directors named below; and (ii) in the discretion of the proxies named in the proxy card on any other proposals to properly come before the meeting or any adjournment thereof. Any proxy may be revoked by a stockholder of record prior to its exercise upon written notice to the Secretary of the Company, or by the vote of such stockholder cast in person at the meeting. The approximate date of mailing of this Proxy Statement and accompanying form of proxy card is April 28, 2009.

## VOTING

Holders of record of Common Stock as of the close of business on April 23, 2009 (the “Record Date”) will be entitled to vote at the meeting or any adjournment thereof. Each share of Common Stock entitles the holder thereof to one vote on all matters to come before the stockholders at the meeting. The Common Stock is not entitled to cumulative voting.

Holders of a majority of the votes entitled to be cast at the meeting will constitute a quorum for the transaction of business. As of the Record Date, there were 13,852,047 shares of Common Stock outstanding, each entitled to one vote. The total number of votes entitled to be cast at the meeting is, therefore, 13,852,047. Abstentions and so-called “broker non-votes” (instances in which brokers are prohibited from exercising discretionary authority for beneficial owners who have not returned a proxy) are counted for purposes of determining the presence or absence of a quorum for the transaction of business.

The favorable vote of a plurality of the votes cast by holders of shares of Common Stock, present in person or represented by proxy at the meeting, voting together as a class, is necessary to elect the nominees for the directors of the Company. Abstentions and broker non-votes will not be counted as votes cast with respect to, and therefore will have no effect on, any of the matters.

## PROPOSAL NO. 1

## ELECTION OF DIRECTORS

Ten directors are to be elected at the meeting to serve until the next annual meeting of stockholders. The Board of Directors has nominated the persons named in the table below for election as directors. All such persons are presently directors of the Company. Unless otherwise specified in the accompanying proxy, the shares voted pursuant to it will be voted for the persons named below as nominees for election as directors. If, for any reason, at the time of the election, any of the nominees should be unable or unwilling to accept election, such proxy will be voted for the election, in such nominee's place, of a substitute nominee recommended by the Board of Directors to the extent that such substitute nominee exists. However, the Board of Directors has no reason to believe that any nominee will be unable or unwilling to serve as a director.

## CORPORATE GOVERNANCE

The Board of Directors reviewed the independence of each of the Company's directors in March 2009 on the basis of the standards adopted by Nasdaq. During this review, the Board of Directors considered transactions and relationships between the Company, on the one hand, and each director, members of his or her immediate family, and other entities with which he or she is affiliated, on the other hand. The purpose of this review was to determine which of such transactions or relationships were inconsistent with a determination that the director is independent under the Nasdaq rules. As a result of this review, the Board of Directors affirmatively determined that each of the Company's directors other than Ms. Payner and Mr. Erdos are "independent directors" within the meaning of the Nasdaq rules.

During the fiscal year ended December 31, 2008, the Board of Directors met 8 times and acted by unanimous written consent 3 times. Each of the directors participated in 75% or more of the aggregate number of meetings and/or written consents of the Board of Directors and committee(s) on which he or she served during the 2008 fiscal year. The Company does not have a policy with regard to the attendance by directors at the Company's annual meeting of stockholders. Ms. Payner and Mr. Wassong attended last year's annual meeting of stockholders.

The Board of Directors has established an Audit Committee ("Audit Committee") in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The Audit Committee is comprised of Anthony Plesner, Michael Helfand and Martin Miller. Mr. Plesner acts as Chairman of the Audit Committee. The Audit Committee is responsible for the appointment of the Company's independent registered public accountants, examining the results of audits, reviewing internal accounting controls and reviewing related party transactions. The duties of the Audit Committee are fully set forth in the charter adopted by that committee, a copy of which is available on the Company's website. The Board of Directors has determined that Mr. Plesner is an "audit committee financial expert," as defined by Item 407(d) of Regulation S-K of the Exchange Act, and that each member of the Audit Committee is "independent," as required by the Exchange Act and the Nasdaq Marketplace Rules (the "Nasdaq Rules"). During the fiscal year ended December 31, 2008, the Audit Committee met 4 times and acted by unanimous written consent 1 time.

The Compensation Committee has three members, consisting of Neal Moszkowski, Riad Abrahams and Mario Ciampi, and met 2 times and acted by unanimous written consent 11 times in fiscal 2008. The Compensation Committee is comprised solely of non-employee directors, all of whom the Board of Directors has determined are independent in accordance with the Nasdaq Rules. The Compensation Committee does not have a written charter.

The Compensation Committee's responsibilities include, among other duties, the responsibility to:

- establish the base salary, incentive compensation and any other compensation for the officers of the Company;
- monitor the Company's management incentive and stock based compensation plans, retirement and welfare plans and discharge the duties imposed on the Compensation Committee by the terms of those plans; and
- perform other functions or duties deemed appropriate by the Board of Directors.

The agenda for meetings of the Compensation Committee is determined by its Chairman. The Compensation Committee reports directly to the Board of Directors. The Compensation Committee has the authority to engage and from time to time has engaged independent consultants to advise on particular aspects of compensation. The Compensation Committee has authority to retain, terminate and approve fees for advisors, consultants and agents as it deems necessary to assist in the fulfillment of its responsibilities. The Compensation Committee reviews the total fees paid to outside consultants by the Company to ensure that the consultant maintains its objectivity and independence when rendering advice to the Compensation Committee.

The Board of Directors also established a Nominating and Governance Committee (“Nominating Committee”), consisting of David Wassong and Anthony Plesner. The purposes of the Nominating Committee are to assist the Board of Directors by identifying individuals qualified to become directors, and setting criteria for, and evaluating, candidates for director nominees, and to recommend to the Board of Directors the director nominees for election at the annual meetings of stockholders or for appointments to fill vacancies; recommend to the Board of Directors nominees for each committee of the Board of Directors; advise the Board of Directors about appropriate composition of the Board of Directors and its committees; advise the Board of Directors about and recommend to the Board of Directors appropriate corporate governance practices and to assist the Board of Directors in implementing those practices; lead the Board of Directors in its annual review of the performance of the Board of Directors and its committees; and perform such other functions as the Board of Directors may assign to it from time to time. The duties of the Nominating Committee are fully set forth in the charter adopted by that committee, a copy of which is available on the Company’s website. The Nominating Committee met 3 times during 2008 and acted by unanimous written consent 1 time.

The Nominating Committee will consider many factors when evaluating candidates for the nomination to the Board of Directors, with the goal of fostering a Board of Directors comprised of directors with a variety of experience and backgrounds. Important factors that will be considered as part of the Nominating Committee's evaluation include (without limitation) diversity, skill, specialized expertise, experience, business acumen, understanding of strategy and policy-setting. Depending upon the Company's then-current needs, certain factors may be weighed more or less heavily. In considering candidates for the Board of Directors, the Nominating Committee will consider the entirety of each candidate's credentials and does not have any specific minimum qualifications that must be met. However, the Nominating Committee does believe that all members of the Board of Directors should have the highest character and integrity and sufficient time to devote to Company matters.

The Nominating Committee will consider persons recommended by stockholders as candidates for nomination as a director. In evaluating such nominations, the Nominating Committee will use the same selection criteria the Nominating Committee uses to evaluate other potential nominees. Recommendations should be submitted to the Secretary of the Company. Each recommendation should include a personal biography of the suggested candidate, an indication of the background or experience that qualifies such person for consideration, and a statement that such person has agreed to serve if nominated and elected. Stockholders who wish to nominate a person for election to the Board of Directors themselves, rather than recommending a candidate to the Nominating Committee for potential nomination by the Board of Directors, must comply with applicable law.

Communication by stockholders may be made to any or all of the members of the Board of Directors by writing directly to them c/o Bluefly, Inc., 42 West 39th Street, New York, New York 10018. All such communications will be relayed to the appropriate members of the Board of Directors.

The Company has adopted a Code of Ethics applicable to all directors, officers and employees, which meets the requirements of a "code of ethics" as defined in Item 406 of Regulation S-K, and maintains procedures for the confidential, anonymous submission by employees of complaints regarding the Company's accounting, internal accounting controls, auditing matters and other issues. A copy of the Company's code of ethics is available on the Company's Web site at [www.bluefly.com](http://www.bluefly.com). Any amendment to or waiver of a provision of the code of ethics that applies to the Company's principal executive officer, principal financial officer, principal accounting officer, controller or persons performing similar functions and relates to elements of the code specified in the rules of the Securities and Exchange Commission (the "SEC") will be posted on the Web site.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee met and held discussions with management and PricewaterhouseCoopers LLP (“PwC”). The Audit Committee reviewed and discussed the audited financial statements for fiscal 2008 with management and has discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, “Communication with Audit Committees.”

The Company’s independent registered public accounting firm also provided to the Audit Committee certain written communications and the letter required by PCAOB Rule 3526, “Communications with Audit Committees Concerning Independence.” The Audit Committee also discussed with the independent registered public accounting firm their independence from the Company.

Based on the Audit Committee’s review and discussions described above, the Audit Committee recommended to the Board of Directors that the Company’s audited financial statements for fiscal 2008 be included in the Company’s Annual Report on Form 10-K for fiscal 2008 filed with the SEC.

#### Employment Agreements

##### Melissa Payner

On November 14, 2006, the Company entered into a thirty-six (36) month employment agreement (the "Payner Agreement") with Melissa Payner providing for her continued service as its Chief Executive Officer and a member of our Board of Directors. The Payner Agreement was effective as of July 1, 2006 and replaced Ms. Payner's prior employment agreement, which would have expired on March 1, 2007. If the Company does not provide Ms. Payner with written notice of its desire to renew the Payner Agreement at least 90 days prior to the then-current term (including any one year renewal term), the Payner Agreement shall automatically extend from one year from the end of the then-current term. The Company did not provide such notice to Ms. Payner at least 90 days prior to July 1, 2009 and, therefore, the Payner Agreement shall automatically extend for a one year period following July 1, 2009. Under the Payner Agreement, Ms. Payner is entitled to an annual base salary of \$500,000, subject to increases in the sole discretion of the Compensation Committee. She is also eligible to receive an annual performance bonus based upon the achievement of certain targets to be set for each fiscal year by the Compensation Committee in its sole discretion.

If Ms. Payner's employment is terminated without cause (as defined in the Payner Agreement) or through a constructive termination (as defined in the Payner Agreement), all equity benefits previously granted, including stock options, restricted stock awards and deferred stock unit awards shall be deemed fully vested as of the date of termination, and she would be entitled to receive her base salary through the date of termination, plus unreimbursed business expenses and bonuses that have been earned and awarded but not yet paid, as well as her then-current base salary for a period of twelve (12) months from the date of termination and the reimbursement of the cost of maintaining (or the Company shall maintain) in effect the medical and dental insurance, disability and hospitalization plans, and life insurance policies in which Ms. Payner participates for a period of one-year from the date of termination.

In the event of a change of control (as defined in the Payner Agreement), any unvested stock options, restricted stock awards and one-half of any deferred stock unit awards granted to Ms. Payner which are outstanding as of the date of the change of control and have not yet vested (the "Payner COC Unvested DSUs") shall be deemed fully vested as of the date of the change of control. The remaining one-half of the Payner COC Unvested DSUs shall vest on the earliest to occur of: (a) the scheduled vesting date and (b) twelve (12) months from the date of the change of control. In the event that Ms. Payner would be subject to tax under Section 4999 of the Internal Revenue Code of 1986, as amended

(the "Code"), the payments to her under the Payner Agreement will be reduced to the maximum amount that she could receive without being subject to such tax.

The Payner Agreement provides Ms. Payner with a monthly housing allowance of \$4,000 and an annual allowance of approximately \$27,500 for life insurance and supplemental disability insurance. Ms. Payner is subject to certain covenants under the Payner Agreement, including a non-competition covenant covering the term of her employment and an additional period of eighteen (18) months thereafter.

Kara B. Jenny

On March 19, 2008, the Company entered into an amended and restated employment agreement (the "Jenny Agreement") with Kara Jenny providing for her service as Chief Financial Officer of the Company. The Jenny Agreement amends and restates the earlier employment agreement between the Company and Ms. Jenny, which covered her service as Vice President of Finance of the Company and was set to expire in June 2008. The Jenny Agreement has a term ending on March 31, 2011.

Pursuant to the Jenny Agreement, Ms. Jenny is entitled to an annual base salary of \$250,000, subject to increases in the sole discretion of the Compensation Committee. Ms. Jenny is eligible to receive an annual performance bonus in an amount determined by the Compensation Committee in its sole discretion. During the term of the Jenny Agreement, Ms. Jenny shall be eligible to participate in all medical and other employee benefit plans of the Company on the same terms and conditions as those offered to other senior executive officers of the Company; additionally, the Company shall provide Ms. Jenny with an annual allowance of \$10,000 for the purchase of life insurance and disability insurance. The Jenny Agreement provided for a one-time grant to Ms. Jenny of incentive stock options under the Company's 2005 Stock Incentive Plan to purchase 20,000 shares of Common Stock at an exercise price equal to the fair market value on the date of grant. Such options vest in thirty-six equal monthly installments, subject to accelerated vesting in the event that her employment is terminated following a Change of Control (as defined in the Jenny Agreement).

Pursuant to the Jenny Agreement, if Ms. Jenny's employment is terminated without Cause (as defined in the Jenny Agreement) or as a result of a Constructive Termination (as defined in the Jenny Agreement), she would be entitled to receive her base salary through the date of termination, plus unreimbursed business expenses and bonuses that have been earned and awarded but not yet paid, as well as her then-current base salary for 180 days from the date of termination (the "Severance Period"). In addition, if Ms. Jenny's employment is terminated without Cause or as a result of a Constructive Termination, the Company shall maintain in effect the medical and dental insurance and hospitalization plans of the Company as well as any Company sponsored life insurance policy in which Ms. Jenny participates as of the date of such termination for one year from the date of termination.

In the event that Ms. Jenny would be subject to tax under Section 4999 of the Code, the payments to her under the Jenny Agreement will be reduced to the maximum amount that she could receive without being subject to such tax. Ms. Jenny is subject to certain covenants under the Jenny Agreement, including a non-competition and non-solicitation covenant covering the term of her employment and an additional period of two (2) years thereafter.

(4) the sale of all or substantially all of the business or assets of the Company; or

(5) the consummation of a merger, consolidation, statutory share exchange or similar form of corporate transaction involving the Company that requires the approval of the Company’s stockholders, whether for such transaction or the issuance of securities in the transaction (a “Business Combination”), unless immediately following such Business Combination: (A) more than fifty percent (50%) of the total voting power of (x) the corporation resulting from such Business Combination (the “Surviving Corporation”), or (y) if applicable, the ultimate parent corporation that directly or indirectly has beneficial ownership of sufficient voting securities eligible to select a majority of the directors of all the Surviving Corporation (the “Parent Corporation”), is represented by the Outstanding Company Voting Securities that were outstanding immediately prior to such Business Combination (or, if applicable, is represented by shares into which the Outstanding Company voting Securities were converted pursuant to such Business Combination), and such voting power among the holders thereof is in substantially the same proportion as the voting power of the Company’s Voting securities among the holders thereof immediately prior to the Business Combination, (B) no person or entity (other than Soros or any employee benefit plan sponsored or maintained by the Surviving Corporation or the Parent Corporation), is or becomes the beneficial owner, directly or indirectly, of thirty percent (30%) or more of the total voting power of the outstanding voting securities eligible to elect directors of the Parent Corporation (or, if there is no Parent Corporation, the Surviving Corporation) following the consummation of the Business Combination were Board members at the time of the Board’s approval of the execution of the initial agreement providing for such Business Combination.

(3) Pursuant to the Payner Agreement: (a) all unvested stock options, deferred stock units and shares of restricted stock granted to Ms. Payner vest upon a termination without “Cause” or a “Constructive Termination; and (b) all stock options, restricted stock and one half of any deferred stock units and granted to Payner which are outstanding as of the date of a Change of Control and have not yet vested (“COC Unvested Awards”) shall be deemed to be fully vested as of that date, and (subject to certain tax limitations) the remaining one half of the COC Unvested Awards shall vest on the earliest to occur of (x) the scheduled vesting date and (y) twelve (12) months from the date of such Change of Control, subject, in each case, to Ms. Payner’s continued employment with the Company on such dates and (z) Ms. Payner’s Constructive Termination or termination without Cause following such Change of Control.

The dollar values in the table assume that the benefit of acceleration of the deferred stock units equals the closing sale price of the Common Stock on December 31, 2008 (\$0.72) multiplied by the number of shares of Common Stock subject to unvested deferred stock units held by Ms. Payner at December 31, 2008. Options were excluded as they

were out of the money, and as of December 31, 2008, all Restricted Stock awards had previously vested.

(4) The life insurance proceeds represent the aggregate face value of life insurance policies for which we pay the premiums and Ms. Payner is designated as the beneficiary. The payments are actually paid by the life insurance company in a lump sum.

The disability insurance proceeds represent the annual payout of disability policies for which we pay the premiums.

(5) These premiums are paid by us when due for one year after termination. The numbers in the table are based on the premiums paid in fiscal 2008.

The following table describes and quantifies the estimated payments and benefits that would have been provided upon termination or a change in control of the Company as of December 31, 2008 for Kara B. Jenny, our Chief Financial Officer:

Insurance Proceeds(4)	--	2,500,000	--	--
Insurance Premiums (Life, Health and Disability)(5)	10,000	--	--	--

(1)Ms. Jenny’s employment agreement provides her with the severance payments upon (1) termination of employment by the Company without “Cause” and (2) termination of employment by Ms. Jenny as a result of a “Constructive Termination.”

Under the Jenny Agreement: (a) “Cause” shall be deemed to occur if Ms. Jenny (i) has been convicted of a felony or any serious crime involving moral turpitude, or engaged in materially fraudulent or materially dishonest actions in connection with the performance of her duties under the Jenny Agreement, (ii) has willfully and materially failed to perform her reasonably assigned duties under the Jenny Agreement, (iii) has breached the terms and provisions of the Jenny Agreement in any material respect or (iv) has failed to comply in any material respect with the Company’s written policies of conduct of which she had actual notice, including with respect to trading in securities (subject to a 20-day notice period and opportunity to cure in the case of an event of the type described in clauses (ii)-(iv)); and (b) a “Constructive Termination” shall be deemed to have occurred upon (i) the removal of Ms. Jenny from her position as Chief Financial Officer of the Company, (ii) the material breach by the Company of the Jenny Agreement, including any material diminution in the nature or scope of the authorities, powers, functions duties or responsibilities of Ms. Jenny as Chief Executive Officer and a senior executive officer of the Company (or to the extent that the Company becomes a division or subsidiary of another entity, the authorities, powers, functions, duties or responsibilities of the Chief Financial Officer or senior executive officer of such division or subsidiary (subject to a 30-day notice period and opportunity to cure).

Pursuant to the Jenny Agreement, Ms. Jenny is provided a severance payment of her then-current salary for 180 days.

(2) Under the Jenny Agreement, a “Change in Control” shall be deemed to occur upon:

(1) the acquisition by any individual, entity or group (within the meaning of Section 13(d)(3) or 14(d)(2) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”)) (a “Person”) of beneficial ownership (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of fifty percent (50%) or more (on a fully diluted basis) of either (A) the then outstanding shares of common stock of the Company, taking into account as outstanding for this purpose such common stock issuable upon the exercise of options or warrants, the conversion of convertible stock or debt, and the exercise of any similar right to acquire such common stock (the “Outstanding Company Common Stock”) or (B) the combined voting power of the then outstanding voting securities of the Company entitled to vote generally in the election of directors (the “Outstanding Company Voting Securities”), provided, however, that for purposes of the Jenny Agreement, the following acquisitions shall not constitute a Change of Control: (I) any acquisition by the Company or any affiliate, (II) any acquisition by any employee benefit plan sponsored or maintained by the Company or any affiliate, (III) any acquisition by Soros or (IV) any acquisition which complies with clauses (A), (B) and (C) of clause (5) below;

- (2) individuals who, on the date of the Jenny Agreement, constitute the Incumbent Directors cease for any reason to constitute at least a majority of the Board of Directors, provided that any person becoming a director subsequent to such date, whose election or nomination for election was approved by a vote of at least two-thirds of the Incumbent Directors then on the Board of Directors (either by a specific vote or by approval of the proxy statement of the Company in which such person is named as a nominee for director, without written objection to such nomination) shall be an Incumbent Director, provided, however, that no individual initially elected or nominated as a director of the Company as a result of an actual or threatened election contest with respect to directors or as a result of any other actual or threatened solicitation of proxies or consents by or on behalf of any person other than the Board of Directors shall be deemed to be an Incumbent Director;
- (3) the dissolution or liquidation of the Company;
- (4) the sale of all or substantially all of the business or assets of the Company; or
- (5) the consummation of a merger, consolidation, statutory share exchange or similar form of corporate transaction involving the Company that requires the approval of the Company's stockholders, whether for such transaction or the issuance of securities in the transaction (a "Business Combination"), unless immediately following such Business Combination: (A) more than fifty percent (50%) of the total voting power of (x) the corporation resulting from such Business Combination (the "Surviving Corporation"), or (y) if applicable, the ultimate parent corporation that directly or indirectly has beneficial ownership of sufficient voting securities eligible to select a majority of the directors of all the Surviving Corporation (the "Parent Corporation"), is represented by the Outstanding Company Voting Securities that were outstanding immediately prior to such Business Combination (or, if applicable, is represented by shares into which the Outstanding Company voting Securities were converted pursuant to such Business Combination), and such voting power among the holders thereof is in substantially the same proportion as the voting power of the Company's Voting securities among the holders thereof immediately prior to the Business Combination, (B) no person or entity (other than Soros or any employee benefit plan sponsored or maintained by the Surviving Corporation or the Parent Corporation), is or becomes the beneficial owner, directly or indirectly, of thirty percent (30%) or more of the total voting power of the outstanding voting securities eligible to elect directors of the Parent Corporation (or, if there is no Parent Corporation, the Surviving Corporation) following the consummation of the Business Combination were Board members at the time of the Board's approval of the execution of the initial agreement providing for such Business Combination.

(5) These premiums are paid by us when due for one year after termination. The numbers in the table are based on the premiums paid in fiscal 2008.

## Compensation of Directors

The following table sets forth information concerning the compensation of our directors for the fiscal year ended December 31, 2008:

## DIRECTOR COMPENSATION — YEAR ENDED DECEMBER 31, 2008

Name (1)	Fees Earned or Paid in Cash (\$)	Restricted Stock Awards (\$)(2)	Total (\$)
Riad Abrahams	\$ --	\$ 3,375	\$ 3,375
Mario Ciampi(3)	--	2,408	2,408
Ann Jackson	16,000	3,375	19,375
Christopher McCann(4)	14,500	3,375	17,875
Martin Miller	16,000	3,375	19,375
Neal Moszkowski	--	3,375	3,375
Anthony Plesner	18,000	6,450	24,450
David Wassong	--	6,750	6,750

(1) Ms. Payner and Mr. Erdos are not included in the table as they are also Named Executive Officers in the Summary Compensation Table. They receive no additional compensation for their service as a Director of the Company. Furthermore, Mr. Helfand is also not included in the table as he was appointed to the Board of Directors in 2009.

(2) Represents the grant date fair value of the following Restricted Stock Awards all of which were issued pursuant to the terms of the 2005 Stock Incentive Plan: 750 shares of Restricted Stock issued to Mr. Abrahams; 750 shares of Restricted Stock issued to Ms. Jackson; 750 shares of Restricted Stock issued to Mr. McCann; 750 shares of Restricted Stock issued to Mr. Miller; 750 shares of Restricted Stock issued to Mr. Moszkowski; 1,500 shares of Restricted Stock issued to Mr. Plesner; and 1,500 shares of Restricted Stock issued to Mr. Wassong.

(3) Mr. Ciampi was appointed to the Board of Directors in August 2008 and was granted 1,125 shares of Restricted Stock pursuant to the terms of the 2005 Stock Incentive Plan.

(4) Mr. McCann resigned as Director of the Company in February 2009.

The Company's independent, outside non-employee directors (other than Messrs. Abrahams, Ciampi and Wassong who are designated under the Company's Voting Agreement with Soros, Maverick and Prentice) are paid a cash stipend of \$1,500 for each board or committee meeting attended in person (and, in the case of the Audit Committee Chairman, \$2,000 per audit committee meeting) and are reimbursed for expenses incurred on behalf of the Company. In addition, each such director is paid an annual retainer of \$10,000 at the first regularly scheduled Board of Directors meeting of each fiscal year. The maximum aggregate stipend and retainer paid to any such director in a year is \$16,000 (or, in the case of the Audit Committee Chairman, \$18,000). In March 2009, in order to assist the Company's efforts to maintain the best liquidity position possible, the Board of Directors unanimously agreed that annual retainers would be suspended (other than the retainer paid to Mr. Helfand for 2009) until such time as the Board of Directors deems appropriate.

Under the terms of the 2005 Stock Incentive Plan, each non-employee director (including Messrs. Abrahams, Ciampi and Wassong) receives a one-time grant of 1,125 shares of Restricted Stock (1,875 shares in the case of the

Chairman of the Board of Directors and 1,500 shares in the case of the Chairman of the Audit Committee) at the time of the first regularly scheduled Board meeting after such director is appointed to the Board of Directors and an annual restricted stock grant of 750 shares of Common Stock (1,500 shares in the case of the Chairman of the Board of Directors and 937 shares in the case of the Chairman of the Audit Committee) at the first regularly scheduled Board meeting of each fiscal year (even if such director is receiving a restricted stock grant in connection with his or her appointment at such meeting). All such restricted stock grants vest on the one year anniversary of the date of grant.

## Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our officers and directors, and persons who own more than ten percent of a registered class of our equity securities, to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than ten-percent shareholders are required by SEC regulation to furnish us with copies of all Section 16(a) reports they file. Based solely on a review of the copies of such reports furnished to us during or with respect to fiscal 2008, or written representations that no Forms 5 were required, we believe that during the fiscal year ended December 31, 2008 all Section 16(a) filing requirements applicable to our officers, directors and greater than ten-percent beneficial owners were complied with.

## Certain Relationships and Related Transactions

### Review and Approval of Related Person Transactions

Our Code of Ethics and Standards of Business Conduct applies to all directors and employees (including our named executive officers). Under the Code of Ethics and Standards of Business Conduct, all employees are required to take all reasonable efforts to identify actual or potential conflicts of interest between Company interests and their personal or professional relationships and to bring such conflicts to the attention of the Company's counsel. Members of the Board of Directors who have any personal interest in a transaction upon which the Board of Directors passes are required to disclose such interest to the other directors and to recuse themselves from participation in any decision in which there is a conflict between their personal interests and our interests.

Our Audit Committee reviews any related party transaction and transactions involving conflicts of interest with officers and directors whenever possible in advance of the creation of such transaction or conflict, unless either the Compensation Committee or another committee of the Board of Directors, consisting of independent directors has previously reviewed such transaction.

### Related Person Transactions

Except as set forth below, we are not aware of any transactions since the beginning of our last fiscal year in which the Company was or is a party, in which the amount involved exceeded \$120,000, and in which a director, director nominee, executive officer, holder of more than 5% of our Common Stock or any member of the immediate family of any of the foregoing persons had or will have a direct or indirect material interest.

### Subordinated Debt Financing Commitment

In March 2008, we entered into an agreement (the "Commitment") with affiliates of Soros and private funds associated with Maverick pursuant to which they agreed to provide up to \$3 million of debt financing to us, on a standby basis, during fiscal 2008, provided that the commitment amount will be reduced by the gross proceeds of any equity financing consummated during the year. As of the Record Date, Soros and Maverick owned 38% and 22%, respectively, of our issued and outstanding shares of Common Stock. We drew down the Commitment in July 2008, which was evidenced by the issuance of subordinated convertible notes (the "Subordinated Notes") that have a term expiring three years from the date of issuance of the Subordinated Notes and bear interest at the rate of 8% per annum, compounded annually. Interest is payable upon maturity or conversion. The Subordinated Notes are convertible at the holder's option (a) into equity securities that the Company might issue in any subsequent round of financing at a price equal to the lowest price per share to be paid by any investor in such subsequent round of financing or (b) into Common Stock at a price per share equal to the trailing 20-day average stock price on the date of issuance of the Subordinated Notes. In connection with the Commitment, we issued warrants to Soros and Maverick to purchase an

aggregate of 52,497 shares of Common Stock at an exercise price equal to \$5.10.

A representative of PwC will be present at the meeting, will be provided the opportunity to make a statement if he or she desires to do so, and will be available to respond to appropriate questions from stockholders.

### Other Fees

PwC did not bill the Company for any other professional services rendered during fiscal 2008 and 2007 other than those described under the caption “Audit Fees.”
