## Item 3. Source and Amount of Funds or Other Consideration.

The shares of Common Stock reported in this Schedule 13D were purchased by WLTOF and Mr. Wanger in the open market at then-prevailing market prices, with the exception of Mr. Wanger's holdings of options to acquire shares of Common Stock, which were granted to him in his capacity as director of the Issuer, as described in Item 5(a). WLTOF's funds used to acquire shares of Common Stock were drawn from its working capital. Mr. Wanger's funds used to acquire shares of Common Stock were drawn from his personal assets.

**Item 4. Purpose of Transaction.**

The Reporting Persons acquired the shares of Common Stock which they own (see Item 5) for the purpose of making a significant investment in the Company. In light of the recent decline in the price of the Common Stock and the significant expense of maintaining the Company's status as a public company, the Reporting Persons believe that there are opportunities to significantly improve the Issuer's performance and strategic direction, as well as the value of their investment. Accordingly, the Reporting Persons intend to continue to engage in discussions with the Issuer's board of directors and management concerning the business and strategic direction of the Issuer. The Reporting Persons may also engage in discussions with other shareholders of the Issuer to discuss matters of mutual interest, including without limitation discussions regarding the strategic direction of the Issuer and opportunities to enhance shareholder value. The Reporting Persons may pursue various strategies, including without limitation: (i) continuing to acquire shares of Common Stock in NASDAQ brokerage transactions or in private transactions if appropriate opportunities to do so are available, on such terms and at such times as the Reporting Persons consider desirable, thereby continuing to build a significant minority equity investment in the Company; (ii) causing one or more of the Reporting Persons or a subsidiary or affiliate of one or more of the Reporting Persons (a "Reporting Person Party") to seek to acquire additional shares of the Issuer's common stock in a cash tender offer directed to the other shareholders of the Issuer, with the aim of effecting a "going private" transaction with respect to the Company; and (iii) proposing a merger or similar transaction of the Company with and into a Reporting Person Party, with the aim of effecting a "going private" transaction with respect to the Company.

The Reporting Persons have not reached any conclusion or determination as to the foregoing. Pending such a conclusion or a determination, the Reporting Persons intend to continue to hold the shares of Common Stock which they own as an investment. The Reporting Persons intend continuously to review their investment in the Company and may in the future change their present course of action and decide to pursue one of the alternatives discussed in the first paragraph of this Item 4. In pursuing such alternatives, the Reporting Persons may seek control of the Company or may merely seek to increase their investment in the Company without obtaining control. The Reporting Persons may also determine to dispose of all or a portion of the shares of Common Stock which they now own or may hereafter acquire. In reaching any conclusion or determination as to the foregoing, the Reporting Persons will take into consideration various factors, such as the Company's business and prospects, other developments concerning the Company (including, but not limited to, the opinions of the Company's board of directors and management), other business opportunities available to the Reporting Persons and their affiliates, developments with respect to the Reporting Persons' business and the business of their affiliates, general economic conditions and stock market conditions.

Except as stated above, none of the Reporting Persons has any plans or proposals of the types referred to in clauses (a) through (j) of Item 4 of Schedule 13D, as promulgated by the Securities and Exchange Commission.

**Item 5. Interest in Securities of the Issuer.**
