**PROXY STATEMENT**

**ANNUAL MEETING OF SHAREHOLDERS**

**GENERAL**

**Introduction**

The annual meeting (the Meeting ) of shareholders of The Bancorp, Inc. (the Company ) will be held on Monday, May 22, 2006, at 9:00 A.M., Philadelphia time, at 1818 Market Street, 28<sup>th</sup> Floor, Philadelphia, PA 19103 for the purposes set forth in the accompanying notice. Only shareholders of record at the close of business on March 27, 2006 will be entitled to notice of and to vote at such Meeting.

This statement is furnished in connection with the solicitation by the Board of Directors of the Company (the Board of Directors ) of proxies from holders of the Company s common stock, par value \$1.00 per share (the Common Shares ) and the Company s Series A preferred stock, par value \$.01 per share (the Preferred Shares ), to be used at such Meeting, and at any and all adjournments thereof. Proxies in the accompanying form, properly executed and duly returned to the Company, and not revoked, will be voted at the Meeting and any and all adjournments thereof.

This proxy statement and the accompanying form of proxy will be sent on or about April 25, 2006 to shareholders of record as of March 27, 2006.

**Revocation of Proxy**

If a proxy in the accompanying form is executed and returned, it may nevertheless be revoked at any time before its exercise by giving written notice of revocation to the Secretary of the Company at its Wilmington address stated herein, by submitting a later dated proxy or by attending the Meeting and voting in person.

**Expenses and Manner of Solicitation**

The cost of soliciting proxies will be borne by the Company. Directors, officers and regular employees of the Company may solicit proxies either personally, by letter or by telephone. Such directors, officers and employees will not be specifically compensated for soliciting such proxies. The Company expects to reimburse banks, brokers, and other persons for their reasonable out-of-pocket expenses in handling proxy materials for beneficial owners of the Common Shares.

**VOTING AT THE MEETING**

At the Meeting, only those holders of Common Shares and Preferred Shares at the close of business on March 27, 2006, the record date, will be entitled to vote. As of the record date, 13,646,624 Common Shares and 130,703 Preferred Shares were outstanding. Each holder is entitled to one vote per share on each matter of business properly brought before the Meeting. Shareholders do not have cumulative voting rights.

The presence at the Meeting in person or by proxy of holders of outstanding Common Shares and Preferred Shares entitled to cast a majority of all the votes entitled to be cast at the meeting will constitute a quorum. In order to be elected as a director as described in Proposal 1 below, a nominee must receive a plurality of all the votes cast at the Meeting at which a quorum is present, which means that the nominees with the most votes are elected. The affirmative vote of the holders of at least a majority of the votes cast at the Meeting at which a quorum is present is required to approve the selection of Grant Thornton LLP as the Company's independent public accountants as described in Proposal 2 below. For any other matter which may properly come before the meeting, the affirmative vote of the holders of at least a majority of the votes cast at the Meeting at which a quorum is present is required, either in person or by proxy, for approval, unless otherwise required by law.

Any proxy not specifying to the contrary, and not designated as a broker non-vote as described below, will be voted FOR:

the election of the directors; and

the approval of the selection of Grant Thornton LLP as independent registered public accounting firm for the Company for the fiscal year ending December 31, 2006.

Should any matters not described above be properly presented at the meeting, the persons named in the proxy form will vote in accordance with their judgment. The proxy form authorizes these persons, in their discretion, to vote upon such matters as may properly be brought before the meeting or any adjournment, postponement or continuation thereof.

Common Shares and Preferred Shares represented at the Meeting in person or by proxy but not voted on one or more proposals will be included in determining the presence of a quorum, but will not be considered cast on any proposal on which they were not voted. A failure by brokers to vote Common Shares or Preferred Shares held by them in nominee name will mean that such Common Shares or Preferred Shares will not be counted for the purposes of establishing a quorum and will not be voted. If a broker does not receive voting instructions from the beneficial owner of Common Shares or Preferred Shares on a particular matter and indicates on the proxy delivered with respect to such shares that it does not have discretionary authority to vote on that matter, which is referred to as a broker non-vote, those shares will be considered as present for the purpose of determining whether a quorum exists, but will not be considered cast on any proposal on which they were not voted. Brokers who hold Common Shares or Preferred Shares in street name for customers generally have the discretion to vote those shares with respect to certain matters, including the election of directors and the approval of the selection of accountants, if they have not received instructions from the beneficial owners. With respect to the election of directors described in Proposal 1 below, votes that are withheld and broker non-votes will not be included in the vote. With respect to the approval of the selection of Grant Thornton LLP described in Proposal 2 below or with respect to any other matter properly brought before the Meeting requiring the affirmative vote of the holders of at least a majority of the votes cast at the Meeting at which a quorum is present, either in person or by proxy, for approval, (a) abstentions will be counted as votes cast on any matter and will have the effect of a vote against the relevant proposal and (b) broker non-votes will not be counted as votes cast on any matter, and will have no effect on the results of the votes with respect to such proposals and other matters.

### SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth the number and percentage of the Company's Common Shares owned as of March 27, 2006 by each of the Company's directors and executive officers, all of the directors and executive officers as a group and other persons who beneficially own more than 5% of the outstanding voting securities. The table also sets forth the percentage of Common Shares owned by such persons assuming full conversion of the Common Shares. No such person holds any Preferred Shares. This information is reported in accordance with the beneficial ownership rules of the Securities and Exchange Commission under which a person is deemed to be the beneficial owner of a security if that person has or shares voting power or investment power with respect to such security or has the right to acquire such ownership within 60 days. Shares issuable pursuant to options or warrants are deemed to be outstanding for purposes of computing the percentage of the person or group holding such options or warrants but are not deemed to be outstanding for purposes of computing the percentage of any other person.

**PROPOSAL 1. ELECTION OF DIRECTORS**

**Directors**

The By-Laws of the Company provide that the number of directors shall be fixed by the Board of Directors. The Board of Directors has fixed the number of directors at twelve. All directors are elected for a term of one year or until their successors are elected and qualified. The Board of Directors, upon the recommendation of its Nominating and Governance Committee, has nominated Betsy Z. Cohen, D. Gideon Cohen, Walter T. Beach, Michael J. Bradley, Matthew Cohn, Leon A. Huff, William H. Lamb, Frank M. Mastrangelo, James J. McEntee III, Linda Schaeffer, Joan Specter and Steven Stein for election at the Meeting for a term to expire at the 2007 annual meeting or until their successors are elected or appointed.

It is the intention of the persons named in the enclosed proxy, in the absence of a contrary direction, to vote for the election of all of the current directors. Should any of the nominees become unable or refuse to accept nomination or election as a director, the persons named as proxies intend to vote for the election of such other person as the Nominating and Governance Committee of the Board of Directors may recommend. The Board of Directors knows of no reason why any of the nominees might be unable or refuse to accept nomination or election.

Information is set forth below regarding the principal occupation of each nominee. Gideon Cohen, who is currently the Chairman of the Board of Directors and the Chairman of the Executive Committee of the Board of Directors is the son of Betsy Z. ### **Compensation Committee**

The Compensation Committee is appointed by the Board of Directors to have direct responsibility for approving the compensation of the Chief Executive Officer and certain other officers and the non-management directors of the Company as described in Compensation Committee Report on Executive Compensation below. At all times during 2005, the Compensation Committee has had direct responsibility for (a) administering the Company's equity-based compensation plans and (b) reviewing any extraordinary compensatory payments to any employee of the Company.

### **Compensation Committee Interlocks and Insider Participation**

None of the members of the Compensation Committee was formerly an officer of the Company or any of its subsidiaries or was, during fiscal 2005, an officer or employee of the Company or any of its subsidiaries. No executive officer of the Company was a director of another entity, any of whose executive officers served on the Company's Compensation Committee. No executive officer of the Company was a member of the compensation committee (or other board committee performing equivalent functions or, in the absence of any such committee, the entire board of directors) of another entity, any of whose executive officers served on the Board of Directors or Compensation Committee.

### **Compensation Committee Report on Executive Compensation**

In 2005 the Compensation Committee set the compensation for the Company's Chief Executive Officer, President, Chief Financial Officer and Chairman, as well as the compensation for the non-management directors.

The Company seeks to offer competitive compensation to attract, motivate, retain and reward executive officers. It does this principally through base salaries and, to a significantly lesser extent, bonuses. It determines base salaries with a view to prevailing compensation trends in the industry for similarly situated persons and banking institutions. It uses cash bonuses to provide incentives to executive officers and others in relation to specific projects or strategic goals, or with respect to additional responsibilities assumed. The Company's compensation decisions are discretionary and are based upon subjective factors. It does not use a mathematical or similar objective formula to determine any compensation package. In order to encourage decision-making that maximizes long-term shareholder value, the Company has adopted a stock option plan to provide long-term equity-based incentives.

### ***Chief Executive Officer Compensation***

The Compensation Committee annually reviews the Company's performance, evaluates the Chief Executive Officer's contributions to that performance and sets the Chief Executive Officer's compensation level based on this evaluation, the other factors discussed below and in accordance with the terms of the Chief Executive Officer's employment agreement with the Company. In determining the long-term incentive component of Chief Executive Officer compensation, the Compensation Committee considers the Company's financial performance and relative shareholder return, the value of similar incentive awards to Chief Executive Officers at comparable companies and the awards given to the Chief Executive Officer in past years. The Chief Executive Officer's salary for 2005 was set by the Compensation Committee based, in part, upon the successful execution of the Company's capital restructuring plan, which included negotiation of the prepayment of the Company's trust preferred securities and the conversion of its preferred stock, and in part upon the Company's loan and deposit growth, in particular the growth of the commercial loan portfolio, the reduction in the Company's efficiency ratio, and the increase in the Company's earnings per share.

### ***No Incorporation By Reference***

The Compensation Committee of the Board of Directors of the Company has provided this report. This report and related disclosure shall not be deemed incorporated by reference by any general statement incorporating this Proxy Statement into any filing under the Acts, except to the extent the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

Members of the Compensation Committee:

Walter T. Beach, Chairman

William H. Lamb

Joan Specter

### **Nominating and Governance Committee**

The Nominating and Governance Committee is appointed by the Board of Directors to (a) assist the Company and the Board of Directors in maintaining an effective and knowledgeable Board of Directors, including assisting the Board of Directors by identifying individuals qualified to become directors and recommending to the Board of Directors the director nominees for the next annual meeting of shareholders and the directors to be appointed to each committee, and (b) develop and recommend for the Board of Director's consideration governance guidelines for the Company. All of the members of this committee have been determined by the Board of Directors to be independent under applicable NASD listing standards.

The Nominating and Governance Committee will consider candidates for nomination as a director recommended by shareholders, directors, officers, third party search firms and other sources. In evaluating candidates, the Nominating and Governance Committee considers the attributes of the candidate (including skills, experience, diversity, age, and legal and regulatory requirements) and the needs of the Board of Directors, and will review all candidates in the same manner, regardless of the source of the recommendation. The Nominating and Governance Committee will consider individuals recommended by shareholders for nomination as a director in accordance with the procedures described under Shareholder Proposals and Nominations.

The Nominating and Governance Committee has not adopted specific, minimum qualifications or specific qualities or skills that must be met by a Nominating and Governance Committee-recommended nominee. The Nominating and Governance Committee seeks to insure that the membership of the Board of Directors and each committee of the Board of Directors satisfies all relevant NASDAQ listing standards and applicable laws and regulations and all requirements of the Company's governance documents. The Nominating and Governance Committee seeks to achieve a mixture of skills which are all related to the Company's business. The nature of the specific qualifications, qualities or skills that the Nominating and Governance Committee may look for in any particular director nominee is dependent on the qualifications, qualities and skills of the rest of the directors at the time of any vacancy on the Board of Directors.

The Company has adopted a written charter for the Nominating and Governance Committee. The Nominating and Governance Committee Charter is available on the Company's website at [www.thebancorp.com](http://www.thebancorp.com). A copy of the Nominating and Governance Committee Charter may also be obtained, free of charge, by writing to The Bancorp, Inc., 1818 Market Street, 28th Floor, Philadelphia, PA 19103, Attention: Investor Relations.

**Employment Agreements**

On April 20, 2005, the Company entered into an employment agreement with Betsy Z. Cohen, its Chief Executive Officer. The agreement has an effective date of January 1, 2005. The agreement with Mrs. Cohen provides that she will devote such time to the Company as is reasonably required to fulfill her duties. Under the agreement, Mrs. Cohen will receive an annual base salary to be determined by the Compensation Committee. Mrs. Cohen is also eligible for bonuses as determined by the Compensation Committee. The agreement has a term of five years that is automatically renewed so that, on any day that the agreement is in effect, it will have a then current term of five years. The Company may terminate Mrs. Cohen without cause or Mrs. Cohen may resign for good reason upon sixty days notice. Additionally, upon or after a change of control of the Company, the Company may terminate Mrs. Cohen without cause or she may resign for good reason upon sixty days notice. Upon any such termination or resignation, Mrs. Cohen will be entitled to receive only the amount due her under the Company's severance pay plans, if any; provided that, if she executes a mutual release of claims with the Company, she will receive (a) a lump sum cash payment equal to one month of her base salary for each month she was employed by the Company, up to a maximum of five years, at the rate in effect immediately before her termination, and (b) a pro rated bonus, if any, for the year in which the termination occurs. Mrs. Cohen may also resign upon thirty days notice in which event no further payments are due other than accrued benefits. If Mrs. Cohen is disabled for ninety consecutive days in any twelve month period, the Company may terminate her

employment. If Mrs. Cohen's employment terminates on account of disability, (a) the vesting of the SERP described below will accelerate if the termination occurs at any time after January 1, 2008, (b) Mrs. Cohen will receive any amounts of salary or bonus earned, accrued and owing but not paid and (c) Mrs. Cohen will receive a pro rated bonus, if any, for the year in which the termination occurs. If Mrs. Cohen dies during her term of employment, the Company must pay her estate all amounts of salary and bonus earned, accrued and owing but not paid and a pro rated bonus, if any, for the year in which death occurs. The Company may terminate Mrs. Cohen's employment at any time for cause. Upon any such termination for cause, Mrs. Cohen shall be entitled to any base salary and benefits accrued and earned before her termination.

The agreement defines "cause," generally, as conviction of a felony, intentional and continuous failure to substantially perform duties or a breach of the confidentiality and intellectual property provisions of the agreement. The agreement defines "good reason," generally, as the Company demoting Mrs. Cohen or materially reducing her duties, the Company requiring Mrs. Cohen to be based outside of Philadelphia, Pennsylvania, the failure of Mrs. Cohen to be elected to the Board of Directors or a material breach of the agreement by the Company. The agreement defines a "change of control," generally, as having occurred if (a) any person becomes a beneficial owner of securities representing more than 25% of the voting power of the then outstanding securities or (b) the consummation of (i) a merger or consolidation of the Company where the directors of the Company immediately before the transaction constitute less than a majority of the board of directors of the surviving corporation or (ii) a sale or other disposition of all or substantially all of the assets of the Company or (c) during a period of two consecutive years, the incumbent directors cease for any reason to constitute at least two-thirds of the Board of Directors, provided that if either the election or nomination of any new director was approved by a vote of at least two-thirds of the incumbent directors before such election or nomination, the new director will be considered a member of the incumbent directors.

The employment agreement provides for the establishment of a SERP for Mrs. Cohen. Mrs. Cohen will be fully vested in the amount of the SERP benefit earned and the benefit will be fully accrued upon her attainment of age 70, upon the occurrence of a change of control or in the event that she is terminated by the Company without cause or resigns for good reason, as defined above. The employment agreement requires the Company to establish a trust to serve as the funding vehicle for the SERP benefits and to make contributions to the trust in such amounts or in such number of the Common Shares as the Company reasonably determines to be sufficient to provide the present value of the benefit as accrued at the time of the contribution. The value of this benefit is 100% of the average of Mrs. Cohen's base salary over the 36 months during the term that provides the highest average except that the average may not exceed \$300,000 nor be less than \$150,000. Upon a change of control of the Company, the Company has agreed to immediately contribute to the trust an amount sufficient to permit the full payment of the SERP benefit due to Mrs. Cohen at age 70. Notwithstanding the establishment of a trust, the Company's obligation to pay the benefit constitutes a general, unsecured obligation of the Company, payable out of its general assets, and the assets of the trust will be available to pay the claims of the Company's creditors.
