ABOUT THE MEETING: QUESTIONS AND ANSWERS

What am I voting on?

At this year's meeting, you will be asked to:

- (1) elect five directors to serve until the election and qualification of their successors;
- (2) ratify the appointment of Gumbiner Savett Inc. as our independent registered public accounting firm for the year ending December 31, 2015; and
- (3) transact any other business properly brought before the Annual Meeting or any adjournments thereof.

Who is entitled to vote at the Annual Meeting, and how many votes do they have?

Stockholders of record at the close of business on March 11, 2015 (the Record Date) may vote at the Annual Meeting. Pursuant to the rights of our stockholders contained in our charter documents each share of our common stock has one vote. There were 12,786,476 shares of common stock outstanding on March 11, 2015. From April 17, 2015 through May 7, 2015, you may inspect, at our corporate offices, a list of stockholders eligible to vote. If you would like to inspect the list, please call James N. Harmon, our Chief Financial Officer and Corporate Secretary, at (206) 673-4848 to arrange a visit to our offices. In addition, the list of stockholders will be available for viewing by stockholders at the Annual Meeting.

How do I vote?

You may vote over the Internet, by telephone, by mail or in person at the Annual Meeting. Please be aware that if you vote by telephone or over the Internet, you may incur costs such as telephone and Internet access charges for which you will be responsible.

Vote by Internet. You can vote via the Internet at www.proxyvote.com. You will need to use the control number appearing on your proxy card to vote via the Internet. You can use the Internet to transmit your voting instructions up until 11:59 p.m. Eastern Time on Wednesday, May 6, 2015. Internet voting is available 24 hours a day. If you vote via the Internet, you do not need to vote by telephone or return a proxy card.

Vote by Telephone. You can vote by telephone by calling the toll-free telephone number 1-800-690-6903. You will need to use the control number appearing on your proxy card to vote by telephone. You may transmit your voting instructions from any touch-tone telephone up until 11:59 p.m. Eastern Time on Wednesday, May 6, 2015. Telephone voting is available 24 hours a day. If you vote by telephone, you do not need to vote over the Internet or return a proxy card.

Vote by Mail. If you received a printed proxy card, you can vote by marking, dating and signing it, and returning it in the postage-paid envelope provided to ClearSign Combustion Corporation, c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717. Please promptly mail your proxy card to ensure that it is received prior to the closing of the polls at the Annual Meeting.

Vote in Person at the Meeting. If you attend the Annual Meeting and plan to vote in person, we will provide you with a ballot at the Annual Meeting. If your shares are registered directly in your name, you are considered the

stockholder of record and you have the right to vote in person at the Annual Meeting. If your shares are held in the name of your broker or other nominee, you are considered the beneficial owner of shares held in street name. As a beneficial owner, if you wish to vote at the Annual Meeting, you will need to bring to the Annual Meeting a legal proxy from your broker or other nominee authorizing you to vote those shares.

If you vote by any of the methods discussed above, you will be designating Stephen E. Pirnat, our Chairman and Chief Executive Officer, and/or James N. Harmon, our Chief Financial Officer and Corporate Secretary, as your proxy(ies).

They may act together or individually on your behalf, and will have the authority to appoint a substitute to act as proxy.

Submitting a proxy will not affect your right to attend the Annual Meeting and vote in person.

If your shares are held in the name of a bank, broker or other nominee, you will receive separate voting instructions from your bank, broker or other nominee describing how to vote your shares. The availability of

TABLE OF CONTENTS

Internet voting will depend on the voting process of your bank, broker or other nominee. Please check with your bank, broker or other nominee and follow the voting instructions it provides.

Can I receive future materials via the Internet?

If you vote by Internet, simply follow the prompts for enrolling in electronic proxy delivery service. This will reduce the Company's printing and postage costs in the future, as well as the number of paper documents you will receive.

What is a proxy?

A proxy is a person you appoint to vote on your behalf. By using the methods discussed above, you will be appointing Stephen E. Pirnat, our Chairman and Chief Executive Officer, and James N. Harmon, our Chief Financial Officer and Corporate Secretary, as your proxies. They may act together or individually to vote on your behalf, and will have the authority to appoint a substitute to act as proxy. If you are unable to attend the Annual Meeting, please vote by proxy so that your shares of common stock may be voted.

How will my proxy vote my shares?

If you are a stockholder of record, your proxy will vote according to your instructions. If you choose to vote by mail and complete and return the enclosed proxy card but do not indicate your vote, your proxy will vote **FOR** the election of the directors-nominees (see Proposal 1); and **FOR** the ratification of Gumbiner Savett Inc. as our independent registered public accounting firm for the year ending December 31, 2015 (see Proposal 2). We do not intend to bring any other matter for a vote at the Annual Meeting, and we do not know of anyone else who intends to do so. Your proxies are authorized to vote on your behalf, however, using their best judgment, on any other business that properly comes before the Annual Meeting.

If your shares are held in the name of a bank, broker or other nominee (a **Nominee**), you will receive separate voting instructions from your Nominee describing how to vote your shares. The availability of Internet voting will depend on the voting process of your Nominee. Please check with your Nominee and follow the voting instructions your Nominee provides.

You should instruct your Nominee how to vote your shares. If you do not give voting instructions to the Nominee, the Nominee will determine if it has the discretionary authority to vote on the particular matter. Under applicable rules, brokers have the discretion to vote on routine matters, such as the ratification of the selection of accounting firms, but do not have discretion to vote on non-routine matters. Under the regulations applicable to New York Stock Exchange member brokerage firms (many of whom are the record holders of shares of our common stock), the uncontested election of directors is no longer considered a routine matter. Matters related to executive compensation are also not considered routine. As a result, if you are a beneficial owner and hold your shares in street name, but do not give your broker or Nominee instructions on how to vote your shares with respect to these matters, votes may not be cast on your behalf. If your Nominee indicates on its proxy card that it does not have discretionary authority to vote on a particular proposal, your shares will be considered to be **broker non-votes** with regard to that matter. Broker non-votes will be counted as present for purposes of determining whether enough votes are present to hold our Annual Meeting, but a broker non-vote will not otherwise affect the outcome of a vote.

How do I change my vote?

If you are a stockholder of record, you may revoke your proxy at any time before your shares are voted at the Annual Meeting by:

notifying our Corporate Secretary, James N. Harmon, in writing at 12870 Interurban Avenue South, Seattle, WA 98168, that you are revoking your proxy;
submitting a proxy at a later date via the Internet, or by signing and delivering a proxy card relating to the same shares and bearing a later date than the date of the previous proxy prior to the vote at the Annual Meeting, in which case your later-submitted proxy will be recorded and your earlier proxy revoked; or
attending and voting by ballot at the Annual Meeting.

2

TABLE OF CONTENTS

If your shares are held in the name of a Nominee, you should check with your Nominee and follow the voting instructions provided by your Nominee.

Who will count the votes?

Our Chief Financial Officer and Corporate Secretary, James N. Harmon, will act as the inspector of election and count the votes, with the assistance of reports provided by VStock Transfer LLC, our stock transfer agent.

What constitutes a quorum?

The holders of a majority of the Company's eligible votes as of the record date, either present or represented by proxy, constitute a quorum. A quorum is necessary in order to conduct the Annual Meeting. If you choose to have your shares represented by proxy at the Annual Meeting, you will be considered part of the quorum. Both abstentions and broker non-votes are counted as present for the purpose of determining the presence of a quorum. If a quorum is not present at the Annual Meeting, the stockholders present in person or by proxy may adjourn the meeting to a later date. If an adjournment is for more than 30 days or a new record date is fixed for the adjourned meeting, we will provide notice of the adjourned meeting to each stockholder of record entitled to vote at the meeting.

What vote is required to approve each proposal?

Election of Directors. For Proposal 1, the election of directors, the nominees will be elected by a plurality of the votes of the shares of common stock present in person or represented by proxy and entitled to vote at the Annual Meeting. You may choose to vote, or withhold your vote, separately for each nominee. A properly executed proxy or voting instructions marked **WITHHOLD** with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for the purposes of determining whether there is a quorum.

Ratification of the Appointment of Independent Registered Public Accounting Firm. For Proposal 2, the affirmative vote of the holders of shares of stock entitled to vote must exceed the votes cast against the proposal for the proposal to be approved.

Other Proposals. Any other proposal that might properly come before the meeting will require the affirmative vote of the holders of shares of common stock entitled to vote to exceed the votes cast against the proposal for the proposal to be approved, except when a different vote is required by law, our certificate of incorporation or our Bylaws.

Abstentions and broker non-votes with respect to any matter will be counted as present and entitled to vote on that matter for purposes of establishing a quorum, but will not be counted for purposes of determining the number of votes cast. Accordingly, abstentions and broker non-votes will have no effect on the outcome of voting with respect to any of the proposals.

What percentage of our common stock do our directors and officers own?

As of March 11, 2015, our current directors and executive officers beneficially owned approximately 13.6% of our common stock outstanding. See the discussion under the heading **Security Ownership of Certain Beneficial Owners**

and Management on page 23 for more details.

Who is soliciting proxies, how are they being solicited, and who pays the cost?

We, on behalf of our Board, through our directors, officers, and employees, are soliciting proxies primarily by mail and the Internet. Further, proxies may also be solicited in person, by telephone, or facsimile. We will pay the cost of soliciting proxies. We will also reimburse stockbrokers and other custodians, nominees, and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to the owners of our common stock.

Who is the Independent Registered Public Accounting Firm, and will they be represented at the Annual Meeting?

Gumbiner Savett Inc. served as the independent registered public accounting firm auditing and reporting on our financial statements for the year ended December 31, 2014 and has been appointed to serve as our independent registered public accounting firm for 2015. We expect that representatives of Gumbiner Savett Inc. will not be present at the Annual Meeting.

3

TABLE OF CONTENTS

What are the recommendations of the Board?

The recommendations of our Board are set forth together with the description of each proposal in this Proxy Statement. In summary, the Board recommends a vote:

FOR the election of the nominated directors (see Proposal 1); and
FOR the ratification of Gumbiner Savett Inc. as our independent registered public accounting firm for the year ending December 31, 2015 (see Proposal 2).

With respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by the Board or, if no recommendation is given, in their own discretion.

If you sign and return your proxy card but do not specify how you want to vote your shares, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Board.

Our business, property and affairs are managed by, or under the direction of, our Board, in accordance with the Washington Business Corporation Act and our Bylaws. Members of the Board are kept informed of our business through discussions with the Chief Executive Officer and other key members of management, by reviewing materials provided to them by management, and by participating in meetings of the Board and its Committees.

Stockholders may communicate with the members of the Board, either individually or collectively, or with any independent directors, individually or as a group, by writing to the Board at 12870 Interurban Avenue South, Seattle, WA 98168. These communications will be reviewed by the Corporate Secretary who, depending on the subject matter, will (a) forward the communication to the director or directors to whom it is addressed or who is responsible for the topic matter, (b) attempt to address the inquiry directly (for example, where it is a request for publicly available information or a stock related matter that does not require the attention of a director), or (c) not forward the communication if it is primarily commercial in nature or if it relates to an improper or irrelevant topic. At each meeting of the Nominating and Corporate Governance Committee, the Corporate Secretary presents a summary of communications received and will make those communications available to any director upon request.

Independence of Directors

In determining the independence of our directors, we apply the definition of independent director provided under the listing rules of The NASDAQ Stock Market LLC (NASDAQ). Pursuant to these rules, the Board concluded its annual review of director independence in February 2015. After considering all relevant facts and circumstances, the Board affirmatively determined that all of the directors then serving on the Board, including those nominated for election at the Annual Meeting are independent within the meaning of NASDAQ Listing Rule 5605 with the exception of Stephen E. Pirnat, who is our Chief Executive Officer and President, and David B. Goodson, who was an executive officer within the past three years and who was Executive Director of the Alternative Energy Resources Alliance which accepted compensation from us in excess of \$120,000 during a period of twelve consecutive months within the three years preceding the determination of independence.

Board Meetings and Committees of our Board

The Board has three standing committees which have members (Lon E. Bell, Scott P. Isaacson, and Jeffrey L. Ott) who satisfy the independence standards of the Securities Exchange Act of 1934 and NASDAQ's rules: the Audit Committee, the Compensation Committee, and the Nominating and Corporate Governance Committee. In February 2015, Mr. Pirnat became the Company's Chairman and Chief Executive Officer thereby losing his standing as an independent director. Mr. Ott is currently Chairman of the Audit Committee, Dr. Bell is Chairman of the Compensation Committee, and Mr. Isaacson is Chairman of the Nominating and Corporate Governance Committee. During the year ended December 31, 2014, the Board held five meetings, the Audit Committee held four meetings, the Compensation Committee held four meetings, and the Nomination and Corporate Governance Committee held four meetings. Each of our directors attended at least

TABLE OF CONTENTS

75% of the aggregate Board meetings and meetings of the Board committee(s) of which he is a member. We do not have a policy with regard to Board attendance at the Annual Meeting. All of the members of our Board attended the 2014 Annual Meeting.

Audit Committee

The Audit Committee consists of three non-employee directors, all of whom are independent as defined under section 5605(a)(2) of the NASDAQ Listing Rules. Prior to his appointment as our Chief Executive Officer, the Board had determined that Stephen E. Pirnat, the former Chairman of our Audit Committee, qualified as an audit committee financial expert as defined in the rules of the Securities and Exchange Commission. With the appointment of Mr. Pirnat as our Chief Executive Officer in February 2015, the Board appointed Jeffrey L Ott as Chairman of the Audit Committee and has determined that Mr. Ott qualifies as an audit committee financial expert. The Audit Committee operates pursuant to a charter, which can be viewed on our website at www.clearsign.com (under Investors-Corporate Governance-Governance Documents). The Audit Committee met four times during 2014 with all members in attendance at each meeting. The role of the Audit Committee is to:

oversee management's preparation of our financial statements and management's conduct of the accounting and financial reporting processes;

oversee management's maintenance of internal controls and procedures for financial reporting;

oversee our compliance with applicable legal and regulatory requirements, including without limitation, those requirements relating to financial controls and reporting;

oversee the independent auditor's qualifications and independence;

oversee the performance of the independent auditors, including the annual independent audit of our financial statements;

prepare the report required by the rules of the SEC to be included in our Proxy Statement; and

discharge such duties and responsibilities as may be required of the Committee by the provisions of applicable law, rule or regulation.

Compensation Committee

The Compensation Committee consists of three non-employee directors, all of whom were independent as defined in section 5605(a)(2) of the NASDAQ Listing Rules. The Compensation Committee met four times during 2014 with all members in attendance at each meeting. The role of the Compensation Committee is to:

review, approve and recommend to the Board our compensation and benefits policies generally and the annual compensation (base salary, bonus and other benefits) for all of our executives, including our Chief Executive Officer;

administer the ClearSign Combustion Corporation 2011 Equity Incentive Plan; and

annually review and make recommendations to the Board with respect to the compensation of non-employee directors, including any incentive plan compensation.

A copy of the charter of the Compensation Committee is available on our website at www.clearsign.com (under Investors-Corporate Governance-Governance Documents).

The Compensation Committee may engage outside advisers, including outside auditors, attorneys and consultants, as it deems necessary to discharge its responsibilities. The Compensation Committee has sole authority to retain and terminate any compensation expert or consultant to be used to provide advice on compensation levels or assist in the evaluation of director, Chief Executive Officer or senior executive compensation, including sole authority to approve the fees of any expert or consultant and other retention terms. In addition, the Compensation Committee considers, but is not bound by, the recommendations of our Chief Executive Officer with respect to the compensation packages of

our other executive officers.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee, or the Governance Committee, consists of three independent directors, as that term is defined in section 5605(a)(2) of the NASDAQ Listing Rules. The Governance Committee met four times during 2014 with all members in attendance at each meeting. The role of the Governance Committee is to:

- evaluate from time to time the appropriate size (number of members) of the Board and recommend any increase or decrease;
 - determine the desired skills and attributes of members of the Board, taking into account the needs of the business and listing standards;
 - establish criteria for prospective members, conduct candidate searches, interview prospective candidates, and oversee programs to introduce the candidate to us, our management, and operations;
 - review planning for succession to the position of Chairman of the Board and Chief Executive Officer and other senior management positions;
 - annually recommend to the Board persons to be nominated for election as directors;
 - recommend to the Board the members of all standing Committees;
 - adopt or develop for Board consideration corporate governance principles and policies; and
 - periodically review and report to the Board on the effectiveness of corporate governance procedures and the Board as a governing body, including conducting an annual self-assessment of the Board and its standing committees.
- A copy of the charter of the Governance Committee is available on our website at www.clearsign.com (under Investors-Corporate Governance-Governance Documents). The members of the Governance Committee reviewed the qualifications of the director-nominees.

Policy with Regard to Security Holder Proposals and Director Recommendations

Stockholder proposals are reviewed by the Corporate Secretary's office for compliance with the requirements for such proposals set forth in our Policy Regarding Stockholder Candidates for Nomination and in Regulation 14a-8 of the Securities Exchange Act of 1934. Stockholder proposals that meet these requirements will be summarized by the Corporate Secretary's office. Summaries and copies of the stockholder proposals are circulated to the Chairman of the Governance Committee.

The Governance Committee will consider director candidates recommended by stockholders. If a director candidate is recommended by a stockholder (a Nominating Stockholder), the Governance Committee expects to evaluate such candidate in the same manner it evaluates director candidates it identifies. A Nominating Stockholder must have continuously held at least 5% of the Company's common stock for at least three years by the date the name of the candidate is submitted, and must continue to hold the common stock through the date of the annual meeting. A Nominating Stockholder may submit one candidate for consideration at any annual meeting of stockholders. A Nominating Stockholder must submit a candidate for consideration as a director in writing to the Company's Secretary. The submission must be received by a date not later than the 120th calendar day before the anniversary of the date that the prior year's annual meeting proxy statement was released to stockholders (or if the annual meeting date has changed by more than 30 days, a reasonable time before we begin to print and mail the proxy statement) and must include the following information:

1. The name, address and number of shares of common stock owned by the Nominating Stockholder;

A representation that the Nominating Stockholder meets the requirements described above and will continue to meet them through the date of the annual meeting. If the Nominating Stockholder is not a registered holder of the Company's common stock, the Nominating Stockholder must provide evidence of eligibility as provided in Securities Exchange Act Rule 14a-8(b)(2).

7

TABLE OF CONTENTS

A description of all arrangements or understandings (whether written or oral) between or among the Nominating
3. Stockholder and the candidate or any other person or entity regarding the candidate (naming such person or entity) regarding the candidate's nomination.

All information regarding the candidate that the Company would be required to disclose in a proxy statement filed
4. pursuant to the rules and regulations of the Securities and Exchange Commission with respect to a meeting at which the candidate would stand for election.

Confirmation that the candidate is independent under the independence requirements established by the Company,
5. the Securities and Exchange Commission and NASDAQ, or if the candidate is not independent under all such criteria, a description of the reasons why the candidate is not independent.

6. The consent of the candidate to serve as a member of the Company's board of directors, if nominated and elected.

7. A representation signed by the candidate that if elected he or she will:

(i) represent all stockholders of the Company in accordance with applicable laws and the Company's Certificate of Incorporation, bylaws and other policies;

(ii) comply with all rules, policies or requirements generally applicable to non-employee directors; and

(iii) upon request, complete and sign customary directors and officers questionnaires.

Our Policy Regarding Stockholder Candidates for Nomination is available on our website at www.clearsign.com (under Investors-Corporate Governance-Governance Documents).

Director Qualifications and Diversity

The Board seeks independent directors who represent a diversity of backgrounds and experiences that will enhance the quality of the Board's deliberations and decisions. Candidates should have substantial experience with one or more publicly traded companies or should have achieved a high level of distinction in their chosen fields. The Board is particularly interested in maintaining a mix that includes individuals who are active or retired executive officers and senior executives, particularly those with experience in combustion, technology, air pollution control and air emission regulation, intellectual property, start-up companies, research and development, strategic planning, business development, compensation, finance, accounting and banking.

In evaluating nominations to the Board of Directors, the Governance Committee also looks for certain personal attributes, such as integrity, ability and willingness to apply sound and independent business judgment, comprehensive understanding of a director's role in corporate governance, availability for meetings and consultation on Company matters, and the willingness to assume and carry out fiduciary responsibilities. The Governance Committee took these specifications into account in formulating and re-nominating its present Board members. The current director candidates were recommended by the Governance Committee which is comprised of the three independent directors.

Compensation Committee Interlocks and Insider Participation

During 2014, Lon E. Bell (Chair), Stephen E. Pirnat, and Scott P. Isaacson served on the Compensation Committee.

Neither Dr. Bell nor Mr. Isaacson has ever been an officer or employee of ours. Mr. Pirnat was appointed as our Chairman and Chief Executive Officer in February 2015 and was replaced on the Compensation Committee by Jeffrey L. Ott, an independent director. Prior to being replaced by Mr. Ott, Mr. Pirnat did not participate in deliberations by the Board or the Compensation Committee that related to his compensation as an executive officer. None of our executive officers serves as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving as a member of our Board or the Compensation Committee.

Code of Ethics

We adopted a Code of Business Conduct and Ethics (Code of Ethics) applicable to our principal executive officer and principal financial and accounting officer and any persons performing similar functions. In addition,

8

TABLE OF CONTENTS

the Code of Ethics applies to our employees, officers, directors, agents and representatives. The Code of Ethics requires, among other things, that our employees avoid conflicts of interest, comply with all laws and other legal requirements, conduct business in an honest and ethical manner, and otherwise act with integrity and in our best interest. The Code of Ethics is available on our website at www.clearsign.com (under Investors). We intend to satisfy the disclosure requirement regarding an amendment to, or a waiver from, a provision of our Code of Ethics that applies to our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions by posting the information on our Internet website, www.clearsign.com.

Risk Oversight by the Board of Directors

It is management's responsibility to assess and manage the various risks we face. It is the Board's responsibility to oversee management in this effort. In exercising its oversight, the Board has allocated some areas of focus to its committees and has retained areas of focus for itself, as more fully described below.

Full Board Risks and exposures focused on by the full Board include strategic, financial and execution risks and other current matters that may present material risk to our operations, plans, prospects or reputation. Throughout the year the CEO discusses these risks with the Board during strategy reviews that focus on a particular business or function.

Audit Committee Risks and exposures focused on by the Audit Committee are those associated with financial matters, particularly financial reporting, tax, accounting, disclosure, internal control over financial reporting, financial policies, investment guidelines, risk management as a whole and credit and liquidity matters. This includes oversight responsibility for compliance risk associated with these matters including, for example, compliance with our Code of Ethics and finance- and accounting-related laws and policies.

Governance Committee Risks and exposures focused on by the Governance Committee are those relating to corporate governance and management and director succession planning. This includes oversight responsibility for compliance risk associated with these matters including, for example, compliance with governance-related laws and policies, including our corporate governance guidelines.

Compensation Committee Risks and exposures focused on by the Compensation Committee are those associated with leadership assessment and compensation programs and arrangements, including incentive plans. This includes oversight responsibility for compliance risk associated with these matters including, for example, compliance with executive compensation plans and related laws and policies.

Board Leadership Structure

The Chairman of the Board presides at all meetings of the Board. The Chairman is appointed on an annual basis by at least a majority vote of the remaining directors. Stephen E. Pirnat, our Chief Executive Officer, is also the Chairman of the Board of Directors. The Board believes that it is currently in the best interests of the Company and its shareholders to have Mr. Pirnat serve both roles given the fact that our business is still in the development stage. As an experienced executive in the industrial burner industry, one of the Company's original independent directors, and as our current Chief Executive Officer, Mr. Pirnat has deep industry experience, insight into the Company's development and has direct involvement in its operations; therefore, he is in the best position to propose short and long term objectives for our business. This ensures that the Board of Directors focuses on important strategic objectives and understands the challenges facing the Company on a day-to-day basis. We believe that this combined role is balanced by the independence of a majority of our proposed directors, who may meet in executive session at any time, which

allows them to review key decisions and to discuss matters independently of Mr. Pirnat. Our Board does not have a person designated as a lead independent director.

Review, Approval or Ratification of Transactions with Related Persons

The Board of Directors reviews issues involving potential conflicts of interest, and reviews and approves all related party transactions, including those required to be disclosed as a related party transaction under applicable federal securities laws. The Board has not adopted any specific procedures for conducting reviews of potential conflicts of interest and considers each transaction in light of the specific facts and circumstances presented. However, to the extent a potential related party transaction is presented to the Board, the Company

TABLE OF CONTENTS

expects that the Board would become fully informed regarding the potential transaction and the interests of the related party, and would have the opportunity to deliberate outside of the presence of the related party. The Company expects that the Board would only approve a related party transaction that was in the best interests of, and fair to, the Company, and further would seek to ensure that any completed related party transaction was on terms no less favorable to the Company than could be obtained in a transaction with an unaffiliated third party.

Compliance with Section 16 of the Exchange Act

Based solely upon a review of Forms 3, 4 and 5 furnished to the Company, the Company believes that all of its directors, officers and beneficial owners of more than 10% of our equity securities timely filed these reports.

TABLE OF CONTENTS**2014 Option Exercises**

The following table sets forth certain information concerning the exercise of stock options by our NEOs during 2014.

Name	OPTION AWARDS	
	Number of Shares Acquired on Exercise	Value Realized on Exercise ⁽¹⁾
James N. Harmon	13,340 ⁽²⁾	\$ 35,750

Joseph Colannino	9,837 ⁽³⁾	\$ 62,914

The amounts shown as Value Realized on Exercise are determined by multiplying the number of shares exercised (1) by the difference between the per-share closing price of our common stock on the date of exercise and the exercise price of the options.

In 2013, Mr. Harmon was granted options to purchase 13,340 shares of common stock whereby the unearned options vest at the rate of 6.25% on April 1, 2013 and on the first day of each calendar quarter thereafter until fully vested on January 1, 2017. Employment Contracts and Termination of Employment and Change-in-Control Arrangements

Effective on February 3, 2015 we entered into an Employment Agreement with Stephen E. Pirnat, our Chief Executive Officer. Unless earlier terminated, the agreement will continue until December 31, 2017. Mr. Pirnat's annual salary is \$350,000 with a cost-of-living adjustment made to the annual salary at the beginning of each calendar year of the term. The Compensation Committee may grant an annual bonus to Mr. Pirnat, which may equal up to 60% of his annual salary, based on performance standards and goals achieved by him. The bonus for the year ending December 31, 2015 will be a minimum of 30% of his annual salary.

The Company has also issued an option, pursuant to the ClearSign Combustion Corporation 2011 Equity Incentive Plan (the Plan), for the purchase of 100,000 shares of the Company's common stock. The per share exercise price of the option is \$5.97, which is equal to the closing price of Company's common stock on the grant date and the term of the option is 10 years. The option will vest entirely on February 3, 2016 (or, alternatively, the option will be immediately exercisable but the shares issuable upon exercise will be subject to a Company repurchase right at exercise price in the event Mr. Pirnat's employment terminates, which repurchase right will lapse upon the first anniversary of the effective date of his employment). Our Board of Directors has authorized a second option to be granted to Mr. Pirnat for the purchase of 200,000 shares of the Company's common stock. The date of the option will

be April 1, 2015, the per share exercise price of the option will be equal to the closing price of Company's common stock on April 1, 2015 and the term of the option will be 10 years. With respect to the second option, the right to purchase 100,000 shares of common stock will vest on the first anniversary of the grant date and the right to purchase 100,000 shares of common stock will vest on the second anniversary of the grant date (or, alternatively, such option will be immediately exercisable but the shares issuable upon exercise thereof will be subject to a Company repurchase right at exercise price in the event Mr. Pirnat's employment terminates, which repurchase right will lapse as to 100,000 shares of common stock on the first anniversary of the grant date and as to 100,000 shares of common stock on the second anniversary of the grant date).

TABLE OF CONTENTS

Mr. Pirnat will receive a relocation allowance, including moving expenses in an amount not to exceed \$24,000, closing costs relating to the sale of his residence in Oklahoma in an amount not to exceed \$40,000 and six months of living expenses following his move to Seattle, Washington, which will not exceed \$6,300 per month.

Mr. Pirnat's employment may be terminated for cause, as defined in the Employment Agreement, due to his death or disability, by the election of the Company or Mr. Pirnat, or as a result of a change in control, as defined in the Employment Agreement. If the Employment Agreement is terminated as a result of Mr. Pirnat's death, disability or by his election, Mr. Pirnat will receive accrued but unpaid annual salary, value of unused paid time off through the effective date of termination, accrued but unpaid annual bonus, if any and business expenses incurred prior to the effective date of termination. If we terminate the agreement without cause, Mr. Pirnat will receive accrued but unpaid annual salary and the value of accrued but unused vacation pay through the effective date of the termination, accrued but unpaid annual bonus, if any, business expenses incurred prior to the effective date of termination and an amount equal to the greater of (A) his annual salary, less legal deductions, for a period of the remaining number of months in the initial term of his employment agreement, or (B) his annual salary, less legal deductions. At his expense, Mr. Pirnat would also be entitled to continue to participate in employee benefit plans for a period of 12 months following termination of his employment. Additionally, Mr. Pirnat would be entitled to immediate accelerated vesting of all unvested options granted under the Employment Agreement or, if applicable, lapse of the Company's right to repurchase common stock purchased prior to vesting. If his employment is terminated as a result of a change of control, Mr. Pirnat will receive accrued but unpaid annual salary and the value of accrued but unused vacation pay through the effective date of the termination, accrued but unpaid annual bonus, if any, business expenses incurred prior to the effective date of termination and an amount equal to his annual salary. Additionally, Mr. Pirnat would be entitled to immediate accelerated vesting of all unvested options granted under the Employment Agreement or, if applicable, lapse of the Company's right to repurchase common stock purchased prior to vesting.

In December 2014, we entered into a Separation, Severance and Release Agreement ("Separation Agreement") with Richard F. Rutkowski. In accordance with the terms of the Separation Agreement, Mr. Rutkowski resigned his positions as Chief Executive Officer, President and a director effective as of December 9, 2014.

In accordance with the terms of the Agreement and in conjunction with his resignation, we paid to Mr. Rutkowski: (a) his accrued but unpaid annual salary through the last day of his employment, equal to \$8,984; (b) the value of his accrued but unused vacation pay through the last day of his employment, equal to \$24,901; (c) the sum of \$60,000 as an annual bonus for 2014 and (d) approved business expenses incurred prior to the last day of his employment and evidenced through proper documentation. In accordance with the terms of the Separation Agreement, we will also pay to Mr. Rutkowski his previous annual salary of \$359,354 through December 10, 2016. Mr. Rutkowski's annual salary will be payable in accordance with our regular payroll schedule. Mr. Rutkowski will be permitted to continue to participate in our employee benefit plans for a period of 12 months following the last date of his employment, at our expense.

In exchange for a full release of all claims against us and certain covenants, including a covenant of Mr. Rutkowski not to compete with us for so long as he is receiving salary payments, we accelerated the vesting of one-half of Mr. Rutkowski's stock options that would otherwise remain unvested as of January 2, 2015 and any unvested stock options that were scheduled to vest from the date of the Separation Agreement through January 1, 2015.

All of the option awards and stock awards granted to the Company's executives include change-in-control arrangements whereby any unvested stock options would vest or any repurchase rights for stock grants or, if exercised prior to vesting, stock options would terminate as a result of a change in control.

Compensation Discussion

Overview

The Compensation Committee of the Board administers our executive compensation and benefit programs. The Compensation Committee is comprised exclusively of independent directors and oversees all compensation and benefit programs and actions that affect our executive officers.

Compensation Process and Role of Management

The Compensation Committee is responsible for determining and approving all compensation for our executive officers. Pursuant to its charter, the Compensation Committee recommends to the full Board the salary, annual incentive compensation or bonus, long-term incentive compensation in the form of stock options or stock grants, and all other employment, severance and change-in-control agreements applicable to executive officers. As discussed below, our Chief Executive Officer assists the Compensation Committee in its deliberations with respect to the compensation payable to our other executive officers.

Following the end of each fiscal year, our Chief Executive Officer evaluates executive officer performance for the prior fiscal year, other than his own performance, and discusses the results of such evaluations with the Compensation Committee. The Chief Executive Officer assesses each executive officer's performance for the prior fiscal year based upon subjective factors concerning such officer's individual business goals and objectives, and the contributions made by the executive officer to our overall results. The Chief Executive Officer then makes specific recommendations to the Compensation Committee for adjustments to base salary and the grant of a target bonus and/or equity award, if appropriate, as part of the compensation packages for each executive officer, other than himself, for the next fiscal year.

The Compensation Committee reviews the performance of the Chief Executive Officer and determines all compensation for the Chief Executive Officer. The Chief Executive Officer is not present at the time the Compensation Committee reviews his performance and discusses his compensation.

Evaluation of Compensation Practices

In 2012 the Compensation Committee engaged Buck Consultants to evaluate our executive compensation program. The objective was to determine the equity and competitiveness of our practices with those of peer companies and relevant standards promulgated by shareholder rights organizations and other relevant stakeholders. Although the study analyzed executive compensation comprehensively, there was particular focus on equity incentives for executives. The Compensation Committee integrated the results of the November 2012 study into its evaluation of executive compensation in 2014 and 2013 and expects to reference it in the future as a framework for executive compensation. Buck Consultants provided no other services to us following the evaluation.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table shows information known to us about beneficial ownership of our common stock by:

each of our directors;

each of our current NEOs as well as any additional individuals identified as NEOs in the section of this report titled Executive Compensation ;

all of our directors and executive officers as a group; and

each person known by us to beneficially own 5% or more of our common stock.

Beneficial ownership and percentage ownership are determined in accordance with the rules of the SEC. Under these rules, beneficial ownership generally includes any shares as to which the individual or entity has sole or shared voting power or investment power and includes any shares that an individual or entity has the right to acquire beneficial ownership of on or before May 10, 2015, which is 60 days from March 11, 2015, through the exercise of any option, warrant, conversion privilege or similar right. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of our common stock that could be issued upon the exercise of outstanding options and warrants that are exercisable on or before May 10, 2015 are considered to be outstanding.

These shares, however, are not considered outstanding as of March 11, 2015 when computing the percentage ownership of each other person.

TABLE OF CONTENTS

To our knowledge, except as indicated in the footnotes to the following table and subject to state community property laws where applicable, all beneficial owners named in this table have sole voting and investment power with respect to all shares shown as beneficially owned by them. Percentage of ownership is based on ClearSign's shares of common stock outstanding as of March 11, 2015.
