THE BOARD RECOMMENDS THAT SHAREHOLDERS VOTE "FOR" THE AMENDMENT TO ITS ARTICLES OF INCORPORATION AND "FOR" ELECTION OF THE NOMINEES FOR DIRECTOR.

RECORD DATE; SHARES ENTITLED TO VOTE; VOTE REQUIRED

Only holders of record of the Company's Common Stock and Series A Convertible Preferred Stock outstanding at the close of business on May 28, 2004 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting and at any adjournment(s) thereof. No shares of Series B convertible Preferred stock are outstanding. Each share of Common Stock and each share of Series A Convertible Preferred Stock is entitled to one vote. As of the close of business on the Record Date, 27,367,183 shares of Common Stock and 2,720,580 shares of Series A Convertible Preferred Stock were outstanding and entitled to vote at the Annual Meeting. Unless otherwise indicated, all references herein to percentages of outstanding shares of stock are based on such numbers of shares outstanding. Shares entitled to vote are referred to hereafter as "Voting Shares".

The presence, in person or by proxy, of holders of one third of the votes entitled to be cast is necessary to constitute a quorum at the Annual Meeting.

Edgar Filing: NEW MILLENNIUM MEDIA INTERNATIONAL INC - Form PRE 14A

Abstentions and broker non-votes will be counted in determining whether a quorum is present. A record holder of Voting Shares who completes and properly signs the accompanying proxy card and returns it to the Company will have their shares voted as directed on the proxy card. If a shareholder attends the Annual Meeting, that shareholder may vote his or her shares by completing a ballot at the Annual Meeting.

As of the Record Date, directors and executive officers of the Company and their affiliates may be deemed to be the beneficial owners of approximately 12.9% of the outstanding Voting Shares. Each of our directors and executive officers plans to vote or direct the vote of all Voting Shares over which he or she has voting control in favor of the amendment to the Company's Articles of Incorporation and the election of the nominees for director.

The affirmative vote of a majority of the votes entitled to be cast as of the Record Date is required to approve the proposals as noted above.

PROXIES

Voting Shares represented by properly executed proxies received at or before the Annual Meeting that have not been revoked will be voted at the Annual Meeting in accordance with the instructions contained in the proxy. Voting Shares represented by properly executed proxies for which no instruction is given will be voted "FOR" the amendment of the Company's Articles of Incorporation and "FOR" election of the nominees for director. We request that as promptly as possible you mark, sign, date and return promptly the enclosed proxy card in the postage-prepaid envelope provided for this purpose, to ensure that your shares are voted. If the Annual Meeting is postponed or adjourned for any reason, at any subsequent reconvening of the Annual Meeting all proxies will be voted in the same manner as the proxies would have been voted at the original convening of the Annual Meeting, except for any proxies that have at that time effectively been revoked or withdrawn, notwithstanding that they may have been effectively voted on the same or any other matter at a previous meeting.

PROPOSAL I

AMENDMENT OF RESTATED ARTICLES OF INCORPORATION TO EFFECT A CHANGE OF CORPORATION NAME

The Board of Directors believes that the best interests of the Company and its shareholders will be served by amending the Company's Restated Articles of Incorporation to effect a change of the Company's name to OnScreen Technologies, Inc.

The Company has redirected its business focus from the EyeCatcherPlus and the traditional Light Emitting Diode (LED) signage to the commercialization of the OnScreen(TM) technology. The Company's plan is to focus all of its resources on the commercialization of the OnScreen(TM) technology. Because of the emphasis on the OnScreen(TM) technology, the Board of Directors believes that changing its name to OnScreen Technologies, Inc. will better reflect the nature of the Company's business focus.

If the shareholders approve this proposed amendment to the Articles of Incorporation, the amendment will become effective upon the filing of an amendment to the Company's Restated Articles of Incorporation with the Secretary of State of Colorado.

PROPOSED AMENDMENT

The Board of Directors proposes as follows:

Edgar Filing: NEW MILLENNIUM MEDIA INTERNATIONAL INC - Form PRE 14A

The Articles of Incorporation of New Millennium Media International, Inc. be amended by deleting in its entirety Article I, Name, and substituting in place thereof the following;

"ARTICLE I NAME

The name of the corporation shall be OnScreen Technologies, Inc."

THE BOARD OF DIRECTORS BELIEVES THAT THE APPROVAL OF THIS AMENDMENT IS IN THE BEST INTEREST OF THE COMPANY AND ITS SHAREHOLDERS AND RECOMMENDS A VOTE FOR THE APPROVAL OF THE AMENDMENT.

PROPOSAL II

ELECTION OF DIRECTORS

New Millennium currently has three directors on its Board of Directors each of whom have been nominated for re-election this year and have agreed to serve if elected.

At the current time the Company has authorized six Board of Directors seats, each set for a term of two years. The Board of Directors set these terms at staggered terms in order to maintain continuity on the Board of Directors. In order to effect this staggered term strategy, the six seats are numbered consecutively, 1 through 6. Seats 1 and 3 will be elected for two year terms at the Annual Meeting. These directors will serve as directors until the 2006 annual meeting of shareholders unless they die, resign or are removed before

that meeting. Seat 2 will be elected for a one year term. This director will serve as director until the 2005 annual meeting of shareholders unless he dies, resigns or is removed before that meeting. It is anticipated that when the remaining three seats are elected, the staggered strategy will be followed.

Shares of our Common Stock and Series A Preferred Stock are entitled to one vote per share for each Director. Cumulative voting is not permitted.

If a nominee becomes unavailable for election before the 2004 Annual Meeting, the Board of Directors can name a substitute nominee and proxies will be voted for such substitute nominee unless an instruction to the contrary is written on the proxy card.

Employment Agreements

President

In November 1999, the Company executed a three-year employment agreement with its president that was amended on June 2000. The agreement provides for a base salary of \$140,000 in year one and \$120,000 per year in years two and three, a non-accountable expense allowance of \$10,000 per year, a stock issuance equal to 10% of the outstanding common shares, and discretionary incentive compensation payments. It also provided that the President/CEO would receive incentive compensation payments which are not less than the highest such payments provided to any other senior executive of the Company. This agreement was renewed in late 2002 for another three-year term with the same provisions expiring December 31, 2005.

On February 3, 2004, a Second Addendum to the Employment Agreement was entered into pursuant to which the Company agreed to cap Mr. Thatch's entitlement to shares of common stock at 3,000,000 and pay him 1% of all revenue derived from

any licensing fees received by the Company in connection with the OnScreen(TM) technology, provided that the Company consummates the Private Placement in its entirety and receives the portion of the Unit purchase price to which it is entitled. On February 10, 2004, the Company's board of directors approved increasing the President's salary to \$150,000 for the duration of his employment agreement since the employment agreement for the President included the provision that he would get paid equal compensation to any other senior executive of the Company (the Director of Research and Development's salary is \$150,000). The President will receive \$120,000 in cash and the remaining \$30,000 will be accrued.

Chief Operating Officer and Chief Financial Officer

On December 16, 2003, the Company executed a three-year employment agreement that is effective January 1, 2004 with its Chief Operating Officer and Chief Financial Officer. The terms of this agreement are as follows: i) Base salary of \$120,000 during 2004, \$150,000 during 2005 and \$180,000 during 2006, ii) a sign-on bonus for \$10,000 payable before March 31, 2004 and eligible for the bonus plan as set up by the Company, iii) receive 120,000 shares of Series A convertible preferred stock for each period of June 2004, January 2005 and June 2005 and iv) receive a warrant to purchase 100,000 shares of common stock at an exercise price of \$0.25 which expires on November 30, 2006. In the event of a change of control, the Series A Convertible Preferred stock shall immediately accelerate and be issued within 30 days of written notice from the employee.

Director of Research and Development and Chief Technology Officer

In May 2003, the Company executed a six-month employment agreement (the "Agreement") with the Director of Research and Development. The employee's compensation was for \$10,000 per month accrued but deferred until such time the Company's technical division has sufficient cash on hand to pay the salary. At the employee's option, such accrued salary may be converted to common or preferred shares of the Company at the current bid price. In addition, the employee is granted, upon execution of the employment agreement, three-year warrants for 500,000 shares of the Company's common stock at an exercise price of \$0.25 per share; three-year warrants for 750,000 shares at \$0.35 per share upon completion of Phase II prototype as defined in the Agreement; three-year warrants for 500,000 shares at \$0.40 per share upon receipt by the Company of any Next Stage OnScreen funding in excess of \$150,000 as defined in the Agreement and three-year warrants for 250,000 shares at \$0.50 per share upon

Edgar Filing: NEW MILLENNIUM MEDIA INTERNATIONAL INC - Form PRE 14A

receipt by the Company of payment for commercial orders in excess of \$200,000.

During 2003, the Company issued 1,750,000 of the warrants in accordance with the Director of Research and Development's agreement. The remaining 250,000 warrants were not issued at December 31, 2003, as the criteria for the shares to be issued had not been met. The expense relating to the warrant to purchase 500,000 shares of common stock was recognized over the six-month agreement term and the warrant to purchase 1,250,000 of common stock was recognized at the time the related milestones were met.

On February 5, 2004, the above agreement was extended with an effective date of November 1, 2003 for a three-year term.
