AMENDMENT NO. 2

TO "The Equity Incentive Plan

The following is a description of the material terms of the Equity Incentive Plan (which we refer to in this section as the plan). You should, however, refer to the exhibits that are a part of the registration statement for a copy of the plan. See Where You Can Find More Information.

Purpose

The purposes of the plan are to attract, retain and motivate key employees and directors of, and consultants and advisors to, Lazard and to align the interests of key employees, directors, consultants and advisors with those of stockholders through equity-based compensation and enhanced opportunities for ownership of shares of our common stock. We currently expect that after this offering we will pay a portion of our bonus compensation in the form of equity awards of Lazard Ltd that will be subject to vesting and other terms. We do not currently intend to grant any stock options in respect of shares of our common stock during the first two years following this offering unless and to the extent that we determine that such grants would be appropriate for European employees or managing directors under agreed upon circumstances.

Administration

The plan will be administered by the compensation committee or such other committee of our board of directors as our board of directors may from time to time establish. The committee administering the plan will be referred to in this description as the committee. Among other things, the committee will have the authority to select individuals to whom awards may be granted, to determine the type of award as well as the number of shares of common stock to be covered by each award, and to determine the terms and conditions of any such awards. All determinations by the committee or its designee under the plan will be final, binding and conclusive.

Eligibility

Edgar Filing: Lazard Ltd - Form S-1/A

Persons who serve or agree to serve as our officers, employees, directors, consultants or advisors who are responsible for, or contribute to, our management, growth and profitability are eligible to be granted awards under the plan. Holders of equity-based awards issued by a company acquired by us or with which we combine will be eligible to receive substitute awards under the plan.

Shares Available

Subject to adjustment, the plan authorizes the issuance of up to 25,000,000 shares of common stock pursuant to the grant or exercise of stock options, stock appreciation rights (SARs), restricted stock, stock units and other equity-based awards. If any award is forfeited or if any stock option or SAR

Table of Contents

terminates without being exercised, or if any SAR is exercised for cash, shares of common stock subject to such awards will be available for distribution in connection with awards under the plan. If the option price of any stock option granted under the plan is satisfied by delivering shares of common stock to us (by actual delivery or attestation), only the number of shares of common stock issued net of the shares of common stock delivered or attested to will be deemed delivered for purposes of determining the maximum number of shares of common stock available for delivery under the plan. To the extent any shares are not delivered to a participant because such shares are used to satisfy any applicable tax-withholding obligation, such shares will not be deemed to have been delivered for purposes of determining the maximum number of shares of common stock available for delivery under the plan. The shares subject to grant under the plan are to be made available from authorized but unissued shares or from shares held by our subsidiaries, as determined from time to time by our board of directors.

Change in Capitalization or Change in Control

The plan provides that, in the event of any change in corporate capitalization, such as a stock split, or any fundamental corporate transaction, such as any merger, amalgamation, consolidation, separation, spinoff or other distribution of property (including any extraordinary cash or stock dividend), or any reorganization or partial or complete liquidation of us, the committee or the board of directors may make such substitution or adjustment as it deems appropriate in its discretion in the aggregate number and kind of shares reserved for issuance under the plan, in the exercise price of shares subject to outstanding stock options and SARs, and in the number and kind of shares subject to other outstanding awards granted under the plan. Any adjustments described in the immediately preceding sentence that are considered deferred compensation subject to Section 409A of the Code will be made in such manner as to ensure that after such adjustment, the awards either continue not to be subject to, or comply with the requirements of, Section 409A of the Code. The plan also provides that in the event of a change in control of us, unless otherwise provided for in the individual award agreement: (i) SARs and stock options outstanding as of the date of the change in control, which are not then exercisable and vested will become fully exercisable and vested, (ii) the restrictions and deferral limitations applicable to restricted stock will lapse and such restricted stock will become free of all restrictions and fully vested, and (iii) all stock units will vest in full and be immediately settled.

As indicated above, several types of awards can be made under the plan. A summary of these grants is set forth below.

Stock Options

Eligible individuals can be granted non-qualified stock options under the plan. The exercise price of such options cannot be less than 100% of the fair market value of the stock underlying the options on the date of grant. The term of the options will be determined by the committee. Optionees may pay the exercise price in cash or, if approved by the committee, in common stock (valued at its fair market value on the date of exercise) or a combination thereof, or, to the extent permitted by applicable law, by cashless exercise through a broker or by withholding shares otherwise receivable on exercise. The committee will determine the vesting and exercise schedule of options. Unless determined otherwise by the committee in its discretion, unvested options terminate upon termination of service, and vested options will generally remain exercisable for one year after the optionee's death, three years after the optionee's termination for disability, five years after the optionee's retirement and 90 days after the optionee's termination for any other reason (other than for cause, in which case all options will terminate). Unless determined otherwise by the committee, if an optionee's service terminates during the two-year period following a change in control (other than for cause), options held

Table of Contents

by the optionee will remain exercisable until the third anniversary of the change in control. Notwithstanding the foregoing rules, in no event will an option remain exercisable following the expiration of its original term.

SARs

SARs may be granted as stand-alone awards or in conjunction with an option. An SAR entitles the holder to receive, upon exercise, the excess of the fair market value of a share of common stock at the time of exercise over the exercise price of the applicable SAR multiplied by the specified number of shares of common stock in respect of which the SAR has been exercised. Such amount will be paid to the holder in stock (valued at its fair market value on the date of exercise), cash or a combination thereof, as the committee may determine. An SAR granted in conjunction with an option is exercisable only when and to the extent the related option is exercisable. An option will be cancelled to the extent that its related SAR is exercised or cancelled, and an SAR will be cancelled to the extent the related option is exercised or cancelled. Unless determined otherwise by the committee, unvested SARs terminate upon termination of service, and vested SARs generally will remain exercisable for one year after the holder's death, three years after the holder's termination for disability, five years after the holder's termination due to retirement and 90 days after the holder's termination for any other reason (other than for cause, in which case all SARs will terminate). Unless determined otherwise by the committee, if a holder's service terminates during the two-year period following a change in control (other than for cause), SARs held by the holder will remain exercisable until the third anniversary of the change in control. Notwithstanding the foregoing rules, in no event will an SAR remain exercisable following the expiration of its original term. Generally, stand-alone SARs are subject to the same terms and conditions as stock options as described above.

Restricted Stock

Restricted stock may be granted with such restrictions and restricted periods as the committee may determine. The committee may provide that a grant of restricted stock will vest upon the continued service of the participant or the satisfaction of applicable performance goals. Restricted stock is generally forfeited upon termination of service, unless otherwise provided by the committee. Other than such restrictions on transfer and any other restrictions the committee may impose, the participant will have all the rights of a stockholder with respect to the restricted stock award, although the committee may provide for the automatic deferral or reinvestment of dividends or impose vesting requirements on dividends.

Stock Units

The committee may grant stock unit awards, which represent a right to receive cash based on the fair market value of a share of common stock or a share of common stock. The committee may provide that a grant of stock units will vest upon the continued service of the participant or the satisfaction of applicable performance goals. Stock units that are not vested are generally forfeited upon termination of service, unless otherwise provided by the committee. Holders of stock units do not have the rights of a stockholder with respect to the award unless and until the award is settled in shares of common stock, although the committee may provide for dividend equivalent rights.

Other Equity-Based Awards

Edgar Filing: Lazard Ltd - Form S-1/A

The committee may grant other types of equity-based awards based upon Lazard common stock, including unrestricted stock and dividend equivalent rights.

Transferability

Awards generally will not be transferable, except by will and the laws of descent and distribution or to the extent otherwise permitted by the committee.

Duration of the Plan

The plan will have a term of ten years from the date of its adoption by our board of directors.

Amendment and Discontinuance

The plan may be amended, altered or discontinued by the board of directors, but, except as required by applicable law, stock exchange rules, tax rules or accounting rules, no amendment, alteration or discontinuance may materially impair the rights of an optionee under an option or a recipient of an SAR, restricted stock award, stock unit award or other equity-based award previously granted without the optionee's or recipient's consent. The plan may not be amended without stockholder approval to the extent such approval is required by applicable law or stock exchange rules. Notwithstanding the foregoing, the committee may grant awards to eligible participants who are subject to legal or regulatory provisions of countries or jurisdictions outside the U.S., on terms and conditions different from those specified in the plan, as it determines to be necessary, and may make such modifications, amendments, procedures, or subplans as are necessary to comply with such legal or regulatory provisions.

Federal Income Tax Consequences

The following discussion is intended only as a brief summary of the material U.S. federal income tax rules that are generally relevant to non-qualified stock options as the plan does not provide for the grant of incentive stock options within the meaning of Section 422 of the Code. The laws governing the tax aspects of awards are complex and such laws are subject to change.

Upon the grant of a nonqualified option, the optionee will not recognize any taxable income and we will not be entitled to a deduction. Upon

the exercise of such an option or related SAR, the excess of the fair market value of the shares acquired upon the exercise of the option or SAR over the exercise price of the option or the cash paid under an SAR will constitute compensation taxable to the optionee as ordinary income. We, or our applicable affiliate, in computing our U.S. federal income tax, will generally be entitled to a deduction in an amount equal to the compensation taxable to the optionee.

Participatory Interests in Lazard Group

We also intend to grant participatory interests in Lazard Group to certain of our current and future managing directors in connection with the separation and recapitalization transactions. The participatory interests will be discretionary profits interests that are intended to enable Lazard Group to compensate our managing directors in a manner consistent with historical compensation practices. Initially, 20% of Lazard Group's adjusted operating income (as defined below) will be distributable among our current managing directors holding Lazard Group participatory interests in amounts as determined in our sole discretion. We may elect to withhold all or part of the distributions otherwise payable in respect of a participatory interest (subject to minimum distributions in respect of taxes). Any associated capital interests will be surrendered in the event the managing director ceases to be employed by Lazard Group. The 20% figure will be set forth in the Lazard Group operating agreement and will be subject to adjustment if the total amount allocable to the holders of the participatory interests exceeds 8% of adjusted operating revenue (as defined below), in which case the aggregate percentage interest will be reduced to equal the amount determined by dividing 8% of adjusted operating revenue by adjusted operating income. For purposes of the above, adjusted operating revenue is defined as revenue less interest expense other than with respect to operating interest expense and extraordinary gains, and adjusted operating income is defined as the difference between adjusted operating revenue and adjusted operating expenses, which, in turn, are defined as

Table of Contents

expenses exclusive of compensation expense paid to managing directors (other than LAM managing directors), minority interest, interest expense other than operating interest expense, extraordinary losses and income taxes. Amounts distributed pursuant to the participatory interests will be accounted for as part of our compensation and benefits expense and, therefore, included in the computation of our target ratio of compensation expense-to-operating revenue.

This program is terminable, in whole or in part, at any time at our election. The participatory interests will carry no other rights, including voting or liquidation rights or preferences, beyond those incident to such distributions, must be forfeited upon a holder ceasing to be a managing director and will not be transferable.

% Equity Security Units

This is an offering of equity security units of Lazard Ltd, or Lazard. Each equity security unit has a stated amount of \$25 and will consist of (a) a contract pursuant to which you agree to purchase, for \$25, shares of Class A common stock of Lazard on _____, 2008 and (b) a 1/40, or 2.5%, ownership interest in a senior note of Lazard's affiliate, Lazard Group Finance LLC, or Lazard Group Finance, a Delaware limited liability company, with a principal amount of \$1,000. The ownership interest in the senior note initially will be held as a component of your unit and be pledged to secure your obligation to purchase shares of common stock of Lazard under the related purchase contract.

Lazard will make quarterly contract adjustment payments to you under the purchase contract at the annual rate of _____ % of the stated amount of \$25 per purchase contract. In addition, Lazard Group Finance will make quarterly interest payments on the senior notes at the initial annual rate of _____ %. Lazard has the right to defer the contract adjustment payments on the purchase contracts, but Lazard Group Finance does not have the right to defer the interest payments on the senior notes. The senior notes will be remarketed and, in connection with the remarketing, the interest rate, payment dates and maturity date on the senior notes will

be reset. The senior notes will be secured by a pledge of senior, unsecured notes issued by Lazard LLC, which holds the Lazard financial advisory and asset management businesses described in this prospectus. Lazard Group Finance will purchase the Lazard LLC notes with the proceeds from this offering. The units will be sold initially by the underwriters in a minimum number of 40 units.

Prior to this offering and the concurrent initial public offering of Class A common stock of Lazard, there has been no public market for the units or Lazard's Class A common stock.

In addition to offering these units, Lazard concurrently is offering pursuant to a separate prospectus 30,464,579 shares of its Class A common stock, or the common stock, plus up to an additional 4,569,686 shares of common stock if the underwriters for that offering exercise their option to purchase additional shares of common stock. Lazard LLC also is offering \$650 million in principal amount of senior, unsecured notes concurrently in a private placement. The completion of this offering of equity security units is subject to the completion of the initial public offering of Class A common stock of Lazard and the private placement of the Lazard LLC senior notes and also is subject to satisfaction of conditions to the separation described in this prospectus. Lazard also intends to sell \$150 million of securities that are the same as the equity security units and \$50 million of our common stock to a third party in a private placement upon closing of this offering.

The equity security units and the shares of common stock that will be issued in the concurrent equity public offering have each been approved for listing on the New York Stock Exchange under the symbols LDZ and LAZ, respectively.

See Risk Factors beginning on page 36 to read about important factors you should consider before buying units.

Neither the Securities and Exchange Commission nor any other regulatory body has approved or disapproved of these securities or passed upon the accuracy or adequacy of this prospectus. Any representation to the contrary is a criminal offense.

Table of Contents**CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS****Relationship with LAZ-MD Holdings and LFCM Holdings**

Immediately following the completion of the separation and recapitalization transactions, LAZ-MD Holdings will control our company. LAZ-MD Holdings will own approximately 66.3% of the voting power of all shares of our voting stock (or approximately 63.4% of the voting power if the underwriters' over-allotment option is fully exercised) and will thereby be able to control the election of our directors. LAZ-MD Holdings' voting power in our company is intended to mirror its economic interest in Lazard Group, and its voting power will decrease over time in connection with the exchange of the LAZ-MD Holdings exchangeable interests for shares of our common stock. The working members, including our managing directors who hold working member interests at the time of the separation, will own LAZ-MD Holdings and will, through the LAZ-MD Holdings stockholders' agreement, have the right to cause LAZ-MD Holdings to vote its Class B common stock on an as-if-exchanged basis. In addition, LFCM Holdings, which is the entity that will own and operate the separated businesses, will no longer be a subsidiary of either Lazard Group or LAZ-MD Holdings. It will be owned by the working members, including our managing directors who will be members of LAZ-MD Holdings. See Risk Factors - Risks Related to the Separation - Lazard Ltd will be controlled by LAZ-MD Holdings and, through the LAZ-MD stockholders' agreement, by the working members, whose interests may differ from those of other stockholders, and The Separation and Recapitalization Transactions and the Lazard Organizational Structure.

We intend to enter into several agreements with LAZ-MD Holdings and LFCM Holdings to effect the separation and recapitalization transactions and to define and regulate the relationships of the parties after the closing of those transactions.
