INFORMATION STATEMENT

September __, 2009

ORIENT PAPER, INC.

GENERAL

This Information Statement is being distributed to the holders of record of the common stock, par value \$.001 per share (Common Stock), of Orient Paper, Inc., a Nevada corporation (the Company), at the close of business on September __, 2009 (the Record Date) under Rule 14c-2 of the Securities Exchange Act of 1934, as amended (the Exchange Act). The Information Statement advises shareholders of actions taken and approved on September 14, 2009 by Zhenyong Liu, Xiaodong Liu, Fuzeng Liu and Chen Li, who comprise the Company s board of directors, and ratified on September 21, 2009 by holders of a majority of the Company s outstanding shares of Common Stock (the Majority Shareholders), to effect a one-for-four (1:4) reverse split of the issued and outstanding shares of common stock of the Company without changing the par value of the stock (Reverse Split), which would decrease the number of outstanding Common Stock from 49,984,349 to 12,496,088.

The Reverse Split will not become effective until the filing with the Office of the Secretary of State of Nevada of Articles of Amendment to the Company s Articles of Incorporation (the Amendment) at least twenty (20) days after the date of the mailing of this Information Statement to the Company s shareholders.

THIS IS NOT A NOTICE OF A SPECIAL MEETING OF SHAREHOLDERS AND NO SHAREHOLDER MEETING WILL BE HELD TO CONSIDER ANY MATTER WHICH WILL BE DESCRIBED HEREIN. WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY.

INTRODUCTION

The Company is based in the People's Republic of China and is engaged in mainly in production and distribution of products such as printing paper, uncoated and coated paper, corrugated paper, plastic paper, graphic design paper, and other paper and packaging related products. The Company uses recycled paper as its primary raw material and has its corporate offices in Baoding, PRC.

The Company also believes that the Reverse Split would be in the best interests of the Company because it would increase the per share stock price. The Company believes that if it is successful in maintaining a higher stock price, the stock will generate greater interest among professional investors and institutions. If the Company is successful in generating interest among such entities, it is anticipated that the shares of its Common Stock would have greater liquidity and a stronger investor base. Thus, the Board of Directors approved, and the Majority Shareholders ratified, an amendment to the Company's Articles of Incorporation to effect the Reverse Split. The Reverse Split will become effective immediately upon the filing of the Amendment with the Office of the Secretary of State of Nevada. The filing will be made at least twenty (20) days after the date this Information Statement is first sent to shareholders.

THE REVERSE SPLIT

The Board of Directors and Majority Shareholders approved an amendment to the Articles of Incorporation of the Company to effect the Reverse Split. At the time of the Reverse Split, holders of outstanding shares of Common Stock will receive one share of post-Reverse Split Common Stock for each four shares of pre-Reverse Split Common Stock held as of the close of business on the date the Amendment is filed, depending on the exact ratio of the Reverse Split. No fractional shares of Common Stock will be issued in connection with the Reverse Split. All fractional share amounts resulting from the Reverse Split will be rounded up to the next whole new share. In

connection with the Reverse Split, the Company's Board of Directors, in its sole discretion, may provide special treatment to shareholders to preserve round lot holders (i.e., holders owning at least 100 shares) after the Reverse Split.

Authorization by the Directors and the Majority Shareholders

Under Section 78.315(2) of the Nevada Revised Statutes and the Company's Articles of Incorporation, any action required or permitted to be taken at a meeting of the board of directors or of a committee thereof may be taken without a meeting if, before or after the action, a written consent thereto is signed by all the members of the board or of the committee. Further, under Section 78.320 of the Nevada Revised Statutes and the Company's Articles of Incorporation, any action that can be taken at an annual or special meeting of shareholders may be taken without a meeting, without prior notice and without a vote if the holders of outstanding stock having not less than the minimum number of votes that will be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted consent to such action in writing. Under Chapter 78 of the Nevada Revised Statutes and the Company's Articles of Incorporation, as amended, the approval of the abovementioned Reverse Split requires the affirmative vote or written consent of a majority of the issued and outstanding shares of Common Stock. Each share is entitled to one vote per share on any matter which may properly come before the shareholders.

On September 14, 2009, the board of directors unanimously authorized the Reverse Split and the filing of the Amendment by Written Consent of the Board of Directors as set forth in Exhibit A to this Information Statement.

Edgar Filing: Orient Paper Inc. - Form PRE 14C

On September 21, 2009, the Majority Shareholders of the Company and holders of 54.94% of the total outstanding Common Stock and 27,463,405 votes, ratified the Board of Directors' Written Consent and further authorized the Reverse Split and the filing of the Amendment by Written Consent of the Majority Shareholders as set forth in Exhibit B to this Information Statement. As of the close of business on September 21, 2009, the Company had outstanding 49,984,349 shares of Common Stock carrying a total of 49,984,349 votes.

Accordingly, the Company has obtained all necessary corporate approvals in connection with the Reverse Split and is furnishing this Information Statement solely for the purpose of informing shareholders of the Reverse Split, in the manner required under the Exchange Act, before the Amendment effectuating the Reverse Split may be filed.

Effective Date

The Reverse Split will become effective immediately upon the filing of Articles of Amendment to the Articles of Incorporation of the Company with the Office of the Secretary of State of Nevada.

Pursuant to Rule 14c-2 under the Securities Exchange Act of 1934, as amended, the filing will be made at least twenty (20) days after the date on which this Information Statement has been mailed to the stockholders. The Company anticipates that the actions contemplated herein will be effected on or about the close of business on October 22, 2009.

This Information Statement will serve as written notice to stockholders pursuant to the Nevada Revised Statutes.

Reasons for the Reverse Split

Shareholders should note that the effect of the Reverse Split upon the market price for the Common Stock cannot be accurately predicted. We cannot assure you that the market price for shares of Common Stock will be proportionately greater after the Reverse Split than immediately prior to the Reverse Split, or that the market price will increase, or that any increase will be maintained for any period of time, after the Reverse Split. We also cannot assure you that the Reverse Split will not adversely impact the market price of the Common Stock.

Bid and ask quotations for the Common Stock appear on the NASD's Over-the-Counter Bulletin Board under the symbol OPAI.OB. The high bid and low ask prices for the Common Stock, as reported by Yahoo Finance on September 21, 2009, were: \$0.94 and \$0.89, respectively. These over-the-counter market bid and ask quotations

reflect inter-dealer prices, without retail mark-up, mark-down or commissions and may not necessarily represent actual transactions. As of September 21, 2009, there were approximately 32 holders of record of the Common Stock.

Effects of the Reverse Split

Edgar Filing: Orient Paper Inc. - Form PRE 14C

Voting Rights. Holders of Common Stock will continue to have one vote for each share of Common Stock owned after the Reverse Split. Consequently, the voting and other rights of the holders of the Common Stock will not be affected by the Reverse Split.

Number of Shareholders; Par Value and Authorized Shares. The number of shareholders of record will not be affected by the Reverse Split. The par value and authorized number of shares of Common Stock under the Company's Articles of Incorporation will remain the same following the effective time of the Reverse Split.

Number of Shares Outstanding. The number of shares of Common Stock issued and outstanding will be reduced following the effective time of the Reverse Split. As a result of the Reverse Split, each three-to-five shares of Common Stock owned before the effective time of the Reverse Split will be converted automatically into one share of Common Stock, without any action on the part of the shareholders, subject to adjustment for fractional shares and subject to the exact whole number ratio to be determined by the Company's Chief Executive Officer, Mr. Zhenyong Liu in consultation with certain investors of the Company.

All fractional share amounts resulting from the Reverse Split will be rounded up to the next whole new share. In connection with the Reverse Split, our Board of Directors, in its discretion, may provide special treatment to certain shareholders to preserve round lot holders (i.e., holders owning at least 100 shares) after the Reverse Split.

Public Status; Reporting Requirements. There is currently no intention for the Company to go private, and the Reverse Split is not intended to be a first step in a going private transaction and will not have the effect of a going private transaction covered by Rule 13e-3 of the Exchange Act. Moreover, the Reverse Split will not increase the risk of the Company becoming a private company in the future. The Company will continue to be subject to the periodic reporting requirements of the Exchange Act following the Reverse Split.

Issuance of Additional Shares. The number of authorized shares of Common Stock will continue to be 500,000,000 shares after the Reverse Split. However, the number of authorized but unissued shares of Common Stock effectively will be increased significantly by the Reverse Split because the 49,984,349 shares outstanding prior to the Reverse Split, approximately 10% of the 500,000,000 authorized shares, will be reduced to approximately 12,496,088 shares, approximately 2.50% of the 500,000,000 authorized shares in the event of a one-for-four (1:4) reverse split. The effective increase in the number of authorized but unissued shares of Common Stock may be construed as having an anti-takeover effect by permitting the issuance of shares to purchasers who might oppose a hostile takeover bid or oppose any efforts to amend or repeal certain provisions of the Company's Articles of Incorporation or Bylaws. Such a use of these additional authorized shares could render more difficult, or discourage, an attempt to acquire control of the Company through a transaction opposed by the Board of Directors. At this time, the Board of Directors does not have plans to issue any shares of Common Stock resulting from the effective increase in the number of our authorized but unissued shares generated by the Reverse Split.

Outstanding Shares and Voting Rights

As of the Record Date, the Company's authorized capitalization consisted of 500,000,000 shares of Common Stock, of which 49,984,349 shares were issued and outstanding. Holders of Common Stock of the Company have no preemptive rights to acquire or subscribe to any of the additional shares of Common Stock.

Each share of Common Stock entitles its holder to one vote on each matter submitted to the stockholders.

Federal Income Tax Consequences

The Company will not recognize any gain or loss as a result of the Reverse Split.

The Company has not sought and will not seek an opinion of counsel or a ruling from the Internal Revenue Service regarding the Federal income tax consequences of the Reverse Split. The state and local tax consequences of the Reverse Split may vary significantly as to each stockholder, depending upon the jurisdiction in which such shareholder resides. Shareholders are urged to consult their own tax advisers to determine the particular consequences of the Reverse Split to them.

Distribution and Costs

The Company will pay the cost of preparing, printing and distributing this Information Statement. Only one Information Statement will be delivered to multiple shareholders sharing an address, unless contrary instructions are received from one or more of such shareholders. Upon receipt of a written request at the address noted above, the Company will deliver a single copy of this Information Statement and future shareholder communication documents to any shareholders sharing an address to which multiple copies are now delivered.

Absence of Dissenters Rights of Appraisal

Neither the adoption by the Board of Directors, nor the approval by the Majority Shareholders, of the Reverse Split provides shareholders any right to dissent and obtain appraisal of or payment for such shareholder's shares under Section 78 of the Revised Nevada Statutes, the Articles of Incorporation or the Bylaws.
