PROXY STATEMENT

FOR ANNUAL MEETING OF STOCKHOLDERS

To Be Held July 31, 2006

INFORMATION CONCERNING SOLICITATION AND VOTING

General

The enclosed proxy is solicited on behalf of the Board of Directors (the "Board of Directors" or the "Board") of Cogent, Inc., a Delaware corporation (the "Company"), for use at the Annual Meeting of Stockholders to be held on July 31, 2006, at 8:30 a.m. Pacific Time (the "Annual Meeting"), or at any adjournment or postponement thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Stockholders. The Annual Meeting will be held at the Company's corporate headquarters, 209 Fair Oaks Avenue, South Pasadena, California 91030. The Company intends to mail this proxy statement and accompanying proxy card on or about June 26, 2006 to all stockholders entitled to vote at the Annual Meeting.

Solicitation

The Company will bear the entire cost of solicitation of proxies, including preparation, assembly, printing and mailing of this proxy statement, the proxy card and any additional information furnished to stockholders. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of the Company's stock beneficially owned by others to forward to such beneficial owners. The Company may reimburse persons representing beneficial owners of the Company's stock for their costs of forwarding solicitation materials to such beneficial owners. Solicitation of proxies by mail may be supplemented by telephone or personal solicitation by directors, officers or other regular employees of the Company. No additional compensation will be paid to directors, officers or other regular employees for such services.

Voting Rights and Outstanding Shares

Only holders of record of shares of our common stock at the close of business on June 16, 2006 (the official record date) will be entitled to notice of and to vote at the Annual Meeting and any adjournment thereof. At the close of business on June 16, 2006 the Company had outstanding and entitled to vote 94,279,871 shares of common stock.

Each holder of record of shares of our common stock on the record date will be entitled to one vote for each share held on all matters to be voted upon at the Annual Meeting.

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if at least a majority of the Company's outstanding shares entitled to vote are represented at the meeting, either in person or by proxy. All votes will be tabulated by the inspector of elections appointed for the meeting by the Company's Board of Directors, who will tabulate affirmative and negative votes, abstentions and broker

Edgar Filing: Cogent, Inc. - Form DEF 14A

non-votes. Votes for and against, abstentions and broker non-votes will each be counted for determining the presence of a quorum.

Broker Non-Votes

A broker non-vote occurs when a broker submits a proxy card with respect to shares of common stock held in a fiduciary capacity (typically referred to as being held in street name), but declines to vote on a particular matter because the broker has not received voting instructions from the beneficial owner. Under the rules that govern brokers who are voting with respect to shares held in street name, brokers have the discretion to vote such shares on routine matters, but not on non-routine matters. Routine matters include the election of directors, increases in authorized common stock for general corporate purposes and ratification of auditors. Non-routine matters include amendments to stock plans.

Voting and Revocability of Proxies

All valid proxies received before the Annual Meeting will be exercised. All shares represented by a proxy will be voted, and where a proxy specifies a stockholder's choice with respect to any matter to be acted upon, the shares will be voted in accordance with that specification. If no choice is indicated on the proxy, the shares will be voted in favor of the proposal.

Any person giving a proxy pursuant to this solicitation has the power to revoke it at any time before it is voted. It may be revoked by filing with the Chief Financial Officer of the Company at the Company's principal executive offices located at 209 Fair Oaks Avenue, South Pasadena, California 91030, a written notice of revocation or a duly executed proxy bearing a later date, or it may be revoked by attending the meeting and voting in person. Attendance at the meeting will not, by itself, revoke a proxy.

Note Regarding Controlled Company Status

Our company is a controlled company under the Nasdaq Stock Market qualitative listing standards, and therefore we are entitled to exemptions from certain of the Nasdaq Stock Market qualitative listing standards. These requirements are generally intended to increase the likelihood that a Board of Directors will make decisions in the best interests of stockholders. Specifically, we are not required to have a majority of our directors be independent or to have compensation, nominating and corporate governance committees comprised solely of independent directors. We currently do not avail ourselves of the controlled company exemptions. However, we may avail ourselves of the controlled company exemptions in the future.

Board Committees and Meetings

During the fiscal year ended December 31, 2005, the Board of Directors held seven meetings. The Board of Directors has established three standing committees: an Audit Committee; a Compensation Committee; and a Nominating and Corporate Governance Committee.

The members of our Audit Committee are John C. Bolger, John P. Stenbit and Kenneth R. Thornton. Mr. Bolger is an Audit Committee financial expert, as defined in the rules of the Securities and Exchange Commission (SEC), and chair of our Audit Committee. The Audit Committee oversees, reviews and evaluates our financial statements, accounting and financial reporting processes, internal control functions and the audits of our financial statements. The Audit Committee is responsible for the appointment, compensation, retention and oversight of our independent auditors. The Audit Committee held nine meetings during the fiscal year ended December 31, 2005. All members of the Audit Committee are independent (as independence is defined in the Nasdaq Stock Market qualitative listing standards). The Audit Committee acts pursuant to a written charter.

The members of our Compensation Committee are John C. Bolger, John P. Stenbit and Kenneth R. Thornton. Mr. Thornton is the chair of our Compensation Committee. The Compensation Committee reviews and makes recommendations to our Board of Directors concerning the compensation and benefits of our executive officers, including the Chief Executive Officer, and directors, oversees the administration of our stock option and employee benefits plans, and reviews general policy relating to compensation and benefits. The Compensation Committee held four meetings during the fiscal year ended December 31, 2005. All members of the Compensation Committee are independent (as independence is defined in the Nasdaq Stock Market qualitative listing standards). The Compensation Committee acts pursuant to a written charter.

The members of our Nominating and Corporate Governance Committee, referred to as the Nominating Committee, are John C. Bolger, John P. Stenbit and Kenneth R. Thornton. Mr. Stenbit is the chair of our Nominating Committee. The Nominating Committee identifies prospective candidates to serve on the Board of Directors, recommends nominees for election to the Board of Directors, develops and recommends Board member selection criteria, considers committee member qualification, recommends corporate governance principles to the Board of Directors, and provides oversight in the evaluation of the Board of Directors and each committee. The Nominating Committee held one meeting during the fiscal year ended December 31, 2005. All members of the Nominating Committee are independent (as independence is defined in the Nasdaq Stock Market qualitative listing standards). The Nominating Committee acts pursuant to a written charter.

Edgar Filing: Cogent, Inc. - Form DEF 14A

During the fiscal year ended December 31, 2005, each member of the Board of Directors attended 75% or more of the aggregate number of the meetings of the Board of Directors and of the committees on which he or

she served, held during the period for which he was a director or committee member, respectively. Each member of the Board of Directors attended the Company's 2005 Annual Meeting of Stockholders.

Director Nominations

The Nominating Committee evaluates and recommends to the Board of Directors director nominees for each election of directors.

In fulfilling its responsibilities, the Nominating Committee considers the following factors:

the appropriate size of the Board of Directors and its committees;

the needs of the Company with respect to the particular talents and experience of its directors;

the knowledge, skills and experience of nominees, including experience in the biometrics industry, business, finance, administration or public service, in light of prevailing business conditions and the knowledge, skills and experience already possessed by other members of the Board of Directors;

experience with accounting rules and practices;

applicable regulatory and securities exchange/association requirements; and

a balance between the benefit of continuity and the desire for a fresh perspective provided by new members.

The Nominating Committee's goal is to assemble a Board of Directors that brings to the Company a variety of perspectives and skills derived from high quality business and professional experience. In doing so, the Nominating Committee also considers candidates with appropriate non-business backgrounds.

Other than the foregoing factors, there are no stated minimum criteria for director nominees. However, the Nominating Committee may also consider such other factors as it may deem are in the best interests of the Company and its stockholders. The Nominating Committee does, however, recognize that under applicable regulatory requirements at least one member of the Board of Directors must, and believes that it is preferable that more than one member of the Board of Directors should, meet the criteria for an audit committee financial expert as defined by SEC rules. In addition, although the Company is a Controlled Company under the Nasdaq Stock Market qualitative listing standards and therefore is not required to have a majority of its directors be independent, the Nominating Committee currently believes that it is preferable that at least a majority of the members of the Board of Directors meet the definition of independent director under the Nasdaq Stock Market qualification standards or the qualification standards of any other applicable self regulatory organization. The Nominating Committee also believes it appropriate for the Company's Chief Executive Officer to participate as a member of the Board of Directors.

The Nominating Committee identifies nominees by first evaluating the current members of the Board of Directors willing to continue in service. Current members of the Board of Directors with skills and experience that are relevant to the Company's business and who are willing to

Edgar Filing: Cogent, Inc. - Form DEF 14A

continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of the Board of Directors with that of obtaining a new perspective. If any member of the Board of Directors up for re-election at an upcoming annual meeting of stockholders does not wish to continue in service, the Nominating Committee identifies the desired skills and experience of a new nominee in light of the criteria above. Current members of the Nominating Committee and Board of Directors will be polled for suggestions as to individuals meeting the criteria of the Nominating Committee. Research may also be performed to identify qualified individuals. If the Nominating Committee believes that the Board of Directors requires additional candidates for nomination, the Nominating Committee may explore alternative sources for identifying additional candidates. This may include engaging, as appropriate, a third party search firm to assist in identifying qualified candidates.

The Nominating Committee will evaluate any recommendation for director nominee proposed by a stockholder who (i) has continuously held at least 1% of the outstanding shares of the Company's common stock entitled to vote at the annual meeting of stockholders for at least one year by the date the stockholder makes the recommendation and (ii) undertakes to continue to hold the common stock through the date of the meeting. In order to be evaluated in connection with the Company's established procedures for evaluating potential director nominees, any recommendation for director nominee submitted by a qualifying stockholder must be received by the Company no later than 120 days prior to the anniversary of the date a proxy statement was mailed to stockholders in connection with the prior year's annual meeting of stockholders. Any stockholder recommendation for director nominee must be submitted to the Company's Chief Financial Officer in writing at 209 Fair Oaks Avenue, South Pasadena, California 91030 and must contain the following information:

a statement by the stockholder that he/she is the holder of at least 1% of the outstanding shares of the Company's common stock and that the stock has been held for at least a year prior to the date of the submission and that the stockholder will continue to hold the shares through the date of the annual meeting of stockholders;

the candidate's name, age, contact information and current principal occupation or employment;

a description of the candidate's qualifications and business experience during, at a minimum, the last five years, including his/her principal occupation and employment and the name and principal business of any corporation or other organization in which the candidate was employed;

the candidate's resume; and

three (3) references.

The Nominating Committee will evaluate recommendations for director nominees submitted by directors, management or qualifying stockholders in the same manner, using the criteria stated above.

All directors and director nominees will submit a completed form of directors' and officers' questionnaire as part of the nominating process. The process may also include interviews and additional background and reference checks for non-incumbent nominees, at the discretion of the Nominating Committee.

Board Member Independence

The Board of Directors has determined that, except for Mr. Hsieh, all of the members of the Board of Directors are independent as independence is defined in the Nasdaq Stock Market qualification standards. Mr. Hsieh is not considered independent because he is either currently, or has within the last three years been, employed by the Company. As previously noted, the Company is a Controlled Company, and therefore is not required to have a majority of directors that are independent under the Nasdaq Stock Market qualitative listing standards.

Report of the Audit Committee

The Audit Committee oversees our financial reporting process on behalf of our Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in our Annual Report with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. Our independent auditor, Deloitte & Touche LLP, is responsible for expressing an opinion on the conformity of our audited financial statements with generally accepted accounting principles. In addition, Deloitte & Touche LLP is responsible for expressing opinions on management's assessment of the effectiveness of our internal control over financial reporting and on the effectiveness of our internal control over financial reporting.

The Audit Committee reviewed with Deloitte & Touche LLP their judgments as to the quality, not just the acceptability, of our accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards. In addition, the Audit Committee has discussed with Deloitte & Touche LLP their independence from management and our company, has received from Deloitte & Touche LLP the written disclosures and the letter required by Independence Standards Board Standard No. 1, and has considered the compatibility of non-audit services with the auditors' independence.

The Audit Committee discussed with Deloitte & Touche LLP the overall scope of their audit. The Audit Committee met with Deloitte & Touche LLP, with and without management present, to discuss the results of their examination, their evaluation of our internal controls and the overall quality of our financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee has recommended to our Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2005 for filing with the SEC. The Audit Committee and our Board of Directors also have recommended the ratification of the selection of Deloitte & Touche LLP as our independent auditors for 2006.

Compensation of Directors

Each of our non-employee directors is paid \$20,000 annually and is reimbursed for reasonable expenses incurred in connection with performance of their duties as directors. Upon their election to the Board of Directors, each of our non-employee directors is granted an initial option to purchase up to 40,000 shares of our common stock at the then fair market value pursuant to the terms of our 2004 Equity Incentive Plan. In addition, each non-employee director is automatically granted an option to purchase up to 10,000 shares of our common stock if he or she remains on the Board of Directors on the date of each annual meeting of stockholders (unless he or she joined the Board of Directors within six months of such meeting). Each non-employee director also receives cash compensation of \$2,000 for attendance at each Board meeting. Additionally, the chairperson of each of the Audit Committee and the Compensation Committee receives \$2,500 and \$1,500, respectively, and members of the Audit Committee and Compensation Committee (not including chairpersons) receive \$1,500, and \$1,000, respectively, for attendance at each meeting of such committees.

We have an employment agreement with Paul Kim, entered into on January 5, 2004, under which Mr. Kim is entitled to an annual salary of \$208,000, with a one-time initial bonus of \$20,000. On January 5, 2004, Mr. Kim was also granted an option to purchase up to 950,000 shares of our common stock at an exercise price of \$1.00 per share, with 237,500 shares vesting on April 5, 2004, 178,124 shares vesting on January 5, 2005, and 44,532 shares vesting on each subsequent calendar quarter thereafter. In the event of a change of control, all unvested shares will immediately vest. In the event of termination without cause following a change of control, Mr. Kim may be eligible for severance pay of up to one year of his annual salary.

We have employment agreements with our Executive Vice President, Federal and State Systems, James Jasinski and our Executive Vice President, Operations, Michael Hollowich. Each of these agreements provides for a fixed base annual salary that is subject to normal periodic review for increases by the Board of Directors, and each of these agreements may be terminated at will by either the employee or us.

Compensation Committee Interlocks and Insider Participation

None of the members of the Compensation Committee is or has ever been one of our officers or employees. No interlocking relationship exists between the Board of Directors or Compensation Committee and the Board of Directors or Compensation Committee of any other entity, nor has any interlocking relationship existed in the past.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

ON EXECUTIVE COMPENSATION

The Compensation Committee is composed of three members of our Board of Directors, each of whom is a non-employee director within the meaning of Rule 16b-3 under the Exchange Act and an outside director within the meaning of Section 162(m) of the Code. The Compensation Committee is responsible for setting and overseeing the administration of the policies governing annual compensation of the executive officers of the Company. The Compensation Committee reviews the performance and compensation levels for executive officers, including the Chief Executive Officer, and sets salary levels. The Compensation Committee was formed on May 11, 2004. Prior to that time, compensation for the Company's executive officers was determined by the full Board of Directors.

The Company has an executive compensation philosophy and goals based on attracting, retaining and rewarding experienced and talented executive officers. In addition, the Company believes that executive compensation should be linked to corporate performance and accomplishments that increase stockholder value.

As such, the Company's executive compensation policy focuses on aligning the interests of the Company's executive officers with the long-term interests of the Company's stockholders and with the Company's corporate strategies and goals. Total compensation for the Company's executive officers includes base salary and may include performance bonuses, executive perquisites and participation in the Company's qualified and non-qualified employee benefit plans. The Compensation Committee reviews compensation surveys prepared by management of the Company to compare the Company's compensation package with that of similarly-sized technology companies in the Company's geographic area.

Base salaries of executive officers are reviewed annually by the Compensation Committee and adjustments are made based on (i) salary recommendations from our Chief Executive Officer, (ii) individual performance of executive officers for the previous fiscal year, (iii) financial results of the Company for the previous year, (iv) the financial condition of the Company and (v) reports to the Compensation Committee from the compensation surveys concerning competitive salaries, scope of responsibilities of the officer position and levels paid by similarly-sized technology companies in the Company's geographic area. The Chief Executive Officer does not make recommendations regarding his own compensation. In addition, in establishing the total compensation package for the Chief Executive Officer, the Compensation Committee pursues the same objectives and policies that apply for the Company's other executive officers.

The amount of the performance bonus paid to an executive officer is dependent upon the Company attaining appropriate established business targets and corporate performance goals. The Compensation Committee believes that this type of bonus program properly aligns the interests of the Company's executive officers with the interests of stockholders. In 2005, performance bonuses were awarded to our Chief Executive Officer, Chief Financial Officer, Executive Vice President, Operations, and Executive Vice President, Federal and State Systems, as a result of the Company attaining its corporate performance goals for that year.

The Company also strongly believes that equity ownership by executive officers provides incentives to build stockholder value and aligns the interests of executive officers with those of the stockholders, and therefore makes periodic grants of stock options. To assist the Company in retaining and motivating key employees, option grants generally vest over a four-year period from the date of grant. In light of the option grants to executive officers in 2004 and the appreciation in value and increase in liquidity resulting from our initial public offering, the Compensation Committee determined that the objectives of equity compensation were already achieved in 2005 without the need for additional option grants.

The Compensation Committee approved Mr. Hsieh's salary as President and Chief Executive Officer for the 2005 fiscal year.

Section 162(m) of the Internal Revenue Code generally limits the tax deductions a public corporation may take for compensation paid to its named executive officers to \$1.0 million per executive per year. Stock option and stock appreciation rights granted under the 2004 Equity Incentive Plan are exempt from the Section 162(m) limits until the earlier of (i) a material modification of the 2004 Equity Incentive Plan, (ii) our Annual Meeting of Stockholders to be held in 2008 or (iii) such other date required by 162(m) of the Internal Revenue Code and the rules and regulations promulgated thereunder. The Compensation Committee continually evaluates our executive compensation policies and benefit plans to determine whether additional actions to maintain the tax deductibility of executive compensation are in the best interest of our stockholders.

Certain Relationships and Related Transactions

Since January 1, 2005, there has not been, nor is there currently proposed, any transaction or series of similar transactions to which we were or are a party in which the amount involved exceeds \$60,000 and in which any director, executive officer or beneficial holder of more than 5% of any class of our voting securities or members of such person's immediate family had or will have a direct or indirect material interest. All transactions between us and any of our directors, executive officers or related parties are subject to the review by our audit committee.

PROPOSAL 2**RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS**

Our consolidated financial statements as of December 31, 2001 and for the years ended December 31, 2000 and 2001 were previously audited by KPMG LLP, certified public accountants. KPMG LLP resigned in January 2004 and we engaged Deloitte & Touche LLP in April 2004 to audit our consolidated financial statements as of December 31, 2001, 2002 and 2003 and for the years ended December 31, 2001, 2002 and 2003. Our Board of Directors approved the appointment of Deloitte & Touche LLP as our independent registered public accounting firm in April 2004.

There were no disagreements at any time between KPMG LLP and us on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedures. The audit report of KPMG LLP did not contain any adverse opinion or disclaimer of opinion, nor was it qualified or modified as to uncertainty, audit scope or accounting principles. During the fiscal years ended December 31, 2002 and 2003, and through March 2004, we did not consult Deloitte & Touche with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our consolidated financial statements, or any other matters or reportable events listed in Items 304(a)(2)(i) and (ii) of Regulation S-K.

The Audit Committee has selected Deloitte & Touche LLP as the Company's independent auditors for the fiscal year ending December 31, 2006 and has further directed that the selection of the independent auditors be submitted for ratification by the stockholders at the Annual Meeting. Representatives of Deloitte & Touche LLP are expected to be present at the Annual Meeting, will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Stockholder ratification of the selection of Deloitte & Touche LLP as the Company's independent auditors is not required by the Company's Bylaws or otherwise. However, the Board of Directors is submitting the selection of Deloitte & Touche LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of different independent auditors at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

As part of its duties, the Audit Committee considers whether the provision of services, other than audit services, during the fiscal year ended December 31, 2005 by Deloitte & Touche LLP, the Company's independent auditor for that period, is compatible with maintaining the auditor's independence. The following table sets forth the aggregate fees billed to us for the fiscal years ended December 31, 2004 and 2005 by Deloitte & Touche LLP:

	2004	2005
Audit Fees(1)	\$ 1,175,876	\$ 1,048,580
Audit-Related Fees(2)	0	0
Tax Fees(3)	0	122,925
All Other Fees	0	0

- (1) Audit Fees consist of fees billed for professional services rendered for the audit of our consolidated annual financial statements and internal control over financial reporting, review of the interim consolidated financial statements included in quarterly reports, billing for professional services performed in connection with our initial public offering in September 2004 and our follow-on public offering in June 2005 and services that are normally provided by our independent registered public accounting firm in connection with statutory and regulatory filings or engagements.

- (2) Audit-Related Fees consist of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of our consolidated financial statements and are not reported under Audit Fees.
- (3) Tax Fees consist of fees billed for professional services rendered for tax compliance, tax advice and tax planning.

Our audit committee's policy is to pre-approve all audit and permissible non-audit services provided by our independent auditors. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services. The independent auditor and management are required to periodically report to the audit committee regarding the extent of services provided by the independent auditor in accordance with this pre-approval.

The affirmative vote of a majority of the votes cast at the meeting, at which a quorum is present, either in person or by proxy, is required to approve this Proposal.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE RATIFICATION OF THE SELECTION OF DELOITTE & TOUCHE LLP AS OUR INDEPENDENT AUDITOR FOR THE FISCAL YEAR ENDING DECEMBER 31, 2006.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Such persons are required by SEC regulations to furnish us with copies of all Section 16(a) forms filed by such person.

Based solely on our review of such forms furnished to us and written representations from such reporting persons, we believe that all filing requirements applicable to our executive officers, directors and more than 10% stockholders were met in a timely manner, except that Mr. Hollowich made one late filing with respect to a transaction in May 2005.

These proposals must comply with the requirements as to form and substance established by the SEC for such proposals in order to be included in the proxy statement. Under our Bylaws, a stockholder who wishes to make a proposal at the 2007 Annual Meeting of Stockholders without including the proposal in our proxy statement and form of proxy relating to that meeting must notify us no later than February 27, 2007 unless the date of the 2007 Annual Meeting of Stockholders is more than 30 days before or after the one-year anniversary of the 2006 Annual Meeting of Stockholders. If the stockholder fails to give notice by this date, then the persons named as proxies in the proxies solicited by the Board of Directors for the 2006 Annual Meeting may exercise discretionary voting power regarding any such proposal.
