PROXY STATEMENT FOR 2006 ANNUAL MEETING OF STOCKHOLDERS

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Criticare Systems, Inc. (the Company), to be voted at the Annual Meeting of Stockholders to be held at the Company's headquarters, 20925 Crossroads Circle, Suite 100, Waukesha, Wisconsin 53186, at 4:00 p.m., local time, on Tuesday, December 19, 2006, and at any adjournments thereof, for the purposes set forth in the accompanying Notice of Meeting. The mailing of this Proxy Statement and accompanying form of proxy is being made on or about November 17, 2006.

GENERAL INFORMATION

The Board of Directors knows of no business which will be presented to the meeting other than the matters referred to in the accompanying Notice of Annual Meeting. However, if any other matters are properly presented to the meeting, it is intended that the persons named in the proxy will vote on such matters in accordance with their judgment. If the enclosed form of proxy is executed and returned, it nevertheless may be revoked at any time before it has been voted by a later dated proxy or a vote in person at the Annual Meeting. Shares represented by properly executed proxies received on behalf of the Company will be voted at the Annual Meeting (unless revoked prior to their vote) in the manner specified therein. If no instructions are specified in a signed proxy returned to the Company, the shares represented thereby will be voted (1) in **FAVOR** of the election of the nominees listed in the enclosed proxy as directors of the Company and (2) in **FAVOR** of the ratification of BDO Seidman, LLP as the Company's independent registered public accounting firm for the 2007 fiscal year.

Only holders of the Company's common stock, par value \$0.04 per share (the Common Stock), whose names appear of record on the books of the Company at the close of business on November 13, 2006 (the Record Date) are entitled to vote at the Annual Meeting. On that date, the only outstanding shares of capital stock of the Company were 12,297,215 shares of Common Stock. Each share of Common Stock is entitled to one vote on each matter to be presented at the meeting. The election of the directors requires the affirmative vote of the holders of a plurality of the shares represented, in person or by proxy, at the meeting and the ratification of the Company's independent registered public accounting firm require the affirmative vote of the holders of a majority of the shares represented, in person or by proxy, at the meeting. Abstentions and broker non-votes (*i.e.*, shares held by brokers in street name, voting on certain matters due to discretionary authority or instructions from the beneficial owners but not voting on other matters due to lack of authority to vote on such matters without instructions from the beneficial owner) will count toward the quorum requirement and will not count toward the determination of whether the directors are elected or the appointment of the independent registered public accounting firm is ratified.

ELECTION OF DIRECTORS

Pursuant to the authority contained in the By-Laws of the Company, the Board of Directors has established the number of directors of the Company at six. The Company's By-Laws provide that the Board of Directors will be divided into three classes as nearly equal in number as possible, with the term of one class expiring each year. The terms of two directors expire at the Annual Meeting. Accordingly, the Board of

Edgar Filing: CRITICARE SYSTEMS INC /DE/ - Form DEF 14A

Directors has nominated for re-election as directors Emil H. Soika and Stephen K. Tannenbaum, to each serve a term of three years until the 2009 Annual Meeting of Stockholders. Proxies cannot be voted for more than two candidates for director.

The directorship of Jeffrey T. Barnes is connected with the investment in the Company pursuant to the terms of a Purchase Agreement, dated as of October 17, 2000, among the Company, Oxford Bioscience Partners III L.P., Oxford Bioscience Partners (Bermuda) III Limited Partnership and mRNA Fund L.P.

As indicated below, the persons nominated by the Board of Directors are incumbent directors. The Company anticipates that the nominees will be candidates when the election is held. However, if for any reason any nominee is not a candidate at that time, proxies will be voted for any substitute nominee designated by the incumbent directors (except where a proxy withholds authority with respect to the election of a director).

The Board of Directors recommends that stockholders vote in FAVOR of the election of Emil H. Soika and Stephen K. Tannenbaum as directors of the Company.

Director Nominations

Edgar Filing: CRITICARE SYSTEMS INC /DE/ - Form DEF 14A

The Company has a standing Nominating and Corporate Governance Committee. Based on the review described under Director Independence, the Board of Directors has determined that each member of the Nominating and Corporate Governance Committee is independent under the applicable standards of the American Stock Exchange.

The Nominating and Corporate Governance Committee will consider director nominees recommended by stockholders. A stockholder who wishes to recommend a person or persons for consideration as a nominee for

election to the Board of Directors must send a written notice by mail, c/o Secretary, Criticare Systems, Inc., 20925 Crossroads Circle, Suite 100, Waukesha, Wisconsin 53186, that sets forth: (1) the name, address (business and residence), date of birth and principal occupation or employment (present and for the past five years) of each person whom the stockholder proposes to be considered as a nominee; (2) the number of shares of Common Stock beneficially owned (as defined by section 13(d) of the Securities Exchange Act of 1934) by each such proposed nominee; (3) any other information regarding such proposed nominee that would be required to be disclosed in a definitive proxy statement to stockholders prepared in connection with an election of directors pursuant to section 14(a) of the Securities Exchange Act of 1934; and (4) the name and address (business and residential) of the stockholder making the recommendation and the number of shares of the Company's Common Stock beneficially owned (as defined by section 13(d) of the Securities Exchange Act of 1934) by the stockholder making the recommendation. Stockholder recommendations will be considered only if received no less than 120 days nor more than 150 days before the date of the proxy statement sent to stockholders in connection with the previous year's annual meeting of stockholders.

The Nominating and Corporate Governance Committee will consider any nominee recommended by a stockholder in accordance with the preceding paragraph under the same criteria as any other potential nominee. The Nominating and Corporate Governance Committee believes that a nominee recommended for a position on the Company's Board of Directors must have an appropriate mix of director characteristics, experience, diverse perspectives and skills. Qualifications of a prospective nominee that may be considered by the Nominating and Corporate Governance Committee include:

personal integrity and high ethical character;

professional excellence;

accountability and responsiveness;

absence of conflicts of interest;

fresh intellectual perspectives and ideas; and

relevant expertise and experience and the ability to offer advice and guidance to management based on that expertise and experience.

The duties and responsibilities of the Company's Audit Committee are set forth in the Audit Committee Charter, which was attached as Appendix A to the Company's Proxy Statement delivered in connection with its 2004 Annual Meeting of the Stockholders.

Diaz, Vice President-Worldwide Sales; effective September 1, 2005, the Company entered into an amended and restated employment agreement with Emil H. Soika, President, Chief Executive Officer and Director; effective May 18, 2000, the Company entered into an employment agreement with Joseph P. Lester, Vice President and General Manager; effective November 10, 2006, the Company entered into an amended and restated employment agreement with Deborah A. Zane, Vice President-Marketing and Business Development; and effective August 8, 2005, the Company entered into an employment agreement with Joel D. Knudson, Vice President-Finance and Secretary. The agreements provide that Mr. Soika, Mr. Diaz, Mr. Lester, Ms. Zane, and Mr. Knudson will continue to receive their respective current compensation, with an annual review of the compensation within 30 days prior to the end of each fiscal year. Mr. Soika is eligible to participate in a cash bonus program and each of Mr. Soika, Mr. Diaz, Mr. Lester, Ms. Zane and Mr. Knudson is entitled to receive health and life insurance coverage and disability insurance. The Company may terminate Mr. Soika's, Mr. Diaz's, Mr. Lester's, Ms. Zane's and Mr. Knudson's respective employment at any time and any of

Mr. Soika, Mr. Diaz, Mr. Lester, Ms. Zane or Mr. Knudson may resign at any time. If the Company terminates their employment without cause at any time either prior to or after a change in control of the Company, Mr. Soika is entitled to receive payment of his base salary and his other employee benefits for 30 months, Mr. Diaz is entitled to receive payment of his total compensation and his other employee benefits for 24 months, Mr. Lester is entitled to receive payment of his total compensation and his other employee benefits for 18 months, Ms. Zane is entitled to receive payment of her base salary, commissions and her other employee benefits for 15 months, and Mr. Knudson is entitled to receive payment of his base salary and his other employee benefits for 12 months, respectively, from the date of termination. If Mr. Soika's, Mr. Diaz's, Mr. Lester's, Ms. Zane's or Mr. Knudson's employment is terminated for cause, or if they resign, before a change in control of the Company, the terminated employee will not be entitled to receive any base salary or other benefits for periods after the termination date.

Each of Mr. Soika, Mr. Diaz, Mr. Lester and Ms. Zane has agreed not to compete with the Company during employment and not to solicit customers or employees for a period of 12, 12, 18 and 12 months, respectively, after any voluntary termination of employment or any termination by the Company with or without cause. Mr. Soika, Mr. Diaz, Mr. Lester, Ms. Zane and Mr. Knudson have each agreed to maintain the confidentiality of the Company's financial statements and other financial information.

Effective September 28, 2006, the employment agreements were amended to replace the prior definition of a change in control with a new, more complete definition which includes the following changes: (i) a change in control now includes a change in the composition of a majority of the board of directors of the Company (except with the approval of at least a majority of the incumbent directors); and (ii) a change in control will occur upon a change in the ownership of 50% or more (in lieu of the prior threshold of 51% or more) of the outstanding stock or voting power of the Company. In addition, Mr. Diaz's agreement was amended, to reflect a commitment to Mr. Diaz previously made in June 2006, to increase his severance period from 12 months to 24 months following a voluntary termination of employment by Mr. Diaz after a change in control or a termination of employment by the Company without cause at any time either before or after a change in control, and to eliminate the termination of the severance if he secures alternative employment during the severance period and the requirement that he complete three months of employment after a change in control. Ms. Zane's entered into a new employment agreement on November 10, 2006 that includes this new definition of a change in control.

The amended employment agreements provide that if the Company experiences a change in control, and Mr. Soika, Mr. Diaz or Ms. Zane voluntarily terminates his or her employment for any reason after the change in control, or Mr. Lester or Mr. Knudson voluntarily terminates his employment for any reason after completing three months of employment after the change in control: Mr. Soika is entitled to receive payment of his base salary and other employee benefits for 30 months after the date of termination; Mr. Diaz is entitled to receive payment of his total compensation and other employee benefits for 24 months after the date of termination; Mr. Lester is entitled to receive payment of his total compensation and other employee benefits for 18 months after the date of termination, or until Mr. Lester secures alternative employment, whichever period is shorter; Ms. Zane is entitled to receive payment of her base salary, commissions and her other employee benefits for 15 months after the date of termination or until Ms. Zane secures alternative employment, whichever period is shorter; and Mr. Knudson is entitled to receive payment of his base salary and other employee benefits for 12 months after the date of termination, or until Mr. Knudson secures alternative employment, whichever period is shorter.

Stock Option Plans

On November 14, 2003, the Company adopted the Criticare Systems, Inc. 2003 Stock Option Plan (the "2003 Plan"), which was amended effective December 1, 2005. Pursuant to the adoption of the 2003 Plan, no new stock options can be granted under the stock option plans which existed prior to the approval of the 2003 Plan (collectively, the "Old Plans"), although the Company may regrant existing stock options under the Old Plans to extend the terms of such stock options. The 2003 Plan provides for the grant to directors, officers and employees of the Company and to other persons who provide services to the Company of options covering shares

of Common Stock, shares of restricted stock and stock appreciation rights. The 2003 Plan is administered by the Compensation Committee of the Board of Directors which has discretion to select grantees, designate the number of shares to be covered by each award, establish vesting schedules, specify the amount and type of consideration to be paid to the Company on exercise, and to specify certain other terms of the awards. The exercise price of options and stock appreciation rights granted under the 2003 Plan must be at least 100% of the fair market value of the Common Stock on the date of grant.

The Company has reserved 930,000 shares of Common Stock for issuance under the 2003 Plan, subject to adjustment for certain dilutive events. At the end of fiscal 2006, options to purchase 422,688 shares were outstanding under the 2003 Plan and options to purchase 121,000 shares were outstanding under the Old Plans. During fiscal 2006, options were granted to purchase 45,000 shares of Common Stock under the 2003 Plan at an average per share exercise price of \$4.90. All options were granted with exercise prices no less than the market price on the grant date. In addition, during fiscal 2006, options to purchase 3,375 shares of Common Stock at an average per share exercise price of \$3.05 were canceled under the 2003 Plan, options to purchase 81,250 shares of Common Stock at an average per share exercise price of \$2.48 were canceled under the Old Plans, options to purchase 7,375 shares of Common Stock at an average exercise price per share of \$3.01 were exercised under the 2003 Plan and options to purchase 465,670 shares of Common Stock at an average exercise price per share of \$2.56 were exercised under the Old Plans. A total of 495,875 shares of Common Stock remain available for future grants under the 2003 Plan.

The following table provides certain information regarding stock options granted to the named executive officers of the Company during the fiscal year ended June 30, 2006.

Retirement Plan

Effective April 1, 1991, the Company adopted a 401(k) plan, which covers substantially all employees who have completed three months of employment. Under the plan, eligible employees can contribute up to \$15,000 of pre-tax compensation for investment in a trust under the plan during the calendar year 2006. The Company matches 50% of the first 4% of employee contributions made, subject to annual approval by the Board of Directors. Employee contributions, within certain limitations, are considered tax deferred under the provisions of section 401(k) of the Internal Revenue Code. Withdrawals of tax deferred amounts may be made upon termination of employment or earlier in the event of certain defined hardship situations. Contributions made or accrued by the Company for named executive officers are included under the All Other Compensation column in the Summary Compensation Table.

Other than the 401(k) plan, the Company does not maintain any pension, profit sharing, retirement or similar plans.

COMPENSATION COMMITTEE REPORT

The objectives of the Company's compensation program are to attract and retain the best available executives, to motivate these executives to achieve the Company's business goals and to recognize individual contributions as well as overall business results. To achieve these objectives,

the Company reviews its compensation program on a regular basis and attempts to tie a portion of each executive's potential compensation to Company performance.

The key elements of the Company's executive compensation program consist of fixed compensation, in the form of base salary, and variable compensation, which is more directly tied to Company performance, through stock option awards, sales commissions and bonuses. In determining each element of compensation to be awarded to an executive officer, the Compensation Committee considers the executive's overall benefit package as well as the executive's responsibilities and experience. The Compensation Committee also considers the competitive marketplace for executive talent, including, to the extent possible, a comparison to compensation packages for executives with similar levels of experience and responsibility at other companies. The results of the compensation review referenced above included new base salaries for the Company's executive officers. Effective April 1, 2006, the Compensation Committee of the Company's Board of Directors approved an increase in the base salaries for Mr. Soika from \$250,000 to \$262,000 and Mr. Knudson from \$125,000 to \$140,000.

In fixing the stock option grants, the Committee considers the current stock holdings of each eligible officer, their responsibilities and historical and anticipated future contributions to the Company's performance. The Committee believes that selective grants of stock options promote a commonality of interest between the Company's officers and its stockholders by giving the Company's officers added incentives to maximize the Company's stock price. The 2003 Plan also authorizes the issuance of shares of restricted stock and stock appreciation rights, although to date the Company has not made any grants of restricted stock or stock appreciation rights.

Compensation of Chief Executive Officer

During fiscal 2006, the Compensation Committee reviewed the compensation package of Mr. Soika, the Company's President and Chief Executive Officer. During fiscal 2006, Mr. Soika received a base salary of \$248,833, and in accordance with its review of Mr. Soika's compensation, the Compensation Committee of the Company's Board of Directors approved an increase in the base salary for Mr. Soika from \$250,000 to \$262,000 which was effective April 1, 2006. Additionally, as reported in the 2005 Proxy Statement, based upon fiscal 2005 performance, the Compensation Committee approved a discretionary cash bonus of \$40,000 for Mr. Soika payable in fiscal 2006. Mr. Soika was not awarded any stock options under the 2003 Plan in fiscal 2006.
