Notes:

1. Hanson is one of the world's leading heavy building materials companies. It is the largest producer of aggregates - crushed rock, sand and gravel - and one of the largest producers of concrete blocks, clay bricks and ready-mixed concrete in the world. Its other principal products include asphalt concrete roof tiles and its operations are in North America, the UK, Australia, Asia Pacific and Continental Europe.
2. Hanson operates an e-mail distribution service for press releases and other corporate information.

Edgar Filing: HANSON PLC - Form 6-K

Registration for this service, which includes e-mail alerts five days prior to results announcement and publication of company reports, is via its website (www.hanson.biz).

3. High-resolution Hanson images are available to download from Hanson's website and from www.newscast.co.uk.

Forward-looking statements made in this press release involve risks and uncertainties that could cause actual results to differ materially from those contemplated by such statements. Factors that could cause such differences are set out in detail in Hanson's Annual Report and Form 20-F and include, but are not limited to, changes in economic conditions; changes in governmental policy or legislation that could effect our operations; regulatory compliance and other operating costs especially in the USA, the UK and Australia; changes in governmental policy or legislation relating to public works expenditure and housing; potential liabilities arising out of former businesses and activities; our inability to achieve success in our acquisition strategy; the competitive market in which we operate; disruption to, or increased costs of, the supply of raw materials, energy and fuel to our business; inclement weather conditions; exchange rate fluctuations; and ineffective implementation of computer software systems. Hanson undertakes no obligation to update or revise publicly such forward looking statements, whether as a result of new information, future events or otherwise.
