NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS In thousands of U.S. dollars

NOTE 1 - GENERAL

The accompanying unaudited financial statements have been prepared in accordance with generally accepted accounting principles for interim financial information. Accordingly, they do not include all of the information and footnotes required by generally accepted accounting principles for complete financial statements. In the opinion of management, all adjustments (consisting of normal recurring accruals) considered necessary for a fair presentation have been included. Although the Company believes that the disclosure presented herein is adequate to make the information presented not misleading, it is suggested that these balance sheets statements be read in conjunction with the 2002 annual financial statements and footnotes.

NOTE 2 - BANK SETTLEMENT AGREEMENT - PRO FORMA ADJUSTMENTS

On June 22, 2003, the Company signed a memorandum of agreement pursuant to which it has entered into a settlement agreement with Bank Hapoalim B.M. and Bank Leumi Le-Israel B.M, (the "Banks"). The agreement was approved by the Company's shareholders in an extraordinary general meeting of shareholders held on July 22, 2003. Pursuant to this agreement, the Company will (i) repay the Banks \$1,100 thousand on account of its debt to them, (ii) issue the banks warrants to purchase ordinary shares in lieu of \$1,251 thousand of debt and (iii) in addition the banks agreed to write-off \$1,100 thousand of the Company's debt.

The pro forma financial statements reflect the financial position of the Company as of June 30, 2003 and the results of operation for the six months ended June 30, 2003 as if the agreement with the banks was declared effective on June 30, 2003. Accordingly, the pro forma financial statements are not necessarily indicative of what actually would have occurred if the agreement with the bank were effective on June 30, 2003, nor are they necessary indicative of future results.

The pro forma adjustments reflect the repayment of \$1,100 thousand of outstanding debt, write off of \$1,100 thousand of debt and the conversion of \$1,251 thousand (net of \$37 thousand issuance expenses) of debt to warrants to purchase ordinary shares.
