PROXY STATEMENT

ANNUAL GENERAL MEETING OF SHAREHOLDERS

TO BE HELD ON SEPTEMBER 12, 2003

INFORMATION CONCERNING SOLICITATION AND VOTING

General

The enclosed proxy accompanying this Proxy Statement is solicited by and on behalf of the Board of Directors of Peak International Limited, a Bermuda corporation (which we will refer to as the Company or Peak throughout this Proxy Statement) for use at the 2003 Annual General Meeting of Shareholders of the Company to be held on September 12, 2003, 11:00 a.m. local time, at the Company's principal executive offices located at 44091 Nobel Drive, Fremont, California 94538, and any postponement or any adjournment thereof (the Annual General Meeting).

This Proxy Statement, the accompanying form of proxy and Peak's Annual Report on Form 10-K, which contains financial statements and schedules required to be filed for the fiscal year ended March 31, 2003, were first mailed on or about July [], 2003 to shareholders entitled to notice of and vote at the meeting (the Shareholders or, individually, a Shareholder).

The Company will pay the cost of soliciting proxies, including expenses incurred by brokerage firms and other representatives of beneficial owners in forwarding solicitation materials to beneficial owners. Directors, officers and regular employees may solicit proxies, either personally or by fax or telephone, on behalf of the Company, without additional compensation.

The Company will provide copies of exhibits to the Annual Report on Form 10-K to any requesting Shareholder upon payment of a reasonable fee and upon request of the Shareholder made in writing to Peak International Limited, 44091 Nobel Drive, P.O. Box 1767, Fremont, California 94538, Attn: Jack Menache, Secretary. The request must include a representation by the shareholder that, as of July 15, 2003, the Shareholder was entitled to vote at the Annual General Meeting.

Who Can Vote

Pursuant to Bye-law 45 of the Company's Bye-laws, the Board of Directors has set July 15, 2003 (5:00 p.m. Eastern Daylight Time) as the record date for the meeting (which we will refer to as the Record Date throughout this Proxy Statement). Only Shareholders whose names and addresses appear in the Register of Members on that date will be entitled to receive notice of and attend and vote at the meeting. The only outstanding class of voting securities of the Company is its common stock, par value \$0.01 per share (the Shares). There were []Shares outstanding as of the close of business on July 15, 2003.

How You Can Vote

You may vote your shares at the Annual General Meeting either in person or by proxy. To vote by proxy, you should mark, date, sign and mail the enclosed proxy in the prepaid envelope. Giving a proxy will not affect

your right to vote your shares if you attend the Annual General Meeting and want to vote in person. Shares represented by the proxies received in response to this solicitation, and not properly revoked, will be voted at the Annual General Meeting in accordance with the instructions on the proxy. On matters coming before the Annual General Meeting for which a Shareholder specifies a choice on the proxy card, the shares will be voted accordingly. If you sign your Proxy Card with no further instructions, your shares will be counted as a vote FOR each director nominated by the Board and FOR approval of the proposals referred to in Items 2, 3, 4 and 5, in the Notice of Annual General Meeting and described in this Proxy Statement.

Shares held directly in your name as the shareholder of record may be voted in person at the meeting. If you choose to attend the meeting, please bring the enclosed Proxy Card or proof of identification to the meeting. If you hold your shares in a brokerage account in the broker's name (street name), you must request a legal proxy from your stockbroker in order to vote at the meeting.

Revocability of Proxies

A Shareholder who gives a proxy may revoke it at any time prior to its exercise by filing with the President of the Company a written revocation or a duly executed proxy bearing a later date. The proxy may also be revoked if the Shareholder attends the meeting and elects to vote in person. A Shareholder who is the holder of two or more Shares may appoint more than one proxy to represent him/her and vote on his/her behalf at the meeting.

Required Vote

On a show of hands, every Shareholder present in person or by proxy shall be entitled to one vote and on a poll, every Shareholder present or by proxy shall be entitled to one vote per fully paid share. The proposals below shall be decided on a show of hands unless a poll is demanded. In the election of directors, you may vote FOR the two nominees, or your vote may be WITHHELD with respect to one or both of the nominees. Directors are elected by a plurality vote, and the two persons receiving the highest number of FOR votes will be elected. You may vote FOR, AGAINST or ABSTAIN on the other proposals submitted for Shareholder approval at the Annual General Meeting. The other proposals submitted for Shareholder approval at the Annual General Meeting will be decided by the affirmative vote of the majority of the shares present in person or represented by proxy at the Annual General Meeting and entitled to vote on such proposal. Abstentions with respect to any proposal are treated as shares present or represented and entitled to vote on that proposal, and thus will have the same effect as a vote against a proposal.

If you just sign your Proxy Card with no further instructions, your shares will be counted as a vote FOR each director nominated by the Board and FOR approval of the proposals referred to in Items 2, 3, 4 and 5, in the Notice of Annual General Meeting and described in this Proxy Statement.

Quorum; Abstentions; Broker Non-votes

Two (2) Shareholders entitled to vote and present in person or by proxy representing not less than one-third in nominal value of the total issued voting Shares of the Company will constitute a quorum for the transaction of business at the meeting. Abstentions and broker non-votes are counted for purposes of establishing a quorum. A broker non-vote occurs when a nominee (such as a broker) holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular matter and has not received instructions from the beneficial owner. Abstentions and broker non-votes will not affect the voting results, although they will have the practical effect of reducing the number of affirmative votes required to achieve a majority by reducing the total number of shares from which the majority is calculated.

Audited Financial Statements

Under the Company's By-laws and Bermuda law, audited financial statements must be presented to Shareholders at an annual general meeting of Shareholders. To fulfill this requirement, we will present at the

Annual General Meeting audited consolidated financial statements for the fiscal year ended March 31, 2003. Copies of those financial statements are included in our Annual Report on Form 10-K, which is being mailed to Shareholders together with this Proxy Statement. Representatives of PricewaterhouseCoopers, our independent auditors, are not expected to be present at the meeting. These statements have been approved by the Company's Board of Directors. There is no requirement under Bermuda law that such statements be approved by the Shareholders, and no such approval will be sought at the meeting.

IMPORTANT

PLEASE MARK, SIGN AND DATE THE ENCLOSED PROXY AND RETURN IT AT YOUR EARLIEST CONVENIENCE IN THE ENCLOSED POSTAGE-PREPAID RETURN ENVELOPE SO THAT, WHETHER YOU INTEND TO BE PRESENT AT THE ANNUAL GENERAL MEETING OR NOT, YOUR SHARES CAN BE VOTED. THIS WILL NOT LIMIT YOUR RIGHTS TO ATTEND OR VOTE AT THE ANNUAL GENERAL MEETING.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

The Company's Board of Directors currently has six (6) members. Pursuant to Bye-law 87 of the Company's Bye-laws, at each annual general meeting, one-third of the directors for the time being (or, if their number is not a multiple of three, the number nearest to but not greater than one-third) must retire from office by rotation. The Chairman of the Board is not, while holding such office, subject to retirement by rotation or taken into account in determining the number of directors to retire each year. A retiring director is eligible for re-election. The directors to retire by rotation include (so far as necessary to ascertain the number of directors to retire by rotation) any director who wishes to retire and will not stand for re-election. Any further directors to retire are those subject to retirement by rotation who have been longest in office since their last re-election or appointment. As between persons who became or were last re-elected directors on the same day, those to retire will (unless they otherwise agree among themselves) be determined by lot.

Nominees

The Board of Directors has nominated and recommends the election of Douglas Broyles, who is being re-nominated for election to another term as director, and Thomas Gimple, who was appointed to the Board in February 2003. Messers. Broyles and Gimple's age, business background and tenure as a director of the Company is set forth under "Directors and Executive Officers" below. Messers. Broyles and Gimple will be elected to serve until their respective successors are elected and qualified. If, at the time of the meeting, either should be unable or decline to serve, the discretionary authority provided in the proxy will be exercised to vote for a substitute chosen by the Board of Directors. Mr. Broyles and Mr. Gimple have each consented to serve, if elected, and the Company has no reason to believe that any substitute nominee will be required.

Required Vote

The two nominees receiving the highest number of affirmative votes of the Shares present at the Annual General Meeting in person or by proxy and entitled to vote shall be elected as directors.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE NOMINEES SET FORTH ABOVE.

INFORMATION ABOUT THE BOARD OF DIRECTORS AND COMMITTEES OF THE BOARD

The Board of Directors held four regular meetings, two special meetings, and acted by written consent six times during the last fiscal year. The Board has two committees: the Compensation and Stock Option Committee and the Audit Committee. The Compensation and Stock Option Committee met three times during the fiscal year ended March 31, 2003 and twice acted by written consent. The Audit Committee met six times during the fiscal year. Each director has attended at least 80% of the aggregate of all Board meetings and meetings of the committees of which he or she is a member.

The Board of Directors formed the Compensation Committee and the Audit Committee in February 1997. The role of the Compensation Committee is to make recommendations to the Board of Directors relating to salaries and other compensation for the Company's directors, officers and employees and to administer the employee share option and stock purchase plans. The Committee was subsequently renamed as the Compensation and Stock Option Committee and is composed of directors Douglas Broyles, Thomas Gimple and Christine Russell. Mr. Gimple joined the Compensation and Stock Option Committee in February 2003.

The primary role of the Audit Committee is to review the results and scope of the annual audit and other services provided by the Company's independent auditors, to review and evaluate the Company's internal financial reporting system and control functions, to monitor transactions between the Company and its directors, officers, employees and other related parties and reviews other matters relating to the relationship of the Company with its auditors. It is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. Management is responsible for preparing the Company's financial statements, and the independent auditors are responsible for auditing those financial statements. However, the Audit Committee does consult with management and the Company's independent auditors prior to the presentation of financial statements to Shareholders and, as appropriate, initiates inquiries into various aspects of the Company's financial affairs. The Audit Committee also meets with the independent auditors, with and without management present, to discuss their evaluations of the Company's internal controls, the results of their examination(s) and the overall quality of the Company's financial reporting. The members of the Audit Committee are independent directors Christine Russell, Douglas Broyles and Thomas Gimple. Mr. Gimple joined the Audit Committee in February 2003.

Compensation of Directors

Each director of the Company who is not an employee of the Company or its affiliates receives an annual fee of \$15,000 plus a fee of \$1,000 for each Board meeting attended and \$500 for each committee meeting attended. In addition, each such director is annually awarded a fully vested option to purchase 10,000 Shares at a purchase price determined on the date of grant in accordance with the applicable stock option plan. Each member of the Audit Committee is annually granted an additional fully vested option to purchase 5,000 Shares at a purchase price determined on the date of grant in accordance with the applicable stock option plan. The chairpersons of the Compensation and Stock Option Committee and Audit Committee are annually granted an additional fully vested option to purchase 2,000 Shares at a purchase price determined on the date of grant in accordance with the applicable stock option plan. Chairpersons and directors who are also employees of the Company or its affiliates receive no remuneration for serving as directors. All independent directors who provide services to the Company or act to discharge their duties are paid \$1,500 per day plus actual expenses.

Compensation Committee Interlocks and Insider Participation

Mr. Snyder became an officer and employee of the Company in January 2003 shortly after stepping down as a member of the Compensation and Stock Option Committee.

Neither Mr. Broyles, Ms. Russell nor Mr. Gimple is an officer or employee of the Company. No member of the Compensation and Stock Option Committee or executive officer of the Company has a relationship that would constitute an interlocking relationship with executive officers or directors of another entity.

Information regarding the remuneration paid to directors last year is set forth under Directors and Executive Officers Compensation of Directors above.

Stock Option Information

Edgar Filing: PEAK INTERNATIONAL LTD - Form PRE 14A

The following table sets forth information regarding stock options granted to the Named Executive Officers during the fiscal year ended March 31, 2003. The exercise price in all cases is equal to 100% of the fair market value of our Shares on the date of grant.

In addition, in accordance with the Securities and Exchange Commission rules, the table shows the hypothetical gains that would exist for these options if exercised at end of the option term. These gains are based on the assumed rates of annual compound stock price appreciation of 5% and 10% from the date the options were granted to their expiration date, and do not represent the Company's estimates or projections of future stock prices. There can be no assurance that any of the values reflected in the table will be achieved. The gains shown are net of the option exercise price, but do not include deductions for taxes or other expenses associated with the exercise of the options or the sale of the underlying shares of stock. The actual value that an executive may realize, if any, will depend upon the difference between the market price of our Shares and the exercise price of the option on the date the option is exercised.

Employment Contracts, Termination of Employment and Change-in-Control Arrangements

Calvin R. Reed. Effective April 22, 1999, the Company entered into an employment agreement with Mr. Reed, providing that beginning on that date, he would serve as President and Chief Executive Officer of the Company for an initial term of three years, to be automatically extended by one year on an annual basis unless one party notifies the other of termination. The agreement contains standard provisions relating to benefits, intellectual property, confidentiality, and restrictions on competitive activities and solicitation of Company employees and customers. Pursuant to this agreement, Mr. Reed is entitled to an annual base salary of \$405,000 per year, which may be increased as determined by the Board of Directors. A portion of this salary is paid upon completion of the fiscal year so long as Mr. Reed continues to be employed by the Company at such time. After the second anniversary of the agreement, in all cases of termination except those occurring within two years of a change in control, options granted to Mr. Reed shall remain exercisable for a period of one year. Should Mr. Reed be terminated without cause or resign (as a result a reduction in pay or title, the Company's material breach of the employment contract or a relocation of Mr. Reed's offices outside of Southern California), within two years of a change of control or liquidation of the Company, all of Mr. Reed's options shall vest immediately and remain exercisable for a period of one year and he shall receive a severance payment equal to two times his current base salary if termination occurs in the first year of the contract, and three times his current base salary if termination happens thereafter. Mr. Reed is also entitled to a severance payment of three times his current base salary if he is terminated by the Company without cause (as defined in the agreement).

William Snyder, Jack Menache, John Haughey, Darien Spencer and Danny Tong. The Company has entered into substantially similar two year employment agreements with William Snyder, Jack Menache, John Haughey, Darien Spencer and Danny Tong. These agreements contain standard provisions relating to confidentiality and restrictions on competitive activities and solicitation of Company employees and customers and do not automatically renew at the expiration of their term. Each agreement also calls for a lump-sum severance payment in an amount equal to 12 months base salary and unused vacation pay, and the vesting of all stock options which would have vested within 18 months of the date of termination with such options remaining exercisable for one year should the employee be terminated without cause or resign because of a reduction in base salary or material adverse change in employment duties. If termination without cause or resignation (resulting from a reduction in base salary or a materially adverse change in employment duties) occurs in anticipation of or within two years following a change in control or liquidation of the Company, in addition to a severance package similar to that described above, all stock options held by the employee shall immediately vest in full and remain exercisable for a period of one year.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS⁽¹⁾

The following is the report of the Audit Committee with respect to our audited financial statements for the fiscal year ended March 31, 2003, which include our consolidated balance sheets as of March 31, 2003 and March 31, 2002, and the related consolidated statements of operations, shareholders equity and cash flows for each of the three years in the period ended March 31, 2003, and the notes thereto. During the fiscal year ended March 31, 2003, the Audit Committee was composed of three independent directors. From April 2002 through January 2003, Christie Russell, Douglas Broyles and William Snyder, each of whom was independent as defined by the current listing standards of the Nasdaq Stock Market, served on the Audit Committee. In January 2003, Mr. Snyder was appointed as the Company's Chief Financial Officer, and stepped down from the Audit Committee. In February 2003, Thomas Gimple, who qualifies as independent under the current Nasdaq Stock Market listing requirements, was appointed as a member of the Audit Committee.

The Audit Committee is primarily responsible for reviewing the services performed by the Company's independent auditors and internal finance department, evaluating the Company's accounting policies and its system of internal controls and reviewing significant financial transactions. The Audit Committee operates under a written charter adopted by the Board of Directors.

The Audit Committee recommends to the Board of Directors, subject to shareholder approval, the selection of an accounting firm to be engaged as the Company's independent auditors. The independent auditors are responsible for performing an independent audit of the Company's financial statements in accordance with generally accepted auditing standards and to issue a report thereon. Management has primary responsibility for preparing financial statements and is responsible for our internal controls and the financial reporting process. The Audit Committee is responsible for monitoring and overseeing these processes.

The Audit Committee has reviewed and discussed the Company's audited financial statements with management and with the Company's independent auditors. In addition, the Audit Committee discussed with the Company's independent auditors the matters to be discussed by Statement of Accounting Standards No. 61. The Audit Committee has also received the written disclosures and letter from the Company's independent auditors in accordance with the Independence Standards Board Standard No. 1, and has discussed with the Company's independent auditors their independence. Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended March 31, 2003, for filing with the Securities and Exchange Commission.

The Audit Committee considers at least annually whether the provision of non-audit services by PricewaterhouseCoopers is compatible with maintaining auditor independence. The Audit Committee has concluded that the independence of PricewaterhouseCoopers is not compromised by the services provided. The Audit Committee and the Board of Directors have also recommended, subject to shareholder approval, the selection of PricewaterhouseCoopers as the Company's independent auditors for the fiscal year ending March 31, 2004.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Mr. T. L. Li, Chairman of the Board of Directors until October 2001, through his beneficial ownership of all of the outstanding shares of Luckygold, is the second largest shareholder of the Company. Mr. Li owns approximately 40% of the outstanding shares of QPL Holdings, a company incorporated under Bermuda law and listed on The Hong Kong Stock Exchange. QPL Holdings is a holding company of a group of semiconductor companies which includes QPL, QPL (U.S.) Inc. (f.k.a. Worltek International Limited) and Talent Focus Industries Limited and formerly included ASAT and Newport Wafer-Fab Limited. A portion of the Company's sales have been made to companies controlled by Mr. Li, which include QPL and other subsidiaries of QPL Holdings and formerly included ASAT. The Company's product sales to the subsidiaries of QPL Holdings in the year ended March 31, 2003 represented approximately 2.87% of its net sales or \$1,610,000. QPL and ASAT are customers of the Company and may, from time to time, engage in transactions with the Company that are material to its results of operations.

In addition, the Company purchased 656,186 shares of Peak stock from Mr. T. L. Li for approximately \$2,400,000 on May 5, 2003, with the understanding that Mr. Li would use the proceeds from the sale of these shares to facilitate a proposed settlement of the class action lawsuit against Mr. Li and others. The shares repurchased from Mr. Li were immediately retired. The Peak shares were purchased from Mr. Li at a per share price of \$3.66 per share, which represented a 5% discount from the \$3.85 closing price of the shares on the Nasdaq Stock Market on that date.

The Company reviews related party transactions on an ongoing basis and utilizes the Audit Committee to review potential conflicts of interest where appropriate. The Company's policy is to conduct transactions with its affiliates, including Mr. T. L. Li and the companies in QPL Holdings, on an arms-length basis.

REPORT OF THE COMPENSATION AND STOCK OPTION

COMMITTEE OF THE BOARD OF DIRECTORS

During the fiscal year ended March 31, 2003, the Compensation and Stock Option Committee of the Board of Directors of the Company was comprised of three non-employee directors. From April 2002 through July 2002, Douglas Broyles and William Snyder served on the Compensation and Stock Option Committee. In July 2002, Christine Russell was appointed to the Committee. In January 2003, Mr. Snyder was appointed as the Company's Chief Financial Officer and stepped down from the Committee. In February 2003, Thomas Gimple was appointed as a member of the Committee. The Compensation and Stock Option Committee reviews and makes recommendations concerning base salaries and incentive compensation for all officers of the Company and authorizes the grant of stock options.

Compensation Philosophy

The Company's executive compensation program is generally designed to align the interests of executives with the interests of shareholders and to reward executives for achieving corporate objectives. The executive compensation program is also designed to attract and retain the services of qualified executives.

Key Elements of Executive Compensation

Executive compensation currently consists of a base salary, bonuses, stock options, and other compensation and benefit programs generally available to other employees.

Base Salary. Base salary levels for the Chief Executive Officer (CEO) and other executive officers are intended to compensate executives competitively. Base salaries are determined on an individual basis by evaluating each executive's scope of responsibility, past performance, prior experience and compensation levels in relevant markets for comparable talent. Base salaries for executives are reviewed from time to time by the Committee. Effective September 1, 2001, the salaries of Messrs. Reed and Menache were reduced by 15% subject to payment in the form of bonuses if the Company met certain revenue and profitability goals in fiscal year 2002. On April 29, 2002, the salary reductions were eliminated.

Bonuses. The Executive Compensation Plan provided for bonuses to the CEO and other executive officers based on revenue and profitability goals in fiscal year 2003. For the fiscal year ended March 31, 2003, no bonuses were paid to the CEO or other executive officers.

Stock Options. The Company provides long-term equity incentives to its executive officers and to other employees through the grant of stock options under its stock option plans. The purpose of granting stock options is to create a direct link between compensation and the long-term performance of the Company. Stock options are generally granted at an exercise price equal to 100% of the fair market value on the date of grant, have a four-year term and generally vest in quarterly installments over thirty-six months. Because the receipt of value by an executive officer under a stock option is dependent upon an increase in the price of the Company's common stock, this portion of the executives' compensation is directly aligned with an increase in shareholder value. The primary stock options granted to executive officers are generally in conjunction with the executive officer's acceptance of employment with the Company. When determining the number of stock options to be awarded to an executive officer, the Committee considers the executive's current contribution to the Company's performance, the executive officer's anticipated contribution in meeting the Company's long-term goals and by comparisons to formal and informal surveys of stock option grants made by other companies. The Committee also reviews stock option levels for executive officers each fiscal year in light of long-term objectives and each executive's current and anticipated contributions to the Company's future performance. In addition to the stock option

Edgar Filing: PEAK INTERNATIONAL LTD - Form PRE 14A

program, executives are eligible to participate in the Company's 2000 Employee Stock Purchase Plan, pursuant to which shares of the Company's stock may be purchased at 85% of the lower of the fair market value at the beginning and end of each offering period.

Chief Executive Compensation

The Committee determines the compensation of the CEO using the same criteria as for the other executive officers. On June 7, 2000, Mr. Reed's salary was set at \$405,000 per year, including \$50,000 to be paid upon completion of the fiscal year so long as Mr. Reed continues to be employed by the Company at such time. Effective September 1, 2001, Mr. Reed's salary was reduced by 15% subject to payment in the form of bonuses if the Company met certain revenue and profitability goals in fiscal year 2002. On April 29, 2002, the salary reduction was eliminated. During the fiscal year ended March 31, 2003, in recognition of Mr. Reed's accomplishments in fiscal 2003 and as an incentive for future performance, the Compensation Committee granted Mr. Reed three options to purchase shares of common stock of the Company. The first option is for the purchase of 42,500 shares of common stock at a per share exercise price of \$3.515, the second option is for the purchase of 30,000 shares of common stock at a per share exercise price of \$3.475, and the third option is for the purchase of 98,000 shares of common stock at a per share exercise price of \$3.515. The option to purchase 30,000 shares vests over three years from the date of grant in twelve equal, quarterly installments, the options to purchase 42,500 shares and 98,000 shares remain unvested until December 31, 2003 and September 1, 2004, respectively, at which time each will become fully vested. The exercise price in all cases is equal to 100% of the fair market value of our common stock on the date of grant. For fiscal year ended March 31, 2003, Mr. Reed did not receive a bonus.

Tax Deductibility of Executive Compensation

The Committee has considered the potential impact of Section 162(m) of the Internal Revenue Code on the compensation paid to the Company's executive officers. Section 162(m) limits the tax deductibility by a corporation of compensation in excess of \$1 million paid to its CEO and any other of its four most highly compensated executive officers. However, compensation which qualifies as performance based is excluded from the \$1 million limit if, among other requirements, the compensation is payable only upon attainment of pre-established, objective performance goals under a plan approved by the corporation's shareholders. In general, it is the Committee's policy to qualify, to the maximum extent possible, its executives' compensation for deductibility under applicable tax laws.

The Committee does not presently expect total cash compensation to exceed the \$1 million limit for any individual executive officer of the Company. In addition, realized gains on the exercise of nonstatutory stock options may also qualify for the exemption from the tax deduction limit under Section 162(m) as performance-based compensation if certain conditions under Section 162(m) are met. After consideration of the requirements of Section 162(m), the Compensation and Stock Option Committee believes that nonstatutory stock option grants to date meet the requirement that such grants be performance based.

STOCK PRICE PERFORMANCE GRAPH

In accordance with the rules of the Securities and Exchange Commission, the following graph compares the cumulative total return of the Company, the Russell 2000 Index and the Dow Jones Containers and Packaging Industry Group. The total return assumes \$100 invested in the Company's shares, the Russell 2000 Index and the Dow Jones Containers and Packaging Industry Group on March 31, 1998 and includes reinvestment of dividends.

The comparative performance of the Company's shares against the indexes as depicted in this graph is dependent on the price of stock at a particular measurement point in time. Since individual stocks are more volatile than broader stock indexes, the perceived comparative performance of the Company's shares may vary based on the strength or weakness of the share price at the new measurement point used in each future proxy statement graph. For this reason, the Company does not believe that this graph should be considered as the sole indicator of the Company's performance and is not necessarily indicative of future performance.

PROPOSAL NO. 3

INCREASE IN THE NUMBER OF SHARES RESERVED FOR ISSUANCE

UNDER THE 1998 SHARE OPTION PLAN

The Board of Directors approved an amendment to the Company's 1998 Share Option Plan to increase the number of Shares reserved for issuance under the 1998 Share Option Plan from 2,950,000 to 3,250,000. The Board of Directors believes that the increase is in the best interests of the Company and its Shareholders because it will increase the Company's ability to attract and retain employees by providing them with appropriate equity incentives. This plan plays an important role in the Company's efforts to attract and retain employees of outstanding ability. The following summary of the principal features of the 1998 Share Option Plan is qualified by reference to the terms of the 1998 Share Option Plan, a copy of which is available without charge upon Shareholder request to Jack Menache, Peak International Limited, 44091 Nobel Drive, P.O. Box 1767, Fremont, California 94538.

Shares Available for Awards and Administration of the Plan

Subject to certain adjustments, if approved, the number of Shares with respect to which awards may be granted under the 1998 Share Option Plan (referred to in this Proposal No. 3 as the Plan) shall be 3,250,000. No participant may receive awards under the Plan in any calendar year that relate to more than 200,000 Shares. The Plan shall be administered by the Compensation and Stock Option Committee, which shall be authorized to interpret the Plan, to establish, amend and rescind any rules and regulations relating to the Plan, and to make any other determinations that it deems necessary or desirable for the administration of the Plan. Subject to applicable law, the Compensation and Stock Option Committee shall be permitted to delegate its duties and powers under the Plan to designated individuals. On April 29, 2002, the Board of Directors amended the Plan to (1) limit the maximum number of shares that may be granted to an independent director in any year to an amount not to exceed 20,000 shares per year, (2) to prohibit grants at less than fair market value, and (3) to prohibit material changes to the Plan without shareholder approval. In addition, the Company's shareholders approved an amendment to the Plan in September 2002 that increased the number of shares reserved under the Plan from 2,700,000 to 2,950,000.

Adjustment

In the event that the Compensation and Stock Option Committee determines that any dividend or other distribution (whether in the form of cash, Shares, other securities, or other property) or any alteration in the capital structure of the Company, including but not limited to any recapitalization, stock split, subdivision, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, or exchange of Shares or other securities of the Company, issuance of warrants or other rights to subscribe for or acquire Shares or other securities of the Company, or other similar corporate transaction or event affects the Shares such that an adjustment is determined by the Compensation and Stock Option Committee to be appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan, then the Compensation and Stock Option Committee shall, in such manner as it may deem equitable, adjust any or all of (i) the number of Shares or other securities of the Company (or number and kind of other securities or property) with respect to which awards may be granted, (ii) the number of Shares or other securities of the Company which are the subject of outstanding awards, and (iii) the grant or exercise price with respect to any award, or, if deemed appropriate by the Compensation and Stock Option Committee, make provision for a cash payment to the holder of an outstanding award; provided that, no adjustment to the grant or exercise price of an award shall be made which would result in an exercise or grant price of less than the par value of a Share.

Eligibility

Any director and employee shall be eligible to participate. As of June 30, 2003, the Company had approximately six directors and 150 employees who were eligible under the Plan.

Share Options

Subject to the provisions of the Plan, the Compensation and Stock Option Committee shall have sole, absolute and complete authority to determine the directors or the employees to whom options shall be granted provided that the number of shares granted to an independent director in any year shall not exceed 20,000 shares, the number of Shares to which each option relates and the conditions and limitations applicable to the exercise of any option. The Compensation and Stock Option Committee shall have the authority to grant Incentive Stock Options, or to grant Nonstatutory Stock Options, or to grant both types of options. In the case of Incentive Stock Options, the terms and conditions of such grants shall be subject to and comply with such rules as may be prescribed by Section 422 of the Code, as from time to time amended, and any regulations implementing such statute.

The Compensation and Stock Option Committee in its sole and absolute discretion will establish the exercise price at the time each option is granted which in any event shall not be less than the par value of a Share and provided that no option may have an exercise price that is less than the fair market value of the underlying Shares on the date of grant of such option. As of July 15, 2003, the closing price of the Company's common stock, as reported on the Nasdaq National Market was \$[] per Share. Each option shall be exercisable at such times and subject to such terms and conditions as the Compensation and Stock Option Committee may, in its sole and absolute discretion, specify in the applicable award agreement or thereafter. The Committee may impose such conditions with respect to the exercise of options, including without limitation, any relating to the application of United States federal or state securities laws, as it may deem necessary or advisable.

Termination or Suspension of Employment

Unless the Compensation and Stock Option Committee shall have provided otherwise, if the participant's employment with the Company or its affiliates or his appointment as a director is terminated for any reason other than death or permanent and total disability, the participant shall have the right to exercise any option following such termination of employment or appointment and prior to the date which falls 90 days after the date of such termination of employment or appointment to the extent such option was exercisable at the date of such termination of employment or appointment and shall not have been exercised. But in no event shall such option be exercisable later than the expiration date for such option set forth in the award agreement. Unless the Compensation and Stock Option Committee shall have provided otherwise, if the participant's employment with the Company or its affiliates or the participant's appointment as a director is terminated by reason of death or permanent and total disability, the unvested portion of any options shall terminate and expire on the date of such termination of employment and the participant's successor, in the case of the participant's death, or otherwise the participant shall have the right to exercise any option following such termination of employment or appointment to the extent it was exercisable at the date of such termination of employment or appointment and shall not have been exercised, but in no event shall such option be exercisable later than the expiration date for the option set forth in the applicable award agreement.

Amendment and Termination

Subject to certain restrictions in the Plan, the Board may amend, alter, suspend, discontinue, or terminate the Plan or any portion thereof at any time, provided however, the Board of Directors amended the Plan on April 29, 2002 to provide that the Company must seek Shareholder approval of material changes to the Plan. The Compensation and Stock Option Committee may also waive any conditions or rights under, amend any terms of, or alter, suspend, discontinue, cancel or terminate, any award provided that if such waiver, amendment, alteration, suspension, discontinuance, cancellation or termination would adversely affect the number of Shares of any award or the amount payable by a participant upon exercise of any granted option, it shall not be effective without the consent of the affected participant. The Compensation and Stock Option Committee may cause any award granted to be cancelled in consideration of a cash payment or alternative award made to the holder of such cancelled award equal in value to the fair market value as at the original date of grant of the cancelled award.

Nontransferability

No award or option granted under the Plan may be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by a participant, in whole or in part, except pursuant to a validly made will of the participant or the laws of inheritance of property.

Taxes and Withholding

Generally, all taxes (including income tax) arising from the exercise of any option granted to any participant under the Plan will be borne by that participant. A participant may be required to pay to the Company (or an affiliate) and the Company (or an affiliate) may withhold from any award or from any compensation or other amount owing to a participant the amount of any applicable withholding taxes.

No Right to Employment

The grant of an award shall not be construed as giving a participant the right to be retained in the employ of the Company or one of its affiliates. The Company or an affiliate may at any time dismiss a participant from employment, free from any liability or any claim under the Plan or any award and options granted thereunder. The terms of employment of a participant shall not be affected by his participation in the Plan.

No Rights as Shareholder

Subject to the provisions of the applicable award, no participant or holder or beneficiary of any award shall have any rights as a shareholder with respect to any Shares to be distributed under the Plan until he or she has become the registered holder of such Shares. Shares allotted and issued on exercise of an option shall be subject to all provisions of the memorandum of association and bye-laws of the Company, and shall rank in full for all entitlements, including dividends or other distributions declared or recommended in respect of the then existing Shares.

Term of the Plan

The Plan has been effective since July 27, 1998. No award may be granted under the Plan after July 27, 2008.

Summary of U.S. Federal Income Tax Consequences

The following summary is intended only as a general guide as to the U.S. federal income tax consequences under current law and does not attempt to describe all possible federal or other tax consequences of such participation or tax consequences based on particular circumstances.

Incentive Stock Options. A participant recognizes no taxable income for regular income tax purposes as a result of the grant or exercise of an incentive stock option qualifying under Section 422 of the Code. Participants who neither dispose of their Shares within two years following the date the option was granted nor within one year following the exercise of the option will normally recognize a capital gain or loss equal to the difference, if any, between the sale price and the purchase price of the Shares. If a participant satisfies such holding periods upon a sale of the Shares, the Company will not be entitled to any deduction for federal income tax purposes. If a participant disposes of Shares within two years after the date of grant or within one year after the date of exercise (a disqualifying disposition), the difference between the fair market value of the Shares on the determination date (see discussion under Nonstatutory Stock Options below) and the option exercise price (not to exceed the gain realized on the sale if the disposition is a transaction with respect to which a loss, if sustained, would be recognized) will be taxed as ordinary income at the time of disposition. Any gain in excess of that amount will be a capital gain. If a loss is recognized, there will be no ordinary income, and such loss will be a capital loss. Any ordinary income recognized by the participant upon the disqualifying disposition of the Shares generally should be deductible by the Company for federal income tax purposes, except to the extent such deduction is limited by applicable provisions of the Code.

The difference between the option exercise price and the fair market value of the Shares on the determination date of an incentive stock option (see discussion under *Nonstatutory Stock Options* below) is treated as an adjustment in computing the participant's alternative minimum taxable income and may be subject to an alternative minimum tax which is paid if such tax exceeds the regular tax for the year. Special rules may apply with respect to certain subsequent sales of the Shares in a disqualifying disposition, certain basis adjustments for purposes of computing the alternative minimum taxable income on a subsequent sale of the Shares and certain tax credits which may arise with respect to participants subject to the alternative minimum tax.

Nonstatutory Stock Option. Options not designated or qualifying as incentive stock options will be nonstatutory stock options having no special tax status. A participant generally recognizes no taxable income as the result of the grant of such an option. Upon exercise of a nonstatutory stock option, the participant normally recognizes ordinary income in the amount of the difference between the option exercise price and the fair market value of the Shares on the determination date (as defined below). If the participant is an employee, such ordinary income generally is subject to withholding of income and employment taxes. The *determination date* is the date on which the option is exercised unless the Shares are subject to a substantial risk of forfeiture (as in the case where a participant is permitted to exercise an unvested option and receive unvested Shares which, until they vest, are subject to the Company's right to repurchase them at the original exercise price upon the participant's termination of service) and are not transferable, in which case the determination date is the earlier of (i) the date on which the Shares become transferable or (ii) the date on which the Shares are no longer subject to a substantial risk of forfeiture. If the determination date is after the exercise date, the participant may elect, pursuant to Section 83(b) of the Code, to have the exercise date be the determination date by filing an election with the Internal Revenue Service no later than 30 days after the date the option is exercised. Upon the sale of stock acquired by the exercise of a nonstatutory stock option, any gain or loss, based on the difference between the sale price and the fair market value on the determination date, will be taxed as capital gain or loss. During the past two fiscal years, there have been no disagreements with the Company's independent auditors on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to the auditor's satisfaction, would have caused such auditor to make reference to the subject matter of any such disagreements in connection with its report on the Company's financial statements for the applicable period. In addition, during the past two fiscal years, there were no reportable events as defined in Item 304(a) of Regulation S-K.

(a) Termination of Employment. If the Participant's employment with the Company or its Affiliates or his appointment as a Director is terminated for any reason other than death or permanent and total disability, the Participant shall have the right to exercise any Option following such termination of employment or appointment and prior to the date which falls 90 days after the date of such termination of employment or appointment to the extent such Option was exercisable at the date of such termination of employment or appointment and shall not have been exercised. But in no event shall such Option be exercisable later than the expiration date for such Option set forth in the Award Agreement.

(b) Death or Disability. If the Participant's employment with the Company or its Affiliates or the Participant's appointment as a Director is terminated by reason of death or permanent and total disability, the unvested portion of the Option shall terminate and expire on the date of such termination of employment and the Participant's successor, in the case of the Participant's death, or otherwise the Participant shall have the right to exercise any Option following such termination of employment or appointment to the extent it was exercisable at the date of such termination of employment or appointment and shall not have been exercised, but in no event shall such Option be exercisable later than the expiration date for the Option set forth in the Award Agreement.

SECTION 8. Amendment and Termination.

(a) Amendments to the Plan. The Board may amend, alter, suspend, discontinue, or terminate the Plan or any portion thereof at any time; provided that no such amendment, alteration, suspension, discontinuation or termination shall be made without shareholder approval if such approval is necessary to comply with any tax or regulatory requirement or other applicable law or regulation, for which or with which the Board deems it necessary or desirable to qualify or comply. Notwithstanding anything to the contrary herein, the Committee may amend the Plan in such manner as may be necessary so as to have the Plan conform with local rules and regulations in any jurisdiction.

(b) Amendments to Awards. The Committee may waive any conditions or rights under, amend any terms of, or alter, suspend, discontinue, cancel or terminate, any Award theretofore granted, prospectively or retroactively; provided that any such waiver, amendment, alteration, suspension, discontinuance, cancellation or termination that would adversely affect the number of Shares which are the subject of any Award or the amount payable by a Participant upon exercise of any granted Option shall not be effective without the consent of the affected Participant.

(c) Cancellation. Any provision of this Plan or any Award Agreement to the contrary notwithstanding, the Committee may cause any Award granted hereunder to be cancelled in consideration of a cash payment or alternative Award made to the holder of such cancelled Award equal in value to the Fair Market Value as at the original date of grant of such cancelled Award.

SECTION 9. General Provisions.

(a) Nontransferability. No Award or Option granted hereunder shall be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by a Participant, in whole or in part, except pursuant to a validly made will of the Participant or the laws of inheritance of property.

(b) No Rights to Awards. No Director, Employee, Participant or other Person shall have any claim to be granted any Award, and there is no obligation for uniformity of treatment of Directors, Employees, Participants, or holders or beneficiaries of Awards. The terms and conditions of Awards need not be the same with respect to each recipient.

(c) Share Certificates. All Shares or other securities of the Company issued under the Plan pursuant to any Award or the exercise thereof shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the Plan or the rules, regulations, and other requirements of the SEC, any stock exchange upon which such Shares or other securities of the Company are then listed, and any applicable law, including without limitation any United States Federal or state law and the Committee may cause a legend or legends to be put on any such certificates relative to such Shares or other securities to make appropriate reference to such restrictions.

(d) Delegation. Subject to the terms of the Plan and any applicable law, the Committee may delegate to one or more officers or managers of the Company or any Affiliate, or to a committee of such officers or managers, the authority, subject to such terms and limitations as the Committee shall determine, to grant Awards to, or to cancel, modify or waive rights with respect to, or to alter, discontinue, suspend, or terminate Awards held by, Participants other than Directors.

(e) Taxes and Withholding. All taxes (including income tax) arising from the exercise of any Option granted to any Participant under the Plan shall be borne by that Participant. A participant may be required to pay to the Company or any Affiliate and the Company or any Affiliate shall have the right and is hereby authorized to withhold from any Award, from any payment due or transfer made under any Award or under the Plan or from any compensation or other amount owing to a Participant the amount (in cash, other securities, other Awards or other property) of any applicable withholding taxes in respect of an Award, its exercise, or any payment or transfer under an Award or under the Plan and to take such other action as may be necessary in the opinion of the Company to satisfy all obligations for the payment of such taxes.

(f) Award Agreements. Each Award hereunder shall be evidenced by an Award Agreement which shall be delivered to the Participant and shall specify the terms and conditions of the Award and any rules applicable thereto.

(g) No Limit on Other Compensation Arrangements. Nothing contained in the Plan shall prevent the Company or any Affiliate from adopting or continuing in effect other compensation arrangements, which may,

A1-5

but need not, provide for the grant of options, restricted stock, Shares and other types of Awards provided for hereunder (subject to shareholder approval if such approval is required), and such arrangements may be either generally applicable or applicable only in specific cases.

(h) **No Right to Employment.** The grant of an Award shall not be construed as giving a Participant the right to be retained in the employ of the Company or any Affiliate. Further, the Company or an Affiliate may at any time dismiss a Participant from employment, free from any liability or any claim under the Plan or any Award and Options granted thereunder. The terms of employment of a Participant shall not be affected by his participation in the Plan, which shall neither form part of such terms nor entitle him to take into account such participation in calculating any compensation or damages on the termination of his employment for any reason.

(i) **No Rights as Shareholder.** Subject to the provisions of the applicable Award, no Participant or holder or beneficiary of any Award shall have any rights as a shareholder with respect to any Shares to be distributed under the Plan until he or she has become the registered holder of such Shares. Shares allotted and issued on exercise of an Option shall be subject to all provisions of the memorandum of association and bye-laws of the Company, and shall rank in full for all entitlements, including dividends or other distributions declared or recommended in respect of the then existing Shares, the Record Date for which is on or after the relevant date upon which such exercise occurred, and shall in all other respects rank *pari passu* with other existing Shares then issued and outstanding. For the purpose of this sub-Section, the term **Record Date** means the date fixed by the Company for the purposes of determining entitlements to dividends or other distributions to or rights of holders of Shares.

(j) **Governing Law.** The validity, construction, and effect of the Plan and any rules and regulations relating to the Plan and any Award Agreement shall be determined in accordance with the laws of Hong Kong (except to the extent that the laws of Bermuda are applicable to the Company).

(k) **Severability.** If any provision of the Plan or any Award is or becomes or is deemed to be invalid, illegal, or unenforceable in any jurisdiction or as to any Person or Award, or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to such minimum extent as is necessary to comply with the applicable laws, or if it cannot be construed or deemed amended without, in the determination of the Committee, materially altering the intent of the Plan or the Award, such provision shall be deleted as to such jurisdiction, Person or Award and the remainder of the Plan and any such Award shall remain in full force and effect.

(l) **Other Laws.** The Committee may refuse to issue any Shares or any other securities or other consideration, or transfer any issued Shares, any other securities or other consideration under an Award if, acting in its sole discretion, it determines that the issuance or transfer of such Shares, other securities or other consideration might violate any applicable law or regulation or entitle the Company to recover under Section 16(b) of the Exchange Act, and any payment tendered to the Company by a Participant, other holder or beneficiary in connection with the exercise of such Award shall be promptly refunded to the relevant Participant, holder or beneficiary. Without limiting the generality of the foregoing, no Award granted hereunder shall be construed as an offer to acquire or to sell Shares or other securities of the Company, and no such offer shall be outstanding, unless and until the Committee in its sole discretion has determined that any such offer, if made, would be in compliance with all applicable requirements of the U.S. Federal securities laws and any other laws to which such offer, if made, would be subject.

(m) **No Trust or Fund Created.** Neither the Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company or any Affiliate and a Participant or any other Person. To the extent that any Person acquires a right to receive payments from the Company or any Affiliate pursuant to an Award, such right shall be no greater than the right of any unsecured general creditor of the Company or any Affiliate.

(n) No Fractional Shares. No fractional Shares shall be issued or delivered pursuant to the Plan or any Award, and the Committee shall determine whether cash, other securities, or other property shall be paid or transferred in lieu of any fractional Shares or whether such fractional Shares or any rights thereto shall be cancelled, terminated, or otherwise eliminated.

(o) Disclaimer of Liability. Notwithstanding any provisions herein contained, the Committee and the Company shall not under any circumstances be held liable for any cost, losses, expenses and damages whatsoever and howsoever arising in any event, including but not limited to the Company's delay in issuing the Shares following the exercise of any Option.

(p) Headings. Headings are given to the Sections and subsections of the Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction or interpretation of the Plan or any provision thereof.

SECTION 10. Term of the Plan.

(a) Effective Date. The Plan shall be effective as of 27 July 1998.

(b) Expiration Date. Subject to the succeeding sentence, no Award may be granted under the Plan after 27 July 2008. Unless otherwise expressly provided in the Plan or in an applicable Award Agreement, any Award granted hereunder may, and the authority of the Board or the Committee to amend, alter, adjust, suspend, discontinue or terminate any such Award or to waive any conditions or rights under any such Award shall, continue after the authority for grant of new Awards hereunder has been exhausted.
