PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS

The accompanying proxy is solicited by the Board of Directors of Accredited Home Lenders Holding Co., a Delaware corporation (Accredited or the Company), for use at our annual meeting of stockholders to be held on June 8, 2006, or any adjournment or postponement thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. This proxy statement and the enclosed proxy are being mailed to stockholders on or about May 5, 2006.

SOLICITATION AND VOTING

Voting Securities. Only stockholders of record as of the close of business on April 21, 2006 will be entitled to vote at the meeting and any adjournment thereof. As of that time, we had 21,501,681 shares of common stock outstanding, all of which are entitled to vote with respect to all matters to be acted upon at the annual meeting. Each stockholder of record as of that date is entitled to one vote for each share of common stock held by him or her. Our Bylaws provide that a majority of all of the shares of the stock entitled to vote, whether present in person or represented by proxy, shall constitute a quorum for the transaction of business at the meeting. Votes for and against a proposal, abstentions and broker non-votes will each be counted as shares present for purposes of determining the presence of a quorum.

Broker Non-Votes. A broker non-vote occurs when a broker submits a proxy card with respect to shares held in a fiduciary capacity (typically referred to as being held in street name) but declines to vote on a particular matter because the broker has not received voting instructions from the beneficial owner. Under the rules that govern brokers who are voting with respect to shares held in street name, brokers have the discretion to vote such shares on routine matters, but not on non-routine matters. Routine matters include the election of directors, increases in authorized common stock for general corporate purposes and ratification of auditors. Non-routine matters include amendments to stock plans.

Solicitation of Proxies. We will bear the cost of soliciting proxies. In addition to soliciting stockholders by mail and through our employees, we will request banks, brokers and other custodians, nominees and fiduciaries to solicit customers for whom they hold our stock and will reimburse them for their reasonable, out-of-pocket costs. We may use the services of our officers, directors and others to solicit proxies, personally or by telephone, without additional compensation. In addition, we have retained Morrow & Co., Inc., a proxy solicitation firm, for assistance in connection with the annual meeting at a cost of approximately \$6,500.00 plus reasonable out-of-pocket expenses.

Voting of Proxies. All valid proxies received before the meeting will be exercised. All shares represented by a proxy will be voted, and where a proxy specifies a stockholder's choice with respect to any matter to be acted upon, the shares will be voted in accordance with that specification. If no choice is indicated on the proxy, the shares will be voted for each proposal. A stockholder giving a proxy has the power to revoke his or her proxy at any time before it is exercised by delivering to the Secretary of Accredited Home Lenders Holding Co. a written instrument revoking the proxy or a duly executed proxy with a later date, or by attending the meeting and voting in person.

Table of Contents**PROPOSAL NO. 1****ELECTION OF DIRECTORS**

We have a classified Board of Directors (the Board) currently consisting of three Class I directors, two Class II directors and two Class III directors, who will serve until the annual meetings of stockholders to be held in 2007, 2008 and 2009, respectively, and until their respective successors are duly elected and qualified. At each annual meeting of stockholders, directors are elected for a term of three years to succeed those directors whose terms expire at the date of that annual meeting. The Board's nominees for election by the stockholders at our 2006 annual meeting are the current Class III members of the Board, Jody A. Gunderson and Richard T. Pratt. If elected, the nominees will serve as directors until our Annual Meeting of Stockholders in 2009 and until their successors are elected and qualified. If any of the nominees declines to serve or becomes unavailable for any reason, or if an additional vacancy occurs before the election (although we know of no reason to anticipate that this will occur), the proxies may be voted for such substitute nominees as our Board of Directors may designate.

As previously announced, Ray W. McKewon retired as our Executive Vice President, Secretary and a Class II director on July 15, 2005. Following Mr. McKewon's retirement, the Board reduced the size of the Board to seven directors, as permitted by our Amended and Restated Certificate of Incorporation and Bylaws.

If a quorum is present and voting, the two nominees for Class III director receiving the highest number of votes will be elected as Class III directors. Abstentions and broker non-votes have no effect on the result of the vote; however, abstentions and broker non-votes will be counted as shares present for purposes of determining the presence of a quorum. In the event a nominee receives more withhold votes than votes in favor, the Nominating and Corporate Governance Committee will evaluate the appropriateness of the director's continued service on the Board, as discussed more fully below under the heading Majority Vote Policy.

The Board of Directors recommends a vote FOR the nominees named above.

The following table sets forth, for our current directors, including the Class III nominees proposed to be elected at this meeting, information with respect to their ages and background.

Board Meetings and Committees

During the last fiscal year, no director attended fewer than 75% of the total number of meetings of the Board and all of the committees of the Board on which such director served during that period.

Table of Contents

Audit Committee. The members of the Audit Committee during fiscal 2005 were Ms. Gunderson, Mr. Espy and Dr. Pratt. Each of the members of the Audit Committee satisfies applicable independence requirements as defined by the NASDAQ Marketplace rules. The Audit Committee acts pursuant to a written charter adopted by the Board of Directors. The functions of the Audit Committee include retaining our independent registered public accounting firm, reviewing their independence, reviewing and approving the planned scope of our annual audit, reviewing and approving any fee arrangements with our auditors, overseeing their audit work, reviewing and pre-approving any non-audit services that may be performed by them, reviewing the adequacy of accounting and financial controls, reviewing our critical accounting policies and reviewing and approving any related party transactions. The Board has determined that Ms. Gunderson is an audit committee financial expert, as defined in the rules of the Securities and Exchange Commission (the "SEC"), due to her professional experience described above. The Audit Committee held eleven meetings during the 2005 fiscal year.

Compensation Committee. The members of the Compensation Committee during fiscal 2005 were Mr. Berglund, Mr. Espy and Mr. Erickson. Each of the members of the Compensation Committee satisfies applicable independence requirements as defined by the NASDAQ Marketplace rules. The Compensation Committee sets the salary and bonus earned by the Chief Executive Officer, reviews and approves salary and bonus levels for other executive officers and approves stock option grants to executive officers. The Compensation Committee held six meetings during the 2005 fiscal year.

Nominating and Corporate Governance Committee. The members of the Nominating and Corporate Governance Committee (the "Governance Committee") during fiscal 2005 were Mr. Berglund, Mr. Erickson and Dr. Pratt. Each of the members of the Governance Committee satisfies applicable independence requirements as defined by the NASDAQ Marketplace rules. The Governance Committee considers qualified candidates for appointment and nomination for election to the Board and makes recommendations concerning such candidates, develops corporate governance principles for recommendation to the Board and oversees the regular evaluation of our directors and management. The Governance Committee held five meetings during the 2005 fiscal year. The Governance Committee will consider nominees recommended by stockholders. See "Director Nominations" for a description of the procedures to be followed in submitting recommendations.

Director Nominations

Consistent with its charter, the Governance Committee will evaluate and recommend director nominees to the Board for each election of directors.

In fulfilling its responsibilities, the Governance Committee considers the following factors:

the appropriate size of the Company's Board and its committees;

the needs of the Company with respect to the particular talents and experience of its directors;

the knowledge, skills and experience of nominees, including experience in mortgage banking, business, finance, administration or public service, in light of prevailing business conditions and the knowledge, skills and experience already possessed by other members of the Board;

experience with accounting rules and practices;

applicable regulatory and securities exchange/association requirements;

appreciation of the relationship of the Company's business to the changing needs of society; and

a balance between the benefit of continuity and the desire for a fresh perspective provided by new members.

Edgar Filing: ACCREDITED HOME LENDERS HOLDING CO - Form DEF 14A

The Governance Committee's goal is to assemble a Board that brings to the Company a variety of perspectives and skills derived from high quality business and professional experience. In doing so, the Governance Committee also considers candidates with appropriate non-business backgrounds.

Table of Contents

Other than the foregoing, there are no stated minimum criteria for director nominees. However, the Governance Committee may also consider such other factors as it may deem are in the best interests of the Company and its stockholders. The Governance Committee does, however, recognize that at least one member of the Board should meet the criteria for an audit committee financial expert as defined by SEC rules, and that at least a majority of the members of the Board must meet the definition of independent director under the NASDAQ Marketplace rules. The Governance Committee also believes it appropriate for certain key members of the Company's management to participate as members of the Board.

The Governance Committee identifies nominees by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to the Company's business and who are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of the Board with that of obtaining a new perspective. If any member of the Board up for re-election at an upcoming annual meeting of stockholders does not wish to continue in service, the Governance Committee identifies the desired skills and experience of a new nominee in light of the criteria above. Current members of the Governance Committee and Board will be polled for suggestions as to individuals meeting the criteria of the Governance Committee. Research may also be performed to identify qualified individuals. If the Governance Committee believes that the Board requires additional candidates for nomination, the Governance Committee may explore alternative sources for identifying additional candidates. This may include engaging, as appropriate, a third party search firm to assist in identifying qualified candidates.

The Governance Committee will evaluate any recommendation for director nominee proposed by a stockholder who (i) has continuously held at least 1% of the outstanding shares of the Company's common stock entitled to vote at the annual meeting of stockholders for at least one year prior to the date the stockholder makes the recommendation and (ii) undertakes to continue to hold the common stock through the date of the meeting. In order to be evaluated in connection with the Company's established procedures for evaluating potential director nominees, any recommendation for director nominee submitted by a qualifying stockholder must be received by the Company no later than 120 days prior to the anniversary of the date proxy statements were mailed to stockholders in connection with the prior year's annual meeting of stockholders. Any stockholder recommendation for director nominee must be submitted to the Company's Corporate Secretary in writing at 15090 Avenue of Science, San Diego, California 92128 and must contain the following information:

a statement by the stockholder that he/she is the holder of at least 1% of the Company's common stock and that the stock has been held for at least one year prior to the date of the submission and that the stockholder will continue to hold the shares through the date of the annual meeting of stockholders;

the candidate's name, age, contact information and current principal occupation or employment;

a description of the candidate's qualifications and business experience during, at a minimum, the last five years, including his/her principal occupation and employment and the name and principal business of any corporation or other organization in which the candidate was employed;

the candidate's resume; and

three references.

The Governance Committee will evaluate recommendations for director nominees submitted by directors, management or qualifying stockholders in the same manner, using the criteria stated above.

All directors and director nominees will submit a completed form of directors' and officers' questionnaire as part of the nominating process. The process may also include interviews and additional background and reference checks for non-incumbent nominees, at the discretion of the Governance Committee.

Director Attendance at Annual Meetings

For information concerning our policy on Director Attendance at Annual Meetings, stockholders may visit our website at www.accredhome.com and select Corporate Governance under the Investors/Shareholders link. All of our directors, with the exception of Mr. Espy, attended the 2005 annual meeting of stockholders.

Majority Vote Policy

Our Governance Committee has adopted, and our Board has approved, a Majority Vote Policy that applies in uncontested director elections. Under that policy, in the event that a director nominee receives more withhold votes than votes in favor of his or her election, the Governance Committee will evaluate the nominee's qualification for continued service as a director and recommend any remedial action to the Board (including requiring resignation). For additional information on our Majority Vote Policy, stockholders may visit our website at www.accredhome.com and select Corporate Governance under the Investors/Shareholders link.

Stock Ownership Guidelines

Following adoption by our Compensation Committee, our Board has approved stock ownership guidelines applicable to directors and certain key employees. The guidelines encourage our directors and select employees to retain ownership of our common stock, with a value based upon a multiple of their cash compensation. The guidelines are designed to provide an additional means of aligning the interests of our directors and key personnel with those of our stockholders.

Committee Charters and Other Corporate Governance Materials

The Board has adopted a written charter for each of the committees described above. In addition, the Audit Committee has adopted, and the Board has approved, a Code of Ethics for Employees and Directors that applies to all of our employees, officers and directors. PROPOSAL NO. 2

APPROVAL OF THE MATERIAL TERMS OF THE ACCREDITED HOME LENDERS HOLDING CO. LONG-TERM PERFORMANCE PLAN

The Compensation Committee of the Board established the Accredited Home Lenders Holding Co. Long-Term Performance Plan (the Plan) effective January 1, 2006. A copy of the Plan is attached to this proxy statement as Appendix B. The summary of the plan below is qualified in its entirety by the text of the Plan document. The Compensation Committee has designated 6 participants for the performance period that began on January 1, 2006, and will end on December 31, 2006. See also Report of the Compensation Committee on Executive Compensation. The Compensation Committee has set net income as the business criterion for this performance period.

At the annual meeting, we are asking stockholders to approve the material terms of the Plan in order to qualify payments that may be made to certain Company officers under the Plan as deductible for U.S. federal income tax purposes. The Board believes that the Plan benefits stockholders by linking a portion of executive compensation to performance and by qualifying amounts paid pursuant to the Plan for a U.S. federal income tax deduction.

Summary of the Plan

General

The Plan is designed to motivate and reward key employees of the Company to produce results that increase stockholder value and to encourage individual and team behavior that helps the Company achieve both short-term and long-term company objectives.

Administration

The Compensation Committee of the Board administers the Plan and has full power to interpret and administer the Plan.

Participation and Eligibility

The Compensation Committee designates the key employees of the Company or one of its affiliates who will be participants for each performance period.

Plan Operation

At the beginning of each performance period, the Compensation Committee will determine the length of the performance period and the participants in the Plan for that performance period. The Compensation Committee will determine for each participant:

the objectively determinable performance targets based upon objective business criteria set forth in the Plan. Table of Contents

The Compensation Committee has the discretion to designate different performance periods resulting in overlapping performance periods, and it may implement performance periods of different lengths of up to three years. The target award is an amount that may be paid if performance in the relevant measure(s) during the performance period is at the target selected for the performance period. The target award may vary by participant. The Compensation Committee will establish the target award and performance targets for each participant as presented under Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code) with respect to covered employees under that section, generally by the 90th day of the performance period.

Payouts

Following the end of each performance period, the Compensation Committee will certify in writing the level of performance attained for the performance period and the payout, if any, to which each participant is entitled based upon performance against the target.

In determining the amount of payouts to individuals subject to Section 162(m), the Compensation Committee has no discretion to increase the amount of a participant's payout based on performance against the target. The Compensation Committee has unlimited discretion to reduce the amount of a participant's payout that would otherwise be payable to the participant based on performance against the target.

Although the Compensation Committee may make exceptions, a participant will forfeit any payout for a performance period during which such participant terminates his or her employment with the Company for reasons other than death, permanent and total disability or retirement.

Payouts are made in cash or in shares of the Company's common stock under a Company equity compensation plan. Payouts to any participant with respect to any performance period may not exceed five million dollars.

Federal Income Tax Considerations

All amounts paid pursuant to the Plan are taxable income to the employee when paid. The Company will be entitled to a federal income tax deduction for all amounts paid under the Plan if its material terms are approved by stockholders and the Plan is administered in accordance with the requirements of Section 162(m) of the Code.

Amendment and Termination of the Plan

The Compensation Committee or the Board may amend, suspend or terminate the Plan at any time and for any reason.

Table of Contents**Estimated Bonuses**

The following table shows the range of payouts payable under the Plan after the conclusion of the existing performance period on December 31, 2006 to certain individuals and groups, all of which are less than the maximum bonus per performance period allowed under the Plan. The Compensation Committee retains the right to exercise discretion to pay a lower bonus than that achieved based on performance against the net income targets set for the performance period, or to pay no bonus, for any reason. The ranges below are for the performance period ending on December 31, 2006 and are not necessarily indicative of payouts payable for future performance periods.

PROPOSAL NO. 3

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

Grant Thornton LLP (Grant Thornton) has been the Company's independent registered public accounting firm since June 2005 and has been selected by the Audit Committee of the Board of Directors as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2006. Although the Company is not required to seek stockholder approval of this appointment, the Board of Directors believes it to be sound corporate governance to do so. In the event that the stockholders fail to ratify the appointment, the Audit Committee will investigate the reasons for stockholder rejection and will reconsider the appointment. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent auditing firm during the year if the Audit Committee believes that such a change would be in the best interests of the Company and its stockholders. A representative of Grant Thornton is expected to be present at the annual meeting, with the opportunity to make a statement if the representative desires to do so, and is expected to be available to respond to appropriate questions.

On June 14, 2005, we engaged Grant Thornton to serve as our independent registered public accounting firm for the 2005 fiscal year. On that same date, we dismissed our former independent registered public accounting firm, Deloitte & Touche LLP (Deloitte). The decision to change accounting firms was approved by our Audit Committee.

Deloitte's audit reports on our consolidated financial statements as of and for the years ended December 31, 2004 and 2003 did not contain an adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope, or accounting principles.

In the two fiscal years ended December 31, 2004 and 2003, and from January 1, 2005 to June 14, 2005, there were no disagreements between the Company and Deloitte on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to Deloitte's satisfaction, would have caused Deloitte to make reference to the subject matter of the disagreement in connection with its opinion on our consolidated financial statements for such year, and there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K except as set forth below:

In our Annual Report on Form 10-K for the fiscal year ended December 31, 2004, which we filed with the Securities and Exchange Commission on April 1, 2005, Management's Report on the Internal Control over Financial Reporting stated that, because of the material weakness disclosed in that report relating to the Company's accounting for cash flows from mortgage origination activities, the Company's internal control over financial reporting was not effective as of December 31, 2004; and Deloitte's report on the effectiveness of the Company's internal control over financial reporting expressed an opinion that, because of such material weakness, the Company had not maintained effective internal control over financial reporting as of December 31, 2004. The Audit Committee discussed the subject matter of this reportable event with Deloitte. We gave permission to Deloitte to respond fully to the inquiries of the successor auditor, including concerning the subject matter of this reportable event.

Prior to engaging Grant Thornton, the Company did not consult with Grant Thornton regarding (i) the application of accounting principles to a specified transaction, (ii) the type of audit opinion that might be rendered by Grant Thornton, or (iii) any matter that was either the subject of a disagreement as defined in Item 304(a)(1)(iv) of Regulation S-K or a reportable event as defined in Item 304(a)(1)(v) of Regulation S-K.

The Audit Committee's policy is to pre-approve all audit and permissible non-audit services provided by our independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services. The independent registered public accounting firm and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent registered public accounting firm in accordance with this pre-approval. The chair of the Audit Committee is also authorized, pursuant to delegated authority, to pre-approve additional services on a case-by-case basis, and such approvals are communicated to the full Audit Committee at its next meeting. The Audit Committee approved 100% of the services described in the table above. To our knowledge, none of the hours spent by Deloitte on auditing our financial statements in 2005 were attributed to work performed by persons that were not full-time, permanent employees of Deloitte. To our knowledge, none of the hours spent by Grant Thornton on auditing our financial statements for 2005 were attributed to work performed by persons that were not full-time, permanent employees of Grant Thornton.

Vote Required and Board of Directors Recommendation

If a quorum is present, approval of this proposal requires the affirmative vote of a majority of the votes cast on the proposal at the annual meeting. Abstentions and broker non-votes will each be counted as present for purposes of determining the presence of a quorum but will not have any effect on the outcome of the proposal.

The Board of Directors recommends a vote FOR the appointment of Grant Thornton LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2006.

On April 6, 2005, Accredited announced the appointment of Stuart D. Marvin as Executive Vice President in charge of finance, capital markets and corporate communications. We have entered into an executive employment agreement with Mr. Marvin effective as of April 11, 2005. Pursuant to the terms of that agreement, Mr. Marvin was initially paid a base salary of \$425,000 per year. Mr. Marvin was also paid an initial cash bonus of \$250,000 on May 1, 2005. Mr. Marvin was granted, as a material inducement to his employment with Accredited, two restricted stock awards of 14,240 shares each, on April 15, 2005. The shares underlying the first award shall become vested in an amount equal to 50% of the award on April 15, 2007, with an additional 25% vesting on each of April 15, 2008 and April 15, 2009. The shares underlying the second award shall become vested in an amount equal to 50% of the award on February 15, 2008, with an additional 25% vesting on each of February 15, 2009 and February 15, 2010. Mr. Marvin also received a gross-up in respect of the stock grants in an amount sufficient to cover the federal and state income tax associated with each grant as necessary to reflect Mr. Marvin's election under Section 83(b) of the Internal Revenue Code of 1986, as amended. Additionally, Mr. Marvin is eligible to participate in our Long-Term Performance Plan (LTTP see also Proposal No. 2 Approval of the Material Terms of the Accredited Home Lenders Holding Co. Long Term Performance Plan). The LTTP provides for both cash and stock compensation awards. During 2005, Mr. Marvin was eligible to participate in the 2005 Management Incentive Plan, specifically the Executive Management component (Executive Plan), and he received a cash bonus under that plan equal to \$781,250 (including his \$250,000

signing bonus), of which \$400,000 was guaranteed. At the time the Compensation Committee designated the participants in the LTTP, it removed all participants from inclusion in the 2006 Incentive Compensation Plan for Executive Management, except to the extent of Mr. Marvin's minimum guaranteed cash bonus of \$100,000 in each of 2006 and 2007. During 2005, Mr. Marvin was also eligible for stock awards under the Executive Plan, provided that his participation in the stock component, if any, was limited to the extent the determined bonus exceeded the floor value of \$1,000,000 (which is equal to the value of the two restricted stock awards already provided to Mr. Marvin). In addition, Mr. Marvin received an initial grant of 80,000 stock options to acquire shares of our common stock, with an exercise price equal to the fair market value of our common stock on the date of grant. These options are subject to such other standard terms and conditions as all other stock options granted to executive management and are evidenced by our standard form of executive stock option agreement.

Compensation of Directors

During 2005, each of our non-employee directors received \$1,500 for each meeting of the Board they attended and an annual retainer of \$25,000, paid quarterly in arrears. In addition, each of our non-employee directors other than Audit Committee members received \$1,000 for each committee meeting they attended; the chairpersons of the Compensation Committee and Nominating & Corporate Governance Committee each received an additional \$1,000 per meeting attended, and the chairperson of the Audit Committee received an additional \$2,000 per meeting attended. Effective January 27, 2005, compensation for each of our non-employee director Audit Committee members was increased to \$2,000 per meeting attended, and compensation for the chairperson of the Audit Committee was increased to \$4,000 per meeting attended.

Effective January 1, 2004, the Board elected Mr. Erickson to serve as the Lead Director on the Board at an additional annual retainer of \$25,000, paid quarterly in arrears. The primary responsibilities of the Lead Director include acting as a liaison between the Board and the Chairman of the Board; serving as Chairman of the Board during executive sessions of non-employee directors; and facilitating communications between committees and from Company employees and stockholders to the Board. The Lead Director is nominated and appointed by Board resolution.

Each non-employee director is entitled to receive an annual grant of stock options to purchase 7,500 shares of our common stock on the date of each annual meeting of stockholders under our 2002 Stock Option Plan (the "2002 Plan"). As discussed in the following paragraph, however, since March 2004, we have been awarding annual grants of restricted shares in lieu of these annual grants of stock options. The 2002 Plan also provides for an initial, automatic grant of an option ("Initial Option") to purchase 17,500 shares of our common stock upon a new non-employee director's election to our Board. Notwithstanding the foregoing, a non-employee director granted an Initial Option on, or within a period of six months prior to, the date of an annual meeting of stockholders is not entitled to receive an annual option with respect to that annual stockholders meeting. Each Initial Option and annual option granted under the 2002 Plan has an exercise price per share equal to the fair market value per share of our common stock on the date of grant and a term of ten years. Both the Initial Options and the annual options granted to newly elected or appointed non-employee directors vest and become exercisable in four substantially equal installments on each of the four anniversaries of the date of grant of the option. All automatic non-employee director options granted under the 2002 Plan are nonstatutory stock options. They must be exercised, if at all, within 12 months after a non-employee director's termination of service with us by reason of death or disability and otherwise within three months after termination of service, but in no event later than the expiration of the option's term. In the event of our merger with another corporation or another change in control event, all automatic non-employee director options will become fully vested and exercisable.

In response to changing industry practices and competitive pressures in early 2004, the Board conducted a review of the retention and incentive practices of certain of the Company's competitors and peers. Following that review, the Board determined that the outside director retention goals of the Company were better met through an annual grant of restricted shares of Company common stock under the Company's Deferred Compensation Plan (the "DCP") in lieu of the annual grant of options to purchase 7,500 shares of common stock under the 2002

Table of Contents

Plan. Because of the timing of this decision, the annual grants for 2004 provided for by the 2002 Plan were not made. In March 2004, the Board approved annual grants of restricted shares of common stock under the DCP with a dollar value equivalent of \$90,000 for each non-employee director. For non-employee directors currently serving on the Board, the grants will occur annually on February 14, the anniversary of the effective date of the Company's initial public offering. New non-employee directors are entitled to receive the restricted share grant on the first, and each subsequent, anniversary of their initial date of joining the Board. Effective July 27, 2004, the Board changed the timing of the annual grants for administrative convenience so that each new non-employee director would receive his or her restricted share grant on the first day of the calendar quarter nearest to that director's anniversary of election or appointment to the Board. Each restricted share grant vests upon the second anniversary of its date of grant. In order to receive the restricted share grant(s), each non-employee director is required to sign, and has signed, a waiver of his or her right to receive the annual option grant under the 2002 Plan; however, new non-employee directors will continue to receive an Initial Option, and any Initial Option previously granted under the 2002 Plan will continue to remain outstanding.

We reimburse all non-employee directors for expenses incurred to attend meetings of our Board or its committees, promptly after such expense is incurred.

EQUITY COMPENSATION PLAN INFORMATION

As of December 31, 2005, we maintained six compensation plans that provide for the issuance of our common stock to officers and other employees, directors and consultants. These consisted of the 1995 Stock Option Plan, the 1995 Executive Stock Option Plan, the 1998 Stock Option Plan, the 2002 Stock Option Plan(1), the 2002 Employee Stock Purchase Plan(2) (the Purchase Plan) and the Deferred Compensation Plan, all of which have been approved by our stockholders. Accredited's Board of Directors agreed to discontinue the Purchase Plan effective January 1, 2006. The following table sets forth information regarding outstanding options and shares reserved for future issuance under the foregoing plans as of December 31, 2005:

Plan Category	Number of shares to be issued upon exercise of outstanding options, warrants and rights	Weighted-average exercise price of outstanding options, warrants and rights	Number of shares remaining available for future issuance under equity compensation plans (excluding shares reflected in column (a)) (c)

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**Transactions Involving Officers, Directors and 5% Stockholders**

securities, or any member of the immediate family of any of the foregoing persons had a direct or indirect material interest, other than the compensation arrangements, including stock option agreements, and other agreements and transactions which are described in this proxy statement and the transactions described below.

On August 1, 2001, Joseph J. Lydon, our President, Chief Operating Officer, director and a holder of 3.7% of our common stock, issued a promissory note to us in order to exercise his options to purchase 1,000,000 shares of our common stock. The promissory note was due on the earlier of (i) August 1, 2005 or (ii) the termination of Mr. Lydon's employment with us. The principal amount of the note was \$1,250,000, which amount was accruing interest at a rate of 10.6% per annum. Mr. Lydon was entitled to prepay the entire principal balance of the note at any time; however, interest on the entire original principal was still due and payable on each anniversary of the date of the note through the maturity date of the note. The promissory note was full recourse and was secured by Mr. Lydon's 1,000,000 shares of our common stock, pursuant to a stock pledge agreement. In December 2004, Mr. Lydon prepaid the entire principal balance and accrued interest on the note for a total payment to us of \$1,382,500. Upon receipt of Mr. Lydon's payment, we released the shares in accordance with the terms of the stock pledge agreement. Pursuant to a letter from us to Mr. Lydon dated August 1, 2001, we agreed to pay Mr. Lydon supplemental compensation payments of \$238,000 on August 1, 2002 and on each August 1 thereafter through August 1, 2005. In addition, on June 13, 2002, we made a loan to Mr. Lydon at 10% interest to cover certain income taxes payable in connection with his exercise of options, with an original principal balance of \$30,352 (the Tax Note). During 2005, the largest amount outstanding on the Tax Note was \$10,156. In September 2005, the outstanding balance of this loan was paid in full.

Transactions with Accredited Mortgage Loan REIT Trust

Accredited Home Lenders, Inc. (AHL) is our wholly-owned subsidiary and the direct corporate parent of the REIT. We are the indirect corporate parent of the REIT and the guarantor with respect to payments on the REIT's outstanding publicly held preferred shares. The REIT may have interests which are not identical to ours. Consequently, conflicts of interest may arise with respect to transactions, including, without limitation, the REIT's acquisition of mortgage loans from AHL and the provision by AHL of advisory services to the REIT. It is our intention, and that of the REIT, that any agreements and transactions between us, on the one hand, and AHL, the REIT and/or their respective affiliates, on the other hand, are fair to all parties and consistent with market terms. However, there can be no assurance that such transactions will be on terms as favorable to us as those that could have been obtained from unaffiliated third parties.

On October 1, 2004, the REIT entered into an intercompany administration and servicing agreement with AHL whereby the REIT compensates AHL for loan servicing, treasury, accounting, tax and other administrative services provided by AHL. The REIT pays to AHL a management fee equal to 0.5% per year on the outstanding principal balance of the loans serviced by it, plus miscellaneous fee income collected from mortgagors, including late payment charges, assumption fees and similar items. The REIT, on the one hand, and AHL, on the other hand, may offset any balance or amount due from one party to the other under this agreement or any other contract entered into between such parties. Therefore, on each settlement date, either the REIT or AHL will pay to the other party interest on the net average balance payable at an annual rate equal to the Six-Month LIBOR plus 1.0%.

AHL has previously executed securitizations of residential mortgage loans in which it obtained the related retained interests. During 2004, AHL transferred the retained interests in the Accredited Mortgage Loan Trust 2002-1, 2002-2, 2003-1, 2003-2, 2003-3 and 2004-1 securitizations to the REIT as a net contribution of capital totaling \$59.1 million, which does not include additional cash contributions and subsequent contributions of assets and liabilities during 2004 for the Accredited Mortgage Loan Trust 2004-2, 2004-3 and 2004-4 securitizations. In addition, the REIT acquired the mortgage assets for the Accredited Mortgage Loan Trust 2004-2, 2004-3, 2005-1, 2005-2, 2005-3 and 2005-4 securitizations as contributions of capital from AHL. These mortgage assets consisted primarily of residential mortgage loans, or interests in these mortgage loans, that had been originated or acquired by AHL.

Table of Contents

During 2005, AHL and the REIT, as several borrowers or sellers, entered into warehouse transactions with lenders to finance the related mortgage loans that are to be contributed by AHL to the REIT and then subsequently securitized with permanent bond financing. As of December 31, 2005, AHL and REIT had entered into six warehouse facilities to permit the securitization of mortgage loans directly from the warehouse facility. The duration of each of these facilities ranges from one to two years. Each of the agreements has cross-collateralization provisions and AHL provides a guarantee of the REIT's obligations under the credit facilities, and on four of the credit facilities Accredited provides a guarantee of AHL's and REIT's obligations. In addition, the facilities are structured so that the REIT only has monetary responsibilities for a limited period of time prior to a securitization and otherwise does not have any monetary obligations under the facilities. The net proceeds of the securitizations are to be primarily used by AHL or the REIT to repay the warehouse debt and pay other expenses of the securitization.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our executive officers and directors and persons who beneficially own more than 10% of our common stock to file initial reports of beneficial ownership and reports of changes in beneficial ownership with the SEC. Such persons are required by SEC regulations to furnish us with copies of all Section 16(a) forms filed by such person.

Based solely on our review of such forms furnished to us and written representations from certain reporting persons, we believe that all filing requirements applicable to our executive officers, directors and greater-than-10% stockholders were complied with, except for one late report by each of Joseph J. Lydon and Ray W. McKewon with respect to one transaction each, and one late report by Stuart D. Marvin to report Initial Statement of Beneficial Ownership on Form 3.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors is comprised of non-employee directors. The members of the Compensation Committee are Mr. Berglund, Mr. Erickson and Mr. Espy. As part of a planned rotation, Mr. Espy replaced Mr. Berglund as the Compensation Committee's Chairperson effective January 25, 2006. Each member of the Compensation Committee has been affirmatively determined by the Board of Directors to be an independent director as defined by the NASDAQ Marketplace rules. The Compensation Committee is responsible for managing the compensation of the executive officers of the Company, including the review and approval of policies governing such compensation, review of the performance of the executive officers and determining or recommending to the Board of Directors the compensation levels for executive officers.

The Compensation Committee's compensation policies with respect to executive officers are designed to attract, retain and reward executive officers who contribute to the Company's success, to align executive officer compensation with the Company's performance and to motivate executive officers to achieve the Company's business objectives, always with stockholder value in mind. The Company uses salary, cash bonuses, stock option grants and restricted stock grants to implement these policies.

Base salaries of executive officers are reviewed annually by the Compensation Committee and consideration is generally given to (i) salary recommendations from the Chief Executive Officer, (ii) individual performance of executive officers for the previous fiscal year, (iii) financial results of the Company for the previous year, and (iv) compensation information available for the industry and the Company's publicly-traded peers. Incentive compensation for executive officers was provided for in 2005 under the Company's Management Incentive Plan approved by the Compensation Committee (the Incentive Plan). The Incentive Plan authorized both cash and restricted stock awards based on a combination of the Company's performance and the individual's performance. The Incentive Plan established maximum levels of awards that could be granted based upon the Company's attaining different levels of net income, and actual awards to executive officers were based upon individual performance, as determined by the Compensation Committee with input from the Chief Executive Officer. In 2005, the Compensation Committee determined compensation for the Company's Chief Executive Officer, Mr. Konrath, in the same manner as for other executive officers except that the maximum award amounts under the Incentive Plan for the Chief Executive Officer (and for the President, the Executive Vice President and the Director of Operations) were established at higher levels than for other executive officers. In awarding Mr. Konrath the maximum award amounts available under the Incentive Plan with respect to 2005, the Compensation Committee took into account the Company's record volume and profits for 2005 and the performance of the Company's stock during the year and publicly-available information about compensation at similarly-situated companies in the industry.

Section 162(m) of the Internal Revenue Code restricts deductibility of executive compensation paid to the Company's chief executive officer and each of the four other most highly compensated executive officers holding office at the end of any year (named executive officers) to the extent such compensation exceeds \$1,000,000 for any of such officers in any year and does not qualify for an exception under Section 162(m) or related regulations. The Compensation Committee's policy is to qualify its executive compensation for deductibility under applicable tax laws to the extent practicable. Toward that end, the Compensation Committee adopted the Company's Long-Term Performance Plan effective as of January 1, 2006 (LTTP). If approved by the stockholders at our 2006 annual meeting, payments that may be made to named executive officers under the LTTP may qualify as deductible for U.S. federal income tax purposes, even if they exceed \$1,000,000. For 2006, the Compensation Committee has designated the Chief Executive Officer, President, Executive Vice President, Director of Operations, Chief Financial Officer and General Counsel as participants in the LTTP. It has also removed those officers from participation in the Incentive Compensation Plan for Executive Management and Incentive Compensation Plan for Senior Management, as applicable, except to the extent of any guaranteed bonus (see Proposal No. 2. Approval of the Material Terms of the Accredited Home Lenders Holding Co. Long Term Performance Plan).

Table of Contents

The Board believes that the LTPP benefits stockholders by linking a portion of executive compensation to performance and by qualifying amounts paid pursuant to the Plan for a U.S. federal income tax deduction. Income related to grants of restricted stock outside of the LTPP generally does not qualify for an exemption; however, the Compensation Committee believes that the retention value of grants of the restricted stock that were made with respect to 2005 outweighs the limitation on the deductibility of income related to such grants. In the future, the Compensation Committee will continue to evaluate the advisability of qualifying its executive compensation for full deductibility.

The Committee shall maintain written minutes of its meetings, which minutes will be filed with the minutes of the meetings of the Board.

IV. COMMITTEE AUTHORITY AND RESPONSIBILITIES

To fulfill its responsibilities and duties, the Committee shall:

A. Oversight of the Company's Independent Auditor

1. Be directly and solely responsible for the appointment, compensation, retention and oversight of any independent auditor (including resolution of disagreements between management and the independent auditor regarding financial reporting) engaged by the Company for the purpose of preparing or issuing an audit report or related work, with each such auditor reporting directly to the Committee.

2. Periodically review and discuss with the independent auditor (i) the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, and (ii) any formal written statements received from the independent auditor consistent with and in satisfaction of Independence Standards Board Standard No. 1, as amended, including without limitation, descriptions of (x) all relationships between the independent auditor and the Company, (y) any disclosed relationships or services that may impact the independent auditor's objectivity and independence and (z) whether any of the Company's senior finance personnel were recently employed by the independent auditor.

3.
