PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD MAY 18, 2005

This proxy statement contains information related to the annual meeting of shareholders of American Retirement Corporation (the "Company") to be held at the date, time, and place and for the purposes set forth in the accompanying notice of annual meeting of shareholders, and at any adjournment or postponement thereof. This proxy statement and the enclosed proxy are first being sent to shareholders on or about April 19, 2004.

At the annual meeting, shareholders will act upon the matters outlined in the accompanying notice of meeting, including the election of three Class II directors and the consideration of a proposal to amend the Company's Associate Stock Purchase Plan to increase the number of shares of common stock authorized for issuance pursuant to the plan. Shareholders of record on the record date, April 8, 2005, are entitled to notice of and to vote at the annual meeting. Each shareholder is entitled to one vote for each share of common stock held on the record date.

The presence at the meeting, in person or by proxy, of at least a majority of the outstanding shares of common stock entitled to vote is necessary to constitute a quorum to transact business at the annual meeting. As of the record date, 30,951,688 shares of the Company's common stock were outstanding. Proxies received but marked as abstentions will be counted as present for purposes of determining a quorum on all matters. Broker non-votes will be counted as present for purposes of determining a quorum on all matters presently known to be brought to a vote at the annual meeting, except for the amendment to the Associate Stock Purchase Plan. Broker non-votes will not be counted as present for purposes of determining a quorum to consider the amendment to the Associate Stock Purchase Plan. A broker non-vote occurs when a broker holding shares registered in street name is permitted to vote, in the broker's discretion, on routine matters without receiving instructions from the client, but is not permitted to vote without instructions on non-routine matters, and the broker returns a proxy card with no vote (the "non-vote") on the non-routine matter.

Shares of common stock represented by a proxy properly signed and received at or prior to the annual meeting, unless subsequently revoked, will be voted in accordance with the instructions thereon. Shareholders are urged to specify their choices by marking the appropriate boxes on the enclosed proxy. If a proxy is dated, signed, and returned without specifying choices, the shares will be voted as recommended by the Company's Board of Directors. A shareholder who signs and returns a proxy may revoke it at any time before it is voted by attending the annual meeting and electing to vote in person, by notifying the secretary of the Company in writing, or by duly executing a proxy bearing a later date. Shareholders whose shares of common stock are held in street name who wish to attend the meeting and vote in person will need to obtain a proxy form from the institution that holds their shares.

The affirmative vote of a plurality of the votes cast at the annual meeting is required for the election of directors. Abstentions and broker non-votes will not be counted as votes for or against any director nominee. The amendment to the Associate Stock Purchase Plan will be approved if the number of shares of common stock voted in favor of the proposal exceeds the number of shares of common stock voted against it. Pursuant to the rules of the New York Stock Exchange, abstentions will have the effect of a vote against the amendment to

Edgar Filing: AMERICAN RETIREMENT CORP - Form DEF 14A

the Associate Stock Purchase Plan. Broker non-votes will not be counted as votes for or against the amendment to the Associate Stock Purchase Plan. Any other matters that may properly come before the meeting or any adjournment thereof shall be approved by the affirmative vote of a majority of the votes cast by the holders of common stock represented and entitled to vote at the annual meeting, and abstentions and "non-votes" will have no effect on the outcome of the vote.

The Board of Directors knows of no other matters that are to be brought to a vote at the annual meeting. If any other matter, properly presented consistent with the Company's bylaws, does come before the annual meeting, the persons appointed in the proxy or their substitutes will vote in accordance with the recommendation of the Board of Directors or, if no recommendation is given, in their best judgment.

CORPORATE GOVERNANCE

GENERAL

The Company believes that effective corporate governance is critical to the Company's long-term health and ability to create value for the shareholders. During the past year, the Company has continued to review its corporate governance policies and practices and to compare them against "best practice" proposals and the practices of other public companies. The Company has also continued to review the provisions of the Sarbanes-Oxley Act of 2002, new and proposed rules of the Securities and Exchange Commission, or the SEC, and the corporate governance rules of the New York Stock Exchange, or the NYSE. The Company continues to monitor emerging developments in corporate governance and enhance its policies and procedures when required or when the Board determines that it would benefit the Company and the shareholders.

The responsibilities of the Board and the committees of the Board are described below, along with other corporate governance-related disclosures. The Company's Corporate Governance Guidelines, Code of Business Conduct and Ethics and current committee charters are available on the "Investors Welcome" section of the Company's website, www.arclp.com, or in print by request to the following address: American Retirement Corporation, Attention: Secretary, 111 Westwood Place, Suite 200, Brentwood, Tennessee 37027.

DIRECTOR CANDIDATES

The Nominating and Corporate Governance Committee considers candidates for board membership suggested by its members and other board members, as well as management and shareholders in accordance with the terms of the Company's Director Nominations Policy, a copy of which is attached to this proxy statement as Appendix A and is available on the "Investors Welcome" section of the Company's website at www.arclp.com. A shareholder who wishes to recommend a prospective nominee for the Board should notify the Secretary in writing, in compliance with the notice, timing and other requirements provided for in the Bylaws. There are no differences in the manner in which the Committee evaluates prospective nominees based on whether the nominee is recommended by a shareholder.

The Committee does not have specific minimum qualifications for prospective nominees, except that each nominee must have professional integrity, sound judgment and sufficient time available to devote to Board activities.

After the Nominating and Corporate Governance Committee has identified a prospective nominee, the Committee decides whether to conduct a full evaluation of the candidate. The initial determination is based on the initial information provided to the Committee, the Committee's own knowledge of the candidate, and any information received from inquiries by the Committee or others. The Committee also considers the need for additional Board members to fill vacancies or expand the size of the Board and the likelihood that the prospective nominee can satisfy a full evaluation.

If the Committee determines that additional consideration is warranted, it may request additional information about the prospective nominee's background and experience. The Committee then evaluates the prospective nominee in depth, including an evaluation of the prospective nominee's general understanding of the elements relevant to the success of a publicly-traded company in today's

Edgar Filing: AMERICAN RETIREMENT CORP - Form DEF 14A

business environment and the Company's business, together with an analysis of the prospective nominee's skills, educational and professional background, experience and other personal characteristics. The Committee also considers any other factors it deems relevant, including the current composition of the Board, the balance of management and independent directors, the need for audit committee or other specialized expertise, the need for diversity and the qualifications of other prospective nominees. The Committee then determines whether an interview(s) is warranted. If so, one or more members of the Committee, and other members of the Board of Directors as appropriate, interview(s) the prospective nominee. After completing the evaluation and interviews, the Committee determines whether or not to recommend the prospective nominee to the full Board, and the Board, after considering the recommendation and report of the Committee, decides whether to appoint and/or nominate the candidate.

BOARD OF DIRECTORS MEETINGS AND COMMITTEES

The Board of Directors is responsible for establishing broad corporate policies and reviewing the overall performance of the Company rather than day-to-day operations. In fulfilling its duties, the Board is guided primarily by the Bylaws and the charters of the board committees. The Board's primary responsibility is to oversee the Company's management and, in so doing, serve the best interests of the Company and the shareholders. The Board selects, evaluates, and provides for the succession of the executive officers. It reviews and approves corporate objectives and strategies, and evaluates significant policies and proposed major commitments of corporate resources. It participates in decisions that have a potential major economic impact on the Company. Management keeps directors informed of the Company's activities through regular written reports and presentations at Board and committee meetings.

Mr. Sheriff is the only director who is currently an employee of the Company. Mr. Coates was a consultant to the Company through January 2005. The non-management directors meet at regularly scheduled executive sessions (I.E., with no members of management present). Executive sessions of the non-management directors are chaired by Mr. Bumstead, the Company's Lead Director. During 2004, the non-management directors held seven meetings in executive session, and the independent directors also met once in executive session.

The Board of Directors holds regular quarterly meetings and meets on other occasions when required by special circumstances. The Board of Directors met seven times during 2004. Each director attended at least 75% of the total number of meetings of the Board of Directors and the committees on which he or she served.

The Board has standing Audit, Compensation, Executive, Nominating and Corporate Governance, and Quality Assurance Committees. Each of the Audit, Compensation, Nominating and Corporate Governance, and Quality Assurance Committees operates pursuant to a written charter that has been approved by the Board, which it reviews at least annually. A copy of each committee charter is available on the "Investors Welcome" section of the Company's website at www.arclp.com.

The Board and each committee annually conducts a self-evaluation of whether the Board and each such committee are functioning effectively.

Edgar Filing: AMERICAN RETIREMENT CORP - Form DEF 14A

The Audit, Compensation, and Nominating and Corporate Governance Committees are composed entirely of independent directors.

AUDIT COMMITTEE

The Company has a separately-designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934. The Audit Committee consists of Messrs. Stuesser and Pearson and Ms. Smith, with Mr. Stuesser serving as its Chair. The Board has determined that each member of the Audit Committee is an "independent director" and "financially literate" under applicable SEC and NYSE rules. The Board has determined that Mr. Stuesser qualifies as an "audit committee financial expert" as defined under rules adopted by the SEC and is "independent," as that term is used in Item 7(d)(3)(iv) of Schedule 14A under the Exchange Act. The Audit Committee has the following responsibilities, among others:

- o oversee the Company's financial controls, accounting policies and reporting processes;
- o appoint and oversee the Company's registered public accounting firm;
- o monitor the audit of the Company's financial statements;
- o review the Company's annual and interim financial statements;
- o review the Company's policies with respect to risk assessment; and
- o oversee corporate compliance activities of the Company.

The Audit Committee held nine meetings in 2004.

COMPENSATION COMMITTEE

The Compensation Committee consists of Messrs. Davis, McCauley and O'Connell and Ms. Smith, with Mr. Davis serving as its Chair. The Board has determined that each member is an "independent director" under applicable NYSE rules. The Compensation Committee determines compensation, including awards under the current equity incentive plans, for the executive officers. The Compensation Committee has the following responsibilities, among others:

- o approve compensation and performance criteria for compensation programs with respect to executive officers;
- o advise management regarding benefits and other terms and conditions of compensation; and
- o administer the Company's stock incentive, stock purchase, 401(k), deferred compensation plans and other executive compensation plans.

The Compensation Committee held nine meetings in 2004.

EXECUTIVE COMMITTEE

The Executive Committee consists of Messrs. Bumstead and Sheriff and Dr. Morris, with Mr. Bumstead serving as its Chair. When necessary, the Executive Committee exercises the power and authority of the full Board of Directors between meetings of the Board, except the power to authorize any matter prohibited by the Tennessee Business Corporation Act. The Executive Committee also reviews and evaluates certain transactions or special projects as requested by the Board of Directors and brings recommendations to the Board. The Executive Committee met frequently in 2004 on an informal basis and held one formal meeting during the year.

NOMINATING AND CORPORATE GOVERNANCE COMMITTEE

Edgar Filing: AMERICAN RETIREMENT CORP - Form DEF 14A

The Nominating and Corporate Governance Committee consists of Mr. Bumstead and Ms. Smith, with Ms. Smith serving as its Chair. The Board has determined that each member is an "independent director" under applicable NYSE rules. The Nominating and Corporate Governance Committee is responsible for, among other things, developing and implementing policies and practices relating to corporate governance. The Nominating and Corporate Governance Committee also develops and reviews background information for director candidates, including those recommended by shareholders, and makes recommendations to the Board regarding such candidates. Additional information regarding this committee's activities is provided above under the heading "Director Candidates." The Nominating and Corporate Governance Committee held two meetings in 2004.

QUALITY ASSURANCE COMMITTEE

The Quality Assurance Committee consists of Messrs. Coates and McCauley and Dr. Morris, with Mr. McCauley serving as its Chair. The Quality Assurance Committee assists, and makes recommendations to, the Board of Directors with respect to its oversight responsibilities regarding the following matters:

- o the liability risks inherent in the Company's operating activities;
- o the Company's liability risk management program, policies and procedures, and its insurance programs;
- o the Company's quality assurance program, policies and procedures; and
- o the Company's compliance with legal and regulatory requirements relating to its operating activities.

The Quality Assurance Committee held five meetings in 2004.

LEAD DIRECTOR

The Board of Directors has designated Mr. Bumstead to serve as the Company's Lead Director. The Lead Director has the following duties:

- o assist the chief executive officer by serving in a counseling or sounding board role;
- o serve as liaison or conduit between the Board of Directors and the chief executive officer and management team;
- o enhance communications between the Board of Directors and the Company's senior management by developing a process for regular one-on-one communication with the Company's senior management team;
- o enhance communications between the Company's independent Board members; o increase director awareness, involvement and participation;
- o schedule and preside over meetings of independent directors;
- o coordinate and assist in the preparation of agendas for Board meetings;
- o assist in succession planning, and the recruitment and mentoring of new Board members;
- o communicate to the chief executive officer the Board of Director's annual evaluation of the chief executive officer;
- o periodically review and assess the Board of Director's committee structure and committee assignments; and o coordinate and facilitate annual self-evaluations and performance reviews of independent board members.

DIRECTOR COMPENSATION

Directors who are employees of the Company do not receive additional compensation for serving as directors of the Company. On the date of each annual meeting of shareholders, each non-employee director receives an annual retainer of \$16,000 payable in quarterly installments. Non-employee directors are also entitled to a fee of \$1,000 for each board meeting attended. Directors who serve as Lead Director or as chair of the Audit Committee or the Compensation Committee are entitled to an additional annual retainer of \$4,000. In addition, a director who serves as the chair of the Quality Assurance Committee is

Edgar Filing: AMERICAN RETIREMENT CORP - Form DEF 14A

entitled to an additional retainer of \$1,000. Each member of the Audit Committee receives \$1,000 for each committee meeting attended. Each member of the Compensation, Executive, Nominating and Corporate Governance, and Quality Assurance Committees receives \$500 for each committee meeting attended. All directors are entitled to reimbursement for their actual out-of-pocket expenses incurred in connection with attending meetings.

5

In addition, non-employee directors receive options to purchase shares of common stock pursuant to the Company's 1997 Stock Incentive Plan. On the date of each annual meeting of the shareholders of the Company, each non-employee director who will continue as a director following such meeting automatically receives an option to purchase 3,000 shares of common stock. Such options vest with respect to all 3,000 shares on the date of the next annual meeting of shareholders. All options automatically granted to a non-employee director enable the optionee to purchase shares of common stock at the fair market value of the common stock on the date of grant. The terms of the options are ten years from the date of grant. The exercise price may be paid in cash, shares of common stock previously owned by the director, or a combination thereof. The Board of Directors has the discretion to reduce, but not increase, the number of shares awardable to non-employee directors.

In July 2003, Mr. Coates resigned as the Company's President and Chief Operating Officer, and entered into a consulting agreement with the Company. Pursuant to the consulting agreement, Mr. Coates provides the Company with consulting and transition services. In return, Mr. Coates received bi-monthly payments of \$8,417, continuation of his insurance and medical benefits, use of an office, and secretarial support, totaling approximately \$224,000 during 2004. Mr. Coates' consulting agreement expired in January 2005, but he continues to receive the use of an office and minimal administrative assistance. During 2004, Mr. Coates received an option to purchase 3,000 shares of common stock granted to directors, but did not receive any other compensation payable to non-employee directors. Commencing January 2005, Mr. Coates will receive the same compensation as other non-employee directors for service on the Company's Board of Directors.

CODE OF ETHICS FOR SENIOR EXECUTIVE AND FINANCIAL OFFICERS

The Sarbanes-Oxley Act of 2002 requires companies to have procedures to receive, retain, and treat complaints received regarding accounting, internal accounting controls, or auditing matters and to allow for the confidential and anonymous submission by employees of concerns regarding questionable accounting or auditing matters. The Company currently has such procedures in place.

Under the Sarbanes-Oxley Act of 2002 and the SEC's related rules, the Company is required to disclose whether it has adopted a code of ethics that applies to the Company's principal executive officer, principal financial officer, principal accounting officer or controller or persons performing similar functions. The Company's chief executive officer and senior financial officers are bound by the Company's Code of Ethics for Senior Executive and Financial Officers. A copy of the Company's Code of Ethics for Senior Executive and Financial Officers can be obtained from the "Investors Welcome" section of the Company's website at www.arclp.com. The Company intends to disclose any amendments to, or waivers from, the Code of Ethics for Senior Executive and Financial Officers in accordance with the rules and regulations of the Securities and Exchange Commission and the NYSE. 6

BOARD MEMBER ATTENDANCE AT ANNUAL MEETING

The Company's Board of Directors has established a policy whereby directors are strongly encouraged to attend the Company's meetings of shareholders. All of the Company's directors attended the 2004 Annual Meeting of Shareholders.

MINIMUM STOCK OWNERSHIP FOR OFFICERS

During 2004, the Company adopted minimum stock ownership guidelines for its officers. The Company's chief executive officer is expected to own Company stock with a market value equal to at least two times his base annual salary. All other officers are expected to own Company stock with a market value equal to at least the amount of their base annual salary. Officers have a three year period to achieve this ownership requirement. Neither unvested restricted stock or stock options apply to satisfy these requirements.

PROPOSAL 1: ELECTION OF DIRECTORS

The Board of Directors of the Company is divided into three classes, each class to be as nearly equal in number as possible. At each annual meeting of shareholders, directors comprising one class are elected for a three-year term. The current Board of Directors is comprised of ten members. The terms of the three Class II directors will expire at the 2005 annual meeting. Upon the recommendation of the Nominating and Corporate Governance Committee, the Board of Directors has nominated Frank M. Bumstead, J. Edward Pearson, and Nadine C. Smith, all of whom are currently serving as directors of the Company, to be reelected to serve until the annual meeting of shareholders in 2008 and until their successors are duly elected and qualified. The terms of the Class III and Class I directors will expire at the annual meetings in 2006 and 2007, respectively.

Each of the nominees has consented to serve, if elected. If any of the nominees should become unable or unwilling to serve as a director, the persons named in the proxy may vote for such other person or persons as may be designated by the Board of Directors. Certain information with respect to the nominees for election as Class II directors and with respect to the Class III and Class I directors (who are not being elected at the annual meeting) is set forth below.

EQUITY COMPENSATION PLANS

The table below sets forth the following information as of December 31, 2004 with respect to the compensation plans (including individual compensation arrangements) under which the Company's equity securities are authorized for issuance aggregated by (i) all compensation plans previously approved by the Company's security holders and (ii) all compensation plans not previously approved by the Company's security holders:

- o the number of securities to be issued upon the exercise of outstanding options;
- o the weighted-average exercise price of the outstanding options; and

Edgar Filing: AMERICAN RETIREMENT CORP - Form DEF 14A

In addition to options, warrants and rights, the Company's 1997 Stock Incentive Plan allows awards to be made in the form of restricted stock or other forms of equity-based compensation. As of December 31, 2004, the Company had issued 440,000 shares of restricted stock under the 1997 Stock Incentive Plan. Such shares are not reflected in the table below.

Each of the Company's 1997 Stock Incentive Plan and Associate Stock Purchase Plan has been approved by the Company's shareholders, and, accordingly, the Company has no compensation plans under which equity securities are authorized to be issued that have not been approved by the Company's security holders.

PLAN CATEGORY	NUMBER OF SECURITIES TO BE ISSUED UPON EXERCISE OF OUTSTANDING OPTIONS, WARRANTS AND RIGHTS	WEIGHTED-AVERAGE EXERCISE PRICE OF OUTSTANDING OPTIONS, WARRANTS AND RIGHTS	NUMBER REMAINING FOR FUTURE ISSUANCE OF EQUITY SECURITIES (EXCLUDING RESTRICTED STOCK) REFLECTED

- (2) During the first quarter of 2005, the Company consummated a public offering of 5,175,000 shares of the Company's common stock. Accordingly, the number of shares available for future issuance under the Company's 1997 Stock Incentive Plan was automatically increased. As of April 8, 2005, 1,121,585 shares remained available for future issuance under the Company's equity compensation plans.

NO EMPLOYMENT AGREEMENTS

The Company does not have employment agreements with any of its executive officers, including the named executive officers.

EXECUTIVE CHANGE IN CONTROL SEVERANCE BENEFITS PLAN

Edgar Filing: AMERICAN RETIREMENT CORP - Form DEF 14A

During 2001, the Company adopted an Executive Change in Control Severance Benefits Plan (the "Plan") for certain of its officers, including each of the named executive officers. Under the terms of the Plan, those members of the Company's senior management holding the titles of Chairman of the Board, Chief Executive Officer, Chief Operating Officer, President, Executive Vice President, Senior Vice President or Vice President will be entitled to severance benefits if they are terminated within one year following a change in control of the Company, unless such termination is (a) by the Company for Good Cause or Disability, (b) by the officer because of his death or Retirement, or (c) by the officer for other than Good Reason (as such capitalized terms are defined in the Plan). The Plan may be amended or terminated by the Board of Directors at any time prior to a change in control.

For those eligible named executive officers who have been employed by the Company for at least two years as of the date of termination, the severance benefits payable upon termination following a change in control shall be calculated as follows:

- o if, immediately prior to the change in control, the eligible officer held the title of Chief Executive Officer or Chairman of the Board, he or she shall be entitled to an amount equal to the sum of eighteen months of such officer's base salary plus an amount equal to the product of such officer's monthly base salary multiplied by the number of years (in excess of one) of such officer's uninterrupted employment with the Company;
- o if, immediately prior to the change in control, the eligible officer held the title of President or Chief Operating Officer, he or she shall be entitled to an amount equal to the sum of fifteen months of such officer's base salary plus an amount equal to the product of twice such officer's weekly base salary multiplied by the number of years (in excess of one) of such officer's uninterrupted employment with the Company; or
- o if, immediately prior to the change in control, the eligible officer held the title of Executive Vice President, he or she shall be entitled to an amount equal to the sum of twelve months of such officer's base salary plus an amount equal to the product of twice such officer's weekly base salary multiplied by the number of years (in excess of one) of such officer's uninterrupted employment with the Company.

For those eligible named executive officers who have been employed by the Company for less than two years as of the date of termination, the severance benefits payable upon termination following a change in control shall be calculated as follows:

- o if, immediately prior to the change in control, the eligible officer held the title of Chief Executive Officer, Chairman of the Board, President, or Chief Operating Officer, he or she shall be entitled to an amount equal to nine months of such officer's base salary; or
- o if, immediately prior to the change in control, the eligible officer held the title of Executive Vice President, he or she shall be entitled to an amount equal to six months of such officer's base salary.

For the purpose of computing the severance payments described above, an officer's base salary is based on the highest base salary paid to such officer during the two years prior to the change in control. The severance benefits are payable in bi-monthly installments in an amount equal to such officer's base salary on the date of termination until the full amount of severance benefits has been paid.

Edgar Filing: AMERICAN RETIREMENT CORP - Form DEF 14A

In addition to the severance payments described above, each eligible officer shall also be entitled to receive the following payments, if applicable: (i) the amount required to reimburse the officer on an after-tax basis for any excise tax payable on account of any payment, distribution, or other compensation constituting an "excess parachute payment" as defined in Section 280G of the Internal Revenue Code; and (ii) an amount sufficient to reimburse the officer for the premium paid by such officer for continued coverage for the officer (and covered dependents) under the Company's healthcare plan pursuant to COBRA (subject to certain limitations and conditions, all as set forth in the Plan).

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

COMPENSATION COMMITTEE REPORT

The compensation paid to the Company's executive officers is reviewed and approved annually by the Compensation Committee of the Board of Directors, which is composed entirely of non-employee directors that the Board has determined are "independent" under applicable NYSE rules. In addition to reviewing and approving salary and bonus arrangements for the Company's executive officers, the Compensation Committee approves long-term incentive awards for the executive officers and the other key employees of the Company and administers the stock incentive plan, associate stock purchase plan, 401(k) plan, deferred compensation plans and other compensation plans maintained by the Company.

EXECUTIVE COMPENSATION PHILOSOPHY

The primary objectives of the Company's executive compensation program are to:

- o attract, motivate, and retain the executives critical to the Company's performance and long-term success;
- o reward executives based upon corporate and individual performance;
- o provide incentives designed to enhance future long-term and near-term performance; and
- o align the long-term interests of the Company's executive management team with those of the Company's shareholders.

The primary components of the Company's executive officer compensation program are a base salary, the potential for annual and long-term performance-based cash bonuses, and periodic grants of equity compensation. In order to achieve the objectives of the Company's executive compensation program, the Company generally intends to provide its executive officers with base salaries that are at, or slightly in excess of, the average base salaries for comparable companies. The Company intends to incent annual and long-term performance by providing additional annual and long-term incentive compensation that is earned upon achievement of specified goals and objectives. The additional incentive compensation is intended to place the Company's executive officers' total cash compensation at approximately the 75th percentile for comparable companies, if established goals and objectives are achieved.

The Compensation Committee reviews all components of the Company's executive officer compensation program annually to ensure that the compensation paid to the Company's executive officers is consistent with the Company's compensation philosophy, business strategy, corporate culture, operating performance and

Edgar Filing: AMERICAN RETIREMENT CORP - Form DEF 14A

financial goals. The Compensation Committee also reviews the compensation policies of companies the Committee deems to be comparable to the Company to ensure that the Company's compensation policies are competitive and are consistent with its compensation philosophy. The Compensation Committee believes that the Company competes to attract and retain executives, not only with companies in the senior living industry, but also with companies in unrelated industries that are similar in size, scope and complexity.

BASE SALARIES. Base salaries for the Company's executive officers, as well as changes in those base salaries, are based upon a number of factors, including:

- o recommendations by the Company's chief executive officer;
- o annual base salaries of similarly situated executives at companies the Committee deems to be comparable to the Company;
- o the nature of the executive officer's position, authority and responsibility;
- o the Committee's subjective determination of the executive officer's contribution to the performance of the Company;
- o the experience of the officer; and
- o the term of the officer's employment with the Company.

15

In January 2004, the Compensation Committee reviewed the base salaries for the Company's executive officers. As a result of that review, the Committee determined that the base compensation levels for the Company's executive officers were not competitive with the average base compensation levels of executive officers with similar responsibilities at comparable companies. Accordingly, the Compensation Committee determined that the base salaries of the Company's executive officers should be increased in 2004 to remain competitive. However, the Committee determined that the increases in the executive officers' base salaries for 2004 would be phased-in in two increments, and only if the Company achieves certain financial targets, which were based on achieving specified improvements in the Company's free cash flow and its net income. The Company achieved these financial targets in the first and last quarter of 2004. Accordingly, the base salaries of the Company's executive officers were increased effective April 1, 2004 and January 1, 2005. The aggregate base salary changes for the Company's named executive officers are as follows:

NAME	PREVIOUS BASE SALARY	NEW BASE SALARY EFFECTIVE 1/1/05
W. E. Sheriff	\$340,665	\$363,000
Gregory B. Richard	\$211,950	\$230,000
George T. Hicks	\$196,287	\$230,000
H. Todd Kaestner	\$196,287	\$230,000
Bryan D. Richardson	\$195,037	\$225,000

BONUSES. The Compensation Committee has developed annual and multi-year cash bonus plans for the Company's executive officers. Consistent with the Company's executive compensation philosophy, these bonus plans are designed to incent and reward near and long-term performance.

Edgar Filing: AMERICAN RETIREMENT CORP - Form DEF 14A

ANNUAL BONUS PLAN

The Company maintains an annual cash bonus plan for its executive and other officers with three components (Part A, Part B and Part C), which provide for the payment of bonuses based upon each officer's satisfaction of individual performance objectives and the Company's achievement of designated financial and operating targets. Each year the Compensation Committee establishes the personal objectives for each officer, and the financial and operational targets for the Company under the plan. For 2004, the Company's financial and operating targets were predicated upon the Company's earnings before interest, taxes, depreciation, amortization and rent, its entrance fee sales levels and occupancy levels at certain free-standing assisted living communities. The maximum potential bonuses payable under the plan equal 80% of each officer's base salary, with 20% obtainable under Part A, 40% under Part B, and 20% under Part C. Under Part A of the plan, officers receive bonuses based upon the extent to which they satisfy their personal performance objectives. Under Part B of the plan, bonuses are dependent not only upon the satisfaction of personal performance objectives, but also upon the Company's achievement of quarterly financial and operating targets. Under Part C of the plan, bonuses are based only upon the Company's achievement of annual financial and operating targets. The Company accrues for bonuses under the annual plan as they are earned. The annual plan bonuses are actually paid to officers during the first quarter of each calendar year for amounts earned under the plan for the previous year.

Based upon the Company's 2004 results and the individual performance of each named executive officer, the Company's named executive officers received annual bonus payments under the annual plan that averaged 42% of their base salaries, representing an average of approximately one-half of the total bonus potential for those officers under the plan. In particular, the Company's named executive officers received the following amounts: Mr. Sheriff, \$106,203; Mr. Richard, \$63,397; Mr. Hicks, \$78,500; Mr. Kaestner, \$71,318; and Mr. Richardson, \$73,920. The bonuses paid to the named executive officers under the annual cash bonus plan were generally consistent with the bonuses paid to the Company's other officers.

16

MULTI-YEAR BONUS PLAN

In March 2003, the Compensation Committee developed and the Board of Directors ratified multi-year bonus targets for the Company's executive officers that provided for the payment of bonuses upon the achievement of certain intermediate term financial goals that related to the successful refinancing of the Company's 2002 high-cost mezzanine financing and the timing of such refinancing. The Company partially repaid the mezzanine financing in September 2003, and in July 2004, repaid the remaining balance of the mezzanine financing. As a result, the Company significantly reduced its interest obligations, approximately 38 months prior to the maturity of the financing, and significantly reduced its intermediate term maturities. In light of the successful and early repayment of this high-cost financial obligation, the Compensation Committee, with approval by the Board of Directors, awarded the executive management team with an aggregate of \$2.0 million under the 2003 multi-year bonus plan, with the Company's named executive officers receiving the following amounts: Mr. Sheriff, \$399,625; Mr. Richard, \$247,250; Messrs. Kaestner, Hicks, and Mr. Richardson, \$230,000. No bonuses were paid under this plan during 2003.

Edgar Filing: AMERICAN RETIREMENT CORP - Form DEF 14A

EQUITY COMPENSATION. In order to align the long-term interests of the executive officers with those of shareholders, the Compensation Committee from time to time awards stock options and/or restricted stock to the Company's executive officers. The terms of these grants, including the sizes of the grants, are determined by the Compensation Committee based upon the recommendations of the Company's chief executive officer and the Committee's subjective discretion. Awards of stock options to executive officers have been historically at then-current market prices. Awards of stock options and restricted stock have generally also been subject to periodic vesting over three years. The level of restricted stock and option grants to the Company's executive officers is determined by the Compensation Committee on a discretionary basis, rather than a formula basis. Grants of equity compensation are dependent upon a variety of factors, including relative position and authority within the Company, seniority and individual performance. In 2004, the Compensation Committee, with approval by the Board of Directors, granted 275,000 shares of restricted stock to executive officers (including 175,000 to the named executive officers), and options to purchase an aggregate of 140,000 shares of common stock to four executive officers (including 120,000 to three named executive officers).

SUPPLEMENTAL EXECUTIVE RETIREMENT PLAN (SERP). In 2004, the Company adopted a supplemental executive retirement plan that allows eligible executives to defer a portion of the compensation otherwise due them. The SERP also permits the Compensation Committee to make additional discretionary contributions for the account of eligible executives. Amounts deferred under this plan are accrued but unfunded by the Company. Participants direct the investment of the amounts deferred or credited under the SERP among several available investment funds. Generally, a participant in the SERP will be entitled to receive the amount of his or her SERP account, including the earnings thereon, upon separation of service (as defined in the SERP), except that such payment may be deferred in certain circumstances.

Currently, Mr. Sheriff is the only participant in the SERP, and he elected to defer \$48,000 of his base salary during 2004. No additional amounts were credited to Mr. Sheriff's account during 2004 by the Compensation Committee. At December 31, 2004, Mr. Sheriff's account balance, including accrued earnings thereon, was \$52,608.

DEFERRED COMPENSATION PLAN. In September 2004, the Company established a deferred compensation plan that allows a select group of management or highly compensated employees (excluding Mr. Sheriff) to defer a portion of their cash compensation. Under this plan, participants may, from time to time, voluntarily elect to defer portions of their cash compensation for a minimum of five years or until a separation of service (as defined in the plan). Amounts deferred by each participant are accrued but unfunded by the Company and accrue interest at the prime rate plus one percent per annum, but not less than six percent per annum or greater than ten percent per annum. At December 31, 2004, there were three participants in the deferred compensation plan and the aggregate deferred amount (including accrued interest) related to these three participants was approximately \$323,000 (Mr. Richard, \$125,489; Mr. Hicks, \$116,734; and Mr. Richardson, \$81,206).

SECTION 162 DEFERRED COMPENSATION PLAN. In addition, the Company maintains a

Edgar Filing: AMERICAN RETIREMENT CORP - Form DEF 14A

non-qualified deferred compensation plan that allows executive officers who are deemed "highly compensated" under Internal Revenue Service guidelines to make after-tax contributions to an investment account established in such executive officer's name. The Company makes additional contributions under this plan at the discretion of the Compensation Committee. For 2004, the Company made \$42,000 of contributions to the Section 162 deferred compensation plan, related to Mr. Sheriff.

NO PERQUISITES. The Company's executives do not receive perquisites that are not generally available to all of the Company's employees. In particular, the Company does not own or lease a plane, purchase country club memberships, provide officers with a car allowance or use of a residence, or defray the cost of personal entertainment or family travel.

CHIEF EXECUTIVE OFFICER COMPENSATION

In establishing the compensation of W.E. Sheriff, the Company's chairman, chief executive officer and president, the Compensation Committee generally utilized the same compensation policies applicable to executive officers in general. The Compensation Committee believes that the relative difference between Mr. Sheriff's compensation and that of the other executive officers of the Company is equitable and justified based upon Mr. Sheriff's position, duties and responsibilities.

LIMITATIONS ON THE DEDUCTIBILITY OF COMPENSATION

Section 162(m) of the Internal Revenue Code generally disallows a corporate deduction for compensation over \$1.0 million paid to the Company's chief executive officer and any of the four other most highly compensated officers. The \$1.0 million limitation applies to all types of compensation, including restricted stock awards and amounts realized on the exercise of stock options and stock appreciation rights, unless the awards and plan under which the awards are made qualify as "performance based" under the terms of the code and related regulations. The Company currently anticipates that the compensation of its executive officers will be deductible under Section 162(m) because executive officer compensation is presently below the \$1.0 million limit. In the event compensation paid to the Company's chief executive officer or any of the four other most highly compensated executive officers exceeds the \$1.0 million limit, the Company will attempt to structure such compensation in a manner that will comply with the limits of Section 162(m).

The Committee believes, however, that in some circumstances factors other than tax deductibility are more important in determining the forms and levels of executive compensation most appropriate and in the best interests of the Company and its shareholders. Given the Company's dynamic and rapidly changing industry and business, as well as the competitive market for outstanding leadership talent, the Compensation Committee believes that it is important to retain the flexibility to design compensation programs consistent with its executive compensation philosophy, even if some executive compensation is not fully deductible. Accordingly, the Compensation Committee may from time to time approve elements of compensation for certain officers that are not fully deductible.

AUDIT COMMITTEE REPORT

The Company's management team has the primary responsibility for the Company's internal controls and financial reporting. The Audit Committee reviews the Company's financial reporting process on behalf of the Board of Directors. The Audit Committee of the Board is responsible for providing independent, objective oversight of the Company's accounting function and internal controls. The Audit Committee of the Board of Directors is composed of three directors who are independent directors as defined under the applicable rules of the Securities and Exchange Commission and the New York Stock Exchange. The Audit Committee operates under a written charter adopted by the Board of Directors, a copy of which is available on the "Investor's Welcome" section of the Company's website at www.arclp.com. The Company's registered public accounting firm is responsible for performing an independent audit on the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and to issue reports thereon. The Company's registered public accounting firm is also responsible to provide an attestation report on management's assessment of the effectiveness of internal control over financial reporting in accordance with the standards of the Public Company Accounting Oversight Board.

In this context, the Audit Committee has reviewed and discussed with management and the registered public accounting firm the audited December 31, 2004 consolidated financial statements. The Audit Committee has also discussed with the registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended. In addition, the Audit Committee has received from the registered public accounting firm the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with them their independence from the Company and its management. The Audit Committee has considered and determined that the registered public accounting firm's provision of tax and other non-audit services to the Company is compatible with the auditors' independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board of Directors has approved, that the audited consolidated financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2004, for filing with the Securities and Exchange Commission.

CERTAIN TRANSACTIONS

NOTE ISSUED TO AFFILIATES OF DR. MORRIS

Edgar Filing: AMERICAN RETIREMENT CORP - Form DEF 14A

During 2001 and 2000, the Company acquired leasehold interests in six free-standing assisted living communities owned by affiliates of John Morris, one of the Company's directors. A \$7.6 million, 9.625% fixed interest only note, due October 1, 2008 was issued to Dr. Morris' affiliates. This note, and certain similar notes, was secured by an interest in a retirement center located in Richmond, Virginia and a free-standing assisted living community in San Antonio, Texas. The terms of this note and its related security instruments were identical to those issued to certain unaffiliated entities in connection with the simultaneous acquisition of certain other communities. On January 26, 2005, the Company repaid this note and two similar notes (total repayment of \$17.2 million).

19

FREEDOM PLAZA CARE CENTER ("FPCC")

W.E. Sheriff, the Company's chairman, chief executive officer and president, owns 50% of Maybrook Realty, Inc., which owns Freedom Plaza Care Center ("FPCC"), a 128-bed skilled nursing and 44-bed assisted living center with approximately 7,000 square feet of office space subleased to a third party, in Peoria, Arizona. Freedom Plaza Care Center is on the campus of the Freedom Plaza of Arizona, a community that the Company leases and operates. Maybrook Realty acquired Freedom Plaza Care Center on September 30, 1999 from its former owner. The Company managed FPCC from October 1999 until June 2001 and, upon completion of an expansion, entered into a long-term operating lease for FPCC. Under the lease, which expires in December 2015, the Company has one five-year renewal option and an option to acquire FPCC at an agreed upon amount. The total lease payments during 2004, 2003 and 2002 under this lease were \$2.2 million annually. During 2004, the Company recorded approximately \$1.1 million of net income after lease expense from FPCC.

The Company has exercised its option to purchase the real estate interests of FPCC from Maybrook. The option provides for a fixed purchase price of approximately \$20.3 million to Maybrook. The Company has also entered into a purchase agreement with the ground lessor to acquire its interest in the property for a purchase price of approximately \$2.3 million. The Company expects to simultaneously acquire the real estate interests of both Maybrook and the ground lessor in Freedom Plaza Care Center and own 100% of the community during the second quarter of 2005. The total purchase price for these two transactions will be \$23.0 million (including \$0.4 million of transaction costs), which is supported by a fair market value appraisal. The Company will pay the purchase price with \$4.6 million of cash and the proceeds of an approximately \$18.4 million mortgage loan to be obtained from a commercial bank. The loan will require principal payments to be made on an 18-year amortization schedule with a maturity of five years, and will bear interest at approximately 5.5%.

During 2005, the Company intends to expand FPCC with the addition of approximately 20 assisted living units and 18 dementia beds. For the twelve months ended December 31, 2004, the operating results for FPCC included revenues of \$12.4 million, operating contribution of \$3.5 million and \$2.2 million of lease expense. During 2004, the community averaged 95.6% occupancy. As a result of these proposed transactions, the Company expects that its annual lease expense will be reduced by approximately \$2.2 million, which will be offset by an increase in depreciation expense of approximately \$0.8 million and an estimated increase in interest expense of \$1.0 million.

Edgar Filing: AMERICAN RETIREMENT CORP - Form DEF 14A

After the completion of the purchase of the real estate interest of FPCC, which is expected to be completed during the second quarter of 2005, the Company has no other related party transactions.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's directors and executive officers and persons who beneficially own more than ten percent of the common stock to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Such directors, officers, and greater than ten percent shareholders are required by Securities and Exchange Commission regulations to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on the Company's review of the copies of such forms furnished to the Company, or written representations from certain reporting persons, the Company believes that during 2004 its officers, directors, and greater than ten percent beneficial owners were in compliance with all applicable filing requirements, except that Donald D. Davis filed one late report covering one transaction.

PROPOSAL 2: APPROVAL OF THE AMENDMENT TO THE AMERICAN RETIREMENT CORPORATION ASSOCIATE STOCK PURCHASE PLAN

The Company believes that broad-based ownership of equity interests in the Company by its employees provides a substantial motivation for superior performance by more closely aligning the economic interests of those employees with the overall performance of the Company. In order to encourage ownership of the Company's common stock by its employees, the Board of Directors and shareholders of the Company approved the American Retirement Corporation Employee Stock Purchase Plan in 1997. The plan, now known as the Associate Stock Purchase Plan, currently authorizes the issuance of up to 500,000 shares of common stock. As of April 8, 2005, approximately 59,944 shares remained available for issuance pursuant to the plan. The Board of Directors has determined that, in order to continue to encourage ownership of the Company's common stock by its employees, the Company should amend the plan to increase the number of shares authorized for issuance under the plan from 500,000 shares to 1,000,000 shares. If approved by the shareholders, the amendment to the plan will become effective as of May 18, 2005. A copy of the proposed amendment to the plan is included as Appendix B to this proxy statement.

21

SUMMARY OF MATERIAL PROVISIONS OF THE PLAN, AS AMENDED

THE FOLLOWING IS A SUMMARY OF THE MATERIAL PROVISIONS OF THE PLAN, AS PROPOSED TO BE AMENDED.

PARTICIPATION; AWARDS UNDER THE PLAN. Pursuant to the plan, each employee of the Company or a subsidiary of the Company (including executive officers of the Company) having at least three months of continuous service prior to January 1 or July 1 of each year (each a "Commencement Date"), except for employees whose customary employment is 20 hours per week or less or whose customary employment is for not more than five months in any calendar year, is eligible to participate in the plan. Holders of 5% or more of the outstanding shares of common stock are not eligible to participate in the plan. The Company and its subsidiaries currently have approximately 7,950 employees who are eligible to participate in the plan and approximately 520 employees currently participating in the plan.

Eligible employees may elect to deduct from their compensation an after-tax amount of not less than \$5.00 per bi-weekly payroll period (or \$5.00 per semi-monthly payroll period) and not more than 15% of their base pay on the Commencement Date for each six-month option period starting on each such Commencement Date (each such six-month period is referred to in the plan as an "Option Period"). The dollar amount deducted is credited to the participant's Contribution Account (as defined in the plan). In addition, a participant who has neither discontinued nor withdrawn his or her contributions during each Option Period is permitted to make one lump sum contribution during each Option

Edgar Filing: AMERICAN RETIREMENT CORP - Form DEF 14A

Period (except during the last 30 days of the Option Period), as long as the aggregate amount of contributions does not exceed 15% of the participant's base pay on the Commencement Date (expressed as base pay for the applicable payroll period) multiplied by the number of payroll periods during that Option Period.

On the Grant Date (the first trading date of each Option Period), each participant in the plan shall be deemed to receive an option to purchase shares of common stock in accordance with the terms of the plan. On the Exercise Date (the last trading day of each Option Period), the amount deducted from each participant's salary and any additional amounts contributed on a lump-sum basis over the course of the period will be used to purchase shares of common stock at a purchase price (the "Exercise Price") equal to the lesser of (a) 85% of the closing market price of the shares of common stock on the Exercise Date or (b) 85% of the closing market price of the shares of common stock on the Grant Date. On an Exercise Date, all options shall be automatically exercised, except for options which are canceled when a participant withdraws the balance of his or her Contribution Account or which are otherwise terminated under the provisions of the plan (such as upon the termination of a participant's employment for any reason except death, disability or retirement at or after age 65).

Participants' rights under the plan are subject to the following limitations: (i) subject to certain adjustments, the maximum number of shares of common stock which may be purchased by a participant on an Exercise Date is 700 shares; (ii) no participant is allowed to purchase, during a calendar year, stock under the plan having a market value in excess of \$25,000, as determined on the Grant Date; (iii) no option may be granted to a participant who would own 5% or more of the common stock of the Company immediately after the option is granted; and (iv) no participant may assign, transfer or otherwise alienate any rights under the plan or any options granted to him or her thereunder, except by will or the laws of descent and distribution, and such options must be exercised during the participant's lifetime only by him or her.

Upon termination of a participant's employment, the employee shall cease being a participant under the plan, and the balance of the employee's Contribution Account shall be paid to the participant as soon as practical after termination. An option granted to such a participant shall be null and void from the date of termination. Upon the death, retirement or disability of a participant, the participant, or his or her legal representative, may withdraw the balance in his or her Contribution Account or may have the accumulated balance used to purchase stock under the plan. Any remaining money that is insufficient to purchase a whole share is returned to such participant or his or her legal representative. Nothing in the plan is to be construed so as to give an employee the right to be retained in the service of the Company.

ADMINISTRATION. The plan is administered by a Plan Administrator, which Plan Administrator is currently the Compensation Committee of the Board of Directors. The Plan Administrator does not, however, have the discretion to deny the right to participate in the plan to any employee who meets the eligibility criteria.

22

ADJUSTMENTS. In the case of a stock split, stock dividend, reclassification, recapitalization, merger, reorganization, or other change in the Company's structure affecting the common stock, appropriate adjustments will be made by the Plan Administrator in the number of shares reserved for issuance under the plan and the calculation of the Exercise Price.

AMENDMENT. The Board of Directors of the Company has the right to amend or terminate the plan at any time, but cannot make an amendment to increase the number of shares reserved under the plan (except pursuant to certain changes in

Edgar Filing: AMERICAN RETIREMENT CORP - Form DEF 14A

the capital structure of the Company) without the approval of the Company's shareholders. If the plan is terminated, all options outstanding at the time of termination shall become null and void and the balance in each participant's Contribution Account shall be paid to that participant.

FEDERAL INCOME TAX ASPECTS. The following is a brief summary of the Federal income tax aspects of awards made under the plan based upon the Federal income tax laws in effect on the date hereof. This summary is not intended to be exhaustive and does not describe state or local tax consequences.

A holder will not recognize income for Federal tax purposes on account of the initial discount when shares are purchased. Instead, income may be recognized when a holder disposes of his or her stock.

If shares of stock are disposed of before a statutory holding period is met, ordinary income is recognized in an amount equal to the difference between the price paid for the shares and the market value of the shares on the date such shares were purchased. If shares are disposed of after meeting the holding period requirement, the holder receives ordinary taxable income in the calendar year of disposition equal to the lesser of (i) the original 15% discount on the purchase price of the shares assuming the stock had been purchased on the Grant Date or (ii) the excess of the fair market value of such shares of common stock on the day of disposition over the price paid for such shares. In either case, (i) if a holder's disposition is by gift, such holder will have no further income tax consequences and (ii) in the case of a sale of such shares, the difference between the net proceeds on the date of disposition and the holder's tax basis in such shares (including ordinary income recognized in the disposition) will be taxable as capital gain or loss.

If an employee leaves contributions in the plan to purchase common stock after he or she retires, the tax consequences depend on whether the termination date is within three months of the Exercise Date. If the termination date is not more than three months prior to the Exercise Date, the tax consequences are as described above. However, if the termination date is more than three months prior to the Exercise Date, the holder is treated as exercising a non-qualified option and is taxed on the Exercise Date on the excess of market value of the stock on that date over the price paid.

The amendment to the plan will be approved if the number of shares of common stock voted in favor of the amendment exceeds the aggregate of the number of abstentions and shares of common stock voted against the amendment.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE "FOR" THE APPROVAL OF THE AMENDMENT TO THE PLAN.

PROPOSALS OF SHAREHOLDERS

A proper proposal submitted by a shareholder in accordance with applicable rules and regulations for presentation at the Company's annual meeting of shareholders in 2006 and received at the Company's executive offices no later than December 20, 2005 will be included in the Company's proxy statement and form of proxy relating to such annual meeting.

In addition, the Company's bylaws contain an advance notice provision that provides that for a shareholder proposal to be brought before and considered at the next annual meeting of shareholders, such shareholder must provide notice thereof to the Secretary of the Company no later than December 20, 2005 the

Edgar Filing: AMERICAN RETIREMENT CORP - Form DEF 14A

proposal and the shareholder must comply with Regulation 14A under the Securities Exchange Act. In the event that a shareholder proposal intended to be presented for action at the next annual meeting is not received prior to December 20, 2005 proxies solicited by the Board of Directors in connection with the annual meeting will be permitted to use their discretionary voting authority with respect to the proposal, whether or not the proposal is discussed in the proxy statement for the annual meeting.

REGISTERED PUBLIC ACCOUNTING FIRM

KPMG LLP, which has been the Company's registered public accounting firm since its organization, has been selected as the registered public accounting firm of the Company for the 2005 fiscal year. The Company has been informed that representatives of KPMG LLP plan to attend the annual meeting. Such representatives will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions by the shareholders.

AUDIT-RELATED FEES. Audit-related services include due diligence and audit services related to mergers and acquisitions, accounting consultations, internal control review, employee benefit plan audits and certain attest services. ALL OTHER FEES. For the years ended December 31, 2004 and 2003, KPMG LLP did not bill any fees to the Company for any other services, other than those set forth above.

The Audit Committee of the Board of Directors has considered whether the provision of non-audit services by KPMG LLP is compatible with maintaining the auditor's independence.

The Audit Committee has also adopted a formal policy concerning approval of audit and non-audit services to be provided by the Company's registered public accounting firm. The policy requires that all services that KPMG LLP, the Company's registered public accounting firm, may provide to the Company, including audit services and permitted audit-related and non-audit services, be

Edgar Filing: AMERICAN RETIREMENT CORP - Form DEF 14A

pre-approved by the committee. The Audit Committee approved all audit and non-audit services provided by KPMG LLP during the year ended December 31, 2004 prior to KPMG performing such services.
