*Support Agreement*

On the Closing Date, pursuant to the Contribution Agreement, Inergy, Suburban and Suburban Energy Finance Corp. ("Suburban Finance" and, together with Suburban, the "SPH Issuers") entered into a support agreement (the "Support Agreement") relating to \$496,557,000 aggregate principal amount (the "Supported Debt Principal Amount") of the SPH Issuers'  $\frac{1}{2}\%$  senior unsecured notes due 2018 (the "2018 SPH Notes" and, such 2018 SPH Notes or any permitted refinancing thereof, the "Supported Debt") that were issued in connection with the completion of the Exchange Offers, which mature on October 1, 2018 (such date or the date of maturity of any permitted refinancing, the "Deemed Maturity Date"). The Support Agreement provides that, in the event the SPH Issuers fail to pay any principal amount of the Supported Debt when due, Inergy will pay directly to, or to the SPH Issuers for the benefit of, the holders of the Supported Debt ("Holders") an amount up to the Supported Debt Principal Amount that the SPH Issuers have failed to pay. Inergy will have no obligation to make a payment under the Support Agreement with respect to any accrued and unpaid interest or any redemption premium or other costs, fees, expenses, penalties, charges or other amounts of any kind whatsoever that shall be due to Holders by the SPH Issuers, whether on or related to the Supported Debt or otherwise.

Inergy will not be obligated to make any payment pursuant to the Support Agreement unless and until each of the following has occurred: (a) if no bankruptcy proceeding has been commenced with respect to the SPH Issuers, the trustee under the indenture governing the 2018 SPH Notes or other Holder(s) of the Supported Debt shall have (i) brought an action in a court of law having proper subject matter jurisdiction against the SPH Issuers to collect the then outstanding principal amount of the

Supported Debt, (ii) obtained a final and non-appealable judgment (including a judgment for which any time to appeal has expired) by such court against the SPH Issuers in respect of the Supported Debt and (iii) levied execution of such judgment against the property of the SPH Issuers, and as a result of such execution received less than payment in full in cash or property of the then outstanding principal amount of the Supported Debt, and (b) if a bankruptcy proceeding has been commenced with respect to the SPH Issuers, the closing of the bankruptcy proceeding after its administration under 11 U.S.C. Section 350(a) shall have occurred and (i) Holders shall have received, after all distributions contemplated by such bankruptcy proceeding or otherwise, less than payment in full in cash or property in respect of the then outstanding principal amount of the Supported Debt and (ii) the then outstanding unpaid principal amount of the Supported Debt shall not have been reinstated pursuant to such bankruptcy proceeding. Inergy's support obligations with respect to the Supported Debt satisfying the foregoing conditions, regardless of the situation, shall apply only to the then outstanding principal amount of the Supported Debt minus the sum of (i) any cash payment and property payment received by Holders after all distributions contemplated by such bankruptcy proceeding or otherwise in respect of the principal amount of the Supported Debt and (ii) the principal amount of any reinstated Supported Debt. For these purposes, the value of any payment made in property shall be equal to the fair market value of such property at the time of such payment.

On the earlier to occur of (i) the date the Supported Debt has been extinguished (other than in a bankruptcy or other judicial proceeding) or repaid and (ii) the occurrence of a Deemed Maturity Date (provided that no event of default has occurred on or before the Deemed Maturity Date), the Support Agreement will terminate, Inergy will be released from any liability or obligation under the Support Agreement related to the Supported Debt, and the SPH Issuers will enter into and execute such documents and instruments as Inergy may reasonably request in order to evidence such release.

The foregoing description of the Support Agreement does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Support Agreement, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.
