DEREGISTRATION OF SHARES

Edgar Filing: HANSON PLC - Form S-8 POS

Pursuant to the Registration Statement on Form S-8, file no. 333-132116 (the "Registration Statement"), which was originally filed on March 1, 2006, Hanson PLC, a public limited company under the laws of England and Wales (the "Registrant") registered 6,234,374 ordinary shares of 0.10# each (the "Ordinary Shares"), to be offered under the Hanson Long Term Incentive Plan 2003 (the "Plan").

On May 15, 2007, the Registrant and HeidelbergCement announced that they had reached agreement on the terms of the acquisition of the entire issued and to be issued share capital of the Registrant by HeidelbergCement. The acquisition was implemented by way of a English court approved procedure known as a scheme of arrangement (the "Scheme of Arrangement"), which became effective on August 23, 2007. Under the terms of the Scheme of Arrangement, the Ordinary Shares were cancelled and each holder of Ordinary Shares of the Registrant became entitled to receive 1100 pence in cash for each Ordinary Share (or a loan note in certain cases). As a result of the Scheme of Arrangement, the Registrant has terminated the Plan and all offerings of its Ordinary Shares under its existing registration statements (including the Registration Statement).

In accordance with an undertaking made by the Registrant in the Registration Statement to remove from registration, by means of a post-effective amendment, any of the securities that remain unsold at the termination of the offering, the Registrant hereby amends the Registration Statement to deregister all Ordinary Shares registered under the Registration Statement that were not sold prior to the date hereof.
