**Section 1 Registrant's Business and Operations**

**Item 1.01. Entry into a Material Definitive Agreement.**

On January 11, 2007, Foundry Park I, LLC, a wholly owned subsidiary (the Landlord) of NewMarket Corporation (the Company), entered into a Deed of Lease Agreement (the Lease) with MeadWestvaco Corporation (the Tenant), pursuant to which the Tenant will lease a building (the Building) to be built on approximately 3.2 acres of real property (the Real Property) owned by the Landlord. The Real Property is part of a larger office park and mixed use development known as Foundry Park, consisting of two parcels, the Real Property and the Foundry Park II Parcel. The Building is designed to include approximately 315,000 rentable square feet of building space. In addition to the Building, the Tenant has the right to parking facilities that are expected to contain approximately 1,050 parking spaces, and the right to use all common areas within the Building and Foundry Park.

The Landlord plans to invest between approximately \$110 million and \$140 million in completing construction of the Building, approximately 80% of which the Landlord expects to finance through construction and permanent indebtedness, either on a recourse or non-recourse basis. The Landlord expects construction to require at least two years to complete. The Lease, which will cover the entire Building, is a long-term lease with lease payments at competitive market rates.

This summary of the Lease does not purport to be complete. A copy of the Lease will be filed as an exhibit to the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2006.
