Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On May 3, 2011, based on information provided by Ocean Bio-Chem, Inc. (the "Company"), the staff (the "Staff") of the Listing Qualifications Department of the Nasdaq Stock Market, LLC (the "Nasdaq") provided a letter to the Company indicating (i) its determination that the Company violated the shareholder approval requirements of Nasdaq Listing Rule 5635(c) (the "Rule") and (ii) based on the action taken by the Company to remedy the violation, the Company has regained compliance with the Rule.

The Staff's determination was based on the Company's grant of a stock option to purchase 115,000 shares of Company Common Stock to Peter Dornau, its Chief Executive Officer, without obtaining prior shareholder approval. The resultant violation was inadvertent, and the option grant could have been made pursuant to the Company's 2008 Incentive Stock Option Plan (the "2008 Plan"), which was approved by the Company's shareholders. The letter also noted that the Company's Board of Directors adopted a resolution reducing the number of shares issuable under the 2008 Plan by 115,000 shares. As a result, the Staff determined that, subject to satisfaction of applicable disclosure requirements that are satisfied by the filing of this Form 8-K, the Company had regained compliance with the Rule and the matter is now closed.
