ANTIGENICS INC.

This prospectus supplement amends the prospectus dated March 16, 2009 to allow certain stockholders or their pledgees, donees, transferees, or other successors in interest (the "Selling Stockholders"), to sell, from time to time, up to 7,000,000 shares of our common stock, which they have acquired in a private placement in the United States, and up to 7,000,000 shares of our common stock issuable upon the exercise of warrants which are held by the Selling Stockholders named in the prospectus.

We would not receive any proceeds from any such sale of these shares. To the extent any of the warrants are exercised for cash, if at all, we will receive the exercise price for those warrants.

This prospectus supplement is being filed to include the information set forth in the Current Report on Form 8-K filed on March 30, 2009, which is set forth below. Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing

On March 25, 2009, Antigenics Inc. (the Company) received notification from The NASDAQ Stock Market that the NASDAQ Listing Qualifications Panel (the Panel) had determined to transfer the Company's listing to The NASDAQ Capital Market and continue the Company's listing on that market effective with the opening of trading on March 27, 2009. The Company's shares will continue to trade under the ticker AGEN.

The Panel's decision is subject to the condition that, among other things, the Company demonstrates compliance with all continued listing standards of The NASDAQ Capital Market on or before June 22, 2009. The Panel's determination follows a hearing on January 29, 2009 at which the Panel considered the Company's plan to regain compliance with the minimum \$35 million market value of listed securities or the alternative \$2.5 million stockholders' equity requirement for continued listing. While the Company is taking steps to comply with the terms of the Panel decision, there can be no assurance that the Company will be able to do so.
