CALCULATION OF FILING FEE

Edgar Filing: ORTHOVITA INC - Form SC TO-T/A

Transaction Valuation(1)	Amount of Filing Fee(2)
\$317,461,377	\$36,858

- (1) Estimated for purposes of calculating the filing fee only. The transaction valuation was calculated by multiplying the offer price of \$3.85 per share of common stock of Orthovita, Inc. (Orthovita), par value \$0.01 per share, (Shares) by 77,028,457 Shares, which is the number of Shares outstanding as of May 13, 2011. The transaction value also includes (i) the excess, if any, of the offer price of \$3.85 per Share over the exercise price per share of each outstanding option to acquire Shares from Orthovita with an exercise price less than \$3.85 per share, multiplied by the number of outstanding Shares covered by such option, and (ii) the excess, if any, of the offer price of \$3.85 per Share over the exercise price per share of each outstanding warrant to acquire Shares from Orthovita, multiplied by the number of outstanding Shares covered by such warrant. As of May 13, 2011, there were 10,114,152 Shares subject to outstanding options to acquire Shares from Orthovita and outstanding warrants to purchase 1,100,000 Shares.
- (2) Pursuant to Section 14(g) of the Securities Exchange Act of 1934, SEC Release No. 34-59850 and SEC press release number 2010-255 (dated December 22, 2010), the amount of the filing fee is equal to \$116.10 per \$1,000,000 of transaction valuation, calculated by multiplying the transaction valuation by .00011610.

⌋ Check the box if any part of the fee is offset as provided by Rule 0-11(a)(2) and identify the filing with which the offsetting fee was previously paid. Identify the previous filing by registration statement number, or the Form or Schedule and the date of its filing.

Item 5. Past Contracts, Transactions, Negotiations and Agreements; Item 6. Purposes of the Transactions and Plans or Proposals; Item 8. Interest in the Securities of the Subject Company; Item 11. Additional Information.

Items 5(a), 6(c), 8(a) and (b) and 11(a)(1) of this Schedule TO are hereby amended and supplemented as follows:

The first paragraph of the subsection of the Offer to Purchase entitled "The Merger Agreement; Other Agreements" Merger Agreement Representations and Warranties is hereby amended by restating the second sentence thereof as follows:

The representations and warranties in the Merger Agreement were the product of negotiations among Orthovita, Stryker and Purchaser, and may be subject to important qualifications and limitations agreed to by the parties in connection with negotiating the Merger Agreement.

The first paragraph of the subsection of the Offer to Purchase entitled "The Merger Agreement; Other Agreements" Merger Agreement Representations and Warranties is hereby amended by restating the last sentence thereof as follows:

Accordingly, you should not rely on the representations and warranties contained in the Merger Agreement as statements of actual facts without consideration of the entirety of public disclosures of Stryker, Purchaser or Orthovita as set forth in all of their respective public reports with the SEC.

Item 11. Additional Information.

Items 11(a)(2) and 11(a)(3) of this Schedule TO are hereby amended and supplemented as follows:

The first paragraph of the section of the Offer to Purchase entitled "Certain Conditions of the Offer" is hereby amended by restating the second sentence thereof as follows:

Notwithstanding any other provisions of the Offer, and in addition to (and not in limitation of) Purchaser's and Stryker's rights and obligations to extend, amend or terminate the Offer in accordance with the Merger Agreement, Purchaser will not be required to accept for payment or, subject to any applicable rules and regulations of the SEC, including Rule 14e-1(c) under the Exchange Act (relating to Purchaser's obligation to pay for or return tendered Shares after termination or withdrawal of the Offer), pay for, and may delay the acceptance for payment of or, subject to the restriction referred to above, the payment for, any validly tendered Shares if (i) the Minimum Condition shall not have been satisfied, (ii) the Antitrust Condition shall not have been satisfied or (iii) at any time on or after the date of the Merger Agreement and prior to the Expiration Date, any of the following events shall occur and be continuing:

The last paragraph of the section of the Offer to Purchase entitled "Certain Conditions of the Offer" is hereby amended by restating the first sentence thereof as follows:

The foregoing conditions are for the sole benefit of Stryker and Purchaser, may be asserted by Stryker or Purchaser, and may be waived by Stryker or Purchaser in whole or in part at any time and from time to time in their sole and absolute discretion (except that the Minimum Condition may not be waived).

The second paragraph of the subsection of the Offer to Purchase entitled "Certain Legal Matters; Regulatory Approvals" "Antitrust Compliance" is hereby amended by adding the following sentence as the last sentence thereof:

The waiting period under the HSR Act applicable to the Offer and the Merger expired effective 11:59 p.m. on June 13, 2011. As a result, the condition of the Offer related to the early expiration or termination of the waiting period under the HSR Act has been satisfied.

Item 11(a)(5) of this Schedule TO is hereby amended and supplemented as follows:

The subsection of the Offer to Purchase entitled "Certain Legal Matters; Regulatory Approvals" "Legal Proceedings" is hereby amended and supplemented by adding the following paragraph as the last paragraph thereof:

While Stryker and the Purchaser believe that each of the aforementioned litigation matters is without merit and that they have valid defenses to all claims asserted therein, in an effort to minimize the burden and expense of further litigation relating to certain of such matters, on June 13, 2011, the parties in *Thorn v. Koblisch, et al.*, Case No. 2011-14644-0 (the "Thorn Action"), *Clayton v. Orthovita, Inc.*, et al., Case No. 11-3535 (the "Clayton Action"), and *Van Barel v. Koblisch, et al.*, Case No. 11-3652 (the "Van Barel Action" and, collectively with the Thorn Action and the Clayton Action, the "Settled Actions"), reached an agreement in principle pursuant to which a class would be certified for settlement purposes; the class would be defined as all persons which held or beneficially owned shares of Orthovita common stock between May 16, 2011 and the date of the consummation of the Merger; and Stryker, the Purchaser and the other defendants named therein (collectively, the "Defendants") would be released by the members of the class from, among other things, all claims that have been brought or could have been brought under state or federal law arising out of or related to the Offer and the Merger (other than any properly perfected claims for appraisal pursuant to Subchapter 15D of the Pennsylvania Business Corporation Law of 1988, as amended, or claims to enforce the settlement). The settlement remains subject to, among other things, the execution of a stipulation of settlement and approval by the United States District Court for the Eastern District of Pennsylvania, after which each of the Settled Actions will be dismissed. Pending that approval, each of the Settled Actions will be stayed. Under the agreement in principle, Orthovita agreed to make certain supplemental disclosures made in Amendment No. 5 to its Schedule 14D-9, although none of the Defendants makes any admission that such supplemental disclosures are material or otherwise required. The parties also agreed to negotiate with respect to the amount of the award of fees and expenses to counsel for the plaintiffs in the Settled Actions and, absent an agreement with respect thereto, the parties reserve all applicable rights and defenses; provided, however, the parties agreed that no fees or expenses shall be paid to counsel for the plaintiffs in the absence of consummation of the Offer and the Merger and approval of a complete release in customary form. In the event the settlement is not approved by the court or the conditions to settlement are not satisfied, the Defendants will continue to defend their positions in these matters vigorously. *Tsark v. Koblisch et al.*, Case No. 2011-15722 (the "Tsark Action") is not part of the agreement in principle described above. If the court approves the settlement, however, the Tsark Action will be dismissed. Before any approval of the settlement by the court, the plaintiff in the Tsark Action could seek to challenge the agreement in principle. Stryker and the Purchaser will contest any objection to the settlement vigorously.

Item 11(b) of this Schedule TO is hereby amended and supplemented as follows:

The subsection of the Offer to Purchase entitled "Procedures for Accepting the Offer and Tendering Shares - Determination of Validity" is hereby amended by restating the first sentence thereof as follows:

All questions as to the validity, form, eligibility (including time of receipt) and acceptance for payment of any tender of Shares will be determined by us, in our sole discretion, which determination will be final and binding on all parties, subject to such parties disputing such determination in a court of competent jurisdiction.

The subsection of the Offer to Purchase entitled "Procedures for Accepting the Offer and Tendering Shares - Determination of Validity" is hereby amended by restating the last sentence thereof as follows:

Our interpretation of the terms and conditions of the Offer (including the Letter of Transmittal and the instructions thereto) will be final and binding, subject to the dispute of such interpretation in a court of a competent jurisdiction.

The first paragraph of the section of the Offer to Purchase entitled "Miscellaneous" is hereby restated as follows:

The Offer is being made to all holders of Shares. Neither Stryker nor Purchaser is aware of any jurisdiction where the making of the Offer is prohibited by any administrative or judicial action pursuant to any valid state statute. If Stryker or Purchaser become aware of any valid state statute prohibiting the making of the offer or the acceptance of Shares pursuant to the Offer, Stryker and Purchaser will make a good faith effort to comply with that state statute or seek to have such statute declared inapplicable to the Offer. If, after a good faith effort, Stryker and Purchaser cannot comply with the state statute, Purchaser will not make the Offer to, nor will Purchaser accept tenders from or on behalf of, the holders of Shares in that state. In those jurisdictions where applicable laws require the Offer to be made by a licensed broker or dealer, the Offer will be deemed to be made on behalf of Purchaser by one or more registered brokers or dealers licensed under the laws of such jurisdiction to be designated by Purchaser.

Item 12. Exhibits.

Exhibit (a)(1)(B) of this Schedule TO is hereby amended and supplemented as follows:

The section of the Letter of Transmittal on page 9 entitled "Irregularities" is hereby amended by restating the first sentence thereof as follows:

All questions as to the validity, form, eligibility (including time of receipt) and acceptance for payment of any tender of Shares will be determined by us, in our sole discretion, which determination will be final and binding on all parties, subject to such parties disputing such determination in a court of competent jurisdiction.

The section of the Letter of Transmittal on page 9 entitled "Irregularities" is hereby amended by restating the last sentence thereof as follows:

Our interpretation of the terms and conditions of the Offer (including the Letter of Transmittal and the instructions thereto) will be final and binding, subject to the dispute of such interpretation in a court of a competent jurisdiction.
