Our 1994 Stock Option Plan for Outside Directors provides for awards of non-qualified options to our directors who is not one of our employees or any of our affiliates and who meet certain other eligibility criteria. Pursuant to the plan, (i) upon first election or appointment to the Board of Directors, each newly elected or appointed eligible director is granted an option to purchase 7,500 shares of our common stock and (ii) immediately following each of our Annual Meeting of Stockholders, each eligible director will generally be granted an option to purchase 7,500 shares of our common stock. Options granted under the plan have an exercise price per share equal to the fair market value of our common stock on the date of issuance and are exercisable beginning on the first anniversary of the date of the grant until the earliest of (i) ten years from the date of grant, (ii) one year from the date on which an optionee ceases to be an eligible director and (iii) 90 days after the date on which the optionee ceases to be a director. In addition to the directors' fees described above, in November 2004, Dr. Zentman was granted options to purchase 7,500 shares of our common stock at an exercise price equal to the fair market value of our common stock on the date of grant (i.e., \$0.88 per share). These options were granted pursuant to our 1994 Stock Option Plan for Outside Directors described above.

Compensation Committee Interlocks and Insider Participation

All matters related to the compensation of executive officers, including the Chief Executive Officer, are acted upon by the full Board of Directors.

The following person served both as a member of our Board of Directors and as an officer or employee in 2004: George Morgenstern (Chairman of the Board, President and Chief Executive Officer). During 2004, no member of the Board of Directors who was also one of our officers participated in any deliberations of the Board of Directors or any committee thereof relating to his own compensation or to the compensation of any person to whom he is related. Except as described above, each member of the Board of Directors participated in 2004 in deliberations of the Board of Directors concerning executive officer compensation. During 2004, George Morgenstern engaged in transactions with us in which he was deemed to have an interest. For further information, see "Certain Relationships and Related Transactions" below.

Employment Arrangements

George Morgenstern serves as our Chairman of the Board, President and Chief Executive Officer pursuant to an employment agreement that commenced on January 1, 1997, was amended in March 2002 to extend through December 31, 2003, and provides for a period of consultancy thereafter as set forth below (the "CEO Employment Agreement"). Through December 31, 2003, the Employment Agreement provided for a base salary of \$420,000 per annum (which was \$470,000 due to cost of living adjustments as of December 31, 2003), subject to annual review by the Board and an annual cost of living adjustment, plus contributions to a nonqualified retirement fund equal to 25% of his base salary. Mr. Morgenstern's compensation pursuant to the Employment Agreement also includes the use of two company automobiles, premium payments on a life insurance policy owned by Mr. Morgenstern and other fringe benefits.

Pursuant to the terms of the CEO Employment Agreement, on December 31, 2003, Mr. Morgenstern elected to terminate his employment with us and thereafter to continue to serve us as a consultant for a period (the "Consulting Period") ending on December 31, 2010. At the request of the Board, Mr. Morgenstern has continued on as our Chairman of the Board, President and Chief Executive Officer. During the Consulting Period, Mr. Morgenstern receives an annual consulting fee plus contributions to a nonqualified retirement fund and fringe benefits on the same

basis as during the term of his employment as described above. Mr. Morgenstern's annual consulting fee during the Consulting Period is equal to 50% of his annual salary in effect immediately prior to the Consulting Period through the end of the fourth full calendar year of the Consulting Period, and 25% of such annual salary for the remainder of the Consulting Period (subject in all cases to an annual cost of living adjustment). On December 30, 2004, in recognition of his continued service, and to provide additional incentive for such continued service at the pleasure of the Board, the Board of Directors agreed to extend the consulting period by one year. Under the CEO Employment Agreement as so amended, Mr. Morgenstern would continue to serve as a consultant until the end of 2011, and would receive a consulting fee (plus certain other benefits) through the end of 2008 at a rate equal to 50% of that which he received during 2003 (his last year of employment) and at 25% of such base rate for the last three years of the consulting period. At the time of the December 2004 amendments, we granted to Mr. Morgenstern options to purchase 180,000 shares of common stock which vested over the 18 months from the date of the grant, subject to his continuing to serve as CEO at the pleasure of the Board.

Under the terms of the CEO Employment Agreement, the Company agrees to take appropriate action to fund the payment of all consulting fees to become payable to Mr. Morgenstern throughout the entire Consulting Period, by purchase of an annuity from a reputable insurance company, deposit of funds or U.S. Treasury Securities having maturities of less than one year in a bank acceptable to Mr. Morgenstern, or other arrangements acceptable to Mr. Morgenstern. Mr. Morgenstern has agreed to waive this obligation, except in the event of (i) his death or disability, (ii) the Company entering into a definitive agreement(s) concerning a transaction or series of transactions, the consummation of which will result in the receipt by the Company of gross proceeds equal to or in excess of \$1 million or (iii) his termination as Chief Executive Officer of the Company for any reason other than his voluntary resignation. Upon the occurrence of any of these events, the Company would be obligated to fund all consulting fees as provided in the CEO Employment Agreement. During the term of the CEO Employment Agreement (including any Consulting Period), Mr. Morgenstern may not engage in a business that is in substantial and direct competition with our business or the business of any of our subsidiaries.

Shlomie Morgenstern serves as the Chief Executive Officer and President of our Databit Inc. subsidiary and as our Vice President-Operations and, pursuant to an employment agreement that was executed on August 19, 2004 and commenced as of January 1, 2004 (the "SM Employment Agreement"). The SM Employment Agreement provides for a four year initial term and subsequent one year renewal terms (unless either party gives notice of non-renewal within 90 days prior to the end of the initial term or a renewal term). Under the SM Employment Agreement, Mr. Morgenstern receives a base salary of \$250,000 per annum. Mr. Morgenstern's compensation pursuant to the SM Employment Agreement also includes a car allowance and participation in fringe benefits maintained and sponsored by DSSI and Databit.

Pursuant to the SM Employment Agreement, Mr. Morgenstern is entitled to an annual bonus equal to 20% of the gross profit of Databit in excess of \$2.8 million. The bonus is capped at 50% of his base salary then in effect if Databit has net income for the calendar year to which the bonus relates (36% of his base salary if Databit does not have net income for the calendar year to which the bonus relates). Under the SM Employment Agreement, on August 19, 2004, Mr. Morgenstern also received stock options exercisable for the purchase of 305,000 shares of our Common Stock at exercise price of \$0.71 per share (the closing market price on the date of grant) and a restricted stock grant of 195,000 shares of our Common Stock. The stock option grant vests in installments of 105,000, 100,000 and 100,000 shares on August 18, 2006, February 18, 2007 and February 18, 2008, respectively, and the restricted stock grant vests in installments of 100,000 upon issuance and 31,666, 31,667 and 31,667 shares on August 18, 2006, 2007 and 2008, respectively. The options and the restricted stock will fully vest if the SM Employment Agreement, or if Mr. Morgenstern terminates his employment within one year after a change in control or 10 days after notice to us of our breach of a material provision of the SM Employment Agreement which breach remains uncured.

If the SM Employment Agreement is not renewed after the initial term or any renewal term, Mr. Shlomie Morgenstern will be entitled to receive a lump sum payment equal to one year's salary and the bonus he would have earned for the calendar year in which the non-renewal occurred (in a lump sum payment). If Mr. Morgenstern's employment is terminated by us other than for cause, Mr. Morgenstern terminates his employment within one year after a change in control or after we breach a material provision of the SM Employment Agreement and fail to cure that breach in a timely matter, then Mr. Morgenstern will be entitled to 2.9 times both his annual salary then in effect and the average bonus paid to Mr. Morgenstern during the three preceding years (or such shorter period if the termination occurred before the third year).

Yacov Kaufman serves as Vice President and Chief Financial Officer of the Company and as Executive Vice President and Chief Financial Officer of dsIT pursuant to an employment agreement entered into with the Company on January 1, 1999, and amended in 2002, providing for a salary of \$200,000.

We make certain payments to fund in part our future severance obligations to Mr. Kaufman. If Mr. Kaufman's employment is voluntarily terminated or is terminated by us for reasons other than for cause, we must pay him an amount equal to 150% of his last month's salary multiplied by the number of years (including partial years) that Mr. Kaufman worked for us. This severance obligation, which is customary for executives of Israeli companies, would be reduced by the amount contributed by us to certain Israeli pension and severance funds pursuant to Mr. Kaufman's employment agreement. In addition, the agreement with Mr. Kaufman provides for an additional payment equal to six times his last month's total compensation, payable at the end of his employment with us, unless he is terminated by us for cause. As of December 31, 2004, the unfunded portion of these payments was \$162,000. In December 2004 we granted Mr. Kaufman options to purchase 75,000 shares of common stock which vest over the two years from the date of the grant.

The stock option agreements with our executive officers generally provide for accelerated vesting in the event we have a change in control.

Jacob Neuwirth serves as President and Chief Executive Officer of dsIT pursuant to an employment agreement that commenced on December 16, 2001. Mr. Neuwirth's employment agreement provides for a base salary which is denominated in linked NIS equivalent to \$195,000 per annum, linked to the Israeli Consumer Price Index ("Index"). Mr. Neuwirth's agreement provides for an increase in salary, provided dsIT achieves certain performance targets. In addition to his base salary, Mr. Neuwirth receives 5% of dsIT's net profit before tax. In addition, the agreement with Mr. Neuwirth provides for six months advance notice of termination of employment by either side, and an additional payment equal to six times his last month's total compensation, payable upon any termination of his employment. As of December 31, 2004, the unfunded portion of these payments was \$181,000.

Under his employment agreement, Mr. Neuwirth is entitled to a loan of up to \$100,000 from dsIT. As of December 31, 2003 the loan balance which is denominated in linked NIS, bears interest at 4% and has no fixed maturity date plus accumulated interest, had an outstanding balance of \$112,000.
