FOR IMMEDIATE RELEASE

G. WILLI-FOOD REPORTS 376% INCREASE IN OPERATING INCOME,  
155% INCREASE IN INCOME BEFORE TAXES AND 117% NET  
INCOME GROWTH FOR Q2 2006 OVER Q2 2005

YAVNE, ISRAEL - AUGUST 16, 2006 - G. WILLI-FOOD INTERNATIONAL LTD. (NASDAQ: WILC) (the "COMPANY" or "WILLI FOOD"), one of Israel's largest food importers and a single-source supplier of one of the world's most extensive range of quality kosher food products, today announced its unaudited financial results for the quarter and six months ended June 30, 2006.

### SECOND QUARTER 2006 FINANCIAL HIGHLIGHTS

- o 11% increase in revenues over second quarter 2005
- o 376% increase in operating income over second quarter 2005
- o 155% increase in income before taxes over second quarter 2005
- o 117% increase in net income over second quarter 2005

The Company's revenues for the second quarter of 2006 increased 11% to NIS 43.2 million (US \$9.7 million) compared to revenues of NIS 39.0 million (US \$8.8 million) in the second quarter of 2005. Gross profits increased 6% to NIS 11.4 million (US \$2.6 million) compared to gross profits of NIS 10.8 million (US \$2.4 million) in the second quarter of 2005.

Mr. Zwi Williger, President and COO of Willi-Food commented, "We are very excited about our strong results for the second quarter and first half of 2006. We were able to achieve revenue growth through successfully launching new items into our product line, as well as increasing sales of existing products to new and existing customers. We expect to launch additional new product lines in the second half of 2006. Our strong financial results for the first six months of 2006 demonstrate Willi-Food's ability to capitalize on the growing interest of consumers in the kosher market."

Mr Williger noted that the Company has to date seen revenue growth in the third quarter, which is in part due to increased consumption relating to the recent

## Edgar Filing: G WILLI FOOD INTERNATIONAL LTD - Form 6-K

conflict in Israel. He also remarked that Willi Food has donated more than NIS 150,000 (US \$34,000) worth of food products as aid to those affected in the northern region of Israel.

Second quarter operating income increased 376% to NIS 3.8 million (US \$0.9 million) compared to operating income of NIS 0.8 million (US \$0.2 million) in the second quarter of 2005.

Second quarter 2006 income before taxes increased 155% to NIS 4.6 million (US \$1.0 million) compared to a income before taxes of NIS 1.8 million (US \$0.4 million) recorded in the second quarter of 2005. Net income for second quarter increased 117% to NIS 2.6 million (US \$0.6 million), or NIS 0.31 (US \$0.07) per share compared to a net income of NIS 1.2 million (US \$0.3 million), or NIS 0.14 (US \$0.03) per share, recorded in the second quarter of 2005.

### SIX-MONTH RESULTS

The Company's revenues for the six months ended June 30, 2006 increased 23% to NIS 97.7 million (US \$22.0 million) compared to revenues of NIS 79.5 million (US \$17.9 million) in the first half of 2005. Gross profits for the period increased 35% to NIS 25.8 million (US \$5.8 million) compared to gross profits of NIS 19.2 million (US \$4.3 million) in the six months ended June 30, 2005. First half gross margins improved to 26.4% compared to gross margins of 24.1% in the same period in 2005.

Operating income for the first half of 2006 increased 157% to NIS 8.3 million (US \$1.9 million) from NIS 3.2 million (US \$0.7 million) reported in the comparable period of last year. 2006 first half operating income includes NIS 1.9 million (US \$0.4 million) of expense that was recorded during the period for an advertising campaign and promotional activities to promote Willi-Food's brand name and products compared to NIS 0.4 million (US \$0.1 million) in the first half of 2005 for promotional activities during that period. In addition, 2006 first half operating income includes a NIS 1.9 million (US \$0.4 million) one-time general and administrative expense due to a management bonus attributed to an unrealized capital gain resulting from the commencement of the trading of shares of the Company's majority-owned subsidiary, Gold Frost Ltd., on London's AIM market on March 9, 2006.

First half 2006 income before taxes increased 520% to NIS 28.8 million (US \$6.5 million) compared to a income before taxes of NIS 4.6 million (US \$1.0 million) recorded in the first half of 2005. Net income for the first half of 2006 increased 724% to NIS 25.3 million (US \$5.7 million), or NIS 2.94 (US \$0.66) per share compared to a net income of NIS 3.1 million (US \$0.7 million), or NIS 0.36 (US \$0.08) per share, recorded in the first half of 2005. Net income for first half of 2006 includes NIS 17.8 million (US \$4.0 million) as a net one-time unrealized capital gain due to the public listing of the shares of Gold Frost Ltd.

"The fundamentals of our business are strong," concluded Mr. Williger. "Our innovative approach to the rapidly expanding kosher food market continues to drive revenue and margin growth. In addition, we are executing our strategic plan to expand internationally. We look forward to the remainder of the year."

### ABOUT G. WILLI-FOOD INTERNATIONAL, LTD.

G. Willi-Food International Ltd. is one of Israel's largest food importers and a single-source supplier of one of the world's most extensive ranges of quality kosher food products.
