Q: *What am I voting on?*

A: You are voting on:

The election of three nominees as directors for terms that expire in 2009. The Board's nominees are John G. Nikkel, Gary R. Christopher and Robert J. Sullivan, Jr.

The ratification of the appointment of PricewaterhouseCoopers LLP as independent registered public accounting firm for 2006.

Table of Contents

Proposal	Discretionary Vote Requirement	Voting Allowed
Approve the Stock and Incentive Compensation Plan	Majority	No

Q: How do I cast my vote?

A: If you hold your shares as a stockholder of record, you can vote in person at the annual meeting or you can vote by mail, telephone or the Internet. If you are a street-name stockholder, you will receive instructions from your bank, broker or other nominee describing how to vote your shares.

The enclosed proxy contains instructions for mail voting or for voting by way of telephone or the Internet. The proxies identified on the back of the proxy will vote the shares of which you are the stockholder of record in accordance with your instructions. If you submit a proxy without giving specific voting instructions, the proxies will vote those shares as recommended by the Board.

Q: How does the Board recommend I vote on the proposals?

A: The Board recommends you vote **for** each of the proposals.

Q: Can I revoke my proxy?

A: Yes. You can revoke your proxy by:

Submitting a new proxy;

Giving written notice before the meeting to our Corporate Secretary stating that you are revoking your proxy; or

Attending the meeting and voting your shares in person.

Q: Who will count the vote?

A: Mellon Investor Services LLC, our transfer agent, will count the vote. A representative of Mellon Investor Services LLC will also act as the inspector of election.

Q: What is a quorum ?

A: A quorum is the number of shares that must be present to hold the annual meeting. The quorum requirement for the annual meeting is a majority of the outstanding shares as of the record date, present in person or represented by proxy. If you submit a valid proxy or attend the annual meeting, your shares will be counted to determine whether there is a quorum.

Edgar Filing: UNIT CORP - Form DEF 14A

Abstentions and broker non-votes count toward the quorum. Broker non-votes occur when nominees (such as banks and brokers) that hold shares on behalf of beneficial owners do not receive voting instructions from the beneficial owners by 15 days before the meeting and do not have discretionary voting authority to vote those shares.

Q: *What is the difference between holding shares as a stockholder of record and as a beneficial owner?*

A: Most company stockholders hold their shares through a broker or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of Record: If your shares are registered directly in your name with the company's transfer agent, Mellon Investor Services LLC, you are considered, with respect to those shares, the *stockholder of record*, and these proxy materials are being sent directly to you by the company. As the *stockholder of record*, you have the right to grant your voting proxy directly to the company or to vote in person at the meeting. The company has enclosed or sent a proxy card for you to use.

Beneficial Owner: If your shares are held in a brokerage account or by another nominee, you are considered the *beneficial owner* of shares held *in street name*, and these proxy materials are being forwarded to you together with a voting instruction card. As the beneficial owner, you have the right to direct your broker, trustee or nominee how to vote and are also invited to attend the annual meeting.

Table of Contents

Since a beneficial owner is not the *stockholder of record*, you may not vote these shares in person at the meeting unless you obtain a legal proxy from the broker, trustee or nominee that holds your shares, giving you the right to vote the shares at the meeting. Your broker, trustee or nominee has enclosed or provided voting instructions for you to use in directing the broker, trustee or nominee how to vote your shares.

Q: Will broker non-votes or abstentions affect the voting results?

A: In tabulating the voting result for any particular proposal, shares that constitute broker non-votes are not considered entitled to vote on that proposal. Thus, broker non-votes will not affect the outcome of any matter being voted on at the meeting, assuming that a quorum is obtained, except the two proposals dealing with increasing the outstanding number of shares of our common stock and the number of shares of our preferred stock. With regard to these two proposals, broker non-votes will have the effect of a vote against the proposals. Abstentions have the same effect as votes against the matter.

Q: What shares are included on my proxy?

A: Your proxy represents all shares registered to your account in the same social security number and address.

Q: What does it mean if I get more than one proxy?

A: Your shares are probably registered in more than one account. You should vote each proxy you receive. We encourage you to consolidate all your accounts by registering them in the same name, social security number and address.

Q: How many votes can I cast?

A: On each matter, including each director position, you are entitled to one vote per share.

Q: What happens if additional matters are presented at the annual meeting?

A: Other than the five items of business described in this proxy statement, we are not aware of any other business to be acted on at the annual meeting. If you grant a proxy, the persons named as proxyholders, Larry D. Pinkston and Mark E. Schell, will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting. If for any unforeseen reason any of our nominees is not available as a candidate for director, the persons named as proxy holders will vote your proxy for such other candidate or candidates as may be nominated by the Board on the recommendation of the Nominating & Governance Committee.

Q: What is the deadline to propose actions for consideration at next year's annual meeting of stockholders or to nominate individuals to serve as directors?

A: You may submit proposals, including director nominations, for consideration at future stockholder meetings.

Stockholder Proposals: For a stockholder proposal to be considered for inclusion in the company's proxy statement for next year's annual meeting, the written proposal must be received by our Corporate Secretary at our principal executive offices no later than November 30, 2006. If the date of next year's annual meeting is moved more than 30 days before or after the anniversary date of this year's annual meeting, the deadline

Edgar Filing: UNIT CORP - Form DEF 14A

for inclusion of proposals in the company's proxy statement is instead a reasonable time before the company begins to print and mail its proxy materials. Such proposals also will need to comply with Securities and Exchange Commission (SEC) regulations under Rule 14a-8 regarding the inclusion of stockholder proposals in company-sponsored proxy materials. Proposals should be addressed to:

Corporate Secretary

Unit Corporation

90 days prior to the meeting; and

10 days after public announcement of the meeting date.

Nomination of Director Candidates: You may propose director candidates for consideration by the Board's Nominating & Governance Committee. Any such recommendations should include the nominee's name and qualifications for Board membership and should be directed to the Corporate Secretary of the company at the address of our principal executive offices set forth above. In addition, the bylaws of the company permit a stockholder to nominate directors for election at an annual stockholder meeting. To nominate a director, the stockholder must deliver a proxy statement and form of proxy to holders of a sufficient number of shares of the company common stock to elect such nominee and provide the information required by the bylaws of the company, including a statement by the stockholder identifying (i) the name and address of such stockholder, as they appear on the company's books, and of such beneficial owner, (ii) the class and number of shares of capital stock of the company which are owned beneficially and of record by such stockholder and such beneficial owner, (iii) a representation that the stockholder is a holder of record of stock of the company entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to propose such nomination, and (iv) a representation whether the stockholder or the beneficial owner, if any, intends or is part of a group which intends (A) to deliver a proxy statement and/or form of proxy to holders of at least the percentage of the company's outstanding capital stock required to elect the nominee and/or (B) otherwise to solicit proxies from stockholders in support of such nomination. In addition, the stockholder must give timely notice to the Corporate Secretary of the company in accordance with the bylaws of the company, which, in general, require that the notice be received by the Corporate Secretary of the company within the January 3, 2007 through February 2, 2007 time period described above.

Copy of Bylaw Provisions: You may contact the company Corporate Secretary at our principal executive offices for a copy of the relevant bylaw provisions regarding the requirements for making stockholder proposals and nominating director candidates. The company's bylaws are also available on the company's website at <http://www.unitcorp.com>.

Director Qualifications: Our Corporate Governance Guidelines contain Board membership criteria that apply to Nominating & Governance Committee-recommended nominees for a position on the company's Board. Under these criteria, members of the Board should meet the Board's qualifications as independent (as applicable) and should have sufficient time to carry out their duties and to provide insight and practical wisdom based on experience. Their service on other boards of public companies should be limited to a number that permits them, given their individual circumstances, to perform responsibly all director duties. Each director must represent the interests of the company and its stockholders.

Identifying and Evaluating Nominees for Directors: The Nominating & Governance Committee uses a variety of methods for identifying and evaluating nominees for director. The Nominating & Governance Committee regularly assesses the appropriate size of the Board, and whether any vacancies on the Board are expected due to retirement or otherwise. In the event that vacancies are anticipated or otherwise arise, the Nominating & Governance Committee considers various potential candidates for director. Candidates may come to the attention of the Nominating & Governance Committee through current Board members, professional search firms, stockholders or other persons. These candidates are evaluated at regular or special meetings of the Nominating & Governance Committee and may be considered at any point during the year. As described above, the Nominating & Governance Committee considers properly-submitted stockholder nominations for candidates for the Board. Following verification of the stockholder status of persons proposing candidates, recommendations are considered by the Nominating & Governance Committee. If any materials are provided by a stockholder in connection with the nomination of a director candidate, such materials are forwarded to the Nominating & Governance Committee. The Nominating & Governance Committee also reviews materials provided by professional search firms or other parties in connection with a nominee who is not proposed by a stockholder.

Executive Sessions

Executive sessions of non-management directors are held periodically during the year. The sessions are scheduled and chaired by Mr. J. Michael Adcock who was elected by the Board to chair each executive session. Meetings are also held from time to time with the Chairman and the Chief Executive Officer for a general discussion of relevant subjects. Any non-management director can request that an executive session be scheduled.

Communications with the Board

Individuals may communicate with the Board by submitting an e-mail to the company's Board in care of the company's Corporate Secretary at mark.schell@unitcorp.com or sending a letter to: Board of Directors, c/o Corporate Secretary, Unit Corporation, 7130 S. Lewis, Suite 1000, Tulsa, Oklahoma 74136.

The chair of the Nominating & Governance Committee has been designated as the person to receive communications directed to non-management directors. Our stockholders may write to the Chairman of this or any other Board committee or to the outside directors as a group c/o Mark E. Schell, Senior Vice President and General Counsel, Unit Corporation, 7130 South Lewis, Suite 1000, Tulsa, Oklahoma 74136.

Stockholder communications are distributed to the Board, or to the appropriate individual director or directors, depending on the facts and circumstances of the communication. However, at the request of the Board, certain items that are not related to the duty and responsibilities of the Board be excluded, such as: advertisements, junk mail, mass mailings, spam and surveys.

Board and Committee Evaluations

Each year the Board evaluates its performance and effectiveness. Each director completes a Board evaluation form developed by the Nominating & Governance Committee to solicit feedback on specific aspects of the Board's role, organization and meetings. The collective ratings and comments are then compiled by the Chairman of the Nominating & Governance

Committee and presented by him to the full Board. Additionally, each Board committee conducts an annual self-evaluation of its performance through a Committee evaluation form.

Under a plan approved by our stockholders, each non-employee director automatically receives an option to purchase 3,500 shares of common stock on the first business day following each annual meeting of our stockholders. The option exercise price is the fair market value of our common stock on that date. Payment of the exercise price may be made in cash or in shares of common stock that have been held by the director for at least one year. No stock option may be exercised during the first six months of its term except in the case of death. Each option has a ten-year term. In 2005, stock options were granted for an aggregate of 24,500 shares at \$39.50 per share. As of March 7, 2006, 92,500 shares were subject to outstanding options. - (1) Represents the value of the stock options awarded in May 2005 based on the grant closing market price of our common stock on the date of the grant. The company cautions that the actual amount ultimately realized by a named executive officer from the disclosed equity awards will likely vary based on a number of factors, including stock price fluctuations and the timing of exercise or applicable vesting.
- (2) These have been valued based on the closing sale price of our common stock on the date of the grant, December 13, 2005 (\$58.30) and may not reflect the value of the award on payment.
- (3) The amounts shown in the 401(k) Plan Match column represent the value of the company's matching contribution under the company's 401(k) plan (a tax-qualified retirement savings plan), which is discussed under the heading "Employee Compensation and Benefit Plans."
- (4) Value realized equals fair market value of the stock on date of exercise, less the exercise price, times the number of shares acquired.
- (5) The Other Benefits and Perquisites column represents the employer portion of active employee benefits including medical, dental, life insurance and disability coverage, which are available to all corporate employees, as well as the amounts disclosed in footnote 3 to the Summary Compensation Table.
- (6) See Note 7 to the Summary Compensation Table for a discussion of the other items comprising this amount excluding the matching contribution from the company to the 401(k) Thrift Plan.

Stock Options

The following table shows a summary of the stock options exercised by the named executive officers in 2005, as well as the total number and value (stock price less exercise price, using the average of the high and low trading prices of the company's common stock on December 30, 2005 - \$54.71) of unexercised stock options held by the named executive officers as of December 31, 2005.

Bradford J. Guidry	3,000	105,488	7,100	14,400	239,335	312,950

Notes to table:

- (1) Value realized equals fair market value of the stock on date of exercise, less the exercise price, times the number of shares acquired.
- (2) The value of unexercised in-the-money options at year end assumes a fair market value for the company's common stock of \$54.71, the average of the high and low prices of the company's common stock on the NYSE on December 30, 2005. Value is calculated on the basis of the difference between \$54.71 and the option exercise price multiplied by the number of shares of common stock underlying the options.
- (3) As provided under our Stock Option Plan, Mr. Nikkel elected to pay the exercise price for these shares by having the total exercise price otherwise due netted against the number of option shares. As a result, of the 29,000 option shares, he received a total of 17,406 shares of common stock.

Certain of the named executive officers were awarded stock options in 2005. The table below shows all the common stock options granted to each of the named executive officers in 2005 and the potential value of such grants at stock appreciation rates of 0%, 5% and 10% compounded annually over the maximum ten-year term of the options, as well as the value of the grant on the award date.

Notes to table:

- (1) All options were granted on May 25, 2005 at an exercise price equal to the closing market price of our common stock on the date of grant. All of the options vest in 20% annual increments commencing 12 months after their date of grant. All options vest immediately in the event of a change-in-control, as defined in the plan.
- (2) Based on a total of 34,000 options being granted to certain employees during fiscal 2005.
- (3) Caution is recommended in interpreting the financial significance of these figures. They are calculated by multiplying the number of options granted by the difference between a future hypothetical stock price and the option exercise price and are shown pursuant to rules of the SEC. They assume the value of the company common stock appreciates 5% and 10% each year, compounded annually, for ten years (the life of each option). They are not intended to forecast possible future appreciation, if any, of such stock price or to establish a present value of options. Also, if appreciation does not occur at the 5% or 10% per year rate, the amounts shown would not be realized by the year 2015. Depending on inflation rates, these amounts may be worth significantly less in 2015, in real terms, than their value today.
- (4) The value of the stock option awards granted in 2005, based on the grant date closing market price of our common stock. Certain of the material terms of these grants are discussed in the section of this proxy statement entitled *Employee Compensation and Benefit Plans*.

Other Benefits

The company also provides other benefits such as medical, dental and life insurance and disability coverage to each named executive officer through our various benefit plans, which are also provided to most other eligible company employees.

Medical, Dental, Life Insurance and Disability Coverage

Active employee benefits such as medical, dental, life insurance and disability coverage are available to most full time company employees, including the named executive officers, through our active employee benefits plans. The value of these benefits is not required to be included in the Summary Compensation Table since they are made available on a company-wide basis.

Other Paid Time-Off Benefits

The company also provides vacation and other paid holidays to most of its full time corporate employees, including the named executive officers, which, we believe, are comparable to those provided at other similar size companies.

Employee Compensation and Benefit Plans

The Unit Corporation Amended and Restated Stock Option Plan

Under this plan, our employees may be granted stock options from time to time.

Generally the terms of the stock options granted under this plan are as follows:

Options vest in annual 20% installments starting one year from date of grant;

Options are awarded at the fair market value of our common stock on date of grant;

Options can be either qualified or nonqualified; and

Outstanding options are subject to vest in the event of a change-in-control as defined in the plan.

This plan, which is administered by the Compensation Committee, was approved by our stockholders. Our non-employee Directors are not eligible to participate in this Plan.

Employee Bonus Plan

Under the this plan our employees may be awarded bonuses either in cash or stock (including restricted stock awards) or a combination of both. Awards may be payable in a lump sum or in annual installments subject to certain restrictions.

This plan is administered by our Compensation Committee. Our non-employee Directors are not eligible to participate in this Plan.

The plan was also approved by our stockholders.

Unit Corporation Employee Thrift Plan

Under the Unit Corporation Employee Thrift Plan, which is tax-qualified retirement savings plan, participating employees may contribute up to 99 percent of compensation on a before-tax basis into their plan accounts. Total contributions may not exceed IRS determined maximums for any given year. In addition, under the plan, we can make a matching contribution. The amount of our matching contributions is generally determined by our Compensation Committee each year and is generally made in shares of our common stock. For the 2006 Plan Year, the Compensation Committee has approved a match of 117% of the first 6% of salary contributed by participants.

We have funded a trust to secure the obligations to make payments under this plan.

Unit Corporation Salary Deferral Plan

We have also established a salary deferral plan which allows certain participants to defer the recognition of salary for income tax purposes until actual distribution of benefits which occurs at either termination of employment, death or certain defined unforeseeable emergency hardships. This is a non-qualified plan.

Indemnification

We indemnify our directors and some of our elected officers to the fullest extent permitted by law so that they will be free from undue concern about personal liability in connection with their service to the company. This is required under our bylaws, and we have also entered into agreements with certain of those individuals contractually obligating us to provide this indemnification to them.

Long Term Performance Plans and Pension Plans

We do not currently have any long term performance plans or pension plans.

TERMINATION OF EMPLOYMENT AND CHANGE-IN-CONTROL ARRANGEMENTS**Stock Option Plan**

As allowed for in our stock option plan, each option agreement contains a provision vesting all stock options in the event of a change-in-control of the company. A change-in-control is deemed to have occurred at such time as any person or group, other than the company or an Exempt Person, is or becomes the beneficial owner, directly or indirectly, of our securities representing 50% or more of the combined voting power of our then outstanding securities. An Exempt Person is generally defined to be any person (or estate or trust of such person) who, on the date of the plan, owned securities representing more than 20% of the combined voting power of our then outstanding securities, and any spouse, parent or issue of such person.

Separation Benefit Plan

On December 20, 1996, effective as of January 1, 1997, the Board adopted the Separation Benefit Plan of Unit Corporation and Participating Subsidiaries. The plan is generally applicable to all of our full-time salaried employees and to the salaried employees of our subsidiaries, who have been with their employer for at least one year. Subject to the terms of the plan, any eligible employee whose employment is terminated is entitled to receive a separation benefit in an amount calculated by dividing the eligible employee's average annual base salary

Table of Contents

in effect immediately before the employee's separation by 52 to determine a weekly separation benefit amount. The number of weekly separation benefit payments then payable to an eligible employee is calculated based on the employee's years of service in accordance with a schedule set forth in the plan. Employees who voluntarily leave their employment are not entitled to receive a separation benefit unless they have completed at least 20 years of service. Any eligible employee who has completed 20 years of service or more is vested in his or her separation benefit, subject to fulfilling the other requirements of the plan. Separation benefit payments are limited to a maximum of 104 weekly payments. The plan also provides that, unless otherwise provided by our Board before a change-in-control of the company, as defined in the plan, all eligible employees shall be vested in their separation benefit as of the date of the change-in-control based on their years of service. As a condition to receiving the separation benefits, employees must sign a separation agreement waiving any claims the employee may have against the company or its subsidiaries.

The following table identifies the amounts that would be due each of the officers identified in the Summary Compensation Table assuming that those amounts were determined as of December 31, 2005.

ESTIMATED BENEFIT AMOUNTS AS OF DECEMBER 31, 2005

Name	Amount Earned Under Plan (\$)
Larry D. Pinkston	461,538

Senior Management Separation Benefit Plan

On October 28, 1997, the Board adopted the Separation Benefit Plan for Senior Management. This plan is similar in terms to the benefits and requirements described above for the Separation Benefit Plan, with the exception that the Compensation Committee determines who will participate in this plan. In addition, the Committee is given the authority to increase (up to a maximum of 104) the number of weekly separation benefit payments a participant would otherwise be entitled to receive under the plan if the participant is involuntarily terminated.

Effective with their retirement from the company, Mr. Keeley, Mr. Lamborn and Mr. Nikkel are receiving payments under these plans. Their compensation is paid out over a period not to exceed 26 months. Currently there are no other participants in this Plan.

Table of Contents

The following table identifies the amounts due to certain of our retired former executive officers under the Senior Management Separation Benefit Plan and the amount paid to each as of December 31, 2005:

	Total Amount	Amount Paid
Individual	Earned Under Plan (\$)	As of 12/31/05 (\$)
Earle Lamborn	\$ 410,000	\$ 401,458
Philip M. Keeley	\$ 315,384	\$ 315,384
John G. Nikkel	\$ 605,769	\$ 281,250

Special Separation Benefit Plan

This plan is identical to the Separation Benefit Plan with the exception that a participant will vest in his or her earned benefit on the earliest of the participant reaching the age of 65 or serving 20 years with us. As of December 31, 2005, there were no participants in this plan, however in January 2006, the Compensation Committee elected to allow 33 employees to participate in the plan. Participation in this plan is in lieu of participation in any of the other Separation Benefit Plans.

Change-in-Control Arrangements

We have entered into key employee change-in-control contracts with Messrs. Pinkston, Schell, Merrill and Belitz. Mr. Belitz is our Controller. These severance contracts have an initial three-year term that is automatically extended for one year upon each anniversary, unless a notice not to extend is given by us. If a change-in-control of the company (as defined below) occurs during the term of the severance contract, then the contract becomes operative for a fixed three-year period. The severance contracts generally provide that the executive's terms and conditions of employment (including position, work location, compensation and benefits) will not be adversely changed during the three-year period after a change-in-control. If the executive's employment is terminated by the company (other than for cause, death or disability), the executive terminates for good reason during such three-year period, or the executive terminates employment for any reason during the 30-day period following the first anniversary of the change-in-control, and on certain terminations before a change-in-control or in connection with or in anticipation of a change-in-control, the executive is generally entitled to receive the following payment and benefits:

earned but unpaid compensation;

up to 2.9 times the executive's base salary plus annual bonus (based on historic annual bonus); and

the company matching contributions that would have been made had the executive continued to participate in the company's 401(k) plan for up to an additional three years.

In addition, the severance contract provides for a continuation of various medical, dental, disability and life insurance plans and financial counseling for a period of up to three years, outplacement services and the payment of all legal fees and expenses incurred by the executive in enforcing any right or benefit provided by the severance contract. The severance contract provides that the executive is entitled to receive a payment in an amount sufficient to make the executive whole for any excise tax on excess parachute payments imposed under Section 4999 of the Code. As a condition to receipt of these severance benefits, the executive must remain in the employ of the company and render services commensurate with his position. The executive must also agree to retain in confidence any and all confidential information known to him concerning the company and its business so long as the information is not otherwise publicly disclosed. As of the date of this proxy statement, no amounts have been paid under the severance contracts.

Table of Contents

For purposes of the severance contracts, a change-in-control is generally defined as:

- (1) Any individual, entity or group acquiring beneficial ownership of 15% or more of either the outstanding shares of the company's common stock or the combined voting power of the outstanding voting securities of the company entitled to vote generally for the election of directors;
- (2) Individuals who constitute the Board on the date thereof cease to constitute a majority of the Board, provided that an individual whose election or nomination as a director is approved by a vote of at least a majority of the directors as of the date thereof will be deemed a member of the incumbent Board;
- (3) Approval by the company's stockholders of a reorganization, merger or consolidation or sale or other disposition of all or substantially all of the assets of the company or the acquisition of assets of another entity, unless following the business combination:

all or substantially all of the beneficial owners of the company's outstanding common stock prior to the business combination own more than 60% of the outstanding common stock of the corporation resulting from the business combination;

no person, entity or group owns 15% or more of the outstanding voting securities of the corporation resulting from the business combination; and,

at least a majority of the Board of the company resulting from the business combination were members of the company's Board prior to the business combination; or

- (4) Approval by the company's stockholders of a complete liquidation or dissolution of the company.

Under the individual severance agreements with the named executive officers that address their termination of employment following a change-in-control of the company, each executive would be entitled to receive the following estimated benefits. These disclosed amounts are estimates only and do not necessarily reflect the actual amounts that would be paid to the executive, which would only be known at the time that they become eligible for payment and would only be payable if a change-in-control were to occur. The table reflects the amount that could be payable under the various arrangements assuming that the change-in-control occurred at December 31, 2005, including a gross-up for certain taxes in the event that any payments made in connection with a change-in-control would be subject to the excise tax imposed by Section 4999 of the Internal Revenue Code.

Retirement or Consulting Agreements

In connection with the retirement of Mr. King Kirchner from his position as Chief Executive Officer of the company, we entered into a Separation Agreement with Mr. Kirchner on May 11, 2001. Under this agreement, Mr. Kirchner is entitled to receive a total of \$2.4 million. For the first two years under the agreement, Mr. Kirchner received, as part of the total due him, payments under the terms of the company's Separation Benefit Plan for Senior Management or a total of \$560,000. Then, commencing in July 2003 (and continuing through June 2009), Mr. Kirchner is receiving the \$1,840,000 balance at the rate of \$300,000 per year paid in monthly installments of \$25,000. As of December 31, 2005, Mr. Kirchner had received monthly payments totaling \$770,000.

We have also entered into an agreement with Mr. John Nikkel, our former Chief Executive Officer, providing for him to serve as a consultant to the company when he retired on April 1, 2005. Under this agreement, for the term of the agreement which is for a one year term extendable for successive one year periods by mutual agreement, Mr. Nikkel receives, on an annual basis, \$70,000 per year. In addition, we provided him with office space and secretarial services for the time he serves as a consultant. In addition, at its February 2005 meeting, the Compensation Committee elected to reward Mr. Nikkel for his 21 years of service to the company by awarding him with a cash bonus of \$750,000 payable in 24 monthly installments commencing on the 20th month following his retirement on April 1, 2005.

REPORT OF THE COMPENSATION COMMITTEE

The following report of the Compensation Committee shall not be incorporated by reference into any of our prior filings under the Securities Act of 1933 or the Securities Exchange Act of 1934 that incorporated future filings or portions thereof (including this proxy statement or the Executive Compensation section of this proxy statement), except to the extent that we specifically incorporate this information by reference.

The Compensation Committee is responsible for:

reviewing and approving individual goals and objectives related to our Chief Executive Officer,

determining the Chief Executive Officer's compensation,

reviewing and recommending to the full Board the compensation for the company's other executive officers,

reviewing with management its recommendation regarding salaries, bonuses and equity awards for the company's salaried employees,

Edgar Filing: UNIT CORP - Form DEF 14A

approving the compensation for the company's salaried employees,

overseeing the design and administration of the company's stock based compensation plans,

determining the compensation to be paid to the company's Board members, and

annually preparing this report for inclusion in the proxy statement.

Table of Contents

The committee is composed entirely of independent outside directors. There are no interlocking relationships between any of our executive officers and any entity whose directors or executive officers serve on the committee.

Background

Typically the committee reviews and approves the compensation for the company's executive officers (as well as that of the company's other salaried employees) at its meeting held each December. At this meeting, the committee members review the information and recommendations regarding the company's salary employees previously submitted to each committee member by the company's management. The committee may also, as it did in the case of the Unit Corporation Stock and Incentive Compensation Plan, approve and recommend for submission to our stockholders any new equity compensation plans.

The determinations of the committee at its December meeting are, in the case of salaries and bonuses, generally implemented as of January 1 of the year following the meeting. Any stock awards have, until the committee's December 2005 meeting, only been made in the form of stock options and are effective as of the date of the committee's decision to award the options.

The committee feels that by waiting until December of each year to make its decisions regarding the compensation levels of the executive officers for the following year, it has the benefit of being able to take into account the full annual performance of the company, both financially and operationally.

If, during the year, circumstances warrant that the committee make adjustments to its previously approved compensation decisions, the committee will evaluate those needs at one or more meetings scheduled throughout the year. Until recently, such decisions generally related to the compensation to be paid to newly hired executive officers. However, because of the recent industry growth in all segments of the company's operations, the company has been faced with increasing compensation pressure from industry competitors. This pressure has, especially during 2005, forced the company and the committee to make certain adjustments during the course of the year to its compensation program for specific individuals, including that related to Mr. John Cromling and Mr. Brad Guidry, as more fully discussed below.

Objectives of the Committee's Compensation Program

The objectives of the committee in determining executive compensation are to:

retain qualified individuals serving as our executive officers,

reward the company's employees for past performance, and

motivate the executive officers to further the company's growth and success.

Considerations

Each year the committee reviews the executive officers' compensation with regard to:

the conditions within our industry

our income, cash flow, and asset base growth,

the attainment of any designated business objectives, and

Edgar Filing: UNIT CORP - Form DEF 14A

its relationship with that being offered by other companies.

Individual performances are also reviewed, taking into account the individual's responsibilities, experience and potential and his or her period of service with the company.

The committee's evaluation of these considerations is, for the most part, subjective and, to date, it has not established any specific written compensation plans or formulas under which the executive officers' annual compensation is determined.

Table of Contents

The committee has not historically used outside consultants to assist the committee with regard to its executive compensation policies and decisions. The committee does, however, use each year the Mercer Energy Compensation Survey published by Mercer Human Resource Compensation, Inc. as a guide to informing the committee of the compensation programs of many of the company's competitors.

Elements of Executive Compensation

The company's executive compensation program (as well as its overall program) has historically consisted of the following elements:

base salary,

annual bonuses (awardable either in stock or cash), and

awards under our stock option plan.

The company does not currently have employment agreements with any of its executive officers.

Base Salary. In determining the base salaries for the executive officers for 2005, the committee relied primarily on its evaluation of the compensation being paid to individuals holding comparable positions in our industry. In doing so, the committee relied on the results of the Mercer Energy Compensation Survey, which surveyed the compensation and benefit programs of a number of oil and gas-related companies, one of which was the company. It was the committee's objective to set the executives' base salary at approximately the 75% range reflected in the survey. Within this range, the committee then made any adjustments based on individual performance evaluations. Taking these factors into consideration, the committee decided to recommend to the full Board that it increase the 2004 salaries of the following officers by the percentages indicated: Larry D. Pinkston 16%, Mark E. Schell 8.5% and David T. Merrill 9.7%.

As noted elsewhere in this proxy statement, Mr. Cromling and Mr. Guidry were promoted to their current positions with two of our subsidiaries on April 1, 2005 and March 1, 2005, respectively. At those times, the committee approved, based on the recommendations of the company's management, that Mr. Guidry's salary be increased from \$152,500 to \$170,000 and Mr. Cromling's salary be increased from \$162,000 to \$180,000. These increases were based on the added responsibilities assumed by these individuals as well as a desire to keep the company's compensation for them at a competitive level.

Bonuses. Executive officers are eligible to earn annual bonuses either in cash or in stock. Stock bonuses are awarded under the Employee Bonus Plan approved by our stockholders on May 1, 1985 and, as amended, on May 3, 1995. The amount and type of any bonuses awarded to the executive officers is determined solely at the subjective discretion of the committee. The committee does not base its decisions on predetermined formulas, choosing instead to rely on its evaluation of the various considerations set forth above. In addition, when appropriate, bonuses are awarded to recognize short-term individual performance.

Generally the bonuses awarded to the company's executive officers are structured to be paid in three annual installments, with the first payment to be made in the first month of the year following the committee's decision to award the bonuses. The next two installments are made in January of the next two succeeding years. Receipt of the remaining installments is contingent on the recipient's continued employment with the company.

Bonus awards to the executive officers for the 2005 year were: Mr. Pinkston, \$180,000; Mr. Schell, \$100,000; Mr. Merrill, \$40,000; Mr. Cromling, \$50,000; and Mr. Guidry, \$60,000. Consistent with the committee's previous bonus awards, the first installment of these bonuses was paid as part of the total bonus amount paid to each executive officer in January, 2005.

Table of Contents

Stock Options. Stock options are granted under the stock option plan approved by our stockholders on May 2, 1984 and, as amended, on May 3, 1989 and May 3, 1995. The committee believes that stock options provide an incentive for the executive officers to maximize long-term stockholder value. Stock option grants are made at 100% of the market price on the date of grant. Generally, options become exercisable in annual 20% increments after one year and have a ten-year life. The number of options that are granted to an executive officer is based on the individual's performance and level of responsibility. Option awards will vary in size based on position level (more senior managers receive a higher multiple). Stock options are granted to the executive officers at the discretion of the committee. The committee's decisions with respect to awarding stock options are generally made late each year thus allowing the committee to evaluate our annual results as part of its decision-making process.

In 2005, no stock options were granted to Mr. Pinkston, Schell or Merrill. However, as part of the compensation awarded to Mr. Cromling and Guidry on their promotions in 2005, the committee authorized the award of a stock option to each of these individuals covering 7,500 shares of common stock.

Chief Executive Officer

From January 1, 2005 until his retirement effective April 1, 2005, Mr. John Nikkel served as the company's Chief Executive Officer. In view of his pending retirement, the committee elected not to adjust Mr. Nikkel's salary or award him a bonus at its December 2004 meeting. However, at its February 2005 meeting, the committee did elect to reward Mr. Nikkel for his 21 years of service by awarding him a cash bonus of \$750,000 payable in 24 monthly installments commencing on the 20th month following his retirement.

Effective with Mr. Nikkel's retirement, Mr. Pinkston was elected to the position of the company's Chief Executive Officer. Mr. Pinkston's compensation for 2005 was not adjusted from that previously discussed as a result of his election to the position as Chief Executive Officer.

2005 Actions with regard to 2006 Compensation

On December 13, 2005, the committee approved and the Board ratified (and approved, where required), the following compensation for the company's executive officers for 2006:

Name and Principal Position(s)	Salary(\$)	Cash Bonus(\$)	Restricted Stock Award(s)(#)
Larry D. Pinkston President and CEO	450,000	200,015	1,715
Mark E. Schell Sr. V. P., Secretary and General Counsel	220,000	126,686	1,086
David T. Merrill CFO and Treasurer	200,000	116,642	1,001
John Cromling Exec. V. P., Drilling	210,000	101,666	1,029
Bradford J. Guidry Sr. V. P., Exploration	200,000	106,667	972

Table of Contents

The cash bonuses represented above are payable in three annual installments, commencing in January 2006. The first installment in the amount of 50% of the award was paid in January 2006 and the balance will be paid in two equal annual installments. Receipt of these amounts is contingent on the employee remaining in the employment of the company.

The restricted stock awards were issued under the company's Employee Bonus Plan and evidenced by a restricted stock bonus agreement entered into between each of the above employees and the company. Each agreement, in addition to certain other provisions, provides that one-half of the Restricted Shares vests on January 1, 2007 and the other one-half vests on January 1, 2008, subject in each case to the employee remaining in the employment of the company. In the event of a change in control of the company (as defined in the agreement), any unvested shares will immediately vest in the recipient. This is the first time the committee has used restricted stock awards as part of its compensation program. The committee chose to use restricted stock awards in lieu of stock options as a means of more closely linking the executive's compensation to that of the company's stock price.

At this meeting the committee also decided to proceed with the preparation of a new incentive plan to replace the company's existing Employee Bonus Plan and its employee Stock Option Plan. The committee thought that the company needed to update its equity plans in view of recent tax and accounting changes as well as desiring to have a plan that would allow the committee a greater range of options in structuring its equity based compensation. The result of this effort is the Unit Corporation Stock and Incentive Compensation Plan that is being submitted for approval to the company's stockholders with this proxy statement. The committee views the adoption and approval of this plan as an important step in the ability of the company to maintain a competitive compensation program.

Deductibility of Compensation Under Internal Revenue Code Section 162 (m)

Section 162(m) of the Internal Revenue Code, adopted in 1993, imposes a \$1 million cap, subject to certain exceptions, on the deductibility to the company of compensation paid to the executive officers named in our proxy statement. Currently, the compensation paid under our stock option plan is not deductible. Cash compensation voluntarily deferred by the executive officers under the deferred compensation plan is not subject to the Section 162(m) cap until the year paid. After reviewing the compensation to be paid in 2005 that was subject to the Section 162(m) cap, the committee did not expect that compensation to exceed \$1 million for any of the named executive officers. Therefore, the committee believes that the company will not be subject to any Section 162(m) limitations on the deductibility of compensation paid to the company's named executive officers for fiscal year 2005.

The committee continues to consider other steps which might be in the company's best interests to comply with Section 162(m), while reserving the right to award future compensation which would not comply with the Section 162(m) requirements for nondeductibility if the committee concluded that this was in the company's best interests.

REPORT OF THE AUDIT COMMITTEE

The following report of the Audit Committee shall not be incorporated by reference into any of our prior filings under the Securities Act of 1933 or the Securities Exchange Act of 1934 that incorporated future filings or portions thereof, except to the extent that we specifically incorporate this information by reference.

The SEC rules now require that we include in our proxy statement a report from the Audit Committee of the Board. The following report concerns the committee's activities regarding oversight of our financial reporting and auditing process.

In accordance with its written charter, the Audit Committee of the Board assists the Board in fulfilling its responsibility for oversight of the quality and integrity of our accounting, auditing and financial reporting practices. During the year 2005, the committee met five times. The committee chair, as representative of the committee, discussed the interim financial information contained in each quarterly earnings announcement and Form 10-Q with the company's Chief Financial Officer and independent registered public accounting firm before public release.

The Board and the Audit Committee believe that the Audit Committee's current member composition satisfies the rule of the NYSE that governs audit committee composition, including the requirement that audit committee members all be independent directors as that term is defined by applicable NYSE rule.

The company's management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The committee reviewed with the company's independent registered public accounting firm, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the company's accounting principles and such other matters as are required to be discussed with the committee under generally-accepted auditing standards, including Statement on Auditing Standards No. 61. The committee has discussed with the independent registered public accounting firm the auditors' independence from management, including the implications of the SEC regulations regarding the provisions of non-audit services by the independent registered public accounting firm and determined that the provisions of the non-audit services were not inconsistent with the independent registered public accounting firm's status as independent registered public accounting firm. In addition, the committee received the written disclosures and letter from the independent registered public accounting firm required by the Independence Standards Board, Standard No. 1.

The committee also reviewed the report of management contained in the company's Annual Report on Form 10-K for the fiscal year ended December 31, 2005 filed with the SEC, as well as PricewaterhouseCoopers LLP's Report of Independent Registered Public Accounting Firm (included in the company's Annual Report on Form 10-K). This report related to its audit of (i) the consolidated financial statements, (ii) management's assessment of the effectiveness of internal control over financial reporting and (iii) the effectiveness of internal control over financial reporting. The committee continues to oversee the company's efforts related to its internal control over financial reporting and management's preparations for the evaluation in fiscal 2006.

Based on review and discussions with management and the independent registered public accounting firm, the committee recommended to the Board that the company's audited financial statements be included in its Annual Report on Form 10-K for the year ended December 31, 2005, for filing with the SEC.

Each member of our Audit Committee is financially literate, knowledgeable and qualified to review financial statements. The Board has

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditor

Consistent with SEC policies regarding auditor independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of the independent registered public accounting firm. In recognition of this responsibility, the Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by the independent registered public accounting firm.

Before incurring the following, management will submit a list of services and related fees expected to be rendered during that year within each of the following four categories of services to the Audit Committee for approval:

1. **Audit** services include audit work performed on the financial statements, internal control over financial reporting, as well as work that generally only the independent registered public accounting firm can reasonably be expected to provide, including comfort

Table of Contents

letters, statutory audits, and discussions surrounding the proper application of financial accounting and/or reporting standards.

2. **Audit-Related** services are for assurance and related services that are traditionally performed by the independent registered public accounting firm, including due diligence related to mergers and acquisitions, employee benefit plan audits, and special procedures required to meet certain regulatory requirements.
3. **Tax** services include all services, except those services specifically related to the audit of the financial statements, performed by the independent registered public accounting firm's tax personnel, including tax analysis; assisting with coordination of execution of tax related activities, primarily in the area of corporate development; supporting other tax related regulatory requirements; and tax compliance and reporting.
4. **Other Fees** are those associated with services not captured in the other categories. The company generally doesn't request such services from the independent registered public accounting firm.

The Audit Committee pre-approves the independent registered public accounting firm's services within each category. The fees are budgeted and the Audit Committee requires the independent registered public accounting firm and management to report actual fees versus the budget periodically throughout the year. During the year, circumstances may arise when it may become necessary to engage the independent registered public accounting firm for additional services not contemplated in the original pre-approval categories. In those instances, the Audit Committee requires specific pre-approval before engaging the independent registered public accounting firm.

The Audit Committee may (and has at various times in the past) delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

ITEMS TO BE VOTED ON**ITEM 1: Election of Directors**

Item 1 is the election of three directors to the Board. Our Amended and Restated Certificate of Incorporation provides that the number of directors the company may have may not be less than three nor more than ten. Our Board currently is composed of nine members and is divided into three classes with each director serving for a three-year term. At each annual meeting, the term of one class expires. The term of service for those directors serving in Class I expires at this meeting.

We know of no reason why any nominee may be unable to serve as a director. If any nominee is unable to serve, your proxy may vote for another nominee proposed by the Board, or the Board may reduce the number of directors to be elected.

If any director resigns, dies or is otherwise unable to serve out his or her term, or the Board increases the number of directors, the Board may fill the vacancy or elect the new director.

Mr. Sullivan and Mr. Christopher are standing for their first election by our stockholders. Both were elected to our Board effective July 1, 2005 at the recommendation of the Nominating and Governance Committee and on the unanimous

ITEM 2: Ratification of Appointment of Independent Registered Public Accounting Firm

Our Audit Committee has unanimously selected PricewaterhouseCoopers LLP as our independent registered public accounting firm for our 2006 fiscal year. We are asking you to ratify and approve this action. A representative of PricewaterhouseCoopers LLP, will attend the annual meeting, will have the opportunity to make a statement if he or she desires to do so and will be available to answer appropriate questions.

Although the law does not require such ratification, the Audit Committee believes that you should be given the opportunity to express your views on this matter. However, even if you ratify the selection, the Audit Committee may still appoint a new independent registered public accounting firm at any time if it believes that such change would be in the best interest of the company and its stockholders. Failure to ratify this selection is not binding on the Audit Committee. However, if our stockholders do not ratify this selection, the Audit Committee will reconsider the appointment.

THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR APPROVAL, WHICH VOTE WILL ACT TO RATIFY THE SELECTION OF PRICEWATERHOUSECOOPERS LLP.

ITEM 3: Approval of Increase in the Authorized Shares of Common Stock

The Board believes that the proposed increase to the authorized number of shares of common stock, par value \$.20 per share, is necessary for the continued success and growth of the company. The proposed amendment to our Amended and Restated Certificate of Incorporation will amend Article Four to increase the number of authorized shares of common stock, par value \$.20 per share, from 75,000,000 shares to 175,000,000 shares.

The proposed amendment is as follows:

The aggregate number of shares of all classes of stock which the corporation shall have the authority to issue is [180,000,000], 175,000,000 of which shall be Common Stock of the par value of \$.20 per share (hereinafter called "Common Stock") and [5,000,000] of which shall be Preferred Stock of the par value of \$1.00 per share (hereinafter called "Preferred Stock").

Note that the numbers contained in the brackets above are subject to change depending on the outcome of the voting on Item No. 4 as set out in this proxy statement. If our stockholders approve Item No. 4 as well and this proposal, the numbers in the brackets above would change to 185,000,000 and 10,000,000, respectively.

As of March 13, 2006, there were

46,256,646 authorized shares of common stock issued and outstanding;

530,713 shares reserved for issuance under outstanding options; and

28,212,641 authorized shares of common stock that were not reserved for any specific use and available for issuance.

If this proposal is approved, taking into account the number of shares reserved for issuance, the Board will have the authority to issue approximately 128,212,641 shares of common stock without further stockholder approval, except as may be required for a particular transaction by applicable law, regulatory agencies or the rules of the NYSE or any other securities exchange on which our securities may then be listed.

The additional authorized shares of common stock may be used for such corporate purposes as may be determined by the Board from time to time to be necessary or desirable. These purposes may include, without limitation: raising capital through the sale of common stock; effecting a stock split or issuing a stock dividend; acquiring other businesses in exchange for shares of common stock; and attracting and retaining employees by the issuance of additional securities under the company's equity

Table of Contents

compensation plans. At the present time, the company has no commitments, agreements or undertakings to issue any such additional shares, except in connection with existing equity compensation plans and agreements.

The Board believes that the authorized number of shares of common stock should be increased to provide the Board with the ability to issue additional shares of common stock for the potential corporate purposes described above, without having to incur the delay and expense incident to holding a special meeting of the stockholders to approve an increase in the authorized shares of common stock at that time.

The authorization of the additional shares by this proposal would not have any immediate dilutive effect on the proportionate voting power or other rights of existing stockholders, but, to the extent that the additional authorized shares are issued in the future, they may decrease existing stockholders' percentage equity ownership and, depending on the price at which they are issued, could be dilutive to existing stockholders and have a negative effect on the market price of the company's common stock. Under the company's Amended and Restated Certificate of Incorporation, stockholders do not have preemptive rights with respect to the issuance of shares of common stock, which means that current stockholders do not have a prior right to purchase shares in any new issue of common stock in order to maintain their proportionate ownership of common stock.

Anti-Takeover Considerations

The increase in the number of authorized shares of common stock could have an anti-takeover effect, although this is not the intent of the Board. For example, if the Board issues additional shares in the future, such issuance could dilute the stock ownership and voting power of, or increase the cost to, a person seeking to obtain control of the company, thereby deterring or rendering more difficult a merger, tender offer, proxy contest or other extraordinary transaction. To the extent that it impedes any such attempts, the proposed amendment may serve to perpetuate the Board and the company's management. The proposed amendment is not being proposed in response to any known effort or threat to acquire control of the company and is not part of a plan by management to adopt a series of amendments to the Amended and Restated Certificate of Incorporation and the company's bylaws having an anti-takeover effect.

In addition, other provisions of the company's Amended and Restated Certificate of Incorporation and bylaws may have an anti-takeover effect, including provisions that require stockholders to give the company advance notice to nominate candidates for election to its Board or to make stockholder proposals at a stockholder meeting, and that permit the Board to issue, without stockholder approval, preferred stock with such terms as the Board may determine. Further, Section 203 of the Delaware General Corporation Law provides certain restrictions on business combinations between the company and any party acquiring a 15 percent or greater interest in its voting stock. These provisions of the company's Amended and Restated Certificate of Incorporation, our bylaws, our shareholder rights plan and Delaware law could discourage potential acquisition proposals and could delay or prevent a change-in-control of the company, even if the stockholders support such proposals.

Voting Information

A majority of the outstanding shares of our common stock must vote FOR this proposal to approve the proposed Amendment. Abstentions and broker non-votes will have the same effect as votes against the proposal.

The Board reserves the right to abandon the proposed amendment set forth in this proposal at any time before its effectiveness whether before or after stockholder approval under Delaware General Corporation Law §242(c). If this proposal is approved, we intend to promptly file a Certificate of Amendment with the Secretary of State of the State of Delaware. On filing, all stockholders will be bound by the terms of the Certificate of Amendment, whether or not they voted to approve it.

THE BOARD HAS APPROVED AND UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE APPROVAL OF THE PROPOSED AMENDMENT.

ITEM 4: Approval of Increase in the Authorized Shares of Preferred Stock

The Board believes that the proposed increase to the authorized number of shares of preferred stock is necessary for the continued success and growth of the company. The proposed amendment to our Amended and Restated Certificate of Incorporation will amend Article Four to increase the number of authorized shares of preferred stock from 5,000,000 shares to 10,000,000 shares.

The proposed amendment is as follows:

The aggregate number of shares of all classes of stock which the corporation shall have the authority to issue is [85,000,000], [75,000,000] of which shall be Common Stock of the par value of \$.20 per share (hereinafter called "Common Stock") and 10,000,000 of which shall be Preferred Stock of the par value of \$1.00 per share (hereinafter called "Preferred Stock").

Note that the numbers contained in the brackets above are subject to change depending on the outcome of the voting on Item No. 3 as set out in this proxy statement. If our stockholders approve Item No. 3 as well and this proposal, the numbers in the brackets above would change to 185,000,000 and 175,000,000, respectively.

Under the laws of the state of Delaware and our Amended and Restated Certificate of Incorporation, our Board has the authority, without further action by our stockholders, to issue up to 5,000,000 shares of preferred stock in one or more series and to fix the privileges and rights of each series. The Board is now requesting that the stockholders approve an increase in the number of shares of preferred stock which we can issue from 5,000,000 to 10,000,000. Currently, we do not have any shares of preferred stock outstanding.

The additional authorized shares of preferred stock may be used for such corporate purposes as may be determined by the Board from time to time to be necessary or desirable. These purposes may include, without limitation: raising capital through the sale preferred stock; and acquiring other businesses in exchange for shares of preferred stock. At the present time, the company has no commitments, agreements or undertakings to issue any such additional shares.

The Board believes that the authorized number of shares of preferred stock should be increased to provide the Board with the ability to issue additional shares of preferred stock for the potential corporate purposes described above, without having to incur the delay and expense incident to holding a special meeting of the stockholders to approve an increase in the authorized shares of preferred stock at that time.

Anti-Takeover Considerations

The increase in the number of authorized shares of preferred stock could have an anti-takeover effect, although this is not the intent of the Board. For example, if the Board issues shares in the future, such issuance could dilute the stock ownership and voting power of, or increase the cost to, a person seeking to obtain control of the company, thereby deterring or rendering more difficult a merger, tender offer, proxy contest or other extraordinary transaction. To the extent that it impedes any such attempts, the proposed amendment may serve to perpetuate the company's Board or management. The proposed amendment is not being proposed in response to any known effort or threat to acquire control of the company and is not part of a plan by management to adopt a series of amendments to the Amended and Restated Certificate of Incorporation and the company's bylaws having an anti-takeover effect.

In addition, other provisions of the company's Amended and Restated Certificate of Incorporation and bylaws may have an anti-takeover effect, including provisions that require stockholders to give the company advance notice to nominate candidates for election to its Board or to make stockholder proposals at a stockholder meeting, and that permit the Board to issue, without stockholder approval, preferred stock with such terms as the Board may determine. Further, Section 203 of the Delaware General Corporation Law provides certain restrictions on business combinations between

the company and any party acquiring a 15 percent or greater interest in its voting stock. These provisions of the company's Amended and Restated Certificate of Incorporation, our bylaws, our shareholder rights plan and Delaware law could discourage potential acquisition proposals and could delay or prevent a change-in-control of the company, even if the stockholders support such proposals.

ITEM 5: Proposal to Approve the Unit Corporation Stock and Incentive Compensation Plan

General

The Board believes that the growth of our company depends on the efforts of our employees, and that the Unit Corporation Stock and Incentive Compensation Plan (the Plan) will provide an effective means of attracting and retaining qualified employees while enhancing their long-term focus on maximizing stockholder value.

The Plan has been adopted by the Board, subject to approval by our stockholders at the annual meeting. The principal features of the Plan are summarized below. This summary is qualified in its entirety, however, by reference to the Plan, which is attached to this proxy statement as Appendix A.

If approved by our stockholders, the Plan will serve as the successor to the Unit Corporation Amended and Restated Stock Option Plan and the Employee Bonus Plan, both of which were previously approved by our stockholders, and no further grants will be made under those plans from and after the date our stockholders approve this Plan.

Purpose of the Proposal

The Board believes that providing selected employees with a proprietary interest in the growth and performance of our company (and its subsidiaries) is crucial to stimulating individual performance while at the same time enhancing stockholder value. Currently, approximately 1,167,116 shares of common stock remain available for grant under the two previously approved plans mentioned above. The Board believes that adoption of the Plan is necessary to provide us with the continued ability to attract, retain and motivate employees in a manner that is tied to the interests of our stockholders.

Terms of the Plan

Administration of the Plan. The Compensation Committee of the Board administers the Plan and has authority to make awards under the Plan, to set the terms of the awards, to interpret the Plan, to establish any rules or regulations relating to the Plan that it determines to be appropriate and to make any other determination that it believes necessary or advisable for the proper administration of the Plan. Subject to the limitations specified in the Plan, the Compensation Committee may delegate its authority to appropriate company personnel.

Eligibility. Employees of our company (and its subsidiaries) will be eligible to receive awards (the Awards) under the Plan when designated as Plan participants. We are unable at this time to estimate the number of employees that would be eligible to participate in the Plan. Awards under the Plan may be granted in any one or a combination of the following forms:

non-qualified stock options;

performance shares;

performance units;

cash based awards; and

other stock-based awards.

Shares Issuable Through the Plan. A total of 2,500,000 shares of common stock are authorized to be issued under the Plan, representing approximately 5.4% of our outstanding shares of common stock. The closing sale price of a share of common stock, as quoted on the NYSE on March 16, 2006 was \$55.50.

Limitations and Adjustments to Shares Issuable Through the Plan. The Plan limits the maximum number of shares that can be issued as incentive stock options to 2,000,000 shares. The Plan also contains the following limits to the Awards granted to an insider in any one year as follows:

the maximum number of shares that may be awarded in the form of options or stock appreciation rights to an employee in any fiscal year is 100,000 shares.

the maximum number of shares that may be awarded in the form of restricted stock to an employee in any fiscal year is 50,000 shares.

the maximum number of shares that may be awarded in the form of performance shares or performance units to an employee in any fiscal year is 50,000 shares or equal to the value of 50,000 shares.

the maximum number of shares that may be awarded in the form of stock-based awards to an employee in any fiscal year is 50,000 shares.

the maximum amount that may be awarded in the form of cash-based awards to an employee in any fiscal year is \$1,000,000.

All Awards shall be subject to the minimum vesting periods, determined by the Compensation Committee and included in the Award agreement.

For purposes of determining the maximum number of shares of common stock available for delivery under the Plan, shares of common stock that are not delivered because the Award is forfeited, canceled or settled in cash will not be deemed to have been delivered under the Plan. With

Edgar Filing: UNIT CORP - Form DEF 14A

respect to stock appreciation rights, the net number of shares of common stock delivered on exercise of the stock appreciation right will be counted against the Plan limits.

Proportionate adjustments will be made to all of the share limitations provided in the Plan, including shares subject to outstanding Awards, in the event of any recapitalization, stock dividend, stock split, combination of shares or other change in the shares of common stock, and the terms of any Award will be adjusted to the extent appropriate to provide participants with the same relative rights before and after the occurrence of any such event.

Amendments to the Plan. The Compensation Committee or Board may, at any time and from time to time, alter, amend, modify, suspend, or terminate this Plan in whole or in part; provided however, that:

without the prior approval of the company's stockholders, options and stock appreciation rights issued under this Plan will not be repriced, replaced, or regranted through cancellation or by lowering the exercise price of a previously granted option; and

to the extent necessary under any applicable law, regulation or exchange requirement, no amendment shall be

effective unless approved by the stockholders of the company in accordance with applicable law, regulation, or exchange requirement. *Types of Awards.* Each type of Award that may be granted under the Plan is described below:

Stock Options. The Compensation Committee may grant non-qualified stock options or incentive stock options to purchase shares of common stock. The Compensation Committee will determine the number and exercise price of the options, and the time or times that the options become exercisable, provided that the option exercise price may not be less than the fair market value of a share of common stock on the date of grant, except for an option granted in substitution of an outstanding award in an acquisition transaction in accordance with Section 424(h) of the Code. The term of an option will also be determined by the Compensation Committee; provided that the term of an option may not exceed 10 years.

The option exercise price may be paid in cash; by check; in shares of common stock, subject to certain limitations; through a cashless exercise arrangement with a broker approved in advance by us; or in any other manner authorized by the Compensation Committee. Incentive stock options will be subject to certain additional requirements necessary in order to qualify as incentive stock options under Section 422 of the Code.

Except for certain permitted adjustments, unless approved by our stockholders, (a) the exercise price for any outstanding option granted under the Plan may not be decreased after the date of grant and (b) an outstanding option that has been granted under the Plan may not, as of any date that such option has a per share exercise price that is greater than the then current fair market value of our common stock, be surrendered as consideration for the grant of a new option with a lower exercise price, shares of common stock, shares of restricted stock, restricted stock units, another stock-based award or a cash payment.

Restricted Stock. Shares of common stock may be granted by the Compensation Committee to an eligible employee and made subject to restrictions on sale, pledge or other transfer by the employee for a certain period (the restricted period). All shares of restricted stock will be subject to such restrictions as the Compensation Committee may provide in an Award agreement with the participant, including provisions obligating the participant to forfeit or resell the shares to us in the event of termination of employment or if specified performance goals or targets are not met. Participant's rights with respect to such shares shall be subject to the restrictions provided in the Award agreement and the Plan.

Restricted Stock Units. A restricted stock unit represents the right to receive from us, on the respective scheduled vesting or payment date for such restricted stock unit, one share of common stock. An award of restricted stock units may be subject to the attainment of specified performance goals or targets, forfeitability provisions and such other terms and conditions as the Compensation Committee may determine, subject to the provisions of the Plan. To the extent an award of restricted stock units is intended to qualify as performance based compensation under Section 162(m), it must be granted subject to the attainment of performance goals and meet the additional requirements imposed by Section 162(m).

Stock Appreciation Rights. A stock appreciation right may be granted by the Compensation Committee in its discretion. The Compensation Committee may grant free standing stock appreciation rights, tandem stock appreciation rights or any combination of these forms of stock appreciation rights. The grant price for each stock appreciation right shall be determined by the Compensation Committee and shall be specified in the Award agreement, but in no event shall the grant price be less than the fair market value of the shares of common stock of the company on the date the stock appreciation right is granted. The grant price of tandem stock appreciation rights shall be equal to the option price of the related option. The term of the stock appreciation right shall be determined by the Compensation Committee and specified in the Award agreement, which relates to the stock appreciation right. No stock appreciation right will be exercised after the tenth anniversary

Table of Contents

from the date of its grant. However, for employees employed outside the United States and who are third-country nationals, the Compensation Committee may grant stock appreciation rights with a term of more than 10 years. Outstanding stock appreciation rights may be exercised on whatever terms the condition the Compensation Committee imposes. Tandem stock appreciation rights may be exercised for all or part of the shares subject to the related option on the surrender of the right to exercise equivalent portions of the related option. A tandem stock appreciation right may be exercised only with respect to the shares for which the related option is unexercisable. With respect to a tandem stock appreciation right granted in connection with an incentive stock option, (a) the tandem stock appreciation right will expire no later than the expiration of the underlying incentive stock option; (b) the value of the payout with respect to the tandem stock appreciation right will be for no more than 100% of the difference between the option price of the underlying incentive stock option and the fair market value of the shares subject to the underlying incentive stock option at the time the tandem stock appreciation right is exercised; and (c) the tandem stock appreciation right may be exercised only when the fair market value of the shares subject to the incentive stock option exceeds the option price of the incentive stock option.

On the exercise of a stock appreciation right, a participant will be entitled to receive payment in an amount determined by multiplying: (a) the difference between the fair market value of a share of common stock on the date of exercise and the grant price; by (b) the number of shares with respect to which the stock appreciation right is exercised. In the discretion of the Compensation Committee, the payment of the stock appreciation right exercised may be in cash, shares of equivalent value (based on the fair market value on the date of exercise of a stock appreciation right) in some combination thereof or in any other form approved by the Compensation Committee.

Other Stock-Based Awards. The Plan also authorizes the Compensation Committee to grant participants awards of common stock and other awards that are denominated in, payable in, valued in whole or in part by reference to, or are otherwise based on the value of, or the appreciation in value of, shares of common stock (other stock-based awards). The Compensation Committee has discretion to determine the participants to whom other stock-based awards are to be made, the times at which such awards are to be made, the size of such awards, the form of payment, and all other conditions of such awards, including any restrictions, deferral periods or performance requirements.

Performance-Based Compensation Under Section 162(m). Stock options and stock appreciation rights granted in accordance with the terms of the Plan, the exercise of which is based on the attainment of performance goals, will qualify as performance-based compensation under Section 162(m). Grants of any restricted stock, restricted stock units or other stock-based awards that we intend to qualify as performance-based compensation under Section 162(m) must be made subject to the achievement of pre-established performance goals. The pre-established performance goals will be based on any or a combination of the following business criteria applied to our company as a whole, a company division or a subsidiary:

- (a) Net earnings or net income (before or after taxes);
- (b) Earnings per share;
- (c) Net operating profit;
- (d) Operating earnings;
- (e) Operating earnings per share;
- (f) Return measures (including, but not limited to, return on assets, capital, equity, or sales);
- (g) Cash flow (including, but not limited to, operating cash flow, free cash flow, and cash flow return on capital);

Edgar Filing: UNIT CORP - Form DEF 14A

- (h) Earnings before or after taxes, interest, depreciation, and/or amortization and including/excluding capital gains and losses;

- (i) Gross or operating margins;

- (j) Share price (including, but not limited to, growth measures and total shareholder return);
- (k) Margins;
- (l) Operating efficiency;
- (m) Customer satisfaction;
- (n) Employee satisfaction;
- (o) Working capital targets;
- (p) Revenue growth; and
- (q) Growth of Assets.

Any performance goal (s) may be used to measure the performance of the company as a whole or any business unit of the company or any combination thereof, as the Compensation Committee may deem appropriate, or any of the above performance measures as compared to the performance of a group of comparative companies, or published or special index that the Compensation Committee, in its sole discretion, deems appropriate.

The Compensation Committee has authority to use different targets from time to time under the performance goals provided in the Plan. As a result, the regulations under Section 162(m) require that the material terms of the performance goals be re-approved by the stockholders every five years. To qualify as performance-based compensation, grants of restricted stock, restricted stock units and other stock-based awards will be required to satisfy the other applicable requirements of Section 162(m).

Termination of Employment. If a participant ceases to be employed by us or provide services to us for any reason, including death, his outstanding Awards may be exercised or shall expire at such time or times as may be determined by the Compensation Committee and described in the Award agreement.

Change-in- Control. In the event of a change-in-control of our company, as defined in the Plan, all Awards will become fully vested and exercisable, all restrictions or limitations on any Awards will generally lapse and, unless otherwise provided in the Award agreement, all performance criteria and other conditions relating to the payment of Awards will generally be deemed to be achieved or waived.

Transferability of Awards. The Awards awarded under the Plan may not be transferred except

by will;

by the laws of descent and distribution;

or

Edgar Filing: UNIT CORP - Form DEF 14A

in the case of non-qualified stock options only, if permitted by the Compensation Committee and if so provided in the Award agreement.

Payment of Withholding Taxes. We may withhold from any payments or stock issuances under the Plan, or collect as a condition of payment, any taxes required by law to be withheld. Any participant may, but is not required to, satisfy his or her withholding tax obligation by electing to deliver currently owned shares of common stock or to have us withhold, from the shares the participant would otherwise receive, shares of common stock, in each case having a value equal to the minimum amount required to be withheld. This election must be made before the date on which the amount of tax to be withheld is determined and is subject to the Compensation Committee's right of disapproval.

Awards to be Granted

If our stockholders approve the Plan at the annual meeting, grants of awards to selected employees will be made in the future by the Compensation Committee as necessary to attract and retain employees. Accordingly, it is not possible to determine currently the benefits that will be received by such personnel.

Federal Income Tax Consequences of Stock Options

Under existing federal income tax provisions, a participant who is granted a stock option normally will not realize any income, nor will we normally receive any deduction for federal income tax purposes, in the year the option is granted.

When a non-qualified stock option granted under the Plan is exercised, the participant will realize ordinary income measured by the difference between the aggregate purchase price of the shares of common stock acquired and the

Table of Contents

aggregate fair market value of the shares of common stock acquired on the exercise date and, subject to the limitations of Section 162(m) of the Code, we will be entitled to a deduction in the year the option is exercised equal to the amount the participant is required to treat as ordinary income.

An employee generally will not recognize any income upon the exercise of any incentive stock option, but the excess of the fair market value of the shares at the time of exercise over the option price will be an item of tax preference, which may, depending on particular factors relating to the employee, subject the employee to the alternative minimum tax imposed by Section 55 of the Code. The alternative minimum tax is imposed in addition to the federal individual income tax, and it is intended to ensure that individual taxpayers do not completely avoid federal income tax by using preference items. An employee will recognize capital gain or loss in the amount of the difference between the exercise price and the sale price on the sale or exchange of stock acquired pursuant to the exercise of an incentive stock option, provided the employee does not dispose of such stock within two years from the date of grant and one year from the date of exercise of the incentive stock option (the holding periods). An employee disposing of such shares before the expiration of the holding periods will recognize ordinary income generally equal to the difference between the option price and the fair market value of the stock on the date of exercise. The remaining gain, if any, will be capital gain. We will not be entitled to a federal income tax deduction in connection with the exercise of an incentive stock option, except where the employee disposes of the shares of common stock received upon exercise before the expiration of the holding periods.

If the exercise price of a non-qualified option is paid by the surrender of previously owned shares, the basis and the holding period of the previously owned shares carry over to the same number of shares received in exchange for the previously owned shares. The compensation income recognized on exercise of these options is added to the basis of the shares received. If the exercised option is an incentive stock option and the shares surrendered were acquired through the exercise of an incentive stock option and have not been held for the holding periods, the optionee will recognize income on such exchange, and the basis of the shares received will be equal to the fair market value of the shares surrendered. If the applicable holding period has been met on the date of exercise, there will be no income recognition and the basis and the holding period of the previously owned shares will carry over to the same number of shares received in exchange, and the remaining shares will begin a new holding period and have a zero basis.

If, on a change-in-control of our company, the exercisability or vesting of an Award is accelerated, any excess on the date of the change-in-control of the fair market value of the shares or cash issued under accelerated Awards over the purchase price of such shares, if any, may be characterized as parachute payments (within the meaning of Section 280G of the Code) if the sum of such amounts and any other such contingent payments received by the employee exceeds an amount equal to three times the base amount for such employee. The base amount generally is the average of the annual compensation of such employee for the five years preceding such change in ownership or control. An excess parachute payment, with respect to any employee, is the excess of the parachute payments to such person, in the aggregate, over and above such person's base amount. If the amounts received by an employee upon a change-in-control are characterized as parachute payments, such employee will be subject to a 20% excise tax on the excess parachute payment and we will be denied any deduction with respect to such excess parachute payment.

Vote Required

Approval of the Plan requires the affirmative vote of the holders of a majority of the votes cast on the proposed plan, and the total votes cast on the proposal must represent more than 50% of our outstanding common stock as of the record date of the stockholders' meeting.

This Plan shall become effective, if approved by the Board and shareholders, on May 3 2006 (the Effective Date) and shall remain in effect as provided in Section 1.3 of this document.

1.2 Purpose of this Plan. The purpose of this Plan is to promote the success and enhance the value of the Company and Affiliates by linking the personal interests of the Participants to those of the Company's shareholders, and by providing Participants with an incentive for outstanding performance.

This Plan is further intended to provide flexibility to the Company in its ability to motivate, attract, and retain the services of Participants on whose judgment, interest, and special effort the successful conduct of its operation largely is dependent.

1.3 Duration of this Plan. This Plan shall commence as of the Effective Date and shall remain in effect, subject to the right of the Committee or the Board to amend or terminate this Plan at any time under Article 15, until all Shares subject to this Plan have been purchased or acquired according to this Plan's provisions.

1.4 Successor Plan. This Plan shall serve as the successor to the Unit Corporation Amended and Restated Stock Option Plan and the Employee Bonus Plan (the Predecessor Plans), and no further grants shall be made under the Predecessor Plans from and after the Effective Date of this Plan.

All actions taken and all interpretations and determinations made by the Committee shall be final, conclusive, and binding on the Participants, the Company, and all other interested parties.

3.2 Authority of the Committee. The Committee shall have full and exclusive discretionary power to interpret the terms and the intent of this Plan and any Award Agreement or other agreement ancillary to or in connection with this Plan, to determine eligibility for Awards, and to adopt such rules, regulations, and guidelines for administering this Plan as the Committee may deem necessary or proper. Such authority shall include, but not be limited to, selecting Award recipients, establishing all Award terms and conditions and, subject to Article 15, adopting modifications and amendments, or subplans to this Plan (as described in Section 18.5) or any Award Agreement, including, without limitation, any that are necessary or appropriate to comply with the laws or compensation practices of the countries and other jurisdictions in which the Company and Affiliates operate.

The Committee, in its sole discretion, may also make appropriate adjustments in the terms of any Awards under this Plan to reflect, or related to, such changes or distributions and may modify any other terms of outstanding Awards, including modifications of performance criteria and changes in the length of Performance Periods. The determination of the Committee as to the foregoing adjustments, if any, shall be conclusive and binding on Participants under this Plan.

Subject to the provisions of Article 14 and any applicable law or regulatory requirement, without affecting the number of Shares reserved or available under this Plan, the Committee may authorize the issuance, assumption, substitution, or conversion of Awards under this Plan in connection with any such corporate event or transaction on such terms and conditions as it may deem appropriate. Additionally, the Committee may amend this Plan, or adopt supplements to this Plan, in such manner as it deems appropriate to provide for such issuance, assumption, substitution, or conversion as provided in the previous sentence.

6.5 Exercise of Options. Options granted under this Article 6 shall be exercisable at such times and on the occurrence of such events, and be subject to such restrictions and conditions, as the Committee shall in each instance approve, which need not be the same for each grant or for each Participant.

Options granted under this Article 6 shall be exercised by the delivery of a notice of exercise to the Company or an agent designated by the Company in a form specified or accepted by the Committee, or by complying with any alternative procedures which may be authorized by the Committee, setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by full payment for the Shares.

8.3 Nontransferability of Restricted Stock and Restricted Stock Units. Except as otherwise provided in this Plan or the Award Agreement, the Shares of Restricted Stock and/or Restricted Stock Units granted may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated until the end of the applicable Period of Restriction specified in the Award Agreement (and in the case of Restricted Stock Units until the date of delivery or other payment), or on earlier satisfaction of any other conditions, as specified by the Committee in its sole discretion and set forth in the Award Agreement at the time of grant or thereafter by the Committee. All rights with respect to the Restricted Stock and/or Restricted Stock Units granted to a Participant under this Plan shall be available during his or her lifetime only to such Participant, except as otherwise provided in the Award Agreement at the time of grant or thereafter by the Committee.

8.4 Other Restrictions. The Committee shall impose, in the Award Agreement at the time of grant or anytime thereafter, such other conditions and/or restrictions on any Shares of Restricted Stock or Restricted Stock Units granted under this Plan as it may deem advisable including, without limitation, a requirement that Participants pay a stipulated purchase price for each Share of Restricted Stock or each Restricted Stock Unit, restrictions based on the achievement of specific performance criteria, time-based restrictions on vesting following the attainment of the performance criteria,

time-based restrictions, restrictions under applicable laws or under the requirements of any stock exchange or market on which such Shares are listed or traded, or holding requirements or sale restrictions placed on the Shares by the Company on vesting of such Restricted Stock or Restricted Stock Units.

To the extent deemed appropriate by the Committee and subject to Section 18.6, the Company may retain the certificates representing Shares of Restricted Stock, or Shares and delivered in consideration of Restricted Stock Units, in the Company's possession until such time as all conditions and/or restrictions applicable to such Shares have been satisfied or lapse.

Except as otherwise provided in this Article 8, Shares of Restricted Stock covered by each Restricted Stock Award shall become freely transferable by the Participant after all conditions and restrictions applicable to such Shares have been satisfied or lapse, and Restricted Stock Units shall be paid in cash, Shares, or a combination of cash and Shares as the Committee, in its sole discretion shall determine.

8.5 Certificate Legend. In addition to any legends placed on certificates under Section 8.4, each certificate representing Shares of Restricted Stock granted under this Plan may bear a legend such as the following:

The sale or other transfer of the Shares of stock represented by this certificate, whether voluntary, involuntary, or by operation of law, is subject to certain restrictions on transfer as set forth in the Unit Corporation Stock and Incentive Compensation Plan, and in the associated Award Agreement. A copy of this Plan and such Award Agreement may be obtained from Unit Corporation.

8.6 Voting Rights. To the extent provided by the Committee in the Award Agreement, Participants holding Shares of Restricted Stock may be granted the right to exercise full voting rights with respect to those Shares during the Period of Restriction. A Participant shall have no voting rights with respect to any Restricted Stock Units granted hereunder.

8.7 Dividends and Other Distributions. During the Period of Restriction, Participants holding Shares of Restricted Stock or Restricted Stock Units may, if the Committee so determines and provides in the Participant's Award Agreement, be credited with dividends paid with respect to the underlying Shares or dividend equivalents while they are so held in a manner determined by the Committee in its sole discretion. The Committee may apply any restrictions to the dividends or dividend equivalents that the Committee deems appropriate. The Committee, in its sole discretion, may determine the form of payment of dividends or dividend equivalents, including cash, Shares, Restricted Stock, or Restricted Stock Units.

8.8 Termination of Employment. Each Award Agreement shall set forth the extent to which the Participant shall have the right to retain Restricted Stock and/or Restricted Stock Units following termination of the Participant's employment with the Company or Affiliates. These provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with each Participant, need not be uniform among all Shares of Restricted Stock or Restricted Stock Units issued under this Plan, and may reflect distinctions based on the reasons for termination.

8.9 Payment In Consideration of Restricted Stock Units. When and if Restricted Stock Units become payable, a Participant having received the grant of such units shall be entitled to receive payment from the Company in cash, Shares of equivalent value (based on the FMV, as defined in the Award Agreement at the time of grant or thereafter by the Committee), in some combination thereof, or in any other form determined by the Committee at its sole discretion. The Committee's determination regarding the form of payout shall be set forth or reserved for later determination in the Award Agreement pertaining to the grant of the Restricted Stock Unit.

Article 9.

Performance Shares and Performance Units

9.1 Grant of Performance Shares and Performance Units. Subject to the terms and provisions of this Plan, the Committee, at any time and from time to time, may grant Performance Shares and/or Performance Units to Participants in such amounts and on such terms as the Committee shall determine.

Table of Contents

9.2 Value of Performance Shares and Performance Units. Each Performance Share shall have an initial value equal to the FMV of a Share on the date of grant. Each Performance Unit shall have an initial value that is established by the Committee at the time of grant which shall in no event be less than the FMV of a Share. The Committee shall set performance criteria for a Performance Period in its discretion which, depending on the extent to which they are met, will determine, in the manner determined by the Committee and documented in the Award Agreement the value and/or number of each Performance Share or Performance Unit that will be paid to the Participant.

9.3 Earning of Performance Shares and Performance Units. Subject to the terms of this Plan, after the applicable Performance Period has ended, the holder of Performance Shares/Performance Units shall be entitled to receive payout on the value and number of Performance Shares/Performance Units determined as a function of the extent to which the corresponding performance criteria have been achieved. Despite the foregoing, the Company has the ability to require the Participant to hold the Shares received under such Award for a specified period of time.

9.4 Form and Timing of Payment of Performance Shares and Performance Units. Payment of earned Performance Shares/Performance Units shall be as determined by the Committee and as evidenced in the Award Agreement. Subject to the terms of this Plan, the Committee, in its sole discretion, may pay earned Performance Shares/Performance Units in the form of cash or in Shares (or in a combination thereof) equal to the value of the earned Performance Shares/Performance Units at the close of the applicable Performance Period. Any Shares may be granted subject to any restrictions deemed appropriate by the Committee. The determination of the Committee with respect to the form of payout of such Awards shall be set forth in the Award Agreement pertaining to the grant of the Award or reserved for later determination.

9.5 Termination of Employment. Each Award Agreement shall set forth the extent to which the Participant shall have the right to retain Performance Shares/Performance Units following termination of the Participant's employment or Agency with the Company or an Affiliate. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with each Participant, need not be uniform among all Awards of Performance Shares/Performance Units issued under this Plan, and may reflect distinctions based on the reasons for termination.

9.6 Nontransferability of Performance Shares and Performance Units. Except as otherwise provided in a Participant's Award Agreement at the time of grant or thereafter by the Committee, Performance Shares/Performance Units may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution.

Article 10.

Cash-Based Awards and Stock-Based Awards

10.1 Grant of Cash-Based Awards. Subject to the terms and provisions of this Plan, the Committee, at any time and from time to time, may grant Cash-Based Awards to Participants in such amounts and on such terms as the Committee may determine.

10.2 Value of Cash-Based Awards. Each Cash-Based Award shall have a value as may be determined by the Committee. For each Cash-Based Award, the Committee may establish performance criteria in its discretion. If the Committee exercises its discretion to establish such performance criteria, the number and/or value of Cash-Based Awards that will be paid out to the Participant will be determined, in the manner determined by the Committee, the extent to which the performance criteria are met.

10.3 Payment in Consideration of Cash-Based Awards. Subject to the terms of this Plan, the holder of a Cash-Based Award shall be entitled to receive payout on the value of Cash-Based Award determined as a function of the extent to which the corresponding performance criteria, if any, have been achieved.

10.4 Form and Timing of Payment of Cash-Based Awards. Payment of earned Cash-Based Awards shall be as determined by the Committee and evidenced in the Award Agreement. Subject to the terms of this Plan, the Committee, in its sole discretion, may pay earned Cash-Based Awards in the form of cash or in Shares (or in a combination thereof) that have an aggregate FMV equal to the value of the earned Cash-Based Awards (the applicable date regarding which aggregate FMV shall be determined by the Committee). Such Shares may be granted subject to

Table of Contents

any restrictions deemed appropriate by the Committee. The determination of the Committee with respect to the form of payout of such Awards shall be set forth in the Award Agreement pertaining to the grant of the Award.

10.5 Stock-Based Awards. The Committee may grant other types of equity-based or equity-related Awards not otherwise described by the terms of this Plan (including the grant or offer for sale of unrestricted Shares) in such amounts and subject to such terms and conditions including, but not limited to being subject to performance criteria, or in satisfaction of such obligations, as the Committee shall determine. Such Awards may entail the transfer of actual Shares to Participants, or payment in cash or otherwise of amounts based on the value of Shares and may include, without limitation, Awards designed to comply with or take advantage of the applicable local laws of jurisdictions other than the United States.

10.6 Termination of Employment. Each Award Agreement shall set forth the extent to which the Participant shall have the right to receive Cash-Based Awards and Stock-Based Awards following termination of the Participant's employment with the Company or Affiliates. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the applicable Award Agreement, need not be uniform among all Awards of Cash-Based Awards and Stock-Based Awards issued under this Plan, and may reflect distinctions based on the reasons for termination.

10.7 Nontransferability of Cash-Based Awards and Stock-Based Awards. Except as otherwise provided in a Participant's Award Agreement at the time of grant or thereafter by the Committee, Cash-Based Awards and Stock-Based Awards may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution.

Article 11.

Performance Measures

Despite any other terms of this Plan, the vesting, payment, or value (as determined by the Committee) of each Award other than an Option or SAR that, at the time of grant, the Committee intends to be Performance-Based Compensation to an Insider shall be determined by the attainment of one or more Performance Goals as determined by the Committee in conformity with Section 162(m) of the Code. The Committee shall specify in writing, by resolution or otherwise, the Participants eligible to receive such an Award (which may be expressed in terms of a class of individuals) and the Performance Goal(s) applicable to such Awards within ninety (90) days after the commencement of the period to which the Performance Goal(s) relate(s) or such earlier time as required to comply with Section 162(m) of the Code. No such Award shall be payable unless the Committee certifies in writing, by resolution or otherwise, that the Performance Goal(s) applicable to the Award were satisfied. In no case may the Committee increase the value of an Award of Performance-Based Compensation above the maximum value determined under the performance formula by the attainment of the applicable Performance Goal(s), but the Committee may retain the discretion to reduce the value below such maximum.

Unless and until the Committee proposes for shareholder vote and the shareholders approve a change in the general Performance Measures set forth in this Article 11, the Performance Goal(s) on which the payment or vesting of an Award to an Insider that is intended to qualify as Performance-Based Compensation shall be limited to the following Performance Measures:

- (a) Net earnings or net income (before or after taxes);
- (b) Earnings per share;
- (c) Net operating profit;
- (d) Operating earnings;
- (e) Operating earnings per share;
- (f) Return measures (including, but not limited to, return on assets, capital, equity, or sales);
- (g) Cash flow (including, but not limited to, operating cash flow, free cash flow, and cash flow return on capital);
- (h) Earnings before or after taxes, interest, depreciation, and/or amortization and including/excluding capital gains and losses;

Table of Contents

- (i) Gross or operating margins;
- (j) Share price (including, but not limited to, growth measures and total shareholder return);
- (k) Margins;
- (l) Operating efficiency;
- (m) Customer satisfaction;
- (n) Employee satisfaction;
- (o) Working capital targets;
- (p) Revenue growth; and
- (q) Growth of Assets

Any Performance Measure (s) may be used to measure the performance of the Company as a whole or any business unit of the Company or any combination thereof, as the Committee may deem appropriate, or any of the above Performance Measures as compared to the performance of a group of comparator companies, or published or special index that the Committee, in its sole discretion, deems appropriate. In the Award Agreement, the Committee also has the authority to provide for accelerated vesting of any Award based on the achievement of Performance Goal(s).

The Committee may provide in any Award Agreement that any evaluation of attainment of a Performance Goal may include or exclude any of the following events that occurs during the relevant period: (a) asset write-downs; (b) litigation or claim judgments or settlements; (c) the effect of changes in tax laws, accounting principles, or other laws or provisions affecting reported results; (d) any reorganization and restructuring programs; (e) extraordinary nonrecurring items as described in Accounting Principles Board Opinion No. 30 and/or in management's discussion and analysis of financial condition and results of operations appearing in the Company's annual report to shareholders for the applicable year; (f) acquisitions or divestitures; and (g) foreign exchange gains and losses. To the extent such inclusions or exclusions affect Awards to Insiders, they shall be prescribed in a form that meets the requirements of Section 162(m) of the Code for deductibility for federal income tax purposes.

In the event that applicable tax and/or securities laws change to permit Committee discretion to alter the governing Performance Measures without obtaining shareholder approval of such changes, the Committee shall have sole discretion to make such changes without obtaining shareholder approval. In addition, in the event that the Committee determines that it is advisable to grant Awards to Insiders that shall not qualify as Performance-Based Compensation, the Committee may make such grants without satisfying the requirements of Code Section 162(m).

Article 12.

Beneficiary Designation

A Participant's beneficiary is the person or persons entitled to receive payments or other benefits or exercise rights that are available under this Plan in the event of the Participant's death. A Participant may designate a beneficiary or change a previous beneficiary designation at such times prescribed by the Committee by using forms and following procedures approved or accepted by the Committee for that purpose. If no beneficiary designated by the Participant is eligible to receive payments or other benefits or exercise rights that are available under this Plan at the Participant's death the beneficiary shall be the Participant's estate.

Despite the above, the Committee may in its discretion, after notifying the affected Participants, modify the foregoing requirements, institute additional requirements for beneficiary designations, or suspend the existing beneficiary designations of living Participants or the process of determining beneficiaries under this Article 12, or both, in favor of another method of determining beneficiaries.

Article 13.

Rights of Employees

Edgar Filing: UNIT CORP - Form DEF 14A

13.1 Employment. Nothing in this Plan or an Award Agreement shall interfere with or limit in any way the right of the Company or an Affiliate to terminate any Participant's employment or other service relationship at any time,

nor confer on any Participant any right to continue in the capacity in which he or she is employed or otherwise serves the Company or an Affiliate.

Neither an Award nor any benefits arising under this Plan shall constitute part of an employment contract with the Company or an Affiliate and, accordingly, subject to the terms of this Plan, this Plan may be terminated or modified at any time in the sole and exclusive discretion of the Committee without giving rise to liability on the part of the Company or an Affiliate for severance payments or otherwise except as provided in this Plan.

For purposes of this Plan, unless otherwise provided by the Committee, transfer of employment of a Participant between the Company and an Affiliate or among Affiliates, shall not be deemed a termination of employment. The Committee may stipulate in a Participant's Award Agreement or otherwise the conditions under which a transfer of employment or Agency to an entity that is spun-off from the Company or an Affiliate, if any, shall not be deemed a termination of employment for purposes of an Award.

13.2 Participation. No Employee shall have the right to be selected to receive an Award. No Employee, having been selected to receive an Award, shall have the right to be selected to receive a future Award or (if selected to receive such a future Award) the right to receive such a future Award on terms and conditions identical or in proportion in any way to any prior Award.

13.3 Rights as a Shareholder. Except to the extent otherwise provided in an Award Agreement, a Participant shall have none of the rights of a shareholder with respect to Shares covered by any Award until the Participant becomes the record holder of such Shares.

Article 14.

Change of Control

14.1 Accelerated Vesting and Payment. Subject to the provisions of Section 14.2 or as otherwise provided in the Award Agreement, in the event of a Change of Control, unless otherwise specifically prohibited under law or by the rules and regulations of a national security exchange:

(a) Any and all Options and SARs granted under this Plan shall become immediately exercisable; additionally, if a Participant's employment is involuntarily terminated for any reason except Cause within twelve (12) months of such Change in Control, the Participant shall have until the earlier of (i) twelve (12) months following such termination date, or (ii) the term of the Option or SAR, to exercise such Options or SARs;

(b) Any Period of Restriction and other restrictions imposed on Restricted Stock or Restricted Stock Units shall lapse, and Restricted Stock Units shall be immediately payable;

(c) The target payout opportunities attainable under all outstanding Awards of performance-based Restricted Stock, performance-based Restricted Stock Units, Performance Units, and Performance Shares (including but not limited to Awards intended to be Performance-Based Compensation) shall be deemed to have been fully earned based on targeted performance being attained as of the effective date of the Change of Control:

(i) The vesting of all Awards denominated in Shares shall be accelerated as of the effective date of the Change of Control, and shall be paid out to Participants within thirty (30) days following the effective date of the Change of Control; and

(ii) Awards denominated in cash shall be paid to Participants in cash within thirty (30) days following the effective date of the Change of Control; and

(d) On a Change of Control, unless otherwise specifically provided in a written agreement entered into between the Participant and the Company or an Affiliate, the Committee shall immediately vest and pay out all Cash-Based Awards and Other Stock-Based Awards as determined by the Committee.

14.2 Alternative Awards. Despite Section 14.1, no cancellation, acceleration of vesting, lapsing of restrictions, payment of Award, cash settlement or other payment shall occur with respect to any Award if the Committee reasonably determines in good faith before the occurrence of a Change of Control that such Award shall be honored or assumed, or new rights substituted therefor (such honored, assumed or substituted Award hereinafter called an Alternative Award) by any successor as described in Article 17; provided that any such Alternative Award must:

Edgar Filing: UNIT CORP - Form DEF 14A

(a) Be based on stock which is traded on an established U.S. securities market, or that the Committee reasonably believes will be so traded within sixty (60) days after the Change of Control;

(b) Provide such Participant with rights and entitlements substantially equivalent to or better than the rights, terms and conditions applicable under such Award, including, but not limited to, an identical or better exercise or vesting schedule and identical or better timing and methods of payment;

(c) Have substantially equivalent economic value to such Award (determined at the time of the Change of Control); and

(d) Have terms and conditions which provide that in the event that the Participant's employment is involuntarily terminated or Constructively Terminated, any conditions on a Participant's rights under, or any restrictions on transfer or exercisability applicable to, each such Alternative Award shall be waived or shall lapse, as the case may be.

Article 15.

Amendment, Modification, Suspension, and Termination

15.1 Amendment, Modification, Suspension, and Termination. The Committee or Board may, at any time and from time to time, alter, amend, modify, suspend, or terminate this Plan in whole or in part; provided however, that:

(a) Without the prior approval of the Company's shareholders, Options and SARs issued under this Plan will not be repriced, replaced, or regranted through cancellation or by lowering the exercise price of a previously granted Option.

(b) To the extent necessary under any applicable law, regulation or exchange requirement, no amendment shall be effective unless approved by the shareholders of the Company in accordance with applicable law, regulation, or exchange requirement.

15.2 Adjustment of Awards on the Occurrence of Certain Unusual or Nonrecurring Events. The Committee may make adjustments in the terms and conditions of, and the criteria included in, Awards in recognition of unusual or nonrecurring events (including, without limitation, the events described in Section 4.2 hereof) affecting the Company or the financial statements of the Company or of changes in applicable laws, regulations, or accounting principles, whenever the Committee determines that such adjustments are appropriate in order to prevent unintended dilution or enlargement of the benefits or potential benefits intended to be made available under this Plan. The determination of the Committee as to the foregoing adjustments, if any, shall be conclusive and binding on Participants under this Plan. To the extent such adjustment affects Awards to Insiders intended to be Performance-Based Compensation, they shall be prescribed in a form that meets the requirements of Section 162(m) of the Code for deductibility for federal income tax purposes.

15.3 Awards Previously Granted. Despite any other provision of this Plan to the contrary, no termination, amendment, suspension, or modification of this Plan shall adversely affect in any material way any Award previously granted under this Plan, without the written consent of the Participant holding such Award.

Article 16.

Withholding

The Company or any Affiliate shall have the power and the right to deduct or withhold, or require a Participant to remit to the Company or any Affiliate, an amount sufficient to satisfy federal, state, and local taxes, domestic or foreign (including the Participant's FICA obligation), required by law or regulation to be withheld with respect to any taxable event arising or as a result of this Plan. The Committee may provide for Participants to satisfy withholding requirements by having the Company withhold Shares or the Participant making such other arrangements, in either case on such conditions as the Committee specifies.

Article 17.

Successors

Any obligations of the Company or an Affiliate under this Plan with respect to Awards granted under this Plan, shall be binding on any successor to the Company or Affiliate, respectively, whether the existence of such successor is the result

of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company or Affiliate, as applicable.

Article 18.

General Provisions

18.1 Forfeiture Events. Without limiting in any way the generality of the Committee's power to specify any terms and conditions of an Award consistent with law, and for greater clarity, the Committee may specify in an Award Agreement that the Participant's rights, payments, and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture, or recoupment on the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions of an Award. **Such** events shall include, but shall not be limited to, failure to accept the terms of the Award Agreement, termination of employment under certain or all circumstances, violation of material Company and Affiliate policies, breach of noncompetition, confidentiality, nonsolicitation, noninterference, corporate property protection, or other agreement that may apply to the Participant, or other conduct by the Participant that is detrimental to the business or reputation of the Company and Affiliates.

18.2 Legend. The certificates for Shares may include any legend that the Committee deems appropriate to reflect any restrictions on transfer of such Shares.

18.3 Delivery Of Title. The Company shall have no obligation to issue or deliver evidence of title for Shares issued under this Plan before:

- (a) Obtaining any approvals from governmental agencies that the Company determines are necessary or advisable; and
- (b) Completion of any registration or other qualification of the Shares under any applicable national or foreign law or ruling of any governmental body that the Company determines to be necessary or advisable.

18.4 Investment Representations. The Committee may require each Participant receiving Shares under an Award under this Plan to represent and warrant in writing that the Participant is acquiring the Shares for investment and without any present intention to sell or distribute such Shares.

18.5 Employees Based Outside of The United States. Without limiting in any way the generality of the Committee's powers under this Plan, including but not limited to the power to specify any terms and conditions of an Award consistent with law, in order to comply with the laws in other countries in which the Company or an Affiliate operates or has Employees, the Committee, in its sole discretion, shall have the power and authority, notwithstanding any provision of this Plan to the contrary, to:

- (a) Determine which Affiliates shall be covered by this Plan;
- (b) Determine which Employees outside the United States are eligible to participate in this Plan;
- (c) Modify the terms and conditions of any Award granted to Employees outside the United States to comply with applicable foreign laws;
- (d) Establish subplans and modify exercise procedures and other terms and procedures, to the extent such actions may be necessary or advisable. Any subplans and modifications to Plan terms and procedures established under this Section 18.5 by the Committee shall be attached to this Plan document as appendices; and
- (e) Take any action, before or after an Award is made, that it deems advisable to obtain approval or comply with any necessary local government regulatory exemptions or approvals.

Despite the above, the Committee may not take any actions under this Plan and no Awards shall be granted that would violate the Exchange Act, the Code, any securities law, or governing statute or any other applicable law.

18.6 Uncertificated Shares. To the extent that this Plan provides for issuance of certificates to reflect the transfer of Shares, the transfer of such Shares may be effected on a noncertificated basis to the extent not prohibited by applicable law or the rules of any stock exchange.

Table of Contents

18.7 Unfunded Plan. Participants shall have no right, title, or interest whatsoever in or to any investments that the Company or an Affiliate may make to aid it in meeting its obligations under this Plan. Nothing contained in this Plan, and no action taken under its provisions, shall create or be construed to create a trust of any kind, or a fiduciary relationship between the Company or an Affiliate and any Participant, beneficiary, legal representative, or any other person. Awards shall be general, unsecured obligations of the Company, except that if an Affiliate signs an Award Agreement instead of the Company the Award shall be a general, unsecured obligation of the Affiliate and not any obligation of the Company. To the extent that any individual acquires a right to receive payments from the Company or an Affiliate, such right shall be no greater than the right of an unsecured general creditor of the Company or Affiliate, as applicable. All payments to be made under this Plan shall be paid from the general funds of the Company or Affiliate, as applicable, and no special or separate fund shall be established and no segregation of assets shall be made to assure payment of such amounts except as expressly set forth in this Plan. This Plan is not intended to be subject to ERISA.

18.8 No Fractional Shares. No fractional Shares shall be issued or delivered under this Plan or any Award Agreement. In such an instance, unless the Committee determines otherwise, fractional Shares and any rights thereto shall be forfeited or otherwise eliminated.

18.9 Other Compensation and Benefit Plans. Nothing in this Plan shall be construed to limit the right of the Company or an Affiliate to establish other compensation or benefit plans, programs, policies, or arrangements. Except as may be otherwise specifically stated in any other benefit plan, policy, program, or arrangement, no Award shall be treated as compensation for purposes of calculating a Participant's rights under any such other plan, policy, program, or arrangement.

18.10 No Constraint on Corporate Action. Nothing in this Plan shall be construed (i) to limit, impair or otherwise affect the Company's or an Affiliate's right or power to make adjustments, reclassifications, reorganizations or changes of its capital or business structure, or to merge or consolidate, or dissolve, liquidate, sell, or transfer all or any part of its business or assets, or (ii) to limit the right or power of the Company or an Affiliate to take any action which such entity deems to be necessary or appropriate.

Article 19.

Legal Construction

19.1 Gender And Number. Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine, the plural shall include the singular, and the singular shall include the plural.

19.2 Severability. In the event any provision of this Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of this Plan, and this Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

19.3 Requirements of Law. The granting of Awards and the issuance of Shares under this Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required. The Company or an Affiliate shall receive the consideration required by law for the issuance of Awards under this Plan.

The inability of the Company or an Affiliate to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's or the Affiliate's counsel to be necessary to the lawful issuance and sale of any Shares under this Plan, shall relieve the Company or Affiliate of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

19.4 Governing Law. This Plan and each Award Agreement shall be governed by the laws of the State of Oklahoma, excluding any conflicts or choice of law rule or principle that might otherwise refer construction or interpretation of this Plan to the substantive law of another jurisdiction.
