THE DIVIDEND REINVESTMENT AND STOCK PURCHASE PLAN

The following, in a question and answer format, are the provisions of PNC's Dividend Reinvestment and Stock Purchase Plan (the Plan). Those holders of our common stock and preferred stock who do not participate in the Plan will continue to receive cash dividends, if and when declared.

Purpose

1. What is the purpose of the Plan?

The purpose of the Plan is to provide record holders of PNC's common stock, \$5.00 par value (Common Stock), and record holders of all series of PNC's preferred stock, \$1.00 par value (Preferred Stock), who participate in the Plan (Participants) with an attractive and convenient way to reinvest cash dividends in shares of Common Stock and to buy additional shares of Common Stock through voluntary cash payments. Because the shares will be newly issued shares or treasury shares purchased directly from PNC and not on the open market, PNC will receive additional funds to be used for general corporate purposes (See Use of Proceeds). **Each Participant should recognize that neither PNC nor the Plan Administrator (as defined in Question 3) can provide any assurance that shares purchased under the Plan will, at any particular time, be worth as much or more than their purchase price.**

Advantages

2. What are the advantages of the Plan?

Reinvest cash dividends and invest voluntary cash payments without trading fees or other charges (See Question 12)

Invest the full available amount of all cash dividends as the Plan provides for fractional interests in the shares held in the Plan (See Question 10)

Avoid safekeeping requirements and record-keeping costs through the custodial service and reporting provisions of the Plan (See Question 17)

Receive a detailed statement of account transactions (See Question 16)

Sell shares directly through the Plan (See Question 21)

Administration

3. Who administers the Plan for Participants?

Computershare Trust Co., Inc. (Plan Administrator) administers the Plan as the agent for Participants, and in such capacity sends statements of account to Participants and performs other duties relating to the Plan (See Question 25). You may contact the Plan Administrator using the following options:

Telephone inquiries: 1-800-982-7652

Participation

4. Who is eligible to participate?

Record holders of PNC's Common Stock and record holders of all series of PNC's Preferred Stock may participate in the Plan with respect to all or any portion of their common or preferred shares. If your shares are held in someone else's name, such as a broker or nominee, you may participate by having the record holder (i.e., the nominee) execute an Enrollment Form as described in Question 5. To facilitate participation in the Plan by all beneficial owners of Common Stock and Preferred Stock, the Plan Administrator may accept dividend reinvestment instructions up to the record date established for payment of a particular dividend.

All of the other Plan provisions apply to participation in the Plan by nominees. Without limiting the generality of this statement, voluntary cash payments with respect to all shares of any record owner may not exceed \$10,000 per month (See Question 15). To avoid such limitation with respect to a nominee, you may elect to have your shares transferred into your own name. In addition, voluntary cash payments made by a nominee must be received by the Plan Administrator within the period described in Question 15 in order to be invested on a particular Investment Date (as defined in Question 8).

5. How does an eligible shareholder become a Participant?

An eligible shareholder may join the Plan at any time by completing and signing the enrollment form included with this Prospectus (Enrollment Form) and returning it to the Plan Administrator. An envelope is provided for that purpose. Additional Enrollment Forms may be obtained from the Plan Administrator via any of the methods listed in Question 3 and are also available for downloading from our website at www.pnc.com (at About PNC > Investor Relations > Shareholder Services > Dividend Reinvestment & Stock Purchase Plan > Downloadable Forms). In addition, Participants may enroll online through the Computershare Investor Centre link on our website (at About PNC > Investor Relations > Shareholder Services > Dividend Reinvestment & Stock Purchase Plan).

Enrollment Forms for new Participants must be received prior to a dividend record date for eligible shareholders to reinvest that dividend.

6. Do you have to authorize dividend reinvestment on a minimum number or percentage of shares?

Yes. You must authorize dividend reinvestment with respect to at least one share of PNC stock to participate in the Plan. Beyond that requirement, record holders of Common Stock and Preferred Stock may authorize the reinvestment of cash dividends on all or on a specified number or specified percentage of their common or preferred shares (See Question 7).

7. Can you change the number or percentage of shares subject to dividend reinvestment?

Yes. If you wish to change the number or percentage of shares of Common Stock and/or Preferred Stock subject to dividend reinvestment under the Plan, you must notify the Plan Administrator in writing or through the Computershare Investor Centre link on our website at www.pnc.com (at About PNC > Investor Relations > Shareholder Services > Dividend Reinvestment & Stock Purchase Plan). Any such notification received after a dividend record date will not be effective for such record date, so cash dividends will be reinvested and the shares credited to your account according to prior instructions.

Purchases

8. When will shares of Common Stock be purchased under the Plan?

Cash dividends will be used to purchase Common Stock on the date cash dividends are paid to shareholders of record. Voluntary cash payments will be invested on the first business day of each month or the next dividend payment date, whichever comes first. Each date on which dividends are reinvested and/or cash payments are invested is referred to as an Investment Date.

Table of Contents

9. At what price will shares of Common Stock be purchased under the Plan?

The price of shares of Common Stock purchased with reinvested cash dividends or voluntary cash payments will be the average of the closing prices of Common Stock in New York Stock Exchange composite transactions, as reported in *Reuters* or another authoritative source, for the two trading days immediately preceding an Investment Date.

10. How many shares of Common Stock will be purchased?

The number of shares that will be purchased for you will depend on the amount of cash dividends to be reinvested and voluntary cash payments (if any) in your Plan account and the applicable purchase price of the Common Stock (See Question 9). Your account will be credited with that number of shares, including any fractional interest computed to six decimal places, equal to the total amount to be invested divided by the applicable purchase price as described in Question 9.

11. Will cash dividends on shares held in a Participant's account be used to purchase additional shares under the Plan?

Cash dividends on the number or percentage of shares you specify on your Enrollment Form will be reinvested in accordance with the Plan whether you hold physical certificates for those shares or hold those shares electronically through direct registration or such shares are held in your Plan account. If you have specified full dividend reinvestment for all of your common shares, all cash dividends on shares held in your Plan account as well as on common shares for which you hold certificates or hold through direct registration will be automatically reinvested in additional shares of Common Stock until you notify the Plan Administrator in writing otherwise (See Question 7).

12. Are there any expenses to Participants in connection with purchases under the Plan?

No. You do not incur any trading fees or other charges for purchases made under the Plan. However, certain other services offered through the Plan may involve fees (See Question 21).

Voluntary Cash Payments

13. Who is eligible to make voluntary cash payments?

All record holders of Common Stock or Preferred Stock who elect to have cash dividends reinvested in accordance with the provisions of the Plan may also elect to make voluntary cash payments.

14. How does the voluntary cash payment option work?

Participants may purchase additional shares of Common Stock by forwarding a check to the Plan Administrator with the Optional Cash Purchase form that will accompany each statement of your Plan account. Checks should be made payable to Computershare, should include your account number and should be payable in U.S. dollars.

Additionally, you may choose to make voluntary cash payments through monthly pre-authorized deductions from your checking or savings account at no cost to you. A Direct Debit Authorization form to establish an automatic monthly deduction from a checking or savings account may be obtained by contacting the Plan Administrator (via any of the methods listed in Question 3) or by downloading the form from our website at www.pnc.com (at About PNC > Investor Relations > Shareholder Services > Dividend Reinvestment & Stock Purchase Plan > Downloadable Forms). Automatic monthly deductions can also be set up through the Computershare Investor Centre link on our website (at About PNC > Investor Relations > Shareholder Services > Dividend Reinvestment & Stock Purchase Plan).

Table of Contents

Any voluntary cash payment received by the Plan Administrator will be applied to the purchase of shares of Common Stock on the applicable Investment Date as described in Questions 8 and 15, depending on when the payment is received, at a price determined in accordance with the provisions of the Plan (See Questions 8 through 10). No interest will be paid on uninvested voluntary cash payments. You may obtain the return of any voluntary cash payment if such request is received in writing or by telephone by the Plan Administrator on or before the third business day prior to the Investment Date on which it is to be invested.

In the event that any Participant's check for a cash contribution is returned unpaid for any reason, or an electronic funds transfer is not effected, the Plan Administrator will consider the request for investment of such funds null and void. If any shares were purchased for the Participant's Plan account upon the prior credit of such funds, the Plan Administrator shall immediately remove those shares from such Participant's Plan account. The Plan Administrator shall thereupon be entitled to sell the shares to satisfy any uncollected amount plus any applicable fees. If the net proceeds from the sale of such shares are insufficient to satisfy the balance of such uncollected amounts, the Plan Administrator shall be entitled to sell such additional shares from the Participant's Plan account as may be necessary to satisfy the uncollected balance.

15. Are there limitations on voluntary cash payments?

Voluntary cash payments to be applied to the purchase of shares on any given Investment Date must be received by the Plan Administrator no later than the fifth business day prior to such Investment Date. Voluntary cash payments received after such time will be held without interest for investment on the succeeding Investment Date for voluntary cash payments unless the five-day time period is waived by the Plan Administrator. Voluntary cash payments may not be less than \$50 per payment and such payments on behalf of any Participant may not aggregate more than \$10,000 per month. PNC reserves the right in its sole discretion to determine whether voluntary cash payments are made on behalf of a particular Participant.

Reports to Participants

16. What kind of reports will be sent to Participants in the Plan?

A Dividend Reinvestment Plan statement will be mailed to each Participant as soon as practicable after each investment. These statements will provide a record of cost information and should be retained for tax purposes. Each Participant will also receive copies of PNC's annual reports to shareholders, proxy statements and information for income tax reporting purposes. If you have deposited other PNC stock certificates for safekeeping with the Plan Administrator as discussed in Question 17, you will receive information with respect to such shares in your regular Dividend Reinvestment Plan statement.

Share Certificates/Safekeeping

17. Will certificates be issued for shares of Common Stock purchased under the Plan?

Unless requested by a Participant, certificates for shares of Common Stock purchased under the Plan will not be issued. The number of shares credited to your account under the Plan will be shown on your statement of account. This safekeeping feature protects against loss, theft or destruction of stock certificates. You may choose to have the Plan Administrator hold in safekeeping the certificates for other shares of PNC stock you own. To deposit such additional shares, forward the certificate(s) to the Plan Administrator with the form located on the back of your Dividend Reinvestment Plan statement. We recommend that, when sending share certificates to the Plan Administrator for safekeeping, you do not sign the certificates and you send the certificates by courier service, certified mail or other traceable delivery service.

Withdrawal of Shares in Plan Accounts

18. How can you withdraw shares purchased under the Plan?

You may withdraw all or a portion of the shares of Common Stock credited to your account (or held in safekeeping) by completing and returning the form on the back of your Dividend Reinvestment Plan statement or

Table of Contents

by providing detailed instructions in writing to the Plan Administrator at the address listed in Question 3, being certain to include the name of your stock (PNC) and your Plan account number. Whole shares of Common Stock so withdrawn will be issued to you electronically as direct registration shares or, if you specifically request, a physical stock certificate will be issued to you for such shares, in each case without charge, usually within 14 days of the receipt of such notification by the Plan Administrator.

You should note that any requests to withdraw shares received after a dividend record date but before the payment date will not be effective as to the shares purchased for your account with the cash dividends paid for such record date. If you wish to request the withdrawal of those shares as well, you must submit a separate request to withdraw those shares after such shares have been purchased and credited to your account.

If you were reinvesting cash dividends prior to withdrawing shares from your Plan account, cash dividends will continue to be reinvested on those shares unless you have requested in writing to discontinue dividend reinvestment.

19. What happens to any fractional interest when you withdraw shares purchased under the Plan?

Any fractional interest withdrawn will be liquidated by the Plan Administrator on the basis of the then current market value of the Common Stock (calculated based on the high and low prices for the Common Stock on the date of liquidation) and a check will be issued for the proceeds. In no case will a certificate representing a fractional interest be issued.

Discontinuation of Dividend Reinvestment

20. How do you discontinue all dividend reinvestment participation under the Plan?

You may discontinue participation under the Plan as to all of your shares of Common Stock and Preferred Stock by notifying the Plan Administrator in writing or by completing and returning the form located on the back of your Dividend Reinvestment Plan statement. You may also discontinue your participation by using the Computershare Investor Centre link on our website at www.pnc.com (at About PNC > Investor Relations > Shareholder Services > Dividend Reinvestment & Stock Purchase Plan). Any notice of discontinuation received after a dividend record date but before the payment date may not be effective until cash dividends paid for such record date have been reinvested and the shares credited to your account. If, after discontinuation, there are fewer than five shares remaining in your Plan account, PNC will have the right, but will not be obligated, to issue those shares to you (either electronically as direct registration shares or, if you expressly request, through the issuance of physical certificates in your name) and to liquidate any fractional interest in accordance with the provisions of the Plan.

Any Participant who elects to discontinue all dividend reinvestment participation will no longer be eligible to make voluntary cash payments.

Sale or Transfer of Shares

21. What procedures should be followed if you wish to sell shares?

If you wish to sell all or a portion of the shares credited to your Plan account, you have two options: (i) you can request the issuance of those shares (either as electronic direct registration shares or in the form of a physical stock certificate) in accordance with the procedures outlined in Question 18 and arrange to sell the shares through your broker; or (ii) you can sell the shares directly through the Plan by completing and returning the form located on the back of your Dividend Reinvestment Plan statement or by using the Computershare Investor Centre link on our website at www.pnc.com (at About PNC > Investor Relations > Shareholder Services > Dividend Reinvestment & Stock Purchase Plan).

Table of Contents

Through the Plan, you may sell both the shares credited to your Plan account and any shares that you have deposited for safekeeping with the Plan Administrator as discussed in Question 17. Subject to terms and conditions established by the Plan Administrator, you may be able to effect certain sale and withdrawal transactions via telephone or online. You can request to sell shares through the Plan during normal business hours. A sale request that is received before 1:00 p.m. Eastern Time, will, subject to market conditions and other factors, generally be sold the same day. A sale request that is received after 1:00 p.m. Eastern Time, will, subject to market conditions and other factors, generally be sold the following business day. You should note that the Plan Administrator cannot and does not guarantee the actual sale date or price, nor can it stop or cancel any outstanding sale or request for the issuance of shares (either as electronic direct registration shares or in the form of physical stock certificates). All requests are final. Shares sold in this manner will be subject to applicable fees.

Following each sale of shares through the Plan, you will receive a Dividend Reinvestment Plan statement from the Plan Administrator showing the date of sale, number of shares sold and sale price. As with other Plan statements received, you should retain these sale statements for your tax records. Proceeds from each sale of shares through the Plan will be remitted to you less applicable fees and any applicable taxes. Additional information regarding the sale of shares through the Plan may be obtained from the Plan Administrator.

Participants who are PNC restricted employees, designated unit employees, directors or their immediate family members are, under PNC Insider Trading rules, subject to certain restrictions on the timing of sales of Common Stock (See Question 28). In addition, all sales of shares must be made in compliance with applicable state and federal securities laws. The foregoing summary does not purport to describe those laws, and you should consult with your own legal advisers regarding the applicability of such laws to any sale of your shares.

Summary of Certain Federal Income Tax Consequences

22. What are the federal income tax consequences of participation in the Plan?

The Internal Revenue Service has ruled that shareholders participating in dividend reinvestment plans similar to the Plan are treated for federal income tax purposes as having received a taxable stock distribution equal to the fair market value of the amount of stock purchased with reinvested dividends (calculated under the Plan as the dollar amount of the reinvested dividends). To the extent distributions made by PNC to its shareholders are treated as made from PNC's earnings and profits, the distributions will be dividends taxable as ordinary income except to the extent that we designate any portion of such dividend as a capital gain dividend or as qualified dividend income pursuant to federal income tax rules. Qualified dividend income is taxable at the long-term capital gain rates for individuals. Based on PNC's historical practice of making dividend distributions from earnings and profits, participating shareholders can expect that the full amount of any distribution under the Plan will be a dividend taxable as ordinary income if paid after December 31, 2008 and as a qualified dividend if paid before January 1, 2009. Accordingly, Participants who purchase shares under the Plan through dividend reinvestment generally will recognize income in an amount equal to the fair market value of a share of Common Stock on the Investment Date multiplied by the number of shares purchased (including any fractional share). The tax basis for shares purchased under these circumstances will be equal to the fair market value of the shares on the Investment Date (calculated under the Plan as the purchase price for such shares). The holding period for such shares will commence on the day after the Investment Date.

The Internal Revenue Service also has ruled that purchases of stock with voluntary cash payments under a dividend reinvestment plan that contained provisions substantially similar to those for voluntary cash payments under the Plan did not result in income to participants making such purchases. Accordingly, Participants who purchase Common Stock under the Plan with voluntary cash payments should not recognize income in connection with such purchases. The tax basis of shares purchased under these circumstances will be equal to the purchase price. The holding period for such shares will commence on the day after the Investment Date.

In the case of any shareholder for whom federal income tax withholding on dividends is required and in the case of a foreign shareholder whose income is subject to federal income tax withholding, PNC will reinvest dividends net of the amount of tax required to be withheld.

Table of Contents

Dividends reinvested under the Plan by corporate shareholders may be eligible for the 70% dividends-received deduction.

A Participant whose fractional interest in a share of Common Stock is liquidated for cash under the Plan generally will recognize capital gain or loss in an amount equal to the difference between the cash payment and the Participant's tax basis in the fractional interest. Whether any such gain or loss will be taxed as long-term or short-term capital gain or loss will depend upon the Participant's holding period.

The foregoing summary of certain federal income tax consequences is general and does not purport to cover every situation. Moreover, it does not include a discussion of state and local income tax consequences of participation in the Plan. You should consult with your own tax advisers regarding the federal, state and local tax consequences in your particular circumstances.

Other Information

23. What happens if PNC issues a stock dividend, declares a stock split or has a rights offering with respect to Common Stock?

Any shares resulting from a stock dividend or stock split with respect to Common Stock (whole shares and any fractional interest) in your Plan account will be credited to your account. The basis for any rights offering will include the shares of Common Stock and any fractional interest credited to your Plan account. The number and class of shares subject to the Plan will be adjusted to reflect such events as stock dividends, stock splits, recapitalizations and like changes.

24. How will the shares of Common Stock credited to your Plan account be voted at a shareholders meeting?

If on the record date for a shareholders meeting there are shares of Common Stock credited to your account under the Plan, you will be sent proxy material for that meeting. You will be entitled to vote all shares of Common Stock (including fractional interests) credited to your Plan account. You may vote by proxy or in person at any such meeting.

25. What are the responsibilities and duties of the Plan Administrator?

The Plan Administrator receives the Participants' dividend payments and voluntary cash payments, invests such amounts in additional shares of Common Stock, maintains continuing records of each Participant's account, and advises Participants as to all transactions in and the status of their accounts. The Plan Administrator acts in the capacity of agent for the Participants.

There is a fee of \$10.00 for reproducing copies of previous year's statements, with a maximum cost of \$50.00.

All notices from the Plan Administrator will be addressed to you at your last address of record with the Plan Administrator. The mailing of a notice to your last address of record will satisfy the Plan Administrator's duty of giving notice to you. Therefore, you must promptly notify the Plan Administrator of any change of address.

In administering the Plan, the Plan Administrator will not be liable for any act or omission to act done in good faith, including, without limitation, any claim for liability arising out of failure to terminate a Participant's account upon such Participant's death prior to receipt of written notice of such death. The Plan Administrator shall have no duties, responsibilities or liabilities except such as are expressly set forth in the Plan.

All transactions in connection with the Plan shall be governed by the laws of the Commonwealth of Pennsylvania.

26. May the Plan be modified or discontinued?

PNC reserves the right to suspend or terminate the Plan at any time. It also reserves the right to make modifications to the Plan. PNC will endeavor to notify Participants of any such suspension, termination or modification, but the absence of notification will not affect the effectiveness of the suspension, termination or modification. In addition, PNC may adopt rules and procedures for the administration of the Plan, interpret the provisions of the Plan and make any necessary determinations relating thereto. Any such rules, procedures, interpretations and determinations will be final and binding.

27. May a Participant pledge shares held in the Participant's account under the Plan?

No. If you wish to pledge shares credited to your account, you must request the withdrawal of such shares from the Plan in accordance with the procedures outlined in Question 18.

28. Are there any special restrictions on the sale or transfer of shares of Common Stock purchased under the Plan?

Participants who are PNC restricted employees, designated unit employees, directors or their immediate family members are subject to PNC Insider Trading rules, which, among other things, impose certain restrictions on the timing of sales of Common Stock. For example, sales of Common Stock are prohibited during the period beginning 15 days before the end of a calendar quarter until the second business day after PNC releases its earnings results for that quarter. Sales or gifts of Common Stock by directors and certain employees designated as restricted employees or designated unit employees or their immediate family members are also subject to preclearance requirements. Participants who are directors or restricted employees or designated unit employees are strongly urged to review the applicable provisions of the PNC Code of Ethics for complete details.

Participants who are considered affiliates of PNC, which include PNC directors and certain senior executive officers, may only sell their shares of Common Stock acquired under the Plan in compliance with the resale provisions of Rule 144 under the Securities Act or as otherwise permitted under the Securities Act. Furthermore, Participants may not sell shares of Common Stock if they are aware of material nonpublic information concerning PNC or its securities.

29. Does participation in the Plan entail any risks?

Yes. Participation in the Plan involves the purchase of shares of Common Stock. In purchasing stock, Participants take a certain risk with their money. Stock prices may fall or rise depending on financial and other developments at PNC, as well as circumstances in the broad stock market. General economic conditions and political events can also influence stock prices. PNC cannot provide any assurance that shares purchased under the Plan will, at any particular time, be worth as much or more than their purchase price. In other words, there is a risk that if a Participant sells the shares of Common Stock, he or she will receive less than what was paid for the shares.

USE OF PROCEEDS

The net proceeds from the sale of the Common Stock offered pursuant to the Plan will be used for general corporate purposes, including, without limitation, investments in and advances to PNC's bank and nonbank subsidiaries, financings of possible future acquisitions, repayment of outstanding indebtedness, and, depending on a number of factors including, among others, the receipt of regulatory approvals if then required, repurchases of issued and outstanding shares of Common Stock or Preferred Stock under authorized programs of PNC. The amounts and timing of the application of proceeds will depend upon the future growth and financing requirements of PNC and its subsidiaries and the availability of other funds. Pending ultimate application, the net proceeds may be used to make short-term investments or reduce borrowed funds. In view of anticipated funding requirements, PNC may from time to time engage in additional financings of a nature and in amounts that have yet to be determined.

LEGAL OPINION

A legal opinion to the effect that the shares of Common Stock offered hereby, upon their issuance or sale in accordance with the terms of the Plan, shall be validly issued, fully paid and nonassessable, will be rendered for us by George P. Long, III, Esq., Corporate Secretary of PNC, One PNC Plaza, 249 Fifth Avenue, Pittsburgh, Pennsylvania 15222. Mr. Long beneficially owns, or has rights to acquire, an aggregate of less than 1% of PNC's common stock.

ITEM 15. INDEMNIFICATION OF DIRECTORS AND OFFICERS

Pursuant to Sections 1741-1743 of the Pennsylvania Business Corporation Law of 1988 (Act of December 21, 1988, P.L. 1444) (PA BCL), we have the power to indemnify our directors and officers against liabilities they may incur in such capacities provided certain standards are met, including good faith and the belief that the particular action is in, or not opposed to, the best interests of the corporation and, with respect to a criminal proceeding, that the director or officer had no reasonable cause to believe his or her conduct was unlawful. In general, this power to indemnify does not exist in the case of actions against a director or officer by or in the right of the corporation if the person entitled to indemnification shall have been adjudged to be liable to the corporation unless and to the extent that the person is adjudged to be fairly and reasonably entitled to indemnity. A corporation is required to indemnify directors and officers against expenses they may incur in defending actions against them in such capacities if they are successful on the merits or otherwise in the defense of such actions. Pursuant to Section 1745 of the PA BCL, PNC has the power to pay expenses (including attorneys fees) incurred by a director or officer in a proceeding in advance of the final disposition of the proceeding upon receipt of an undertaking by or on behalf of the director or officer to repay the amount if it is ultimately determined that he or she is not entitled to be indemnified by the corporation.

Section 1746 of the PA BCL provides that the foregoing provisions shall not be deemed exclusive of any other rights to which a person seeking indemnification may be entitled under, among other things, any by-law provision, provided that no indemnification may be made in any case where the act or failure to act giving rise to the claim for indemnification is determined by a court to have constituted willful misconduct or recklessness.

Our By-Laws provide for the mandatory indemnification of directors and officers in accordance with and to the full extent permitted by the laws of the Commonwealth of Pennsylvania as in effect at the time of such indemnification. Our By-Laws also eliminate, to the maximum extent permitted by the laws of the Commonwealth of Pennsylvania, the personal liability of directors for monetary damages for any action taken, or any failure to take any action as a director, except in any case such elimination is not permitted by law.

PNC has purchased directors and officers liability insurance covering certain liabilities that may be incurred by its directors and officers in connection with the performance of their duties.

ITEM 17. UNDERTAKINGS

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of a prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this Registration Statement, or that is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof;

(3) To remove from the registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering; and

(4) That, for the purpose of determining liability under the Securities Act to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. PROVIDED, HOWEVER, that no statement made in a registration statement or incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such

effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of a Registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this Registration Statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about an undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(h) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter had been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
