The information set forth in the Exhibits to this Statement on Schedule 13D is hereby expressly incorporated herein by reference, and the responses to each item of this Statement on Schedule 13D are qualified in their entirety by the provisions of such Exhibits.

Item 2. Identity and Background

This Statement on Schedule 13D is being filed by Bank of Montreal (BMO), a chartered bank in Canada, Harris Financial Corp. (HFC), a Delaware corporation, and Harris Bankcorp, Inc. (Harris), a Delaware corporation (collectively, the Reporting Persons). The Reporting Persons entered into an agreement of joint filing, dated January 12, 2009, a copy of which is attached as Exhibit 2.01.

BMO wholly owns HFC. HFC wholly owns Harris. Bank of Montreal Holding Inc. is a wholly-owned subsidiary of BMO. Bank of Montreal Securities Canada Limited is a wholly-owned subsidiary of Bank of Montreal Holding Inc. (Harris SBSB) is a wholly-owned subsidiary of Harris RIA Holdings, Inc., which in turn is a wholly-owned subsidiary of HFC.

The principal office of BMO is 100 King Street West, 1 First Canadian Place, Toronto, Ontario, M5X 1A1. The principal office of HFC is 111 W. Monroe Street, Chicago, Illinois 60603. The principal office of Harris is 111 W. Monroe Street, Chicago, Illinois 60603.

BMO is a chartered bank under the Bank Act of Canada. HFC is a financial holding company. Harris is a bank holding company headquartered in Chicago.

The name, residence or business address, position, present principal occupation or employment, the name and, if other than any Reporting Person, the principal business and address of any corporation or organization in which such employment is conducted and citizenship of each director and executive officer of each Reporting Person are set forth in the attached Schedule A.

Except as described below, during the last five years, none of the Reporting Persons and, to the best of the Reporting Persons' knowledge, none of the persons listed on Schedule A attached hereto, has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or was a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

During the period Ms. Guylaine Saucier was a director of Nortel Networks Corporation (Nortel), Nortel and its principal operating subsidiary Nortel Networks Limited (NNL) failed to file certain of their financial statements on a timely basis. In light of the foregoing, on May 17, 2004 the Ontario Securities Commission issued an order prohibiting, effective immediately, all trading by directors, officers and certain then current and former employees in the securities of Nortel and NNL. Two other Canadian securities commissions issued similar orders. The last of the cease trade orders were lifted by the relevant securities commissions in Canada on June 23, 2005. Ms. Guylaine Saucier is no longer a director of Nortel.

Item 3. Source and Amount of Funds or Other Consideration

Of the shares reported hereby as beneficially owned by the Reporting Persons, 100 shares of Common Stock (the *Trust Shares*) are held in a bona fide fiduciary capacity in certain trust or investment accounts for the account of third parties. 91 shares of the Trust Shares are beneficially owned by the Reporting Persons and Harris N.A. and 9 shares of the Trust Shares are beneficially owned by BMO, HFC, Harris RIA Holdings, Inc. and Harris SBSB. The Trust Shares and the 2 shares of Common Stock (the *Allocated Shares*) reported hereby as beneficially owned by BMO, Bank of Montreal Holding Inc., Bank of Montreal Securities Canada Limited, BMO Nesbitt Burns Corporation Limited and BMO Nesbitt Burns Inc. were received by the Reporting Persons or their subsidiaries through pro rata distribution of the Common Stock as part of the spin-off of the Issuer from The Phoenix Companies, Inc. on December 31, 2008. No consideration was paid by the Reporting Persons or their subsidiaries in receipt of the Trust Shares.

On October 30, 2008, Harris entered into an Investment and Contribution Agreement (the *Investment Agreement*), by and among Harris, Phoenix Investment Management Company, the Issuer and The Phoenix Companies, Inc. Pursuant to the Investment Agreement, Harris agreed to purchase certain securities of the Issuer in a two step transaction as follows: (i) 9,783 shares of Series A Non-Voting Convertible Preferred Stock, par value \$0.01 per share (the *Series A Preferred Stock*), for an aggregate purchase price of \$1 at the first closing (which occurred on October 31, 2008), and (ii) 35,217 shares of the Series B Voting Convertible Preferred Stock, par value \$0.01 per share (the *Series B Preferred Stock* and, together with the Series A Preferred Stock, the *Preferred Stock*), for an aggregate purchase price of \$35 million at the second closing (which occurred on December 31, 2008). In accordance with the Investment Agreement, at the second closing, Harris also exchanged all of the shares of Series A Preferred Stock it acquired at the first closing for the same number of shares of the Series B Preferred Stock. After giving effect to the purchase at the second closing and the exchange, the Reporting Persons beneficially own in the aggregate 45,000 shares of Series B Preferred Stock. The source of the consideration paid to acquire the Series A Preferred Stock on October 31, 2008 and the Series B Preferred Stock on December 31, 2008 was working capital of Harris.

Item 4. Purpose of Transaction

As of the date of this Statement on Schedule 13D, except as set forth below, none of the Reporting Persons nor, to the best knowledge of the Reporting Persons, any of the persons listed in Schedule A, has any current plans or proposals that relate to or would result in any of the actions set forth in subparagraphs (a) through (j) of Item 4 of Schedule 13D. However, as part of their ongoing evaluation of this investment, the Reporting Persons may formulate new plans or proposals which could relate to or which could result in one or more of the actions referred to in subparagraphs (a) through (j) of Item 4 of Schedule 13D.

The Trust Shares and the Allocated Shares were received by the Reporting Persons or their subsidiaries through pro rata distribution of the Common Stock as part of the spin-off of the Issuer from The Phoenix Companies, Inc. on December 31, 2008. The shares of Preferred Stock were acquired for investment purposes only. The 45,000 shares of Series B Preferred Stock beneficially owned by the Reporting Persons, if converted into Common Stock at the current conversion rate of 38.3139 shares of Common Stock per each share of Preferred Stock, will result in the Reporting Persons beneficially owning, in the aggregate, 1,724,126 shares of Common Stock (in addition to the Trust Shares and the Allocated Shares). The Reporting Persons currently intend to hold any shares of Common Stock to be issued upon conversion of any shares of the Series B Preferred Stock or to be acquired in the future for investment purposes only.

Board of Directors Membership

In accordance with the Investment Agreement, the Issuer has agreed to promptly cause one person nominated by Harris and one person elected by the holders of the Preferred Stock in accordance with the certificate of designations of the Preferred Stock to be elected or appointed to the board of directors of the Issuer (the *Board of Directors*). So

long as Harris beneficially owns at least 10% of the outstanding shares of Common Stock (including for this purpose any shares of Common Stock issuable upon the conversion of the Preferred Stock and certain additional securities Harris may acquire pursuant to its additional financing right (as described below)), subject to satisfaction of certain requirements, the Issuer will be required to recommend to its stockholders the election of a designate of Harris to the Board of Directors at the Issuer's annual meeting. For as long as at least 66 2/3% of the aggregate shares of the Series B Preferred Stock issued on the second closing remain outstanding, the holders of a majority of the then outstanding shares of the Series B Preferred Stock shall have the exclusive right, voting separately as a class, to appoint and elect one director.

Restrictions On Transfer

Until the thirty-month anniversary of the date of the second closing, Harris is not permitted to transfer, sell, assign or otherwise dispose of (Transfer) any Preferred Stock, or shares of Common Stock issuable upon conversion of any shares of Preferred Stock, acquired pursuant to the Investment Agreement; provided, that, except for Transfers pursuant to Rule 144 under the Securities Act of 1933 or a registered offering, any Transfer permitted in accordance with the provisions of the Investment Agreement must not (i) cause certain regulatory events or consequences set forth in the Investment Agreement or (ii) be made to certain competitors of the Issuer or their controlled affiliates. Notwithstanding the foregoing, Harris will be permitted to Transfer any portion or all of its Preferred Stock or shares of Common Stock issuable upon conversion of any shares of Preferred Stock at any time under the following circumstances: (1) Transfers to any affiliate under common control with Harris ultimate parent entity but only if the transferee agrees in writing for the benefit of the Issuer to be bound by the terms of the Investment Agreement; (2) Transfers pursuant to a merger, tender offer or exchange offer or other business combination, acquisition of assets or similar transaction or change of control involving the Issuer or certain of its subsidiaries; (3) Transfers commenced after the commencement of bankruptcy or insolvency proceedings; (4) Transfers made in connection with a pledge to a financial institution to secure a bona fide debt financing and any foreclosure of such pledge and subsequent sale of the securities; and (5) Transfers made with the prior written consent of the Issuer.

Standstill and Voting Limitations

In addition, pursuant to the Investment Agreement, Harris agreed that, until the three-year anniversary of the second closing date, without the prior written approval of the Issuer, neither Harris nor any of its controlled affiliates will (a) acquire beneficial ownership of any Common Stock or other securities issued by the Issuer if such acquisition would result in Harris and its affiliates having beneficial ownership of more than 23.0% of the outstanding shares of Common Stock, other than solely as a result of the exercise of the additional financing right or any other rights, entitlements or obligations set forth in the Investment Agreement, the certificate of incorporation of the Issuer or the certificate of designations of the Preferred Stock; provided, however, that Harris or its controlled affiliates will, directly or indirectly, be entitled to acquire in any trading market on which securities issued by the Issuer or certain of its subsidiaries are listed or quoted beneficial ownership of any Common Stock or other securities issued by the Issuer, so long as such acquisition would not result in Harris having beneficial ownership of Common Stock representing more than 24.9% of the outstanding shares of Common Stock (calculated on a fully diluted basis) at the time of acquisition or, subject to certain exceptions, so long as any resulting increase in the beneficial ownership of Harris and its affiliates (as a percentage of the outstanding fully-diluted Common Stock) is less than or equal to a prior reduction in such beneficial ownership resulting from the issuance by the Issuer of shares of Common Stock (or securities convertible into or exchangeable therefor) pursuant to any employee benefit plan or other equity-based awards to employees or directors; (b) enter into or otherwise be involved in or part of, any acquisition transaction, merger or other business combination relating to all or part of the Issuer or certain of its subsidiaries or any acquisition transaction for all or part of the assets of the Issuer or certain of its subsidiaries or any of their respective businesses; (c) make, or in any way participate in, certain solicitations of proxies to vote, or seek to advise or influence any person or entity with respect to the voting of, any voting securities of the Issuer or certain of its subsidiaries; (d) call or seek to call a meeting of the stockholders of the Issuer or certain of its subsidiaries or initiate any stockholder proposal for action by stockholders of the Issuer or certain of its subsidiaries, form, join or in any way participate in a group with respect to any voting securities of the Issuer, or seek, propose or otherwise act alone or in concert with others, to influence or control the management, the Board of Directors or policies of the Issuer or certain of its subsidiaries; or (e) bring any action or otherwise act to contest the validity of the standstill provisions of the Investment Agreement described above or seek a release of the restrictions contained therein, or make a request to amend or waive any provision of such provision. Harris also agreed that until the three year anniversary of the second closing date it will

vote in favor of the slate of directors recommended by the Board of Directors at each meeting of the Issuer's stockholders for the election of such directors. Notwithstanding the aforementioned, the restrictions set forth above will be suspended upon the occurrence of certain events, including without limitation, if it is publicly disclosed that the Issuer is seeking any purchaser for a controlling interest in its business; another person or group which is unaffiliated with Harris has offered or proposed to acquire a controlling interest in the Issuer or assets representing, at least fifty percent of the market capitalization of the Issuer and the Issuer has approved or recommended that the stockholders of the Issuer accept such offer; if a party unaffiliated with Harris shall have acquired control of the Board of Directors through the solicitation of proxies or otherwise; with respect to any acquisition by Harris of any assets or securities of the Issuer as debtor, in a transaction subject to the approval of the United States Bankruptcy Court pursuant to proceedings under the United States Bankruptcy Code; with respect to the sale or exchange by Harris of securities in a tender or exchange offer initiated by a person other than Harris or its affiliates, or with respect to any action by the Investment Agreement or necessary to consummate the transactions contemplated thereby.

In accordance with the certificate of designations of the Preferred Stock, at any time that any person or group holds directly or indirectly shares of Preferred Stock representing in the aggregate in excess of 24.9% of the total voting power of the outstanding shares of Common Stock, such number of shares as represents such excess voting power will become nonvoting for all purposes, except as may be required by the General Corporation Law of the State of Delaware, and will, without limitation, not have any right to vote or consent under the provisions of the certificate of designations of the Preferred Stock and will not be considered outstanding for purposes of any vote or consent; provided, that such voting limitation will terminate (i) if at any time Harris beneficially owns securities of the Issuer representing in excess of 33 1/3% of the outstanding shares of Common Stock but clause (iii) below is not applicable, provided, however, that the exception set forth in this clause (i) will not apply (A) if Harris's beneficial ownership of securities representing such excess voting power will not have resulted in and will not constitute an assignment of the investment advisory contracts to which the Issuer or any subsidiary that is a registered investment adviser is a party or (B) in the event that the Issuer or any such subsidiary shall have received the requisite approvals of the board of directors or trustees and shareholder of such entity in respect of any such assignment; (ii) if at any time a person or group other than Harris and its affiliates acquires beneficial ownership in excess of 24.9% of the outstanding shares of Common Stock or in excess of 24.9% of the total voting power of the outstanding shares of Common Stock or (iii) if at any time Harris beneficially owns securities of the Issuer representing in excess of 50% of the outstanding shares of Common Stock Common Stock.

Additional Financing Right and Right to Appoint an Additional Director

In accordance with the Investment Agreement, subject to certain conditions, if at any time prior to the twenty-four month anniversary of the second closing, the Issuer proposes to issue to any person any Common Stock or a Common Stock equivalent security of the Issuer (such issuance, a "Qualifying Issuance") other than in connection with certain equity compensation arrangements, for mergers or acquisitions in which shares of Common Stock are exchanged for equity securities of the acquired entity, or pursuant to any stock split, stock dividend or recapitalization by the Issuer, Harris will be afforded the right to provide additional financing to the Issuer in lieu of the Qualifying Issuance through a purchase of additional shares of Series B Preferred Stock or a new series of Preferred Stock identical to the Series B Preferred Stock (except with respect to conversion price) up to a principal amount of \$25 million. Harris must exercise such additional financing right within twenty business days after receipt of any notice of intention to initiate a Qualifying Issuance from the Issuer. In the event that Harris exercises its additional financing right and beneficially owns in excess of 33% of the outstanding shares of Common Stock (including for this purpose shares of Common Stock issuable upon conversion of the Preferred Stock) after giving effect to such additional financing right, it will be granted the right to appoint one additional member to the Board of Directors so long as such additional right would not give rise to certain regulatory events or consequences set forth in the Investment Agreement.

The Put Right and the Call Option

Pursuant to the Investment Agreement, at any time on or after the three-year anniversary of the first closing, Harris will have the right (the "Put Right"), to require the Issuer to repurchase, all of the Series A Preferred Stock purchased by Harris in the first closing (or the shares of Series B Preferred Stock which were issued and delivered to Harris on the second closing in exchange for all the Series A Preferred Stock held

by Harris) on not less than five days' notice from Harris to the Issuer, for a purchase price (the "Put Price") equal to the liquidation preference of such shares of Series A Preferred Stock (including all accumulated and unpaid dividends and accrued interest thereon to the closing date of the Put Right). The Put Price will be payable by the Issuer in cash or, at the election of the Issuer, in the form of two senior promissory notes of the Issuer each having an aggregate principal amount equal to one half of the Put Price of the Issuer, paying interest at LIBOR plus 300 basis points per annum, the first maturing on the one-year anniversary of the closing date of the Put Right and the second maturing on the two-year anniversary of the closing date for the Put Right. In addition, the Issuer will have the option at any time after the consummation of the first closing and prior to any exercise of the Put Right by Harris to repurchase from Harris, all of the shares of Series A Preferred Stock (or the shares of Series B Preferred Stock which were issued and delivered to Harris on the second closing in exchange for all the Series A Preferred Stock held by Harris) then held by Harris, on not less than five days' notice from the Issuer to Harris, for a purchase price (the "Call Price") equal to the liquidation preference of such shares of Preferred Stock (including all accumulated and unpaid dividends and accrued interest thereon to the Put Closing Date) and payable in cash on the date of the closing of the Call Option. Notwithstanding the aforementioned, the Put Right and the Call Option will expire if at the time that the second closing is consummated or at anytime thereafter the average closing price for the Common Stock during any five consecutive trading day period exceeds the conversion price per share of the Preferred Stock, as adjusted from time to time, or in the event that Harris converts any or all of the Series A Preferred Stock received by it in the first closing or the shares of Series B Preferred Stock which were issued and delivered to Harris on the second closing in exchange for all the Series A Preferred Stock held by Harris into Common Stock. In the event that Harris converts less than all of such shares of Preferred Stock, the Put Right and the Call Option will expire only with respect to such converted shares. If all or any part of the Issuer's obligations pursuant to the Put Right and the Call Option will not be punctually paid when due, The Phoenix Companies, Inc. will, immediately upon demand by Harris, pay the amount due to Harris.

Registration Right

Pursuant to the Investment Agreement, the Issuer has granted Harris certain rights to require the Issuer to register the shares of Common Stock issuable upon conversion of the Preferred Stock under the Securities Act of 1933 for public resale.

Other

Information set forth in response to this Item 4 is qualified in its entirety by reference to the Investment Agreement and the certificate of designations of the Preferred Stock which are attached as Exhibit 4.01 and Exhibit 4.02, respectively, to this Statement on Schedule 13D and are incorporated herein by reference.

The Reporting Persons expect to evaluate on an ongoing basis the Issuer's financial condition, results of operations, business and prospects, the market price of the Common Stock, conditions in securities markets generally and in the market for shares of companies like the Issuer, general economic and industry conditions and other factors that the Reporting Persons deem relevant to their investment decisions. Based on such evaluations, and subject to the provisions of the Investment Agreement, the Reporting Persons may at any time or from time to time determine to acquire additional Common Stock, or Preferred Stock or other securities convertible into or exchangeable for Common Stock or derivatives relating to Common Stock, or dispose of Common Stock, Preferred Stock or other securities convertible into or exchangeable for Common Stock or derivatives relating to Common Stock that the Reporting Persons own or may hereafter acquire, through open market or privately negotiated transactions or otherwise, at such prices and on such terms as they deem advisable. The Reporting Persons intend to monitor closely their investment in the Issuer. The Reporting Persons and their representatives and advisers intend to discuss from time to time with members of the Board of Directors and management of the Issuer the performance of the Issuer, personnel matters, strategic or extraordinary transactions and similar matters, in each case subject to Harris's rights and obligations under the Investment Agreement. The Reporting Persons and their representatives and advisers may communicate with other shareholders, industry participants and other interested parties concerning the Issuer. Based on the Reporting Persons' continuing evaluation of the foregoing factors, the Reporting Persons reserve the right to change their plans and intentions at any time or from time to time, as they deem appropriate. In addition, the Reporting Persons or their subsidiaries may from time to time purchase and sell equity securities of the Issuer in a fiduciary or similar capacity for the account of third parties.

Item 5. Interest in Securities of the Issuer

(a) As of the date of this Statement on Schedule 13D, the Trust Shares are held in a bona fide fiduciary capacity in certain trust or investment accounts for the account of third parties. 91 shares of the Trust Shares are beneficially owned by the Reporting Persons and Harris N.A. and 9 shares of the Trust Shares are beneficially owned by BMO, HFC, Harris RIA Holdings, Inc. and Harris SBSB.

As of the date of this Statement on Schedule 13D, the Allocated Shares are beneficially owned by BMO, Bank of Montreal Holding Inc., Bank of Montreal Securities Canada Limited, BMO Nesbitt Burns Corporation Limited and BMO Nesbitt Burns Inc.

As of the date of this Statement on Schedule 13D, the Reporting Persons beneficially own, in the aggregate, 45,000 shares of Series B Preferred Stock for their own account. As of the date of this Statement on Schedule 13D, each share of Series B Preferred Stock is convertible into 38.3139 shares of Common Stock, and the entire 45,000 shares of Series B Preferred Stock beneficially owned by the Reporting Persons are convertible, in the aggregate, into 1,724,126 shares of Common Stock. The number of shares issuable upon the conversion of the Series B Preferred Stock may be adjusted from time to time in accordance with certain customary anti-dilution protection provisions and the amount of accumulated and unpaid dividends as set forth in the certificate of designations of the Preferred Stock. In the event that all of the shares of the Series B Preferred Stock beneficially owned by the Reporting Persons are converted into Common Stock at the current conversion rate of 38.3139 shares of Common Stock per one share of Series B Preferred Stock, based upon the 7,496,202 shares of Common Stock of the Issuer outstanding as of December 31, 2008 (including the shares of Common Stock issuable upon conversion of the Series B Preferred Stock beneficially owned by the Reporting Persons), the Reporting Persons would own 23.0% of the outstanding shares of Common Stock.

Harris may convert the shares of Series B Preferred Stock at any time. Upon the delivery to the Issuer of a written consent or consents by holders of a majority in liquidation preference of the then outstanding shares of Preferred Stock approving a mandatory conversion of the Preferred Stock, all of the shares of the Preferred Stock then outstanding will be automatically converted into shares of Common Stock. Under certain circumstances, no holder of Preferred Stock will be entitled to receive shares of Common Stock upon their conversion to the extent (but only to the extent) that such receipt would cause such converting holder to become, directly or indirectly, a beneficial owner of more than 24.9% of the shares of Common Stock outstanding and such receipt would result in the assignment of the investment advisory contracts to which the Issuer or any of its subsidiaries that is a registered investment adviser is a party. In addition, if for twenty trading days in any thirty consecutive trading day period the aggregate closing price of the Common Stock exceeds 175% of the then applicable conversion price of the Preferred Stock, the Issuer may elect to cause each share of the Preferred Stock held by a holder of the Preferred Stock to be converted into shares of Common Stock, unless such holder of the Preferred Stock elects instead to forfeit thereafter its right to receive dividends paid on outstanding shares of Common Stock based on the number of shares of Common Stock into which such shares of Preferred Stock could be converted.

At any time after the six-year anniversary of the date of the first closing, all (but not less than all) of the outstanding shares of Preferred Stock will be redeemed at a price per share equal to the liquidation preference of the Preferred Stock thereof plus interest thereon, from the last dividend payment date to the effective date of such redemption, at a rate of LIBOR plus 3 percent per annum pursuant to written notice delivered to the holders of Preferred Stock by the Issuer, in its sole discretion. In addition, at any time and from time to time no earlier than the seven-year anniversary of the date of the first closing, shares of Preferred Stock will be redeemed by the Issuer, at the option of the holder, at a price per share equal to the liquidation preference of the Preferred Stock plus interest from the last dividend payment date to the effective date of such redemption, at a rate of LIBOR plus 3 percent per annum after receipt by the Issuer from any holder of Preferred Stock of written notice requesting redemption of all or any portion of the outstanding shares of Preferred Stock held by such holder.

The terms of the Preferred Stock are provided in the certificates of designations of the Preferred Stock, which is filed as Exhibit 4.02 and is hereby incorporated by reference herein.

(b) BMO, Bank of Montreal Holding Inc., Bank of Montreal Securities Canada Limited, BMO Nesbitt Burns Corporation Limited and BMO Nesbitt Burns Inc. have the sole power to vote and to dispose of the Allocated Shares. The Reporting Persons and Harris N.A. have shared power to vote and to dispose of 91 shares of the Trust Shares. BMO, HFC, Harris RIA Holdings, Inc. and Harris SBSB have shared power to vote and to dispose of 9 shares of the Trust Shares. The Reporting Persons have the sole power to vote and to dispose of the 45,000 Preferred Shares and would have sole power to vote and to dispose of the shares of Common Stock issuable upon the conversion of the Preferred Stock.

(c) Pursuant to the Investment Agreement and in accordance with a certain escrow agreement, dated as of December 30, 2008 and entered into between Harris, Phoenix Investment Management Company and Computershare Trust Company, N.A. as escrow agent, on December 31, 2008, Harris purchased 35,000 shares of Series B Preferred Stock for an aggregate purchase price of \$35 million from Phoenix Investment Management Company. The shares of Preferred Stock and the consideration paid by Harris for the purchase of such shares were delivered by the escrow agent to Harris and Phoenix Investment Management Company, respectively, promptly following the date of the second closing.

(d) Not applicable.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

The information set forth, or incorporated by reference, in Items 3, 4 and 5 hereof is incorporated by reference in response to this Item 6.

On May 18, 2006, Phoenix Investment Counsel, Inc. (PIC), a wholly-owned subsidiary of Phoenix Equity Planning Corporation, which is a wholly-owned subsidiary of the Issuer, acquired the rights to advise, distribute and administer the Insight Funds from Harris Investment Management, Inc. (HIM), which is a wholly-owned subsidiary of Harris, for \$4.1 million.

Pursuant to the Transaction Agreement (the Transaction Agreement), dated March 28, 2006, by and among HIM, PIC, HFC and the Issuer (formerly known as Phoenix Investment Partners, Ltd.), during its first four years, PIC is required to make additional annual payments to HIM related to the purchase of contracts of certain money market funds based upon the net profits earned on those funds (as defined in the Transaction Agreement). PIC made an annual payment of \$1.1 million in 2007 related to the first year of the Transaction Agreement and made an annual payment of \$1.2 million in 2008 related to the second year of the Transaction Agreement. HIM continues to act as sub-advisor to majority of the Insight Funds. Provisions of the Transaction Agreement require that PIC make additional payments to HIM should PIC terminate HIM for reasons other than cause.

Additionally, HIM and PIC entered into a Strategic Partnership Agreement (the Strategic Partnership Agreement), dated March 28, 2006, whereby HIM would be available to PIC as a sub-advisor for non-Harris funds. HIM was subsequently appointed a sub-advisor to certain funds. In accordance with the Strategic Agreement, if the sub-advisory fees HIM earns in the first five years of the agreement do not reach a specified amount, PIC must pay HIM an amount as predetermined by the agreement. PIC would be required to pay a maximum amount of \$20.0 million under the agreement. If PIC were to terminate the contracts without cause, the termination costs would be based on \$35.0 million, adjusted by a factor for the percentage of original assets that remain. To date PIC has made payments totalling \$12.0 million.

Information set forth in response to this Item 6 is qualified in its entirety by reference to the Transaction Agreement and the Strategic Partnership Agreement which are attached as Exhibit 6.01 and Exhibit 6.02, respectively, to this Statement on Schedule 13D and are incorporated herein by reference.

Except as described in this Item 6, to the best knowledge of the Reporting Persons, there are no contracts, arrangements, understandings or relationships (legal or otherwise), including, but not limited to, transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies, between the persons enumerated in Item 2, and any other person, with respect to any securities of the Issuer, including any securities pledged or otherwise subject to a contingency the occurrence of which would give another person voting power or investment power over such securities other than standard default and similar provisions contained in loan agreements.

Neither the Company nor any of the Subsidiaries has received any written or oral communication from the landlord or lessor under any of such real property leases claiming that it is in breach of its obligations under such leases, except for written or oral communications claiming breaches that, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect.

(b) Each Material Contract is valid, binding and in full force and effect, and is enforceable against the Company or any of its Affiliates that is a party thereto, as the case may be, and, to the knowledge of the Company, each other party thereto, in accordance with its terms. Each of the Company or its Affiliates, as the case may be, has duly performed all of its material obligations under each such Material Contract to the extent that such obligations have accrued. There are no existing defaults (or circumstances, occurrences, events or acts that, with the giving of notice or lapse of time or both would become defaults) of the Company or any of its Affiliates or, to the knowledge of the Company, any other party thereto under any Material Contract, except in each case for any defaults that, individually or in the aggregate, have not had and would not reasonably be expected to have a Material Adverse Effect. To the knowledge of the Company, there are no circumstances, occurrences, events or acts that, with the giving of notice or lapse of time or both, would permit any party thereto, to alter or amend any of the material terms or conditions of any Material Contract or would permit or would result in any increased liability or penalty, except for such circumstances, occurrences, events or acts that, individually or in the aggregate, have not had or resulted in and would not reasonably be expected to have a Material Adverse Effect.

(c) Except as set forth on Form 10 or on Schedule 3.16(c), there is no Material Contract, material arrangement, material liability or material obligation (whether or not evidenced by a writing) concerning the Virtus Business between the Company or the Subsidiaries, on the one hand, and PIMCO or any of its Affiliates (other than the Company and the Subsidiaries), on the other hand.

SECTION 3.17. Regulatory Documents. (a) Except for instances of failure to make filings or payments that have not had and would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, since January 1, 2006 each of the Company, the Subsidiaries and the Company's and the Subsidiaries' Affiliates (only with respect to the Virtus Business) has timely filed all Regulatory Documents required to be filed by it (including, in the case of the Company, the Draft Form 10, as it may be amended or supplemented), and has paid all fees and assessments due and payable in connection with such filings.

(b) As of their respective dates, the Regulatory Documents complied, and any Regulatory Documents to be filed prior to the Step 2 Closing will comply, in all material respects with the requirements of Applicable Law (including the Securities Laws), and none of such Regulatory Documents, as of their respective dates, contained or will contain any untrue statement of a material fact or omitted to state a fact required to be stated therein or necessary (in light of the applicable circumstances) in order to make the statements therein not misleading.

SECTION 3.18. Virtus Funds. (a) Fund Compliance with Laws and Investment Policies. (i) The Draft Form 10 sets forth a correct and complete list of all Virtus Funds.

(ii) Since Virtus has been an administrator or an advisor to it, each Virtus Fund has been continuously (A) registered as an investment company under the Investment Company Act, (B) in compliance in all material respects with (1) the Securities Laws and the rules and regulations promulgated thereunder, (2) the investment policies and investment restrictions set forth in its registration statements under the Investment Company Act as from time to time in effect, (3) such Virtus Fund's Policies and Procedures, and (4) the laws of each jurisdiction in which shares of such Virtus Fund have been offered for sale or sold, except, in each instance, where any such non-compliance would not have a Material Adverse Effect, and (C) duly registered or licensed and in good standing under the laws of each jurisdiction in which qualification is necessary. Without limiting the generality of the foregoing, each Virtus Fund has maintained records required by the Investment Company Act, including records necessary to substantiate the performance of the Virtus Fund set forth in such Virtus Fund's registration statement as from time to time in effect, and such records are true and correct in all material respects.

(iii) Except as set forth on Schedule 3.18(a)(iii), neither the Company nor any of the Subsidiaries or any affiliated person (as defined in the Investment Company Act) of any of them or any Virtus Fund receives or is entitled to receive any compensation directly or indirectly (A) from any Person in connection with the purchase or sale of securities or other property to, from or on behalf of any Virtus Fund, other than bona fide ordinary compensation as principal underwriter for such Virtus Fund or as broker in connection with the purchase or sale of securities in compliance with Section 17(e) of the Investment Company Act or (B) from any Virtus Fund or its security holders for other than bona fide investment advisory, administrative or other services. Accurate and complete disclosure of all such compensation arrangements has been made in the registration statement of each Virtus Fund filed with the Commission.

(iv) Schedule 3.18(a)(iv) lists all examinations, investigations or proceedings of or with respect to any Virtus Fund or any service provider to the Virtus Funds (whether or not an Affiliate of the Company) since January 1, 2006 of or by any Governmental Authority to the extent such examination, investigation or proceeding is known to the Company, PNX or PIMCO and relates to the Company, the Subsidiaries or the Virtus Funds. The Company has provided to the Investor copies of all written material correspondence, including any subpoenas, regarding such examinations, investigations and proceedings, except for those which are not in its or its Affiliates possession and are with respect to such service providers that are not Affiliates of the Company. There are no restrictions imposed by or arising out of any Governmental Authority, consent judgments or Commission or judicial orders on or against or with regard to any Virtus Fund currently in effect, except for exemptive orders issued pursuant to Section 6(c) of the Investment Company Act listed on Schedule 3.18(a)(iv).

(b) Fund Agreements and Fund Reports. (i) Since Virtus has been an administrator or an advisor to it, each Virtus Fund has timely filed with the Commission and any other applicable Governmental Authority all of the investment advisory agreements and distribution or underwriting contracts, plans adopted pursuant to Rule 12b-1 under the Investment Company Act and all arrangements for the payment of service fees (as such term is

defined in Rule 2830 of the FINRA Conduct Rules), and all transfer agency, custody, administrative services and other similar agreements to which it is a party, and any amendments thereto, if any, in each case, that have been in effect at any time since January 1, 2005 (collectively, the Fund Agreements), and has timely paid all fees and other compensation required to be paid in connection therewith. True, correct and complete copies of the Fund Agreements: (A) have been made available to the Investor prior to the date hereof and (B) are in full force and effect. Since the inception of each Virtus Fund, there has been in full force and effect at all times an investment advisory agreement and a distribution or underwriting agreement for such Virtus Fund, and each such Fund Agreement was duly approved in accordance with the applicable provisions of the Investment Company Act.

(ii) Except where the failure to do so would not have a Material Adverse Effect, since Virtus has been an administrator or an advisor to it, each Virtus Fund has timely filed all prospectuses, annual information forms, registration statements, proxy statements, financial statements, notices on Form 24f-2, other forms, reports, sales literature and advertising materials and any other documents (other than the Fund Agreements) required to be filed with any Governmental Authority, and any amendments thereto (the Fund Reports), and has timely paid all fees and interest required to be paid in connection therewith. The Fund Reports (x) have been prepared in all material respects in accordance with the requirements of Applicable Law, and (y) did not at the time they were filed and, with respect to any prospectus, proxy statement, sales literature or advertising material, did not during the period of its authorized use, contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were or are made, not misleading.

(c) Fund Financial Statements. Each Fund Financial Statement is consistent with the books and records of such Virtus Fund and, for the periods for which Virtus has been an administrator or an advisor to it, has been prepared in accordance with GAAP applied on a consistent basis throughout the periods presented in such Fund Financial Statement, subject, in the case of interim unaudited Fund Financial Statements, only to normal year-end audit adjustments on a basis comparable with past periods. Each statement of net assets or assets and liabilities and schedule of investments included in the Fund Financial Statements presents fairly in all material respects the financial position of the applicable Virtus Fund as at the dates thereof, and each statement of operations and changes in net assets included in the Fund Financial Statements presents fairly for the periods for which Virtus has been an administrator or an advisor to it the results of operations and cash flows of such Virtus Fund for the respective period or periods indicated.

(d) Fund Taxes. (i) For the periods for which Virtus has been an administrator or an advisor to it, each Virtus Fund has satisfied the relevant requirements of the Code for all taxable years, or parts thereof, of such Virtus Fund ending on or prior to the earlier of the Step 1 Closing to be treated as a regulated investment company as defined in Sections 851-855 of the Code. Neither the Company nor any of the Subsidiaries or any Virtus Fund or any other agent of any Virtus Fund has received any written notice or other written communication asserting that any Virtus Fund is not in compliance with any of the requirements necessary to be treated as a regulated investment company. With respect to each Virtus Fund, to the knowledge of the Company, no claims have been or are being asserted by any Governmental

Authority with respect to any material amount of Taxes and there are no threatened claims for any material amount of Taxes. None of the Virtus Funds has ever entered into a closing agreement pursuant to Section 7121 of the Code (or any similar provision of state, local or foreign law). There has not been any audit by any Governmental Authority concerning any material Tax liability of any Virtus Fund, and, to the knowledge of the Company, no such audit is in progress and no Virtus Fund has been notified in writing by any Governmental Authority that any such audit is contemplated or pending. No extension of time with respect to any date on which a material Tax Return was or is to be filed by any Virtus Fund is in force, and no waiver or agreement by any Virtus Fund is in force for the extension of time for the assessment or payment of any material amount of Taxes.

(ii) For the periods for which Virtus has been an administrator or an advisor to it, neither the Company nor any of the Subsidiaries has taken (or failed to take) any action that would (A) prevent any of the Virtus Funds from qualifying as a regulated investment company, within the meaning of Section 851 of the Code, or (B) otherwise be inconsistent in any material respect with any of the Virtus Funds prospectuses and other offering, advertising and marketing materials.

SECTION 7.03. Restrictions on Transfer.

(a) Restrictions on Transfer. Until the thirty month anniversary of the Step 2 Closing Date, the Investor will not transfer, sell, assign or otherwise dispose of (Transfer) any Preferred Stock or Conversion Shares acquired pursuant to this Agreement; provided that, except for Transfers pursuant to Rule 144 under the Securities Act or a registered offering, any Transfer permitted under this Section 7.03(a) must not (i) cause a Regulatory Issue, or (ii) be made to a Competitor or any controlled Affiliate of any Competitor.

(1) Transfers to any Affiliate under common control with the Investor's ultimate parent entity but in only if the transferee agrees in writing for the benefit of the Company (with a copy thereof to be furnished to the Company) to be bound by the terms of this Agreement (any such transferee shall be included in the term "Investor");

(2) Transfers pursuant to a merger, tender offer or exchange offer or other business combination, acquisition of assets or similar transaction or change of control involving the Company or any Subsidiaries;

(3) Transfers commenced after the commencement of bankruptcy or insolvency proceedings;

(4) Transfers made in connection with a pledge to a financial institution to secure a bona fide debt financing and any foreclosure of such pledge and subsequent sale of the securities; or

(c) The Investor shall give written notice to the Company, at least ten (10) days prior to entering into any agreement pursuant to which it will Transfer any Preferred Stock it owns (other than a Transfer pursuant to Rule 144 under the Securities Act or a registered offering or a Transfer permitted under Section 7.03(a)). For the avoidance of doubt, within ten (10) days after giving the notice to the Company, the Investor will be entitled to enter into any transaction with any person with regards to the Transfer of Preferred Stock.

SECTION 7.04. Standstill. The Investor agrees that until the three (3) year anniversary of the Step 2 Closing Date, without the prior written approval of the Company, neither the Investor nor any of its controlled Affiliates will, directly or indirectly:

(a) in any way acquire, offer or propose to acquire or agree to acquire, Beneficial Ownership of any Common Stock or other securities issued by the Company, or any securities convertible into or exchangeable for Common Stock or any other equity securities of the Company if such acquisition would result in the Investor and its Affiliates having Beneficial Ownership of more than 23.0% of the outstanding shares of Common Stock of the Company (counting as shares owned by the Investor any Conversion Shares), other than solely as a result of the exercise of the Additional Financing Right or any other rights, entitlements or obligations set forth in this Agreement, the certificate of incorporation of the Company or the Certificate of

Designations; *provided, however*, that the Investor or its controlled Affiliates will, directly or indirectly, be entitled to acquire, offer or propose to acquire or agree to acquire in any trading market on which securities issued by the Company or any of the Subsidiaries are listed or quoted, Beneficial Ownership of any Common Stock or other securities issued by the Company, or any securities convertible into or exchangeable for Common Stock or any other equity securities of the Company (i) at any time, so long as such acquisition would not result in the Investor s having Beneficial Ownership of Common Stock of the Company representing more than 24.9% of the outstanding shares of Common Stock (calculated on a fully diluted basis) at the time of acquisition or (ii) at any time, so long as any resulting increase in the Beneficial Ownership of the Investor and its Affiliates (as a percentage of the outstanding fully-diluted Common Stock) is less than or equal to a prior reduction in such Beneficial Ownership resulting from the issuance by the Company of shares of Common Stock (or securities convertible into or exchangeable therefore) pursuant to any employee benefit plan or other equity-based awards to employees or directors; *provided, further*, that the Investor and its Affiliates shall not be entitled to exercise its rights under clause (ii) of the preceding proviso at any time after the Company shall have made a bona fide proposal that entitled the Investor to exercise its Additional Financing Right and the Investor shall have declined to do so.

(b) enter into or agree, offer, propose or seek (whether publicly or otherwise) to enter into, or otherwise be involved in or part of, any acquisition transaction, merger or other business combination relating to all or part of the Company or any of the Subsidiaries or any acquisition transaction for all or part of the assets of the Company or any Subsidiary or any of their respective businesses;

(c) make, or in any way participate in, any solicitation of proxies (as such terms are defined under Regulation 14A under the Exchange Act, disregarding clause (iv) of Rule 14a-1(1)(2) and including any otherwise exempt solicitation pursuant to Rule 14a-2(b)) to vote, or seek to advise or influence any person or entity with respect to the voting of, any voting securities of the Company or any Subsidiary;

(d) call or seek to call a meeting of the stockholders of the Company or any of the Subsidiaries or initiate any stockholder proposal for action by stockholders of the Company or any of the Subsidiaries, form, join or in any way participate in a group (within the meaning of Section 13(d)(3) of the Exchange Act and the rules and regulations thereunder) with respect to any Voting Securities, or seek, propose or otherwise act alone or in concert with others, to influence or control the management, Board of Directors or policies of the Company or any Subsidiaries; or

(e) bring any action or otherwise act to contest the validity of this Section 7.04 or seek a release of the restrictions contained herein, or make a request to amend or waive any provision of this Section 7.04;

provided that nothing in this Section 7.04 shall prevent the Investor or any of its Affiliates from voting any Voting Securities then Beneficially Owned by the Investor or its Affiliates in any manner except that the Investor agrees to vote in favor of the slate of directors recommended by the Board of Directors at each meeting of the Company s

stockholders for the election of such directors; provided, further, that nothing in clause (b), (c) or (d) of this Section 7.04 shall apply to the Investor's Board Representatives solely in their capacity as directors of the Company.

(f) For purposes of this Agreement, a person shall be deemed to Beneficially Own any securities of which such person is considered to be a Beneficial Owner under Rule 13d-3 under the Exchange Act, *provided* that no Person shall be deemed to Beneficially Own any securities it holds (or over which it has investment discretion) in a fiduciary capacity for Clients. For purposes of this Agreement, Voting Securities shall mean at any time shares of any class of capital stock of the Company that are then entitled to vote generally in the election of directors.

(g) Notwithstanding the foregoing provisions of this Section 7.04, the restrictions set forth above in this Section 7.04 shall be suspended: (a) if it is publicly disclosed that the Company is seeking any purchaser for a controlling interest in its business or enters into negotiations for the sale of such controlling interest, which negotiations are publicly disclosed; (b) if it is publicly disclosed that (1) another Person or group which is unaffiliated with the Investor has offered or proposed to acquire, directly or indirectly, by purchase, tender offer, merger, consolidation or otherwise, a controlling interest in the Company, or assets representing, at least fifty percent (50%) of the market capitalization of the Company, and the Company has approved or recommended that the stockholders of the Company accept such offer, or (2) the Company has entered into an agreement in principle or definitive agreement providing for a transaction described in the proceeding clause (1); (c) if a party unaffiliated with the Investor shall have acquired control of the board of directors of the Company through the solicitation of proxies or otherwise; (d) with respect to any acquisition by the Investor or any of its Affiliates of any assets or securities of the Company, as debtor, in a transaction subject to the approval of the United States Bankruptcy Court pursuant to proceedings under the United States Bankruptcy Code; (e) with respect to the sale or exchange by the Investor of securities in a tender or exchange offer initiated by a Person other than the Investor or its Affiliates; or (f) with respect to any action taken by the Investor or its Affiliates required by this Agreement or necessary to consummate the Transactions.

SECTION 7.05. Confidentiality; Information. (a) Each party hereto (the Company, PNX and PIMCO being considered one party for purposes of this Section 7.05) shall keep all information received by it from the other party or its Representatives confidential and shall not, without the other party's prior written consent, disclose such information in any manner whatsoever, in whole or in part. The Investor shall cause its Board Representatives to comply with the foregoing requirement.

(b) Section 7.05(a) shall not apply to any such information as (i) is or becomes generally available to the public other than as a result of any disclosure or other action or inaction by a party hereto (the Disclosing Party) or any of its Representatives in breach of its obligations under this Section 7.05 or (ii) is or becomes known or available to the Disclosing Party on a non-confidential basis from a source (other than the other party or its Representatives) that, to the best of its knowledge, is not under a legal obligation not to disclose such information to such party or (iii) was independently developed by the Disclosing Party or its Representatives without reference to any information provided by the other party or its Representatives (except pursuant to clauses (i), (ii) or (iv)) or (iv) was known to the Disclosing Party prior to such disclosure by the other party or its Representatives.

Failing the entry of a protective order or other appropriate remedy or receipt of a waiver hereunder, the Disclosing Party shall furnish only that portion of the information which it is advised by its counsel is legally required to be furnished and shall exercise its reasonable best efforts to obtain reliable assurance that confidential treatment shall be accorded such information.

(d) The Investor shall cause its Board Representatives to provide such information to the Company as may reasonably be required in connection with the Form 10 (if designated prior to the Effective Date) or any other filings with the Commission or any other Governmental Authority in connection with the Distribution or the Transactions.

SECTION 7.06. Tax Treatment. The parties acknowledge that PIMCO intends to treat the Contribution as not qualifying as a transfer to a controlled corporation under Section 351(a) or (b) of the Code and the Investor agrees not to take any position for U.S. federal income tax purposes that is inconsistent with that treatment.

ARTICLE IX

MISCELLANEOUS

SECTION 9.01. **Indemnification.** (a) The Company, PNX and PIMCO agree jointly and severally to indemnify and hold harmless the Investor and its Affiliates and each of their respective officers, directors, partners, members and employees, and each person who controls the Investor within the meaning of the Exchange Act and the regulations thereunder, to the fullest extent lawful, from and against any and all actions, suits, claims, proceedings, costs, losses, liabilities, damages, expenses (including reasonable attorneys' fees, disbursements and taxes), amounts paid in settlement and other costs (collectively, Losses) arising out of or resulting from (1) any inaccuracy in or breach of, the representations or warranties of the Company, PNX or PIMCO in this Agreement, where such representations or warranties are read without giving effect to any qualifications or limitations set forth in such representation and warranties as to materiality, Material Adverse Effect, knowledge and words of similar import, (2) the breach of any agreements or covenants made by the Company, PNX or PIMCO in this Agreement, (3) any Loss for which the Company is entitled to indemnification under Section 6.02 of the Separation Agreement and Article II of the Tax Separation Agreement (for this purpose, treating the Investor and its Affiliates as though they were indemnified persons thereunder) without duplication for any Loss the Company is made whole, (4) the Official Committee of Asbestos Claimants of G-I Holdings, Inc. f/k/a GAF Corporation v. Building Materials Corporation of America, et al and any related action, suit or proceeding, or (5) the inquiry regarding Phoenix Growth and Income Fund.

(b) The Investor agrees to indemnify and hold harmless each of the Company and its Affiliates and each of their respective officers and directors, and each person who controls the Company within the meaning of the Exchange Act and the regulations thereunder, to the fullest extent lawful, from and against any and all Losses arising out of or resulting from (1) any inaccuracy in or breach of the Investor's representations or warranties in this Agreement or (2) the Investor's breach of agreements or covenants made by the Investor in this Agreement.

(c) A party entitled to indemnification hereunder (each, an Indemnified Party) shall give written notice to the party indemnifying it (the Indemnifying Party) of any claim with respect to which it seeks indemnification promptly after the discovery by such Indemnified Party of any matters giving rise to a claim for indemnification; provided that the failure of any Indemnified Party to give notice as provided herein shall not relieve the Indemnifying Party of its obligations under this Section 9.01 unless and to the extent that the Indemnifying Party shall have been actually prejudiced by the failure of such Indemnified Party to so notify such party. Such notice shall describe in reasonable detail such claim. In case any such action, suit, claim or proceeding is brought against an Indemnified Party, the Indemnified Party shall be entitled to hire, at its own expense, separate counsel and participate in the defense thereof; provided, however, that the Indemnifying Party shall be entitled to assume and conduct the defense thereof, unless the counsel to the Indemnified Party advises such Indemnifying Party in writing that such claim involves a conflict of interest (other than one of a monetary nature)

that would reasonably be expected to make it inappropriate for the same counsel to represent both the Indemnifying Party and the Indemnified Party, in which case the Indemnified Party shall be entitled to retain its own counsel at the cost and expense of the Indemnifying Party (except that the Indemnifying Party shall only be liable for the legal fees and expenses of one law firm for all Indemnified Parties, taken together with respect to any single action or group of related actions). If the Indemnifying Party assumes the defense of any claim, all Indemnified Parties shall thereafter deliver to the Indemnifying Party copies of all notices and documents (including court papers) received by the Indemnified Party relating to the claim, and each Indemnified Party shall cooperate in the defense or prosecution of such claim. Such cooperation shall include the retention and (upon the Indemnifying Party's request) the provision to the Indemnifying Party of records and information that are reasonably relevant to such claim, and making employees available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder. The Indemnifying Party shall not be liable for any settlement of any action, suit, claim or proceeding effected without its written consent; provided, however, that the Indemnifying Party shall not unreasonably withhold or delay its consent. The Indemnifying Party further agrees that it will not, without the Indemnified Party's prior written consent (which shall not be unreasonably withheld or delayed), settle or compromise any claim or consent to entry of any judgment in respect thereof in any pending or threatened action, suit, claim or proceeding in respect of which indemnification has been sought hereunder unless such settlement or compromise includes an unconditional release of such Indemnified Party from all liability arising out of such action, suit, claim or proceeding.

(d) The Company, PNX and PIMCO shall not be required to indemnify the Indemnified Parties pursuant to Section 9.01(a)(1), disregarding all qualifications or limitations set forth in such representation and warranties as to materiality, Material Adverse Effect and words of similar import, (1) with respect to any claim for indemnification per individual breach or series of related items if the aggregate amount of Losses with respect to such claim are less than \$10,000 (any claim involving Losses less than such amount being referred to as a De Minimis Claim) and (2) unless and until the aggregate amount of all Losses incurred with respect to all claims (other than De Minimis Claims) pursuant to Section 9.01(a)(1) exceed \$250,000 (the Threshold Amount), in which event the Company, PNX and PIMCO shall be responsible for only the amount of such Losses in excess of the Threshold Amount. The Investor shall not be required to indemnify the Indemnified Parties pursuant to Section 9.1(b), disregarding all qualifications or limitations set forth in such representation and warranties as to materiality, Material Adverse Effect and words of similar import, (1) with respect to any De Minimis Claim and (2) unless and until the aggregate amount of all Losses incurred with respect to all claims (other than De Minimis Claims) pursuant to Section 9.1(b) exceed the Threshold Amount, in which event the Investor shall be responsible for only the amount of such Losses in excess of the Threshold Amount. Notwithstanding the foregoing provisions of this Section 9.01, the cumulative indemnification obligations of (i) (x) the Company, PNX and PIMCO to the Investor and all of the Indemnified Parties affiliated with (or whose claims are permitted by virtue of their relationship with) the Investor or (y) the Investor to the Company and the Indemnified Parties affiliated with (or whose claims are permitted by virtue of their relationship with) the Company, in each case for inaccuracies in or breaches of representations and warranties, shall not exceed \$35 million; and (ii) PNX and PIMCO to the Investor and all of the Indemnified Parties affiliated with (or whose claims are permitted by virtue of their relationship with) the Investor or (y) the Investor to PNX, PIMCO and the Indemnified Parties affiliated with (or whose claims are permitted by virtue of their relationship with) the Company, in each case for inaccuracies in or breaches of representations and warranties, shall not exceed \$22.5 million.

(e) Any claim for indemnification pursuant to Section 9.01(a)(1) for breach of any representation or warranty can only be brought on or prior to the expiration of the survival period applicable to such representation or warranty as set forth in Section 9.02; provided that if notice of a claim for indemnification pursuant to Section 9.01(a)(1) for breach of any representation or warranty is brought prior to the expiration of the survival period applicable to such representation or warranty as set forth in Section 9.02, then the obligation to indemnify in respect of such breach shall survive as to such claim until such claim has been finally resolved.

(f) The indemnity provided for in this Section 9.01 shall be the sole and exclusive monetary remedy of Indemnified Parties for any inaccuracy of any representation or warranty or any other breach of any covenant or agreement contained in this Agreement; provided that nothing herein shall limit in any way any such party's remedies in respect of fraud by any other party in connection with the Transactions. No party to this Agreement (or any of its Affiliates) shall, in any event, be liable or otherwise responsible to any other party (or any of its Affiliates) for any consequential or punitive damages of such other party (or any of its Affiliates) arising out of or relating to this Agreement or the performance or breach hereof.

(g) Any indemnification payments pursuant to this Section 9.01 shall be treated as an adjustment to the purchase price for the Preferred Stock for U.S. federal income and applicable state and local Tax purposes, unless a different treatment is required by Applicable Law.

SECTION 9.02. Survival. Each of the representations and warranties set forth in this Agreement shall survive the Step 2 Closing Date (or the Step 1 Closing Date, if this Agreement has been terminated with respect to the Step 2 Closing):

(a) indefinitely, in the case of any breach of, or inaccuracy in, the representations and warranties set forth in Section 3.01 (Organization and Standing), Section 3.02 (Capital Stock), Section 3.03 (Authorization; Enforceability), Section 4.01 (Organization; Authorization; Enforceability), or Section 5.01 (Organization; Authorization; Enforceability); and

(b) for a period of eighteen (18) months from the Step 2 Closing Date (or the Step 1 Closing Date, if this Agreement has been terminated with respect to the Step 2 Closing), in the case of any breach of, or inaccuracy in, any other representation and warranty or until final resolution of any claim or action arising from the breach of any such representation and warranty, if notice of such breach was provided prior to the periods set forth above in this Section 9.02, and thereafter shall expire and have no further force and effect, including in respect of Section 9.01.

SECTION 9.03. Legends. (a) So long as applicable, each certificate representing any portion of the Preferred Stock and Conversion Shares shall be stamped or otherwise imprinted with a legend in the following form (in addition to any legend required under applicable state securities laws):

THE SHARES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE SECURITIES ACT) OR THE SECURITIES LAWS OF ANY STATE OF THE UNITED STATES. (b) In addition, so long as applicable, each certificate representing any portion of the Preferred Stock and Conversion Shares shall be stamped or otherwise imprinted with a legend in the following form:

NO REGISTRATION OF TRANSFER OF SUCH SECURITIES WILL BE MADE ON THE BOOKS OF THE ISSUER UNLESS AND UNTIL SUCH RESTRICTIONS SHALL HAVE BEEN COMPLIED WITH. ANY TRANSFER NOT IN COMPLIANCE WITH SUCH AGREEMENT SHALL BE VOID.

The legend referred to in this paragraph (b) shall be removed at such time as such security is transferred to a Person other than the Investor or any of its permitted transferees.

SECTION 9.04. Notices. All notices, demands, requests, consents, approvals or other communications required or permitted to be given hereunder or which are given with respect to this Agreement shall be in writing and shall be personally served, delivered by reputable air courier service with charges prepaid, or transmitted by hand delivery, telegram, telex or facsimile, addressed as set forth below, or to such other address as such party shall have specified most recently by written notice. For the avoidance of doubt, in the event of termination of this Agreement with respect to the Step 2 Closing, the Investor and the Company shall retain their respective Put Right and Call Option with respect to the Series A Preferred Stock purchased by the Investor in the Step 1 Sale.

(b) In the event of termination of this Agreement, written notice thereof shall be given to the other parties specifying the provision hereof pursuant to which such termination is made, and this Agreement (except for the provisions of Section 7.05 and this Article IX which shall survive such termination) shall become null and void.

SECTION 9.06. GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY, INTERPRETED UNDER, AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, REGARDLESS OF THE LAWS THAT MIGHT OTHERWISE GOVERN UNDER APPLICABLE PRINCIPLES OF CONFLICTS OF LAW THEREOF.

SECTION 9.07. WAIVER OF JURY TRIAL. EACH PARTY HEREBY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT TO ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY TRANSACTION CONTEMPLATED HEREBY. EACH PARTY (A) CERTIFIES THAT NO REPRESENTATIVE OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.07.

SECTION 9.08. Entire Agreement. (a) This Agreement (including all agreements entered into pursuant hereto and thereto and all certificates and instruments delivered pursuant hereto and thereto) constitutes the entire agreement of the parties with respect to the subject matter hereof and supersedes all prior and contemporaneous agreements, representations, understandings, negotiations and discussions between the parties, whether oral or written, with respect to the subject matter hereof.

SECTION 9.09. Modifications and Amendments. No amendment, modification or termination of this Agreement shall be binding upon any other party unless executed in writing by the parties hereto intending to be bound thereby.

SECTION 9.10. Waivers and Extensions. Any party to this Agreement may waive any condition, right, breach or default that such party has the right to waive, provided that such waiver will not be effective against the waiving party unless it is in writing, is signed by such party, and specifically refers to this Agreement. Waivers may be made in advance or after the right waived has arisen or the breach or default waived has occurred. Any waiver may be conditional. No waiver of any breach of any agreement or provision herein contained shall be deemed a waiver of any preceding or succeeding breach thereof nor of any other agreement or provision herein contained. No waiver or extension of time for performance of any obligations or acts shall be deemed a waiver or extension of the time for performance of any other obligations or acts.

SECTION 9.11. Titles and Headings; Rules of Construction. Titles and headings of sections of this Agreement are for convenience only and shall not affect the construction of any provision of this Agreement. Unless the context otherwise requires:

Except as otherwise set forth in Section 7.03(c), this Agreement and the rights, duties and obligations hereunder may not be assigned or delegated by the Company without the prior written consent of the Investor, and may not be assigned or delegated by the Investor without the Company's prior written consent. Except as set forth above, any assignment or delegation of rights, duties or obligations hereunder made in violation of this Section 9.14 shall be void and of no effect. This Agreement and the provisions hereof shall be binding upon and shall inure to the benefit of each of the parties and their respective successors and permitted assigns. It is accordingly agreed that the parties shall be entitled to seek specific performance of the terms hereof, this being in addition to any other remedies to which they are entitled at law or equity.

SECTION 9.16. Severability. This Agreement shall be deemed severable, and the invalidity or unenforceability of any term or provision hereof shall not affect the validity or enforceability of this Agreement or of any other term or provision hereof. Furthermore, in lieu of any such invalid or unenforceable term or provision, the parties hereto intend that there shall be added as a part of this Agreement a provision as similar in terms to such invalid or unenforceable provision as may be possible and be valid and enforceable.

Pursuant to Section 151 of the

General Corporation Law of the State of Delaware

The undersigned DOES HEREBY CERTIFY that the following resolution was duly adopted by the Board of Directors (the Board) of Virtus Holdings, Inc., a Delaware corporation (hereinafter called the Corporation), with the designations, powers, preferences and relative, participating, optional or other special rights, and the qualifications, limitations or restrictions thereof, having been fixed by the Board pursuant to authority granted to it under Article 5 of the Corporation's Certificate of Incorporation and in accordance with the provisions of Section 151 of the General Corporation Law of the State of Delaware:

RESOLVED: That, pursuant to authority conferred upon the Board by the Certificate of Incorporation of the Corporation, the Board hereby authorizes the issuance of 9,783 shares of Series A Non-Voting Convertible Preferred Stock, par value \$0.01 per share, of the Corporation, and the issuance of 35,217 shares of Series B Voting Convertible Preferred Stock, par value \$0.01 per share, of the Corporation, and hereby fixes the designations, powers, preferences and relative, participating, optional or other special rights, and the qualifications, limitations or restrictions thereof, of such shares, in addition to those set forth in the Certificate of Incorporation of the Corporation, as follows:

1. DESIGNATION. The shares of such series shall be designated (i) Series A Non-Voting Convertible Preferred Stock and the number of shares constituting such series shall be 9,783 (the Series A Preferred Stock) and (ii) Series B Voting Convertible Preferred Stock and the number of shares constituting such series shall be 35,217 (the Series B Preferred Stock and together with the Series A Preferred Stock, the Convertible Preferred Stock). The number of shares of Series A Preferred Stock and Series B Preferred Stock may be increased or decreased by resolution of the Board and (i) with respect to Series A Preferred Stock, the approval by the holders of a majority of the shares of the outstanding Series A Preferred Stock voting as a separate class and (ii) with respect to the Series B Preferred Stock, the approval by the holders of a majority of the shares of the outstanding Series B Preferred Stock voting as a separate class; provided, that no decrease shall reduce the number of shares of any series of Convertible Preferred Stock to a number less than the number of shares of such series then outstanding plus the number of shares reserved for issuance upon the payment of dividends pursuant to Section 4 hereof.

2. CURRENCY. All Convertible Preferred Stock shall be denominated in United States currency, and all payments and distributions thereon or with respect thereto shall be made in United States currency. All references herein to \$ or dollars refer to United States currency.

3. RANKING. The Convertible Preferred Stock shall, with respect to dividend rights and rights upon liquidation, winding up or dissolution, rank prior to each other class or series of shares of the Corporation that the Corporation may issue in the future the terms of which do not expressly provide that such class or series ranks equally with, or senior to, the Convertible Preferred Stock, with respect to dividend rights and/or rights upon liquidation, winding up or dissolution, including, without limitation, the common stock of the Corporation, par value \$0.01 per share (the Common Stock) (such junior stock being referred to hereinafter collectively as Junior Stock).

The Convertible Preferred Stock shall, with respect to dividend rights and rights upon liquidation, winding up or dissolution, rank equally with each other class or series of shares of the Corporation that the Corporation may issue in the future the terms of which expressly provide that such class or series shall rank equally with the Convertible Preferred Stock with respect to dividend rights and rights upon liquidation, winding up or dissolution.

The Convertible Preferred Stock shall, with respect to dividend rights and rights upon liquidation, winding up or dissolution, rank junior to each other class or series of shares of the Corporation that the Corporation may issue in the future the terms of which expressly provide that such class or series shall rank senior to the Convertible Preferred Stock with respect to dividend rights and rights upon liquidation, winding up or dissolution. The Convertible Preferred Stock shall also rank junior to the Corporation's existing and future indebtedness and other liabilities.

With respect to dividend rights and rights upon liquidation, winding up or dissolution, the Series A Preferred Stock and the Series B Preferred Stock shall rank equally.

4. DIVIDENDS.

(a) The holders of Convertible Preferred Stock shall be entitled to receive, when, as and if declared by the Board of Directors, out of funds lawfully available therefor dividends per share of Convertible Preferred Stock of an amount equal to (i) 8.0% per annum of the Stated Value (as herein defined) of each share of such Convertible Preferred Stock then in effect, before any dividends shall be declared, set apart for or paid upon the Junior Stock (the Regular Dividends) and (ii) subject to Section 7(c) and 7(e)(iv), the aggregate amount of any dividends or other distributions, whether cash, in kind or other property, paid on outstanding shares of Common Stock on a per share basis based on the number of shares of Common Stock into which such share of Convertible Preferred Stock could be converted on the applicable record date for such dividends or other distributions, assuming such shares of Common Stock were outstanding on the applicable record date for such dividend or other distributions (the Participating Dividends and together with the Regular Dividends, the Dividends). For purposes hereof, the term Stated Value shall mean \$1,000.00 per share of Convertible Preferred Stock.

(b) Regular Dividends shall be payable quarterly in arrears on March 15, June 15, September 15 and December 15 of each year (unless any such day is not a Business Day, in which event such Regular Dividends shall be payable on the next succeeding Business Day, without accrual to the actual payment date), commencing on December 15, 2008 (each such payment date being a Regular Dividend Payment Date and the period from the Step 1 Closing Date to the first Regular Dividend Payment Date and each such quarterly period thereafter being a Regular Dividend Period). The amount of Regular Dividends payable on the Convertible Preferred Stock for any full Regular Dividend Period shall be computed on the basis of a 360-day year consisting of twelve 30-day periods. The amount of Regular Dividends payable on the Convertible Preferred Stock for any period other than a full Regular Dividend Period shall be computed on the basis of the actual number of days elapsed during the period over a 360-day year. Participating Dividends shall be payable as and when paid to the holders of shares of Common Stock (Participating Dividend Payment Date, together with the Regular Dividend Payment Date, the Dividend Payment Date).

(c) Regular Dividends shall be cumulative, shall accumulate on each Regular Dividend Payment Date and shall continue to accumulate daily whether or not declared and whether or not in any Regular Dividend Period there shall be funds legally available for the payment of Regular Dividends in such Regular Dividend Period, so that if in any Regular Dividend Period, Regular Dividends in whole or in part are not paid upon the Convertible Preferred Stock, unpaid Regular Dividends shall accumulate. Participating Dividends are payable on a cumulative basis once declared, whether or not there shall be funds legally available for the payment thereon.

(d) Except as otherwise provided herein, if at any time the Corporation pays less than the total amount of Dividends then accumulated with respect to the Convertible Preferred Stock, such payment shall be distributed pro rata among the holders thereof based upon the Stated Value on all shares of Convertible Preferred Stock held by each such holder. When Dividends are not paid in full upon the shares of Convertible Preferred Stock, all Dividends declared on Convertible Preferred Stock and any other Parity Securities shall be paid pro rata so that the amount of Dividends so declared on the shares of Convertible Preferred Stock and each such other class or series of Parity Securities shall in all cases bear to each other the same ratio as accumulated Dividends (for the full amount of dividends that would be payable for the most recently payable dividend period if dividends were declared in full on non-cumulative Parity Securities) on the series of Convertible Preferred Stock and such other class or series of Parity Securities bear to each other.

(e) Regular Dividends shall be paid out of lawfully available funds either in shares of Convertible Preferred Stock or in cash or through any combination of cash and shares of Convertible Preferred Stock at the option of the Corporation in its sole discretion; provided that the Corporation shall not be entitled to pay Regular Dividends on shares of Series B Preferred Stock in shares of Series A Preferred Stock. Each payment of a Regular Dividend shall be made in cash, except to the extent the Corporation elects to make any or all portion of such payment in Convertible Preferred Stock. The Corporation may make such election by giving notice to holders thereof of such election and the portions of such payment that shall be made in cash and in Convertible Preferred Stock no later than ten Trading Days prior to the Regular Dividend Payment Date for such dividend. In the event of a Regular Dividend payable

in shares of Convertible Preferred Stock, the number of shares of Convertible Preferred Stock to be issued in payment of such Regular Dividend with respect to each outstanding share of Convertible Preferred Stock shall be determined by dividing (i) the amount of the Regular Dividend that would have been payable with respect to such share of Convertible Preferred Stock had such Regular Dividend been paid in cash by (ii) the Stated Value per share of Convertible Preferred Stock. To the extent that any Dividend would result in the issuance of a fractional share of Convertible Preferred Stock, then the amount of such fraction multiplied by the Stated Value shall be paid in cash (unless there are no legally available funds with which to make such cash payment, in which event such cash payment shall be made as soon as possible thereafter). Any shares of Convertible Preferred Stock to be issued to holders of Convertible Preferred Stock in full or partial payment of Regular Dividends shall be issued or deemed issued on the Regular Dividend Payment Date for the relevant Regular Dividends and shall accumulate Regular Dividends from the date of issue.

(f) The Corporation shall not declare or pay any dividends on shares of Common Stock unless the holders of the Convertible Preferred Stock then outstanding shall simultaneously receive Participating Dividends on a pro rata basis as if the shares of Convertible Preferred Stock had been converted into shares of Common Stock pursuant to Section 7 immediately prior to the record date for determining the stockholders eligible to receive such dividends.

(g) Each Dividend shall be payable to the holders of record of shares of Convertible Preferred Stock as they appear on the stock records of the Corporation at the close of business on such record dates (each, a Dividend Payment Record Date), which (i) with respect to Participating Dividends, shall be the same day as the record date for the payment of dividends or distributions to the holders of shares of Common Stock, and (ii) with respect to Regular Dividends, shall be not more than 30 days nor less than 10 days preceding the applicable Regular Dividend Payment Date.

(h) From and after the time, if any, that the Corporation shall have failed to pay all accumulated and unpaid Regular Dividends for all prior Regular Dividend Periods and/or declared and unpaid Participating Dividends in accordance with this Section 4, no dividends shall be declared or paid or set apart for payment, or other distribution declared or made, upon any Junior Stock, nor shall any Junior Stock be redeemed, purchased or otherwise acquired for any consideration (nor shall any moneys be paid to or made available for a sinking fund for the redemption of any shares of any such Junior Stock) by the Corporation, directly or indirectly until all such Regular Dividends and/or Participating Dividends have been paid in full; provided, however, that the foregoing limitation shall not apply to:

(i) purchases, redemptions or other acquisitions of shares of Junior Stock or Parity Securities in connection with (1) any employment contract, benefit plan or other similar arrangement with or for the benefit of any one or more employees, officers, directors or consultants or (2) a dividend reinvestment or stockholder stock purchase plan or any other contractually binding requirement to buy stock existing prior to the commencement of the then-current Regular Dividend Period;

(ii) an exchange, redemption, reclassification or conversion of any class or series of Junior Stock or Parity Securities, or any junior stock of a Subsidiary of the Corporation, for any class or series of Junior Stock or Parity Securities;

(iii) the purchase of fractional interests in shares of Junior Stock or Parity Securities under the conversion or exchange provisions of Junior Stock, Parity Securities or the security being converted or exchanged or in connection with any combination or reclassification of Junior Stock or Parity Securities;

(iv) any declaration of a dividend in connection with any stockholders' rights plan, or the issuance of rights, stock or other property under any stockholders' rights plan, or the redemption or repurchase of rights pursuant to the plan; or

(v) any dividend in the form of stock, warrants, options or other rights where the dividend stock or the stock issuable upon exercise of such warrants, options or other rights is the same stock as that on which the dividend is being paid or ranks equal or junior to that stock.

(i) The Corporation shall at all times reserve and keep available, free from any preemptive rights, out of its authorized but unissued shares of Convertible Preferred Stock, the full number of shares of Convertible Preferred Stock required for the purpose of paying all Regular Dividends that may be or become payable in kind.

5. LIQUIDATION, DISSOLUTION OR WINDING UP.

(a) Upon any voluntary or involuntary liquidation, dissolution or winding up of the Corporation (each, a Liquidation), after satisfaction of all liabilities and obligations to creditors of the Corporation and before any distribution or payment shall be made to holders of any Junior Stock, each holder of Convertible Preferred Stock shall be entitled to receive, out of the assets of the Corporation or proceeds thereof (whether capital or surplus) legally available therefor, an amount per share of Convertible Preferred Stock equal to the greater of:

(i) the Stated Value per share, plus an amount equal to any Dividends accumulated but unpaid thereon (whether or not declared) through the date of Liquidation; and

(ii) the payment such holders would have received had such holders, immediately prior to such Liquidation (a) converted their shares of Convertible Preferred Stock into shares of Common Stock (at the then applicable Conversion Rate) immediately prior to such Liquidation and (b) received all declared accumulated but unpaid Dividends through the date of Liquidation in shares of Common Stock immediately prior to such Liquidation (the greater of (i) and (ii) is referred to herein as the Liquidation Preference). Holders of Convertible Preferred Stock will not be entitled to any other amounts from the Corporation after they have received the full amounts provided for in this Section 5(a) and will have no right or claim to any of the Corporation's remaining assets.

(b) If in connection with any distribution described in Section 5(a) above the assets of the Corporation or proceeds thereof are not sufficient to pay in full the Liquidation Preference payable on the Convertible Preferred Stock and the corresponding amounts payable on the Parity Securities, such assets, or the proceeds thereof, shall be paid pro rata in accordance with the full respective amounts which would be payable on such shares if all amounts payable thereon were paid in full.

(c) For purposes of this Section 5, the merger or consolidation of the Corporation with or into any other corporation or other entity, or the sale, conveyance, lease or other disposition of all or substantially all of the assets of the Corporation, shall not constitute a liquidation, dissolution or winding up of the Corporation.

6. VOTING RIGHTS.

(a) Except as provided by law, the holders of shares of Series A Preferred Stock shall have (i) no voting rights other than as set forth in Section 1 and Section 6(d) and (ii) be entitled to notice of all stockholders' meetings (or pursuant to any action by written consent) in accordance with the Restated Certificate of Incorporation and Bylaws of the Corporation as if the holders of Series A Preferred Stock were holders of Common Stock. In the event of a vote of holders of Series A Preferred Stock, such holders shall be entitled to vote a number of votes equal to the number of shares of Common Stock into which each such share of Series A Preferred Stock is then convertible at the time of the related record date.

(b) The holders of the shares of Series B Preferred Stock shall be entitled to (i) vote with the holders of the Common Stock on all matters submitted for a vote of holders of Common Stock other than the election of directors (as to which the holders of Series B Preferred Stock shall have rights voting separately as a class as set out in Sections 6(b)-(d)), (ii) a number of votes equal to the number of shares of Common Stock into which each such share of Series B Preferred Stock is then convertible at the time of the related record date and (iii) notice of all stockholders' meetings (or pursuant to any action by written consent) in accordance with the Corporation's Certificate of Incorporation and Bylaws as if the holders of Series B Preferred Stock were holders of Common Stock. Except as provided by law, by the provisions of Sections 6(b)-(d), holders of Series B Preferred Stock shall vote together with the holders of Common Stock as a single class.

(c) For as long as at least 66 2/3% of the aggregate shares of Series B Preferred Stock issued on the Step 2 Closing Date remain outstanding: (i) the holders of a majority of the then outstanding shares of Series B Preferred Stock shall have the exclusive right, voting separately as a class, to appoint and elect one director (herein referred to as the Series B Director) to the Board, which Series B Director shall be duly appointed in accordance with the Corporation's Bylaws and Certificate of Incorporation and the General Corporation Law of the State of Delaware; (ii) the Series B Director so elected shall serve until his or her successor is elected and qualified or his or her earlier resignation or removal; (iii) any vacancy in the position of the Series B Director may be filled only by the holders of a majority of the then outstanding shares of Series B Preferred Stock and not by the holders of any other class or series of capital stock; and (iv) the Series B Director may, during his or her term of office, be removed at any time, with or without cause, by and only by the holders of a majority of the then outstanding shares of Series B Preferred Stock, at a special meeting called for such purpose or by written consent of such holders, and any vacancy created by such removal may also be filled by such holders at such meeting or by such consent.

Notwithstanding the foregoing, at such time as less than 66 2/3% of the aggregate shares of Series B Preferred Stock remains outstanding, then, automatically and immediately, without any further action on the part of the Corporation or the Board, the Series B Director shall be removed from the Board and the number of directors constituting the Board shall be automatically decreased by one, and thereafter, the holders of the Series B Preferred Stock shall not be entitled to nominate the Series B Director or any substitute nominee under this Section 6. The Corporation and the Board shall take any and all actions within their respective power to ensure compliance with the terms of this Section 6.

(d) The Corporation shall not and shall not permit any direct or indirect subsidiary of the Corporation to, without first obtaining the written consent or affirmative vote at a meeting called for that purpose by holders of at least 66 2/3% of the then outstanding shares of Series A Preferred Stock or Series B Preferred Stock, as applicable:

(i) amend, alter or modify any of the rights, preferences, privileges or powers of, or the restrictions provided for the benefit of, the holders of equity securities of the Corporation so as to affect the holders of such series of Convertible Preferred Stock adversely;

(ii) amend, alter or repeal any provision of the Corporation's Bylaws or Certificate of Incorporation in a manner that is adverse to the holders of the Convertible Preferred Stock; provided that, subject to the other provisions of this Section 6(c), the creation, authorization or issuance of any Junior Stock or Parity Securities shall not by itself be deemed to have any such adverse effect; or

(iii) create, authorize or issue any Senior Securities or Parity Securities.

(e) In addition to the rights provided in Section 6(d), so long as at least 66 2/3% of the aggregate shares of Series B Preferred Stock issued on the Step 2 Closing Date remain outstanding, the Corporation shall not and shall not permit any direct or indirect subsidiary of the Corporation to, without first obtaining the written consent or affirmative vote at a meeting called for that purpose by holders of at least 66 2/3% of the then outstanding shares of Series B Preferred Stock:

(i) during the three years following the Step 2 Closing Date, consolidate with, convert into, or merge with and into, acquire or enter into any other business combination with any other entity or sell, assign, transfer, lease or convey all or substantially all of the properties and assets of the Corporation (including within the Corporation, for this purpose, its subsidiaries) to any person or entity, or any similar transaction or pledge of assets (other than any bona fide financing arrangement entered in the ordinary course of business and which is on prevailing market terms and conditions) in which securities of the Corporation or assets representing more than 50% of the Corporation's consolidated net revenue in the fiscal year most recently ended would be acquired or pledged, directly or indirectly, by or to a person or Group that does not control the Corporation immediately prior to the execution or consummation of any agreement in respect of such transaction;

(ii) issue any shares of capital stock of the Corporation (including preferred stock, options, warrants or rights to acquire, or securities convertible into or exchangeable for, shares of capital stock), except (A) issuances to holders of shares of Convertible Preferred Stock pursuant to the Investment Agreement and this Certificate, (B) issuances to employees or directors of the Corporation pursuant to any employee or director incentive or benefit plans or arrangements of the Corporation, (C) issuances that constitute consideration for mergers, consolidations, acquisitions or business combinations by the Corporation (without limiting the applicability of any approval that may be required under Section 6(d)(i)) and (D) issuances of capital stock at a net price per share to the Corporation not less than the then Current Market Price per share for the Common Stock at the time of issuance in any transaction in which no person or Group acquires 25% or more of the Common Stock Outstanding;

(iii) (A) institute (or permit any of its subsidiaries to institute) a voluntary case or proceeding in respect of the Corporation or any of its subsidiaries under the federal bankruptcy code or any other similar federal, state or foreign law or any other case or proceeding to be adjudicated bankrupt or insolvent or (B) adopt a plan or agreement of complete or partial liquidation or dissolution, or otherwise voluntarily liquidate, dissolve or wind-up the Corporation;

(iv) purchase, redeem or otherwise acquire or retire for value any shares of Common Stock or other Junior Stock (other than payments to purchase Junior Stock from employees or directors of the Corporation pursuant to any employee or director incentive or benefit plans or arrangements of the Corporation), or pay to or make available for a sinking fund for the purchase, redemption or acquisition of any shares of Common Stock or other Junior Stock;

(v) make any changes to the number of directors comprising the entire Board (except as may be required by the Investment Agreement); and

(vi) except as agreed to by Harris, use the name Harris and the names of its Affiliates and any of their related brand names.

(f) Notwithstanding anything contained herein to the contrary, at any time that any person or Group holds directly or indirectly shares of Convertible Preferred Stock representing in the aggregate in excess of 24.9% of the total voting power of the Common Stock Outstanding, such number of shares as represents such excess voting power shall become non-voting for all purposes hereunder, except as may be required by the General Corporation Law of the State of Delaware, and shall, without limitation, not have any right to vote or consent under this Section 6 and shall not be considered outstanding for purposes of any vote or consent (such period, the Voting Limitation Period); provided, that the Voting Limitation Period shall terminate (i) if at any time Harris Beneficially Owns securities of the Corporation representing in excess of 33 1/3% of the Common Stock Outstanding but clause (iii) below is not applicable,

provided, however, that the exception set forth in this clause (i) shall not apply (A) if Harris's Beneficial Ownership of securities representing such excess voting power shall not have resulted in and shall not constitute an assignment (within the meaning of the Investment Advisers Act) of the investment advisory contracts to which the Company or any subsidiary that is a registered investment adviser under the Investment Advisers Act is a party (an Assignment) or (B) in the event that the Corporation or any such subsidiary shall have received Fund Board Approval and, if required, Fund Shareholder Approval in respect of any such assignment; (ii) if at any time a Person or Group other than Harris and its Affiliates acquires Beneficial Ownership in excess of 24.9% of the Common Stock Outstanding or in excess of 24.9% of the total voting power of the Common Stock Outstanding or (iii) if at any time Harris Beneficially Owns securities of the Corporation representing in excess of 50% of the Common Stock Outstanding.

7. CONVERSION.

(a) Conversion by the Holders. Subject to the provisions of this Section 7, each holder of shares of Convertible Preferred Stock shall have the right, at any time and from time to time prior to redemption or repurchase, at such holder's option, to convert any or all of such holder's shares of Convertible Preferred Stock into the number of shares of Common Stock equal to the Conversion Rate, plus cash in lieu of fractional shares, out of funds legally available therefor, plus declared and unpaid Dividends (other than previously declared Dividends payable to holders of record as of a prior Dividend Payment Record Date). If on the Optional Conversion Date (as defined below), all or any portion of the accumulated and unpaid Dividends payable on such date has not been declared, the Conversion Rate shall be adjusted so that the holder receives an additional number of shares of Common Stock equal to the amount of accumulated and unpaid Dividends that have not been declared (the Additional Conversion Amount) divided by the average of the Closing Prices of the Common Stock during the 20 consecutive Trading Day period ending on the third Trading Day immediately preceding the Optional Conversion Date. If the Convertible Preferred Stock has been called for redemption, a holder will be entitled to convert the Convertible Preferred Stock until the close of business on the second Business Day immediately preceding the date of redemption.

(b) Mandatory Conversion by the Holders. Upon the delivery to the Corporation of a written consent or consents by holders of a majority in Liquidation Preference of the then outstanding shares of Convertible Preferred Stock approving a mandatory conversion of the Convertible Preferred Stock, all of the shares of the Convertible Preferred Stock then outstanding shall be automatically converted into shares of Common Stock at the Conversion Rate then in effect, plus cash in lieu of fractional shares, out of funds legally available therefor, plus declared and unpaid Dividends (other than previously declared Dividends payable to holders of record as of a prior Dividend Payment Record Date). If on the Mandatory Conversion Date (as defined below), all or any portion of the accumulated and unpaid Dividends payable on such date has not been declared, the Conversion Rate shall be adjusted so that the holder receives an additional number of shares of Common Stock equal to the Additional Conversion Amount divided by the average of the Closing Prices of the Common Stock during the 20 consecutive Trading Day period ending on the third Trading Day immediately preceding the Mandatory Conversion Date.

At any time during the Voting Limitation Period, no holder of Convertible Preferred Stock will be entitled to receive shares of Common Stock upon conversion pursuant to this Section 7 to the extent (but only to the extent) that such receipt would cause such converting holder to become, directly or indirectly, a Beneficial Owner of more than 24.9% of the Common Stock Outstanding and such receipt would result in an Assignment. Any purported delivery of shares of Common Stock upon a purported conversion of Convertible Preferred Stock during the Voting Limitation Period shall be void and have no effect to the extent (but only to the extent) that such delivery would result in the converting holder becoming the Beneficial Owner of more than 24.9% of the Common Stock Outstanding and such delivery would result in an Assignment. If any delivery of shares of Common Stock during the Voting Limitation Period owed to a holder upon conversion of Convertible Preferred Stock is not made, in whole or in part, as a result of this limitation, the Corporation's obligation to make such delivery shall not be extinguished, and the Corporation shall deliver such shares as promptly as practicable (i) after any such converting holder gives notice to the Corporation that such delivery would not result in it being the beneficial owner of more than 24.9% of the shares of Common Stock Outstanding during the Voting Limitation Period or (ii) after the termination of the Voting Limitation Period. On any Optional Conversion Date or Mandatory Conversion Date during the Voting Limitation Period, the shares of Convertible Preferred Stock converted shall cease to be outstanding for all purposes other than for purposes of the right to receive the shares of Common Stock not delivered at the time of conversion in accordance with this Section 7(b).

(c) Mandatory Conversion by the Corporation: Holder Election. If, for twenty (20) Trading Days in any thirty (30) consecutive Trading Day period the aggregate Closing Price of the Common Stock exceeds 175% of the then applicable Conversion Price, the Corporation may elect to cause each share of the Preferred Stock held by a holder of Convertible Preferred Stock to be converted into shares of Common Stock at the Conversion Rate then in effect, plus cash in lieu of fractional shares, out of funds legally available therefor, plus declared and unpaid Dividends (other than previously declared Regular Dividends payable to holders of record as of a prior Dividend Payment Record Date). Notwithstanding the foregoing provisions of this Section 7(c), within 15 Business Days after receipt of a Corporation Mandatory Conversion Notice, a holder of Preferred Stock may instead elect to forfeit his or its right to receive Participating Dividends from and after the relevant Corporation Mandatory Conversion Date, other than for Participating Dividends for which a Dividend Payment Record Date has been adopted prior to such date. If a holder of the Convertible Preferred Stock does not elect to forfeit any Participating Dividends (and agrees to have his or its shares of Convertible Preferred Stock mandatorily converted to Common Stock), if on the Corporation Mandatory Conversion Date (as defined below), all or any portion of the accumulated and unpaid Dividends payable on such date has not been declared, the Conversion Rate shall be adjusted so that the holder receives an additional number of shares of Common Stock equal to the Additional Conversion Amount divided by the average of the Closing Prices of the Common Stock during the thirty (30) Trading Day period ending on the third Trading Day immediately preceding the Corporation Mandatory Conversion Date.

(d) Conversion Rate. The Conversion Rate means 5.1111 shares of Common Stock per share of Convertible Preferred Stock, subject to adjustment in accordance with the provisions of this Certificate of Designations. The Conversion Price at any time means the price equal to \$1,000 divided by the Conversion Rate in effect at such time (initially approximately \$195.65).

(e) Mechanics of Conversion.

(i) In order to exercise the optional conversion privilege set forth in Section 7(a) above, the holder of any shares of Convertible Preferred Stock to be converted shall surrender the certificate or certificates representing such shares at the principal office of the Corporation (or any transfer agent of the Corporation previously designated by the Corporation to the holders of Convertible Preferred Stock for this purpose) with an irrevocable and unconditional written notice of election to convert (the Optional Conversion Notice), completed and signed, specifying the number of Convertible Preferred Stock shares to be converted. Unless the shares issuable upon conversion are to be issued in the same name as the name in which such shares of Convertible Preferred Stock are registered, each share surrendered for conversion shall be accompanied by instruments of transfer, in forms reasonably satisfactory to the Corporation, duly executed by the holder thereof or such holder's duly authorized attorney, and an amount sufficient to pay any transfer or similar tax in accordance with Section 7(g). For purposes of this section, the Optional Conversion Date shall be the date of receipt by the transfer agent (or by the Corporation if the Corporation serves as its own transfer agent) of such certificates for shares of Convertible Preferred Stock, the Optional Conversion Notice and such amounts payable.

(ii) In the event of a mandatory conversion set forth in Section 7(b), the Corporation shall deliver to the holder of any Convertible Preferred Stock written notice (the Convertible Preferred Conversion Notice) of such conversion, at least 20 Business Days and no more than 60 Business Days prior to the Mandatory Conversion Date, specifying: (A) the number of shares of Convertible Preferred Stock to be converted; (B) the Mandatory Conversion Date (as defined below); (C) the number of shares of Common Stock to be issued in respect of each share of Convertible Preferred Stock that is converted; (D) the place or places where certificates for such shares are to be surrendered for issuance of certificates representing shares of Common Stock; and (E) that Dividends on the shares to be converted will cease to accumulate on such Mandatory Conversion Date. The holder of the Convertible Preferred Stock so converted shall promptly surrender his or its certificate or certificates therefor to the principal office of the transfer agent for the Convertible Preferred Stock (or if no transfer agent be at the time appointed, then the Corporation at its principal office). For purposes of this section, the Mandatory Conversion Date shall be the date specified as the conversion date in the Corporation's Convertible Preferred Conversion Notice.

(iii) In the event of a mandatory conversion set forth in Section 7(c), the Corporation shall deliver to the holder of any Convertible Preferred Stock written notice (the Corporation Mandatory Conversion Notice) of such conversion, at least 20 Business Days and no more than 60 Business Days prior to the Corporation Mandatory Conversion Date, providing: (A) an election for the holder of the Convertible Preferred Stock to either have its shares be converted into Common Stock in accordance with Section 7(c) or forfeit its right to receive Participating Dividends from and after the

relevant Corporation Mandatory Conversion Date, other than for Participating Dividends for which a Participating Dividend Payment Date has been adopted prior to such date; (B) the Corporation Mandatory Conversion Date (as defined below) if such holder is subject to the mandatory conversion; (C) the number of shares of Common Stock to be issued in respect of each share of Convertible Preferred Stock that is converted if such holder is subject to mandatory conversion; (D) the place or places where certificates for such shares are to be surrendered for issuance of certificates representing shares of Common Stock if such holder is subject to the mandatory conversion; and (E) that Dividends on the shares to be converted will cease to accumulate on such Corporation Mandatory Conversion Date if such holder is subject to such mandatory conversion. If the holder of the Convertible Preferred Stock is subject to the mandatory conversion, such holder shall promptly surrender his or its certificate or certificates therefor to the principal office of the transfer agent for the Convertible Preferred Stock (or if no transfer agent be at the time appointed, then the Corporation at its principal office). For purposes of this section, the Corporation Mandatory Conversion Date shall be the date specified as the conversion date in the Corporation Mandatory Conversion Notice.

(iv) Within two Business Days after the surrender by the holder of the certificates for shares of Convertible Preferred Stock as aforesaid, the Corporation shall issue and shall deliver to such holder, or on the holder's written order to the holder's transferee, a certificate or certificates for the number of full shares of Common Stock issuable upon conversion of such shares, cash in an amount corresponding to any fractional interest in a share of Common Stock as provided in Section 7(h), if applicable, and, if less than all shares of Convertible Preferred Stock represented by the certificate or certificates so surrendered are being converted, a residual certificate or certificates representing the shares of Convertible Preferred Stock not converted. In the event that a holder does not elect within 15 Business Days or receipt of the Corporation Mandatory Conversion Notice to have his or its shares of Convertible Preferred Stock converted pursuant to Section 7(c), such holder's right to receive Participating Dividends will cease from the relevant Corporation Mandatory Conversion Date, other than for Participating Dividends for which a Dividend Payment Record Date has been adopted prior to such date.

(v) At such time on the Mandatory Conversion Date, the Optional Conversion Date or the Corporation Mandatory Conversion Date, as applicable,

(1) the person in whose name or names any certificate or certificates for shares of Common Stock shall be issuable upon such conversion shall be deemed to have become the holder of record of the shares of Common Stock represented thereby at such time; and

(2) such shares of Convertible Preferred Stock so converted shall no longer be outstanding, and all rights of a holder with respect to such shares (x) in the event of conversion pursuant to Section 7(a), covered by the Optional Conversion Notice and (y) in the event of conversion pursuant to Section 7(b) and 7(c) to the extent that the holder remains subject to the mandatory conversion in accordance with 7(c), representing all of the Convertible Preferred Stock held by such holder, shall immediately terminate except the right to receive the Common Stock and other amounts payable pursuant to this Section 7.

(f) All shares of Common Stock delivered upon conversion of the Convertible Preferred Stock will, upon delivery, be duly and validly authorized and issued, fully paid and non-assessable, free from all preemptive rights and free from all taxes, liens, security interests and charges (other than liens or charges created by or imposed upon the holder or taxes in respect of any transfer occurring contemporaneously therewith). The Corporation will procure, at its sole expense, the listing of the shares of Common Stock, subject to issuance or notice of issuance on the principal domestic stock exchange or inter-dealer quotation system on which the Common Stock is then listed or traded. The Corporation will use its reasonable best efforts as may be necessary to ensure that the shares of Common Stock may be issued without violation of any applicable law or regulation or of any requirement of any securities exchange or inter-dealer quotation system on which the shares of Common Stock are listed or traded.

(g) Issuances of certificates for shares of Common Stock upon conversion of the Convertible Preferred Stock shall be made without charge to any holder of shares of Convertible Preferred Stock for any issue or transfer tax (other than taxes in respect of any transfer occurring contemporaneously therewith or as a result of the holder being a non-U.S. person) or other incidental expense in respect of the issuance of such certificates, all of which taxes and expenses shall be paid by the Corporation; provided, however, that the Corporation shall not be required to pay any tax which may be payable in respect of any transfer involved in the issuance or delivery of shares of Common Stock in a name other than that of the holder of the Convertible Preferred Stock to be converted, and no such issuance or delivery shall be made unless and until the person requesting such issuance or delivery has paid to the Corporation the amount of any such tax or has established, to the satisfaction of the Corporation, that such tax has been paid.

(h) The Corporation shall not issue fractions of shares of Common Stock upon conversion of Convertible Preferred Stock or scrip in lieu thereof. If any fraction of a share of Common Stock would, except for the provisions of this Section 7(g), be issuable upon conversion of any Convertible Preferred Stock, the Corporation shall in lieu thereof pay to the person entitled thereto an amount in cash equal to the fraction multiplied by the average of Closing Prices during the five consecutive Trading Day period ending on the second Trading Day immediately preceding the Optional Conversion Date, the Mandatory Conversion Date or the Corporation Mandatory Conversion Date, as applicable (rounded to the nearest one-hundredth (1/100) of a cent).

8. REDEMPTION AT THE OPTION OF THE CORPORATION.

(a) Mandatory Redemption Event. At any time after the six-year anniversary of the Step 1 Closing Date, all (but not less than all) of the outstanding shares of Convertible Preferred Stock shall be redeemed, out of lawfully available funds therefor, at a price per share equal to the Liquidation Preference thereof plus interest thereon, from the last Dividend Payment Date to the Mandatory Redemption Date, at a rate of LIBOR plus 3 percent (3%) per annum (the Mandatory Redemption Price) in accordance with this Section 8 pursuant to written notice (the Mandatory Redemption Notice) delivered to the holders of Convertible Preferred Stock by the

Corporation, in its sole discretion. The Mandatory Redemption Notice delivered pursuant to this Section 8(a) shall specify a date (a Mandatory Redemption Date) as of which such redemption shall be effected. The Mandatory Redemption Date shall be a Business Day not less than 20 Business Days nor more than 30 Business Days following the date on which the related Mandatory Redemption Notice is sent by the Corporation which shall be the same day for each holder of Convertible Preferred Stock. On the Mandatory Redemption Date, the Corporation shall redeem, all (but not less than all) of the outstanding shares of the Convertible Preferred Stock.

(b) Mandatory Redemption Notice. The Mandatory Redemption Notice shall be delivered to each holder of record of Convertible Preferred Stock, as applicable, in accordance with the notice provisions set forth in Section 13 below. Each Mandatory Redemption Notice shall state:

(i) the Mandatory Redemption Date;

(ii) the Mandatory Redemption Price;

(iii) the number of shares of Convertible Preferred Stock held by the holder that the Corporation shall redeem on the Mandatory Redemption Date being all (but not less than all) shares of the Convertible Preferred Stock held by such holder;

(iv) the date upon which the holder's right to convert such shares terminates (as determined in accordance with Section 7); and

(v) that the holder is to surrender to the Corporation, in the manner and at the place designated, its certificate or certificates (or an affidavit of loss and indemnity agreement for such certificates) representing the shares of Convertible Preferred Stock to be redeemed.

(c) Surrender of Certificates; Payment. Unless the holders of the Convertible Preferred Stock have exercised their right to convert such shares as provided in Section 7 or Section 8(e), on or before the applicable Mandatory Redemption Date, each holder of shares of Convertible Preferred Stock to be redeemed on such Redemption Date shall surrender the certificate or certificates (or deliver an affidavit of loss and indemnity agreement for such certificates) representing such shares to the Corporation, in the manner and at the place designated in the Mandatory Redemption Notice, and thereupon the Mandatory Redemption Price for such shares shall be payable to the order of the person whose name appears on such certificate or certificates as the owner thereof, and each surrendered certificate shall be canceled.

(d) Rights Subsequent to Mandatory Redemption. If the Mandatory Redemption Notice shall have been duly given, and if on the applicable Mandatory Redemption Date the Mandatory Redemption Price payable upon redemption of the shares of Convertible Preferred Stock to be redeemed on such Mandatory Redemption Date is paid or tendered for payment, then notwithstanding that the certificates evidencing any of the shares of Convertible Preferred Stock so called for redemption shall not have been surrendered, Dividends and interest with respect to such shares of Convertible Preferred Stock shall cease to accumulate after such Mandatory Redemption Date and all other rights with respect to such shares shall forthwith after the Mandatory Redemption Date terminate, except only the right of the holders to receive the Mandatory Redemption Price, without interest thereon from the Mandatory Redemption Date, upon surrender of their certificate or certificates therefor.

(e) Conversion Prior to Redemption. If the Convertible Preferred Stock has been called for redemption, a holder will be entitled to convert the Convertible Preferred Stock until the close of business on the second Business Day immediately preceding the date of redemption.

9. REDEMPTION AT THE OPTION OF THE HOLDERS OF CONVERTIBLE PREFERRED STOCK.

(a) Right to Redeem. At any time and from time to time no earlier than the seven-year anniversary of the Step 1 Closing Date, shares of Convertible Preferred Stock shall be redeemed by the Corporation out of funds lawfully available therefor at a price per share equal to the Liquidation Preference plus interest from the last Dividend Payment Date to the Optional Redemption Date, at a rate of LIBOR plus 3 percent (3%) per annum (the Optional Redemption Price) after receipt by the Corporation from any holder of Convertible Preferred Stock of written notice (an Optional Redemption Notice) requesting redemption of all or any portion of the outstanding shares of Convertible Preferred Stock held by such holder. The process for effecting any such redemption shall be as follows:

(i) Within 10 days after the receipt of an Optional Redemption Notice, the Corporation shall send to each holder of Convertible Preferred Stock a notice (the Corporation Notice) which shall (A) state the number of shares of Convertible Preferred Stock that are the subject of the applicable Optional Redemption Notice, and (B) specify a date (an Optional Redemption Date) as of which a redemption pursuant to this Section 9 shall be effected and the date by which a holder may elect to join in the redemption pursuant to Section 9(a)(ii). Each Optional Redemption Date shall be a Business Day not less than 20 days nor more than 30 days following the date on which the related Corporation Notice is sent by the Corporation.

(ii) Within 15 days after receipt of the Corporation Notice, each holder of Convertible Preferred Stock may provide notice to the Corporation that such holder wishes to include all or a portion of its shares of Convertible Preferred Stock in such Optional Redemption Notice and stating the number of shares to be so included (and, thereafter such shares shall be deemed to be included in such Optional Redemption Notice).

(iii) Within 15 days after receiving the Optional Redemption Notice and at least 10 days prior to the Optional Redemption Date, the Corporation shall provide each holder of Convertible Preferred Stock with written notice (Closing Notice) that states (i) the applicable Optional Redemption Price, (ii) the applicable Optional Redemption Date, (iii) the number of shares requested to be redeemed on that Optional Redemption Date, (iv) the number of shares of Convertible Preferred Stock to be redeemed on such date, and (v) that the holder is to surrender to the Corporation, in the manner and at the place designated, its certificate or certificates (or an affidavit of loss and indemnity agreement for such certificates) representing the shares of Convertible Preferred Stock to be redeemed.

(iv) Subject to the limitations above in this Section 9, on the applicable Optional Redemption Date, the Corporation shall redeem out of funds lawfully available therefor that number of outstanding shares of Convertible Preferred Stock specified or deemed to be included in the Optional Redemption Notice. In the event the Corporation does not have sufficient funds legally available to redeem on such Optional Redemption Date all shares of Convertible Preferred Stock to be redeemed on such Optional Redemption Date, the Corporation shall redeem a pro rata portion of each holder's shares out of funds legally available therefor, based on the respective amounts that would otherwise be payable in respect of the shares to be redeemed if the legally available funds were sufficient to redeem all such shares, and shall redeem the remaining shares to have been redeemed as soon as practicable after the Corporation has funds legally available therefor.

(b) Optional Redemption Notice and Other Notices. Any Optional Redemption Notice shall be delivered to the Corporation, and any Corporation Notice or Closing Notice shall be delivered to each holder of record of Convertible Preferred Stock, as applicable, in accordance with the notice provisions set forth in Section 13 below.

(c) Surrender of Certificates; Payment. On or before the applicable Optional Redemption Date, each holder of shares of Convertible Preferred Stock to be redeemed on such Optional Redemption Date shall surrender the certificate or certificates (or deliver an affidavit of loss and indemnity agreement for such certificates) representing such shares to the Corporation, in the manner and at the place designated by the Corporation in its notice pursuant to this Section 9, and thereupon the Optional Redemption Price for such shares shall be payable to the order of the person whose name appears on such certificate or certificates as the owner thereof, and each surrendered certificate shall be canceled. In the event less than all of the shares of Convertible Preferred Stock represented by a certificate are redeemed, a new certificate representing the unredeemed shares of Convertible Preferred Stock shall promptly be issued to such holder.

(d) Rights Subsequent to Optional Redemption. If the Optional Redemption Notice shall have been duly given, and if on the applicable Optional Redemption Date the Optional Redemption Price payable upon redemption of the shares of Convertible Preferred Stock to be redeemed on such Optional Redemption Date is paid or tendered for payment, then notwithstanding that the certificates evidencing any of the shares of Convertible Preferred Stock so called for redemption shall not have been surrendered, Dividends with respect to such shares of Convertible Preferred Stock shall cease to accumulate after such Optional Redemption Date and all other rights with respect to such shares shall forthwith after the Optional Redemption Date terminate, except only the right of the holders to receive the Optional Redemption Price, without interest, upon surrender of their certificate or certificates therefor.

10. ANTI-DILUTION PROVISIONS. The Conversion Rate shall be subject to adjustment from time to time in accordance with this Section 10. The term Common Stock Outstanding at any given time shall mean the number of shares of Common Stock outstanding at such time on a fully-diluted basis (including the shares of Common Stock issuable in respect of all outstanding options, warrants and securities convertible into or exercisable or exchangeable for shares of Common Stock).

(a) If the Corporation, at any time or from time to time while any of the Convertible Preferred Stock is outstanding, issues shares of Common Stock as a dividend or distribution to all or substantially all holders of Common Stock, or if the Corporation effects a share split, share combination or subdivision in respect of the Common Stock, then the Conversion Rate shall be adjusted based on the following formula:

$$CR' = CR_0 \times \frac{OS'}{OS_0}$$

where

- CR₀ = the Conversion Rate in effect at the Close of Business on the Trading Day immediately preceding the Ex-Dividend Date for such dividend or distribution, or the Close of Business on the Trading Day immediately preceding the effective date of such share split, combination or subdivision, as applicable;
- CR' = the Conversion Rate in effect immediately prior to the Open of Business on the Ex-Dividend Date for such dividend or distribution, or immediately prior to the Open of Business on the effective date of such share split, share combination or subdivision, as applicable;
- OS₀ = the number of shares of Common Stock outstanding at the Close of Business on the Trading Day immediately preceding the Ex-Dividend Date for such dividend or distribution, or the Close of Business on the Trading Day immediately preceding the effective date of such share split, share combination or subdivision, as applicable; and
- OS' = the number of shares of Common Stock that would be outstanding immediately after, and solely as a result of, such dividend or distribution, or such share split, share combination or subdivision, as applicable.

If any dividend or distribution that is the subject of this Section 10(a) is declared but not so paid or made, the Conversion Rate shall be readjusted, effective as of the date the Board of Directors publicly announces its decision not to pay or make such dividend or distribution to the Conversion Rate that would then be in effect if such dividend or distribution had not been declared. For purposes of this Section 10(a), the number of shares of Common Stock outstanding at the Close of Business on the Trading Day immediately preceding the Ex-Dividend Date for such dividend or distribution shall not include shares of Common Stock held in treasury, if any. The Corporation will not pay any dividend or make any distribution on shares of Common Stock held in treasury, if any.

(b) If the Corporation, at any time or from time to time while any of the Convertible Preferred Stock is outstanding, issues shares of Common Stock (or right or warrants or other securities exercisable into, convertible into or exchangeable for shares of Common Stock (each, a conversion, and collectively, convertible securities)), other than in a Permitted Transaction or a transaction to which Section 10(a) is applicable, to a Person other than a holder of Convertible Preferred Stock, without consideration or at a consideration per share (or having a conversion price per share) that is less than 95% of the Closing Price on the last Trading Day preceding the date of the agreement on pricing such shares (or such convertible securities), the Conversion Rate shall be adjusted based on the following formula:

$$CR' = CR_0 \times \frac{OS_0 + X}{OS_0 + Y}$$

where

- CR₀ = the Conversion Rate in effect the date of the agreement on pricing of such shares of Common Stock (or such convertible securities);
- CR' = the Conversion Rate in effect upon the date of such issuance;
- OS₀ = the total number of shares of Common Stock Outstanding on the date of the agreement on pricing of such shares of Common Stock (or such convertible securities);
- X = the maximum number of shares of Common Stock issued (or issuable upon conversion); and
- Y = the number of shares of Common Stock which the aggregate consideration receivable by the Corporation for the total number of shares of Common Stock so issued (or issuable upon conversion) would purchase at the Closing Price on the last Trading Day preceding the date of the agreement on pricing such shares (or such convertible securities).

For purposes of the foregoing, the aggregate consideration receivable by the Corporation for the total number of shares of Common Stock so issued (or issuable upon conversion) shall be deemed to be equal to the sum of the net offering price (after deduction of any related expenses payable to third parties) of all such securities plus the minimum aggregate amount, if any, payable upon conversion of any such convertible securities into shares of Common Stock; and Permitted Transactions shall include any issuance of Common Stock or convertible securities (i) as consideration for or to fund the acquisition of businesses and/or related assets; (ii) in connection with employee benefit plans and compensation related arrangements approved by the Board of Directors, (iii) in connection with a broadly marketed offering and sale of Common Stock or convertible securities for cash, and (iv) as a dividend or distribution on Preferred Stock in lieu of cash.

(c) Successive Adjustments. Successive adjustments in the Conversion Rate shall be made, without duplication, whenever any event specified in Section 10(a) or (b) shall occur.

(d) Rounding of Calculations; Minimum Adjustments. All calculations under this Section 10 shall be made to the nearest 1/10,000 of a share. No adjustment in the Conversion Rate is required if the amount of such adjustment would be less than 1%; provided, however, that any adjustments which by reason of this Section 10(d) are not required to be made will be carried forward and given effect in any subsequent adjustment.

(e) Statement Regarding Adjustments. Whenever the Conversion Rate shall be adjusted as provided in this Section 10, the Corporation shall forthwith file, at each office designated for the conversion of Convertible Preferred Stock, a statement, signed by the President or the Chief Financial Officer of the Corporation, showing in reasonable detail the facts requiring such adjustment and the Conversion Rate that shall be in effect after such adjustment and the Corporation shall also cause a copy of such statement to be sent by mail, first class postage prepaid, to each holder of shares of Convertible Preferred Stock at the address appearing in the Corporation's records.

(f) Notices. In the event that the Corporation shall give notice or make a public announcement to the holders of Common Stock of any action of the type described in Section 10(a) or (b) and (h), the Corporation shall, at the time of such notice or announcement, and in the case of any action which would require the fixing of a record date, at least twenty (20) days prior to such record date, give notice to each holder of shares of Convertible Preferred Stock, in the manner set forth in Section 10(e) above, which notice shall specify the record date, if any, with respect to any such action and the approximate date on which such action is to take place. Such notice shall also set forth the facts with respect thereto as shall be reasonably necessary to indicate the effect on the applicable Conversion Rate and the number, kind or class of shares or other securities or property which shall be deliverable upon conversion of the Convertible Preferred Stock.

(g) The provisions of this Section 10 shall not apply to any Common Stock issued, issuable or deemed outstanding under paragraphs 10(a) and (b): (i) to any person pursuant to any stock option, stock purchase or similar plan or arrangement for the benefit of employees of the Corporation or its subsidiaries; (ii) any equity securities issued as consideration in connection with a bona fide acquisition, merger or consolidation by the Corporation provided such acquisition, merger or consolidation has been approved by the Board; (iii) securities issued in connection with licensing, marketing or distribution arrangements or similar strategic transactions approved by the Board; (iv) on conversion of the Convertible Preferred Stock or the sale of any additional shares of Convertible Preferred Stock pursuant to the Additional Financing Right; or (v) to any issuance of additional shares of Common Stock as a Regular Dividend pursuant to Section 4 hereof.

(h) If any event occurs as to which, in the opinion of the Board, the provisions of this Section 10 are not strictly applicable or if strictly applicable would not fairly protect the rights of the holders of the Convertible Preferred Stock in accordance with the essential intent and principles of such provisions, then the Board shall make an adjustment in the application of such provisions, in accordance with such essential intent and principles, so as to protect such rights as aforesaid, but in no event shall any adjustment have the effect of decreasing the applicable Conversion Rate as otherwise determined pursuant to any of the provisions of this Section 10 except in the case of a combination of shares of a type contemplated in Section 10(a) hereof and then in no event to an amount smaller than the applicable Conversion Rate as adjusted pursuant to Section 10(a) hereof.

(i) Before taking any action that would cause an adjustment reducing the applicable Conversion Rate below the then par value of the shares of Common Stock issuable upon conversion of the Convertible Preferred Stock, the Corporation will take any corporate action that may, in the opinion of its counsel, be necessary in order that the Corporation may validly and legally issue fully-paid and nonassessable shares of such Common Stock at such adjusted Conversion Rate.

(j) Except as provided in this Section 10, no adjustment in respect of any Dividends or other payments or distributions made to holders of Convertible Preferred Stock of securities issuable upon the conversion of the Convertible Preferred Stock will be made during the term of the Convertible Preferred Stock or upon the conversion of the Convertible Preferred Stock.

(k) No adjustment to the Conversion Rate need be made pursuant to Section 10(a) or (b) for a transaction if the holders of the Convertible Preferred Stock are permitted to participate in the transaction without conversion (including by way of a dividend), concurrently with the holders of Common Stock, on a basis and with notice that the Board determines in good faith to be fair and appropriate in light of the basis and notice to holders of Common Stock participating in the transaction.

(l) Notwithstanding anything herein to the contrary, no adjustment of the Conversion Rate need be made as a result of (1) the issuance of the rights, (2) the distribution of separate certificates representing the rights, (3) the exercise or redemption of such rights in accordance with the rights agreement or (4) the termination or invalidation of the rights, in each case pursuant to any Corporation's stockholder rights plan; provided, however, that to the extent that the Corporation has a stockholder rights plan in effect on a Optional Conversion Date, Mandatory Conversion Date or Corporation Mandatory Conversion Date (including the Corporation's rights plan, if any, existing as of the date hereof), the holder of the Convertible Preferred Stock shall receive, in addition to the shares of Common Stock, the rights under such rights plan, unless, prior to any such Conversion Date, the rights have separated from the Common Stock, in which case the Conversion Rate will be adjusted at the time of separation as if the Corporation made a distribution to all holders of Common Stock of shares of capital stock of the Corporation or evidence of its indebtedness or its assets, subject to readjustment in the event of the expiration, termination or redemption of the rights.

(m) In the event the Common Stock ceases to be traded on an applicable exchange or applicable market and as a result there is no Ex-Dividend Date with respect to any issuance, dividend or distribution requiring an adjustment to the Conversion Rate pursuant to this Section 10, the Corporation shall calculate the adjustment using the record date for such issuance, dividend or distribution in lieu of the Ex-Dividend Date and the Board shall make appropriate adjustments as it determines in good faith to be fair and appropriate.

(n) In addition, subject to applicable stock exchange rules and listing standards and to the extent permitted by applicable law, the Corporation shall be entitled from time to time to increase the Conversion Rate by any amount for a period of at least 20 Business Days if the Board determines that such increase would be in the best interests in the Corporation; provided the Corporation has given to the Conversion Agent and DTC at least 15 days prior notice of any such increase in the Conversion Rate and the period during which it will be in effect.

(o) In addition, subject to applicable stock exchange rules and listing standards, the Corporation shall be entitled to increase the Conversion Rate, as it in its discretion shall determine to be advisable in order to avoid or diminish any income tax to holders of Common Stock resulting from any dividends or distribution of Common Stock, distributions of rights to purchase Common Stock (or securities convertible into or exchangeable for Common Stock) hereafter made by the Corporation or any other event treated as such for income tax purposes.

11. RESERVATION OF SHARES. The Corporation shall at all times when the Convertible Preferred Stock shall be outstanding reserve and keep available, free from preemptive rights, for issuance upon the conversion of Convertible Preferred Stock, such number of its authorized but unissued Common Stock as will from time to time be sufficient to permit the conversion of all outstanding Convertible Preferred Stock, including shares of Common Stock deliverable in connection with the Additional Conversion Amount. Prior to the delivery of any securities which the Corporation shall be obligated to deliver upon conversion of the Convertible Preferred Stock, the Corporation shall comply with all applicable laws and regulations which require action to be taken by the Corporation. All Common Stock delivered upon conversion of the Convertible Preferred Stock will upon delivery be duly and validly issued and fully paid and nonassessable, free of all liens and charges and not subject to any preemptive rights.

12. STATUS OF SHARES. All shares of Convertible Preferred Stock that are at any time converted pursuant to Section 7 or redeemed pursuant to Section 8 and 9 and all shares of Convertible Preferred Stock that are otherwise reacquired by the Corporation shall be prohibited from being reissued as Series A Preferred Stock or Series B Preferred Stock, as the case may be, and shall (upon compliance with any applicable provisions of the laws of the State of Delaware) have the status of authorized but unissued shares of Preferred Stock, without designation as to series, subject to reissuance by the Board as shares of any one or more other series.

13. NOTICES. Any and all notices or other communications or deliveries hereunder (including without limitation any Conversion Notice) shall be in writing and shall be deemed given and effective on the earliest of (i) the date of transmission, if such notice or communication is delivered via facsimile at the facsimile number specified in this Section prior to or at 5:00 p.m. (Eastern time) on a Business Day and electronic confirmation of receipt is received by the sender, (ii) the next Business Day after the date of transmission, if such notice or communication is delivered via facsimile at the facsimile number specified in this Section on a day that is not a Business Day or later than 5:00 p.m. (Eastern time) on any Business Day, (iii) the Business Day following the date of mailing, if sent by nationally recognized overnight courier service, or (iv) upon actual receipt by the party to whom such notice is required to be given. The addresses for such communications shall be: (i) if to the Corporation, attention: Chief Executive Officer and General Counsel, or (ii) if to a holder of Convertible Preferred Stock, to the address or facsimile number appearing on the Corporation's stockholder records or such other address or facsimile number as such holder may provide to the Corporation in accordance with this Section 13.

6.7 No Brokers. No broker, finder or similar intermediary has acted for or on behalf of PIC or any of its Affiliates, or is entitled to any broker's, finder's or similar fee or other commission from PIC or any of its Affiliates in connection with this Agreement or the transactions contemplated hereby.

SECTION 7. COVENANTS OF HIM.

7.1 Conduct of Business.

(a) Without the prior written consent of PIC, from and after the date of this Agreement until the Closing, HIM shall not (and shall cause its Affiliates not to), except as reasonably necessary to comply with HIM's fiduciary duties under applicable laws and regulations or its obligations under this Agreement:

(i) make or recommend to the Harris Trust Board any material change in the operation or management of the Harris Trust or any of the Insight Funds;

(ii) make any sale, assignment, transfer or other conveyance of the Existing Advisory Agreement (or any material assets relating to the services provided thereunder) or any of HIM's rights thereunder;

(iii) settle, release or forgive any material claim or litigation with respect to the provision of management and advisory services to the Insight Funds or waive any right thereto;

(iv) amend, modify, waive, terminate, or fail to diligently enforce, any Insight-Related Contract (with respect to the rights or obligations of the Harris Trust, any Insight Fund, HIM or any Affiliate thereof under any such contract); or

(v) commit to do any of the foregoing.

(b) From and after the date hereof and until the Closing, HIM shall (and shall cause its Affiliates to):

(i) use commercially reasonable efforts to provide management, advisory and other services to the Harris Trust and the Insight Funds in the ordinary course of business consistent with past practice;

(ii) keep all books of account, files and records relating to the Harris Trust or any of the Insight Funds in the ordinary course of business and in accordance with past practice; and

(iii) use commercially reasonable efforts to preserve intact its operations, organization and reputation relating to the Harris Trust and the Insight Funds (including without limitation relationships with portfolio management personnel) and preserve the goodwill and business relationships of the Harris Trust and the Insight Funds.

7.2 Commercially Reasonable Efforts: Consents and Approvals. Upon the terms and subject to the conditions of this Agreement, from and after the date of this Agreement until the earlier of the Closing or the termination of this Agreement in accordance with Section 12 hereof (except to the extent expressly set forth in the proviso to Section 7.2(b) below), HIM shall (and shall cause its Affiliates to) use commercially reasonable efforts to take, or cause to be taken, all action, and to do, or cause to be done, all things necessary, proper or advisable consistent with applicable laws and regulations to consummate and make effective in the most expeditious manner practicable the transactions contemplated hereby (subject in each case to HIM's fiduciary duties under applicable laws and regulations), including without limitation by using commercially reasonable efforts:

(a) to obtain the necessary approvals of the Harris Trust Board and (where required by the Investment Company Act) the shareholders of the Insight Funds for (i) the New Advisory Agreement, the Harris-Managed Insight Fund Sub-Advisory Agreement, the Seneca-Managed Insight Fund Sub-Advisory Agreement, the Vontobel-Managed Insight Fund Sub-Advisory Agreement, the New Administration Agreement, the New Sub-Administration Agreement, the New Transfer Agency Agreement, the New Sub-Transfer Agency Agreement and the New Distribution Agreement, (ii) the election as the trustees of the Harris Trust of those persons identified on Schedule 11(g)(i) hereto (such that the board of trustees of the Harris Trust will be comprised solely of such scheduled persons as of the Closing), (iii) the election by the Harris Trust Board of those persons identified on Schedule 11(g)(ii) hereto to those offices of the Harris Trust set forth opposite such respective persons' names on such schedule (such that the officers of the Harris Trust will be comprised solely of such scheduled persons as of the Closing), (iv) the Insight Fund Prospectus Amendment and (v) the change of the name of the Harris Trust to Phoenix Insight Funds Trust and the names of the Insight Funds to Phoenix Insight Funds (the matters described in the foregoing clauses (i)-(vi), collectively, the Outside Approval Matters), with the forms of all materials to be used in connection therewith (including without limitation the Insight Fund Proxy Statement) to be in form and substance reasonably acceptable to each of PIC and HIM (and each of PIC and HIM shall be given reasonable opportunity to review and comment upon all such materials prior to their use);

(b) to assist PIC in its efforts to obtain the necessary approvals of each of the applicable Phoenix Trust Boards and the shareholders of the Harris-Managed Phoenix Funds for the Harris-Managed Phoenix Fund Sub-Advisory Agreement; provided, however, that HIM shall continue following the Closing until September 30, 2006 to use commercially reasonable efforts to assist PIC in obtaining such necessary approvals of the shareholders of any such Harris-Managed Phoenix Fund for which board approval was obtained prior to the Closing but with respect to which such shareholder approval was not obtained prior to the Closing (and HIM shall enter into the Harris-Managed Phoenix Fund Sub-Advisory Agreement with PIC with respect to any such Harris-Managed Phoenix Fund promptly following such a receipt of shareholder approval with respect thereto);

(c) to cause the relevant parties to terminate (effective as of the Closing) the Existing Administration Agreement, the Existing Sub-Administration Agreement, the Existing Transfer Agency Agreement, the Existing Sub-Transfer Agency Agreement and the Existing

Distribution Agreement, to assist PEPCO in connection with entering into the New Administration Agreement, the New Sub-Administration Agreement, the New Transfer Agency Agreement, the New Sub-Transfer Agency Agreement and the New Distribution Agreement, and to assist PIC in entering into the applicable services agreement with any applicable Substitute Service Provider hereunder); and

(d) to assist and cooperate with PIC and the Harris-Managed Phoenix Funds in preparing and filing all documents required to be submitted by PIC and/or the Harris-Managed Phoenix Funds to any Governmental Entities (including the preparation and filing of all proxy statements required under the Investment Company Act (the Phoenix Fund Proxy Statement)) in connection with the transactions contemplated hereby, and in obtaining any governmental consents, waivers, authorizations or approvals which may be required to be obtained by PIC and/or the Harris-Managed Phoenix Funds in connection with such transactions (which assistance and cooperation shall include, without limitation, timely furnishing to PIC all information concerning HIM that counsel to PIC reasonably determines is required to be included in the Phoenix Fund Proxy Statement and in obtaining any such required consent, waiver, authorization or approval).

7.3 Insight Fund Prospectus Amendment. As promptly as practicable following the date hereof (and in any event not later than seventy-five (75) days prior to the Closing Date), HIM shall cause to be prepared and filed with the SEC an amendment to the registration statement of the Insight Funds reflecting the changes in service provider arrangements and other matters contemplated by this Agreement (the Insight Fund Prospectus Amendment), with such amendment (and any subsequent changes thereto) to be in form and substance reasonably acceptable to each of PIC and HIM (and each of PIC and HIM shall be given reasonable opportunity to review and comment upon such amendment and any such subsequent changes thereto prior to its filing).

7.4 Access to Operations. Subject to applicable legal restrictions, HIM shall afford to PIC reasonable access during normal business hours to the operations of HIM related to the Insight Funds throughout the period prior to the Closing Date (or the earlier termination of this Agreement pursuant to Section 12).

7.5 Notice of Breach and Other Developments. Through the Closing Date, HIM shall promptly give written notice with particularity upon having actual knowledge of any matter that may constitute a breach of any representation, warranty, agreement or covenant contained in this Agreement or result in a condition contained in the Agreement not being satisfied.

7.6 Confidentiality. For a period beginning the date hereof and ending on the Fifth Anniversary, HIM shall, and shall cause its Affiliates and their respective officers, directors, employees, agents and representatives to, hold in strict confidence and not disclose to any Person any confidential data or information relating to the provision of investment management, advisory or other services to the Insight Funds, except (a) such data or information as is publicly available or becomes publicly available in a manner that does not violate this Section 7.6 and

(b) such disclosure as may be required by law or regulation or by judicial or administrative order, provided, in the case of clause (b), that HIM provide PIC with reasonably prompt advance written notice of any such legal requirement so that HIM may seek a protective order or other appropriate remedy.

7.7 Names. HIM shall (and shall cause its Affiliates to) use commercially reasonable efforts to cause the name of the Harris Trust to be changed to the Phoenix Insight Funds Trust, and the names of the Insight Funds to be changed to the Phoenix Insight Funds, in each case effective as of the Closing. HIM hereby waives (on its own behalf and on behalf of each of its Affiliates) any objection to (and hereby consents, on its own behalf and on behalf of its Affiliates, to) the use by PIC, its Affiliates, the Harris Trust, the Insight Funds and/or third parties of (a) the names Phoenix Insight Funds Trust and Phoenix Insight Funds (or any derivations thereof), and (b) derivations of any of the names, marks, logos or other intellectual property included in the Owned Intellectual Property that PIC, its Affiliates, the Harris Trust or the Insight Funds may determine now or in the future to use in connection with the business of the Harris Trust or any of the Insight Funds, and to any trade mark, trade name or other intellectual property protections that may be sought by any of them in connection therewith (provided that HIM does not hereby consent to any such Person seeking intellectual property protections for names, marks, logos or other intellectual property that includes the name Harris), and HIM acknowledges and agrees that, as between HIM and PIC, PIC will own all rights in such names and other intellectual property (for the avoidance of doubt, other than any such name or other intellectual property that includes the name Harris) exclusively, and that HIM will take (and cause its Affiliates to take) no action inconsistent with such ownership by PIC. HIM shall (and shall cause each of its applicable Affiliates to) promptly deliver to PIC any written evidences of such waiver and consent or ownership described in the immediately preceding sentence as may from time to time be requested by PIC or any of its Affiliates in connection with the matters contemplated by this Section 7.7 (including without limitation in connection with any trade mark, trade name or similar intellectual protections that PIC or any of its Affiliates may seek in connection with the use and/or protection of such names throughout the world on their own behalf and/or on behalf of the Harris Trust and/or the Insight Funds). From and after the Closing, HIM shall not (and shall cause its Affiliates not to) use in commerce or otherwise the name Insight Funds (or any derivations thereof that are confusingly similar thereto).

7.8 Tail Insurance Policy. As promptly as practicable following the date of this Agreement (and in any event not later than thirty days prior to the Closing), HIM shall use its reasonable best efforts to cause the Harris Trust (at HIM's expense) to notify its current insurer under the Harris Trust's existing directors and officers liability insurance policies that the Harris Trust is electing to extend the coverage thereunder (with respect to acts and omissions occurring prior to the Closing) for a tail period of 5 years post-Closing, which tail coverage will apply to each of those persons who will become a trustee or officer of the Harris Trust as of the Closing in connection with the transactions contemplated by this Agreement (with no reductions in policy limits or coverages, or other adverse modifications, in connection therewith from the levels currently in effect) with respect to acts and omissions occurring prior to the Closing (if such coverage is available from such insurer), such that each such new trustee or

officer (as applicable) of the Harris Trust will be covered by each such policy during such tail period to the extent that any such person is named as a co-defendant with any of the current trustees or officers of the Harris Trust in any actions relating to such pre-Closing matters), with such tail insurance (including without limitation with respect to the addition of such new trustees thereto) to be in form and substance reasonably acceptable to PIC (such tail insurance policy described in this Section 7.8 covering such new trustees and officers of the Harris Trust, the Tail Insurance Policy).

SECTION 8. COVENANTS OF PIC.

8.1 Commercially Reasonable Efforts; Consents and Approvals. Upon the terms and subject to the conditions of this Agreement, from and after the date of this Agreement until the earlier of the Closing or the termination of this Agreement in accordance with Section 12 hereof (except to the extent expressly set forth in the proviso to Section 8.1(a) below), PIC shall (and shall cause its Affiliates to) use commercially reasonable efforts to take, or cause to be taken, all action, and to do, or cause to be done, all things necessary, proper or advisable consistent with applicable laws and regulations to consummate and make effective in the most expeditious manner practicable the transactions contemplated hereby (subject in each case to PIC's fiduciary duties under applicable laws and regulations), including without limitation using commercially reasonable efforts:

(a) to obtain the necessary approvals of each of the applicable Phoenix Trust Boards and the shareholders of the Harris-Managed Phoenix Funds for the Harris-Managed Phoenix Fund Sub-Advisory Agreement, and HIM shall be given reasonable opportunity to review and comment upon the Phoenix Fund Proxy Statement prior to its filing; provided, however, that PIC shall continue following the Closing until September 30, 2006 to use commercially reasonable efforts to obtain such necessary approvals of the shareholders of any such Harris-Managed Phoenix Fund for which board approval was obtained prior to the Closing but with respect to which such shareholder approval was not obtained prior to the Closing (and PIC shall enter into the Harris-Managed Phoenix Fund Sub-Advisory Agreement with HIM with respect to any such Harris-Managed Phoenix Fund promptly following such a receipt of shareholder approval with respect thereto);

(b) to assist HIM in its efforts to obtain the necessary approvals of the Harris Trust Board and (where required by the Investment Company Act) the shareholders of the Insight Funds with respect to each of the Outside Approval Matters, with the form and substance of all materials to be used in connection therewith (including without limitation the Insight Fund Proxy Statement) to be reasonably acceptable to each of PIC and HIM (and each of PIC and HIM shall be given reasonable opportunity to review and comment upon all such materials prior to their use);

(c) to assist HIM in obtaining from the relevant parties the termination (effective as of the Closing) of the Existing Administration Agreement, the Existing Sub-Administration Agreement, the Existing Transfer Agency Agreement, the Existing Sub-Transfer Agency Agreement and the Existing Distribution Agreement, and to enter into the

New Administration Agreement, the New Sub-Administration Agreement, the New Transfer Agency Agreement, the New Sub-Transfer Agency Agreement, the New Distribution Agreement, the Seneca-Managed Insight Fund Sub-Advisory Agreement and the Vontobel-Managed Insight Fund Sub-Advisory Agreement; and

(d) to assist and cooperate with HIM and the Insight Funds in preparing and filing all documents required to be submitted by HIM and/or the Insight Funds to any Governmental Entities (including the preparation and filing of all proxy statements required under the Investment Company Act (the Insight Fund Proxy Statement and, together with the Phoenix Fund Proxy Statement, the Proxy Statements)) in connection with the transactions contemplated hereby, and in obtaining any governmental consents, waivers, authorizations or approvals which may be required to be obtained by HIM in connection with such transactions (which assistance and cooperation shall include, without limitation, timely furnishing to HIM all information concerning PIC that counsel to HIM reasonably determines is required to be included in the Insight Fund Proxy Statement, the Insight Fund Prospectus Amendment or such other documents, and in obtaining any such required consent, waiver, authorization or approval).

8.2 Notice of Breach and Other Developments. Through the Closing, PIC shall promptly give written notice with particularity upon having actual knowledge of any matter that may constitute a breach of any of its representations, warranties, agreements or covenants contained in this Agreement or result in a condition contained in this Agreement not being satisfied.

8.3 Confidentiality. For a period beginning the date hereof and ending on the Fifth Anniversary, PIC shall, and shall cause its Affiliates and their respective officers, directors, employees, agents and representatives to, use commercially reasonable efforts to hold in confidence and not disclose to any Person confidential information relating to HIM and its Affiliates that has been provided by HIM or any of its Affiliates to PIC or any of its Affiliates in connection with the transactions contemplated by this Agreement, except (a) such information as is publicly available or becomes publicly available in a manner that does not violate this Section 8.3 and (b) for the making of any disclosures (public or otherwise) as may be required by law or regulation (or advisable in connection with any investigation, audit or other process conducted pursuant to any law or regulation) or by judicial or administrative order, in any such case as determined by PIC in its sole discretion (provided that such discretion has been exercised in good faith).

8.4 Maintenance of Harris-Managed Insight Fund Sub-Advisory Agreement. During the Initial Period, PIC (a) shall not terminate the Harris-Managed Insight Fund Sub-Advisory Agreement with respect to any of the Harris-Managed Insight Funds (other than an Applicable Notification Fund), and (b) shall not recommend that the Harris Trust Board terminate the Harris-Managed Insight Fund Sub-Advisory Agreement with respect to any of the Harris-Managed Insight Funds (other than an Applicable Notification Fund), in any such case other than at a time when Cause exists for purposes of such termination.

8.5 Certain Agreements. Subject to the satisfaction (or waiver by the applicable party hereto) of each of the other conditions to Closing set forth in this Agreement, the receipt of all requisite approvals of such agreements from the Harris Trust Board and (where applicable) the shareholders of each of the applicable Harris-Managed Insight Funds in accordance with the Investment Company Act, and (except in the case of the Seneca-Managed Insight Fund Sub-Advisory Agreement) the willingness of the applicable counterparty under each such agreement to enter into such agreement with PIC or PEPCO (as applicable), at the Closing PIC shall (and shall cause Seneca to) enter into the Seneca-Managed Insight Fund Sub- Advisory Agreement in the form attached as Exhibit C hereto (or such other form as the parties thereto may mutually agree), PIC shall enter into the Vontobel-Managed Insight Fund Sub-Advisory Agreement in the form attached as Exhibit D hereto (or such other form as the parties thereto may mutually agree), PIC shall cause PEPCO to enter into the New Sub-Administration Agreement with PFPC in a form substantially similar to the Existing Sub-Administration Agreement (or such other form as the parties thereto may mutually agree), and PIC shall cause PEPCO to enter into the New Sub-Transfer Agency Agreement with BFDS in such form as is reasonably acceptable to PEPCO and BFDS; provided, however, that, in the event that any of Vontobel, PFPC or BFDS declines to enter into such agreement with PIC or PEPCO (as applicable) not later than such time as such requisite approvals of such agreement have been obtained and the other conditions to Closing set forth in this Agreement have been satisfied (or waived by the applicable party hereto), then from and after the date of such declination until the earlier of the Closing or the termination of this Agreement in accordance with Section 12 hereof, PIC shall use its commercially reasonable efforts to identify a substitute sub-adviser, sub-administrator or sub-transfer agent (as applicable) for the applicable Insight Funds that is reasonably acceptable to PIC, to obtain the requisite board and (where applicable) shareholder approvals with respect to such substitute service provider, and to enter into (or cause PEPCO to enter into, as applicable) a services agreement with such substitute service provider in such form as is reasonably acceptable to PIC or PEPCO (as applicable) and to such substitute service provider, in each case as promptly as practicable (any such substitute service provider described in this proviso, a Substitute Service Provider , and the services agreement between PIC or PEPCO (as applicable) and such Substitute Service Provider, a Substitute Services Agreement).

SECTION 9. INDEMNIFICATION.

9.1 Survival of Representations, Warranties and Covenants. Each of the representations and warranties contained in this Agreement shall survive the Closing until the second anniversary of the date of the Closing, except for the representations and warranties contained in Sections 5.1, 5.2, 5.9, 6.1 and 6.2, which shall survive indefinitely, and except for the representations and warranties contained in Section 5.12(g), which shall survive until the 90th day following the expiration of the applicable statute of limitations (or, if there is no statute of limitations applicable to a particular matter covered thereby, then indefinitely). Notwithstanding the foregoing, any notice given in accordance with Section 9.4 prior to the expiration of the survival period referred to above claiming an alleged breach of any representation or warranty hereunder shall without further action extend the survival period for the representation or warranty alleged to have been breached as applied to the circumstances set

forth in such notice until immediately after the final resolution of the matter. Each of the covenants and agreements contained in this Agreement shall survive indefinitely. Each statement made by HIM in written certificates or other written instruments delivered pursuant to the terms of this Agreement (including without limitation in connection with the Closing) shall constitute a representation and warranty of HIM under this Agreement (and shall be deemed contained in this Agreement for purposes of Section 9.2 hereof).

9.2 Indemnification by HIM. From and after the Closing, HIM agrees to indemnify, defend and hold PIC, its Affiliates, the Harris Trust, the Insight Funds, each of the Phoenix Trusts, the Harris-Managed Phoenix Funds, and the respective directors, trustees (other than those individuals serving as the trustees of the Harris Trust as of the Business Day immediately prior to the date of this Agreement), officers (other than those individuals serving as the officers of the Harris Trust as of the Business Day immediately prior to the date of this Agreement) and employees of each of the foregoing (individually a PIC Indemnified Party and, collectively, the PIC Indemnified Parties) harmless from and against any damages, liabilities, losses (including, without limitation, diminutions in value), costs and expenses (including, without limitation, reasonable fees and expenses of counsel) (collectively, Damages) which may be sustained or suffered by any of them to the extent arising out of, based upon or resulting from any of the following:

(a) Any breach of a representation or warranty of HIM or HFC contained in this Agreement, or by reason of any claim, action or proceeding asserted or instituted growing out of any matter or thing constituting such a breach (or which would, in the case of any allegations made by third parties, if true constitute such a breach);

(b) Any breach of a covenant or agreement of HIM contained in this Agreement, or by reason of any claim, action or proceeding asserted or instituted growing out of any matter or thing constituting such a breach (or which would, in the case of any allegations made by third-parties, if true constitute such a breach); or

(c) The activities, conduct, business or operation of HIM, Harris N.A. or any of their respective Affiliates (including without limitation in connection with any of their respective services performed for or in respect of the Harris Trust or any of the Insight Funds) at any time prior to the Closing (whether or not any facts with respect thereto are disclosed on the Schedules to this Agreement or in the Compliance Reports).

9.3 Indemnification by PIC. From and after the Closing, PIC agrees to indemnify, defend and hold HIM, its respective Affiliates and their respective directors, officers and employees (individually, a Harris Indemnified Party and, collectively, the Harris Indemnified Parties) harmless from and against any Damages which may be sustained or suffered by any of them to the extent arising out of, based upon or resulting from any of the following:

(a) Any breach of a representation, warranty of PIC contained in this Agreement or by reason of any claim, action or proceeding asserted or instituted growing out of any matter or thing constituting such a breach (or which would, in the case of any allegations made by third parties, if true constitute such a breach); or

(b) Any breach of a covenant or agreement of PIC or PXP contained in this Agreement, or by reason of any claim, action or proceeding asserted or instituted growing out of any matter or thing constituting such a breach (or which would, in the case of any allegations made by third-parties, if true constitute such a breach); provided, however, that the sole Damages recoverable by the Harris Indemnified Parties in respect of a breach by PIC of the covenants and agreements set forth in Section 8.4 hereof shall be pursuant to the penalty payment provisions set forth in Section 3.2(b) hereof (and all rights of recourse and remedy (whether legal or equitable, and including without limitation pursuant to this Section 9.3) of the Harris Indemnified Parties in respect of such a breach of Section 8.4 hereof shall be fully satisfied by the payment(s) required to be made in accordance with the express provisions of Section 3.2(b) hereof).

9.4 Notice: Defense of Claims.

(a) A PIC Indemnified Party shall make any claim for indemnification hereunder by PIC delivering written notice thereof to HIM within the period in which indemnification claims can be made hereunder, and a Harris Indemnified Party shall make any claim for indemnification hereunder by HIM delivering written notice thereof to PIC within the period in which indemnification claims can be made hereunder. If indemnification is sought for a claim asserted by a third party, the indemnified party shall also give written notice thereof to the indemnifying party promptly after it receives notice of the claim being asserted, but the failure to do so shall not relieve the indemnifying party from any liability except to the extent (and only to the extent) that it is materially prejudiced by the failure or delay in giving such notice. Any such notice shall summarize in reasonable detail (to the extent then known to the Person delivering such notice) the bases for the claim for indemnification and any claim being asserted by a third party.

(b) Within 20 Business Days after receiving a written notice pursuant to Section 9.4(a) above, PIC or HIM (as applicable) shall deliver a responding written notice to the other stating whether it disputes the claim for indemnification and, in the case of a notice delivered pursuant to Section 9.4(a) that involves a third-party claim, also whether it will defend against (or jointly participate in the defense against, in the case of a third party claim of the type covered by Section 9.4(d) below) such third party claim at its own cost and expense (if it shall have the right to elect to defend in accordance with Section 9.4(c) below or to jointly participate in such defense in accordance with Section 9.4(d) below, as applicable). If PIC or HIM (as applicable) fails to deliver a responding written notice that it disputes an indemnification claim within 20 Business Days after receipt of a written notice pursuant to Section 9.4(a) above, it shall be deemed to have accepted and agreed to the claim, which shall become immediately due and payable. If PIC or HIM (as applicable) fails to deliver a responding written notice stating that it will defend against (or jointly participate in the defense against, in the case of a third party claim of the type covered by Section 9.4(d) below) a third party claim at its own cost and expense (if it shall have the right to elect to defend in accordance with Section 9.4(c) below or to jointly participate in such defense in accordance with Section 9.4(d) below, as applicable) within

20 Business Days after receipt of a written notice pursuant to Section 9.4(a) above that involves a third-party claim, then it shall have waived its right to defend against (or jointly participate in the defense against, as applicable) such third-party claim (and the party delivering the written notice pursuant to Section 9.4(a) above shall have the exclusive right to defend against such third-party claim at the cost and expense of the indemnifying party). Where an indemnified party does not have the right to conduct the defense of a third-party claim in accordance with Section 9.4(c), or to jointly participate in the conduct of the defense of a third-party claim in accordance with Section 9.4(d), then such indemnified party shall at all times still have the right to reasonably participate in (but for the avoidance of doubt, not to control) the defense of such third party claim in reasonable respects directly or through counsel at such indemnified party's own cost and expense; provided that if the named parties to any such action or proceeding include both the indemnifying party and one or more indemnified parties and an indemnified party is advised by counsel in writing that representation of both parties by the same counsel would be inappropriate under applicable standards of professional conduct, the indemnified parties may engage one separate counsel to represent them at the expense of the indemnifying parties

(c) In the case of any written notice delivered pursuant to Section 9.4(a) above that involves a third-party claim, if (i) no responding written notice is delivered by PIC or HIM (as applicable) in accordance with Section 9.4(b) stating that it will defend against (or jointly participate in the defense against, in the case of a third-party claim covered by Section 9.4(d) below) such third-party claim, or (ii) a responding written notice is delivered in accordance with Section 9.4(b) above, but the defense (or joint defense, as applicable) of such third-party claim assumed thereby is not being, or ceases to be, conducted reasonably and in good faith by the party delivering such responding written notice in accordance with Section 9.4(b) above, then in either such case the party (PIC or HIM, as applicable) who delivered the notice of such third-party claim pursuant to Section 9.4(a) above shall have the right (but not the obligation), on behalf of the indemnified parties and at the expense of the indemnifying parties, to undertake and control the defense of such claim or liability (with counsel selected by it and reasonably acceptable to the indemnifying parties), and to compromise or settle it (subject to the consent of the indemnifying parties, such consent not to be unreasonably withheld or delayed). Subject to Section 9.4(d) below, in the event that a party has delivered a responding written notice in accordance with Section 9.4(b) above stating that it will defend against a third-party claim and is continuing to conduct such defense reasonably and in good faith, then the other party shall have the right to participate in the defense of such third-party claim in reasonable respects and (subject to the proviso to the final sentence of Section 9.4(b) above) at its own expense directly or through counsel, and in such event the party conducting such defense shall consult with the other in reasonable respects with respect to material decisions made in connection with the conduct and control of such defense, and shall not compromise or settle such third-party claim without the prior written consent of the party who delivered the notice of such claim pursuant to Section 9.4(a) above (such consent not to be unreasonably withheld or delayed) unless such resolution includes a release of the indemnified parties and the indemnifying parties do not become subject to non-monetary penalties, obligations or restrictions as a result thereof. If a third-party claim is one that by its nature cannot be defended solely by the Person having the right to undertake and control the defense

thereof in accordance with this Section 9.4(c), and also in the case of any joint participation in the defense of a third-party claim pursuant to Section 9.4(d) below, the indemnified parties and the indemnifying parties shall make available to each other such information and assistance as the others may reasonably request in connection with any such third-party claim, and shall cooperate with the others in good faith in the conduct of such defense (at the expense of the indemnifying parties).

(d) In the event that a third-party claim with respect to which PIC has delivered a written notice pursuant to Section 9.4(a) above (or any proceeding related thereto) has had or could reasonably be expected have a materially adverse impact on the business or reputation of any PIC Indemnified Party or otherwise materially and adversely impair any of their respective commercial interests, then (i) the lead counsel selected for the defense of such third-party claim shall be reasonably acceptable to PIC, and the PIC Indemnified Parties shall (unless they have selected the lead counsel for such defense) also have the right to at all times to have their own litigation counsel fully involved in such defense, to the greatest extent practicable in keeping with an effective defense of any such claim, with one counsel for all of the PIC Indemnified Parties at the cost and expense of the indemnifying parties, (ii) such third-party claim shall be jointly defended by PIC and HIM (subject to the first sentence of Section 9.4(c) above, and if such first sentence of Section 9.4(c) above is or becomes applicable, then thereafter PIC shall solely conduct the defense of such third-party claim), with all material litigation, compromise and settlement decisions in connection therewith being subject to the prior written consent of each of PIC and HIM (such consent not to be unreasonably withheld or delayed by either of them (for the avoidance of doubt in the case of consent to any such settlement decision, with such reasonableness to be viewed, with respect to PIC and HIM respectively, in light of the magnitude of the dollar amount of the proposed settlement and the significance of any other non-monetary provisions included in such settlement)), and (iii) while such joint defense is being conducted, each of PIC and HIM shall keep the other reasonably informed and shall cooperate with each other reasonably and in good faith in connection with the conduct of such joint defense.

9.5 Indemnification Payments. From and after the Closing, the indemnification provided for under this Section 9 shall be the exclusive remedy for monetary damages with respect to breaches of representations, warranties, covenants and agreements contained in this Agreement, and in lieu of any other remedies for monetary damages for such breaches under this Agreement that may be available to the PIC Indemnified Parties or the Harris Indemnified Parties (as applicable) pursuant to any constitutions, laws, statutes, ordinances, regulations, codes, rules or other regulatory restrictions of any Governmental Entity applicable to it and its business, including without limitation, if applicable, the Advisers Act, the Investment Company Act, the Securities Act, the Exchange Act and the regulations promulgated under each of them; the rules and regulations of self-regulatory organizations and all other laws and regulations applicable to its business or operations; provided, however, that (subject to the proviso set forth in Section 9.3 hereof) nothing contained in this Section 9.5 shall be deemed to limit any party's right to seek monetary recovery under any applicable laws in the case of intentional fraud by any other party hereto; and provided, further, that nothing contained in this Section 9.5 shall be deemed to limit any party's right to seek injunctive relief (provided that the

covenants and agreements set forth in Section 8.4 of this Agreement shall not be enforceable by injunctive relief, and the sole remedy in respect of any breach thereof shall be as described in the proviso to Section 9.3(b) of this Agreement); and provided, further, that, for the avoidance of doubt, nothing contained in this Agreement shall be deemed to limit any party's remedies (for monetary damages or otherwise) with respect to breaches of other written agreements and instruments (apart from this Agreement) entered into in connection with the transactions contemplated by this Agreement occurring at any time (including without limitation the Strategic Partnership Agreement and the Harris Sub-Advisory Agreements). For purposes of measuring the amount of any Damages which may be sustained or suffered by any indemnified party hereunder arising out of or resulting from a breach of a representation or warranty hereunder by another party hereto (but in no event for purposes of determining whether such representation or warranty was in fact breached), any limitations contained in the applicable representation or warranty with respect to materiality or a Material Adverse Effect shall be disregarded.

SECTION 10. CONDITIONS PRECEDENT TO PERFORMANCE BY HIM.

The obligation of HIM to consummate the transactions contemplated by Section 2 of this Agreement are subject to the fulfillment (or waiver in writing by HIM in its sole discretion) as of the Closing of each of the conditions set forth in this Section 10.

(a) Representations and Warranties of PIC. Each representation and warranty made by PIC in this Agreement that is qualified as to materiality or material adverse effect shall be true and correct in all respects, each representation and warranty of PIC that is not so qualified shall be true and correct in all material respects, in each such case both as of the date of this Agreement and (except to the extent such representation or warranty expressly speaks as of an earlier date, in which case such representation and warranty shall be true and correct as of such earlier date) as of the Closing Date, and HIM shall have received a certificate to that effect dated the Closing Date and signed by an authorized officer of PIC.

(b) Performance of the Obligations of PIC. PIC shall have performed in all material respects all obligations required under this Agreement to be performed by it on or before the Closing Date, and HIM shall have received a certificate to that effect dated the Closing Date and signed by an authorized officer of PIC.

(c) No Violation of Orders; Litigation. From and after the Closing for so long as HIM or any of its Affiliates is acting as an investment adviser or sub-adviser to any of the Funds or any other investment product sponsored, managed and/or distributed by PIC, a Purchasing Successor Adviser or any of their respective Affiliates, HIM shall (and shall cause its Affiliates to):

(a) Use commercially reasonable efforts to provide PIC (or a Purchasing Successor Adviser, as applicable), its Affiliates and the Insight Funds with access to the distribution systems of HIM, Harris N.A. and their respective Affiliates that is no less favorable than the access that the Insight Funds have had to such distribution systems prior to the date of this Agreement;

(b) Not take any action that is intended to (or otherwise would reasonably be expected to) cause or encourage generally the withdrawal or other removal by investment management, brokerage or banking clients of HFC or any controlled Affiliate thereof (including without limitation Harris N.A.) of Harris-Sourced Assets from the Insight Funds, provided that nothing contained in this Section 3.1(b) shall be construed to prevent HFC or any controlled Affiliate thereof (including without limitation Harris N.A.) from managing its client accounts in good faith in the ordinary course of business or from the other good faith exercise of its fiduciary duties to clients;

(c) Keep PIC (or a Purchasing Successor Adviser, as applicable) reasonably informed of, and reasonably consult with PIC in advance of, any anticipated changes in (including terminations of) portfolio managers and other senior portfolio management personnel at HIM (and any applicable Affiliates thereof) who are involved in the management of any of the Funds or any other investment product sponsored, managed and/or distributed by PIC (or a Purchasing Successor Adviser, as applicable) or any Affiliate thereof;

(d) Use commercially reasonable efforts to assist PIC (or a Purchasing Successor Adviser, as applicable) and its Affiliates in the initial and periodic renewals of the investment advisory or sub-advisory (as applicable) arrangements relating to each Fund or other investment product for which HIM, Harris N.A. or any of their respective Affiliates serves as an adviser or sub-adviser as of immediately following the Closing, and with respect to any additional funds or other investment products in respect of which PIC (or a Purchasing Successor Adviser, as applicable) or any of its Affiliates seeks to retain HIM, Harris N.A. or an Affiliate thereof as an investment adviser or sub-adviser, including without limitation by providing all information reasonably requested in connection therewith, participating in board of trustees and similar meetings in connection therewith, and otherwise agreeing to provide such services and cooperating in good faith and providing reasonable assistance in connection therewith; and

(e) (i) Use reasonable best efforts to implement each of those actions described in Schedule 3.1(e) attached hereto (the Compliance Protocols) as promptly as practicable following the date of this Agreement (and in any event not later than the outside dates specified for such respective actions in such schedule), subject to any changes therein that may be approved in advance in writing by PIC following the date of this Agreement, (ii) at all times following the implementation of each of the actions described in the Compliance Protocols, use reasonable best efforts to maintain the implementation of those actions (including without limitation by maintaining in effect the policies and procedures numbered 2-10 described in the summary Description of HIM Procedures and Status referenced in the Compliance Protocols), and use reasonable best efforts to cause all personnel (including without limitation portfolio managers and other portfolio management personnel) of HIM, Harris N.A. and their respective Affiliates involved in the management of or other provision of services to any of the Funds or other investment products sponsored, managed, and/or distributed by PIC (or a Purchasing Successor Adviser, as applicable) or any of its Affiliates to fully comply with such policies and procedures and with all of the other compliance policies and procedures of HIM and its applicable Affiliates, (iii) promptly notify PIC upon becoming aware of any material non-compliance with any of the requirements of the Compliance Protocols or of this Section 3.1(e), and (iv) cooperate in all reasonable respects with any reviews or similar processes that PIC may from time to time reasonably request in connection with gauging compliance with the Compliance Protocols and the other compliance policies and procedures of HIM and its applicable Affiliates as the same relate to the provision of services to or in respect of the Funds or other investment products sponsored, managed and/or distributed by PIC or a Purchasing Successor Adviser (as applicable) or any Affiliate thereof (subject in each case (i) through (iv) to any contrary requirements of applicable laws and regulations, and provided that, for the avoidance of doubt and notwithstanding this Section 3.1(e), HIM and its Affiliates shall at all times remain fully in control of (subject to compliance with the express covenants set forth in

this Section 3.1(e)) and responsible for their own legal and regulatory compliance and the compliance of their respective personnel, and in no event shall PIC or any Affiliate thereof be deemed responsible for such compliance or to be acting in a supervisory or similar capacity with respect to any of such Persons by reason of this Section 3.1(e) or otherwise).

3.2 Restricted Fund Types. (a) Except to the extent expressly permitted by Section 3.2(b) below or as otherwise consented to in advance in writing by PIC in its sole discretion, from and after the Closing until the Fifth Anniversary, HIM shall not (and HIM shall cause HFC, each of HFC's controlled Affiliates other than HIM, and any other Affiliate of HIM conducting business under the Harris name, in each such case not to) sponsor or act as an investment adviser or sub-adviser (or otherwise provide investment advisory services, directly or indirectly) to or in respect of any Restricted Fund Type (as defined below) (collectively, Restricted Fund Activities).

(b) Notwithstanding the provisions of Section 3.2(a) above, each of HIM, HFC, each of HFC's controlled Affiliates other than HIM, and any other Affiliate of HIM conducting business under the Harris name (collectively, the Restricted Harris Companies) may, with respect to Restricted Fund Activities:

(i) Act as a sub-adviser to any fund that is a Restricted Fund Type if (A) such fund is one of the BMO Income Fund, the BMO US Growth Fund, the BMO US Equity Index RSP Fund, the BMO US Value Fund, the BMO US Special Equity Index Fund, the BMO Global Science and Technology Fund, the BMO US Dollar Money Market Fund, the BMO US Dollar Bond Fund, the BMO US Dollar Equity Index Fund, the BMO Asset Allocation Fund or the BMO NAFTA Fund (and HIM hereby represents and warrants to PIC that each of the foregoing BMO funds is as of the date of this Agreement sponsored by the Bank of Montreal or one of its Affiliates (other than any of the Restricted Harris Companies) and sub-advised by HIM or a subsidiary of HIM), and (B) such fund does not have its U.S. distribution materially expanded after the date of this Agreement from those distribution channels and U.S. distribution resources utilized with respect to such fund as of the date of this Agreement to distribution channels competitive with those utilized by the Phoenix Funds, the Insight Funds or any Other Harris-Managed Investment Product unless HIM first provides PIC with prior written notice (a BMO Fund Competition Notice) of the intent of BMO to expand such U.S. distribution pursuant to this Section 3.2(b)(i)(B) setting forth in reasonable detail the nature of such intended expansion and making express reference to this provision;

(ii) Act as a sub-adviser to any fund that is a Restricted Fund Type if shares of such fund are offered only outside of the United States;

(iii) Act as a sub-adviser to any fund that is a Restricted Fund Type if (A) such fund is sponsored by a third party (other than a Restricted Harris Company or any Affiliate thereof) and (B) such fund is a multi-manager fund (i.e., a fund employing multiple sub-advisers and not held out to the public as a Harris fund) (I) that at all times employs at least one sub-adviser that is not a Restricted Harris Company or an

Affiliate of any of the Restricted Harris Companies and (II) with respect to which the Restricted Harris Companies are in the aggregate responsible for the management of less than sixty-five percent of the total portfolio of such fund (provided that increases in the aggregate percentage of any such fund's portfolio managed by Restricted Harris Companies resulting from market appreciation in the portion of such fund's portfolio managed by Restricted Harris Companies, and/or market depreciation in the portion of such fund's portfolio managed by third-party sub-adviser(s), in each such case occurring subsequent to the commencement of a Restricted Harris Company acting as a sub-adviser to such fund shall be disregarded in determining whether such percentage limitation has been exceeded);

(iv) Act as a sub-adviser to any fund that is a Restricted Fund Type if (A) such fund is sponsored by a third party (other than a Restricted Harris Company or any Affiliate thereof), (B) such third party does not, in the ordinary course of its business, distribute (or otherwise make available to its clients or customers), through the investment program or platform for which such Restricted Harris Company proposes to act as a sub-adviser, the shares of investment companies registered under the Investment Company Act that (I) are sponsored by other third parties and (II) have a pricing (fee) structure that would generally be associated with distribution through a retail network, and (C) HIM provides PIC with prior written notice of the intent of a Restricted Harris Company to act as a sub-adviser to such fund pursuant to this Section 3.2(b)(iv) setting forth in reasonable detail the nature of such proposed arrangements;

(v) Acquire or otherwise hold any interest (whether by way of a purchase, merger, consolidation or other transaction) in or otherwise become Affiliated with any Person engaged directly or indirectly in any Restricted Fund Activities if the direct and indirect interests beneficially owned by HFC and its Affiliates in the aggregate represent less than 15% of the voting interests and less than 15% of the economic interests in such Person (in each case assuming the exercise of all rights of HFC and its Affiliates therein) (provided that, for the avoidance of doubt, this Section 3.2(b)(iv) shall not permit HFC or any of its controlled Affiliates other than the Person described in this Section 3.2(b)(iv) to themselves engage in Restricted Fund Activities);

(vi) Hold any interest in a controlled Affiliate of HFC that is acquired after the date of this Agreement (whether by way of a purchase, merger, consolidation, asset purchase or other transaction) by HFC or any of its controlled Affiliates (other than HIM) as a going concern, in a bona fide acquisition not entered into for the purpose of circumventing the provisions of this Section 3.2 (an Acquisition), of an unaffiliated third-party business (any such business acquired in an Acquisition, an Acquired Business) if (A) the Acquired Business is not branded with the name Harris or Insight Funds (or any derivation thereof) at any time prior to the Fifth Anniversary in connection with funds that are Restricted Fund Types, (B) none of the Restricted Harris Companies at any time share confidential or proprietary information relating to the Harris-Managed Insight Funds, the Harris-Managed Phoenix Funds or the Other Harris-Managed Phoenix Investment Products (or the services of the Restricted Harris

Companies with respect thereto) with such Acquired Business or its personnel (except to the extent required to comply with law or judicial process), (C) the services of HIM personnel are not made available to the clients or other customers of the Acquired Business (e.g., through the transfer of such personnel to such Acquired Business or through dual-employee or similar arrangements), other than pursuant to the express provisions of the below proviso to this clause (vi), and (D) no Restricted Harris Company (including without limitation HIM) acts as a sub-adviser to (or otherwise engages in Restricted Fund Activities in connection with) any fund that is a Restricted Fund Type and sponsored by the Acquired Business, other than pursuant to the express provisions of the below proviso to this clause (vi); provided, however, that the conditions set forth in the foregoing sub-clauses (A), (C) and (D) of this clause (vi) shall not apply to the Acquired Business in connection with Restricted Fund Activities relating to any Restricted Fund Type for which HIM provides PIC with prior written notice (an Acquired Fund Competition Notice) of the intent of a Restricted Harris Company to act as a sub-adviser to such a fund pursuant to this proviso, setting forth in reasonable detail the nature of such intended arrangements and making express reference to this provision (in which case such Restricted Harris Company may act as a sub-adviser to such fund); and

(vii) From and after the third anniversary of the earlier of (A) the Harris- Managed Phoenix Fund Shareholder Approval Date or (B) September 30, 2006, act as a sub-adviser to any fund that is a Restricted Fund Type if (A) such fund is sponsored by a third party (other than a Restricted Harris Company or any Affiliate thereof), (B) the corresponding Harris-Managed Insight Fund, Harris-Managed Phoenix Fund or Other Harris-Managed Phoenix Investment Product (as applicable) is an Applicable Small Fund (as defined below) that had (at the time such Restricted Harris Company commenced acting as sub-adviser to such third party-sponsored fund) a total net asset value of less than the Minimum AUM Amount (as defined below), and (C) HIM provides PIC with prior written notice (a Small Fund Competition Notice) of the intent of a Restricted Harris Company to act as a sub-adviser to such fund pursuant to this Section 3.2(b)(vii) setting forth in reasonable detail the nature of such intended arrangements and making express reference to this proviso.

(c) A Restricted Fund Type shall mean any investment company registered under the Investment Company Act that is substantially similar (by way of illustration, one small cap value fund being substantially similar to any other small cap value fund) to any of the Harris-Managed Insight Funds, Harris-Managed Phoenix Funds or Other Harris-Managed Phoenix Investment Products (for the avoidance of doubt, whether or not HIM and its Affiliates have following the Closing resigned or otherwise ceased to provide investment management services in respect of any such Harris-Managed Insight Fund, Harris-Managed Phoenix Fund or Other Harris-Managed Phoenix Investment Product for any reason, subject to the proviso to this sentence); provided, however, that a particular type of fund (e.g., small cap value) shall cease to be a Restricted Fund Type from and after such time following the Closing as HIM or an Affiliate thereof (as applicable) has been terminated as the adviser or sub-adviser (as applicable) of (and from otherwise providing investment management services, directly or indirectly, to or in

respect of) the corresponding Harris-Managed Insight Fund, Harris-Managed Phoenix Fund or Other Harris-Managed Phoenix Investment Product (as applicable) by action of PIC, a Purchasing Successor Adviser or the governing board of such corresponding investment company (as applicable) effecting such termination.

The Minimum AUM Amount shall mean (i) with respect to any Harris-Managed Insight Fund or Harris-Managed Phoenix Fund that had a total net asset value of less than \$200 million as of the Closing Date, the dollar amount equal to such total net asset value as of the Closing Date plus \$100 million, or (ii) with respect to any Harris-Managed Insight Fund or Harris Managed Phoenix Fund that had a total net asset value of at least \$200 million as of the Closing Date, or any Other Harris-Managed Phoenix Investment Product that had a total net asset value of at least \$200 million as of the date that a Restricted Harris Company first commenced providing investment management services to such fund (in any such case, an Applicable Small Fund), that dollar amount equal to 1.4 times such fund's total net asset value on the Closing Date or such date that a Restricted Harris Company first commenced providing such services (as applicable).

3.3 Certain Solicitation and Hiring Restrictions. Except to the extent otherwise consented to in advance in writing by PIC in its sole discretion, from and after the Closing until the Fifth Anniversary, HIM shall not (and HIM shall cause each of the other Restricted Harris Companies not to), directly or indirectly, (i) solicit for employment (or otherwise seek to induce to leave the employment of PXP or a controlled Affiliate thereof) any portfolio manager or other senior portfolio management personnel of PXP or any of its controlled Affiliates who is engaged in the provision of investment management services to any funds that are (or at any prior time during the Initial Period were) Restricted Fund Types (provided that this restriction shall not be deemed violated by general advertising or mailings, or by other means of solicitation not directly targeted at employees of PIC or any of its Affiliates in particular), or (ii) hire any portfolio manager or other senior portfolio management personnel of PXP or any of its controlled Affiliates then employed by any such Person and engaged in the provision of investment management services to any funds that are (or at any prior time during the Initial Period were) Restricted Fund Types, or any individual who was employed in such a capacity by PXP or a controlled Affiliate thereof within the six-month period immediately preceding such hiring by a Restricted Harris Company, in each such case other than any such individual whose employment has been affirmatively terminated by PXP or a controlled Affiliate thereof.

SECTION 4. POST-CLOSING COVENANT OF PIC.

4.1 Distribution. From and after the Closing, for so long as HIM, Harris N.A. or any of their respective Affiliates is acting as an investment adviser or sub-adviser to any of the Insight Funds sponsored by PIC, PIC shall (and shall cause its Affiliates to) use commercially reasonable efforts to provide such Fund with access to the distribution systems of PIC and its Affiliates that is no less favorable than the access afforded to other similar investment products sponsored by PIC and its Affiliates that are distributed in such systems.

4.2 Certain Solicitation and Hiring Restrictions. Except to the extent otherwise consented to in advance in writing by HIM in its sole discretion, from and after the Closing until the Fifth Anniversary, PIC shall not (and PIC shall cause PXP and each of PXP's controlled Affiliates other than PIC not to), directly or indirectly, (i) solicit for employment (or otherwise seek to induce to leave the employment of HIM or an Affiliate thereof) any portfolio manager or other senior portfolio management personnel of HIM or any of its Affiliates who is engaged in the provision of investment management services to any of the Harris-Managed Phoenix Funds, the Harris-Managed Insight Funds or the Other Harris-Managed Phoenix Investment Products (provided that this restriction shall not be deemed violated by general advertising or mailings, or by other means of solicitation not directly targeted at employees of HIM or any of its Affiliates in particular), or (ii) hire any portfolio manager or other senior portfolio management personnel of HIM or any of its Affiliates then employed by any such Person and engaged in the provision of investment management services to any of the Harris-Managed Phoenix Funds, the Harris-Managed Insight Funds or the Other Harris-Managed Phoenix Investment Products, or any individual who was employed in such a capacity by HIM or an Affiliate thereof within the six-month period immediately preceding such hiring by PIC or an Affiliate thereof, in each such case other than (A) any such individual whose employment has been affirmatively terminated by HIM or an Affiliate thereof, or who has otherwise been removed by HIM or an Affiliate thereof from (or otherwise had his or her responsibilities substantially and adversely reduced with respect to) the provision of investment advisory services to (or in respect of) any Harris-Managed Phoenix Fund, Harris-Managed Insight Fund or Other Harris-Managed Phoenix Investment Product without the prior written consent of PIC (for the avoidance of doubt, whether or not such individual's employment with HIM or an Affiliate thereof has also been terminated), or (B) any such individual who was providing investment management services to (or in respect of) any Harris-Managed Phoenix Fund, Harris-Managed Insight Fund or Other Harris-Managed Phoenix Investment Product within the six-month period immediately preceding HIM or any of its Affiliates having resigned as adviser, sub-adviser or in a similar capacity with respect to such fund or other investment product.
