**Section 2 Financial Information**

**Item 2.02. Results of Operations and Financial Condition.**

On April 26, 2005, Albemarle Corporation (the Company) issued a press release regarding its earnings for the first quarter and three months ended March 31, 2005. A copy of this release is being furnished as Exhibit 99.1 hereto and incorporated herein by reference. In addition, on April 26, 2005, the Company will hold a teleconference for analysts and media to discuss results for the first quarter and three months ended March 31, 2005. The teleconference will be webcast on the Company's website at [www.albemarle.com](http://www.albemarle.com).

The press release attached as Exhibit 99.1 includes net income and related per share amounts excluding certain special items. Net income excluding special items is a financial measure that is not required by, or presented in accordance with, accounting principles generally accepted in the United States (GAAP). The Company has reported net income excluding special items because management believes that this financial measure is more reflective of the Company's performance as it presents investors with information about the impact of certain non-recurring items on the Company, and, in doing so, improves transparency to investors and enhances period-to-period comparability of financial performance. Net income excluding special items should not be considered as an alternative to net income determined in accordance with GAAP. The Company has included in the press release a reconciliation of net income excluding special items, a non-GAAP financial measure, to net income, the most directly comparable financial measure calculated and reported in accordance with GAAP.

In accordance with General Instruction B.2 of Form 8-K, the information in this Current Report on Form 8-K, including Exhibit 99.1, shall not be deemed filed for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liability of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such a filing.
