Annual Meeting of Stockholders

March 5, 2010

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Aberdeen Australia Equity Fund, Inc., a Maryland corporation (the Fund), to be voted at the Annual Meeting of Stockholders of the Fund (the Meeting) to be held at 1735 Market Street, 32nd Floor, Philadelphia, Pennsylvania, on Friday, March 5, 2010, at 11:30 a.m. (Eastern time), or at any adjournments or postponements thereof. The approximate mailing date for this Proxy Statement is January 22, 2010, or as soon as practicable thereafter.

All properly executed proxies received prior to the Meeting will be voted at the Meeting, or at any adjournments or postponements thereof, in accordance with the instructions marked on the proxy card. Unless instructions to the contrary are marked on the proxy card, proxies received will be voted **FOR** Proposal 1. The persons named as proxy holders on the proxy card will vote in their discretion on any other matters that may properly come before the Meeting or any adjournments or postponements thereof. Any proxy may be revoked at any time prior to its exercise by submitting a properly executed, subsequently dated proxy, giving written notice to the Secretary of the Fund (addressed to the Secretary at the principal executive office of the Fund, 1735 Market Street, 32nd Floor, Philadelphia, Pennsylvania 19103), or by attending the Meeting and voting in person. Stockholders may authorize proxy voting by using the enclosed proxy card along with the enclosed envelope with pre-paid postage. Stockholders may also authorize proxy voting by telephone, by following the instructions contained on their proxy card.

The presence at the Meeting, in person or by proxy, of the stockholders entitled to cast a majority of all the votes entitled to be cast at the Meeting shall be necessary and sufficient to constitute a quorum for the transaction of business. For purposes of determining the presence of a quorum at the Meeting, withheld votes and broker non-votes (that is, proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on a particular proposal with respect to which the brokers or nominees do not have discretionary power) will be treated as shares that are present at the Meeting.

The vote of a plurality of all of the votes cast at a meeting at which a quorum is present is necessary for the election of a Director. For purposes of the election of Directors, withheld votes will not be counted as votes cast and will have no effect on the result of the vote. Proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on Proposal 1 will be voted **FOR** such Proposal.

If a quorum is not present in person or by proxy at the time the Meeting is called to order, the chairman of the Meeting may adjourn the Meeting. If a quorum is present but there are not sufficient votes to approve a proposal, the chairman of the Meeting may adjourn the Meeting, or may permit the persons named as proxy holders to propose one or more adjournments

of the Meeting, to permit further solicitation of proxies on that proposal. If the persons named as proxy holders propose to adjourn the Meeting, the vote required for stockholders to adjourn the Meeting is the affirmative vote of a majority of all the votes cast on the matter. In such a case, the persons named as proxy holders will vote those proxies which they are entitled to vote in favor of the proposal **FOR** the adjournment as to that proposal, and will vote those proxies required to be voted against the proposal **AGAINST** the adjournment as to that proposal. For purposes of votes with respect to adjournment, broker non-votes will not be counted as votes cast and will have no effect on the result of the vote. If the motion for adjournment is not approved, the voting on that proposal will be completed at the Meeting.

Only stockholders or their duly appointed proxy holders can attend the Meeting and any adjournment or postponement thereof. To gain admittance, if you are a stockholder of record or a proxy holder of a stockholder of record, you must bring a form of personal identification to the Meeting, where your name will be verified against our stockholder list. If a broker or other nominee holds your shares and you plan to attend the Meeting, you should bring a recent brokerage statement showing your ownership of the shares, as well as a form of personal identification. If you are a beneficial owner and plan to vote at the Meeting, you should also bring a proxy card from your broker.

The Board of Directors has fixed the close of business on January 15, 2010 as the record date (Record Date) for the determination of stockholders entitled to notice of, and to vote at, the Meeting and at any adjournment or postponement thereof. Stockholders on the Record Date will be entitled to one vote for each share held. As of the Record Date, the Fund had 19,247,238 shares of common stock outstanding.

Important Notice Regarding the Availability of Proxy Materials for the Shareholder Meeting to be Held on Friday, March 5, 2010. The Proxy Statement and the Fund's most recent annual report are available on the Internet at <http://www.aberdeen-asset.us>. The Fund will furnish, without charge, a copy of the Fund's annual report for its fiscal year ended October 31, 2009, and any more recent reports, to any Fund stockholder upon request. To request a copy, please write to the Fund c/o Aberdeen Asset Management Inc., 1735 Market Street, 32nd Floor, Philadelphia, PA 19103, or call Telephone: 1-866-839-5205. You may also call for information on how to obtain directions to be able to attend the Meeting and vote in person.

PROPOSAL 1: ELECTION OF CLASS I DIRECTORS

The Fund's bylaws provide that the Board of Directors will be divided into three classes, as nearly equal in number as possible, each of which will serve for three years, with one class being elected each year. Each year the term of office of one class expires. Directors who are deemed interested persons (as that term is defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (1940 Act)) of the Fund, the Fund's investment manager, Aberdeen Asset Management Asia Limited (the Investment Manager or AAMAL), or the Fund's investment adviser, Aberdeen Asset Management Limited (the Investment Adviser or AAML), are referred to in this Proxy Statement as Interested Directors. Directors who are not interested persons, as described above, are referred to in this Proxy Statement as Independent Directors.

The Board of Directors of the Fund, including the Independent Directors, upon the recommendation of the Board's Nominating and Corporate Governance Committee, which is composed entirely of Independent Directors, has nominated Neville J. Miles and Moritz Sell to serve as Class I Directors each for a three-year term, to expire at the Annual Meeting of Stockholders to be held in 2013, and until their successors are duly elected and qualify. Messrs. Miles and Sell were each previously elected to serve as Class I Directors of the Fund until the Annual Meeting of Stockholders to be held in 2010 (2010 Annual Meeting). Each of the nominees has indicated an intention to serve if elected and has consented to be named in this Proxy Statement.

Edgar Filing: ABERDEEN AUSTRALIA EQUITY FUND INC - Form DEF 14A

It is the intention of the persons named on the enclosed proxy card to vote **FOR** the election of the persons indicated above to serve as Class I Directors. The Board of Directors of the Fund knows of no reason why any of these nominees will be unable to serve, but in the event of any such inability, the proxies received will be voted for such substituted nominees as the Board of Directors may recommend.

The names of the Fund's nominees for election as Class I Directors, and each other Director of the Fund who will continue to serve after the 2010 Annual Meeting, and their addresses, ages and principal occupations during the past five years, are provided in the tables below.

As of October 31, 2009, the Fund's Directors and executive officers, as a group, owned less than 1% of the Fund's outstanding shares of common stock. Mr. Moritz Sell is a Director, market strategist of Landesbank Berlin AG (LB) and was appointed in 2004 as a Director of the Fund as the representative of Bankgesellschaft Berlin AG, now known as Landesbank Berlin Holding AG, parent company of LB. Mr. Sell was subsequently elected by stockholders to serve a three-year term as a Class I Director at the 2007 Annual Meeting. Based solely upon information contained in filings made by LB with the U.S. Securities and Exchange Commission (SEC) with respect to the Fund's shares, as of November 24, 2009, LB owned approximately 7.1% of the Fund's shares then outstanding, and has the sole power to vote and dispose of the shares of the Fund's common stock owned by it.

The information as to ownership of securities which appears below is based on statements furnished to the Fund by its Directors and executive officers.

As of October 31, 2009, the dollar range of equity securities owned beneficially by each Director in the Fund and in any registered investment companies overseen by the Director within the same family of investment companies as the Fund was as follows:

Committees of the Board of Directors

Current Committees and Members

The Board of Directors has a standing Audit and Valuation Committee and Nominating and Corporate Governance Committee, each of which is composed entirely of Independent Directors. Each member is also independent within the meaning of the NYSE Amex Equities listing standards.

Audit and Valuation Committee

The Audit and Valuation Committee, established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the 1934 Act), is responsible for the selection and engagement of the Fund's independent registered public accounting firm (subject to ratification by the Fund's Independent Directors), pre-approves and reviews both the audit and non-audit work of the Fund's independent registered public accounting firm, and reviews compliance of the Fund with regulations of the SEC and the Internal Revenue Service, and other related matters. The members of the Fund's Audit and Valuation Committee are Messrs. Neville J. Miles, Peter D. Sacks and John T. Sheehy.

The Board of Directors has adopted an Audit Charter and a Valuation Charter for its Audit and Valuation Committee, current copies of which are attached to this Proxy Statement as Appendix A.

The Audit and Valuation Committee oversees the activities of the Fund's Pricing Committee and performs the responsibilities assigned to the Audit and Valuation Committee in the Fund's Valuation and Liquidity Procedures, such as overseeing the implementation of the Fund's Valuation and Liquidity Procedures. The Board of Directors has delegated to the Audit and Valuation Committee the responsibility of determining the fair value of the Fund's securities or other assets in situations set forth in the Valuation and Liquidity Procedures.

Nominating and Corporate Governance Committee; Consideration of Potential Director Nominees

The Nominating and Corporate Governance Committee recommends nominations for membership on the Board of Directors and reviews and evaluates the effectiveness of the Board in its role in governing the Fund and overseeing the management of the Fund. It evaluates candidates qualifications for Board membership and, with respect to nominees for positions as Independent Directors, their independence from the Fund's Investment Manager and Investment Adviser and other principal service providers. The Committee generally meets twice annually to identify and evaluate nominees for director and makes its recommendations to the Board at the time of the Board's December meeting. The Committee also periodically reviews director compensation and will recommend any appropriate changes to the Board as a group. The Committee also reviews and may make recommendations to the Board relating to those issues that pertain to the effectiveness of the Board in carrying out its responsibilities in governing the Fund and overseeing the management of the Fund. The Board of Directors has adopted a Nominating and Corporate Governance Committee Charter, a copy of which was included as an appendix to the Fund's proxy statement in 2008. The members of the Fund's Nominating and Corporate Governance Committee are Messrs. P. Gerald Malone, Neville J. Miles and William J. Potter.

The Committee may take into account a wide variety of factors in considering prospective director candidates, including (but not limited to): (i) availability and commitment of a candidate to attend meetings and perform his or her responsibilities on the Board; (ii) relevant industry and related experience; (iii) educational background; (iv) financial expertise; (v) the candidate's ability, judgment and expertise; and (vi) overall diversity of the Board's composition. The Committee will consider potential director candidates recommended by Fund stockholders provided that: (i) the proposed candidates satisfy the director qualification requirements set forth in the Fund's bylaws, and (ii) in addition to the procedures and requirements as are set forth in the Fund's bylaws, the nominating stockholders comply with the Fund's Policies for Consideration of Board Member Candidates Submitted by Fund Stockholders (the Stockholder Nomination Policies), a copy of which may be obtained from the Fund, by writing to Aberdeen Asset Management Inc., the Fund's investor relations services provider, at 1735 Market Street, 3rd Floor, Philadelphia, PA 19103, or by sending an e-mail to Aberdeen Asset Management Inc. at InvestorRelations@aberdeen-asset.com. The Stockholder Nomination Policies provide certain conditions that stockholder nominees must meet in order to be eligible for consideration by the Committee. The Stockholder Nomination Policies provide eligibility guidelines for stockholder nominees that take into account, among other things, the relationship between the nominating stockholder and the nominee. The Stockholder Nomination Policies also require nominating stockholders to meet certain qualifications with respect to their ownership of the Fund and certain regulatory reporting requirements. Finally, the Stockholder Nomination Policies impose certain procedural requirements for any stockholder submitting a nomination to the Committee. Other than compliance with the preceding requirements, the Committee will not otherwise evaluate stockholder director nominees in a different manner than other nominees and the standard of the Committee is to treat all equally qualified nominees in the same manner. The Committee may identify prospective director candidates from any reasonable source and has the ability to engage third-party search services for the identification and evaluation of potential nominees.

The Fund's bylaws (Article III, Section 2(b)) contain provisions regarding minimum qualifications for directors. These include a requirement that, to qualify as a nominee for a directorship, each candidate, at the time of nomination, other than persons who were directors at the time of the adoption of the minimum qualifications, must possess at least the following specific minimum qualifications: (i) a nominee shall have at least five years experience in either investment management, economics, public accounting or Australian business; (ii) a nominee shall have a college undergraduate degree in economics, finance, business administration, accounting, or engineering, or a professional degree in law, engineering or medicine, from an accredited university or college in the United States or Australia or the equivalent degree from an equivalent institution of higher learning in another country; and (iii) a nominee shall not have violated any provision of the U.S. federal or state securities laws, or comparable laws of another country.

The Fund's bylaws (Article II, Section 11) also contain advance notice provisions and general procedures with respect to the submission of proposals, including the nomination of directors. Stockholders who intend to propose potential director candidates must substantiate compliance with these requirements. Notice of stockholder proposals must be provided to the Fund's Secretary not earlier than the 150th day and not later than 5:00 p.m., Eastern Time, on the 120th day prior to the first anniversary of the date of the preceding year's proxy statement. Any stockholder may obtain a copy of the Fund's bylaws by calling the Investor Relations department of Aberdeen Asset Management Inc., the Fund's investor relations services provider, toll-free at 1-866-839-5205, or by sending an e-mail to Aberdeen Asset Management Inc. at InvestorRelations@aberdeen-asset.com.

Board and Committee Meetings in Fiscal 2009

During the Fund's fiscal year ended October 31, 2009, the Board of Directors held four regular meetings and one special meeting; the Audit and Valuation Committee held three meetings; and the Nominating and Corporate Governance Committee held two meetings. During such period, each incumbent Director attended at least 80% of the aggregate number of meetings of the Board of Directors and of all the Committees of the Board on which he served.

Communications with the Board of Directors

Stockholders who wish to communicate with Board members with respect to matters relating to the Fund may address their written correspondence to the Board as a whole or to individual Board members c/o Aberdeen Asset Management Inc., the Fund's investor relations services provider, at 1735 Market Street, 32nd Floor, Philadelphia, PA 19103, or may send e-mail correspondence to the Director(s) c/o Aberdeen Asset Management Inc. at InvestorRelations@aberdeen-asset.com.

Director Attendance at Annual Meetings of Stockholders

Generally, in the event that any of the Fund's Directors are geographically close to the site of an annual meeting of stockholders at the time of such meeting, one or more of such Directors will attend the meeting. However, since a majority of the Fund's Directors reside outside of the United States, the Fund recognizes that it would be impractical for most Directors to attend such meetings and would create a significant expense for the Fund. In light of the fact that the residences of most Directors are substantial distances from the location of the annual meetings of stockholders and that, historically, few stockholders have attended annual meetings in person, the Fund has not established a policy with respect to Director attendance at annual meetings of stockholders. No Directors attended the 2009 Annual Meeting of Stockholders.

Compensation of Directors and Officers

The following table sets forth information regarding compensation of Directors by the Fund and by the Fund Complex of which the Fund is a part for the fiscal year ended October 31, 2009. Officers of the Fund and Directors who are interested persons of the Fund do not receive any compensation directly from the Fund or any other fund in the Fund Complex for performing their duties as officers or Directors, respectively.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the 1934 Act and Section 30(h) of the 1940 Act, as applied to the Fund, require the Fund's officers, Directors, the Investment Manager and Investment Adviser, affiliates of the Investment Manager or Investment Adviser, and persons who beneficially own more than 10% of a registered class of the Fund's outstanding securities (Reporting Persons) to electronically file reports of ownership of the Fund's securities and changes in such ownership with the SEC and the NYSE Amex Equities. Such persons are required by SEC regulations to furnish the Fund with copies of all such filings.

Based solely on its review of the copies of such forms received by it and written representations from certain Reporting Persons that no year-end reports were required for those persons, the Fund believes that during the fiscal year ended October 31, 2009, its Reporting Persons complied with all applicable filing requirements.

Relationship of Directors or Nominees with the Investment Manager and the Investment Adviser

The Investment Adviser is an Australian corporation which is a wholly-owned subsidiary of the Investment Manager. The registered offices of the Investment Adviser are located at Level 6, 201 Kent Street, Sydney, NSW 2000, Australia. Aberdeen Asset Management Inc. (AAMI), an affiliate of the Investment Manager and the Investment Adviser, serves as the Fund's administrator, pursuant to an agreement under which AAMI receives a fee at an annual rate equal to 0.085% of the Fund's average weekly managed assets (which are defined as net assets plus the amount of any borrowings for investment purposes) between \$0 to \$600 million, computed based upon the value of managed assets determined at the end

of each week, and 0.060% of such assets in excess of \$600 million. At the December 7, 2009 Meeting of the Board of Directors, and separately, the Independent Directors of the Board approved an amendment to the fee schedule of the administration agreement between the Fund and AAMI. Effective February 1, 2010, AAMI will receive a fee at an annual rate of annual rate equal to 0.080% of the Fund's average weekly managed assets (which are defined as net assets plus the amount of any borrowings for investment purposes) between \$0 to \$500 million, computed based upon the value of managed assets determined at the end of each week, and 0.070% of such assets between \$500 million and \$1,500 million and 0.060% of such assets in excess of \$1,500 million. AAMI is a Delaware corporation with its principal business office located at 1735 Market Street, 32nd Floor, Philadelphia, Pennsylvania 19103. AAMI also provides investor relations services to the Fund under an investor relations services agreement, for a monthly retainer of \$5,000, plus out-of-pocket expenses. Messrs. Gilbert and Goodson and Ms. Nichols, who serve as officers of the Fund, are also directors and/or officers of AAMI. See Further Information regarding Directors and Officers Officers of the Fund.

REPORT OF THE AUDIT AND VALUATION COMMITTEE; INFORMATION REGARDING THE FUND'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit and Valuation Committee has selected, and the Fund's Independent Directors have ratified the selection of, KPMG LLP (KPMG), 1601 Market Street, Philadelphia, PA 19103, independent registered public accounting firm, to audit the financial statements of the Fund for the fiscal year ending October 31, 2010. PricewaterhouseCoopers LLP (PwC), 300 Madison Avenue, New York, New York 10017, an independent registered public accounting firm, was the independent registered public accounting firm for the Fund for the fiscal year ended October 31, 2008. At the meetings held on June 9, 2009, the Audit Committee and the Board of Directors engaged KPMG to replace PwC as the independent registered public accounting firm for the Fund.

The reports of the financial statements, previously issued by PwC for the Fund for each of the two most recent fiscal years ended October 31, did not contain an adverse opinion or disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles. For the past two most recent fiscal years and through the date of the auditor change, there were no disagreements between the Fund and PwC on any matters of accounting principles or practices, financial statement disclosures, auditing scope or procedures, or any other matter which, if not resolved to the satisfaction of PwC, would have caused PwC to make reference to the subject matter of the disagreements in connection with the issuance of PwC reports on the financial statements of such periods.

Representatives from KPMG are not expected to be present at the Meeting to make a statement or respond to questions from stockholders. However, such representatives are expected to be available by telephone to respond to questions raised by stockholders, if any, during the Meeting.

The Audit and Valuation Committee has received from KPMG the written disclosures and the letter required by the Public Company Accounting Oversight Board regarding KPMG's communications with the Audit and Valuation Committee concerning independence, and has discussed with KPMG its independence. The Audit and Valuation Committee has also reviewed and discussed the audited financial statements with Fund management and KPMG, and discussed certain matters with KPMG addressed by Statements on Auditing Standards Nos. 61 and 90. Based on the foregoing, the Audit and Valuation Committee recommended to the Board of Directors that the Fund's audited financial statements be included in the Fund's Annual Report to Stockholders for the fiscal year ended October 31, 2009. The members of the Audit and Valuation Committee are Messrs. Neville J. Miles, Peter D. Sacks and John T. Sheehy.

The following table sets forth the aggregate fees billed for professional services rendered by KPMG in 2009 and PwC in 2008 to the Fund during the Fund's two most recent fiscal years:

Fiscal year	Audit Fees	Audit-Related Fees	Tax Fees	All Other Fees
2009	\$50,000	\$0	\$6,000	\$0
2008*	\$68,500	\$0	\$7,600	\$0

* Fees billed by PwC for the fiscal year ending October 31, 2008.

All of the services described in the table above were approved by the Audit and Valuation Committee pursuant to its pre-approval policies and procedures (the Pre-Approval Policies and Procedures) which are summarized below. The tax fees were for the preparation of the Fund's federal income tax returns.

For the fiscal year ended October 31, 2009, KPMG billed \$20,000 for tax consulting and tax compliance services to the Fund's Investment Manager and Investment Adviser. For the fiscal year ended October 31, 2008, PricewaterhouseCoopers UK billed Aberdeen PLC \$325,800 primarily for audit-related services in connection with a SAS 70 review of Aberdeen PLC, which included review of the Investment Manager and Investment Adviser operations.

The Fund's Audit and Valuation Committee has adopted Pre-Approval Policies and Procedures pursuant to which the Committee pre-approves all audit and non-audit services provided by the Fund's independent registered public accounting firm (Auditor) and any non-audit services provided by the Auditor to the Fund's Investment Manager, Investment Adviser and any entity controlling, controlled by, or under common control with the Fund's Investment Manager or the Fund's Investment Adviser that provides ongoing services to the Fund (Service Affiliates) during the period of the Auditor's engagement to provide audit services to the Fund, if those services directly impact the Fund's operations and financial reporting. Audit services include those typically associated with the annual audit such as evaluation of internal controls. Non-audit services include certain services that are audit-related, such as consultations regarding financial accounting and reporting standards, and tax services. Certain services may not be provided by the Auditor to the Fund or to the Fund's Service Affiliates without jeopardizing the Auditor's independence. These services are deemed prohibited services and include certain management functions; human resources services; broker-dealer, investment adviser or investment banking services; legal services; and expert services unrelated to the audit. Other services are conditionally prohibited and may be provided if the Audit and Valuation Committee reasonably concludes that the results of the services will not be subject to audit procedures during an audit of the client's financial statements. These types of services include bookkeeping; financial information systems design and implementation; appraisal or valuation services; actuarial services; and internal audit outsourcing services.

The Pre-Approval Policies and Procedures require Audit and Valuation Committee approval of the engagement of the Auditor for each fiscal year and approval of the engagement by at least a majority of the Fund's Independent Directors. In determining whether to engage the Auditor for its audit services, the Audit and Valuation Committee will consider the Auditor's proposed fees for the engagement, in light of the scope and nature of the audit services that the Fund will receive. The Pre-Approval Policies and Procedures also permit the Audit and Valuation Committee to pre-approve the provisions of types or categories of permissible non-audit services for the Fund and its Service Affiliates on an annual basis at the time of the Auditor's engagement and on a project-by-project basis. At the time of the annual engagement of the Fund's Auditor, the Audit and Valuation Committee is to receive a list of the categories of expected non-audit services with a description and an estimated budget of fees. In its pre-approval, the Audit and Valuation Committee should determine that the provision of the service is consistent with, and will not impair, the ongoing independence of the Auditor and set any limits on fees or other conditions it finds appropriate. Non-audit services may also be approved on a project-by-project basis by the Audit and Valuation Committee consistent with the same standards for determination and information.

The Audit and Valuation Committee may also appoint a Designated Member of the Committee to pre-approve non-audit services that have not been pre-approved or material changes in the nature or cost of any non-audit services previously pre-approved. Any actions by the Designated Member are to be ratified by the Audit and Valuation Committee by the time of its next regularly scheduled meeting. The Fund's Pre-Approval Policies and Procedures are to be reviewed annually by the Audit and Valuation Committee and the Fund maintains a record of the decisions made by the Committee pursuant to those procedures.

Aberdeen Australia Equity Fund, Inc. Audit and Valuation Committee

AUDIT CHARTER

Mission

The mission of the Audit and Valuation Committee (the *Committee*) of the Board of Directors (the *Board*) of Aberdeen Australia Equity Fund, Inc. (the *Fund*), under this Audit Charter, is to oversee: (i) the Fund's accounting and financial reporting policies and practices; (ii) its internal controls and, as appropriate, the internal controls of certain service providers; and (iii) the integrity, quality and objectivity of the Fund's financial statements and the independent audit thereof, including, but not limited to, oversight of the independent auditor's qualifications and independence. The Committee will report to the Board, if necessary, any relationships between the independent auditor and the Fund, or any other relationships, which come to the Committee's attention that may adversely affect the independence of the independent auditor.

The function of the Committee is to provide oversight; it is the responsibility of the Fund and the Fund's investment manager (the *Manager*) and investment adviser (the *Adviser*) to maintain appropriate systems for accounting and internal control, and it is the responsibility of the Fund's independent auditor to plan and carry out a proper audit.

The independent auditor is directly accountable to the Committee.

Committee Membership

The Committee shall be composed of at least three members. Each member must have been determined not to be an interested person (as that term is defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (*1940 Act*)) of the Fund, other than in his or her capacity as a member of the Board of Directors or any Board committee (an *Independent Director*) and, in addition, each member shall have the additional qualifications indicated below. The President of the Fund, although not a member of the Committee, will nonetheless be expected to have a significant role in assisting the Committee to discharge its responsibilities, including ensuring adequate access to, and support from, the Fund's Manager and the Fund's Adviser.

Qualifications of Committee Members

1. Members of the Committee must be members of the Board and may not be officers of the Fund. In addition, members should be free of any relationships that would interfere with the exercise of independent judgment.
2. Each member of the Committee must not have participated in the preparation of the financial statements of the Fund or any current subsidiary of the Fund at any time during the past three years.
3. Each member of the Committee must be able to read and understand basic financial statements, including the Fund's balance sheet, income statement and statement of cash flows, or must become able to do so within a reasonable period of time after his or her appointment to the Committee. At least one member of the Committee must be financially sophisticated, in that he or she has past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background which result in that individual's having financial sophistication, including, but not limited to, being or having been a chief executive officer, chief financial

officer or other senior officer with financial oversight responsibilities. If a member qualifies as an audit committee financial expert pursuant to Item 407(d)(5)(ii) and (iii) of Regulation S-K or Item 3 of Form N-CSR that member may be presumed to be financially sophisticated.

4. Unless exempted by an order of the SEC, each member of the Committee may not, other than in his or her capacity as a member of the Committee, the Board, or any other committee of the Board, directly or indirectly, accept any consulting, advisory, or other compensatory fee from the Fund.
5. If none of the members of the Committee is a financial expert (as that term is defined in the rules and regulations of the SEC), the Fund's periodic reports shall disclose the reason why.

Duties and Powers

To carry out its mission under this Audit Charter, the Committee shall, to the extent it deems appropriate, carry out the following functions:

1. To annually select, retain or terminate the Fund's independent auditor and, in connection therewith, to evaluate the qualifications and independence of the independent auditor, including whether the independent auditor provides any consulting, auditing or tax services to the Manager or the Adviser, and to receive the independent auditor's specific representations as to their independence, delineating all relationships between the independent auditor and the Fund, consistent with applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditor's communications with the Committee concerning independence. The Committee is responsible for actively engaging in a dialogue with the independent auditor with respect to any disclosed relationships or services that may impact the objectivity and independence of the independent auditor and for taking, or recommending that the full Board take, appropriate action to oversee the independence of the independent auditor;
2. To review in advance, and consider approval of, any and all proposals by management of the Fund or the Manager or the Adviser that the Fund, the Manager or the Adviser, or their affiliated persons, employ the independent auditor to render permissible non-audit services to the Fund and to consider whether such services are consistent with the independent auditor's independence.² The Committee may delegate to one or more of its members (Delegates) authority to pre-approve permissible non-audit services to be provided to the Fund. Any pre-approval determination of a Delegate shall be presented to the full Committee at its next meeting. The Committee shall communicate any
 1. Permissible non-audit services include any professional services, including tax services, provided to the Fund by the independent auditor, other than those provided to the Fund in connection with an audit or a review of the financial statements of the Fund. Permissible non-audit services may not include: (i) bookkeeping or other services related to the accounting records or financial statements of the Fund; (ii) financial information systems design and implementation; (iii) appraisal or valuation services, fairness opinions or contribution-in-kind reports; (iv) actuarial services; (v) internal audit outsourcing services; (vi) management functions or human resources; (vii) broker or dealer, investment adviser or investment banking services; (viii) legal services and expert services unrelated to the audit; and (ix) any other service the Public Company Accounting Oversight Board determines, by regulation, is impermissible.
 2. Pre-approval by the Committee of any permissible non-audit services is not required so long as: (i) the aggregate amount of all such permissible non-audit services provided to the Fund constitutes not more than 5% of the total amount of revenues paid by the Fund to its auditor during the fiscal year in which the permissible non-audit services are provided; (ii) the permissible non-audit services were not recognized by the Fund at the time of the engagement to be non-audit services; and (iii) such services are promptly brought to the attention of the Committee and approved by the Committee or its Delegate(s) prior to the completion of the audit.

- pre-approval made by it or a Delegate to the Fund's Manager, who will ensure that the appropriate disclosure is made in the Fund's periodic reports required by Section 13(a) of the Securities Exchange Act of 1934, as amended, and other documents as required under the federal securities laws;
3. To select, recommend and engage new independent auditors, should it prove necessary, subject to ratification by the Board and shareholder approval, if required;
 4. To review and oversee, in advance and in consultation with the independent auditor, the staffing of the audit of the Fund's financial statements and obtain from the independent auditor a written representation that they have appointed a lead auditor and/or review partner who has not acted in such capacity for the Fund in each of the Fund's previous five fiscal years;
 5. To meet periodically with the Fund's independent auditor and Fund management, including private meetings, as necessary (i) to review the arrangements for and scope of the annual audit and any special audits, and the fees proposed to be charged in connection with such services, (ii) to discuss any matters of concern relating to the Fund's financial statements, including any adjustments to such statements recommended by the independent auditor, or other results of said audit(s), including matters required to be discussed by the Statement on Auditing Standards (SAS) No. 61, as amended, and Fund management's response to such matters, (iii) to consider the independent auditor's comments with respect to the Fund's financial policies, procedures and internal accounting controls and management's responses thereto, (iv) to review the form of opinion the independent auditor proposes to render to the Board and shareholders, and (v) to review the performance of the independent auditor;

- 3 SAS No. 61, as amended by SAS Nos. 89 and 90, requires independent auditors to communicate certain matters related to the conduct of an audit to those who have responsibility for oversight of the financial reporting process, specifically the audit committee. Among the matters to be communicated to the audit committee are: (1) methods used to account for significant unusual transactions; (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus; (3) the process used by management in formulating particularly sensitive accounting estimates and the basis for the auditor's conclusions regarding the reasonableness of those estimates; (4) adjustments arising from the audit that could, in the auditor's judgment, have a significant effect on the company's financial reporting process, or uncorrected misstatements aggregated by the auditor that were determined by management to be immaterial to the financial statements; and (5) disagreements with management over the application of accounting principles, the basis for management's accounting estimates, and the disclosures in the financial statements. SAS No. 90 clarifies that the auditor must discuss certain information relating to its judgment about the quality, not just the acceptability, of the company's accounting principles with the audit committee and encourages a three-way discussion among the auditor, management and the audit committee.
