Annual Management Incentive Plans. On February 1, 2006 at a meeting of the Committee, the Committee approved the terms of the 2006 Accredited Home Lenders, Inc. Incentive Compensation Plan for Executive Management and the Accredited Home Lenders, Inc. 2006 Incentive Compensation Plan for Senior Management (collectively, the 2006 Incentive Plans). The 2006 Incentive Plans are intended to provide incentives to members of management and other key employees, including the Company's executive officers, in the form of both cash and restricted stock awards for achieving certain performance goals established under the 2006 Incentive Plans.

The design of the Company's 2006 Incentive Plans are substantially similar to the Company's 2005 and other prior year incentive plans, and all such plans reward achievement at specified levels of Company net income and individual performance. The potential level of awards which may be granted under the 2006 Incentive Plans, just as under the 2005 predecessor plan, are established based on the prior years' levels and competitive information regarding executive compensation at peer group companies.

Edgar Filing: ACCREDITED HOME LENDERS HOLDING CO - Form 8-K

Under the 2006 Incentive Plans, just as the Company had done under the 2005 predecessor plan, each eligible participant, based on such participant's position with the Company, may be awarded a cash bonus and a restricted stock grant, expressed as a percentage of the participant's base salary. Depending on corporate financial performance and individual performance, and subject to Committee discretion, each eligible participant who is an executive officer (Messrs. Konrath, Lydon, Marvin and Crawford) may earn a cash bonus equal to 0% to 125% of the participant's base salary and a restricted stock grant equal to 0% to 275% (and such additional amounts as

¹ Mr. Marvin joined the Company April 11, 2005.

² Mr. McKewon retired from the Company effective July 15, 2005.

described in the attached plan) of the participant's base salary. In addition, and also depending on corporate financial performance and individual performance, and subject to Committee discretion, each eligible participant who is a member of senior management (including John Buchanan) may earn a cash bonus equal to 0% to 70% of the participant's base salary and a restricted stock grant equal to 0% to 103% (and such additional amounts as described in the attached plan) of the participant's base salary. The two main components of each year's incentive plan include a corporate financial component and an individual performance component. The weighting of each of these components is determined solely in the discretion of the Committee based upon each year's corporate and individual performance, and the Committee may in its discretion deviate from the guidelines in the attached plans.

The corporate financial component includes a comparison of corporate net income after taxes to the 2006 operating plan goals.

The individual performance component measure is determined during the Company's annual performance appraisal process.

The Committee's approval of the terms of the 2006 Incentive Plans shall not be deemed to create an enforceable agreement between the Company and any eligible participant, and the Committee retains discretion to make changes in the plan design and plan participation at any time without prior notice to any eligible participant. No rights to any cash awards shall be deemed to exist unless and until the Committee or, with respect to non-executive officers, the Company, authorizes payment of any awards under the 2006 Incentive Plans following the completion of any fiscal year measurement periods and only after each eligible participant has satisfied the 2006 Incentive Plans' applicable participation requirements. Copies of the 2006 Incentive Plans are filed as exhibits 99.1 and 99.2.

Discretionary Bonus. On February 1, 2006 the Committee also approved a bonus of \$25,000 for Mr. Buchanan in recognition of his contributions to the Company in 2005.
