On October 7, 2003, Concerto Software, Inc., a Delaware corporation (Concerto), announced in a press release that it entered into an agreement and plan of merger dated as of October 7, 2003 (the Merger Agreement) with Melita International Ltd. (Melita) and Bach Merger Sub, Inc. (Merger Sub), an indirect wholly-owned subsidiary of Melita. Pursuant to the Merger Agreement, Merger Sub will merge (the Merger) with and into Concerto, with the separate corporate existence of Merger Sub ceasing and Concerto continuing as the surviving corporation and an indirect wholly-owned subsidiary of Melita. Except as provided below, at the effective time of the Merger (the Effective Time), each share of Concerto common stock issued and outstanding immediately prior to the Effective Time will be converted into the right to receive \$12.00 per share in cash for a total transaction value of approximately \$145.2 million in the aggregate. Notwithstanding the foregoing, pursuant to the Merger Agreement, certain officers and a director of Concerto will not receive cash for their shares but will instead contribute their shares to Melita in exchange for a minority equity interest in Melita.

The consummation of the Merger is subject to various conditions precedent, including approval by the holders of a majority of the common stock of Concerto and the securing of regulatory approvals.

The preceding is qualified in its entirety by reference to the Merger Agreement, a copy of which is attached hereto as Exhibit 2.1 and incorporated herein by reference. In addition, a copy of the press release regarding the Merger Agreement is being filed as Exhibit 99.1 hereto and the portions thereof relating to the Merger Agreement are incorporated herein by reference.
