Explanation of Responses:

- * If the form is filed by more than one reporting person, see Instruction 4(b)(v).
 - ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- (1) The reporting person has entered into an agreement, effective as of December 22, 2006 (the "Agreement"), with UnitedHealth Group Incorporated (the "Company") to increase the exercise prices of the options specified above (which vested in 2005 or later and are potentially subject to a surtax under Section 409A of the Internal Revenue Code) to the closing price of the Company's common stock on the accounting measurement date for the option grant. The accounting measurement date for each option grant was finalized on March 6, 2007 when the Company filed with the Securities and Exchange Commission its annual report on Form 10-K for the year ended December 31, 2006 and restated its prior-year financial statements. For Section 16 reporting purposes only, the increases in option exercise prices are deemed to be a cancellation of the old options and the grant of replacement options. The other terms of the outstanding options (including the vesting of the options) remain unchanged.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
