EXPLANATORY STATEMENT

Explanatory Statement for Resolutions mentioned under Item Nos. 1 to 5 pursuant to Section 173(2) of the Companies Act, 1956

Item Nos.1 to 3:

Company's strategic plans and fund requirements: The Company has major growth plans for expanding its product range and presence in the domestic and global markets in commercial and passenger vehicles, including through strategic alliances and acquisition opportunities.

As part of the Company's strategy, the Company on June 2, 2008, acquired the Jaguar Land Rover business from Ford Motor Company, U.S. The acquisition was at a purchase consideration of US\$ 2.3 billion (equivalent to about Rs.9,500 crores) and comprised the global, profitable business of Jaguar Land Rover including brands, intellectual property rights, three major manufacturing and two advanced design and engineering facilities in U.K. and sales operations in several countries in Europe, North America and rest of the world. The Jaguar Land Rover vehicles achieved sales of about 2,86,000 vehicles and the business recorded revenues of nearly US\$ 15 billion in the calendar year ended December 2007. Jaguar and Land Rover are iconic, global brands with a great heritage - Jaguar cars are in the high-end sporty Sedan segment and Land Rover vehicles are in the high-end, all-terrain 4x4 SUV segment. The purchase consideration and other requirements in connection with the acquisition, including contingencies, was financed upfront through internal resources of US \$ 500 million and a short term Bridge Financing Facility of US\$ 3 billion availed from a syndication of banks in respect of the purchase consideration and other contingent requirements in connection with the acquisition. The repayment of the said Bridge Financing Facility is proposed to be undertaken through the Company's long term funding plans (as already announced) as under:-

- a. Raise upto Rs.7,200 crores now through simultaneous but unlinked Rights Issues of the following securities:-
 - i. Ordinary Shares upto Rs.2,200 crores;
 - ii. A Ordinary Shares carrying differential voting rights (1 vote for every 10 A Ordinary Shares) upto Rs.2,000 crores;
 - iii. 5-year 0.5% Cumulative Preference Shares upto Rs.3,000 crores, optionally convertible into Ordinary Shares or A Ordinary Shares after 3 years but before 5 years from the date of allotment.
- b. Raise about US\$ 500 / 600 million (equivalent to about Rs. 2,600 crores) now out of the approval sought for US\$ 1 billion through an appropriate issue of Securities in the international market as set out in the Resolution at Item No.3 of the Notice on terms to be decided by the Board depending on capital market conditions.
- c. Raise balance amount, as may be considered necessary after considering contingencies, through an appropriate debt / offer of said Securities (within the overall approval sought of US\$ 1 billion).

The detailed terms of the above mentioned issues, including the exact quantum of Ordinary Shares and/or A Ordinary Shares will be finalised by the Board after the prescribed procedure and documentation are completed and the Company is ready to launch the issues. The issues are subject to such approvals as may be required and may undergo some revision in the process.

In addition, the Company will continue to pursue its growth plans in its commercial and passenger vehicle businesses in India and overseas, through introduction of new products/variants, setting up, expanding and modernizing its manufacturing facilities and investing in technology/capabilities, supported by focused and strong sales, distribution and service setup. These would be appropriately funded over the next few years.

Increase in Authorised Share Capital: The present paid up Ordinary Share Capital of the Company is Rs.385.61 crores and in order to provide for the above said capital raising plans, the present Authorised Capital of the Company of Rs.450 crores in Ordinary Shares is proposed to be increased

to Rs.3,900 crores comprising of (a) Ordinary Shares aggregating Rs.700 crores, A Ordinary Shares aggregating Rs.200 crores and (b) Convertible Cumulative Preference Shares aggregating Rs.3,000 crores as set out in Resolution at Item No.1 of the Notice. Consequently, it is proposed to make appropriate alterations in the Memorandum and Articles of Association of the Company to reflect the changes in the Authorised Share Capital of the Company, to authorise the issue of the A Ordinary Shares with differential rights as to voting and/or dividend and to incorporate the rights of the A Ordinary Shares and the Convertible Cumulative Preference Shares.

The Articles of Association state that the capital of the Company is as reflected in Clause V of the Memorandum of Association from time to time and hence, does not need an alteration.

Issuance of A Ordinary Shares: As stated above, the creation and issue of A Ordinary Shares having differential rights as to voting and/or dividend will require alterations to the Memorandum and Articles of Association of the Company to authorise the issue of the A Ordinary Shares and set forth their rights.

The details in respect of the A Ordinary Shares that would be issued pursuant to the said Rights Issues and the Resolution at Item No.3 of the Notice, including the disclosures required under the Companies (Issue of Share Capital with Differential Voting Rights) Rules, 2001, are as under:

- (a) The A Ordinary Shares would have voting rights at the rate of 1 vote for every 10 A Ordinary Shares in a poll. If the shareholding of any of the A Ordinary Shareholders is less than 10 A Ordinary Shares or not in multiples of 10, such A Ordinary Shareholder shall not be entitled to any vote in respect of the number of A Ordinary Shares that the A Ordinary Shareholder holds in excess of the closest multiple of 10.

Illustration: 39 A Ordinary Shares shall entitle the holder thereof to 3 votes in a poll.

- (b) The A Ordinary Shares shall rank in all respects *pari passu* with the Ordinary Shares, except as specified in (a) above.

- (c) Other disclosures:

The Company will not convert its Ordinary Shares into A Ordinary Shares or the A Ordinary Shares into Ordinary Shares. The A Ordinary Shares will not at any time exceed 25% of the total issued Ordinary Share (including A Ordinary Share) Capital of the Company. The voting rights relating to the A Ordinary Shares shall not vary and shall, at all times, be at the rate stated above. The A Ordinary Shares shall entitle the holder thereof only to further A Ordinary Shares, in the event of any bonus issue or rights issue made by the Company in accordance with the Act, the Companies (Issue of Share Capital with Differential Voting Rights) Rules, 2001 and the Articles of Association of the Company.

Issuance of Convertible Cumulative Preference Shares: As stated above, the creation and issue of Convertible Cumulative Preference Shares having differential rights as to voting and/or dividend will require alterations to the Memorandum and Articles of Association of the Company to set forth the rights of the Convertible Cumulative Preference Shares.

The Convertible Cumulative Preference Shares would carry rights as contained in the Resolution at Item No. 2 of the Notice.

Further issuances of securities under Section 81(1A) of the Act: To the extent that any part of the above mentioned proposed capital raising plan includes issue of securities linked to or convertible into Ordinary Shares and/or A Ordinary Shares to persons other than the members of the Company, Members approval is being sought under Section 81 of the Act, which provides, *inter alia*, that whenever it is proposed to increase the subscribed capital of a company by allotment of further shares, such further shares shall be offered to the persons who on the date of the offer are holders of

the Ordinary Shares of the company in proportion to the capital paid-up on that date unless the members in a general meeting decide otherwise. The Listing Agreements executed by the Company with the various Stock Exchanges also provide that the Company shall, in the first instance, offer all securities for subscription *pro rata* to the Members, unless the Members in a general meeting decide otherwise.

For the information of the Members, it is presently estimated that the proposed Rights Issues and the issue(s) in the international market would result in the total Ordinary Share Capital of the Company (including A Ordinary Shares) increasing by about 30% to 35% during the current financial year. If the Convertible Cumulative Preference Shares are converted between 2011-2013, the Ordinary Share Capital (including A Ordinary Shares) is estimated to increase by about 12% at that time, depending on the conversion price and if not converted, the said shares would be redeemed at a premium, if any, in 2013. The issue of the Convertible Cumulative Preference Shares, Ordinary Shares and/or A Ordinary Shares would raise the required resources, improve the debt/equity ratio of the Company and facilitate future debt raising by the Company for its other growth plans. Considering the size of the said acquisition of US\$ 2.3 billion (equivalent to Rs.9,500 crores) and the scale of Jaguar Land Rover's global operations (revenues of nearly US\$ 15 billion), the increase in the capital of the Company in 2 stages through the proposed issues is considered prudent and appropriate by the Board.

A copy of Memorandum and Articles of Association of the Company together with the proposed alterations is available for inspection by the Members of the Company at its Registered Office between 10 a.m. to 1 p.m. on any working day of the Company.

The proposed issues are in the interest of the Company and your Directors commend the Resolutions at Item Nos. 1 to 3 for approval.

The Directors of the Company may be deemed to be concerned or interested in the Resolution at Item No.3 to the extent of Securities that may be subscribed to by the companies/institutions of which they are Directors or Members.

Item Nos.4 & 5: Under Section 293(1)(d) of the Act, the Board of Directors of a company cannot, except with the consent of the company in a general meeting, borrow monies, apart from temporary loans obtained from the company's bankers in the ordinary course of business, in excess of the aggregate of the paid-up capital and free reserves of the company, that is to say, reserves not set apart for any specific purpose. The Members, at the Annual General Meeting of the Company held on July 9, 2007, had accorded their consent to the Board of Directors borrowing upto Rs.12,000 crores. To meet the capital expenditure requirements and for additional working capital needs, as also to provide for the issue of any debt/debt related instrument in the Indian and/or international market, it is necessary to enhance the present borrowing limit. The Members approval is therefore being sought pursuant to Section 293(1)(d) of the Act to increase the borrowing limit to Rs.20,000 crores. Even with the proposed borrowing, the debt equity ratio will be within normally accepted prudential accounting norms.

The proposed borrowings of the Company may, if necessary, be secured by way of a charge, mortgage, hypothecation of the Company's assets in favour of the security holders, trustees for the holders of the said securities. As the documents to be executed between the security holders, trustees for the holders of the said securities and the Company may contain the power to take over the management of the Company in certain events, it is necessary for the Company to pass a Resolution under Section 293(1)(a) of the Act, for creation of charges, mortgages and hypothecations for an amount not exceeding Rs.20,000 crores at any point of time.

The above proposals are in the interest of the Company and your Directors commend the said Resolutions at Item Nos. 4 and 5 of the Notice for approval by the Members.
