Item 2.01 Completion of Acquisition or Disposition of Assets.

On January 4, 2010, II-VI Incorporated ("II-VI") completed the merger (the "Merger") of II-VI Cayman, Inc. ("Merger Sub"), a wholly-owned subsidiary of II-VI Holdings B.V. ("Parent") and indirect subsidiary of II-VI with and into Photop Technologies, Inc. ("Photop"), with Photop becoming a wholly-owned subsidiary of Parent and an indirect subsidiary of II-VI. The total consideration paid by II-VI to the former shareholders of Photop in connection with the Merger was approximately \$76 million, which consisted of approximately \$45.6 million in cash and 1,146,000 shares of II-VI common stock, no par value per share (collectively, the "Initial Consideration"). In addition to the Initial Consideration paid upon consummation of the Merger, the ordinary shareholders of Photop may also be entitled to additional earnout opportunities of \$12 million, to be paid in cash, based on Photop's future achievement of certain financial goals (in the aggregate, the "Earnout Amount"). The Earnout Amount, however, will be subject to set-off for indemnification based on terms and conditions set forth in the Merger Agreement (as defined below).

The foregoing description of the Merger contained in this Item 2.01 does not purport to be complete and is qualified in its entirety to the Merger Agreement, dated as of December 28, 2009, between II-VI, Parent, Merger Sub, Photop and Loyal Excel Investments Limited, as shareholder representative (the "Merger Agreement"), which is being filed as Exhibit 2.1 to this Current Report on Form 8-K.

Forward Looking Statements

Information set forth in this Current Report on Form 8-K contains forward-looking statements based on certain assumptions and contingencies that involve risks and uncertainties. The forward-looking statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995 and relate to the Company's performance on a going-forward basis. The forward-looking statements in this report involve risks and uncertainties, which could cause actual results, performance or trends to differ materially from those expressed in the forward-looking statements herein or in previous disclosures. II-VI believes that all forward-looking statements made by it have a reasonable basis, but there can be no assurance that management's expectations, beliefs or projections as expressed in the forward-looking statements will actually occur or prove to be correct. In addition to general industry and economic conditions, factors that could cause actual results to differ materially from those discussed in the forward-looking statements in this press release include, but are not limited to: (i) the failure of any one or more of the assumptions stated above to prove to be correct; (ii) the risks relating to forward-looking statements and other "Risk Factors" discussed in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2009; (iii) purchasing patterns from customers and end-users; (iv) timely release of new products, and acceptance of such new products by the market; (v) the introduction of new products by competitors and other competitive responses; and/or (vi) the Company's ability to devise and execute strategies to respond to market conditions. Any forward-looking statements are made as of the date of issuance and the Company undertakes no obligation to publicly revise or update any forward-looking statements.
